Lincoln, Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee and they hugged them in their abnormally massive and powerful muscular arms, and Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee are in your harem.

May: We all suspected they had feelings for Lincoln, and now, they're part of his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

(THE PEOPLES COURT THEME PLAYS)

We were in the Gotham Royal York Courthouse for what might be considered the Trial of the Century! It was the Case of The People of The United States VS Winnie The Pooh: Blood And Honey!

Bailiff: Calling the courtroom to order in the Case of The People of The United States VS Winnie The Pooh: Blood And Honey, Honorable Judge, Katherine A. Rockell presiding.

Sweet Leaf: Please tell me we have the names of the people

Me: Well the names are confidential.

Nico: Yeah.

Jamesdean5842: Sorry guys I don't want it to be hurtful to them.

Sweet Leaf: Ah. Good point.

Horsea: Hello, Judge Katie and everyone. We gathered you all today so you can FUCKING LOOK AT IT! (shows everyone the trailer)

Rarity: (to Katie): We apologize for this.

Me: Oh for heavens sake!

Lincoln calmed the mascots down.

Me: I apologize for this your honor. What you see on the Mascots computer, Ladies and Gentlemen of the Jury, everyone here, is a trailer of the 2023 Slasher Horror film based on Winnie the Pooh called Winnie The Pooh: Blood and Honey. It's a dark version of Winnie the Pooh where Christopher Robin goes off to college and Pooh and Piglet go feral and go on a terrible killing spree and they end up turning the Hundred Acre Wood into a killing field. As you can see by this trailer that we're showing to you all. The movie came out on February 15th, earlier this year.

Nico: Please note all that everyone.

Me: Throughout the big day missions that we have been having for our members of our team the Mascots have been warning everyone to see the kind of horrible movie this is.

Poromon: POOH DOES NOT DESERVE TO BE DISGRACED BY THIS SICK MOVIE! LOOK AT IT!

Runamuck: Um… what Poromon said.

Nico: Poromon calm down this is a court room.

Poromon: Sorry.

Judge Katie: I completely understand what the mascots are feeling right now and have been for the past 7 months. I loved Winnie the Pooh myself back when I was a little girl and I can't believe that they would make a movie like this.

Me: I know your honor.

Judge Katie: Do you have any witnesses you would like to call?

Me: Winnie the Pooh of 100 Acre Wood.

Pooh was on the stand.

Me: Pooh you have been an iconic legend for Disney and many peoples hearts ever since December 24th, 1925 right?

Pooh: Oh yes I have and I love making everyone smile.

Me: That is good you do. And you have filled all of our hearts with so much joy and love and laughter ever since then. Would you approve of this horrible movie?

Pooh: Oh goodness no. I would never.

Me: No further questions for Pooh.

Poliwag: Sora should go be a witness too!

Me: Of course.

Sora went to the witness stand.

Me: Sora Raiga, the legendary keyblader of light. I remember you going on numerous adventures with Pooh in the past ever since you started out as a Keyblader. What is your relation with Pooh and friends like?

Sora: We have been friends ever since those days. And they were some of the best ever. Ever since I helped out with saving Kairi and all that.

Me: You are very close I can tell.

Sora: I would never allow Pooh to become like that.

Me: Good good. I agree there.

Sora: Thanks. Also what these people did to Pooh's good name is absolutely dark and disgraceful.

Me: That we can agree on too. No further questions for Sora.

Manaphy: Mickey should be a witness too! He's the icon of Disney after all!

Me: I agree.

We called Mickey.

Me: Mickey Mouse, who has been an iconic legendary symbol of Disney since November 18, 1928 and the very character that started an amazing empire of entertainment. How would you describe the relationship with you and Winnie the Pooh?

Mickey Mouse: Pooh is a great friend and an awesome pal to get along with. Him and all his friends are. And Christopher Robin is a very nice kid too. I admit that going off to college is something all kids have to do. But what Blood and Honey did in showing that is dark, evil and a nightmare!

Me: That is for sure. I admit we have to go to college every now and then but what Pooh and Piglet did in that movie is no excuse and is dark beyond all words. No further questions.

Taro: Do you know that many of us suggested that the creators be given the Black Gates? But J.D. and Nico said that suing them is better!

Blu: It was my idea.

Me: Yes it was actually Blu's idea that was much safer. Hence why we are here.

Lola: It sure is.

Judge Katie: And I agree with J.D. and everyone wholeheartedly on not banishing the people and creators of Blood and Honey to the Black Gates. That shows a great display of merit on J.D.'s part because it's against their code. Does anyone else have any statements before we decide the verdict?

?: I got some thing to say.

We saw a Klawf!

Nico: Cool a Klawf.

Klawf: (In a girls voice) I apologize for coming in like this your honor but I have something to say.

Nico: Shayla Cunningham?! Whoa.

She reverted back and was a girl with orange hair and orange eyes and orange sports clothes.

Shayla Cunningham: Good to see you again Nico.

Shayla went to the stand and she told everyone that she saw the entire movie and it was beyond a shadow of a doubt the worst movie ever and how it was a disgrace to the name of Winnie the Pooh and how it turns a sweet and adorable awesome bear and pig into a couple of monsters and how they made an absolute blatant mockery and an insult to the Hundred Acre Wood and Christopher Robin and Friends good names.

Me: I think that we can agree on.

Nico: Yep.

Poromon: Where are the creators anyway? Too cowardly to show themselves here?!

Poliwag: (to the rest of the Keybladers) Sorry we couldn't get you guys as witnesses. But it would've taken too long.

They nodded.

Jamesdean5842: I didn't want to have them show up for fear of smearing their names in real life.

Nico: He's right.

Poromon: Oh. Good point.

Judge Katie banged the gavel.

Judge Katie: Has the jury reached a verdict?

Juror: We have your honor. We the Juror find the Defendants of the movie Winnie the Pooh Blood and Honey: GUILTY!

Judge Katie: Very well. The people and creators of the movie are hereby ordered to pull the movie off the film industry permanently and ordered to pay restitution and punitive damages in the amount of $500,000,000,000,000,000.00.

We cheered wildly!

Qin: That was good.

Lola: Yeah.

Red Alert: So, what's your favorite memory of Nico?

Shayla Cunningham: When me and Nico ambushed a gang of bullies and got them sent to prison.

Qin: Nice. I remember that.

Nico: That was awesome.

Me: Yep. But we did it guys. We won the case.

Nico: Yep.

Nico and Shayla hugged.

Nico: I've missed you.

Shayla Cunningham: Same here.

Bounce Man: (to the Mascots) Are you guys happy now?

Poromon: Yes we sure are.

Me: Good.

Lola: Yeah serves them right.

Qin: Yep.

Nico: Yep.

The previous group came.

Robo Blaze: Can me, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Brain Freezer, Villamax, and Radioactive Man go with you guys? And I hope you guys enjoyed my team coming with you on the rescue.

Nico: Oh we did and we loved it. Also yes you all can come with us.

We went back to the estate and got ready.

Me: We don't even know what our mission will be but it will be fun.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than our old enemy, Ivan Ooze, and he's come back from the dead still wanting revenge on The Rangers and us for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Lincoln sounded the alarm, and we came inside.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico, and it concerns all of us along with the Power Rangers. I had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than our old enemy, Ivan Ooze, and he's come back from the dead still wanting revenge on The Rangers and us for destroying him.

We gasped.

Tommy Oliver: Ivan Ooze is back?! And here I thought we were finally rid of him for good!

Me: He's a persistent bastard, I'll give him that!

Nico: Too persistent! But, now we finally have the chance we've been waiting for, now we can destroy Ivan Ooze for good and send that bastard to The Black Gates where he belongs.

Lincoln: Yes! Now, we'll finish the battle that we started with Ivan Ooze three years ago and send him to his eternal punishment.

Qin: This time we'll send him to the Black Gates.

Xenia: Yeah!

Camie: Who is Ivan Ooze?

Me: A Dangerous enemy of the Power Rangers.

I went over his history.

---

Ivan Ooze was a cruel sorcerer and notorious alien tyrant that served as the main antagonist of the 1995 film Mighty Morphin Power Rangers: The Movie.

He was played by Paul Freeman, who also played René Belloq in Indiana Jones and the Raiders of the Lost Ark, James Moriarty in Without a Clue and Reverend Philip Shooter in Hot Fuzz. As a random security guard, Ivan was played by Paul Goddard.

Past

How Ivan Ooze came to be was never explained but he was a conniving alien tyrant and a treacherous sorcerer who according to Zordon "ruled the world with a reign of unparalleled terror." However, this was not enough for Ivan since he desired to conquer the entire universe so built his ultimate weapons; the Ecto-Morphicon Titans; gigantic Zord-like beings to conquer the universe. However, Ivan Ooze was imprisoned in the Hyperlock Chamber by Zordon, Dulcea and the "Order of Meridian" who presumably were the precursors to the modern-day Power Rangers and the Titans were sealed underground close to him 6000 years ago. The Hyperlock Chamber with Ivan in ooze form was sealed "deep underground" somewhere beneath the modern-day city of Angel Grove, California.

Mighty Morphin Power Rangers The Movie

Ivan's Hyperlock Chamber is accidentally unearthed by a construction crew in 1995 during the Angel Grove Jump-A-Thon event shortly after Bulk and Skull are kicked off-site. That night, Zordon sends the Rangers to hide the chamber once more but they are beaten to the scene by Rita Repulsa and Lord Zedd. Having found Ivan after searching for 2000 years, Zedd releases Ooze and asks for Zordon's destruction in return which he agrees to despite being disgusted when learning of his nemesis' survival. Ivan Ooze takes the form of a passed-out security guard and meets the six Power Rangers before revealing himself and joking with them before unleashing his Oozemen to keep them distracted.

Upon teleporting to the Command Center. Although only those with Power Coins can enter, Ivan averts this by seeping through the cracks in the door, frying Alpha 5 into uselessness, and getting into a conversation with his old enemy Zordon, expressing his hatred towards him for locking him away, now destroying the Command Center in glee. Doing so destroys the Rangers' powers and renders them helpless despite wiping out "his children." Afterwards, Ooze travels to the Moon Palace on the planet Earth's moon and betrays both Lord Zedd and Rita Repulsa, as Zedd tries to blast him, but had no effect on Ivan as he has proved to be too powerful for both Zedd and Rita and then traps them within a snow-globe.

Their henchmen Goldar and Mordant swear allegiance to Ivan rather than join Rita and Zedd in captivity. Ivan then begins brainwashing the parents of Angel Grove into digging up the parts of his Ecto-Morphicons by giving their children mind-controlling ooze in jars under the guise of a friendly wizard. Once the Ecto-Morphicons are restored fully, he reanimates them with his ooze and sends them out to destroy the city while ordering the parents to jump to their deaths back at the construction site. Ivan then spends his time in the observatory with Goldar, watching the destruction his machines wreck the city. After the Rangers manage to restore their powers on Phados, they return to Angel Grove and battle Ivan's machines with their new Ninja Zords. Using these Zords, they are able to destroy one of the Morphicons, Scorpitron, and corner the other named Hornitron.

Enraged and intent on not losing the other Ecto-Morphicon Titans, Ivan combines to become a gigantic mutant hybrid of the two though he then crushes the monorail even as Fred Kelman and the children of Angel Grove rush to save their parents. Tommy leaves in the White Ninja Falconzord to become the missing rail whilst the other Rangers form the Ninja Megazord but Ivan-Hornitor destroys their Fire Saber and decimates them. Returning, they form the Ninja

FalconMegazord by combining with the Falconzord and fly into the sky but Ivan-Hornitor sprouts wings and gives chase. The battle progresses into outer space where Ivan retains the upper hand but the Rangers have the idea to destroy him with the rapidly approaching Ryan's Comet. As it comes closer, Aisha uses the Megazord's panic button to knee Ivan-Hornitor in the groin and fly away even as the Comet slams into Ivan and obliterates him on contact.

---

When I was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: OH MAN!

Sunset Shimmer: He's a monster!

Lola: Yep and we faced him 3 years ago and destroyed him.

Me: Back then we had only 25 years of Rangers with us. Now we have over 46+ Years of rangers with us and ready to kick some butt.

Nico: We sure do.

Sixshot: Boss, which Gene Slammers do you think you'll meet next?

Nico: Rabsca, Espathra and Tinkaton next.

Sixshot: I like it.

Whiger: Ooze is in for a surprise!

Me: You got that right!

Tommy's watch beeped.

Me: Oh Alpha is calling.

Tommy Oliver: What's up Alpha?

Alpha 5: Rangers, Zordon needs you at the command center. It's Urgent.

Tommy Oliver: We're on our way.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Doku, The Dark Samurai from Ninja Gaiden, and he's come back for revenge on Ryu Hayabusa for destroying him. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you aren't going to like hearing, Ryu: the dark energy we sensed belongs to Doku, The Dark Samurai, and he's come back from the dead and he wants revenge on you for destroying him.

Ryu Hayabusa: I never thought I'd see him again.

Rachel: Same here.

Ayane: Me too. Doku is known as The Lord of the Greater Fiends and the right hand of The Vigoor Emperor, and he's really dangerous.

Sayuri Shirahoshi: (Japanese Accent) I've heard about him all too well. I've got an idea, Lincoln and I will take him down and send him to The Masters of Evil, but not before we give him the thrashing he deserves.

Ryu Hayabusa: Good idea.

Lincoln: It sure is.

Nico: I agree, plus, we can see those techniques Sayuri taught you, Lincoln. Alright, gang, let's go, the time to permanently destroy Ivan Ooze has come at long last.

Lincoln: Ivan Ooze's time is finally up, now we shall make sure that he never ever returns to cause us anymore trouble, and once we get done with him, you're next, Doku.

Sayuri Shirahoshi: (Japanese Accent) There's no way we're letting you get away with this, Doku, you better be ready to fight after we get through with Ivan Ooze.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to finally get rid of Ivan Ooze once and for all, and once we got done destroying Ivan Ooze, Sayuri Shirahoshi and Lincoln are going to take down Doku.

We were off to the Angel Grove Command Center.

---

We arrived at the Command Center.

Alpha 5: AI YI YI YI YI! This is terrible!

We arrived.

Me: We got here as soon as we could.

Zordon: Hello, everyone. First, I would like to congratulate you on the trial.

Scrapper: Thanks. Though I expected the Mascots to freak out the whole time.

Me: Me too. We found out that Ooze is back Zordon. Lincoln warned us and we were told everything.

Zordon: All your powers have evolved tremendously since you defeated him last 3 years ago. I can feel it.

Me: I know.

Nico: This time we are not going to let that slime and pussbucket live another second.

Xenia: How did he come back?

Zordon: We believe it was a dark orb that brought him back from the dead after all this time.

Nico: Oh boy.

Zordon: I was also told that you all have faced Lord Zedd and Rita back when the Void Queen attacked.

Me: Yeah somehow they came back after 25 years after you made the ultimate sacrifice to purify them. I thought we had seen the last of them.

Nico: That's right and we were shocked.

Me: But later on this year we're going to destroy them once and for all.

Zordon: That is good you are going to do so.

Me: Yep. Also we have reason to believe that back 6,000 years ago we think that the Morphin Masters were the ones responsible for sealing Ivan Ooze into that giant egg and buried him underground.

Zordon: That is a definite possibility.

Xenia: Yeah.

Zordon: I'm afraid there's more. You are aware that you fought Magnacat, Galvanax, Krytus, Betrayer, Z-One, Vekar, Count Venamus, The Sorcerer, Junkrat and Roadhog, Dai Shi, Disk Wars Loki, Chase Young, Gruumm, Mesogog, Barodius, Valeena, Frax, Bedlam, Trakeena, Apocalymon, Divatox, King Mondo, and Tengu Shredder this year, correct?

Griffin: That's right. Why?

Me: Yeah we destroyed them. Well most of them. Some of them are in prison.

Zordon: Well, this does not excuse their crimes in any way. But it was not Rita Repulsa or Lord Zedd who sent any of them after all of you. It was actually Ivan Ooze.

WE GASPED!

Me: So they were just the pawns leading up to the king!

Nico: Wow!

Alister: Magnacat, Galvanax, Krytus, Betrayer, The Sorcerer, Dai Shi, Dark Chase Young, Gruumm, Mesogog, Barodius, Bedlam, HIM, Apocalymon, King Mondo, and Tengu Shredder were given the Black Gates. Everyone else was given different fates.

Me: That's right Alister. I forgot to mention that some of them are in prison.

Alister: No worries.

Nico: Either way we got to stop Ivan Ooze.

Xenia: Yeah.

Beetle: Hmm. Why don't we go ask the Morphin Masters about whether or not they sealed Ivan Ooze before.

Me: Good idea.

?: We're here.

Out of a portal came THE MORPHIN MASTERS!

Me: Great Morphin Masters.

Alpha 5: AI YI YI YI YI! The mighty Morphin Masters themselves.

Me: It's an honor to see you all again.

Master Red: Same to all of you. Congratulations to defeating all of the Kamen Riders Enemies.

Me: Thank you. We were about to ask you about…

Morphin Blue: If you want to know if we sealed Ivan Ooze before all those years ago then the answer is yes we did.

WE GASPED!

Lola: We were right!

Xenia: WOW!

Me: Whoa! That is amazing!

Vegeta: No offense to you. But obviously, that didn't stick.

Master Red: None taken but yes. We got word that Ivan Ooze is back.

Me: Yeah so did we. Lincoln warned us. We defeated him 3 years ago in 2020 and we didn't have all the Rangers from over the course of 46+ years ago with us.

Master Green: We know and we know you all can beat him like you did back then.

Me: Thank you.

Master Blue: We'll gladly help you all destroy him.

Me: We greatly appreciate that.

Nico: This will be awesome.

Me: I tried to call the King Ohger team to help us out with this a few minutes ago but unfortunately they are still busy with their own adventures at the moment.

Eli: That's understandable.

Master Red: I have a feeling that this is going to be as big as it was back then in 2020.

Lola: I have that feeling too.

Whiplash: And you probably heard that he was the Mastermind behind 23 of the villains we faced.

Master Red: Yes we did hear about that and you all did a commendable job against them.

Nico: They were tough but it was awesome to face them.

Me: Yeah.

Pacifica: (notices something) Hey, guys. What does Ivan Ooze's slime look like again?

Tommy Oliver: It's purple why?

Pacifica: Well I think we got company!

We saw slime seeping through the door of the command center.

Lord Drakkon: Well, fuck!

But instead of Ivan Ooze it formed into HIS OWN FOOTSOLDIERS! THE OOZEMEN!

Me: OOZEMEN!

Qin: Oh man!

Nico: I remember these guys!

Bone Chompy growled at them.

Me: Ooze is trying to distract us! But it's not going to work.

Master Red: Indeed.

Me and Master Red blasted the Oozemen and obliterated them in an instant.

Qin: That did it.

Lola: Yep.

Me: Launch an attack on the command center will he.

Vulture: I'll fly outside and see if I can find him!

Me: Go for it.

Nico: Yeah.

Vulture flew off to find him.

Sabrina (Pokemon): We need to look outside for any more traces of the Oozemen!

Eli: I'm on it.

Eli sensed for them.

Eli: Those were the only ones out there.

Vulture came back.

Vulture: Found him. He's over in Angel Grove Tower. He's looking over the City for something.

Me: Probably expecting us to launch an attack on him from above or below.

Nico: Yeah.

Me: Hmm. I got an idea. I know just the entrance for us all to get him.

Nico: Lay it on us.

I told them that my entrance is to confront Ooze by myself first and then have all the rangers from over the course of 46+ Years come out and morph and then after the explosion after the roll call we bust in and face him.

Nico: That's awesome.

We went outside and saw more Oozemen.

Brain Freezer: We need to havfe the Ape Ninjazord take care of these!

Rocky: Roger that!

He summoned the Ape Ninjazord and it did so.

Nico: Lets go guys.

We were off.

Ratbat: I'll fly up to see if I can get a better look.

Nico: No Ratbat. We can't let Ooze know we're here.

Ratbat: Oh right.

Nico: Just let J.D. go through with his plan.

I looked at the tower.

Me: Okay you purple pusssack come and get me.

I fired a blast of energy and it hit the tower and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A figure exploded out and crashed into the ground with a splat.

KRASPLAT!

Me: OH SICK!

Then he reformed and it was IVAN OOZE!

Me: Ivan Ooze.

Ivan Ooze: J.D. Knudson. Nice to see you again after all this time. How long has it been?

Me: 3 years. Now it's time for you to pay for your crimes.

Ivan Ooze: You surprised me last time and I will not make the same mistake again.

Me: I defeated you before Ivan and I can do so again.

Ivan Ooze: You think you can defeat me!? You and what army!?

Me: Me and THIS ARMY!

Out came all the rangers from over the last 46+ Years!

EXTREMELY MASSIVE AND ULTRA POWERFUL FIERY EXPLOSION!

THEY WERE READY!

THE EXPLOSION FORMED INTO A HUGE PHOENIX AND IT DID A POWERFUL PHOENIX CRY AND THEN OUT CAME ALL OF US!

I smirked!

Ivan Ooze saw us and he was shaking in fright!

Me: Now it's not just 25 ranger teams but 46 teams!

Villamax: You are more evil then Trakkena and Scorpius!

Me: You sent your little pawns to destroy us. But we took care of them. Now we're going to take care of you!

Ivan Ooze: We'll see about that!

Me: And for the record we're not the same as we were when we fought the last time.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Ivan Ooze: (GASP)

Me: (Divine Echoing Godly Voice) That's right. We all have gotten infinitely more powerful than ever and now you are going to pay for your crimes.

The Morphin Masters then appeared.

Master Red: And this time there will be no more mercy Ooze.

Ivan Ooze: YOU! YOU SEALED ME INSIDE THAT REPULSIVE EGG FOR 6,000 YEARS!

Fangry: And don't play dumb. We know what your plans were!

Ivan Ooze: (laughs) Oh, I won't even deny it. It was me you were fighting this year all along! The villains that you all fought were part of my plans to destroy all of you!

Me: Ha. Well you didn't expect us to get so powerful did you?

Qin: Yeah we played all your devilish games.

Xenia: Yeah.

Me: But not only that we should be thanking you.

Ivan Ooze: (Confused) Huh? For what?

Me: For sending enemies like Chase Young, Trakeena and all of those guys after us. Thanks to you we uncovered a bunch of terrible revelations about what happened with Lincoln because of Chase Young and helped destroy many of our major enemies from the past that we didn't banish to the Black Gates.

Nico: That's right. You thought you were destroying us with them. But all you were doing was helping us close chapters that should have ended after all this time.

Ivan Ooze: But you've only dealt with 23 of them. Number 24… is me!

Radioactive Man: Oh, because there are 24 hours in a day. I get it!

Me: Ver clever. 24 enemies for each of the 24 hours of the day.

Nice.

Eli: But it's time for us to do this.

Me: Top this.

I fired an energy blast and it hit him and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

He was blown into a mess like the T-1000!

Kairi Yano: Yeah, that won't stop him for long.

Me: Nope. But it will show him that we mean business.

He reformed.

Ivan Ooze: My turn.

He fired a purple lightning blast and I substituted with an Evil Sasuke in the area and he was put into a snowglobe.

I caught the snowglobe.

Evil Sasuke: (Tiny Voice) YOU MOTHERFUCKING CUR! WHEN I GET OUT OF THIS I'M GOING TO KILL YOU AND EVERYONE YOU KNOW AND YOU WILL WATCH AS I KILL THEM!

Me: As fun as it would be to do my rant on you we got more important things to do. Also I think I'll keep you like this.

Nico: Keep him where no one else will find him.

Me: I've always wanted a souvenir snowglobe like this.

I shook it and it was snowing and Evil Sasuke was getting sick.

Heffer: HEY! Look at him go! (LAUGHS) It's a blizzard! (Humming Jingle Bells)

Evil Sasuke: I think I'm gonna be sick!

I put him in my vest pocket.

Nico: Now, where were we?

I fired a massive blast of energy and blasted him all over.

Qin: And this!

Qin fired waves of fire and blasted him.

Laney fired waves of fire and leaves and slashed and burned him.

Lola: And this too!

She fired waves of fire and blasted him.

Lana: This will keep you on ice till we're done!

Lana fired a wave of ice lightning and froze him in a block of ice.

Me: Now for the usual battles.

Then Vanitas, El Diablo, Iron Lung, Merman, Living Laser, Trap Jaw, Madame Masque, U Foes, Cheshire, and Myotismon appeared.

Nico: Vanitas, El Diablo, Iron Lung, Merman, Living Laser, Trap Jaw, Madame Masque, U Foes, Cheshire, and Myotismon.

Vanitas: There might be some locations that won't follow what Judge Katie decreed.

El Diablo: Well, we'll just have to make sure they will, won't we?

Me: Yeah that is for sure.

Iron Lung: Considering the low ratings, we'll be doing everyone a favor.

Merman: (to Nico) We heard you fought Chucky.

Nico: We sure did.

Living Laser: And that you found the 2019 version.

Me: Lisa had that one though.

Vapor: Is he more friendly then the one we hate?

Nico: He sure is. His programming was messed up by a disgruntled employee in Vietnam.

Lana: Yeah no kidding.

?: That is so cruel and awful.

A figure came out and it was GARGOYLE OF THE GATES from episodes 11 and 12 of Mystic Force!

---

After the Gates to the Underworld were brought to the surface, this Gargoyle-like creature was unleashed on the city of Briarwood. It first appeared after Koragg kidnapped Clare and tried to destroy the Rangers but they morphed into the Mystic Titans and knocked it back.

The Rangers jumped into action and formed the Titan Megazord to battle it. However, the monster was too fast and powerful for the Rangers, and managed to send the Megazord into the Gates, thus cracking them and unleashing Morticon. The Rangers were outnumbered, and defeated by his Dark Magic Strike with the monster seeming to vanish from the battle for a while. But they quickly regrouped and continued fighting.

While Nick went to rescue Clare, Madison, Chip, Xander and Vida the, Rangers morphed into their Mystic Titan Forms. They formed the Titan Megazord Dragon Formation and were able to destroy the Gargoyle with the Dragon's Fire Blast.

---

Claire: Gargoyle!

Gargoyle of the Gates: Been a while Gatekeeper.

Me: Never missed an episode.

Qin: Yep.

Gargoyle of the Gates: (sees the frozen Ivan Ooze) For the record, I never liked this guy.

Me: Neither did Rita and Zedd. But that's a different story.

Nico: That's for sure. Awesome job, gang, we're finally rid of Ivan Ooze for good.

Lincoln: Now, there's only one thing left to do and one last loose end to tie up: Doku, the Dark Samurai.

Lincoln formed a massive diamond barrier that protected all of us from a blast of dark energy that came out of nowhere.

Ryu Hayabusa: That dark energy, I know it from anywhere. Come out of the darkness, Doku, we know you're here.

A figure appeared from a pool of darkness, it was Doku, the Dark Samurai.

Ryu Hayabusa: Doku. I always knew you would one day return.

Doku: You ruined the awakening of The Vigoor Emperor and even worse, you destroyed him before he could rise again to rule the world! I will strike you down and avenge his death!

Sayuri Shirahoshi: (Japanese Accent) There is absolutely no way that I will allow that to happen!

Suddenly, Sayuri Shirahoshi's red eyes turned neon red and she was surrounded by a red energy aura with stars, superhot flames, fire, swords, samurai, and angels, she unholstered her black katana, and as she approached Doku, she left red energy, stars, superhot flames, fire, swords, samurai, and angels with every step.

Sayuri Shirahoshi: (Japanese Accent) Doku, I will never forgive you for the crimes you committed in the name of The Vigoor Emperor for millennia, your desire to bring death and destruction to humanity ends here and now!

Suddenly, Sayuri Shirahoshi was surrounded by a massive vortex of red energy with stars, superhot flames, fire, and swords surrounding the vortex, there are samurai, angels, and The Shien Monsters flying around the vortex, and in the vortex is a crimson red phoenix with the symbol of The Shien Monsters on its stomach and red eyes glaring at Doku: the red eyes of eternal death. Then, as the vortex faded, Sayuri Shirahoshi emerged, but she was changed forever.

Sayuri Shirahoshi grew to 7'9" in height, she has the body of a goddess, she has orange highlights in the bangs of her short crimson red hair, she has neon red eyes and a red energy aura with stars, superhot flames, fire, swords, lava, samurais, and angels surrounding her, she has the symbol of The Shien Monsters emblazoned on her forehead and her Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Fire, Star, and Eternity Kanjis in its hands, she also has the Shien Monsters with red gems for eyes and holding the Fire, Star, and Eternity Kanjis in their hands on the bottom of her crimson red lava creature-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sayuri Shirahoshi has on a crimson red kimono with the symbol of the Shien Monsters and long white sleeveless trenchcoat with stars, superhot flames, fire, swords, samurai, and angels on the coattails, and on the back are the Shien Monsters surrounded by stars, samurai swords, and flames. Suddenly, Sayuri Shirahoshi felt a sharp pain on her back, and then, her massive crimson red and black angel wings with red tips on the large crimson red feathers grew much bigger for her new body and she now has eleven massive and long crimson red wolf tails with black tips and black markings, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Sayuri Shirahoshi's black katana and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of red and orange energy, stars, superhot flames, fire, swords, samurais, and angels and when it emerged, it was transformed into Sayuri Shirahoshi's Firestorm Inferno Samurai Shien Greatsword of Inferno Fire Shien Justice, it's a brand-new massive greatsword with embedded red gems and the Shien Monsters etched on the 7'6" massive, wide, double-edged crimson red blade, large gold angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with red gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Shien Monsters' heads with crimson red gems for eyes and large red gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below the Shien Monsters that said, "Sayuri Shirahoshi, Gene-Slammer of The Shien Monsters, Incredibly Powerful Fire Master, Incredibly Powerful Swordswoman, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Flip, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of and Master of Flames, Swords, Samurai, and the Shien Duel Monsters"

Suddenly, Sayuri Shirahoshi's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Sayuri Shirahoshi has transformed into SUPER ANGEL-SHIEN MONSTERS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA FIRE INFERNO SAMURAI SHIEN MONSTERS GODDESS COSMIC FIRE INFERNO SAMURAI SHIEN MONSTERS GODDESS ANGEL OF DIVINE FIRE INFERNO SAMURAI SHIEN MONSTERS GODDESS COSMIC FIRE INFERNO SAMURAI SHIEN MONSTERS GODDESS ANGEL ANGEL JUSTICE AND DIVINE FIRE INFERNO SAMURAI SHIEN MONSTERS GODDESS COSMIC FIRE INFERNO SAMURAI SHIEN MONSTERS GODDESS ANGEL LOVE!

We were amazed by Sayuri Shirahoshi's Super Angel-Shien Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Doku saw it, he went mad with rage and ran at her with his katana to to cut her down, but Sayuri Shirahoshi countered him and forced him back, and she fired a massive barrage of red energy blasts, stars, superhot flames, fire, swords, samurai, and angels at Doku, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Nico: WHOA!

Lincoln: Now, that's really awesome. Sayuri Shirahoshi has transformed into her Super Angel-Shien Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we take down Doku.

Sayuri Shirahoshi: (Divine Echoing Godly Voice of The Cosmic Fire Inferno Samurai Shien Monsters Goddess Angel and Divine Cosmic Fire Inferno Samurai Shien Monsters Goddess Angel Love) (Japanese Accent) And that's exactly what's going to happen to him. Now, let's rip him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sayuri Shirahoshi.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You may have a sense of honor, but you still need to pay for everything you've done for the Vigoor Emperor, Doku. Prepare yourself!

Sayuri Shirahoshi and Lincoln went after Doku who continued firing dark energy blasts at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Doku and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he and Sayuri also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really wearing on Doku's patience.

Doku continued attacking them with his sword, but they kept blocking and countering his attacks with ease, and then, Lincoln and Sayuri charged out with superhuman speed and right before Doku could even attack, Lincoln and Sayuri slashed Doku's stomach, and he fell to the ground.

Doku: (Groans) So… , I've… been defeated. You two are indeed powerful warriors, come, take my head and banish me to Oblivion.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, Doku. Like I said, even though you had served The Vigoor Emperor, you have the samurai's code of honor, and we respect that, and as such, we shall send you to The Masters of Evil, there, you shall have a new life and an archenemy who will fight you.

Then, Sayuri and Lincoln helped Doku up, and they bowed in respect, and he was sent to The Masters of Evil. We cheered wildly for what Sayuri Shirahoshi and Lincoln did as they holstered their massive greatswords and powered down, and Sayuri Shirahoshi's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Sayuri Shirahoshi: (Japanese Accent) That was indeed quite a tough fight, but we defeated Doku and sent him to The Masters of Evil. Thank you for helping me defeat Doku, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sayuri.

Suddenly, Sayuri Shirahoshi wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sayuri Shirahoshi's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Shien Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Sayuri Shirahoshi absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of fire samurai and dark samurai, Lincoln, Sayuri, you two showed Doku no mercy and fought him with everything you've got.

Lincoln: And we gave him a new life in The Masters of Evil.

Me: We'll find him an archenemy soon. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: I've got a good one that'll shock you guys: Marlene Monstro, Keyblade Knight of Monstro.

Melanie Monstro: My little sister, now that's awesome.

Michelle Emperyous: And I knew you'd say her, Lincoln, and you guys will love meeting her, Marlene Monstro is Lincoln's Guardian Angel from Michigan and the younger sister of Melanie Monstro, Sailor Soldier of Monstro. She's a Keyblader and she has the power to become as BIG AS MONSTRO and can eat whole ships alive! She's good friends with Pinocchio, Jiminy Cricket, Gepetto, and The Blue Fairy. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: DANG! THAT'S REALLY AWESOME!

Nico: AND ABLE TO GROW INTO MONSTRO'S SIZE AND EAT WHOLE SHIPS ALIVE?! WHAT A WHALE OF AN APETTITE!

Lincoln: (Snickers) You got that right.

Eli: Do you think she can easily win an eating contest?

Nico: That might include not growing into Monstro's size?

Lincoln: Yep.

Eli and Nico's jaws dropped to the floor!

CLANG!

I put their jaws back.

Nico: Ask a silly question, get an obvious answer.

Eli: Dang it.

Trap Jaw: And that's the end of Ivan Ooze.

Madame Masque: Hard to believe it was him who sent a villain after us after every big mission.

Vector: At least he'll never hurt anyone again.

Me: Thank goodness.

Cheshire: Of course he won't.

Myotismon: This calls for a celebration!

Nico: Lets head to Lynn's Table. Great job today everyone!

Tommy Oliver: (To the viewers) That will teach Ooze to mess with us again.

Laney: You got that right.

We went to Lynn's Table for a great meal and party and went back to the estate and enjoyed the rest of the time and went to be sleep.

THE END

Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates. Plus, we're also going to find out that Emily Monroe, Defender of The Disney Heroes is also The Keyblade Knight of Disney Castle.

Camie: Oh man. This whole planet went to hell.

Xenia: It sure did.

Himiko: This is horrible. What happened?

Me: Trigon happened.

Camie: Who is Trigon?

Me: Raven's evil father and a nightmare among all nightmares.

Xenia: Yep.

I went over his history and it wasn't pretty.

---

Trigon is the overarching antagonist of the 2003 animated series Teen Titans. He is an inter-dimensional demon with immense power and the father of Raven, a member of the Teen Titans. His goal was to take over the universe after destroying the Earth. He even recruits the Teen Titans arch-nemesis Slade in order to assist him in his goals.

In Season 1, he was voiced by Keith Szarabajka who also portrayed Daniel Holtz in Angel. In Season 4, he was voiced by Kevin Michael Richardson, who also voiced Mammoth in the series, as well as The Joker in The Batman, Captain Gantu in the Lilo and Stitch franchise, Dark Laser in The Fairly OddParents, Temutai in Kung Fu Panda: Legends of Awesomeness, Goro in the Mortal Kombat game series, Chairman Drek in the Ratchet & Clank video game, Black Samurai in Scooby-Doo! and the Samurai Sword, Doug the Pimple in Family Guy, Tartarus in Halo 2, Sarevok Anchev in Dungeons & Dragons, Shredder in the 2012 Teenage Mutant Ninja Turtles series, Tombstone in The Spectacular Spider-Man, Demongo in Samurai Jack, Skallox in Green Lantern: The Animated Series, Sir Morton in the Ben 10 franchise and Kamek in The Super Mario Bros. Movie.

Teen Titans (2003)

Trigon first appears, unnamed and with a different appearance from his actual introduction, in the season 1 episode "Nevermore" as a manifestation of Raven's anger within her mind. Beast Boy and Cyborg see her fighting the evil copy to free herself of the anger she had while fighting Dr. Light.

Trigon later appears as the main antagonist in the fourth season. Trigon resurrects the Titans' foe Slade to force Raven into releasing him upon the Earth. In the three-part finale "The End", Trigon finally emerges and destroys the Earth; the Titans are spared by a fraction of Raven's power, which she had given them before releasing Trigon.

While Robin and Slade find Raven, Trigon uses Nega Beast Boy, Nega Cyborg and Nega Starfire to attack their good selves. The 3 titans win by outsmarting their evil copies. Slade gets his flesh back by killing The Guard.

The Teen Titans are joined by Slade, so they launch an all-out assault on Trigon, but are ultimately too weak to defeat him. In the end, it is Raven who defeats him, using her own powers to banish Trigon, undoing the destruction he had caused in the process and the potential conquest of every world in the cosmos by his demonic followers.

When I was done everyone that hadn't heard about it was shocked!

Camie: That's terrible!

Lana: Yeah no kidding there.

Nico: He sent the whole planet into hell because of that.

Lola: Yeah.

Sydney: We're going to destroy him once and for all.

Xenia: Yep.

Nico: Sydney, I want to thank you, Trap Jaw, and your teams for coming.

Sydney: No problem Nico. It's going to be fun helping you all out.

2003 Mikey: Boy it sure will be awesome.

Nico: Mikey, I remember you bonding a lot with Sydney in her Quarry form when you and your brothers met her and the other Underground Humans the first time.

2003 Mikey: Boy I remember that all too well. That was so fun.

Sydney: It sure was and Mikey and his brothers helped us all out so much and did it was amazing.

Me: That was so awesome. And we also helped you guys back when the Crystal Moon fell into the lava back then.

Sydney: That was amazing.

Laney: Boy how can I forget about that. That was so amazing.

Me: Yep.

2003 Mikey: Hey, don't forget about the parts where I helped Sydney as Quarry out against that High Mage guy when he started capturing my bros and the others one by one. I definitely didn't scream like a little girl.

Sydney: (LAUGHS) That was true.

Me: Boy that was still fun.

Lola: It sure was.

Qin: All the adventures we had in the Underground City were fun.

Lola: Especially the part where we killed the High Mage.

Nico: Yep.

Qin: Boy no kidding.

Camie: Yeah.

Me: Yesterday's mission was one of the most fun ever.

Nico: So, Ooze was the one who sent those 23 villains after us all along.

Me: We were shocked hearing about that.

Qin: Yeah no kidding.

Lola: That was really crazy hearing that.

Eli: Boy it was something no one saw coming.

Nico: Yep. But either way we got rid of 23 enemies like that.

Xenia: We sure did.

Me: Yep. And thanks to those enemies we uncovered more secrets about why some of Lincoln's sisters hated him and why Principal Huggins was turned into a jerk and why Chandler hated him and it was all because of Chase Young.

Anna Anyanova: And found out why Tanya became so evil.

Me: Yep.

Nico: All because of Ivan Ooze.

Lola: Yep.

Nico: And all the Ranger teams showed him who's boss!

Me: You got that right! 46+ years of rangers all came together and blasted Ivan Ooze into dust.

Lola: Yep.

Nico: And Ivan Ooze got his ass kicked big time.

Xenia: Yep. By all of us.

Me: Darn shame the King Ohgers couldn't help us. But they have their own adventures to deal with first.

Qin: Yep.

Me: And the most amazing revelation is that we found out that the Morphin Masters were responsible for sealing Ivan Ooze away back over 6,000 years ago.

Lola: That was amazing they did that back then!

Qin: Yeah.

Nico: I completely forgot about the Oozemen.

Me: I didn't. But maybe we can have them in the M.O.E.

Lola: Good idea.

Camie: Yeah.

Nico: Boy this is a nightmare.

We walked on.

Me: No kidding. This whole planet went to Hell.

THUNDERCLAP!

The skies were cloudy and red like blood with lightning striking everywhere. All the people were turned to stone, all the oceans were lava and all the buildings were destroyed.

Me: This is a nightmare from Hell 1,000,000-fold.

Princess Cadance: It's like what Sombra would do.

Radiant Hope: No kidding.

Xenia: Thank goodness we destroyed him forever.

Eli: A total nightmare.

We walked around and it was a nightmare.

THUNDERCLAP!

Nico: There's not a single living soul here

Me: Because they were all turned to stone. We're the only ones left. I can't believe that Trigon did all this.

Xenia: And it's just going to get worse.

Nico: Whoa, so we're here in Jump City right when Trigon was unleashed on the world.

Me: That's something we haven't forgotten, and we destroyed him in the Simulator three years ago.

Lincoln: We sure did, and we gave the real one The Black Gates. And now, we're going to destroy Trigon once more, and Lucy and Moonlight Raven are going to transform and show him what the true powers of darkness are capable of.

Moonlight Raven: That's right. Now, let's get after Trigon.

Qin: This is gonna be good.

We got a move on to get after Trigon, and we soon found him sitting on the ruined Titans Tower like a throne.

Lincoln: (Whispers) There he is. Now, to unleash Heaven's wrath upon him.

Suddenly, the angels of Heaven appeared from nowhere and they unholster their swords and attacked Trigon with blasts of heavenly light and slashed at him with their swords which hurt Trigon bad.

Then, they converged and exploded in a white pillar of holy flames as a Phoenix Screech and Thunderbird Cry were heard, and then, we appeared, and that caught Trigon's attention.

Trigon: You!

Me: That's right, us.

Qin: You have tormented Raven and this universe for far too Long Trigon!

Nico: You've caused far too much pain and suffering for eons, Trigon, and too many lives have been lost because of you and your demonic minions, and now, we will bring an end to your reign and your evil ways once and for all!

Trigon: You fools will never destroy me, I am the most powerful being in the universe!

Me: WRONG!

Lucy: But, we're also the most powerful force in the universe and we've defeated and destroyed many powerful villains like you in the past, and now, you will face our wrath.

Moonlight Raven: And you will pay for your transgressions!

We all transformed and went at him!

THUNDERCLAP! THUNDERCLAP!

THE BATTLE THAT WILL DECIDE THE FATE OF THE ENTIRE UNIVERSE HAS BEGUN!

Me: KAAAAAA MEEEEEE HAAAAAA MEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a powerful and massive Rainbow Kamehameha Wave.

Nico: FINAL FLASH!

Nico fired a Yellow Energy Blast.

Varie: FINAL SHINE ATTACK!

Varie fired a powerful green energy blast.

Aylene: SPIRIT BOMB!

Aylene fired a small spirit bomb.

Eli: WOLF FIRE MEGABOMB!

Eli fired a massive ball of blue fire.

We all fired massive energy blasts and attacks and they all converged and hit Trigon and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLY POWERFUL EXPLOSION!

The explosion blasted him back with intense force of power!

He got back up!

Trigon: Fools! I am eternal!

Nico: And we're immortal. See how that works?

Me: But we are infinitely more powerful!

Suddenly, Lucy's blood red demonic eyes turned neon blood red and she was surrounded by a black, blood red, and rainbow energy aura with stars, rainbow and dark flames, dark lightning, darkness, shadows, blood, creatures of the night, phoenixes, and angels she unholstered her massive Nott and Nizogamourne's Vampire Demonic Darkness Greatsword of Eternal Darkness Justice from her back, and as she approached Trigon, she left black, blood red, and rainbow energy, stars, rainbow and dark flames, dark lightning, darkness, shadows, blood, creatures of the night, phoenixes, and angels with every step.

Suddenly, Moonlight Raven's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Moonlight Raven has transformed into SUPER ANGEL-DARKNESS RAVEN ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM DARK MAGIC LOVE DARKNESS RAVEN ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM DARK

MAGIC LOVE DARKNESS RAVEN ALICORN PRINCESS JUSTICE AND DIVINE COSMIC STARSTORM DARK MAGIC LOVE DARKNESS RAVEN ALICORN PRINCESS LOVE!

We were amazed by Moonlight Raven's Super Angel-Darkness Raven Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Trigon saw it, he fell into another rage and fired a laser blast at her to kill her, but Moonlight Raven fired a powerful barrage of dark blue energy blasts with stars, magic, darkness, dark magic, ravens, and Alicorns at Trigon, and they exploded as they hit him and he got burned by the positive energy, and now, he was mega pissed off.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Moonlight Raven's transformed into her Super Angel-Darkness Raven Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and what you tried to do to her, you shall face the true wrath of Heaven!

Moonlight Raven: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Dark Magic Darkness Raven Alicorn Angel and Divine United Friendship Divine Cosmic Starstorm Dark Magic Darkness Raven Alicorn Angel Love) And the true powers of darkness. Now, let's put an end to Trigon for good, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird

Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Moonlight Raven and Lucy, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of terrorizing and trying to take over the universe end here, Trigon, now you will burn in Hell for all eternity!

Nico: Titans go! (Laughs) I always wanted to say that!

We went at him and blasted Trigon all over the place left and Right!

Nico threw a Grenade and it exploded in Trigon's face.

Lincoln, Moonlight Raven, and Lucy went after Trigon, and they fired extremely powerful blasts of rainbow energy, black, blood red, and rainbow energy, dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Trigon and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords and staff leaving scars on him and Lincoln left many more with his gold armored claws and firing energy slashes from his gold armored claws and he, Moonlight Raven, and Lucy attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Trigon mad.

Lincoln fired rainbow energy swords that slashed Trigon's eyes out, and he screamed in excruciating pain, and that distracted Trigon enough for me to form a massive Spirit Bomb.

Me: Lincoln, fly into The Spirit Bomb and absorb it, and use the same technique that I used not too long ago on Tengu Shredder.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Right.

Lincoln flew into The Spirit Bomb and he literally absorbed it into his body and not only did he gain an astronomical power boost, but then, he raised his massive greatsword up over his head, and the 7'6, massive, wide, double-edged gold blade was surrounded by a massive, wide, double-edged rainbow energy blade, as it transformed into THE GREATSWORD OF GODLY FRIENDSHIP, TRUST, JUSTICE, LOVE, COMPASSION, HOPE, FORGIVENESS, VALOR, VIRTUE, EMPATHY, HUMILTY, DETERMINATION, LOYALTY, HONESTY, GENEROSITY, SELFLESSNESS, COURAGE, AND TRUST!

Eli: Incredible.

Nico: So awesome.

Lincoln charged at such a superhuman speed, and it resulted in him doing a massive Sonic Rainboom of Rainbow Energy and elements, and he now had elemental blades surrounding him and it surprised Rainbow Dash.

Rainbow Dash: AWESOME!

Then, with a mighty roar, Lincoln slashed Trigon's stomach open, and then, he proceeded to slice and dice Trigon all over the place with his massive greatsword and the elemental swords followed suit as well, and with one last downward swing, Lincoln slashed Trigon in half and he exploded as he was destroyed, and then, his spirit was seized by the countless spirits of all those he'd destroyed, and as he was found guilty, he began fading away.

Trigon: DAMN YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (SCREAMS IN RAGE AS HE FADES AWAY)

We all cheered as Lincoln, Lucy, and Moonlight Raven holstered their weapons and powered down, and Moonlight Raven new body, clothes, weapons, jewelry, Third Eye, longer horn and dark blue tail, and massive dark blue angel wings are permanent, and Lucy's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Lucy: Suffer in eternal damnation for your crimes, Trigon.

Suddenly, Moonlight Raven felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Moonlight Raven?

Moonlight Raven: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that tyrannical evil demon the beating of his life.

Nico: You got that right, and Lincoln, that was so awesome, you used the same technique J.D. used on Tengu Shredder and you even did a Sonic Rainboom of your own, that was really awesome!

Lucy: Trigon had no chance at victory over the powers of Heaven.

Moonlight Raven: And now, we're finally rid of Trigon forever.

Suddenly, Moonlight Raven wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Moonlight Raven's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and underneath a full moon with ravens flying and we cheered wildly. Then, Lincoln and Moonlight Raven absorbed the elements and they came back to us as the display vanished.

Then, we saw Jump City return to normal after Trigon was destroyed along with his minions.

Lincoln: And just like before, with Trigon's death, the world is returned to normal once again, and the universe has been saved from a severe threat.

Me: You said it.

Nico: That monster deserved it.

Me: Wow! That was awesome!

Lola: Yeah it was!

Nico: Trigon was never Raven's father.

Me: No he wasn't.

Qin: That is for sure.

Xenia: And now he is a forgotten memory.

Qin: Yep

Juran: So, who received all the money that the Blood and Honey creators were sued for?

Nico: All those affected by the movie. Including the mascots. They got $733,000,000,000,000.

Nicole: Good.

Lola: Awesome.

Nico: Yep.

Me: Cool.

Nico: And now for other business.

Qin:: Yep. We have the Anothers.

Eli: Yep. And we have Another Lavor the Powerful, Evil Knight Man, Dark Samus, Ghor, Rundas and Gandrayda, Roulette and Trap Jaw.

We gasped!

Qin: Whoa! This is gonna be brutal.

Maria: Who do we call for them?

Sora Phaaze: I'm already here so I face Dark Samus, Ghor, Rundas and Gandrayda.

Me: Yep. So we'll call in Megan Bryyo and Kallia Kronos.

Qin: Cool!

In a swirl of Phazon and Fire came Megan Bryyo and Kallia Kronos.

Megan Bryyo: Hey, guys!

Me: Awesome you guys could make it.

Nico: Yeah.

Kallia Kronos: We're ready for this.

Sora Phaaze: Awesome.

Eli: I sense the Anothers minus Trap Jaw are one person. But her power is INCREDIBLY strong and intense.

Me: Whoa!

Nico: There they are!

We saw Another Lavor the Powerful, Evil Knight Man, Dark Samus, Ghor, Rundas and Gandrayda and Roulette!

Me: WHOA!

Qin: This is gonna be good.

Another Dark Samus: Glad I found you all.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with aqua blue hair and blue clothes and she had rainbow angel wings and had a tiara with the symbol of Kamen Rider Eternal on it and the symbol was on her skirt too and she had a powerful energy sun sword.

Me: (GASP) Elisa Eternity!

Elisa Eternity: Awesome to see you again J.D.

Me: Same here. Elisa is the embodiment of Kamen Rider Eternal and she has been around ever since the dawn of the entire universe. She is over 13.7 billion years old.

All of us: WOW!

Eli: That's incredible!

Xenia: It sure is!

Elisa Eternity: It sure is amazing. And I have seen it all over those eons.

Lola: Wow!

Elisa Eternity: Yep.

Nico: And you haven't aged a day?

Elisa Eternity: Nope. I always have been like this ever since the beginning of time.

Maria: WOW!

Me: She has true immortality and eternal youth and invincibility.

Xenia: Wow! That is amazing!

Me: Sorry we have to fight like this.

Nico: Yeah.

Elisa Eternity: I know. Oh in case you're wondering the Another Trap Jaw is friendly. But she has been crying nonstop ever since we came here.

Me: Oh no. How come?

Elisa Eternity: She wouldn't tell me the reason and told me to tell you that she will tell you guys.

Me: Oh man.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél
Render green the dying bough
Raise the rock where Yurgen fell
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock

Raise the rock
Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers!

Nico: Nice!

We fired waves of energy and blasted the Anothers.

Nico: YEAH!

I caught the Wonder Ride Books.

Nico: Good news is that she's friendly. Bad news is that she probably had a dark past

Me: Yeah.

Xenia: We're going to find out what it is.

We saw ANOTHER TRAP JAW!

Nico: Oh boy.

Another Trap Jaw: (CRYING HARD) J.D!

Me: (GASP) Oh no!

She reverted back and it was a girl that had blond hair and blue eyes and she had red and blue clothes and she had a pregnant belly and she was crying hard for a long time. Not only that but her clothes were tattered.

Me: (GASP!) ANNIE LORGANN!

I ran over and she hugged me and cried hard and uncontrollably into my chest and I comforted her and brought her over.

Maria: Boy she is really broken.

Me: She sure is. Her story is really dark.

Nico: What happened?

Annie Lorgann: (SCREAMING CRYING) ITS BECAUSE OF MY EVIL FATHER! HE KILLED MY MOM AND RAPED ME AND GOT ME PREGNANT!

EVERYONE GASPED!

Me: I should tell you all. It was a terribly toxic marriage and relationship. Her mom loved her more than anything but her father HATED Them both with a vengeance. He ruled over them both with an iron fist. It was because she had a social media account that set him off. He took a pistol and killed her mom by blasting her head off and then he raped her and brutally beat her up and I busted in and arrested him. I got him sent to death row for capital murder, rape and capital sexual battery.

EVERYONE GASPED IN SHOCK AND HORROR!

Applejack: WHY THAT LOW DOWN DIRTY STINKIN SIDEWINDER! I WILL STRANGLE HIM FOR WHAT HE DID!

Nico then clenched his fist and he was shaking with pure rage and hatred.

May: Uhh Nico, are you okay?

Me: Uh oh.

Nico: Guys, after the rescue, we're paying a visit to her dad!

Me: Why do that when we can have him come here.

I snapped my fingers and her evil dad was brought to us.

Vince Lorgann: I WILL KILL YOU ANNIE AND SEND YOU OFF TO HELL TO BE WITH YOUR WHORE OF A MOTHER! NO ONE DOUBLE-CROSSES ME AND LIVES TO…

Nico then grabbed him by his neck!

Nico: Should I use a chainsaw or a knife?

I gave him a red hot sword.

Nico: Perfect. Thanks.

Nico took it.

Nico: Good to start. How would you like to be tortured?

Nico then stuck the sword handle into the ground.

Nico then stabbed him through the red hot blade through his butt and VINCE SCREAMED IN EXCRUCIATING AGONY!

Nico then pulled out a 12-gauge shotgun and May got out a knife while Maria got out a chainsaw.

Maria: START PRAYING!

Nico then blasted Vince Lorgann's crotch off!

BANG!

May then stabbed Vince in the gut and disemboweled him and then shoved his intestines down his throat and into his lungs. Then Maria revved up the chainsaw and slashed his arms and legs off with it!

Nico then plunged his hand into Vince's chest and ripped out his beating heart and shoved it into his mouth!

Nico: EAT IT! NOW!

I hugged Annie as she was crying hard into my chest and comforted her.

VINCE WAS SCREAMING IN AGONY AS MARIA, MAY AND NICO WERE DISMEMBERING HIM ALIVE!

Chunk: OH GEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight Sparkle and Fluttershy were hurling their guts out and Rarity hurled all over and so was Starlight Glimmer! Lincoln comforted them!

Magine: It's okay, Annie. You're about to get justice!

Me: Let it all out Annie. Let it all out. There there.

Sydney rubbed Annie's back.

Laney patted her back as she was crying more.

IF THAT WEREN'T BAD ENOUGH, THE MASCOTS WERE TAKING TURNS TORTURING VINCE!

Poromon: YOU THINK THIS IS BAD!? (SHOWS THE TRAILER OF BLOOD AND HONEY TO VINCE) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!

VINCE SCREAMED IN HORROR AND FRIGHT!

Poliwag slapped him all over the place with his tail!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him with 40 billion volts!

Manaphy: You look at it!

He screamed more and HORSEA FIRED A HYPER BEAM BLAST AND BURNED HIM!

Nico: Maybe you haven't had enough!

Nico clamped a BEAR TRAP ON THE STUB OF HIS LEFT ARM AND HE SCREAMED IN AGONY!

Lola: OH MAN THAT IS SICK!

Poliwag: Look at it!

HE SCREAMED MORE SEEING POOH AND PIGLET EAT EEYORE!

HE VOMITED BLOOD AND ORGANS ALL OVER NICO!

Nico: OH SICK!

Nico then cut off all of his dismembered fingers and shoved them down Vince's throat!

Sunset Shimmer, Pinkie Pie, Qin and Eli started hurling!

Poliwag: Look at it!

HE SCREAMED MORE SEEING POOH AND PIGLET EAT EEYORE!

HE VOMITED BLOOD AND ORGANS ALL OVER NICO!

Nico: OH SICK!

Nico then cut off all of his dismembered fingers and shoved them down Vince's throat!

Sunset Shimmer, Pinkie Pie, Qin and Eli started hurling!

TRAP JAW AND ROULETTE THEN THREW UP TOO!

Trap Jaw: (HURLS) OH YUCK! This is too torturous even for me! EVEN SKELETOR WASN'T THIS BRUTAL!

Xenia: NO KIDDING!

Horsea: Look at it!

HE SCREAMED MORE AS HE SAW ALL THOSE KILLED IN THE MOVIE!

Nico: Okay that's enough.

Nico then planted a C4 bomb into him and then they ran.

Nico: FIRE IN THE HOLE!

I put up a force field and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE EXPLODED! BLOOD AND ORGANS SPLATTERED ALL OVER THE FORCE FIELD AND IT WAS GROSS!

MOST OF US HURLED ALL OVER! LENI, LUNA, LOLA, AND PIPP PETALS FAINTED!

FWOMP!

Camie: NICO YOU ARE FUCKING INSANE!

Nico: He had it coming to him.

Qin: Yep. That was awesome.

Lincoln revived his sisters and Pipp Petals.

Nico: Sorry guys I guess we went a little overboard there.

Lola: A LITTLE!?

Nico: Okay we went A LOT OVERBOARD!

Me: But he deserved it.

I was still comforting her.

Nico: You okay now, Annie?

Me: Nico she's in a very fragile state.

Annie was crying hard still.

Lincoln: I think we should separate the another and let J.D. comfort her while we battle Another Trap Jaw.

Kaito: (gets out Boukenger gear) Annie, I know this might be a bad time.

Zocks: (gets out Magiranger gear) But did Swartz promise you anything?

Kaito got an Operation Overdrive Sword and Zocks got a Magistaff.

Annie Lorgann: (CRYING HARD) TO BRING MY MOTHER BACK AND KILL… (WAILING)

Me: (comforting her) It'll be all right.

Nico: Boy she is really broken.

Qin: We can banish her evil so-called father to the Black Gates.

Lola: Good idea.

Nico: On it.

Nico banished her father to the Black Gates.

Sougo: (gets out Operation Overdrive Ridewatch) We already killed your dad.

Geiz: (Gets out Mystic Force Ridewatch) Now we can bring back your mom.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Me: Good idea. Leave that to me.

Nico: After we deal with the Another.

Lincoln fired a beam of light and separated it from her and I continued to comfort her.

Nico: Poor girl. Come on guys.

Nico: Lets dance! (ACTIVATES TRAP JAW AND ROULETTE'S RIDEWATCHES)

He fired waves of energy and blasted the Another down.

Lola: YEAH!

May: (gets out Splatter Phoenix's Ridewatch) My turn!

May activated it and fired globs of paint and blasted Another Trap Jaw all over.

May: Time for some REAL DESPAIR! (ACTIVATES UNIVERSE 666

OBITO'S RIDEWATCH)

She fired waves of darkness and blasted down Another Trap Jaw!

Maria: YEAH! Now this! (ACTIVATES METAMORPHOSIS UNVERSED RIDEWATCH)

She fired waves of energy and blasted him down.

Maria: And this! (ACTIVATES VAMPIRE PINKIE PIE'S RIDEWATCH)

She grew fangs and then…

CHOMP!

BIT HIS NECK AND SUCKED OUT HIS BLOOD!

Nico: YUCK!

2003 Mikey: NICE! Now for this! (ACTIVATES ROULETTE'S RIDEWATCH)

He fired waves of energy and smashed him down.

Then Major Disaster, Evil Winter Man, Imperious, Morpho Knight, Universe 666 Twin Masters and Elestomp came.

Nico: Nice team Major Disaster!

Major Disaster: Thanks Nico. Boy we saw the whole torture scene and heard about what happened with Annie. Good god that was horrible!

Evil Winter Man: Anyone that can do that to someone like that is pure evil!

Morpho Knight: You got that right. Poor Annie.

Imperious: I would really wash the Simulator Control room floor before stepping in there when you're done here. Lots of people hurled their guts out all over the floor there after seeing that torture scene and you might want to clean it up.

Qin: Oh boy.

Maria: Yikes. I hope the next gene-slammer was not one of them.

?: Don't worry I wasn't.

We saw a Rabsca!

Maria: Cool a Rabsca.

Rabsca: (In a girls voice) That was intense.

Nico: Bianca Vexxa! Wow.

She reverted back and was a girl with red hair and had a magenta maid outfit on.

Maria: Wait you're the famous Lady Nebula, the Circus Star.

Bianca Vexxa: That's right. I got this.

She fired a wave of energy and blasted down the Another and I caught the ridewatch and purified it.

Imperious: I hope you can do something to cheer her up.

The mascots seemed to be thinking of something

Bianca Vexxa: Poor Annie: I heard about what happened to her. That was awful.

Maria: It was.

2003 Mikey: What's your favorite memory of Nico?

Bianca Vexxa: When me and Nico were doing circus tricks and then I saw someone fall from the trapeze and we caught her.

Nico: Awesome move there.

Qin: That was fun.

Nico: Yep.

Nico and Bianca hugged.

Nico: I've missed you.

Bianca Vexxa: Same here.

Poromon: I got it. Lets bring back her mother.

Me: You read my mind.

I snapped my fingers and then the skies had light shine down and then the divine singing of angels was heard and then a figure came and it was a woman with blond hair and had purple clothes on.

Rachel Lorgann: Wow.

She saw Annie crying.

Rachel Lorgann: Annie?

She saw Rachel and then I brought her over.

Annie Lorgann: Mommy? MOMMY!

She hugged her and cried and we later went back and cleaned up everything.

Hiroshi Ohira: I remembered seeing it on Alya's blog, he sure doesn't mess around neither do the rest of you.

Me: You got that right. And I'm surprised you came with us, Hiroshi.

Hiroshi Ohira: Heh, I'm not going to be left out of the action, besides I also made Shadow Clones to manage my many jobs.

Nico: Jobs?

Darren Arcangela: He's the CEO of many successful businesses and a successful lawyer who brought down local gangs, he's a literal legend.

Me: DAMN! That's really incredible! Your brother made an awesome friend in Hiroshi.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair with and blood red hairband, blood red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a midnight black short-sleeved blouse, blood red sleeveless top, midnight black skirt, midnight black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with water, ocean waves, and angels on the coattails and on the back is the symbol of The Hidden Mist Village and in her right hand is The Kubikiribōchō, the large broadsword of Zabuza Momochi.

Lincoln: (GASPS) Terumi Momochi?!

Terumi Momochi: Yep, that's right, and it's so good to see you again, Lincoln, and WHOA, you've really grown into quite a young man, you grew big like a tree and you've gotten ten times bigger and muscular than before, and you've really grown into a really handsome man, you'd easily break Flip's head and spine with those massive and powerful upper and lower body muscles, and those eight-pack abs, you can cut a diamond on them.

Eli: Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Terumi Momochi, she's my Guardian Angel from The Hidden Mist Village, she's a skilled swordswoman and mastery over the Water Style and Hidden Mist Jutsu techniques of her very own father, Zabuza Momochi, and she was also born with black angel wings, and Zabuza was the one who taught her everything that he knows and she even wields the same sword as her father, and he knew of her feelings for me and supported his daughter's choice and knowing that she's my Guardian Angel.

My jaw dropped to the floor, and Naruto put it back.

Me: Oh man, I had no idea that Zabuza is your father!

Terumi Momochi: You didn't ask, but he did tell me much about you along with Lincoln and everyone.

Nico: He sure did, and your father is one powerful member of the team, and he'll be happy to see you again.

Lincoln: He sure will, and she really hated that greedy murderous businessman, Gatō, with a bloody passion and she killed many of his men, her ruthless slaying of Gatō's men and her gothic appearance earned her the moniker, "The Hidden Mist's Dark Gothic Swordswoman".

Nico: Damn, that's one powerful moniker, and it's just like how her father is known as The Demon of The Mist.

Lincoln: And there are many others like her who are also the children of the other Swordsmen of The Mist.

Naruto: That's incredible.

Terumi Momochi: Thanks.

Emily Monroe: Guys, there's something I also need to show you.

Suddenly, Emily Monroe summoned The Shooting Star Keyblade.

Emily Monroe: You see, in addition to being the Defender of The Disney Heroes and the world of Disney, I'm also The Keyblade Knight of Disney Castle.

We gasped.

Lincoln: I had no idea that you were also the Keyblade Knight of Disney Castle, Emily.

Carolina Keyblada: She definitely is, Lincoln, and she's a very powerful Keyblade Knight with mastery over all sorts of magic and spells and King Mickey was the one who trained her.

Me: That's really awesome.

Nico: Mickey forgot to tell us that bit, but still, that's so awesome that you're The Keyblade Knight of Disney Castle, Emily.

Emily Monroe: Thanks.

Lincoln: And that is that for the evil versions of The Eight Demon Sorcerers, and the revenge of The Chernabog Sisters have been foiled. (To Marlene Monstro) And it's so good to see you again, Marlene Monstro.

Marlene Monstro: You too, Linky, it's been a long time.

Lincoln went up to Marlene Monstro and he hugged her, and Marlene Monstro is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marlene Monstro: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Marlene Monstro, Keyblade Knight of Monstro, she's my Guardian Angel from Michigan and the younger sister of Melanie Monstro, Sailor Soldier of Monstro. She's a Keyblader and she has the power to become as BIG AS MONSTRO and can eat whole ships alive! She's good friends with Pinocchio, Jiminy Cricket, Geppetto, and The Blue Fairy. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Just like what you told us yesterday.

Nico: Yep, and did she clean out any restaurants before?

Lincoln: She did, and it was quite a surprise at how much of an appetite she has.

Lori: She literally beat Lynn in many eating competitions, it wasn't funny. But, Lynn being the sore loser she was, tried to beat her up, but Lincoln grabbed her by her jersey and punched her in the face and gave her a shiner and sent her running back home on all fours while she was growling and farting again.

Nico: Yuck, doesn't Lynn have any manners at all?!

Me: Nope, that Dark Side made her gross and disgusting! What a pig.

Lincoln: It was never easy dealing with her, and we had to use force to make her listen to reason many times over.

Selene Emperyous: We had to ice our hands after beating her up.

Selena Tigrerra: I so wanted to give Lynn another concussion again, but Lori tried to slash my eye off with a knife, that was until Lincoln punched her in the face.

Lincoln: Lori should've known by now to never try and piss me off, but she refused to listen, and like with Lynn, she had to get punched in the face, and now that you're here, Marlene and Terumi.

Lincoln went up to and hugged Marlene Monstro in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Terumi Momochi in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marlene Monstro: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marlene Monstro's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck and an Elemental Thunderbird Necklace of Eternal Love appeared on Terumi Momochi's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Marlene Monstro: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marlene Monstro and Terumi Momochi.

Marlene Monstro and Terumi Momochi had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to each of their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them immediately. The five girls are Huamei, Lanfei, Meiling, and Nanase Senshuui from Kurenai no Namida and Hailey Banks from Hailey's On It.

Lincoln: Oh wow, it's Huamei, Lanfei, Meiling, and Nanase Senshuui from Kurenai no Namida and Hailey Banks from Hailey's On It.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Huamei: Yes, we're okay, thanks to you.

Then, when Huamei and the other four girls saw who it was that saved them from the evil versions of Dai Gui, Bai Tza, Tso Lan, Tchang Zu, Po Kong, Xiao Fung, and Hsi Wu, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Huamei: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Huamei, Lanfei, Meiling, Nanase Senshuui, and Hailey Banks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with five Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villains we went after were the evil versions of Dai Gui, Bai Tza, Tso Lan, Tchang Zu, Po Kong, Xiao Fung, and Hsi Wu, the other evil versions of The Demon Sorcerers created as part of the contingency plan of The Chernabog Sisters.

But, when Lincoln showed what we did in beating them down and Lincoln using the same attack he'd used on Evil Shendu a few days ago and he drained them of their life forces and powers and left them as dried up corpses and sending them to The Black Gates forever, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln, Terumi Momochi, and Marlene Monstro have a lot of catching up to do, now that they're back in town.

Maria: That's the end of the revenge of The Chernabog Sisters.

Selene Emperyous: We had just about enough of those chaos-bringing demonic monsters to last an eternity. We thought they'd stay dead, but no, they decided to do a contingency plan to get revenge on us.

Lincoln: Adrastea Chernabog and her sisters were never going to learn, Selene, all they cared about is bringing death and destruction to mankind, so we had to destroy them last year.

Me: Yeah, those demon bitches caused enough trouble and done enough damage to too many people, along with their parents.

Nico: Yep.

---

After destroying the evil versions of Dai Gui, Bai Tza, Tso Lan, Tchang Zu, Po Kong, Xiao Fung, and Hsi Wu and foiling the revenge of The Chernabog Sisters, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marlene Monstro saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marlene Monstro: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Terumi Momochi: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marlene Monstro: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Terumi Momochi: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marlene, Terumi, what memories did you have with Lincoln?

Marlene Monstro: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln, Terumi, and I headed to Lake Huron for a date, and the rest of his Guardian Angels came for extra protection. But, then, we heard the sound of a loud belch in the air along with the stench of feet and B.O., and that almost made us barf. Then, some trees were smashed down along with a lifeguard's chair and we were right to find out that the culprit was Lynn, and she was on yet another of her dumb animalistic rampage again. That four-legged monstrosity charged at Lincoln on all fours, but we pounced on Lynn and gave her quite the thrashing of her life, and then, Lincoln punched Lynn hard in the cheek and ordered her to leave. Lynn roared and beat her chest like a gorilla and ran out on all fours snarling and farting like the animal she is, but she wound up getting caught in a water prison Terumi Momochi made.

Terumi Momochi: Then, Luna came and tossed Lynn into a metal container after she got grounded for twenty weeks for her attempted attack on Lincoln.

Nico: I can't believe it, this was another attempted murder in full view of the public! Lynn was nothing more than a rampaging animal because of her Dark Side.

Lincoln: I was quite surprised that none of my Guardian Angels didn't just make the choice to put her down for good after what she tried to do to me numerous times in the past.

Laney Emperyous: Many of us were getting that close to ripping her limbs off and tearing her brains out of her empty head!

Eli: YIPE!

Me: That's just further proof of how much Lynn pissed Lincoln's Guardian Angels who hated her off big time.

Lincoln: And I always had to restrain them or they restrained themselves whenever Lynn did that, but she just didn't know when to quit.

We got a shower, and then, Lincoln, Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Traptix Allomerus: Wow, so this is Sirena Beach, it sure is awesome.

Lincoln: It sure is, Traptix Allomerus, and it's perfect for our date. Shall we?

Lincoln, Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond and they hugged them in their abnormally massive and powerful muscular arms, and Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, twenty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond are in your harem.

May: It's been a while since we've had any female Duel Monsters join Lincoln's harem, and this time, all the Traptrix Duel Monsters joined his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Kelly, Traptrix Allomerus, Traptrix Arachnocampa, Traptrix Atrax, Traptrix Atypus, Traptrix Cularia, Traptrix Dionaea, Traptrix Genlisea, Traptrix Mantis, Traptrix Myrmeleo, Traptrix Nepenthes, Traptrix Pinguicula, Traptrix Pudica, Traptrix Rafflesia, Traptrix Sera, Traptrix Vesiculo, Megaempress, Moonheart, Lunaclub, Flowspade, and Trickdiamond, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Honeyclimb Galaxy.

Me: Cool!

Nicole: That will be awesome.

Zero G: Me and my siblings will go with you Nico.

Lightspeed: Yeah this will be fun.

Energizer: It sure will be.

Nico: Okay then. Lets go.

Tristan: I'll go too then.

Nico: Okay.

They went into the simulator and it activated and they were at HONEYCLIMB GALAXY!

Nico: Here we are.

Tristan: Wow!

Nico: Yep. Nicole any tips?

Nicole: (On the radio) This one is a really simple one. Just climb up the walls to get to the launch stars to go to the next wall. But they get trickier.

Nico: Oh boy.

Nicole: But with your flying that won't be needed.

Nico: Yeah.

Lightspeed: This will be fun.

Nico: Yep.

?: Let me help too.

They saw a Tinkaton!

Nico: Cool a Tinkaton!

Tinkaton: (In a girls voice) Awesome to see you again Nico.

Nico: Trina Lepidopterra! Wow!

Lightspeed: Don't revert back yet. We need to get the star.

Tinkaton: Okay.

Nico: Lers roll!

They flew along side the walls of the galaxy

Nico: Goombas up ahead!

They saw Goombas all over the place.

Lightspeed: We got this.

They fired energy waves and blasted them.

Tristan: Save some for me.

Tristan fired waves of energy and blasted them.

Nico: (gets out Trap Jaw and Robo Blaze's Ridewatches) Time for tech power!

He activated them and fired waves of energy and blasted the goombas.

Tinkaton: I got the rest.

She bashed them all over with her hammer.

Nico: Yeah!

They saw the star!

Nico: There's the star!

Tristan: We got it!

They went and got it!

YOU GOT A STAR!

Nico: That was REALLY easy.

Trina reverted back and she was a girl with pink hair and pink eyes, pink clothes and had pink butterfly wings and had a really powerful hammer.

Trina Lepidopterra: That was so fun!

They all high five.

Lightspeed: What's your favorite memory of Nico?

Trina Lepidopterra: When me and Nico bashed a bunch of fairy collectors heads in who were trying to attack my village.

Nico: That was fun.

Lightspeed: Wow!

Energizer: Nice one!

Trina Lepidopterra: Yep.

Nico and Trina hugged.

Nico: I've missed you.

Trina Lepidopterra: Same here.

They came back.

Later the mascots were in the kitchen. Kayla Schmidt went in.

Kayla Schmidt: What are you guys doing?

Poromon: Making pancakes.

Poliwag: Lumberjack size pancakes.

Manaphy: Yep.

Nadine Phoenix: Awesome! Love pancakes.

Horsea: Then you will love these.

Annie was EATING LIKE A PIG! She was eating EVERYTHING ON HER PLATE!

Qin: Whoa she is really hungry.

Annie: (EATING AND EATING)

She later was finished.

Motormaster: How do you feel, Annie?

Annie: (LOUD BURP)

Me: I would say you are full.

Annie: Pardon me. But yeah I'm stuffed. I'm sorry I was crying so much.

Me: It's okay.

?: Boy those pancakes smell and look awesome.

We saw an Espathra!

Me: Cool an Espathra.

Nico: Neat.

Espathra: (In a girls voice) Boy those are huge pancakes. Perfect for a lumberjack like me.

Nico: Marsha Jackson!? Whoa.

She reverted back and was a girl with brown hair and had red and blue clothes and had red angel wings.

Marsha Jackson: May I join you all for the feast?

Me: Sure.

She got to eating too.

Rodimus: What's your favorite memory of Nico?

Marsha Jackson: When me and Nico made an awesome All You Can Eat Pancake buffet and we ate all those pancakes and we were bloated.

Nico: Yep.

Lola: Those must've been awesome.

Camie: Yeah.

Nico: Oh they were.

Nico and Marsha hugged.

Nico: I've missed you.

Marsha Jackson: Same here Nico.

Long Haul: Those were amazing pancakes!

Me: (LOUD BELCH) Pardon me. Boy it was good.

Zhuqiaomon: It sure was awesome.

Camie: Yeah I'm stuffed.

Poromon: How did you guys like them?

Me: They were a feast perfect for a lumberjack. We loved them.

Nico: (LOUD BELCH) So full.

Xenia: (LOUD BELCH) Yeah they were tasty.

Annie: (LOUD BELCH) Boy I'm stuffed.

Camie: Me too! (LOUD BELCH)

Me: Boy no kidding. I'm so full.

Qin: Me too.

Twilight Sparkle: Boy that was all so good.

Sunset Shimmer: It sure was. I'm full.

The previous group then came.

Vanitas: Can me, El Diablo, Iron Lung, Merman, Living Laser, Trap Jaw, Madame Masque, U Foes, Cheshire, and Myotismon go with you guys?

Nico: Yes you sure can.

Qin: We don't know what our mission is but it will be fun.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than The Firebird from Fantasia 2000, and it's come back from the dead wanting revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico, and it concerns all of us. I had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than our old enemy, The Firebird from Fantasia 2000, and it's come back from the dead wanting revenge on us.

We gasped.

Nico: First, Chernabog came back, and now, it's The Firebird from Fantasia 2000.

Me: I knew The Firebird would come back.

My Firebird the Phoenix constellation on my neck was glowing.

Eli: Whoa!

Nico: Wow, that's awesome. This is going to be one infernal fight, come on, gang, let's get after The Firebird and put him out.

Lincoln: Yeah.

Camie: Who is the Firebird?

Me: He's from Fantasia 2000 and he was the main monster in Igor Stravinsky's 1919 musical masterpiece, The Firebird Suite.

I went over the history of him.

---

The Firebird is the main antagonist of The Firebird Suite, the eighth and final segment in Disney's 38th full-length animated feature film Fantasia 2000. He is a massive bird-like deity of fire and destruction.

While all of the segments in the film have no dialogue, the segment's music was performed by the late James Levine and the Chicago Symphony Orchestra.

The Firebird appears to be a giant eagle with huge wings and is made entirely out of lava. Though his body bears some resemblance with the Spring Sprite, he lacks any pair of legs unlike her, as he morphed into lava mass whenever he traveled on the land. It is unclear whether he can fly like the Spring Sprite or not.

Unlike Chernabog in the 1940 original Fantasia film whom sides with the force of evil, The Firebird is a powerful, dangerous, aggressive and treacherous fire spirit who has no alliances; he serves no one, he cannot distinguish friend from foe - he is a primal living force of destruction. He lives only to destroy and despises all that brings life and creation (ex. The Spring Sprite).

However, his only weakness is that he only destroys - he cannot create nor can he persist, as he returned to his slumber when there is nothing left for him to destroy. This explains his disappearance after destroying much of the forest.

The Firebird is first seen inside a mountain (more likely a volcano since nothing grows near the mountain), where the segment's green protagonist, the Spring Sprite, inadvertently wakes him up. This makes him so mad that he chases after her. As he does, he burns the trees everywhere in the forest that she had worked so hard on growing until he consumes her. However, she is revived by the Elk. It is unknown what happened to the Firebird after that, although it is suggested that he comes every time a volcano erupts. Volcanoes can cause serious damage to an ecosystem, but the ecosystems are known to heal in time.

---

When I was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: That is crazy!

Me: But the musical is really awesome.

Laney: One of my favorites.

Lily: Mine too.

Camie: Yep.

Magmon: He's twice as hot as I am.

Nico: Yep he sure is.

Qin: Boy no kidding,

Me: I love the Phoenix. It's my favorite creature. And I picked it as our symbol because it represents immortality, resurrection, reincarnation, fire and renewal.

Xenia: Yep.

Magmon: Oh Nico almost forgot. Which gene-slammers do you think you'll meet next?

Nico: Oh right. Wugtrio And Bombirdier.

Qin: Awesome choices.

Lola: Yep.

El Diablo: (scoffs) That thing can't be hotter then me!

Me: Well we'll find out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Conduit Edwards, and he's come back from the dead and he wants revenge on us for destroying him and Dagon. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we aren't going to like hearing: the dark energy we sensed belongs to our old enemy, Conduit Edwards, and he's come back from the dead and he wants revenge on us for destroying him and Dagon.

We gasped.

Ben: I thought we got rid of him on RaDos long ago.

Me: We did, so it looks like he's come back from the dead and he wants revenge on us. Well, we had already killed him long ago, so it looks like it's off to prison for him.

Nico: Just what I was thinking, J.D.

Selene Laverna: Leave him to me and Linky, and if his men show up, then you know what'll happen to them?

Nico: Uh oh, if his men show up, you and Lincoln will wind up doing the same thing Lincoln's done to the thugs of his Fire Elemental HERO Guardian Angels, and to the evil versions of Shendu, Dai Gui, Bai Tza, Tso Lan, Tchang Zu, Po Kong, Xiao Fung, and Hsi Wu. Alright, gang, let's go, we're heading out to destroy The Firebird once and for all.

Lincoln: This is going to be one fiery fight we're going to enjoy, and once we get done destroying The Firebird, you're next, Conduit Edwards.

Selene Laverna: There's absolutely no way we're going to let you live, Conduit Edwards, we'll beat you to an inch of your miserable life, and your men will also suffer a different fate.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to destroy The Firebird from Fantasia 2000, and once we got done destroying The Firebird from Fantasia 2000, Selene Laverna and Lincoln are going to take down Conduit Edwards.

We were off to the world of The Firebird Suite in Fantasia.

---

We arrived in the world of Fantasia and we saw that it was a beautiful forest.

Me: Wow. It's beautiful.

Mewtwo: Be on guard. I sense tremendous power awaiting us.

Me: I feel it too.

Qin: Wow.

Nicole: Wow look at that. That's Mount Saint Helens.

We gasped!

Me: WHOA! So that's what it looked like before its catastrophic eruption back in 1980.

Camie: Wow!

Me: To date that was America's most catastrophic volcanic disaster.

Nicole: That's right.

Nico: Wow.

Lola: This s gonna be brutal.

Camie: It sure will.

Iron Lung: Is Spring Sprite here?

Me: I think I see her.

We saw her making a beautiful flowery tree.

We went over.

Spring Sprite: Hey guys!

She went and hugged me.

Me: Awesome to see you.

Spring Sprite: I'm so happy you all made it.

Me: We are too.

Trap Jaw: Her Dad did… (shudders)… things to her!

Vapor: If you know what we're talking about.

Spring Sprite: Oh I… see what you mean. I'm so sorry Annie.

Annie Lorgann: It's okay. But I'm glad my mom is back.

Me: Yeah.

We felt a tiny tremor.

Me: The Firebird is beginning to stir.

Nico: I felt that one.

X Ray: How long do we have?

Marah: An hour if we're lucky.

Me: Yeah. (WINCES IN MORE PAIN) OW!

My Phoenix Birthmark glowed brighter.

Nico: Your birthmark's glowing brighter. That means he's getting stronger.

Me: He's getting ready to wake up.

Annie Lorgann: I didn't know your birthmark was magical.

Me: I was amazed myself when I found out about it.

Ironclad: Might want to recalculate that!

Myotismon: Try 50 minutes.

Nico: Lets not panic everyone. Besides we got plenty of time.

Xenia: You're right.

Spring Sprite: How will we know when he is here?

Me: When my mark feels like someone put a RED HOT branding iron to my neck.

Qin: Ouch.

Xion: It has to be the size of Chernabog

Spring Sprite: Yes he is the same size as Chernabog.

Nico: Oh boy.

Qin: Boy this is gonna be rough and infernal.

Lincoln: I have a feeling this is gonna be a big battle of fire and life.

Living Laser: The asshole's probably taking his time to watch us squirm.

Me: Maybe. But we're ready for him.

Lola: Yeah.

Me: This is gonna be (WINCES IN MORE PAIN) OW!

My mark glowed brighter.

Nico: Oooh!

Spring Sprite: That can't be good.

Xenia: Yeah.

Madame Masque: And intense.

Me: Yep.

Camie: Yeah.

Xenia: But at least it serves as a warning for what's coming.

Sour Sweet: Is it possible to make a rainbow bird to fight it?

Me: You know Sour Sweet you might be on to something.

Indigo Zap: Yeah that's an awesome idea.

Me: This is gonna be good.

Qin: Yep.

But then..

Me: (SCREAMS IN PAIN!)

Nico: J.D.!

He saw my MARK GLOW WHITE HOT!

But then… Suddenly… IT HAPPENED!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THE VOLCANO ERUPTED!

Xenia: It begins.

Vector: Oh crap.

Nico: Here he comes!

Me: HE'S HERE!

Then out of the volcano came THE FIREBIRD!

HE WAS A FIREBIRD MADE OF PURE FIRE AND LAVA!

Galaxy Man: So much power!

Me: Unbelievable!

Lana: Wow!

Nico: WHOA! Lets go guys! ENTRANCE TIME!

We went at him and then I had a mysterious rainbow fire aura form around me as I was flying.

The firebird roared as it if were looking for something. But then the spirits of nature appeared and swirled around it and then they swirled around him and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in front of it and then a phoenix cry was heard and then we came out.

Me: Time to cool this firebird down!

Lola: YEAH!

Lana: Feel this!

She fired a wave of ice and it hit the Firebird's wind and froze it!

Merman: Have some of this!

He fired a wave of water and blasted his wing and steam came out of him as it roared in pain.

Me: YEAH!

But then a massive and incredibly powerful rainbow fire aura exploded out of me and my power accelerated intensely in strength, power and energy! Then it formed into a massive and amazing RAINBOW BIRD!

It screeched with powerful force and power!

EVERYONE GASPED!

Eli: WHOA!

Nico: UNBELIEVABLE!

Starfire: OH WOW! I thought it was just a legend! It's the Rainbow Phoenix Force!

Qin: WHOA!

Jean Grey: WOW! That one must be more powerful than the

Phoenix Force!

Lola: Incredible!

Nico: WHOA! J.D. how do you feel!?

Me: Amazing! So that's why my mark was glowing and burning so intensely.

Slash Man: Mind lending us a hand?!

Me: With pleasure!

I flew at the Firebird and it fired a massive blast of fire and lava at me and I dodged it and fired a massive blast of rainbow energy and blasted the Firebird all over with it! It shattered its wings into a million pieces!

Xenia: WHOA! WHAT POWER!

Cheshire: It's still not down!

I flew around to the back and blasted it and burned him all over!

Me: WHOA! This is awesome!

I fired more rainbow blasts and burned him all over some more.

Lola: WHOA!

Lana and Nico fired energy and ice blasts and froze the Firebird all over.

Me: YEAH!

I fired more blasts and shattered him more.

Maria fired water at it.

Massive clouds of steam came out of it as it roared in pain.

But then it got REALLY ANGRY AND MASSIVE TORRENTS OF LAVA EXPLODED HIGH INTO tHE AIR AND LIGHTNING STRUCK

ALL OVER FROM THE ASH CLOUDS!

Moana: GEEZ! It's like we're fighting Te Kâ!

It regenerated his wings.

William: Oh great! It can regenerate its' wings!

He did so!

I fired waves of ice and rainbow energy and blasted him all over the place!

Xenia fired rainbow energy arrows and blasted him.

Lana and Maria and Moana blasted him with ice and water and steam came out of the Firebird.

Maria: It's a tough one!

Spring Sprite: Boy no kidding!

Qin: But this is awesome!

Leeli: You got that right!

Eli: YEAH!

Then The Firebird got frozen in a huge block of ice. Then INSTIGATOR, MetalSeadramon, Springfield Bullies, Toyman, Artie Ziff, King Hiss, Mammoth, Speed Demon, Carly Atlas, and See More came.

Nico: INSTIGATOR, MetalSeadramon, Springfield Bullies, Toyman, Artie Ziff, King Hiss, Mammoth, Speed Demon, Carly Atlas, and See More.

INSTIGATOR: How are you feeling, Annie?

Annie: I'm doing better.

MetalSeadramon: That's good.

Jimbo: What your dad did was messed up.

Annie: I know.

Toyman: (to Nico) We heard the mascots made pancakes.

Artie Ziff: Did you try any?

Nico: They sure did and it was awesome.

Me: It sure was.

Lola: Yep.

Me: Boy they were awesome.

?: Wow that is awesome.

A Figure came out and it was CHEETAR from episode 13 and 14 of Operation Overdrive!

Many years ago, Fearcats were sworn enemies of Tyzonn and his team and they kidnapped Vella.

He came with Mig to use the Corona Aurora to power up the Prison Mirror to release their brothers. They captured Ronny and used her Overdrive Tracker and Benglo was released.

Cheetar took the full blast of their Drill Blaster, grew giant and was destroyed by the DriveMax Ultrazord.

Tyzonn: Cheetar!

Cheetar: Been a long time Tyzonn.

Me: I remember you! You were sent to release the other Fearcats by using the power of the Corona Aurora.

Cheetar: That's right. Good memory.

Me: Yep.

Cheetar: (to Nico) I don't really blame you for torturing Annie's former dad. But there's the matter of her baby.

Nico: I know.

Me: I'll make sure that her baby is safe and not the child of a monster.

Annie was really touched by that and she hugged me.

Nico: Aw.

We got the battles underway.

Selene Laverna: I will never ever forgive you for your crimes, Edwards, in your fanatical attempt to worship Dagon forever, you recruited a lot of people to join your cult, but Ben saw through that and he knew you had no good intentions: you're nothing more than a ruthless, sadistic religious fanatic, if it were up to me, I'd kill you right where you stand, but no, you died once, now you will be heading to prison forever where you will stay and rot for all eternity!

Suddenly, Selene Laverna was surrounded by a massive vortex of crimson red and black energy with stars, flames, darkness, dark magic, and souls surrounding the vortex, there are demons and angels flying around the vortex, and in the vortex is a green phoenix made of souls with red eyes glaring at Conduit Edwards: the red eyes of death. Then, as the vortex faded, Selene Laverna emerged, but she was changed forever.

Suddenly, Selene Laverna felt a sharp pain on her back, and then, her massive midnight black angel wings with crimson red tips on the large midnight black feathers grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails with crimson red tips and crimson red markings, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Selene Laverna's greatsword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of crimson red and black energy, stars, fire skulls, darkness, dark magic, souls, Chinese Dragons, demons, and angels and when it emerged, it was transformed into Selene Laverna's Demonic Angelic Darkness Firestorm Skull Inferno Chinese Dragon Greatsword of Inferno Fire Skull Chinese Dragon Justice, it's a brand-new massive greatsword with embedded crimson red gems and a Chinese Dragon etched on the 7'6" massive, wide, double-edged black blade, large gold Chinese Dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large Chinese Dragon heads and below the Chinese Dragon heads is a large white angel head with red gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold Chinese Dragon's head with crimson red gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below the Chinese Dragon that said, "Selene Laverna, Daughter and Destroyer of Shang Tsung, Longtime Ally of Lord Raiden and The Earthrealm Warriors, Master of All The Black Magic Arts and Fire, Master of Genetics, Crafter of Magic Artifacts and Weapons, Master of Soul-Stealing, Destroyer of Shao Khan and His Allies, Incredibly Powerful Swordswoman, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Lincoln's Many Enemies, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames, Dark Magic, Black Magic, Angels, Demons, and Chinese Dragons"

Suddenly, Selene Laverna's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Selene Laverna has transformed into SUPER ANGEL-CHINESE

DRAGON-DEMON SORCERER-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA INFERNO FIRE SKULL FIRESTORM BLACK DEMONIC MAGIC CHINESE DRAGON ANGEL OF DIVINE INFERNO FIRE SKULL FIRESTORM BLACK DEMONIC MAGIC CHINESE DRAGON ANGEL JUSTICE AND INFERNO FIRE SKULL FIRESTORM BLACK DEMONIC MAGIC CHINESE DRAGON ANGEL LOVE!

We were amazed by Selene Laverna's Super Angel-Chinese Dragon-Demon Sorcerer-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Conduit Edwards saw it, he went mad with rage and fired an energy blast at her to kill her, but Selene Laverna fired a massive barrage of crimson red and black energy, stars, fire skulls, darkness, dark magic, souls, Chinese Dragons, demons, and angels at Conduit Edwards, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Sonnya: Well, I'll be damned.

Nico: Same here, Sonnya.

Lincoln: So awesome, Selene Laverna's transformed into her Super Angel-Chinese Dragon-Demon Sorcerer-Harmony United Friendship Universal Eternal Celestial Xelnaga, and with what that fanatic tried to do to her!

Hiroshi Ohira: (Divine Echoing Godly Voice of The Destructive Retribution Justice Firestorm Firebird Phoenix Angel and Divine Destructive Retribution Justice Firestorm Firebird Phoenix Angel) Yep, it's vengeance time!

Selene Laverna: (Divine Echoing Godly Voice of The Cosmic Firestorm Inferno Fire Skull Chinese Dragon Black Demonic Magic Demon Sorcerer Goddess Angel and Divine Cosmic Firestorm Inferno Fire Skull Chinese Dragon Black Demonic Magic Demon Sorcerer Goddess Angel) You got that right, let's tear him and his Esoterica army to shreds!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he along with Hiroshi Ohira joined Selene Laverna.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You made the big mistake of returning from the dead, Edwards, now you leave us no other choice but to beat you to an inch of your miserable life!

Hiroshi Ohira: (Divine Echoing Godly Voice of The Destructive Retribution Justice Firestorm Firebird Phoenix Angel and Divine Destructive Retribution Justice Firestorm Firebird Phoenix Angel) You're heading straight for Hell!

Lincoln, Selene Laverna, and Hiroshi Ohira went after Conduit Edwards who continued firing energy blasts at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crimson red and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Conduit Edwards and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he, Selene Laverna, and Hiroshi Ohira also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Conduit Edwards mad.

Conduit Edwards: Esoterica, arise!

Suddenly, Conduit Edwards summoned massive armies of Esoterica to attack Lincoln, Hiroshi Ohira, and Selene Laverna.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Hiroshi, Selene, let's send these Esoterica to Hell!

Hiroshi Ohira: Hope I can keep up with you guys!

Selene Laverna: You've been keeping up with us so far, and you've had no problems.

Lincoln and Selene Laverna fired green necromantic energy blasts at some of the Esoterica soldiers and they drained them of their life forces and stole their souls and left them as dried-up corpses and Hiroshi Ohira fired waves of flames and lava which melted many of the other Esoterica soldiers and incinerated them to ashes. Then, Lincoln and Selene Laverna fired fire skulls at the remaining Esoterica soldiers and incinerated them into nothing.

Hiroshi Ohira: I told you, you were heading for Hell, but not by our hands.

Hiroshi Ohira punched Conduit Edwards hard in the face and knocked him out, and Lincoln stripped Conduit Edwards of his powers and put him in a rainbow energy straitjacket and beamed him to the Saturn Insane Asylum's Arkham Asylum wing and had him chained to the wall of his doorless and windowless cell with Neutronium Chains lined with rainbow energy. We cheered wildly as Lincoln, Selene Laverna, and Hiroshi Ohira holstered their massive greatswords on their backs and powered down, and Selene Laverna's body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Hiroshi Ohira's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long phoenix tails, and massive black angel wings are permanent.

Selene Laverna: That's the end of Conduit Edwards' Flame Keepers Circle and they will never return. Thanks for helping me get rid of him, Linky, you too, Hiroshi.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Hiroshi Ohira: I'm always there to help, and I'm so glad that fanatic is gone for good.

Suddenly, Selene Laverna wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Laverna's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Chinese Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Selene Laverna absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of fire, Lincoln, Selene, Hiroshi, you three showed Edwards no mercy at all.

Lincoln: Yep, and now, he's in prison for good.

Me: He won't last a day. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: I've got a good one that'll interest you: Hailey Olympus, Keyblade Knight of Olympus Coliseum.

Hera Olympus: My little sister, now that's awesome.

Michelle Emperyous: And I knew you'd say her, Lincoln, and you guys will love meeting her, Hailey Olympus is Lincoln's Guardian Angel from Michigan and the younger sister of Hera Olympus, Sailor Soldier of Olympus Coliseum from Kingdom Hearts. She's a Keyblader and she's a very powerful fighter and friends with Herc, his friends, and the Olympian Gods, and like Eli, she has a habit of blowing Hades' hair out and causing some pretty hilarious trouble for his minions, Pain and Panic, in The Underworld. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Eli: He's bound to have a run-in with her once more.

Nico: Yep, along with Pain and Panic.

Anna Knudson: I'll go with Lincoln tomorrow, since Hades is my archenemy.

Nicole: Okay, that's a good idea, Anna.

King Hiss: That's one bird put out.

Mammoth: And one Chernabog sized threat down.

Speed Demon: You said it.

Carly Atlas: It wasn't easy though.

See More: Hey, what matters is that we defeated it

Me: Yeah that is for sure.

Nico: And J.D. showed us an awesome variation of the Phoenix Force. That was so awesome!

Me: Boy no kidding. I didn't know I had this kind of power.

Xenia: Me neither.

Lola: Yeah.

Nico: But great job today everyone!

Spring Sprite: Thank you guys for helping me out.

Xenia: It was our pleasure.

Eli: Yeah.

Annie: This was so much fun!

Me: Glad you had fun.

Sunset Shimmer: (To the viewers) Boy this was so awesome and amazing. I hope you loved it.

Me: I know we all did.

We later went back home and enjoyed the rest of the day and went to sleep.

Me: Wow! FernGully.

Laney: Boy it's so beautiful here.

Xenia: It sure is.

Lola: Yeah.

Tyler Navarro: I'll say!

Nico: I think it's awesome coming here myself.

Venux: It sure is awesome.

Earth: Boy no kidding.

Nico: Tyler, I want to thank you, Major Disaster, and your teams for coming.

Tyler Navarro: Anytime Nico. This is gonna be so fun.

Xenia: It sure will.

Kagero: I'm ready for this one.

Nico: Kagero, what do you like to do in your free time?

Kagero: I haven't thought about it. But I have always wanted to be a Gym Teacher and help students learn the ways of the ninja in gym classes.

Me: That's a great job.

Xenia: It sure is.

Qin: I agree.

Lola: And it also builds everyone character.

Kagero: That it does.

Me: When I first met Kagero in 150,000 years she was promised by Orochimaru to bring the Fuma Clan back to it's glory. But I convinced her and most of the Fuma Clan that they were all just pawns in Orochimaru's evil plans.

Fu: That's right. Orochimaru would have never lived up to his end of the bargain. He would kill them without any second thoughts.

Nico: That fucked up monster.

Qin: Yeah.

Me: No kidding.

Nico: I think a gym teacher is a nice job.

Me: I agree there.

Laney: Same here.

Qin: Yeah.

Kagero: I'm glad you think so.

Nico: Yep. Boy yesterday's mission was a hot one.

Me: Boy the Firebird was powerful and infernal.

Nico: Yeah.

Maria: It was just as powerful as Chernabog.

Me: Yeah. But I did not expect to unleash a rainbow fire variant of the Phoenix Force like that against it.

Nico: That was a completely unexpected surprise.

Sakura Knudson: That was so cool seeing that.

Laney: Boy it sure was.

Sweet Leaf: Yeah.

Camie: Boy that was awesome.

Me: Boy it sure was. Boy in a little over a week we battled 2 of Disney's most dangerous and most powerful villains ever created.

Nico: Yeah Chernabog - The Satanic Dark Lord of Hell and The Firebird - The Volcanic Pyre of Destruction.

Laney: Those are awesome titles and they were awesome powers to face.

Lola: But Firebird put up an amazing fight.

Nico: It didn't go down easily!

Lola: No it sure didn't.

May: Took a lot of water and ice to take him down.

Nico: Yep.

Maria: I helped out with that.

May: Same with me, Lana, Luna and all the water and ice users.

Qin: That was awesome.

Camie: Yeah it was.

Nico: Boy it sure was.

Me: And it was awesome seeing Spring Spring bring amazing life to the land.

Laney: That's what makes The Firebird Suite from Fantasia one of my favorites.

Sweet Leaf: Mine too.

Lola: Yep.

We continued walking.

Me: Wow, we're in The Simulator version of Ferngully.

Nico: Yep, which means we're going to destroy Hexxus once more.

Laney: Yes!

Sweet Leaf: That monster's going to pay for what he's done.

Lincoln: Trying to destroy the forests and our friends, that is unforgivable, and now, he will face the true vengeance of Mother Nature.

We then prepared for battle against Hexxus, who'll make his return very soon.

Lincoln: Hexxus isn't getting away this time, we'll make the spirit of pollution pay with everything we got!

Laney: That's right, Lincoln, and he's going to see we're not the same as we were many years ago.

Me: He's in for one hell of a battle with us once more.

Nico: This time, it'll be his last.

Xenia: That's for sure.

Nico: He could be anywhere.

Magi then appeared.

Magi: The humans have released Hexxus.

Laney: Oh no. Magi, Let us all help you all out.

Magi: Of course. Gather everyone in the circle.

We all went to Magi's tree and the Fairies all followed.

Magi: Everyone, sit in the center of the tree and meditate.

Laney: Okay.

Me: Right.

We all did so and Magi made a speech.

Magi: Since the beginning of time, we have been the guardians and the healers of the forest. We have too long forgotten the Magic Powers of Nature. The time has come to call on them again.

Magi picks up a seed from a fig pod.

Magi: Remember: All the magic of creation exists within a single tiny seed.

The seed glowed and a choir singing and the rumble of thunder was heard. All the trees started glowing and green energy from all of the forest was pouring into the tree and flowing into Magi and the tree twisted around and closed.

We all were in a state of total concentration as we meditated and all of Natures Life Energy flowed into Magi.

Crysta flew to Magi.

Magi: Look for the hero inside yourself Crysta. Look to the good and loving heart in you and all others. For just as every seed holds the power and magic of creation, so to do you and every other creature in this world. Laney, Team Loud Phoenix Storm, Protect Crysta and all my family with your lives.

Crysta: Magi don't leave me.

Magi: I love you. [Echoing] I'll always be with you.

Magi turned into blue energy sparkles.

Magi: We all have a power and it grows when it is shared.

Remember what you've learned Crysta.

Magi dispersed and all her power touched everyone. A Blue Sparkle landed on all of our foreheads and a green leaf appeared in the middle. We were all given all of Magi's powers and we were stronger and more one with nature.

Laney: I… I understand Magi and I will protect everyone.

Me: As will all of us Magi.

This was how Zak realized that life is far too precious to everything plant, animal or human and he was on the path to stop destroying the environment and help protect, conserve and make it grow and last forever.

The tree unwound.

Crysta: Oh Magi.

We all got up.

Me: How do you all feel?

Nico: Amazing.

Camie: Incredible!

Lincoln: Yeah. It's amazing that we have all of Magi's powers.

Lana: Yeah.

Venus: Wow this is amazing.

Laney: It sure is.

Nico: Let's not keep the Pollution asshole waiting

Machinery Whirring was heard.

Laney: It's here!

Me: Lets prepare for battle!

Nico: HERE WE GO!

Crysta: We won't let Magi's sacrifice be in vain!

Me: That's right!

Suddenly, we felt it for ourselves and we all saw living black smoke emerge and it took shape.

We all saw on top of the Leveler a ghostly smoke creature. It was HEXXUS!

Hexxus: [Evil Laugh] I'm back!

Crysta: Hexxus!

Laney: Hexxus!

Pipps: Hexxus!

Me and Nico: HEXXUS!

Camie: HE'S Hexxus!?

Me: Yep. And he is bad news!

I went over his history.

---

Hexxus is the main antagonist in 20th Century Fox's 1992 animated fantasy feature film FernGully: The Last Rainforest, which is based on the book of the same name by Diana Young.

He is the spirit of destruction and pollution with the sole desire to destroy FernGully and spread absolute destruction across the world, and kill anyone and anything that gets in his way. He is also the archenemy and prisoner of Magi Lune and her student Crysta.

He was voiced by Tim Curry, who also played Frank-N-Furter in The Rocky Horror Picture Show, Lord of Darkness in Legend, Wadsworth in Clue, Pennywise in the It television miniseries, Thaddeus E. Klang in TaleSpin, Taurus Bulba in Darkwing Duck, the

Evil Manta in The Little Mermaid television series, Cardinal Richeliu in The Three Musketeers, Farley Claymore in The Shadow, Kilokahn in Super Human Samurai Syber-Squad, Drake in The Pebble and the Penguin, Dr. Anton Sevarius in Gargoyles, Long John Silver in Muppets Treasure Island, Simon Doonan in the Titanic TV movie, Maestro Forte in Beauty and the Beast: The Enchanted Christmas, Slagar the Cruel in Redwall, Dr. Slicer in Recess, Ben Ravencroft in Scooby-Doo and the Witch's Ghost, Big Brother in Johnny Bravo, the Mouse King in Barbie in the Nutcracker, Professor Calamitous in The Adventures of Jimmy Neutron: Boy Genius, Scarlet Fever and Nick O' Teen in Ozzy & Drix, Dale "The Whale" Biederbeck in Monk, Belial in The Legend of Atlantis, El Maléfico in ¡Mucha Luca!: The Return of El Maléfico, Von Talon in Valiant, Anatoly Cherdenko in Command and Conquer: Red Alert 3, Philippe in Barbie and The Three Musketeers, Billy Flynn in Criminal Minds and Emperor Palpatine in Star Wars: The Clone Wars.

Hexxus is the evil spirit of destruction who embodies everything that is toxic to nature. As such, his only goal in existence is to cause destruction, decay and death in any way he can. It can be inferred that Hexxus' ultimate goal is to inevitably kill off all of the Earth's living creatures by transforming the world into an uninhabitable toxic wasteland after he has taken complete power and control over it as the primordial embodiment of destruction and pollution. He will also stop at nothing to exact his revenge on the fairies of FernGully for his imprisonment by means of manipulating humans to help him in his evil plan.

His natural default form is a mass of orange glowing energy that resembles lava, but in order to move around and influence the solid plane of existence, he generates avatars composed of petroleum oil. His first manifestation was a formless blob of crawling petrol, but when he discovers humans and their machinery, he absorbs energy, drinks more petrol, grows, and decides to make a mockery of them by assuming the form of a humanoid creature who seeps smoke everywhere and speaks and sings in a seductive voice.

Later he appears as a jet-black muscular humanoid with a skull for a head, and through the ribs, eyes, and nostrils, his true lava form is exposed for all to see.

Hexxus first appeared on Earth in ancient times when the balance of nature shifted. He caused a nearby mountain known as Mt. Warning to erupt like a volcano, and from there, rose out of the Earth and rained down his poison, destroying much in his wake and killing countless living creatures everywhere in FernGully, including humans, who fled in fear, never to return. He was finally defeated by the elderly and wise fairy priestess named Magi Lune, and was sealed inside an enchanted baobab tree, which he remained trapped in for hundreds, if not thousands or possibly even millions of years.

While painting red "X" marks on trees, marking them for cutting, the movie's male protagonist named Zak comes across the tree that Hexxus was imprisoned in, he finds it creepy, much like the entity it contains. While he is looking at the tree, Zak is bugged by a fly (possibly provided by Hexxus himself somehow), and he ends up marking the tree while he was trying to hit it with his aerosol can. That evening, the mobile lumber mill known as "The Leveler", driven by Zak's two superiors named Tony and Ralph, cuts down the tree.

As the cutting begins, the Leveler shakes violently, likely due to Hexxus' supernatural presence, but the lumberjacks ignore the signs and cut it down anyway. The tree is processed and reduced to sheets of wood by the Leveler, releasing Hexxus in a slimy form.

Chuckling maliciously, he almost immediately begins absorbing energy from the Leveler. And by the next day, he has regained enough strength to quickly move around and coherently speak. While wondering how he escaped, Hexxus quickly realizes that it is the work of humans. Determined to get revenge upon the fairies of FernGully for imprisoning him and seeing the most useful potential of the human machine, Hexxus initially decides to take control of it and use it to exact his sinister plan.

Under the outspoken and vocal guise of their boss, Hexxus occasionally manipulates the lumberjacks into tearing down the rainforest in the direction of FernGully by the next morning, thereby destroying the very fabric of their world. He then assumes his ghostly main form, singing the song "Toxic Love", before going to the Leveler's roof to oversee progress as he laughs maniacally. Sometime later, upon reaching FernGully after having successfully destroyed much of the rainforest, Hexxus reveals himself.

With Magi Lune gone (having sacrificed herself to give her power to all of the other fairies), it is up to the movie's female protagonist named Crysta and the other fairies to defeat him once and for all. He and the Leveler then chase the fairies and drive them into their home tree, despite Crysta's efforts to stop his advance. Zak (knowing the fairies cannot stop the Leveler) has Batty take him to the machine's cab, from which he can stop it. However, Batty gets carried away and flies right up to Hexxus, who laughs and violently swipes at them, sending debris raining down onto Batty, who drops Zak onto the windshield as a result.

As Zak frantically tries to get the lumberjacks' attention, Hexxus immediately scares them off and takes control of the machine himself. As he proceeds to the fairies' home tree, he closes off the Leveler's cab to keep out intruders, but Zak still manages to get inside with Pips' help. Just as Hexxus is about to kill off all of the fairies, Zak turns off the Leveler, causing Hexxus to lose the energy that he was gaining from it and disappear. However, he once again emerges moments later, this time in the form of a giant, demonic, fire-breathing skeletal beast made of oil.

Crysta remembers a bit of advice that Magi gave her before her death, so she takes a seed and flies up to Hexxus. Unfortunately, he devours her as he laughs evilly, to everyone's horror. However, as he prepares to destroy FernGully for good, he begins sprouting branches like a tree. Annoyed, he rips off the sprouts, but the emerging new tree continues to grow. Pips (realizing what is happening) leads the fairies into helping the new tree grow, within moments, Hexxus and the Leveler itself are overrun. Hexxus can only watch in terror as he is sealed within the closing roots, imprisoning him presumably once and for all, so that he may never harm FernGully again.

In the end after his defeat, Crysta and Batty are now revealed to be alive, while Zak (knowing human development can still threaten FernGully) returns home with Tony and Ralph with a new environmentalist mindset.

When I was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: Oh my!

Laney: Yep.

Nico: He's that bad.

Varie: Yeah he sure is!

Lincoln: So, you've finally returned. So sad though, you finally return once more, only to find out that we're going to destroy you once more, but this time, for good.

Hexxus: WE'LL SEE WHO HAS THE LAST LAUGH! I WILL DESTROY YOU ALL AND EVERY LAST LIVING THING ON THIS PLANET! (LAUGHING MANIACALLY)

Laney: The only one who's going to be destroyed here is you! And I've had it up to hear with you to last an eternity, Hexxus!

Me: You and your pollution spreading ways are finished!

We all stood in front of the Leveler.

Man 1: Hey Tone. What are those guys all doing?

Man 2: I don't know.

We all put our hands on the ground and a huge tree lifted the Leveler off the ground and made it immobile.

Me: We all have plant powers now and we have stronger power.

The two men didn't know that they weren't moving.

Hexxus talked to them through the windshield and they got out of the Leveler and vines formed and got them down to the ground safely.

Air Man just shot an air blast at Hexxus, knocking him down.

Air Man: This is almost too easy!

Hexxus: (smugly) Oh, trust me. It isn't!

Me: It's gonna take more than just a blast of air to get rid of him.

Laney flew up to the Leveler door and opened it and went for the ignition key.

Laney: Sorry Hexxus. But your spree of destruction is over.

Laney turns off the Leveler and leaves.

Hexxus was getting weaker and weaker by the second.

Hexxus: What happened to the energy?

Me: We cut you off!

Hexxus disintegrated as Laney got back onto the ground.

Then there was an earthquake and the Leveler roof was on fire and out of the roof arose Hexxus in his true form. He was a giant demonic fire-breathing skeleton creature made of sludge and oil and burning with fire. Pollution was making him stronger.

Me: Whoa!

Camie: So this is his true form!

Qin: Scary!

Laney: Hexxus just doesn't know how to quit.

Me: No he doesn't. Lets power up and get him!

Suddenly, something within Laney's mind snapped as memories of Hexxus' crimes rushed through her head and her green eyes turned neon green and she was surrounded by a rainbow energy aura with stars, leaves, animals, fairies, rainbow fire, plants, phoenixes, and angels, she unholstered her massive Gaia's Fiery Nature Jungle Greatsword of Nature Jungle Fiery Justice and Jungle Plant Love from her back, and as she approached Hexxus, she left stars, rainbow energy, leaves, animals, fairies, rainbow fire, plants, phoenixes, and angels with every step.

Laney: As always, you absolutely make me sick to no end, Hexxus, you'd already proven that you are and always will be a remorseless, unforgiving monster who wants to destroy the forests and all of its inhabitants, and that truly is unforgivable. Magi sacrificed herself to give us her power to stop you! (SUDDENLY GETTING SUPER MEGA PISSED OFF) But, no matter how many times we put you down, you just won't give up, and you wind up returning once again to destroy everything… , THIS IS THE VERY LAST STRAW, I'VE ABSOLUTELY HAD IT UP TO DEALING WITH YOUR WORTHLESS UGLY HIDE, HEXXUS! NOW, I WILL DESTROY YOU ONCE AND FOR ALL UNTIL THERE IS ABSOLUTELY NOTHING LEFT OF YOU AT ALL!

We gasped at the sudden extent of Laney's rage: Hexxus was done for now!

Me: UH OH!

Rarity: MY WORD! WHAT WAS…?!

Fluttershy: There's no mistaking it: Laney's love for nature is the same as mine, and to see it being threatened by Hexxus once more… !

Lincoln: Her rage has been unleashed once again, the last time that happened was last year when we dealt with that Dark Jimmy clone created by that mischief maker. And now, her rage is now aimed at Hexxus! HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover as Laney screamed like a madwoman, and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and life force and she was surrounded by a massive vortex of rainbow energy with stars, leaves, plants, and rainbow fire surrounding the vortex, there are animals, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Hexxus: the red eyes of death.

Suddenly, The Unity Crystals on my Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Laney's massive Gaia's Fiery Nature Jungle Greatsword of Nature Jungle Fiery Justice and Jungle Plant Love, and then, it glowed, and then surrounding the massive vortex of rainbow energy with stars, leaves, plants, and rainbow fire surrounding the vortex, there are animals, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Hexxus: the red eyes of death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF LANEY AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Eli: UNREAL!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOUR TIME'S FINALLY UP, HEXXUS!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LANEY! THEN, AS SOON AS THE VORTEX FADED, LANEY EMERGED FOREVER

Lincoln, Sweet Leaf, and Laney went after Hexxus, and they fired extremely powerful blasts of rainbow energy, forest green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Hexxus and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold armored claws and firing energy slashes from his gold armored claws and he, Sweet Leaf, and Laney attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Hexxus mad.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the end for you, Hexxus, your crimes against nature and the world can never be forgiven, and now, it's time for you to disappear forever!

Lincoln, Laney, and Sweet Leaf held out their left hands, and three balls of green energy formed and to Hexxus, it means death was coming for him, but his rage made him blind and he ran at Lincoln, Laney, and Sweet Leaf to try and kill them.

Lincoln, Laney, and Sweet Leaf: MOTHER NATURE'S GAIA VENGEANCE KAMEHAMEHA!

Lincoln, Laney, and Sweet Leaf fired three more powerful versions of the Mother Nature's Vengeance Kamehameha at Hexxus, but instead of imprisoning him in a tree forever, he had all of his life energy sucked out of him and was sent into the Earth, and a beautiful forest sprung out of nowhere, and the Dark Spirit of Destruction was forever sent to The Black Gates forever. We all cheered as Lincoln, Laney, and Sweet Leaf holstered their massive greatswords on their backs and powered down, and Sweet Leaf's new body, clothes, weapons, jewelry, Third Eye, longer forest green tail, longer light gold grayish horn, and massive light gold grayish angel wings are permanent, and Laney's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Laney: Suffer for all eternity, Hexxus.

Suddenly, Sweet Leaf felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Sweet Leaf?

Sweet Leaf: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that dark spirit of destruction the beating of his life.

Nico: You got that right, and Lincoln, Laney, Sweet Leaf, that was really awesome that you guys used a more powerful version of The Nature's Vengeance Kamehameha.

Laney: Lincoln was the one who created it, actually, and it's really powerful. For some villains, it can imprison them inside trees for eternity, or for powerful villains, it can suck out all their energy and let it flow into the earth and cause a beautiful forest to appear.

Sweet Leaf: While the person responsible for so much destruction is left a withering husk drained of life.

Suddenly, Sweet Leaf wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sweet Leaf's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a forest forming behind them and we cheered wildly. Then, Lincoln and Sweet Leaf sucked in and absorbed the forest and elements and they came back to us as the display vanished.

Me: Well, now we're finally rid of Hexxus for good.

Nico: You said it, that guy was nothing but trouble for a long time.

Lincoln: We've all had it with Hexxus, and now, he's gone for good, and the world and the forests are safe from him.

Laney: You said it.

Nico: Hexxus is gone for good

Eli: Thank goodness.

Tsuyu: That is for sure.

Me: That was epic!

Qin: Yeah it was!

Xenia: I'll say!

Nico: Boy that was so fun and awesome.

Camie: It sure was.

Sweet Leaf: Now the terror of Hexxus is a forgotten memory.

Laney: That's for sure.

Venus: Yep.

Earth: Boy that always was fun.

Applejack: YEEHAW! That was as fun as a rodeo.

Fluttershy: That sure was and Laney you did a great job.

Twilight Sparkle: You and Sweet Leaf both did great Laney.

Laney: Thanks guys. It was awesome.

Nico: Now for business.

Me: Yep. The Anothers.

Eli: And we have some really fast ones. We have Another Black Flash, Johnny Quick, Kaitouki, Evil Nitro Man, Rainbow Dark, Overdrive Ostrich, Evil Winter Man and Major Disaster.

We gasped!

Me: Whoa those are REALLY Fast ones.

Tyler Nevarro: Except the last two.

Nico: I know.

Qin: Yep.

Maria: Yeah this is gonna be good.

May: Yeah it sure will be.

Maria: Who do we call in for them?

Me: Charisma, Angelo Lopez, Chuck, Ayeka, Allie Wilde and Quick Man.

Nico: COOL!

Xenia: Awesome.

Maria called them in and they came.

Allie Wilde: We got here as fast as we could.

Charisma: This will be fun.

Quick Man: It sure will be.

Eli: I sense that the Anothers minus Major Disaster are one person. And she is a really fast one.

Me: WHOA!

May: There they are!

Then out came Another Black Flash, Johnny Quick, Kaitouki, Evil Nitro Man, Rainbow Dark, Overdrive Ostrich and Evil Winter Man!

Me: WHOA! This is gonna be a fast one!

Rainbow Dash: But it will be perfect for Super Speed masters.

Xenia: Yep.

Another Black Flash: (In a girls voice) It sure will be.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with red hair and had blue eyes and had red clothes and she had red angel wings and had a tiara with the symbol of Accel on and she had the symbol of Accel on her skirl and she had a sword of lightning.

Me: (GASP) Alexandra Accel!

Alexandra Accel: Yep. Awesome and cool to see you again J.D.

Me: Same here. Alexandra is the Embodiment of Accel from Kamen Rider W. And she is one really fast girl. She can run as fast as Sonic and go as fast as 440 million miles per hour.

All of us: WOW!

Nico: WHOA! That is 2 thirds the speed of light!

Eli: That is awesome speed!

Philip: Wow! That is amazing!

Shotaro: Boy it sure is!

Nico: Too bad you can't turn into a motorcycle.

Alexandra Accel: I know. But I drive one and it's cool.

Rainbow Dash: Boy that is awesome! I drive a motorcycle myself.

Alexandra Accel: Looks like you and I are going to be awesome motorcycle buddies.

Rainbow Dash: Yeah we are!

Me: Cool!

Me: Boy you guys are going to get along great. Also Alexandra loves Chili Dogs as much as Sonic Does and she is a huge lover of Indiana Jones and Daring Do books.

Rainbow Dash: AWE-SOME! We both have so much in common.

Alexandra Accel: Boy we sure do! We are both an unstoppable force of speed and we have the same interests.

Laney: Awesome!

Nico: You should meet the Cybertronians who turn into motorcycles.

Me: Yeah like Lugnutz, Arcee and Armada Sideways.

Alexandra Accel: I have a feeling we all will form an awesome Motorcycle Club and do all kinds of fun with you all.

Me: Oh you can count on that.

Nico: And by that, we mean Aligned Arcee.

Starlight Glimmer: And the live action version of Arcee too.

Nico: Right.

Alexandra Accel: Awesome!

Me: Is the Another Major Disaster friendly or hostile?

Alexandra Accel: Friendly and you are going to flip seeing who it is and what she can do.

Me: I have a feeling we are.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

We fired waves of energy and blasted the them and I caught the Wonder Ride Books.

Maria: Time for backup! (TURNS DIAL) ETERNIA DARKNESS 6!

She summoned Trap Jaw, Roulette, Splatter Phoenix, Universe 666 Obito Uchiha, Metamorphosis Unversed and Vampire Pinkie Pie!

Me: Oh yeah!

Xenia: This will be good.

Me: Motor Ed can be apart of the Motorcycle Club too as well as Ghost Rider.

Alexandra Accel: Awesome ideas too.

Lola: Johnny 13 as well.

Lana: And Nitro Man.

Nico: Boy we have a lot of cool candidates for the future TLPS Motorcycle Club.

Alexandra Accel: We sure do.

Nico: And now, we wait.

Me: Tyler, rangers better morph just to be on the safe side.

Tyler Navarro: Good idea. IT'S MORPHIN TIME! DINO CHARGER ENGAGE! ENERGIZE! UNLEASH THE POWER!

RRRRRRRROOOOOOOOOOOOOOOAAAAAARRRR! CHOMP!

He transformed and was ready!

Yamato: WILD INSTINCT! AWAKEN!

AAAAHHAAAAHHAHAH!

He transformed into ZyuohEagle!

SEIZA CHANGE!

Lucky and Tsurugi: STAR CHANGE!

They transformed into KyuRanger Red and Kyuranger Crimson!

Hiryuu: LETS CHANGE!

He turned into CHANGEDRAGON!

Nico: YEAH!

Me: We don't have to wait long!

We saw a figure and it was ANOTHER MAJOR DISASTER!

Nico: WHOA!

Major Disaster: Boy who is that handsome guy?

Lola: (LAUGHS) Funny.

Major Disaster: Seriously, who are you?

Another Major Disaster: (In a girls voice) I believe it's someone J.D. knows too well.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and had black clothes and had rainbow angel wings and she had a tiara with the symbol of Xtreme on it and on her skirt was a symbol for Xtreme and all the symbols of the Dopants in a star around it and she had a rainbow energy sword.

Me: (GASP) Xinnia Xtreme!

Nico: WHOA!

Xinnia Xtreme: Awesome to see you again J.D.

Me: Same here. Xinnia is the Embodiment of the Xtreme form of W and she has ALL of the powers of EVERY Single Dopant in all of the Kamen Rider W series and she also has the power to control the weather and can make any Natural Disaster happen. Volcanoes, Hurricanes, Tsunamis, Earthquakes, Wildfires, the works.

Nico: WHOA! That is incredible! She is a living force of mother nature!

Xinnia Xtreme: I know. I get that a lot.

Philip: Boy that is amazing that you have all the powers of the Dopants.

Shotaro: Including the NEVER Dopants?

Xinnia Xtreme: INCLUDING the NEVER Dopants.

Kaito: (gets out Build gear) Did Swartz promise you anything

Zocks: (gets out Ex Aid Gear) Because we can grant it instead.

Kaito got a Build Sword and Zocks got an Ex-Aid sword.

Xinnia Xtreme: No he didn't. He was in a hurry to send me out because of the kind of power I have.

Me: I'm not surprised. With all the powers of all the Dopants at your command as well as the powers of all of the Earth's Weather and the Natural Disasters, he was afraid you would destroy him with the power of the Earth itself.

Xinnia Xtreme: Yeah that's for sure.

Me: You don't have to worry about Swartz anymore. We gave him the Black Gates.

Nico: Yep.

Xinnia Xtreme: I heard all about that. Good riddance.

Lola: Yeah that was an awesome battle.

Xinnia Xtreme: Yep.

Sougo: (gets out Build Ridewatch) Two W Embodiments in one rescue.

Armor Time! (Electronic rock music) Best Match! Build!

Geiz: (Gets out Brave Ridewatch) This is turning out to be one awesome rescue.

Armor Time! (Fantasy Gamer Level 2 transformation music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor.

Xinnia Xtreme: I know. Also just so you know, the Embodiments of the Dopants are going to be amazing as well.

Xenia: I have a feeling they will be.

Me: Yep. Sorry we have to fight like this Xinnia.

Xinnia Xtreme: No worries.

She turned into ANOTHER MAJOR DISASTER!

Nico: Time for some weather of our own. (ACTIVATES MAJOR DISASTER AND EVIL WINTER MAN'S RIDEWATCHES)

He fired waves of lightning and energy and smashed her down.

May: Feel fire and weather. (ACTIVATES IMPERIOUS AND MORPHO KNIGHT'S RIDEWATCHES)

She fired fire tornadoes and energy blasts and smashed her down.

Maria: This will be fun. (ACTIVATES UNIVERSE 666 TWIN MASTERS AND ELESTOMP'S RIDEWATCHES)

She fired waves of rainbow energy and blasted her down.

Maria: Anyone got any peanuts?

Kagero: Lets see how she likes this. (ACTIVATES EVIL WINTER MAN'S RIDEWATCH)

She fired an ice blast and blasted her down.

Then Diabolico, Evil Cloud Man, Gluttony, Mad Steamhorn, Parasite and King of Flan came.

Nico: Nice team Diabolico!

Diabolico: Thanks Nico. This will be fun.

Mad Steamhorn tooted!

Me: WHOA! (COVERS EARS) GEEZ THAT IS LOUD!

Nico: YEAH!

Diabolico stopped him.

Diabolico: Calm down. Sorry about that, Mad Steamhorn has a really nasty temper and blows eardrums off when he gets mad.

Me: I can tell he has a nasty disposition.

Nico: Yeah.

?: Boy that is loud.

Then a Bombirdier came!

Me: Cool a Bombirdier!

Nico: Awesome.

Bombirdier: (In a girls voice) This will be still fun though.

Nico: Yamiko Earhart! Wow!

She reverted back and was a girl with black hair and green eyes and had blue clothes and blue angel wings and on her skirt was a picture of a B2 Stealth Bomber plane.

Yamiko Earhart: Awesome to see you again Nico. I got this.

She fired a wave of energy and blasted her down and I caught the Ridewatch and purified it and brought Xinnia over and she was dizzy.

Kagero: What's your favorite memory of Nico?

Yamiko Earhart: When me and Nico were flying a B2 Stealth Bomber and we fired a massive ketchup flood missile at an underground evil Queen Bee terrorist group and got them smothered in ketchup and hot sauce and burned them all over.

Me: Boy they never saw that coming. And that's my favorite plane, the B2 Stealth Bomber. Delivers the bombs unseen and undetected.

Xenia: Yep.

Yamiko Earhart: That was so fun.

Anna Anyanova: That explains why there was a mass arrest of all those girls back then.

Lincoln: Yep.

Yamiko Earhart: That was awesome.

Nico and Yamiko hugged.

Nico: I've missed you.

Yamiko Earhart: Same here Nico.

We left the simulator later.

Then, Lincoln and Pain-Yatta fired taffy ropes and tied Evil Pain-Yatta up and sent him to The Masters of Evil's HQ. We cheered as we holstered our weapons and powered down.

Lincoln: That's one of the evil versions of the former villains of The Skylands put into The Masters of Evil. (To Hailey Olympus) And it's so good to see you again, Hailey Olympus.

Hailey Olympus: You too, Linky, it's been a long time.

Lincoln went up to Hailey Olympus and he hugged her, and Hailey Olympus is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Hailey Olympus: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Hailey Olympus, Keyblade Knight of Olympus Coliseum, she's my Guardian Angel from Michigan and the younger sister of Hera Olympus, Sailor Soldier of Olympus Coliseum from Kingdom Hearts. She's a Keyblader and she's a very powerful fighter and friends with Herc, his friends, and the Olympian Gods, and like Eli, she has a habit of blowing Hades' hair out and causing some pretty hilarious trouble for his minions, Pain and Panic, in The Underworld.

We laughed.

Nico: So, Eli won't be the only one blowing Hades' hair out.

Selene Emperyous: No, he won't. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Just like what you told us yesterday.

Nico: Yep, and we got Hades in The Masters of Evil, and he's now dating Sartana of The Dead.

Hailey Olympus: She's obviously a much more better choice than Maleficent.

Lincoln: Yeah, they once dated, but Maleficent was basically getting way too out of control for him, and she was way too obsessed with plunging the universe into eternal darkness, so on the day of Zarya's big mission, Maleficent and her army of the worst Disney villains in history got The Black Gates forever, and the same went with Lex

Luthor and The Joker.

Hailey Olympus: Good riddance to that witch.

Lincoln: Along with those who followed her to The Black Gates, along with our two hated enemies from Metropolis and Gotham, and now that you're here, Hailey.

Lincoln went up to and hugged Hailey Olympus in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Hailey Olympus: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Hailey Olympus' neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Hailey Olympus: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hailey Olympus.

Hailey Olympus had a smile on her faces and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then we went up to the twenty seven girls, and when

Lincoln saw them, he immediately recognized them immediately. The twenty seven girls are Ringo Ando, Ally, Chico, Ess, Lidelle, Light Marle, Harpy, Archan, Scylla, Draco Centauros, Jarne, Merigu, Shosu, and Mei, Raffina, Amitie, Ms. Accord, Serilly, Witch, Simulator Flie, and Simulator Rulue from Puyo Puyo and Vivian Turkish, Iris Penna, Karua Siphon, Misty Citron, Renshia Fullcity, and Tira Pompadour from Men At Work.

Lincoln: Oh wow, it's Ringo Ando, Ally, Chico, Ess, Lidelle, Light Marle, Harpy, Archan, Scylla, Draco Centauros, Jarne, Merigu, Shosu, and Mei, Raffina, Amitie, Ms. Accord, Serilly, Witch, Simulator Flie, and Simulator Rulue from Puyo Puyo and Vivian Turkish, Iris Penna, Karua Siphon, Misty Citron, Renshia Fullcity, and Tira Pompadour from Men At Work.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ringo Ando: Yes, we're okay, thanks to you.

Ringo Ando: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twenty six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ringo Ando: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty-seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ringo Ando, Ally, Chico, Ess, Lidelle, Light Marle, Harpy, Archan, Scylla, Draco Centauros, Jarne, Merigu, Shosu, and Mei, Raffina, Amitie, Ms. Accord, Serilly, Witch, Simulator Flie, Simulator Rulue, Vivian Turkish, Iris Penna, Karua Siphon, Misty Citron, Renshia Fullcity, and Tira Pompadour with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with five Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was the evil version of Pain-Yatta.

But, when Lincoln showed what we all did in beating him down and Pain-Yatta and Lincoln tying him up with Taffy Ropes and sending him to The Masters of Evil, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Hailey Olympus have a lot of catching up to do, now that they're back in town.

Maria: This is definitely the first time we've run into evil versions of the former Doom Raiders.

Lincoln: Yeah, but it won't be the last.

Me: That's right, and we'll be ready for them.

Nico: You got that right.

---

After taking down the evil version of Pain-Yatta and sending him to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Hailey Olympus saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hailey Olympus: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hailey, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Hailey Olympus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Hailey Olympus: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Hailey, what memories did you have with Lincoln?

Hailey Olympus: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were working out at our personal gym and Lincoln and I were doing some wrestling. But, then, our alarm sounded, and we saw a bunch of big muscular thugs heading for our gym to kill us, but we didn't see Lori, Lynn, Lola, Lisa, Luan, Chandler, or any of Lincoln's other enemies, which stunned us. But, our security cameras caught a figure laughing maliciously from the back of the gym: it was Lori. We found out that Alpha Bitch hired those big hulking thugs to kill her brother again, so we confronted them and after Lincoln beat them down proving that he was much more bigger and stronger than they were, he sank his fangs into each of their necks and sucked out their blood and massive muscle mass, and we saw he also gained another massive increase in muscle mass. Then, he stabbed them in their hearts and killed them, and as predicted, Lori flew into a mad rage and ran at us, but Lincoln grabbed and lifted Lori up into the air with ease and he did a body slam as he dropped Lori onto her back and she was out cold. Then, we tied her up and Lincoln lifted her up over her shoulder and we went back to The Loud House, and after we told them of what that Alpha Bitch tried to do to her not-so-little brother again and to us, they got furious and threw the knocked-out Lori in a steel cage and she also got grounded for twenty weeks.

Nico: I've said this before and I'll say it again, Lori, that Dark Side of yours is nothing more than an Alpha Bitch to the infinite power!

Me: She sure was, Nico. That explains what happened that day and why I saw piles of ashes near the personal gym of you and your Guardian Angels, Lincoln.

Lincoln: Yep, another murderous plot of Lori's foiled by us, and I was quite surprised that none of my Guardian Angels didn't just make the choice to put her down for good after what she tried to do to me numerous times in the past.

Laniya Emperyous: Many of us were getting that close to ripping her limbs off and tearing her brains out of her empty head!

Eli: YIPE!

Me: That's just further proof of how much Lori pissed Lincoln's Guardian Angels who hated her off big time.

Lincoln: And I always had to restrain them or they restrained themselves whenever Lori did that, but she just didn't know when to quit.

We got a shower, and then, Lincoln, Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Prediction Princess Bibliomuse: Wow, so this is Orange Ocean, it sure is awesome.

Lincoln: It sure is, Prediction Princess Bibliomuse, and it's perfect for our date. Shall we?

Lincoln, Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells

Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf and they hugged them in their abnormally massive and powerful muscular arms, and Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf are in your harem.

May: It's been a while since we've had any female Duel Monsters join Lincoln's harem, and this time, it's three of The Prediction Princess Duel Monsters.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Prediction Princess Bibliomuse, Prediction Princess Crystaldine, and Prediction Princess Petalelf, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Apple White was waking up from a nap.

Apple White: That was a good nap.

She then felt something under her pillow.

Apple White: Did the Tooth Fairy visit me?

She pulled out the object to reveal it was a bottle of beer!

Apple White: A bottle of beer!? Poromon!

She had just been visited by Poromon the Beer Fairy.

Later we were watching TV. Muriel was rocking in her chair with Courage sitting on her lap and Eustace was reading the paper.

Lana: Boy everything has been quiet.

Francesca: Yep.

But then…

Eustace: OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHH!

Eustace laughed as he had scared Courage with his ugly mask.

But then…

BLANG!

Eustace got hit on the head with a rolling pin courtesy of Francesca.

Eustace: OW! What did I do?

Me: (LAUGHS) That's funny.

Apple White came in with the bottle.

Apple White: I found this under my pillow.

She showed us the beer.

Nico: Poromon!

Poromon: That's not the only stop I made.

Then out came the Red VS Blue team and they were drinking the beer, the Donbrothers, Ghostbusters and the rest of the Ever After High girls came and they all had Beer Bottles.

Qin: Whoa! Poromon has been busy.

Xenia: No kidding.

Xinnia Xtreme: Digimon that drink beer?

Me: Don't fucking ask.

Nico: (LAUGHS) Poromon really is an awesome beer fairy.

Carolina: He sure is.

Church: And I needed a good beer too.

Lola: Boy no kidding.

Then we smelled something good.

Me: (Sniffs) Yummy.

We smelled something cooking in the kitchen.

Emu: What smells so good?

Poliwag: Mung is showing us how to make Shicken Sockitos.

Me: Mung's version of Chicken Tostitos.

Qin: Yummy.

Mung Daal: And you guys are going to love it. First stuff the sock with finely cut pieces of Shrilled Shicken.

They stuffed the sock with Shicken.

Mung Daal: And then some diced Blonions.

They added them.

Mung Daal: And roll the Sockito up and then steam them.

Nicole: I hope it turns out alright.

Laney: Last time Chowder ate all the ingredients and after that they found Sugar Sapphires and got them all rich.

Qin: Wow!

Me: Yeah it was funny.

Scene transition with Chicken Tostitos.

They were done and ready.

Me: Oh boy.

Poromon: Dig in.

I sucked out the Shicken and stuff.

Me: MMM!

Nico: (Eating) Mmm! Delicious!

Qin: (Eating) Yummy!

Laney: (Eating) Awesome job guys.

Poromon: Thanks.

Poliwag: That was an easy dish.

Chowder: It sure was easy. And tasty.

Dead End: Good thing it didn't end up with poison.

Me: Yeah.

Qin: Thank goodness.

?: Boy those look good.

We saw a Wugtrio.

Me: Cool a Wugtrio!

Xenia: Awesome.

Wugtrio: (In 1 girls voice) It smells really awesome. (In a second girls voice) Boy they sure do. (In a third girls voice) And they look great.

Nico: The Gardenia Triplets!? Whoa.

Me: Wow!

They reverted back and separated and they were 3 girls. They all had green hair and red eyes and had green clothes. They each had 3 kinds of leaves on their foreheads to tell them apart.

Maple: Awesome to meet you guys. I'm Maple Gardenia.

Sycamore: I'm Sycamore Gardenia.

Elm: And I'm Elm Gardenia.

Me: Awesome to meet you girls and that is cool that you are named after 3 kinds of trees.

Maple: It sure is.

Kup: What are your favorite memories of Nico?

Maple: When we made some of our family's awesome pancake syrup.

Sycamore: We're Canadian Syrup Cultivators.

Elm: And we make syrups from all kinds of trees.

Me: That sounds awesome.

Qin: Yeah.

Lola: That is really cool!

Nico: Oh they make amazing syrups. Not just from Maple Trees but all kinds of amazing trees.

Camie: Even Sequoia and Redwood trees?

Maple: Yep.

Lola: That is amazing.

Nico: Oh yeah.

Nico hugged them.

Nico: I've missed you girls.

Sycamore: We did too Nico.

Elm: We sure did.

Poromon: (to Taro, Kylie, and Apple White) Did you enjoy your beers?

Dive Man: I just hope you had fun with this.

Poromon: I did.

Apple White: We put our beers in the fridge. We're going to make chili with them.

Poromon: Ooh! Chili. Awesome.

Xenia: Yep.

Me: (BURPS) Oh pardon me. It's the Blonions.

Xenia: No worries.

Then the previous group came.

MetalSeadramon: Can me, INSTIGATOR, Springfield Bullies, Toyman, Artie Ziff, King Hiss, Mammoth, Speed Demon, Carly Atlas, and See More go with you guys?

Nico: Yes you all can come with us. And I have a feeling this is gonna be a fun and awesome mission.

Xenia: It sure will be.

Lola: Yep. Hey Nico which Gene-slammers do you hope to meet next?

Splash Woman: Aww Lola I was going to ask that!

Lola: Sorry Splash Woman. (LAUGHS)

Nico: Palafin, Revavroom and Cyclizar next.

Lola: Awesome!

Xenia: Neat.

Gantu: Actually, I was going to ask it.

Dolph: You were?

Gantu: Yes.

Lola: Oops. Sorry.

Gantu: (LAUGHS) No worries.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than the corrupt and megalomaniacal former CEO and founder of Innovative Online Industries now convicted criminal, Nolan Sorrento, and he's broken out of prison again to once again get revenge on Wade Watts, his girlfriend Samantha, his family, and friends. When we saw it, we knew it meant trouble.

Lincoln: Oh, you have got to be kidding me!

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than the corrupt and megalomaniacal former CEO and founder of Innovative Online Industries now convicted criminal, Nolan Sorrento, and he's broken out of prison again to once again get revenge on Wade Watts, his girlfriend Samantha, his family, and friends.

Selene Emperyous: WHAT?! That asshole's broken out of prison once again?!

Nico: You know him, Selene?

Selene Emperyous: I wish I hadn't, but yes, I do. That son of a bitch piece of shit was once the CEO of Innovative Online Industries, but he's done tons of illegal operations and used his business as a front. We along with Lincoln met Wade and his friends, and together, we stopped Nolan and sent that son of a bitch to prison for good.

Michelle Emperyous: He wasn't as much of a threat as The Chernabog Sisters, but he was still a very dangerous criminal. Now, that piece of shit's broken out of prison?! I will roast his head on a spit!

Lincoln: We'll get that chance to get rid of that piece of shit once and for all! And I'll even use one of Cetrion's Fatalities on him.

Jacqui Briggs: Now, that I'd like to see.

Cetrion: Myself as well.

Me: What can you tell us about Nolan Sorrento?

Selene Emperyous: You would not like this guy one bit.

She went over his history.

---

Nolan Sorrento is the main antagonist of Ernest Cline's 2011 science-fiction novel Ready Player One, its 2018 live-action film adaptation of the same name and the secondary antagonist in its 2020 sequel novel Ready Player Two.

He is a corrupt and egomaniacal businessman who is the head of operations at Innovative Online Industries (CEO in the film version), which desires to achieve absolute control over James Halliday's OASIS by finding Halliday's Easter egg in the contest the OASIS' creator left behind after his death. Sorrento is the superior of F'Nale Zandor, I-R0k and the Sixers as well as Wade Watts' arch-nemesis.

He was portrayed by Ben Mendelsohn, who also played John Daggett in The Dark Knight Rises, Danny Rayburn in Bloodline, Orson Krennic in Rogue One: A Star Wars Story, Talos in Captain Marvel, Special Agent Mace in Infinity Train and Killian in Spies in Disguise.

Ready Player One

Nolan Sorrento earned his PhD in Computer Science before he became a well-known game designer, designing third-party RPGs within the OASIS. When James Halliday, the OASIS's creator, died, he stated in his will that whoever found the Easter egg that he hid within his virtual universe by obtaining three keys and passing through three gates would inherit both his $240 billion fortune and control of the OASIS.

As Innovative Online Industries (IOI), a communications conglomerate and internet service provider, saw the potential in Sorrento, they hired him as head of operations, leading a group of Sixers (slang for an IOI employee, as told by their six-digit ID number) to find the egg, using various trivia pertaining to Halliday's life and the vast pop culture of the 1980s to decipher clues relating to the location of the keys and gates. Upon discovering the egg, IOI plans to monetize the OASIS by implanting monthly fees and abundant advertisements.

After Wade Watts (known in the OASIS as Parzival) becomes the first gunter (popular term to users searching for the egg) to discover the Copper Key and pass the first gate, Sorrento contacts Parzival with the intent of a business proposal. Already planning to decline and thinking he has nothing to lose, Wade accepts his invitation to a virtual chatlink. At first, Sorrento tries to offer Wade a position in helping him find the egg with the promise of a large bonus if he himself finds it, and then goes down to a $5,000,000 offer just to tell him where to find the Copper Key. When Wade continues to refuse, Sorrento reveals that he knows Wade's real identity and address (having learned from the records at Wade's school on the OASIS) and offers a final ultimatum: reveal the location of the Copper Key, or be killed via explosives rigged to the apartment where he lives. Believing it a bluff, Wade rebuffs his threats and logs out from the chat. Sorrento makes good on his promise and destroys Wade's apartment. However, Wade was away at a faraway hideout while he was logged in.

When one of Wade's online rivals called I-R0k decides to disclose the location of the Copper Key, Sorrento and his Sixers rush to the hiding spot of the key and use a force field to block off access to any other users.

After Art3mis, a very popular gunter who found the Copper Key with Wade's help before Sorrento's arrival, obtains the Jade Key, Sorrento uses a powerful in-game artifact that pinpoints any user once a day to discover the key's location. While trying to block access to other gunters, he and his forces are attacked by Shoto and Daito, two Japanese users who are close friends with Art3mis and Wade (who fled his home under another identity). At this time, several hitmen hired by Sorrento break into the apartment of the person controlling Daito and kill him by throwing him off his balcony. As well, Daito's avatar is left without a user, and it is killed as a result.

Soon enough, Sorrento and many other Sixers end up obtaining their own Jade Keys - thus enabling Sorrento to find and pass through the second gate, obtain the Crystal Key (the final one), and reach and final gate soon after. After discovering the location of the final gate, Sorrento tries to enter, but finds that he cannot, unable to decipher the meaning words etched on the door (Charity, Hope, Faith). Though stuck, most of the Sixers surround the gate's location and apply a powerful force field to prevent any potential users from coming close to buy themselves time.

Wade ultimately manages to get neck and neck with Sorrento, getting the remaining keys and passing the second gate, but cannot pass through the force field towards the final gate. Wade puts a bold plan in motion, managing to infiltrate IOI as an indentured employee using a series of passwords he obtained via an online black market, gaining information about the force field along with the attempts at the lives of him and his friends. He escapes shortly after and uploads the evidence of IOI's acts to several news outlets. After gathering and reuniting Art3mis, Shoto, and his best friend Aech, they orchestrate an all-out assault on Sorrento and the Sixers.

The next day, they, along with hundreds of thousands of other users, stand outside the gate's location to prepare for battle. After a robot Wade hacked destroys the power source of the force field, it disappears and Sorrento fights Wade and Shoto with mechs that they obtained in the second gate. Shoto is killed, but Wade manages to defeat Sorrento's mech and kill his avatar. Wade, Aech, and Parzival, who have already learned how to open the gate, reach it, but their avatars are killed after the Sixers detonate an immensely powerful and destructive bomb that kills all users within the vicinity. Several Sixers waited outside the blast radius and move in to complete the final gate, having learned by watching Wade and his friends before the bomb went off.

However, Wade had obtained an extra life earlier and is able to reach the gate before the Sixers, completing it before any of them. After Wade obtains the egg, earning both Halliday's fortune and ownership of the OASIS, Wade learns that the FBI has arrested Sorrento, who looks confident that his lawyers will save him.

In the end of the film version, Sorrento seeing Wade is still in the OASIS game, takes a car with F'Nale Zandor and takes a gun. He follows Wade and the rest in the van as he's about to kill Wade. He opens the van about to shoot Wade, but seeing Wade had already won by obtaining the egg and seeing his tears fall apart, he puts down the gun. Sorrento was arrested on screen when he tried to kill

Wade and was taken to a cop car. He asks F'Nale to listen carefully, but F'Nale Zandor hits him as to remind him that it's already game over for him, before being taken away.

Sorrento is revealed to have broken out of prison by the A.I. copy of James Halliday's avatar Anorak. Under Anorak's orders, he checks on the High Five's progress with their quest for the Seven Shards. However, after the High Five obtains all seven Shards, Sorrento is killed when Anorak, having no longer any use for him, shoots him in the head.

When she was done we were shocked and horrified!

Lola: Why that monster!

Xenia: Yeah!

Me: No kidding!

Selene Emperyous: First we'll watch the movie so you can get to know what he is like and then head out.

Camie: Good idea.

Lola: I'll go make us popcorn.

Lola went and did so and we gathered and watched the movie.

Nico: Here we go.

We watched the movie.

In a dystopian 2045, people seek to escape from reality through the OASIS (Ontologically Anthropocentric Sensory Immersive Simulation), a multiplayer virtual reality entertainment universe created by James Halliday and Ogden Morrow of Gregarious Games. After Halliday's death, a pre-recorded message left by his avatar Anorak announces a contest, granting ownership of the

OASIS to the first to find the golden Easter egg that sits behind a locked gate which can only be opened by completing three challenges to acquire the necessary keys. The contest has lured several "Gunters", or egg hunters, and piqued the interest of Nolan Sorrento, the CEO of Innovative Online Industries (IOI), who seeks to control the OASIS himself by inserting intrusive online advertising. IOI dispatches an army of indentured servants, and employees called "Sixers" to search for the egg.

Teenage orphan Wade Watts' avatar Parzival, an avid Gunter, participates in the first challenge, an unbeatable race, along with his best friend Aech, and Art3mis, a female online streamer whose avatar Parzival has a crush on. Parzival regularly revisits Halliday's Journals, a simulated archive of Halliday's life and hobbies, run by the Curator. Here, he discovers he can win the race by driving backward, and receives the Copper Key from Anorak. Art3mis, Aech, and his friends Daito and Sho, all win the race afterward, later being collectively named the High-5 on the OASIS' scoreboard.

Sorrento asks mercenary i-R0k to learn Parzival's true identity, intending to bribe him to win the contest on IOI's behalf. Wade and Art3mis discover from the Journals that Halliday once dated Morrow's wife Karen "Kira" Underwood. Wade and Art3mis visit the Distracted Globe night club to look for clues, where Wade reveals his identity and confesses his love to Art3mis. They survive an IOI raid in which Art3mis abandons Wade, explaining that her father died in debt to IOI and that she believes Parzival is not taking the contest seriously. i-R0k, having eavesdropped on their conversation, reveals his findings to Sorrento, who contacts Wade with an offer. When rejected, Sorrento attempts to dispose of Wade by bombing his home, killing his aunt Alice and her boyfriend Rick among others. Art3mis' player, Samantha Cook, takes Wade in. Together, they realize the second challenge relates to Halliday's regret of not pursuing a relationship with Kira. The High-5 search a recreation of the Overlook Hotel, where Art3mis asks Kira to dance and wins the Jade Key. Sorrento's subordinate F'Nale Zandor storms the Gunters' hideout, taking Samantha to an IOI Loyalty Center to pay off her father's debt. Wade escapes with the help of the other High-5 users, Helen Harris (Aech), Toshiro (Daito), and Zhou (Sho) in Helen's truck. Samantha escapes confinement after Aech and Parzival hack

Sorrento's OASIS rig.

The third challenge is found in Castle Anorak on Planet Doom, where players must guess Halliday's favorite Atari 2600 game to earn the Crystal Key. i-R0k places an impenetrable forcefield around the castle using the Orb of Osuvox, but Art3mis soon disables it. The High-5 lead an army of OASIS players against IOI's forces. Parzival kills Samantha's avatar, allowing her to flee IOI with the High-5 picking her up nearby. Parzival and Sorrento fight in the OASIS with Sorrento detonating the Cataclyst bomb, wiping out every avatar including himself. Parzival survives using an extra life coin he won in a bet with the Curator. He plays Adventure, winning the Crystal Key by locating Warren Robinett's Easter egg. He uses the three keys to enter a treasure room, where Anorak offers him a contract to sign. Parzival recognizes it as the one where Morrow signed over his shares when Halliday forced him out of Gregarious Games and refuses to sign it. Anorak transforms into Halliday, who expresses his regrets in life and awards Parzival the Easter egg.

Ogden Morrow appears, revealing that he is the Curator. Wade decides to run the OASIS with the High-5, inviting Morrow to stay on as a consultant. After Aech sends the police a copy of Sorento confessing to the bombing, he and F'Nale are arrested. As the IOI Loyalty Centers are shut down, the High-5 make the controversial choice to close the OASIS twice a week for people to spend more time in the real world, including Wade and Samantha, who start a relationship.

When it was done we cheered wildly!

Nico: That was awesome!

Lola: Boy it sure was.

Xenia: YEAH!

Nicole: Boy this is perfect for me and the Ex-Aid Riders. As Goddess of Video Games this will be fun.

Nico: Yep.

Lola: Yeah!

Me: But we're going to kick Nolan's ass for everything he did!

Toyman: Go ahead and do that.

Kearney: At the very least, Nolan gets the Black Gates

Nico: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Maldragora, the main antagonist of version 2 of Dragon Quest X, and he's come back to destroy the world once more. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we aren't going to like hearing: the dark energy we sensed belongs to Maldragora, the main antagonist of version 2 of Dragon Quest X, and he's come back to destroy the world once more.

Nicole: Oh, not him, that guy's trouble with a capital T.

Hannah MacKenzie: Leave him to me and Lincoln, Nicole, I'll seal him into an iron coffin and throw him into a pit of lava and he'll be melted down into slag! That "artist" is going to get a true taste of Volcanic Destruction!

Nico: That very threat that Michelle made to Scoots is about to be made a reality, but this time, it's against Maldragora. Alright, gang, let's go, we're heading off to take down Nolan Sorrento.

Lincoln: You're not laying one hand on Wade Watts, his friends, family, or his girlfriend ever again, you psychopathic asshole, we'll finish what we started all those years ago, and once we get done with Nolan Sorrento, you're next, Maldragora.

Hannah MacKenzie: You better be ready, Maldragora, I will unleash the full fury of The Volcanic Duel Monsters on your sorry six-armed ass!

Zoey MacKenzie: Oh man! I've seen the kind of thrashings Hannah had given Lynn, and they were so horrific, she sent Lynn to the hospital for a month. I hate to be in Maldragora's shoes right now, once my sis's wrath is unleashed, it can't be stopped.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to destroy Nolan Sorrento and end a long conflict that megalomaniacal son of a bitch had started, and once we got done with Nolan Sorrento, Lincoln and Hannah MacKenzie are going to destroy Maldragora.

We were off to the year 2045.

Eli: And I sense them coming. They are 100 klicks to the north and closing fast.

Xenia: Oh boy.

Me: You got that right.

Qin: Yep.

Nico: Lets get ready guys.

Xenia: Yeah.

Laney: This will be good.

Selene Emperyous: It sure will.

Discord was dressed as a general.

Discord: Alright, troops. Stand ready!

Me: They are coming..

We then saw a massive army of soldiers and they were lead by NOLAN SORRENTO!

Me: Here they come!

He was leading the ARMY OF ANUBIS FROM THE MUMMY!

Jimbo: They're getting close!

Nico: Entrance time everyone!

We went at him and the army.

Nolan Sorrento: Soon Wade will be dead.

But then the spirits of the worlds of video games appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and fireballs rained down onto the army of the underworld and blasted them and then a Phoenix Cry was heard and then we came out!

Me: Nolan Sorrento, your time has come!

Lincoln summoned a set of rocks from the Earth, crushing Nolan Sorrento with them before growing to a large size and stomped his head destroying the rocks and leaving Nolan Sorrento paralyzed. Then, Lincoln grew to an astronomical size and firing a beam into Nolan Sorrento that obliterates all but his limbs.

Me: Whoa, that was…?!

Nicole: One of Cetrion's two Fatalities: Good and Evil. He summoned a set of rocks from the Earth, crushing Nolan Sorrento with them before growing to a large size and stomped his head destroying the rocks and leaving Nolan Sorrento paralyzed. Then, Lincoln grew to an astronomical size and firing a beam into Nolan Sorrento that obliterates all but his limbs.

Lincoln shrank back to normal size, and as soon as Nolan Sorrento's spirit appeared, he drew the Judgement Kanji on his forehead banishing him to The Black Gates forever.

Lincoln: Good riddance forever, Nolan Sorrento, now our six-year long conflict has finally come to an end.

Nico: You said it, and it looks like your unfinished business has finally been settled, Lincoln, now you know how J.D. and I feel to have finally settled unfinished business. Awesome job, gang, we're rid of Nolan Sorrento for good.

Lincoln: Now, there's only one thing left to do and one last loose end to tie up: Maldragora.

Lincoln formed a massive diamond barrier that protected all of us from a blast of dark magic that came out of nowhere.

Nicole: I knew there was no mistaking that voice from anywhere, you better get out here right now, Maldragora, before one of us blasts you out!

A figure came out, and it was none other than Maldragora.

Nicole: I always knew you'd come back, Maldragora, you were never one to stay dead.

Maldragora: Soon, all of you will be!

Hannah MacKenzie: As if! The only one dying here today is you!

Suddenly, Hannah MacKenzie's red eyes turned neon red and she was surrounded by a neon red and orange energy aura with stars, superhot flames, fire, swords, magma, lava, phoenixes, dragons, and angels, she unholstered her Fire Excalibur from her back, and as he approached Maldragora, she left neon red and orange energy, stars, superhot flames, fire, swords, magma, lava, phoenixes, dragons, and angels with every step.

Hannah MacKenzie: Maldragora, I will never forgive you for the crimes you committed, you tried to recreate Rendashia according to your own image, but in the end, your death plunged the entire demon world into war, and now, you come back to try and recreate the world in your own image. That is unforgivable, and for that, you shall suffer the consequences of your crimes with your own blood.

Suddenly, Hannah MacKenzie was surrounded by a massive vortex of neon red and orange energy with stars, superhot flames, fire, swords, magma, and lava surrounding the vortex, there are phoenixes, angels, and The Volcanic Monsters flying around the vortex, and in the vortex is a crimson red phoenix with red eyes glaring at Maldragora: the red eyes of eternal death. Then, as the vortex faded, Hannah MacKenzie emerged, but she was changed forever.

Hannah MacKenzie grew from 7'0" to 7'9" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing crimson red hair, she has neon red eyes and a crimson red and orange energy aura with stars, superhot flames, fire, swords, magma, lava, phoenixes, dragons, and angels surrounding her, she has The Volcanic Monsters emblazoned on her forehead and her Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Fire, Magma, Star, and Eternity Kanjis in its hands, she also has the Volcanic Monsters with red gems for eyes and holding the Fire, Magma, Star, and Eternity Kanjis in their hands on the bottom of her crimson red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Hannah MacKenzie felt a sharp pain on her back, and then, her massive crimson red angel wings with orange tips on the large crimson red feathers grew much bigger for her new body and she now has eleven massive and long crimson red wolf tails with black tips and black markings, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Hannah MacKenzie's Fire Excalibur, Volcanic Monsters-themed greatsword, and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of crimson red and orange energy, stars, superhot flames, fire, swords, magma, lava, phoenixes, dragons, and angels and when it emerged, it was transformed into Hannah MacKenzie's Volcanic Firestorm Inferno Volcanic Monsters Greatsword of Inferno Fire Volcanic Monsters Justice, it's a brand-new massive greatsword with embedded orange gems and the Volcanic Duel Monsters etched on the 7'6" massive, wide, double-edged crimson red blade, large gold angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with red gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Volcanic Monsters' heads with crimson red gems for eyes and large red gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Suddenly, Hannah MacKenzie's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Hannah MacKenzie has transformed into SUPER ANGEL-VOLCANIC MONSTERS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA VOLCANIC FIRE INFERNO LAVA VOLCANIC MONSTERS GODDESS COSMIC FIRE INFERNO VOLCANIC MONSTERS GODDESS ANGEL OF DIVINE FIRE INFERNO LAVA VOLCANIC MONSTERS GODDESS COSMIC FIRE INFERNO VOLCANIC MONSTERS GODDESS ANGEL JUSTICE AND DIVINE FIRE INFERNO LAVA VOLCANIC MONSTERS GODDESS COSMIC FIRE INFERNO VOLCANIC MONSTERS GODDESS ANGEL LOVE!

We were amazed by Hannah MacKenzie's Super Angel-Volcanic Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Maldragora saw it, he went mad with rage and fired a blast of dark magic to kill her, but Hannah MacKenzie fired a massive barrage of crimson red and orange energy, stars, superhot flames, fire, swords, magma, lava, phoenixes, dragons, and angels at Maldragora, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Nico: WHOA!

Lincoln: Now, that's really awesome. Hannah MacKenzie has transformed into her Super Angel-Volcanic Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we destroy Maldragora once and for all.

Hannah MacKenzie: (Divine Echoing Godly Voice of The Cosmic Volcanic Fire Inferno Volcanic Monsters Goddess Angel and Divine Cosmic Volcanic Fire Inferno Volcanic Monsters Goddess Angel) And that's exactly what's going to happen to him. Now, let's rip him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Hannah MacKenzie.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to conquer the world are over, Maldragora, and now, we shall put an end to you once and for all and make sure you never come back.

Hannah MacKenzie and Lincoln went after Maldragora who continued firing dark magic blasts at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, crimson red and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental

Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Maldragora and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he and Hannah also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Maldragora mad.

Maldragora: I WILL KILL YOU ALL!

Suddenly, Maldragora transformed into his second form, The Worldmaker, and he tried to fire more dark magic blasts at Hannah MacKenzie and Lincoln, but Lincoln charged out, and then, he drove his massive greatsword into Maldragora's stomach, and he began sucking out Maldragora's magic and he made it his own, and as he removed his massive greatsword from Maldragora's stomach, he left the demon dazed, and that left him open to attack.

Lincoln conjured water from thin air, and performs a small flourish with it before firing the water in a pressurized stream, tearing off the flesh on Maldragora's face, then, he conjures a plume of flame as it incinerates the lower half of Maldragora's body, and, as Maldragora desperately tried to crawl away, Lincoln finished him off by sending three metallic blades through what's left of his body. Then, as soon as his spirit appeared, Lincoln and Hannah drew the Judgement Kanji on his forehead, and he was sent to The Black Gates forever. We cheered wildly for what Hannah MacKenzie and Lincoln did as they holstered their massive greatswords and powered down, and Hannah MacKenzie's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Hannah MacKenzie: That's the end of you, Maldragora. Thanks for helping me destroy Maldragora for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hannah.

Suddenly, Hannah MacKenzie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hannah MacKenzie's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Volcanic Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and volcanoes erupting superhot lava and we cheered wildly. Then, Lincoln and Hannah MacKenzie absorbed the elemental forces and flames and lava and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of Volcanic Monsters VS. Dark Magic Demon, Lincoln, Hannah, you two showed Maldragora no mercy, and you used the second of Cetrion's Fatalities, right, Lincoln?

Lincoln: That's right.

Me: I'd be surprised to find out if you can also perform all of the Fatalities of Lord Raiden and the Earthrealm Warriors along with those from Outworld. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: I've actually got three Keyblade Knights planned for tomorrow: they are Aylene Atlantis, Keyblade Knight of Atlantis from Atlantis The Lost Empire, Talia Hawkins, Keyblade Knight of Treasure Planet from the 2002 movie Treasure Planet, and Hannah Hollow, Keyblade Knight of Hollow Bastion.

Michelle Emperyous: Whoa! I knew you'd pick them, Lincoln, and you're going to love meeting them. Aylene Atlantis is Lincoln's Guardian Angel from Michigan and the defender of Atlantis. She's a Keyblader and she has the power of all the secrets of Atlantis and has the power of the Great Crystal as well as the knowledge and skills of over 10,000 years of Atlantean Secrets, and she's good friends with Kida, Milo, Eli, Sweet, Audrey, Mole, Vinny, Cookie, and all the inhabitants of Atlantis, and she HATES both Rourke and Hellstrom with a vengeance for trying to exploit the powers of Atlantis for their own selfish reasons. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Laney Emperyous: Talia Hawkins is Lincoln's Guardian Angel from Michigan and the defender of the planet Montressor and Treasure Planet. She's a Keyblader and she has the power of all the worlds of Treasure Planet and is the seeker of Flint's Trove as well as the knowledge and skills of over 1,000 Worlds of planets that Flint went to get the treasure for Treasure Planet. And is good friends with Jim Hawkins, Eli, Captain Amelia, Dr. Dopler, Long John Silver and all the inhabitants of Montressor, and she HATES the crew of the Legacy with a vengeance for trying to get the treasure and for trying to kill Jim and crew. Especially Mr. Scroop for killing Mr. Arrow. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Selene Emperyous: And Hannah Hollow is Lincoln's Guardian Angel from Hollow Bastion and the younger sister of Halinora Hollow, Sailor Soldier of Hollow Bastion, she's a Keyblader and she harbors a very very nasty hatred for Dark Riku, Maleficent and the horrible plan to use the 7 Princesses, Kairi included, to unleash darkness on the worlds and for unleashing the Heartless. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: (WHISTLES) So, we got three Keyblade Knights we're meeting tomorrow, one from Atlantis, one from Treasure Planet, and one from Hollow Bastion. We're in for one awesome rescue tomorrow.

Me: We sure are.

Riku: Wait, if Hannah sees Dark Riku in The Masters of Evil, she will no doubt rip his head off, right?

Max Goof: Lincoln will be ready to restrain her if she gets any desire for revenge on him, Riku.

Lincoln: That's right.

Evil Lyn: Nolan's gone for good.

Tchang Zu: And his partner's in jail.

Doctor Octopus: It's a shame this adventure's over. I would've loved to study this technology some more.

Tala: Maybe during free time.

Nico: Yeah.

Ranamon: (to the Iron Giant) Take care, big guy.

He waved and we left.

Nico: That's it for Sorrento.

Eli: Good riddance. He was total garbage.

Xenia: That was fun!

Nico: Yeah it was! Great job today everyone.

Sunset Shimmer: He messed with Video Games and now he paid for it.

Xenia: He sure did.

Sunset Shimmer: (To the viewers) Never use video games as weapons or else.

Xenia: Yep.

We later gave all of 2045 Columbus a total overhaul and made it an awesome and bigger city and then merged it with our world and later went back home and enjoyed the rest of the day and went to sleep.

And we're also going to meet three Keyblade Knights in the process. The first is Aylene Atlantis, Keyblade Knight of Atlantis from Atlantis The Lost Empire, she's Lincoln's Guardian Angel from Michigan and the defender of Atlantis. She's a Keyblader and she has the power of all the secrets of Atlantis and has the power of the Great Crystal as well as the knowledge and skills of over 10,000 years of Atlantean Secrets, and is good friends with Kida, Milo, Eli, Sweet, Audrey, Mole, Vinny, Cookie, and all the inhabitants of Atlantis, and she HATES both Rourke and Hellstrom with a vengeance for trying to exploit the powers of Atlantis for their own selfish reasons. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Especially Mr. Scroop for killing Mr. Arrow. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

And the third is Hannah Hollow, Keyblade Knight of Hollow Bastion, she's Lincoln's Guardian Angel from Hollow Bastion and the younger sister of Halinora Hollow, Sailor Soldier of Hollow Bastion, she's a Keyblader and she harbors a very very nasty hatred for Dark Riku, Maleficent and the horrible plan to use the 7 Princesses, Kairi included, to unleash darkness on the worlds and for unleashing the Heartless. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Literally cool. Because we're going to watch the Grand Emperor's Tournament and the teams competing were USA 🇺🇸 and Russia 🇷🇺. It was a grand battle.

Nico: This is the first time we're going to see the Tournament like this.

Maria: It sure is.

Cornelia: I'm so excited to see this.

Rarity: Me too darlings.

Lori: It's literally going to be fun.

Anastasia: I can't wait to see the trophy adorned with father's diamonds.

Eli: It's going to be awesome.

Xenia: Yeah it sure will.

Camie: I have a feeling this will be one awesome adventure.

Me: Yep.

Nico: Musa, I want to thank you, Diabolico, and your teams for coming.

Musa: No problem Nico. This will be so fun.

Me: It sure will.

Erina: I'm really excited to see this too.

Lincoln: Me too Erina.

Xenia: Yep.

Nico: Erina, what do you like to do in your free time?

Erina: I like to go to the beach and relax and have fun.

Lincoln: When she is not cooking she likes to go to the beach in her smoking hot purple bikini and sunbath.

Qin: She is awesome in that.

Erina: Thanks guys.

Lola: You're welcome.

Erina: But also I like making my own recipes for cooking.

Xenia: Neat.

Camie: Awesome.

Me: Erina is an amazing cook and she knows a lot about cooking.

Lincoln: She even taught me a bunch of awesome new recipes I knew nothing about.

Lola: They are really awesome.

Nico: Can you say one example?

Erina: Sure. I made Smoked Chicken Tarragon in creamy Smoked Curry Vindaloo Sauce.

Me: (DROOLS) That is one of my favorites.

Nico: (DROOLS) Oh boy that sounds delicious.

Qin: Boy it sure is good.

Laney: Mmm. Smoked Chicken Tarragon in Creamy Smoked Curry Vindaloo Sauce. (DROOLS)

Lola: Boy all her food is awesome.

Nico: Who liked the mission yesterday?

We all raised our hands. Nicole the highest.

Nicole: I loved the mission the best.

Emu: Boy so did I. That was so much fun.

Sunset Shimmer: It sure was.

Qin: That was the most fun we've ever had.

Camie: It sure was cool.

Nico: Don't forget E.T.

Me: I know.

Xenia: That was awesome.

Shanan: It sure was.

Lola: Boy that all brought back so many awesome memories.

Nico: It sure did.

Lana: That was awesome.

We went into the stadium for the tournament.

Nico: Okay, guys, I've got word from Fred that The Frozen Fiend is at a hockey game here in Moscow, and is causing havoc hurting the Russian and U.S.A. hockey teams.

We gasped.

Lincoln: Thank goodness we didn't bring Lynn because of what she did to The Texas Roughnecks a few days ago. But, we still need to stop The Frozen Fiend.

Me: Oh man, I still remember this case all too well. The Frozen Fiend is none other than Russian Figure Skater, Galina Korzhakov.

Cornelia: Wait, I remembered hearing about her, she was a famous figure skater in Russia, but what caused her to go down the wrong path.

Me: She wanted to steal the priceless diamonds covering the Emperor's Cup and she had a special dress made with fake diamonds and was going to switch them out with the real diamonds. But, we stopped her and sent her to prison.

Cornelia: We got to stop her, and then, I'll talk some sense into her and get her to realize that she did some incredibly wrong deeds, and that I viewed Galina as a hero.

Lincoln: And Galina will realize that she was wrong and cry, it's good you'll be taking up that task, Cornelia.

Anna Anyanova: And between us, it's best we don't tell Winter Icyin about this.

Nico: Why not?

Anna Anyanova: Do we need to remind you of what she did in freezing Puppetmon and Cyber Cat for that crack they made about Lincoln, and that icy dark threat she made towards that mischief-making imp, Mr. Mxyzptlk, after we got rid of the Dark Sides of The Cul-De-Sac Kids last year?

We shuddered in fright.

Me: Point taken.

Sabrina Lorelai: We haven't forgotten that if anyone dares to piss Winter off by hurting Lincoln like they did, the poor sap is literally heading right for Hell. Even though Winter is also a figure skater herself, it's best we let Cornelia talk to Galina, and spare her from suffering Winter's wrath.

Me: Good idea.

Nico: Was she your idol before you became a Guardian?

Cornelia: She sure was. She is what inspired me to become a great skater.

Me: Wow! Just like how Mick Swagger inspired and transformed Luna to become a great rock star.

Nico: Yep.

Cornelia: When I heard about what happened to her, I made it one of my missions to get through to her to make her into a better person.

Xenia: Wow! That is truly admirable of you Cornelia.

Camie: It sure is.

Nico: Just like how we did to so many people in the past.

Maria: Galina will make an awesome addition to the Redemption Squad.

Nico: But she won't come quietly.

Lana: Me and Snowdrop will help face her to stop her.

Me: Yeah. This will be fun.

Qin: Yep.

Lincoln: Right. (Senses for The Frozen Fiend) AHA! Gotcha! The Frozen Fiend is 20 yards from our location and it's already chasing Shaggy and Scooby who managed to get The Emperor's Cup away from it, time to set our trap and catch The Frozen Fiend. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. Anna, when we get back, give that fat mutant Hell!

Anna Anyanova: With pleasure.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on The Frozen Fiend.

Nico: Now lets see. Where are you Frozen Fiend?

We saw Shaggy and Scooby with The Emperor's Cup, and The Frozen Fiend was behind them.

Me: Here they come!

Nico: Almost there… !

Shaggy and Scooby got into a safe zone we made.

Me: NOW, LINCOLN, SPRING THE TRAP!

Lincoln formed a wall of ice to keep The Frozen Fiend from trying to attack Shaggy and Scooby. Then, winter music played as the spirits of the famous figure skaters appeared from nowhere, and they all danced around him and they fired waves of ice which hit The Frozen Fiend. Then, the spirits converge and a massive explosion erupted followed by a Phoenix Cry and Thunderbird Screech, and we appear.

Frozen Fiend: (ROARS) GIVE ME THE EMPEROR'S CUP!

Lola: As if! You tried to hurt the Russian and Siberian hockey teams on your rampage, do you think we'll just let you get away with this?!

Lana: Looks like you've left us no choice but to settle this with force.

Suddenly, Lana's blue eyes turned neon blue and she was surrounded by a rainbow energy aura with stars, snow, ice, snowflakes, ice crystals, owls, phoenixes, and angels, she unholstered her massive Khione's Arctic Icestorm Ice Owl Greatsword of Divine Arctic Justice and Arctic Love from her back, and as she approached The Frozen Fiend, she left rainbow energy, stars, snow, ice, snowflakes, ice crystals, owls, phoenixes, and angels with every step.

Lana: There's no way we're letting you leave here with The Emperor's Cup, Frozen Fiend, you beat up the Russian and Siberian hockey teams during their match, and for what, to steal The Emperor's Cup. This is just like with The Texas Roughnecks who stole The Golden Puck, and you should be lucky we didn't bring Lynn because once we take her off her leash, you'd be dead meat. But, you're still going to pay for what you did, you frozen ghoul.

Suddenly, Lana was surrounded by a massive vortex of rainbow energy with stars, snow, snowflakes, and ice crystals surrounding the vortex, there are owls, phoenixes, and angels flying around the vortex, and in the vortex is a marine blue phoenix with red eyes glaring at The Frozen Fiend: the red eyes of death.

Suddenly, The Unity Crystals on my Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Khione's Arctic Icestorm Ice Owl Greatsword of Divine Arctic Justice and Arctic Love, and then, it glowed, and then surrounding the massive vortex of rainbow energy with stars, snow, snowflakes, and ice crystals surrounding the vortex, there are owls, phoenixes, and angels flying around the vortex, and in the vortex is a marine blue phoenix with red eyes glaring at The Frozen Fiend: the red eyes of death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF LANA AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOUR TIME'S FINALLY UP, FROZEN FIEND!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LANA! THEN, AS SOON AS THE VORTEX FADED, LANA EMERGED FOREVER CHANGED!

Suddenly, Snowdrop's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Snowdrop has transformed into SUPER ANGEL-WOLF MOON WINTER NIGHT ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC WINTER NIGHT WOLF MOON ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC WINTER NIGHT WOLF MOON ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC WINTER NIGHT WOLF MOON ALICORN PRINCESS ANGEL LOVE!

We were amazed by Snowdrop's Super Angel-Wolf Moon Winter Night Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when The Frozen Fiend saw it, he fell into a rage and was about to attack her, but Snowdrop fired a massive barrage of white and dark blue energy, stars, snow, ice, moonlight, magic, and Alicorns at The Frozen Fiend, and they all exploded as they hit him, he got back up, but now, he was enraged.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Snowdrop's transformed into her Super Angel-Wolf Moon Winter Night Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, now let's make The Frozen Fiend feel the full fury of The Wolf Moon and the powers of ice.

Snowdrop: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Winter Night Wolf Moon Princess Angel and Divine United Friendship Divine Cosmic Starstorm Winter Night Wolf Moon Princess Angel Love) You said it, big brother.

Camie: Aw, now, that's really cute.

Princess Luna: I've asked Lincoln to babysit Snowdrop and the other Children of the Night, and he is really is an amazing babysitter.

Laney: He's really great with kids, and his experience with his newborn infants and own kids has really prepared him for anything.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Snowdrop and Lana, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's over, Frozen Fiend, it's time we brought your hockey career to an end

Lincoln, Snowdrop, and Lana went after The Frozen Fiend, and they fired extremely powerful blasts of rainbow energy, white, light blue, and dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Frozen Fiend and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold armored claws and firing energy slashes from his gold armored claws and he, Lana, and Snowdrop attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving The Frozen Fiend mad.

He threw an icicle at us, but Lincoln fired a rainbow fire blast and melted it. Nico used Pyro's powers on her. And melted some of the ice.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Blows on Whistle) Hey, you! (Holds out Red Card) That's assault! You're heading for The Penalty Box!

Nico: You heard the ref!

Lincoln fired ice lightning at The Frozen Fiend and he was sent flying and crashed into The Penalty Box and he fell down dazed. Then, Lincoln used one of his massive and long white wolf tails to tie up The Frozen Fiend and brought him to us.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's all over for you, Frozen Fiend, or should we say…

Lincoln removes the mask.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Galina Korzhakov.

Velma: I should've known. Luckily, J.D.'s past knowledge of the case helped out greatly, and the trap you sprung on her was genius, Lincoln.

Cornelia: Galina, why would you even do something like this?

Galina Korzhakov: (Russian Accent) All I wanted was the priceless diamonds covering the Emperor's Cup, and I framed Brett Hull so the Fiend wouldn't tarnish Russia's reputation.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Greed and ambition, those two are literally a deadly and toxic combination.

Nico: Those who have big ambitions and dreams in life who wind up getting consumed by greed wind up heading down a dark road, and for some, it means no return.

Me: And a permanent fall into darkness.

Anastasia: Galina, Those diamonds belonged to my father.

Galina Korzhakov: But that's impossible. Anastasia died over 107 years ago.

Anastasia: That's true. But I'm back thanks to Lori.

Lori: It's literally a long story.

Cornelia: Galina, you have to understand that what you are doing is wrong on so many levels. When I was little, I viewed you as my hero, you were the top figure skating champion in Russia, and I strove to follow your example. I worked hard and practiced every day for years, that's what made me who I am. But, your greed and ambitions led you down a very dark path, and you need to understand your deeds have consequences, do you really want the consequences of your greed and ambitions to weigh heavily on your conscience? You don't, this is your opportunity to give yourself a second chance, and you can start right here and now.

Suddenly, Cornelia's words hit Galina like a blade piercing her heart, and she realized that she was wrong and she broke down and cried with Cornelia comforting her.

Nico: Nice work, Cornelia. You helped her get a second chance.

Anna Anyanova: Nicole always knew her sister's words can pierce even a heart so cold. Now, Galina will get a second chance.

Cornelia: So, what do you say? Wanna come along quietly?

Galina Korzhakov: Yes I will. I'm so sorry for everything.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) She can get some community service, but she did injure the players and frame Brett Hull, which means, this'll lead to serious jail time.

Nico: We'll talk with the judge to work something out for her, Lincoln.

We all cheered as Lincoln, Snowdrop, and Lana holstered their massive greatswords on their backs and powered down and Snowdrop's new body, clothes, weapons, jewelry, Third Eye, longer white and light blue-streaked tail, longer light blue horn, and massive light blue angel wings are permanent, and Lana's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Suddenly, Lana and Snowdrop were a little dizzy and were about to pass out until Lincoln caught them in his arms.

Lana: Oh man, I feel dizzy.

Snowdrop: Same here.

Me: Now, you know how we felt. But, that was so awesome, you guys really did awesome!

Nico: You got that right, and that was some smart thinking pulling the ref move on The Frozen Fiend, Lincoln.

Luan: And Lana was right, we didn't bring Lynn with us for this one. Galina's no criminal, she got a bit caught up by her ambitions and greed, and I hope everyone's doing their best to keep Lynn on a leash again!

Anna Anyanova: Along with Winter, you know how scary Winter gets!

Lincoln: Along with Lynn!

Me: Yipe. Let's hurry and find the diamonds and put them back in The Emperor's Cup, take care of The Anothers, and head back home before Lynn and Winter break loose.

We found the diamonds in a Russian Nesting Doll and we put them back in The Emperor's Cup.

Anastasia: My father's diamonds are back safe.

Xenia: Thank goodness.

Lori: Those are literally beautiful diamonds.

Xenia: They sure are.

Nico: Now, no one will steal them ever again.

Maria: Wishful thinking.

Nico: Yeah.

Me: You see guys those diamonds are a very important part of Russia's history. For over 110 years they have been a massive piece of history that dates back to the 1913 Tricentennial Anniversary of the Romanov Dynasty.

Anastasia: That's right. I remember my father made those diamonds. He was going to give them to me for my 18th birthday. But fate had different plans.

Lori: Yeah because of Rasputin.

Nico: At least the asshole's dealt with.

Me: Yep. Thank goodness.

Anastasia: And my family has been avenged.

Xenia: That is for sure.

Velma: Yeah that was so amazing though.

Nico: I think I have just the perfect form of community service for Galina.

Me: Really?

Nico: Yep. Teach people how to ice skate.

Xenia: That's brilliant.

Lola: They will love that.

Xenia: They sure will.

Cornelia: I would love that too. Skating with my hero is going to be fun.

Galina Korzhakov: It will be and thank you for not sending me back to prison.

Me: It's our pleasure Galina.

Nico: Now, you just need to wait for Lynn and Winter to calm down

Lincoln: Don't worry Nico. I told them and they calmed down.

Nico: Good. Now for our business.

Qin: Yep. The Anothers.

Eli: And Nico is going to be eating all these Anothers. We have Hungry Burger, Angus Beef, Jalapeño Cheddar, Sirloin, Tri-Tip, Porterhouse, Rib-Eye, Ghost Pepper Death, Pork, Chicken, Crab, Wagyu, Kobe, Italian, Smoked and Steak, Evil Cloud Man and Diabolico.

We gasped!

Diabolico: Those are villains that are called the The Hungry Burger Brigade. They are all Burger Villains.

Me: And they are named after various kinds of meats.

Erina: All meats commonly and rarely used as burgers.

Me: Some of them are incredibly expensive. But thinking about those burgers is… (DROOLS) Making my mouth salivate.

Nico: (DROOLS) Mine too. I'm going to eat all those burgers.

Eli: The Anothers Minus Diabolico are all one person.

Nico: This will be interesting.

Maria: Who do we call?

Me: Believe it or not only one person this time. Camille Bergeron.

Nico: Our Cajun Master VS 16 Burgers.

Lola: Spiciness VS Burgers of Doom.

We laughed!

Qin: (LAUGHS) Hey I like that. That's good.

Me: More like Scovillain VS Hungry Burgers.

Nico: Good good.

Maria called her in and in a ginormous pepper plant out of a bunch of fiery explosions from the Peppers came Camille Bergeron!

Camille Bergeron: (Cajun Accent) Ooowee! Here and ready for action.

Nico: You're facing them all. But let me eat them after that!

Camille Bergeron: Ooowee! Love me some good spicy burger fighting fun.

Me: That's the spirit.

Nico: And here they come!

Out came Another Hungry Burger, Angus Beef, Jalapeño Cheddar, Sirloin, Tri-Tip, Porterhouse, Rib-Eye, Ghost Pepper Death, Pork, Chicken, Crab, Wagyu, Kobe, Italian, Smoked and Steak and Evil Cloud Man!

Me: WHOA!

Nico: (DROOLS) (SLURP) Those all look so tasty.

Xenia: They sure do.

Another Hungry Burger: (In a girls voice) This will be good though.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with gold hair, golden eyes and had golden angel wings and had gold clothes and she had a tiara that had the Money Dopant Symbol on it and it was on her skirt too and she had a golden sword and a golden gun.

Me: (GASP) Melanie Money!

Nico: WHOA!

Melanie Money: Awesome to see you again J.D.

Me: Same here. Melanie is the embodiment for the Money Dopant. She has money powers and has been giving money to all of the homeless over the years.

Nico: WHOA! That is super charitable.

Melanie Money: It sure is. I also helped J.D. give houses to a massive number of homeless camps in Montana and in Wyoming. I travel all over the world and help people in need.

Nico: That is very charitable and philanthropic.

Melanie Money: It sure is and when you have money powers like mine you tend to have an infinite amount of money than you know what to do with.

Philip: Boy that is amazing that you can do that!

Shotaro: Have robbers and thieves come after you?

Melanie Money: Countless times. And they even tried to kill me. But I would always fight back.

Me: Good thing too. By the way is the Another Diabolico friendly or hostile?

Melanie Money: Friendly and she is an amazing one.

Me: Wow.

Nico: Sorry about this. But I'm really hungry right now.

Melanie Money: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers!

Erina: Oh yeah!

Erina fired a wave of energy and blasted Another Cloud Man and I caught the Wonder Ride Book. Camille fired waves of fire and blasted the burgers.

Nico: FEEDING FRENZY!

Nico ran and ATE ALL THE BURGERS! He ate them all.

Nico: Ahh. (LOUD BELCH!)

He belched up the Wonder Ride Books and I caught them.

Me: Ew.

Nico patted his belly,

Me: Boy someone is really full.

Qin: No kidding.

Xenia: Yeah.

Nico: That was so good.

We laughed.

Me: Someone was really hungry.

Lola: Yep.

Musa: Now for the Another Diabolico.

Nico burped.

Nico: Oh pardon me.

May: No worries.

Me: There's the Another Diabolico.

We saw a figure come out and it was ANOTHER DIABOLICO!

Qin: WHOA!

Me: This will be good.

Another Diabolico: (In a girls voice) Looks like the fun started without me.

Me: (GASP) That voice.

She reverted back and it was a girl with brown hair and had bat wings and had purple eyes and she had purple clothes.

Me: (GASP) Mamba Vypra!

Diabolico: Lady Mamba. Good to see you again.

Mamba Vypra: You too Diabolico. Its been a long time. I heard that my sister and Loki are now part of the M.O.E.

Diabolico: They sure are.

Me: Awesome to see you again Mamba. Also guys, Mamba is Diabolico's friend as well as Vypra's sister.

They gasped!

Nico: VYPRA'S SECOND SISTER!?

May: WHOA!

Luan: That is amazing!

Mamba Vypra: I heard you guys met Praxina a while back and Vypra and her went at each other's throats.

Me: Yeah we sure did. I didn't even know she had a terrible history with her back then.

Nico: Me neither.

Mamba Vypra: Yeah.

Kaito: (Gets out Hurricanger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Kaito got a Ninja Storm Sword and Zocks got a Wild Force Sword.

Mamba Vypra: No he didn't. I teleported out of there before he could say anything.

Me: Ooh crafty.

Qin: Yeah.

Me: Sorry we have to fight like this.

Mamba Vypra: No worries.

She turned into Another Diabolico!

Sougo: (gets out Ninja Storm Ridewatch) You should be very proud of Vypra.

Geiz: (gets out Wild Force Ridewatch) She's a very good leader.

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor

Luan: And she is an awesome archenemy.

Another Diabolico: I already am proud of her and Luan you are doing an amazing job as her archenemy.

Luan: Thanks. She is an amazing swordmaster too.

Another Diabolico: Runs in the family.

Qin: It sure does.

Nico: (Groans) J.D. I'm too full to move. Can you do this for me?

Me: Sure thing. Time for dark clouds. (ACTIVATES DIABOLICO AND EVIL CLOUD MAN'S RIDEWATCHES)

I fired waves of energy and smashed her down.

May: Watch this one. (ACTIVATES GLUTTONY AND MAD STEAMHORN'S RIDEWATCHES)

She fired energy and smashed her down.

Maria: And this! (ACTIVATES PARASITE AND KING OF FLAN'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: I have a sudden craving for flan now.

Erina: I'll cook some for you when we get home. (ACTIVATES EVIL CLOUD MAN'S RIDEWATCH)

She fired a blast of lightning and smashed her down.

Then KGBeast, Muggshot, Sonoza, Gamma Metroid, Astral Drop Will and Spike came.

Me: Nice team KGBeast.

KGBeast: (Russian Accent) Thanks comrades and Comradess Galina it's good you renounced your criminal ways.

Galina Korzhakov: Thanks Comrade Anatoli.

Qin: Awesome.

?: WOOHOO! SURF'S UP DUDES!

Then we saw a huge wave of water flow in and then riding on it was a Palafin!

Me: Cool! A Palafin!

Xenia: Neat!

She then got a surfboard out and got on it and reverted back and it was a girl with aqua blue hair and had blue eyes and blue clothes from Hawaii!

Nico: Calypso Kapalua! Wow!

Qin: Kahunaess Calypso! Awesome!

Calypso Kapalua: Awesome to see you guys! I got this!

She fired a wave of water and blasted down Another Diabolico and I caught the ridewatch and purified it and I brought Mamba over.

Me: RADICAL!

Xenia: YEAH!

She stopped in front of us and was holding her Surfboard.

Me: Awesome!

Calypso Kapalua: That was some grand surfing.

Erina: What's your favorite memory of Nico?

Calypso Kapalua: When me and Nico went to Maui and we surfed on the largest ever wave there and a bunch of mermaids from the dark side came and tried to kill us and we killed them. Then me and Nico won the Big Kahuha of Hawaii.

Lincoln: That is awesome!

Me: Cowabunga dudes!

Lola: Yeah!

Nico: Yep.

Nico and Calypso hugged.

Nico: I've missed you.

Calypso Kapalua: Same here dude.

We later went back home.

Suddenly, Rourke's eyes turned yellow and he was covered in black smoke: he was transforming into a Heartless, but this one is based on his crystal form. Then, Lincoln threw the Fire Dagger I got for him for his birthday, but he also infused it with Black Gates Energy and he threw it and it pierced his heart, and he literally exploded, and he was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: You're through harming Atlantis, Rourke. (To Aylene Atlantis, Talia Hawkins, and Hannah Hollow) And it's so good to see you again, Aylene Atlantis, Talia Hawkins, and Hannah Hollow.

Aylene Atlantis, Talia Hawkins, and Hannah Hollow: You too, Linky.

Lincoln made two clones of himself and went up to Aylene Atlantis, Talia Hawkins, and Hannah Hollow and they hugged them, and Aylene Atlantis, Talia Hawkins, and Hannah Hollow are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Aylene Atlantis: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness.

Talia Hawkins: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass.

Hannah Hollow: No kidding, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are

really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D., the first girl is Aylene Atlantis, Keyblade Knight of Atlantis, she's my Guardian Angel from Michigan and the defender of Atlantis. She's a Keyblader and she has the power of all the secrets of Atlantis and has the power of the Great Crystal as well as the knowledge and skills of over 10,000 years of Atlantean Secrets, and is good friends with Kida, Milo, Eli, Sweet, Audrey, Mole, Vinny, Cookie, and all the inhabitants of Atlantis, and she HATES both Rourke and Hellstrom with a vengeance for trying to exploit the powers of Atlantis for their own selfish reasons. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Carolina Keyblada: The second girl is Talia Hawkins, Keyblade Knight of Treasure Planet from the 2002 movie Treasure Planet, she's Lincoln's Guardian Angel from Michigan and the defender of the planet Montressor and Treasure Planet. She's a Keyblader and she has the power of all the worlds of Treasure Planet and is the seeker of Flint's Trove as well as the knowledge and skills of over 1,000 Worlds of planets that Flint went to get the treasure for Treasure Planet, and is good friends with Jim Hawkins, Eli, Captain Amelia, Dr. Dopler, Long John Silver and all the inhabitants of Montressor, and she HATES the crew of the Legacy with a vengeance for trying to get the treasure and for trying to kill Jim and crew. Especially Mr. Scroop for killing Mr. Arrow. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Emily Monroe: And the third girl is Hannah Hollow, Keyblade Knight of Hollow Bastion, she's Lincoln's Guardian Angel from Hollow Bastion and the younger sister of Halinora Hollow, Sailor Soldier of Hollow Bastion, she's a Keyblader and she harbors a very very nasty hatred for Dark Riku, Maleficent and the horrible plan to use the 7 Princesses, Kairi included, to unleash darkness on the worlds and for unleashing the Heartless. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa!

Max Goof: And Hannah, don't get pissed off, but we now have Dark Riku in The Masters of Evil, and as much as you want to kill him, we did get rid of Maleficent and all of the Disney Villains except for Pete and a few Disney Villains who have honor.

Hannah Hollow: I wish you'd told me that earlier.

Lincoln: Don't tell me you clobbered Dark Riku earlier in Montana, right?

Aylene Atlantis: We had to explain the whole thing to Vypra, and keep Hannah from trying to kill him.

Talia Hawkins: It was ugly.

Goofy: Gawrsh, I hope it wasn't too severe.

Sora: I hope not too.

Lincoln: Same here, and now that you three are here.

Lincoln went up to and hugged Aylene Atlantis in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aylene Atlantis: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Aylene Atlantis, Talia Hawkins, and Hannah Hollow with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Hannah Hollow: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aylene Atlantis, Talia Hawkins, and Hannah Hollow.

Aylene Atlantis, Talia Hawkins, and Hannah Hollow had a smile on their faces and tears in their eyes and they jumped Lincoln and they proceeded to kiss him on his face, lips, and massive muscled body, and he also returned the kisses, and we cheered for them, then we went up to the three girls, and when Lincoln saw them, he immediately recognized them immediately. The three girls are Ayako Midorikawa, Misuzu Aoyama, and Saeko Kuroki from OL - Modae Naku -

Lincoln: Oh wow, it's Ayako Midorikawa, Misuzu Aoyama, and Saeko Kuroki from OL - Modae Naku -

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayako Midorikawa: Yes, we're okay, thanks to you.

Then, when Ayako Midorikawa and the other two girls saw who it was that saved them from Rourke, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil,

Ayako Midorikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln

and his clones, and we cheered wildly at the scene.

Ayako Midorikawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayako Midorikawa, Misuzu Aoyama, and Saeko Kuroki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with five Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was our old enemy, Rourke, who came back for revenge.

But, when Lincoln showed what we all did in beating him down, and when Rourke turned into a Heartless that's similar to his crystal form, Lincoln threw the Fire Elemental Dagger I got him for his birthday which pierced his heart and killed him and sent him to The Black Gates, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln, Aylene Atlantis, Talia Hawkins, and Hannah Hollow have a lot of catching up to do, now that they're back in town.

Maria: That's the absolute last time Rourke dares to show his face again!

Lincoln: After what he's done, he deserves to be forgotten forever.

Me: You got that right.

Nico: That bastard deserves to be forgotten after what he tried to do.

After finally destroying Rourke once and for all and sending him to The Black Gates forever, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aylene Atlantis, Talia Hawkins, and Hannah Hollow saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aylene Atlantis: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Talia Hawkins: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Hannah Hollow: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Aylene Atlantis: That's incredible, and we'd already known just how

strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Hannah Hollow: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Aylene, Talia, Hannah, what memories did you have with Lincoln?

Aylene Atlantis: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln, Talia, Hannah, and I along with the rest of his Guardian Angels went to Lake Huron for an awesome day of fun in the sun and sand, but then, we caught the stench of sewage in the air, and we knew only person who could smell like raw sewage: Chandler, and he was still out for Lincoln's blood, and he also brought those two assholes, Artie and Trent, with him. We had enough of those asshole, so Lincoln fired blasts of water at Chandler, Artie, and Trent, and put them in water prisons, then, we called the cops.

Talia Hawkins: The cops came and arrested those three after we gave our statements to the cops and we made sure to press charges on them.

Hannah Hollow: Leni, Luna, Laney, Lucy, Lana, Lily, and Mr. and Mrs. Loud were really enraged that Chandler tried to kill Lincoln again, but we noticed the absence of Lori, Lynn, Lola, Lisa, and Luan, we did some snooping in Lori's room and found out through cellphone texts that Chandler wasn't alone in this, and we found out the real masterminds behind it were that Alpha Bitch Control Freak, Lori, that superstitious aggressive farting four-legged monstrosity, Lynn, that sociopathic raging pageant demon, Lola, that cold-hearted mad scientist, Lisa, and that homicidal deranged prankster, Luan. We were so pissed off at them, and we did the one thing all of us knew was bad: we let Winter Icyin off her leash and she went on the rampage on those five, and she came back with Lori, Lynn, Lola, Lisa, and Luan tied up and beaten up and frozen in a block of ice.

Hannah Hollow showed the picture of Lori, Lynn, Lola, Lisa, and Luan beaten and tied up and frozen in a block of ice.

Eli: HOLY FISHPASTE!

Nico: Jeez, is that really the worst of Winter's wrath?!

Lincoln: Usually, her wrath is more tamed but still just as cold and dark, but when we let her off her leash, she goes on a rampage and this is the result of it.

Me: (GULPS) So, that's why I saw formations of ice that day!

Luna: Yep.

We got a shower, and then, Lincoln, Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Adamancipator Researcher: Wow, so this is Gelato Beach, it sure is awesome.

Lincoln: It sure is, Adamancipator Researcher, and it's perfect for our date. Shall we?

Lincoln, Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki and they hugged them in their abnormally massive and powerful muscular arms, and Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki are in your harem.

Livewire: I knew my DC Superhero Girls counterpart would join Lincoln's harem sooner or later.

Lincoln: And you were the one who planned that get-together with her with that date at Metropolis, Leslie.

Volcana: With you, Leslie, and her DC Superhero Girls counterpart. (Snickers) You had black and red lipstick marks all over you, it looked like you got covered in kissy tattoos.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Leslie Willis A.K.A. Livewire (DC Superhero Girls 2019), Adamancipator Researcher, and Amanokujaki, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure

vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

?: HHHHHHEEEEEEEELLLLLLLLPPPPPPPPPP!

Suddenly, Hiroshi Ohira saw a girl with crimson red hair, crimson red eyes, crimson red clothes, and she was getting attacked by Flip's musclebound thugs.

Hiroshi Ohira: Oh, you bastards!

Hiroshi Ohira flew out after Flip's musclebound thugs, and he fired blasts of fire and lava at them and it forced them to get away from the girl.

Hiroshi Ohira: Oh, that's it, you bastards. If you think you can attack an innocent girl on the orders of that fat mutant, Flip, you're heading right for Hell!

Hiroshi Ohira unholstered his massive Hiroshi Ohira's Destructive Inferno Firestorm Phoenix Firebird Angel Greatsword of Destructive Inferno Fire Phoenix Firebird Angel Vengeance and Justice and transformed into Super Angel-Firestorm Firebird-Phoenix-Harmony United Friendship Destructive Firestorm Firebird Retribution Firestorm Inferno Phoenix Angel of Divine Cosmic Destructive Firestorm Firebird Retribution Firestorm Inferno Phoenix Angel Justice and Divine Cosmic Destructive Firestorm Firebird Retribution Firestorm Inferno Phoenix Angel Rage, and he ran at Flip's musclebound thugs and he fired powerful blasts of crimson red and orange energy, stars, superhot flames, fires, lava, dragons, phoenixes, and angels at them, and they exploded with fiery incredible power.

The musclebound thugs got so angry, and they ran at Hiroshi Ohira, but he grabbed one of them, and he sucked out his massive muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more and his massive black angel wings with crimson red and orange tips spread out and glow. Then, he did the same to the other thugs, and when he was done, all of the thugs were literally thin as rakes and he fired waves of fire and lava which incinerated them and he sent them to The Black Gates. Hiroshi holstered his massive greatsword on his back and powered down.

Hiroshi Ohira: Hey, are you okay?

Red-Haired Girl: Yeah, I'm good.

Then, when the girl looked up, she saw who it was that saved her.

Red-Haired Girl: Hiroshi Ohira?!

Hiroshi Ohira: Wait, how do you know who I am?

Red-Haired Girl: It's me, Rachel Kurayami.

Hiroshi Ohira: Oh, no way. Rachel Kurayami?! I almost didn't recognize you!

We also joined up with Hiroshi Ohira.

Riley Kurayami: (Japanese Accent) Sister?

Rachel Kurayami: Riley.

Lincoln: Wait a second, Rachel "Dragon Queen" Kurayami?!

Me: You know her, Lincoln?

Lincoln: Yeah, I do, Rachel Kurayami is Riley's older sister from Japan, and she's fiery and deadly to bullies and cheating gold-digging girls who think they can get away with whatever they want.

Rachel Kurayami: And the reason why I have the nickname "Dragon Queen" is because of this.

Suddenly, Rachel Kurayami revealed that she has massive red dragon wings and a red dragon's tail.

Nico: Whoa.

Hiroshi Ohira: I saw her many times in High School in New York, but I never knew about that.

Rachel Kurayami: I kept it hidden. And I heard from Yodobashi and Mika of Terumi, I knew she and Misaki were a bunch of gold-digging roaches, and I knew of all the other times you've had rotten luck with your other wives, I wanted to tell you my feelings, but you got together with Terumi.

Hiroshi Ohira: I divorced Terumi two days ago, Rachel, and I became single once again.

Rachel Kurayami: Still, it's unfair that you had to go through Hell like that, and I didn't want you to go through that sort of Hell: getting cheated on by unfaithful gold-digging roaches.

Suddenly, Rachel Kurayami went up to Hiroshi Ohira and hugged him, and then, she kissed him hard on the lips as his eyes went wide and alarm bells rang in his head, but then, he returned the kiss as he wrapped his arms around her waist, and suddenly, we saw his eleven massive and long phoenix tails burst into flames and they transform into eleven massive and long black wolf tails with crimson red tips and crimson red markings.

Riley Kurayami: (Japanese Accent) This is definitely one relationship that'll definitely bloom into true love.

Hiroshi Ohira: We're going to take it slow, Riley.

Rachel Kurayami: Yeah, besides, you've got to worry about your future wedding with your big hunk of a man.

Riley Kurayami: (Face red with embarrassment) Rachel.

Hiroshi Ohira: Now, that's one thing I never forgot: Rachel harmlessly teased Riley about her feelings for Lincoln, and she predicted one day they'd get married. Though it always ended with a pillow fight between them in their room, and that was all before Rachel and Riley moved to Royal Woods.

Riley Kurayami: (Japanese Accent) Yep, and now, we're together once again.

We headed back to the World Tree Estate, and helped Rachel Kurayami settle in and she was going to be rooming with Hiroshi since they're now a couple.

Later Nico was back in shape and we were in the Simulator getting ready for an awesome Super Mario Galaxy adventure.

Nico: Now that I'm back in shape, next galaxy is Bowser's Dark Matter Plant Galaxy.

Me: Awesome! You definitely know that I will be going with you on that one.

Xenia: Go for it.

Nico: All right. Anyone else?

Tyler Bowman: Me, Shope, Roach and Kevin will go.

Nico: Supernoobs it is.

Xenia: Awesome.

Beast Boy: Me and Tara will go as well.

Me: Awesome.

Nico: Lets go.

We went into the Simulator.

Xenia: Here we go.

Nicole activated it and we were at Bowser's Dark Matter Plant.

Beast Boy: Here we are.

Tara: Wow what a crazy place.

Me: It sure is.

Nico: Any tips Nicole?

Nicole: (On the Radio) You only have to get to that circle over there.

We saw the circle arena.

Me: Easy.

Tyler: This will be good.

Beast Boy: Yep.

?: Let me help with this too.

We saw a Revavroom.

Me: Cool a Revavroom!

Nico: Neat.

Revavroom: (In a girls voice) Looks like this will be fun.

Nico: Danica Jordan!? Wow!

Revavroom: Awesome to see you again Nico.

Nico: Don't revert back till this is done.

Revavroom: Right.

Nico: Lets go.

We flew off to the arena to face Bowser.

We arrived and then BOWSER CAME!

Bowser: Glad you could make it. Jr. told me about the school of drugs. That was honestly messed up.

Me: Boy that REALLY was messed up!

Nico: No kidding.

Tyler Bowman: News sure spread here didn't it.

Bowser: It sure did.

Beast Boy: You know we still gotta kick your butt, right?

Bowser: Look at it this way. At least you get to see some fireworks from up close!

Tara: Bring it on!

Bowser fired fireball blasts at us and I fired waves of fire and blasted them and the blasts hit Bowser all over.

Beast Boy turned into a TYRANNOSAURUS and bit Bowser on his butt!

Tara then fired a blast of fire and burned Bowser!

Beast Boy: You know what, Bowser? Congratulations. You finally managed to force me to use a form I never thought I would use again.

He turned into HIS BEAST FORM!

He then went bonkers on Bowser and bashed and smashed him all over!

Nico: OH YEAH!

Me: This will be awesome.

Nico: (gets out Diabolico and Major Disaster's Ridewatches) Save some for me!

Nico activated them and fired waves of energy and blasted Bowser all over.

Nico: OH YEAH!

The Supernoobs blasted Bowser all over and Revavroom fired an energy blast and blasted Bowser.

Nico: Now for an awesome combo.

Beast Boy: Me and Tara will do that!

Me: Go for it!

Beast Boy and Tara: VOLCANIC SCATH FIRESTORM!

They fired a blast of fire and energy and the blasts all hit Bowser and he was knocked down!

Nico: YEAH!

Beast Boy: Had enough?

Bowser got up.

Bowser: Yes I have. But for now this was only round 2. The final round is around the corner.

He teleported away and then a Grand Star Appeared!

Me: There's the Grand Star!

Nico: Cool!

Beast Boy: Me and Tara got it.

They went and got it.

YOU GOT A GRAND STAR!

Nico: OH YEAH!

Revavroom reverted back and she was a girl with black hair and had blue eyes and grey clothes.

Danica Jordan: That was so fun!

Nico: It sure was!

We all high five!

Kevin Reynolds: What's your favorite memory of Nico?

Danica Jordan: When me and Nico were in a dragrace and Nico plowed through a bunch of cars with Queen Bee girls in them and smashed every bone in their bodies.

Nico: That was funny and cool.

Me: Awesome.

Nico and Danica hugged.

Nico: I've missed you.

Danica Jordan: Same here.

We left the simulator and everyone cheered wildly.

Later we saw the mascots getting ready to go out.

Daffy Duck: What's going on there?

Poromon: We got word that followers of Peter Griffin's cult are out and about so we're heading out to reeducate them with a little unbrainwashing.

Me: That's not even a real word but Brian told me all about that. That testicle-chinned buttfucker made a really stupid cult.

Nico: We'll go with you guys.

Poromon: Thanks.

Maria: Wait. What's this cult called again?

Brian: It's not really a cult it's a church. It's called the First United Church of the Fonz.

Nico: That's a weird name.

Xenia: Yep.

Lola: Peter didn't know ANYTHING about religion.

Xenia: No he sure didn't.

Me: Lets go find us some Fonz members.

We went to find them.

Fluttershy: How did this get started?

Stewie: It all started when the fat man's father came for a visit.

Brian: Yeah.

Brian told us about it.

---

Peter's devout Catholic father, Francis, visits Quahog. Upon arrival, he insists that Stewie be baptized as a Catholic. After visiting a church with Peter and Stewie, Francis is informed that the holy water is tainted and he will have to wait. Francis is in disbelief, and baptizes Stewie himself. Stewie soon becomes unwell and is informed that he must be quarantined and kept in a germ-free environment by a doctor for the time being until his immune system's strength recovers at the end of the episode. Then Lois discovers that Francis coaxed Peter into having Stewie baptized without her knowledge, and tells Peter to choose his own religious beliefs and not allow himself to be a slave to his father's religion. Peter initially converts to Mormonism to take advantage of polygamy, but then discovers that Mormons cannot drink alcohol. He then tries Jehovah's Witnesses and attempts door-to-door preaching. However, when he finds someone who is actually interested in hearing what he has to say, he realizes he has no idea what to teach them. As a last resort, Peter tries Hinduism but gets himself kicked out after tackling the guru to the floor, believing the red dot on his head to be a laser spot from a sniper rifle. Unable to find a religion suited to him, Peter decides to create his own religion, based on Happy Days, calling his newly founded church the "First United Church of the Fonz".

To the Griffins' (mainly Lois') surprise, many people turn up for the first worship service, much to the annoyance of Brian, who dislikes the idea that Peter is a religious leader. In order to stop Peter from continuing his new religion, Brian joins forces with Francis to find a way to deter people from worshiping the Fonz. Three actors - serving as representatives from other religions - show up to the services of the Church of the Fonz. The first, Sherman Hemsley, informs people that he has formed the Church of George Jefferson (from All in the Family and The Jeffersons) and a good portion of the congregation leaves with him. The second person is Gavin MacLeod, who claims to have created the Church of Captain Stubing (from The Love Boat) and another chunk of the congregation leaves with him. The third person is Kirk Cameron and Peter assumes that Cameron is there to announce the formation of the Church of Mike Seaver (Cameron's character on Growing Pains), but Cameron says he's there to convert people to Christianity and the remainder of the congregation leaves with him. Back at home, Lois comforts Peter, who is upset at the failure of his

Church, by telling him that the values he was preaching were noble, and if he inspired even one person to embrace them, it was worthwhile, but Peter highly doubts it and converts back to Christianity. The scene shifts to Francis, who is looking at a picture of the Fonz. He puts it down on a table, gets on his knees as if to pray, and claps to the beat of "Rock Around the Clock" as the episode ends.

---

When itt was done we were shocked!

Qin: What an idiot!

Lola: Yeah! Peter does not know anything about religion.

Runabout: You can't just make up a religion!

Me: No you can't!

Qin: Yeah!

Nico: Yeah we find those Fonz members and get them back on track.

We went and found them all over thanks to Lisa's new brainwashing detection goggles that she invented and Poromon fired the ray and they reverted back to Christianity and their religions they were part of before.

Nico: Awesome!

Me: Nice job Lisa.

Maria: Are you all alright?

Man: I think so. I need to get back to my old church.

Me: Okay.

He went and did so.

Camie: Who is Fonz?

Me: Oh he was a character that Henry Winkler played as on Happy Days back almost 50 years ago.

Camie: Whoa!

Nico: That was a long time ago.

Lola: Yeah.

Nico: You're kidding me! The whole Fonz religion is based on Happy Days?!

Me: Looks like it!

Nico: That is absolute fucking nonsense!

Xenia: No kidding there!

Nico: Of all the ridiculous fucking idiotic.

Stewie: I was in a ball the whole first time.

Nico: You were?

Brian: He sure was. He was in one of those big plastic balls like what Geo was in.

Lincoln: Our pet hamster? Wow.

Nico: Yeah.

Stewie: I know. Crazy huh?

Me: Yep.

We found more Fonz people and unbrainwashed them.

Nico: You okay?

Woman: Yeah. Don't remember anything about what Fonz was.

Me: Good.

Lana: Yeah.

?: Boy that stupid Peter brainwashed people with a stupid religion huh?

We saw a Cyclizar.

Me: Cool a Cyclizar!

Nico: Nice.

She reverted back and was a girl with brown hair and had brown clothes and a black vest.

Nico: Charlene Davidson!? Whoa!

Charlene Davidson: Awesome to see you again Nico.

Blur: What's your favorite memory of Nico?

Charlene Davidson: When me and Nico found a bunch of antique motorcycles in the junkyard and we made them good as new.

Nico: We sold them at a collectors auction and Charlene and family got lots of awesome money.

Me: That's amazing.

Nico: Yep.

Nico and Charlene hugged.

Nico: I've missed you.

Charlene Davidson: Same here.

RD Lincoln: Although we have nothing against Happy Days

Me: I don't either.

Qin: Yeah.

Nico: I don't either. Dad said it was his favorite show growing up.

Camie: That is cool.

Lola: Yeah.

Then the previous group came.

King Shark: Can me, Vulkanus, Brass Knuckles, 2016 Morbucks, Beast Man, Evil Lyn, Tchang Zu, Doctor Octopus, Tala, and Ranamon go with you guys?

Nico: Yes you all can come with.

Eli: This will be fun and cool.

Me: Yeah it sure will.

Merrick: Nico, which Gene Slammers do you think you'll meet next?

Nico: Orthworm And Glimmora next.

Qin: This will be fun.

Lola: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than another of Mordecai and Rigby's old enemies, The Duck Hunter, and he's back for revenge once more. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico, where are Mordecai and Rigby?

Just then, Mordecai and Rigby arrived.

Mordecai: We're here, and let me guess, we got another of our old enemies coming back, right?

Lincoln: Right on the money, Mordecai. I had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than another of your old enemies, The Duck Collector, and he's back for revenge once more.

Rigby: Wait, what?

Mordecai: Dude, this is not good, we need to get to The Park at once and get rid of The Duck Collector for good.

Nico: My thoughts exactly, Mordecai.

Me: What can you tell us about him?

Mordecai: Fluttershy will not like this guy one bit.

He told us about him.

---

The Duck Collector is the minor antagonist of Regular Show, serving as the main antagonist of the episode "A Bunch of Baby Ducks". He had an obsession with ducks, indicated by the accessories in his truck.

He was voiced by Julian Holloway.

The Duck Collector tries to buy the baby ducks at first, but Mordecai and Rigby chase him off due to him being creepy. He later kidnaps the baby ducks and after Mordecai and Rigby follow him on the back of the baby duck's mother, the two cause his truck to crash into the fountain at the park. The ducklings escape from him, but he declared that he will have them and nearly kills their mother, Mordecai, and Rigby; however, the baby ducks save them by transforming into a giant buff man with a duck's head that says "STEP OFF" (like Rigby taught them) and with an ignited hand, chopped and killed the Duck Collector. Later, he was revived by Garrett Bobby Ferguson Jr. as one of the enemies in "Exit 9B".

The Duck Collector reappears with the rest in the crowd from the start of the portal. He along with the rest then goes after them. Later, he is shown with a sword and goes towards to attack Mordecai, but then gets shoved by Rigby. Later on, he appears again, where he was about to attack Pops. During the attempt, Giant Susan gets thrown by the Baby Ducks (in transformation), and crashes on the road where the board was placed at where the Duck Collector was standing at the end of it.

The Duck Collector then gets launched in the air, and the Baby Ducks (in transformation) then sees him and does the same move as shown in "A Bunch of Baby Ducks", while saying "STEP OFF," and kills the Duck Collector the same way they did in the first episode they appeared in, but in the air this time, and without the explosion.

---

When it was done we were shocked! But Fluttershy was shaking in rage.

Me: Uh Fluttershy? Are you okay?

Fluttershy: That, GREAT! BIG FAT! MEANIE!

ZOOM!

She ran fast and flew down to the surface in a burst of rage!

secs agoNico: Lets head down there too!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Emperor Vandole, the tyrannical monarch of the Vandole Empire and a major villain in the World of Mana video game series, and he's come back to conquer the world once more. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we aren't going to like hearing: the dark energy we sensed belongs to Emperor Vandole, the tyrannical monarch of the Vandole Empire and a major villain in the World of Mana video game series, and he's come back to conquer the world once more.

Nicole: Oh, not him, that guy's trouble with a capital T.

Aldonza Calavera: (Spanish Accent) Leave him to me and Linky, Nicole. He will face the true wrath of The Fabled Duel Monsters!

Maria Garcia: (Spanish Accent) Oh no, this won't end well for Vandole, he doesn't know that much of Aldonza Calavera's reputation for hunting down those who use The Black Arts to hurt innocent people for their own amusement.

Nico: Which means Aldonza Calavera will unleash the demons of Xibalba on him! (Shudders) This isn't going to end well for him. Alright, gang, let's go, we're heading to The Park to take down The Duck Collector

Lincoln: We'll make sure this hunter never hurts anyone ever again, and once we get done with The Duck Hunter, you're next, Vandole.

Aldonza Calavera: (Spanish Accent) You better be ready, Vandole. You have already marked yourself for death, and now, you shall pay the price for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to The Park to destroy The Duck Hunter, and once we get done destroying The Duck Hunter, Aldonza Calavera and Lincoln are going to destroy Emperor Vandole.

We were off to the Park.

---

We arrived in the park and caught up to Fluttershy.

Brass Knuckles: Sorry about the delay, Fluttershy. But Lincoln was sensing for other bad guys

Fluttershy: Oh it's okay. Where is that Duck Collector? I'm hoping to give him the biggest reprimanding ever.

Nico: Oh you sure will get your chance.

Camie: We're going to send that malodorous mallard eater to prison and make him eat rotten duck.

Me: Ooh I like it.

Arixam: We need to find the ducks themselves

Nico: I think that's them right there.

We saw a duck pond and river in the Park and there were LOTS of ducks.

Nico: Whoa there they are.

Me: Wow.

We went over.

Benson: Hey guys.

Me: Hey Benson. I take it you heard…

Skips: That the Duck Collector is back? Yeah we know and also I felt it from Lincoln's premonition.

Beast Man: Which of you guys are the family of duck?

Fluttershy: Oh I think these guys are.

We saw a bunch of ducks.

Me: Aww they are cute.

Laney: They sure are.

Xenia: Yeah.

Fluttershy: These ducks know Mordecai, Rigby and friends.

Mordecai: Those are the ducks.

Lusamine: Can you guys talk?

Duck 1: We sure can.

Duck 2: And we even showed geese what for.

Mordecai: Yeah they sure did.

Benson: Boy that was awesome.

Skips: It sure was.

Nico: You mean THOSE Geese?

We saw the geese!

Mordecai: Oh no not those guys again!

Goose 1: Now we have come to reclaim our land! You ruined us and you will pay for it! We were in the process of terraforming this lake for our own kind! We will remove all non-goose lifeforms and fertilize the soil! This lake WILL FOREVER BE OURS!

Tchang Zu: Hey! We're already busy with one threat today!

Me: Allow me to scare them off.

I went over to them and then FLARED UP MY RAINBOW PHOENIX FORCE AURA!

Me: (DEMONIC VOICE) (To the Geese) YOU ARE GOING STOP COMING TO THIS PARK AND MAKE SURE YOU DON'T MARK YOUR TERRITORY HERE! THEN YOU WILL LEAVE AND NEVER COME BACK!

Goose 1: Or what?

I grabbed the goose and gave him my own version of the Penance Stare and threatened to turn him into a roast goose for dinner. The geese were off in fright.

I powered down.

Me: That was good.

Xenia: Yeah!

Carly Atlas: I thought you guys were mallards.

Me: That was a fun one though. But those geese were jerks.

Lola: Yeah. Also it's the Duck Collector we want.

Xenia: Yep.

Fluttershy: I'm going to give that meanie what for.

Eli: Well he is 20 klicks away and closing.

Namine put on her duck mask.

Namine: Quack quack.

Tala: Oh, that's her way of communicating with you guys.

Me: UCH! (In my head) I am so sick of Namine wearing that duck mask. Brings back bad lines and memories.

Duck 1: It's cute.

Duck 2: Yeah it sure is.

Daffy Duck: Oh so that's her little plan. SHOOT THE DUCK! SHOOT THE SUCK!

Elmer then pointed his rifle at Daffy and then…

BANG!

He blasted him.

Me: (LAUGHS) Never gets old.

Namine took off her duck mask.

Namine: How will that gag work out for you if I'm not wearing my

Duck Mask?

Aldonza Calavera: (Spanish Accent) Emperor Vandole, I will never forgive you for the crimes that you have committed against the world of Fa'Diel, your tyrannical lust for power and warmongering led you down a path of eternal darkness, and even worse, you sold your own soul to Mavolia in exchange for demonic powers. That is something I will never ever forgive, and now, you shall face the wrath of the Fabled Monsters and the powers of darkness and the blessed and the damned!

Suddenly, Aldonza Calavera was surrounded by a massive vortex of black and crimson red energy with stars, darkness, light, dark magic, black magic, and Satanic magic surrounding the vortex, there are imps, angels, demons, and The Fabled Duel Monsters flying around the vortex, and in the vortex is a crimson red phoenix with the symbol of The Fabled on its stomach and red eyes glaring at Emperor Vandole: the red eyes of eternal death. Then, as the vortex faded, Aldonza Calavera emerged, but she was changed forever.

Aldonza Calavera grew to 7'0" to 7'9" in height, she has the body of a goddess, she has crimson red highlights in the bangs of her long flowing midnight black hair, she has neon crimson red eyes and a black and crimson red energy aura with stars, darkness, light, dark magic, black magic, Satanic magic, imps, demons, and angels surrounding her, she has The Fabled Monsters emblazoned on her forehead and her Third Eye with crimson red iris, she has on imp earrings with crimson red gems for eyes and holding the Dark, Light, Star, and Eternity Kanjis in its hands, she also has the Fabled Monsters with crimson red gems for eyes and holding the Dark, Light, Star, and Eternity Kanjis in their hands on the bottom of her crimson red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Aldonza Calavera felt a sharp pain on her back, and then, her massive midnight black angel wings with crimson red tips on the large crimson red feathers grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails with black tips and black markings, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand, and she has her imps with her.

Suddenly, Aldonza Calavera's Shadow Greatsword, Fabled Monsters-themed greatsword, and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and crimson red energy, stars, darkness, light, dark magic, black magic, Satanic magic, imps, demons, and angels and when it emerged, it was transformed into Aldonza Calavera's Fallen Angel Mexican Darkness Fabled Monsters Greatsword of Fallen Angel Mexican Darkness Fabled Monsters Justice, it's a brand-new massive greatsword with embedded crimson red gems and the Fabled Duel Monsters etched on the 7'6" massive, wide, double-edged midnight black blade, large white angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with red gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Fabled Monsters' heads with crimson red gems for eyes and large crimson red gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below the Fabled Monsters that said, "Aldonza Calavera, Gene-Slammer of The Fabled Duel Monsters, Member of The Order of The Fabled, Powerful Master of Darkness, Light, The Occult, Dark Magic, Black Magic, Satanic Magic, and The Dark Arts, Childhood Friend of Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkis, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore, Despisers of Practitioners of Dark Santeria and the Dark Side of Mexican Witchcraft, Expert on Mexico's Spooky Legends, Loving Guardian Angel and Future Wife of Lincoln Loud, Friend of Lucy Loud and The Young Morticians' Club, Smasher of Dark Lori, Despiser of Sergio Casagrande, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, The Occult, Dark Magic, Black Magic, Satanic Magic, The Dark Arts, and The Fabled Duel Monsters"

Suddenly, Aldonza Calavera's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Aldonza Calavera has transformed into SUPER ANGEL-FABLED MONSTERS-DEMON-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA HOLY LIGHT INFERNAL DARKNESS MAGIC FABLED DUEL MONSTERS GODDESS COSMIC HOLY LIGHT INFERNAL DARKNESS MAGIC FABLED DUEL MONSTERS GODDESS JUSTICE AND DIVINE HOLY LIGHT INFERNAL DARKNESS MAGIC FABLED DUEL MONSTERS GODDESS LOVE!

We were amazed by Aldonza Calavera's Super Angel-Fabled Monsters-Demon-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Emperor Vandole saw it, he went mad with rage and fired a blast of dark magic to kill her, but Aldonza Calavera fired a massive barrage of black and crimson red energy, stars, darkness, light, dark magic, black magic, Satanic magic, imps, demons, and angels at Emperor Vandole, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Maria Garcia: (AMAZED) HOLY FRIJOLES!

Nico: OH MAN!

Lincoln: Awesome, Aldonza Calavera's transformed into her Super Angel-Fabled Monsters-Demon-Harmony United Friendship Universal Eternal Celestial Xelnaga, and now, it's high-time we show Vandole what happens when he messes with true masters of darkness.

Aldonza Calavera: (Divine Echoing Godly Voice of The Darkness Holy Light Infernal Darkness Fabled Monsters Goddess Angel and Divine Cosmic Darkness Holy Light Infernal Darkness Fabled Monsters Goddess Angel Love) Along with messing with powers beyond his imagination. Let's turn his dreams into a living nightmare and end his life, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Aldonza Calavera.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to conquer the world of Fa'Diel are over, Vandole, and now, it's time for you to be dethroned for eternity.

Aldonza Calavera and Lincoln went after Emperor Vandole who continued firing dark magic blasts at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Emperor Vandole and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he and Aldonza Calavera also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Emperor Vandole mad.

Emperor Vandole: I WILL KILL YOU ALL!

Emperor Vandole tried to fire more dark magic blasts at Aldonza Calavera and Lincoln, but Lincoln charged out, and then, he drove his massive greatsword into Emperor Vandole's stomach, and he began sucking out Emperor Vandole's mastery of the power of Mana and demonic powers and he made it his own, and as he removed his massive greatsword from Emperor Vandole's stomach, he left the tyrannical monarch dazed.

Then, Lincoln summoned imps who proceeded to tear Emperor Vandole's face and leave bleeding cuts and scars, and then, Lincoln fired a blast of crimson red and black vampiric energy and it hits Vandole and Lincoln sucked out all his blood leaving Vandole as a dried up husk, and when his spirit appeared, Lincoln fired a blast of black energy which hit Vandole and condemned him to The Black Gates for all eternity. We cheered wildly for what Aldonza Calavera and Lincoln did as they holstered their massive greatswords and powered down, and Aldonza Calavera's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Aldonza Calavera: (Spanish Accent) With your death, may Fa'Diel know peace once more. Thanks for helping me get rid of Emperor Vandole, Linky.

Lincoln: (Smiles Warmly) You're welcome, Aldonza.

Suddenly, Aldonza Calavera wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aldonza Calavera's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Fabled Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness surrounding them and light shining down from Heaven on them and we cheered wildly. Then, Lincoln and Aldonza Calavera absorbed the elemental forces and darkness and light and they came back to us as the display vanished.

Maria Garcia: (Spanish Accent) Ay, that was truly incredible! Lincoln, Aldonza, that was truly some amazing work, you both showed Vandole no mercy, and that finisher you used on him, the last time you used it was on Antonio Maldonado and The Order of Nuestra Señora de la Santa Muerte.

Aldonza Calavera: (Spanish Accent) Those Black Santeria deranged fanatics who worshipped Santa Muerte?!

Lincoln: Yep, they came back on January 9th, and for 30 days, from January 9th to February 7th, we went into battle against those bastards, and we sent them all to The Black Gates forever.

Aldonza Calavera: (Spanish Accent) Drat, I missed out on the chance to rip that religious fanatic, Antonio Maldonado, and his equally religiously fanatical nutcase members to shreds as well.

Me: That's okay, but we can tell you this: they paid the price. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Diana Destiny, Keyblade Knight of Destiny Islands.

Kairi: Oh, no way. We haven't seen Diana Destiny in such a long time!

Sora: It sure has been years since we'd last seen Diana.

Riku: You said it.

Michelle Emperyous: Whoa! I knew you'd pick her, Lincoln, and you're going to love meeting her, guys. Diana Destiny is Lincoln's Guardian Angel from Destiny and the younger sister of Dana Destiny, Sailor Soldier of Destiny Islands, she's a Keyblader and she harbors a very very nasty hatred for Dark Riku and all the Heartless in general as well as what they did to her home before. She is also very great friends with Sora, Riku, Kairi and all their friends on the islands including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa, so Sora, Riku, and Kairi are in for a huge reunion with Diana Destiny tomorrow.

Lincoln: You said it.

Eli: Wait a second, if Diana finds out Dark Riku in The Masters of Evil, she will no doubt rip his head off.

Max Goof: Lincoln will be ready to restrain her if she gets any desire for revenge on him, but if anything, she'll be doing it early like with Hannah Hollow.

Lincoln: Yep. Dark Riku's going to be in a hospital bed for more than a week.

Black Manta: Go after innocent ducks, will he?

Goro: That'll show him.

Nico: Yep.

Puppetmon: Are you guys okay?

Duck 1: We sure are.

Xenia: Good.

White Lightning: That's good.

Nico: Yeah.

Black Lance: Where do you guys wanna celebrate?

Me: Actually we got to get ready for the big barbecue for tomorrow.

Qin: Yep.

Nico: Oh right. Tomorrow is the 4th of July.

Xenia: Yeah.

Nico: But great job today everyone.

Fluttershy: (To the viewers) Never mess with ducks or else you'll answer to me.

Nico: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Nico: I have a feeling this food planet will be perfect for our 4th of July feast for later on.

Qin: Me too.

Laney: We're going to have an awesome barbecue.

Xenia: We sure are.

Lana: I'll say!

Lola: I'm really excited for that.

Me: Me too! I love the 4th of July because of not just the fireworks but also the awesome barbecues and the songs we play for our country to celebrate 247 years of freedom.

Camie: That is awesome.

KGBeast: (Russian Accent) I'm really looking forward to this too comrades.

Maria: Me too.

Nico: Onewa. I want to thank you, KGBeast, and your teams for coming

Onewa: It's not problem Nico. This will be so fun.

Adagio Dazzle: Especially with me being with J.D. and everyone.

Nico: You got that right Adagio.

Xenia: Yep.

Nico: Adaigo, are you glad you're not evil anymore?

Adagio Dazzle: I sure am. Me and all my sisters are.

Nico: That is awesome.

Me: It sure is. And we are even more glad that they are now an amazing force of good and redemption.

Xenia: They sure are.

Me: And the song they have overflows us with amazing amounts of negative energy.

Camie: Yeah it sure does.

Lola: Yeah that is amazing.

Nico: Yep. And the coolest part is that they are great at lifting weights at the beach.

Me: Muscle Beach awesomeness for them.

Adagio Dazzle: That is awesome and fun for us.

Me: Yep.

Nico: How much do you lift?

Adagio Dazzle: 4,000 pounds.

Nico: WHOA! That's right I remember seeing that.

Me: That was awesome!

Muggshot: That's like me lifting up 50 palettes of concrete blocks.

Nico: You do have that level of strength Muggshot.

Qin: He sure does.

Me: Yep.

Nico: Boy yesterday was a crazy mission.

Me: Boy no kidding. But Fluttershy and Toepick scared the living daylights out of the Duck Collector.

Xenia: Boy they sure did.

Nico: No one hurts innocent ducks!

Fluttershy: That is for sure on that.

Qin: I agree there!

Laney: Yeah!

Nico: Now the Duck Collector will have all the time in the world to reflect on what he did in prison.

Me: Stuffing ducks.

We laughed.

Nico: Yep. But it was also really funny how we used Daffy Duck references like that.

Me: No kidding.

Qin: (LAUGHS) That was so funny.

Lana: Those always crack me up.

Xenia: Never gets old.

Nico: Anemone just did the Mascot Season thing for a laugh

Me: Yeah she sure did.

Qin: That was funny. Even though the mascots didn't like it.

Camie: It was still funny.

Eli: But Daffy got blasted all over the place by Elmer.

Nico: Just like back in the old days with Bugs and Daffy.

Lola: (LAUGHS) So funny.

Nico: And now, Dahlia the Duck has new friends.

Xenia: Yep she sure does.

Qin: Yep.

Camie: Still a fun mission though.

Maria: We're getting close.

Nico: We're already here.

We saw that we were at the planet and it looked like a mountainous forest planet.

Me: Looks like a mountain forest planet from up here.

Maria: Yep.

Nico: Lets get closer.

We went down to the planet and we then landed and we saw that it was a planet MADE OF SANDWICHES! WE SAW THAT IT WAS A WORLD FULL OF Chicken Parmasan, Ribs, Philly Cheesesteak, Chicken Bacon Ranch, Buffalo Chicken, Tuna, and many more kinds of sandwiches!

Nico: WHOA!

Lola: Yeah!

Camie: I think this is an awesome planet.

Nico: Let's pack some

Qin: Good idea!

Lola: Yeah!

We went and did so and got LOTS OF SANDWICHES for everyone and for our feast.

Xenia: Awesome.

Nico: Cool.

Maria: How many is that?

Nico: 560 million.

Me: More than enough.

Qin: Yep.

Lincoln: Okay, guys, we got a very huge emergency. I just got word from Dad and it appears Trina Riffins has escaped and is now on the warpath to kill us with her INCREDIBLY explosive temper!

We gasped.

Nico: Trina's escaped again!? That bitch, doesn't she know when to give up?!

Me: She doesn't, and the humiliations we've dealt unto her combined with her incredibly explosive temper have driven her completely over the edge, and now, she's really really really out for blood!

Qin: Oh boy.

Lola: We've got to put a stop to her, and this time, we're throwing her in the Super-Maximum Solitary Confinement Wing in Dad's restaurant. Lincoln built it after the breakouts of Icky Vicky and Mandy, so it looks like Trina's going to be the next one thrown inside the Super-Maximum Solitary Confinement Wing.

Lincoln: You got that right. (Senses for Trina Riffins) AHA! Gotcha! Trina is 20 yards from our location and she's already barreling towards us and she is already at Nth-Degree Fucked Up and her incredibly explosive anger is already completely out of control. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. Anna, when we get back, give that fat mutant Hell!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Trina Riffins.

Me: This is gonna be good.

Xenia: As long as we get to kick some butt.

Lola: I can't wait to kick that pink haired bitches butt!

Nico: Wait. I don't hear her anymore.

Me: Hmm.

?: (ENRAGED NTH-DEGREE FUCKED-UP EXPLOSIVE SCREAM) I'LL FUCKING KILL YOU, TEAM LOUD PHOENIX STORM, FOR HUMILIATING ME AND RUINING MY LIFE!

Nico: Oh there she is.

Me: Yeah, fuck you too, you explosive-tempered bitch!

We saw our target, Trina Riffins, and she was absolutely out of her mind, she had devil horns on her head, her eyes were red with insane rage, her face was red and her mouth was foaming, and she had claws on her hands.

Me: HOLY SHIT!

Eli: Uh oh!

Nico: She doesn't even look human anymore, she now looks like an out-of-control rabid animal with a nasty case of rabies!

She threw a bomb at us, but Lincoln saved us by putting up a massive and powerful diamond barrier, and the bomb hit the barrier and exploded, but it stood strong, and that just made Trina even angrier than ever and she was hitting the barrier with her fists, but that didn't work, but it did make her fists bloody, and she tried to bite the barrier with her teeth, but even with her braces, it didn't work: SHE WAS ABSOLUTELY OUT OF HER MIND AS SHE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

Lola: She's even worse than I was because of Dark Lola, but while I was freed from her, Trina's just born pure evil and she's nothing more than a Spawn of Satan, and like all Spawn of Satan, she must face judgement for her sins!

Lincoln: And she's committed a ton of them that would make her worthy of eternal damnation!

Lincoln fired a diamond ball at Trina Riffins which hit her in the face and sent her flying into a tree and Lincoln deactivated the barrier and we stood ready to fight Trina Riffins, who got back up, but now she was even more out of control and completely bat-shit rage crazy insane!

Trina Riffins: I DON'T GIVE A FLYING DAMN OF HOW POWERFUL YOU ALL ARE, I WILL FUCKING KILL YOU ALL AND TURN GOTHAM ROYAL YORK INTO A GRAVEYARD! NO ONE DEFIES ME AND RUINS MY LIFE AND LIVES!

Lola: Ah, shaddup!

Me: Shut your fucking mouth you flat-chested pink-haired spawn of Satan!

Lola fired a powerful fire blast which hit Trina Riffins and singed her eyebrows off, and that made Trina even madder than ever.

Lincoln: Nice shot, Lola.

Lola: Thanks.

Lola then teleported and punched her all over her face and bashed her senselessly!

I then grabbed Trina.

Me: I'm going to tear your fucking ass to pieces!

I then started by punching her in her face and then I gouged her eyes out and ripped them RIGHT OUT OF HER FACE!

SHE SCREAMED IN AGONY!

Nico: Nice!

I kicked her in the face and punched her into a tree!

Lola the grabbed Trina..

Lola: Not fun without any eyes is it!

POW! BLAM!

She punched her square in the face and jaw.

Me: Nico I don't know about you but I've had enough of this bitch to last an eternity!

Lola: DARN TOOTIN!

Lola then pulled out a minigun and Laney braced her up against a tree with vines and then Lola fired NUMEROUS ROUNDS OF BULLETS INTO TRINA AT A FEROCIOUS LEVEL!

Me and Maria fired Machine Guns and Grenade Launchers at her and blasted her all over! Then we stopped and she fell to the ground a massively bloody and bleeding mess! Then a MASSIVE FLOOD OF GOLD BARS, RUBYS, JEWELS AND MORE EXPLODED OUT OF HER!

Me: Right! I forgot about the curse.

Nico threw a pie at her and it hit her and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Numerous sapphires blasted out of her.

Camie: Take that!

POW BLAM! BIFF! KROW! BAM! WHAM! BAM!

Laney and Lana punched Trina all over the place with incredible fury!

Blood dripped from her mouth and Nico licked her.

Nico: YUCK! Your blood tastes like rotten haggis and bat guano.

Qin: YUCK!

Xenia: That's disgusting.

Nico: Time for an overdue spanking!

Nico put her on his knee and then he spanked her!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP

WHAP WHAP WHAP!

Maria: BIG BAD TRINA'S GETTING A SPANKING!

WE LAUGHED HYSTERICALLY!

Xenia: (LAUGHS) YEAH!

Eli: I'm going to slap some sense into you!

ELI SLAPPED HER ALL OVER HER FACE LIKE HOW GOKU DID AGAINST FRIEZA!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

King Kai: OH YEAH! OKAY GIVE IT TO HER ELI! OH YEAH! MAKE HER REALLY FEEL IT! YES YES YES!

Nico and Eli then punched her and bashed her into a tree!

Nico poured hot sauce down her throat.

STEAMHORN WHISTLE!

FIRE THEN EXPLODED OUT OF HER MOUTH LIKE A MASSIVE JET OF FLAMES!

SHE RAN AROUND LIKE A CHICKEN WITH HER HEAD CUT OFF!

Qin: Nice!

Laney: (LAUGHS) YEAH!

Xenia: YEAH!

Trina then stopped and then turned to Nico and she was really MAD AT HIM!

Trina: YOU MAKE ME FUCKING SICK CHAN! I'M GOING TO KILL YOUR PRECIOUS MOTHERFUCKING WIFE RIGHT IN FRONT OF YOU AND EAT HER HEART AND THEN BANISH HER TO THE

WARP

Nico: You can't even send people to the Warp. We can!

Me: YEAH YOU PUTRID FUCKING LOSER!

Trina then went at me and I went at her and then I punched her square in the chest and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and powerful explosive shockwave blasted out and she was sent flying and crashed into a tree and then we saw that the punch blasted her chest open and there was a huge hole in it and exposed her black heart to the open!

Nico: WHOA! You learned the Death Punch J.D.!?

Me: Wasn't that hard to figure out. Rigby learned it really fast.

Xenia: Nice!

Nico: Be happy we don't plan on ending you now!

Trina then belched out a huge amount of blood and she was REALLY BLEEDING PROFUSELY!

Xenia: Whoa! That really damaged her!

Nico: Yeah it sure did!

Suddenly, Lola's blue eyes turned neon blue, and she was surrounded by a rainbow energy aura with stars, orange flames, rainbow flames, dragons, and phoenixes, she unholstered her massive Gabja's Rage Inferno Firestorm Draconic Phoenix Greatsword of Divine Inferno Justice and Fiery Love from her back, and as she approached Trina Riffins, she left rainbow energy, stars, orange flames, rainbow flames, dragons, and phoenixes with every step.

Nico poured a huge jug of my hottest hot sauce ever down her throat: THE EL FUEGO DIABLO SUPERNOVA 500,000,000,000,000,000 DEATH SAUCE!

Trina then had MASSIVE JETS OF FIRE EXPLODE OUT OF EVERY ORIFICE IN HER BODY AS SHE SCREAMED IN EXCRUCIATING AGONY!

Nico: Hot enough for ya?

Lola: Because it's only going to get hotter!

Trina Riffins ran at Lincoln, Lola, and Pepperdance now super mega enraged and now completely out of her mind, but Lincoln kicked her hard in the stomach and sent her flying up into the air, and he'd held out his left hand.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) CHILI PEPPER MEGA BARRAGE!

Lincoln fired a more powerful version of the Chili Pepper Barrage, and the peppers hit Trina Riffins, and some of them went into her mouth, and then!

KABOOM!

The peppers exploded in her mouth, and she screamed, shrieked, and screeched as her mouth was literally on fire, and that allowed Lincoln, Lola, and Pepperdance to throw three massive rainbow fire balls at Trina Riffins which exploded and not only did tons of gold, jewels, gems, and other currencies explode out of Trina Riffins, but she was sent flying back to Lynn's Table, put into a rainbow energy straitjacket, and put into a cage made of solid titanium lined with neutronium and rainbow energy and she was sent to The Super-Maximum Solitary Confinement Wing at Lynn's Table in a separate cell and she went bat-shit crazy as she screamed in extreme rage and anger. We all cheered as Lincoln, Lola, and Pepperdance holstered their massive greatswords on their backs and powered down, and Pepperdance's new body, clothes, weapons, jewelry, Third Eye, longer chili pepper red tail, longer light red horn, and massive chili pepper red angel wings are permanent, and Lola's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Lola: That'll teach you never to come after us again, you rage-crazy, psychopathic filthy animal!

Suddenly, Pepperdance felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Pepperdance?

Pepperdance: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that bitch the violent beating of her life.

Nico: You got that right! All of us sure did and Lincoln, Lola, Pepperdance, you guys really unleashed some untold wild violence on Trina, and Lincoln, you used a more powerful version of my Chili Pepper Barrage, that was really wild.

Lincoln: Trina was asking for it big time.

Lola: He never forgot what Trina did in kidnapping Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, and Mana Oyama and she tried to shoot them with a machine gun.

Me: And we used machine guns on Trina.

Pepperdance: There was definitely no forgiveness for Trina that day nor for any of her crimes, she deserves every bit of pain and suffering.

Suddenly, Pepperdance wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Pepperdance's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Pepperdance sucked in and absorbed the fires and elements and they came back to us as the display vanished.

Me: And with that new Maximum Security Solitary Confinement Wing added at Lynn's Table, Trina, Icky Vicky, and our other resident jerks won't be causing any trouble for us ever.

Lincoln: Nope, and the only time they'll be coming out is when it's time for our humiliation sessions.

Nico: You got that right, Lincoln.

Xenia: Thank goodness.

Camie: Yeah.

Me: Boy that had to be the most Cajun Spice filled battle ever.

Lola: Yep.

Nico: Now for other business.

Eli: And Nico you are going to love this one. Because the Anothers are Another Borscht, Udon, Curry, Tomato, Chicken Noodle, Clam Chowder, Chicken Tortilla, Wonton, Egg Drop, Butternut Squash, Nacho Cheese, Minestrone, Chili, Italian Wedding, Seafood, Pea, Corn, Cabbage, Garlic, Muggshot and KGBeast.

All of us: HUH?

KGBeast: The Anothers minus Muggshot and myself are all part of a team called The Soup Squad. They are living bowls of those kinds of soups.

Me: Whoa!

Xenia: That's interesting.

Lola: Very interesting.

Nico: Boy those are all soups from all over the world.

Lola: Yeah.

Nico: I'm drinking them!

Me: I knew you were going to say that!

Eli: And the Anothers minus KGBeast are all one person.

Qin: Awesome!

Me: Nice!

Maria: Who do we call in for this?

Me: Amira Farooqi and her own MetalSeadramon.

Nico: NICE!

Lola: All those soups are going to be her Archenemy? Whoa!

KGBeast: That is awesome there.

Me: And Nico just to help refresh your memory that's Pakistan's Digidestined.

Nico: I know.

Me: Oh. Okay just wanted to be sure.

Nico: Let's call her.

I did so and then Amira and MetalSeadramon came.

Amira Farooqi: We got your call guys.

MetalSeadramon: Wow! Look at all this. A Sandwich planet.

Amira Farooqi: Boy this is an amazing planet.

Me: Yep it sure is.

Nico: Yep.

Nico: So you're the second MetalSeadramon.

MetalSeadramon: I sure am. Noah has a MetalSeadramon as his archenemy in the M.O.E. I'm Amira's partner Digimon.

Me: Boy that is awesome.

Lola: It sure is.

Amira Farooqi: Boy you guys have been really busy here. What happened?

Me: Well aside from eating sandwiches, Trina was here and Lola and Pepperdance and many of us tore her apart and sent her back to Lynn's Table.

Amira Farooqi: Whoa! You guys have done a good job.

Lincoln: We sure have.

MetalSeadramon: Yeah that is for sure.

Nico: Your partner was turned into an Another version of him.

Amira Farooqi: Wow! Yeah I heard all about that. That was crazy.

MetalSeadramon: Boy it sure was. I'm just glad that she's back to normal.

Xenia: We are too.

Maria: I'm going to give the M.O.E. Cannon a rest for this.

Qin: Okay then.

Me: And here they come!

We saw the Anothers! We saw Another Borscht, Udon, Curry, Tomato, Chicken Noodle, Clam Chowder, Chicken Tortilla, Wonton, Egg Drop, Butternut Squash, Nacho Cheese, Minestrone, Chili, Italian Wedding, Seafood, Pea, Corn, Cabbage, Garlic and Muggshot!

Me: WHOA!

Laney: They are walking bowls of soup!

Amira Farooqi: So my archenemies are 19 living bowls of soup from all over the world. That is cool!

KGBeast: It sure is. The Soup Squad was formed to get revenge on all the people that ate soup.

Me: Many of us do.

Xenia: Yeah.

Another Borscht: (In a girls voice) That is crazy huh?

Me: (GASP) That voice!

They merged and she reverted back and it was a girl with blue hair with purple and green highlights and she had blue eyes and blue and purple clothes and she had Blue Angel Wings and had a tiara that had the symbol of the Aurora Dopant on it and she had the same symbol on her skirt and she had a sword of solar fire.

Me: (GASP) Allie Aurora!

Allie Aurora: Awesome to see you again J.D.

Me: Same here. Allie is the Embodiment of the Aurora Dopant. And she has all the powers of the Aurora Borealis and the Aurora Australis and she has all the powers of ice and the sun.

Nico: WHOA!

Philip: Boy that is awesome!

Shotaro: It sure is!

Allie Aurora: Yeah no kidding. I heard all about what happened during Nuju's big day mission in Japan. That was so epic.

Me: Boy it sure was.

Lola: That was a fun one.

Nico: Sorry we have to do this.

Allie Aurora: No worries.

Me: By the way is the Another KGBeast friendly or hostile?

Allie Aurora: Friendly and you might like this one.

Me: Awesome.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

Nico: Awesome!

Adagio Dazzle: Lets dance.

Adagio and Amira fired energy blasts and blasted the Anothers. I caught Muggshot's ridebook.

Nico: Time to guzzle down soup!

Nico ran and guzzled down all 19 Soups from the Anothers.

Nico: AAHHH!

But then…

LOUD BELCH!

Nico belched really big. He burped out all the Wonder Ride Books. Then Nico fell right to sleep.

Nico woke up 10 minutes later.

Me: Have a nice food coma nap?

Nico: I didn't realize I fell asleep. But that was good soup.

Me: You licked all 19 of those dishes clean.

May: Boy you sure did.

Allie Aurora: Boy Nico has one awesome and amazing appetite.

Me: You haven't seen anything yet Allie. He practically eats all the food in Lynn's Table down to the last piece of Lynn-sagna.

Xenia: It's true. He has a huge appetite.

Rita: You wouldn't believe how much of Lynn's food he eats.

Me: But then again Saiyan's have huge appetites.

Allie Aurora: Boy I can see that.

Nico: I am not getting left out this time!

Me: You still always have that contingency plan of yours just in case.

Nico: True.

Me: Yep. Now for Another KGBeast.

Onewa: This will be good.

Nico: She should be on her way now.

Me: Right now actually!

We saw ANOTHER KGBEAST!

Me: Whoa!

Qin: Awesome!

Another KGBeast: (In a girls voice) (Russian Accent) The fun is about to start everyone.

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and had purple eyes and had a beet in the middle of her forehead and she had purple angel wings and had purple clothes and she had a Stirring Spoon Magisword in her hands.

Me: (GASP!) Mila Vinogradova!

Nico: Whoa!

Mila Vinogradova: Good to see you again Comrade J.D.

Me: Same to you. Mila is from Moscow and she is know as one of the best Borscht makers in all of Russia. It's how they gave her the title Королева фиолетовой свеклы. That means The Queen of The Purple Beets.

Nico: Cool!

KGBeast: A pleasure to meet a fellow countrygirl from Russia.

Mila Vinogradova: Same here Comrade Anatoli.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

MIla Vinogradova: Just to make my borscht the best in the world.

Me: Your borscht already is the best there is. It's so tasty.

Xenia: Wow.

Mila Vinogradova: It sure is.

Me: Sorry we have to fight light this though.

Mila Vinogradova: No worries.

She turned into ANOTHER KGBEAST!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Nico: Feel the power of Brawn! (ACTIVATES KGBEAST AND MUGGSHOT'S RIDEWATCHES)

He bulked up and fired waves of energy and smashed her down.

May: Time for some heat! (ACTIVATES SONOZA AND GAMMA METROID'S RIDEWATCHES)

She fired waves of fire and lightning and smashed her down.

Maria: Time for some lightning power! (ACTIVATES ASTRAL DROP WILL AND SPIKE'S RIDEWATCHES)

She fired waves of energy and lightning and smashed her down.

Adagio: Lets sing.

Another KGBeast: Here we go.

She called out more of Flip's thugs and then Adagio sang her song and then the thugs all KILLED EACH OTHER in a brutal and horrible bloodbath and then we absorbed all their Negative Energy.

Me: Yeah!

Allie Aurora: WHOA! That was amazing!

Me: Yep.

Adagio Dazzle: Now for some brawn of my own. (ACTIVATES MUGGSHOT'S RIDEWATCH)

She buffed up and then smashed down Another KGBeast!

Me: Oh yeah! Nice one!

Then Touch & Go, Evil Search Man, Blackbriar Thorn, Starman EXE, Werewolf By Night and Hanayaida came.

Nico: Nice team Touch & Go!

Mr. Touch: Thanks Nico.

Me: Boy this awesome.

?: Boy I'll say!

Then we saw a Glimmora appear.

Me: Cool a Glimmora.

Xenia: Awesome.

Glimmora: (In a girls voice) This is gonna be fun.

Nicole: (GASP) Roxanne Amethyst! Whoa!

She reverted back and was a girl with purple hair, purple eyes, and blue clothes and had an Amethyst Jewel imbedded in the middle of her forehead and had purple crystal angel wings.

Roxanne Amethyst: Awesome to see you again Nicole. And you too Nico.

Nico: Same here.

Roxanne Amethyst: I got this.

She fired an energy blast and knocked down Mila and I caught the Ridewatch and purified it and I brought her over.

Me: Awesome!

Nico: Nicole how do you know Roxanne?

Nicole: She's one of my colleagues in geology and she knows a lot about rocks and minerals and can even make crystals of her own with her powers.

Nico: Awesome!

Adagio: What's your favorite memory of Nico?

Roxanne Amethyst: When me and Nico found an awesome pocket of blue diamond crystal in a mine my family has. Made us filthy rich.

Me: Blue Diamond is the most valuable gemstone in the world and valued at over $100,000.00 per carat.

Qin: Wow! That's awesome.

Roxanne Amethyst: Yep. It was all valued at over $600,000,000,000.00.

We were amazed.

Lola: Wow!

Nico: That was fun.

Nico and Roxanne hugged.

Nico: I've missed you.

Roxanne Amethyst: Same here.

We later went back home.

Laney: Why am I not surprised? Snaptrap always breaks out of prison to cause havoc once more in Petropolis.

Lincoln: Yeah, but, we're going to take him down again and condemn him to being humiliation fodder in The Uranus Prison's Maximum Security Solitary Confinement Wing for Life.

Pohatu: Excellent idea, Lincoln.

Princess Celestia: I agree, now let's find Snaptrap and give him the beating he deserves.

Lynn: We haven't forgotten what Snaptrap did in creating robot versions of The Mascots to frame them and get them thrown in jail. So, we're going to give him quite the beating he'll never forget.

Lincoln: (GASPS) Diana Destiny, Keyblade Knight of Destiny Islands.

Diana Destiny: That's right, and I got the girls away from that dirty rat, Snaptrap.

Kairi: And I can guess you fired blasts of water at him and got him soaking wet, right, Diana?

Diana Destiny: You know it.

Then, we proceeded to unleash all kinds of hilarious gags on him: Lincoln, Nico, and I fired blasts of lightning that electrocuted Snaptrap and showed his skeleton, he and Lynn dripped lava down his pants and he got a nasty case of butt burn, he and Luna played their guitars so loud, they made his eardrums pop out of his head, he and Luan fired fairies who proceeded to blast him with light from their wands and he got burned bad, and his other siblings really unleashed Hell by giving him a double super mega wedgie, turning him into a human pretzel, shredding his clothes, throwing mud in his eyes, pouring acid on his skin, throwing dirty diapers at him, etc.

When we were done, Snaptrap looked like he got caught in a tornado outbreak, and then, Lincoln put him in a rainbow energy straitjacket and sent him back to The Uranus Prison and condemned him to be humiliation fodder in The Uranus Prison's Maximum Security Solitary Confinement Wing for Life. We cheered as we holstered our weapons and powered down.

Lincoln: You're in for a lifetime of humiliation, Snaptrap, and it's much worse than spending an eternity in Hell. (To Diana Destiny) And it's so good to see you again, Diana Destiny.

Diana Destiny: You too, Linky, and it's so good to see you again, Sora, Riku, and Kairi.

Sora: You too, Diana.

Lincoln went up to Diana Destiny and they hugged her, and Diana Destiny is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on

her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Diana Destiny: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and

he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Diana Destiny, Keyblade Knight of Destiny Islands, she's my Guardian Angel from Destiny and the younger sister of Dana Destiny, Sailor Soldier of Destiny Islands, she's a Keyblader and she harbors a very very nasty hatred for Dark Riku and all the Heartless in general as well as what they did to her home before. She is also very great friends with Sora, Riku, Kairi and all their friends on the islands including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa!

Max Goof: And Diana, don't get pissed off, but we now have Dark Riku in The Masters of Evil, and as much as you want to kill him, we did get rid of Maleficent and all of the Disney Villains except for Pete and a few Disney Villains who have honor.

Diana Destiny: I wish you'd told me that earlier.

Sora: Don't tell me, you clobbered Dark Riku earlier in Montana, right?

Diana Destiny: Vypra explained the whole thing, and I had to stop before it got ugly again. I hadn't forgotten what Hannah did to him yesterday.

Goofy: Gawrsh, I hope it wasn't too severe.

Kairi: Knowing Diana, her beating must've been more severe than Hannah's yesterday.

Lincoln: Dark Riku's going to be out of commission again, thanks to Diana's attack on him.

Diana Destiny: Next time, I'll need a tracker put on me in case I do something like that again.

Lincoln: It's okay, we get it though, we hated Dark Riku for what he did, and we got our blows in on him as well in the past.

Diana Destiny: Yeah, that's true.

Lincoln: And now that you're here, Diana.

Lincoln went up to and hugged Diana Destiny in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Diana Destiny: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Diana Destiny's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Diana Destiny: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Diana Destiny.

Diana Destiny had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, and massive muscled body, and he also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them immediately. The four girls are Umika Konohoshi, Yuu Akeuchi, Matataki Raimon, and Haruno Takaragi from Hoshikuzu Telepath.

Lincoln: Oh wow, it's Umika Konohoshi, Yuu Akeuchi, Matataki Raimon, and Haruno Takaragi from Hoshikuzu Telepath.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Umika Konohoshi: Yes, we're okay, thanks to you.

Then, when Umika Konohoshi and the other three girls saw who it was that saved them from Snaptrap, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of

Umika Konohoshi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Umika Konohoshi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Umika Konohoshi, Yuu Akeuchi, Matataki Raimon, and Haruno Takaragi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with five Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was our old enemy, Verminious Snaptrap, who broke out of prison for revenge on us.

But, when Lincoln showed what we all did to Snaptrap and many of them busted out laughing and then Lincoln condemning him to being humiliation fodder in The Uranus Prison's Maximum Security Solitary Confinement Wing for Life, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Diana Destiny have a lot of catching up to do, now that she's back in town.

Maria: I certainly didn't expect that dirty rat, Snaptrap, to break out of prison.

Lincoln: He's nothing more than a criminal, and now, he's nothing more than humiliation fodder for us in The Uranus Prison.

Nico: He deserves it, plus, his former members from D.O.O.M. had since cut their ties with him and they want nothing to do with him anymore.

Me: You got that right, besides, Snaptrap never treated any of them with respect at all, and he was cruel and remorseless when it came to abusing them. So, they decided to cut their ties with him two years ago after we captured him.

Laney: Yep, now Snaptrap is truly alone for good, and he's now humiliation fodder for eternity.

---

After taking down Snaptrap and throwing his butt back in prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Diana Destiny saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Diana Destiny: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those

900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Diana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Diana Destiny: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Diana Destiny: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Diana, what memories did you have with Lincoln?

Diana Destiny: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels went to Lake Huron for an awesome day of fun in the sun and sand, but then, we caught the stench of a dumpster in the air, and we knew only person who could smell like a dumpster: Flip, and he was still out for Lincoln's blood. We had enough of that mutant cheapskate, so Lincoln fired blasts of water at Flip and gave him a bath, but that didn't save him for long as we then piled on and brutally beat his three-cheeked ass up, then, we called the cops who came and arrested that mutant after we gave our statements to the cops and we made sure to press charges on them.

Hannah Hollow: Soon enough, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were really enraged that Flip tried to kill Lincoln again, and they literally wanted Flip's head on a pike. Show them the video, Diana.

Diana Destiny showed the video of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all screaming death threats on Flip, and they were seriously out for his head.

Eli: HOLY FISHPASTE!

Nico: Jeez, Flip really pissed off The Loud Family big time!

Lincoln: He sure did.

Me: He even pissed me off, he made too many numerous attempts on Lincoln's life, and I swore that if he ever did this again, I would throw his remains into a cesspool!

Luna: Yeah, it was ugly.

We got a shower, and then, Lincoln, Carrie, Calista, Candela, and Maxima are heading to Wave Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Carrie, Calista, Candela, and Maxima are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Carrie, Calista, Candela, and Maxima had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Carrie: Wow, so this is Wave Ocean, it sure is awesome.

Lincoln: It sure is, Carrie, and it's perfect for our 4th of July date. Shall we?

Lincoln, Carrie, Calista, Candela, and Maxima dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Carrie, Calista, Candela, and Maxima got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Carrie, Calista, Candela, and Maxima and they hugged them in their abnormally massive and powerful muscular arms, and Carrie, Calista, Candela, and Maxima placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Carrie, Calista, Candela, and Maxima with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Carrie, Calista, Candela, and Maxima are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Carrie, Calista, Candela, and Maxima, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's

much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

We were getting ready for our awesome 4th of July party.

Mascots: HAPPY 4TH OF JULY EVERYONE!

Zecora: The 4th of July is so much fun. Here is the food for everyone!

Me: Thanks Zecora.

Nico: Boy this is always fun.

Camie: It sure is.

Lola: I love a good 4th of July.

Me: Me too. We celebrate 247 years of freedom.

Lola: Wow!

We had ribs, sandwiches, potato salad, baked beans, chicken wings

and more.

Sir George: This food is delicious!

Me: It sure is.

Vypra: We love a good holiday feast.

Dark Spicer: You said it.

Me: I'm looking forward to the fireworks though.

Lord Drakkon: Me too.

Xenia: Yeah.

Nightbird: Remember some of the times we celebrated this holiday?

Lord Drakkon: Boy those were so fun.

Qin: They sure were.

Me: Yep. Some of the best ever.

Lola: Yep.

?: Room for one more?

We saw an Orthworm.

Me: Cool an Orthworm.

Nico: Nice.

Orthworm: (In a girls voice) Happy Independence Day everyone.

Nico: Natalie Bradford!? Wow!

She reverted back and was a girl with blue hair, red clothes and had green eyes.

Natalie Bradford: Awesome to see you again Nico.

Nico: Same here.

Arcee: What's your favorite memory of Nico?

Natalie Bradford: When me and Nico took down a bunch of jewel robbers and Nico got me this awesome jewel pendant.

Me: (Whistles) That is beautiful.

Lola: It sure is.

Natalie Bradford: Yep.

Nico and Natalie hugged.

Nico: I've missed you.

Natalie Bradford: Same bere.

We had an awesome amount of food.

Me: (Eating ribs) Mmm!

Eli: (Eating Beans) Good beans.

Qin: All of it is good.

We had a lot of fun food. Horsea: Nico, which Gene Slammers do you think you'll meet next?

Nico: Houndstone, Flamigo and Cetitan.

Qin: Cool!

Xenia: That will be awesome.

Camie: It sure will.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than our old enemies, Tavington and remnants of the Harvester Aliens, and they've come back for one thing: revenge on us. When we saw it, we knew it

meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I had a vision and saw who it was that we're going to confront today: the figures I saw in the vision are none other than our old enemies, Tavington and remnants of the Harvester Aliens, and they've come back for one thing: revenge on us.

We gasped.

Nico: WHAT?!

Eli: Oh no!

Me: Oh shit, I can't believe it! But, this is perfect for our Fourth of July adventure, now we can get rid of Tavington and the remnants of the Harvester Aliens and send them all straight to The Black Gates for good.

Lincoln: The fights we started with those vile individuals years ago will finally be brought to an end, and we'll be rid of them for good.

Me: These must be remnants of them that were scattered all over the universe and when we blew up their home planet 2 years ago it sent out a distress signal and told them all about us doing so and now they are coming for revenge.

Camie: Who is Tavington and who are the Harvester Aliens?

Me: Tavington was a Revolutionary War Colonel that lived back 242 years ago. And the Harvesters are aliens that want to destroy all planets in the universe and exterminate all life to harvest their resources for themselves.

Everyone that hadn't heard about it gasped.

Cami: What can you tell us about them?

Me: They are not friendly guys.

Nico: Dude, Tavington's a monster. What kind of bastard kills a kid and a town of people?!

Juran: Who did he kill?!

Me: A lot of people back over 240 years ago

I went over their histories and they were awful.

HARVESTERS

The Harvesters are the main antagonists of the Independence Day franchise, appearing in the films Independence Day and Independence Day: Resurgence. They are a space-faring genocidal race of hostile alien species that destroy planets, and take their orders from their Queens, the overarching antagonists of the franchise. When they destroyed the Sphere's race, she rescued other aliens from the Harvesters.

Their vocal sound effects were provided by Frank Welker, who also did the vocal sound effects of Max 3000 in Man's Best Friend, Red Death in How to Train Your Dragon, Rudy in Ice Age: Dawn of the Dinosaurs, Ludmilla in Bartok the Magnificent, Sabor in Tarzan, Rhino in James and the Giant Peach and Mor'du in Brave.

In an unspecified time in the past, the Harvesters presented themselves as a threat to the universe itself, due to their plague-like nature. Attacking from their own homeworld, their empire encountered a highly-advanced civilization of trans-sentient beings which they pushed to the brink of extinction.

For thousands of years, the Harvester Empire has been at war against a coalition of many alien races, who lost their planets to the Harvesters. This war remains at a stalemate as the Harvesters could not locate their enemies' planet of origin. Because of this, the Harvesters attempt to hunt down a sapient artificial intelligence known as the Sphere for its vital information on their enemies. The remnants from this civilization escaped with technology that they stored at a sanctuary world, where they have since actively prepared species with the necessary tools to combat the Harvesters. Recognizing the beings as a threat, the Harvesters are determined to discover the sanctuary world and prevent the spread of the means that can defeat them.

The first recorded interaction between humanity and the aliens was in 1947, when an Attacker crashed on the Foster Ranch outside of Roswell, New Mexico. In the crash, two aliens were killed, while a third was seriously injured. The crashed ship, the two bodies and the injured alien were brought to the new Air Force installation outside of Rachel, Nevada called Homey Airport, (better known as "Area 51"). The survivor died within a matter of weeks. Over the next 49 years, scientists at Area 51 studied the Attacker, attempted to repair it and studied the physiology of the three alien corpses. However, none of the technology of the Attacker could be accessed, either for experiments or reverse engineering, as there was no Mothership nearby and human technology were unable to duplicate the power source of the Attacker.

Vietnam War veteran Russell Casse claimed to have been abducted by the aliens in 1986, with the purpose of conducting horrific experiments upon him. However, the veracity of these claims are debatable and as such, Casse was largely dismissed for suffering Post-Traumatic Stress Disorder (PTSD).

On July 2, 1996, a Mothership arrives at the Moon and begins to transmit command signals into Earth's satellite system. During this time, a number of satellites crash into the Mothership, which significantly disrupts terrestrial communications. After establishing a permanent position, the Mothership deploys three dozen city-sized City Destroyers to position themselves over major cities. The signal progressively becomes weaker after every new transmission, with the end of the signal indicating when each City Destroyer should fire upon cities.

On July 3, 1996, humanity is devastated, as the largest cities are now in ruins and hundreds of millions of people are dead. The City Destroyers move on to other major cities, with the intention being to destroy every last one within a matter of days. There are a number of attempts by humans to defend themselves against the City

Destroyers, but each of these ends in utter failure, while the alien casualties are minimal, with only one reported crashed Attacker.

On July 4, 1996, the tide of war takes an abrupt turn. In the early Nevada morning, the captured Attacker from 1947 is deployed from Area 51 by the humans, with Captain Steven Hiller piloting and computer scientist David Levinson as a passenger. The Mothership summons the Attacker and docks it in the center of the ship. Levinson connects to the aliens' internal network and uploads a computer virus that disrupts the Mothership's systems and causes the shields to go down for fifteen minutes. With this slim window of opportunity, the United States Air Force manages to destroy a City Destroyer when Casse goes kamikaze into the primary weapon. This strategy is shared with other nations and the City Destroyers everywhere are destroyed. A City Destroyer that previously landed and drills into the earth's crust in the Congo issues a distress signal, calling for other civilizations to come to their aid. Soon after, Hiller and Levinson shoot a nuclear missile into the transport hub of the Mothership and escape. The Mothership then explodes, thus ending the first invasion.

In the twenty years following the first invasion, humanity has worked industriously to prepare for another global threat. The nations have unified to create a defense grid around the planet and Moon that cannibalizes the Harvester's technology from the debris of the first invasion.

A massive Harvester Mothership in the midst of a mission receives the distress beacon from the first mission. Infuriated, the Queen orders an assault on Earth. Their enemy, the Sphere, arrives shortly before they arrival of the Harvester Mothership, but is mistaken for the aliens, so it is shot down by the humans. The Harvester arrives and promptly disables Earth's defenses and situates itself over the Atlantic Ocean.

Upon detecting the presence of the Queen, the humans launch a defensive strike against the Harvester Mothership, with the intention of killing her. Predicting this move, the Queen allows the humans close to her, then has Attackers swarm the scene. A sparse number of humans infiltrate the Harvester and crash land in the ship's interior ecosystem, due to an electromagnetic pulse issued.

The Sphere is activated, which prompts lures the Queen's ship. Taking advantage of her determination, Levinson reroutes the signal from the Enemy to a space tug carrying cold fusion bombs, piloted by former President Whitmore. Through a sacrificial mission, Whitmore flies into the Queen's ship and detonates the bombs directly in front of her. The Queen, however, survives and continues her pursuit of the Enemy. Upon snagging the Enemy, the Queen is attacked and killed by ships piloted by Dylan Hiller and Jake Morrison. With the death of the Queen, the aliens go catatonic, the Harvester releases its grip on Earth and the second invasion ends.

## COLONEL WILLIAM TAVINGTON

Colonel William Tavington is the main antagonist of the 2000 historical war film The Patriot. He is the subordinate of General Cornwallis & Benjamin Martin's archenemy.

He was portrayed by Jason Isaacs, who also played Colonel Mekum in Soldier, Lucius Malfoy and the Basilisk in the Harry Potter film franchise, Captain James Hook in the 2003 Peter Pan film, Zhao in Avatar: The Last Airbender, Ra's al Ghul in Batman: Under the Red Hood, Satan in Castlevania: Lords of Shadow, The Grand Inquisitor in Star Wars Rebels, Dr. Heinreich Volmer in A Cure for Wellness, Dracula in Monster Family, Gabriel Lorca in Star Trek: Discovery, SkekSo in The Dark Crystal: Age of Resistance, Billy Butcher in The Boys Presents: Diabolical, and Dick Dastardly in Scoob!.

When a young man named Gabriel Martin signs up to join the Continental Army during the American Revolution in 1776, he is eventually forced to return home to his father, a French and Indian War veteran named Benjamin, and his six siblings following the Siege of Charleston. The wounded Gabriel is accompanied by many British and American soldiers who were also injured during the battle, but as Benjamin and his family take care of them, Tavington and his Dragoons appear in an attempt to arrest Gabriel. When Benjamin's son Thomas tries to free Gabriel from Tavington's men, Tavington shoots him dead. As Benjamin grieves for his son, Tavington has his house burned down and orders every wounded American soldier to be executed. Benjamin and his other two sons, Nathan and Samuel, track the redcoats holding Gabriel and brutally murder them. Tavington hears this news from a lone survivor, though he is unable to discover who is behind the massacre and labels the assailant as the "Ghost".

Benjamin is soon given the rank of colonel by his former commanding officer, Colonel Harry Burwell, and he and Gabriel then plan to fight the British forces. Lord Cornwallis, a general in the British army and who Tavington is serving under, discovers that the "Ghost" and his followers have been attacking his units, stealing his belongings (including his two Great Danes given to him by King George III) and destroying his ferries heading to Charleston. An irritated Cornwallis blames Tavington for provoking the attackers with his brutal mannerisms, yet Tavington manages to persuade Cornwallis to allow him to use these mannerisms to deal with them. Tavington goes out in search of the identities of some of the assailants and kills their families before burning their houses down. He discovers Benjamin's identity and travels to the house of Benjamin's sister-in-law, Charlotte, who is looking after his children. Tavington and his men search the house but Charlotte and the children manage to hide from them. Tavington later rides to the town that supplies Benjamin's forces and assembles its inhabitants within the church, claiming that they will be forgiven for their actions if they reveal to him where Benjamin's secret hideout is located. One man reveals the location to him but Tavington has the church burned down anyway, killing everyone inside, including Gabriel's new wife Anne.

Gabriel hears word of Tavington's slaughter and furiously attacks him and his men at their encampment. When only Tavington remains, Gabriel shoots him and he collapses to the ground. Unsure if he is dead or not, Gabriel approaches the body in an attempt to stab him, only to have Tavington rise up and stab Gabriel himself before fleeing. Benjamin arrives and cradles his dying son in his arms, but manages to gather enough strength to continue fighting after being reminded of Gabriel's dedication to the cause.

Benjamin, his followers, and a Continental Army regiment later attack Cornwallis' forces in a grueling battle, during which Tavington targets Benjamin personally. Benjamin manages to knock Tavington off his horse and prepares to shoot him, but ends up hitting him in the shoulder after an explosion distracts his aim. Tavington attacks

Benjamin with a sword and despite Benjamin's attempts to block him, he is soon beaten and Tavington prepares to deliver the final blow. However, Benjamin ducks just in time and grabs a bayonet lying nearby before stabbing Tavington in the gut. Tavington stumbles and gasps, and Benjamin finally avenges his two sons by stabbing Tavington once more through the throat, killing him.

After Tavington's death, General Cornwallis and his men surrendered in 1781 in Yorktown Virginia and giving the USA their independence.

---

When I was finished everyone was shocked and horrified and enraged.

Applejack: WHY THAT NO GOOD EVIL SIDEWINDER!

Apple Bloom: WHAT A HEARTLESS JERK!

Nico: YEAH! He killed Benjamin's son and family and killed numerous people! He's a monster!

Nico: Benjamin Martin's son didn't deserve to die like that!

Me: Yeah that monster is one that is going to get the black gates!

Xenia: We're going to have 240 years of justice to dish out on him!

Qin: YEAH!

Nico: Yeah and now we're going to kill both threats.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the team of evil female dodgeball players from Hazeltucky, and they've broken out of prison and they still want to kill Lincoln, fat chance of that happening. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Celeste, you're so not going to like it one bit: the figures we sensed belong to the team of evil female dodgeball players from Hazeltucky, and they've broken out of prison and they still want to kill me.

We gasped.

Anna Anyanova: Those bitches are back?! I thought we sent them to prison after we defeated them on Nico's rescue, along with the team of evil female dodgeball players from Hazeltucky Lynn hired to kill you and Celeste.

Celeste Niji Draconia: Yeah, and now, the dodgeball team whom were defeated by you guys during one of Nico's rescues have broken out the team whom Lynn hired to kill us, and now, they've come together to kill Lincoln again?! Like Hell am I going to let that happen, those bitches are dead: worse than dead!

Nico: I should've known those bitches wouldn't stay down!

Me: They're from Hazeltucky, and they have a reputation for harboring hatred for Royal Woods and are just flat-out evil thanks to Hawk and Hank.

Nico: I would've thought with their deaths and banishments to The Black Gates, the evil hanging on Hazeltucky would end, but that evil would never die unfortunately. Alright, gang, let's go, the time to finally get rid of Tavington and the remnants of the Harvester Aliens for good has come!

Lincoln: Tavington has caused enough trouble because of his treachery and the remnants of the Harvester Aliens will never return to plague Earth, and once we get done with destroying Tavington and the remnants of the Harvester Aliens, you better be ready for dodgeball seasons, you dodgeball bitches from Hazeltucky.

Celeste Niji Draconia: You shouldn't have tried to come back for more, now we'll finish what was started long ago, and this time, we'll make sure that you never ever come back!

Lincoln put up a rainbow energy field around The World Tree Estate and went to the ship and we headed out to destroy Tavington and the remnants of the Harvester Aliens, and once we get done destroying Tavington and the remnants of the Harvester Aliens, Lincoln and Celeste Niji Draconia are going to destroy the massive teams of evil female dodgeball players from Hazeltucky.

We head out to the planet Tatooine.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 8021.3: The U.S.S. Valorous Phoenix is en route to the planet Tatooine to destroy the Harvesters Aliens and Colonel William Tavington. For the 4th Of July we're going to make sure those monsters all get the black gates for good.

Eli: Tavington is going to pay.

Nico: Did I mention that he killed Gabriel's Fiancée Anne.

Qin: What a dirtbag!

Xenia: Yeah!

Laney: Yeah!

Xenia: We're going to rip that monster apart.

Vypra: You'll need these too.

Vypra gave us new weapons called the Saviors of The Fourth of July, they're a massive collection of massive greatswords with embedded colored gems and the American Flag etched on the 7'5" massive, wide, double-edged gold blades and blessed by the powers of Heaven, large gold wolf heads for the crossguards, large white angelic faces built into both sides of the hilts with large colored gems embedded in the foreheads, longer midnight black handles, four large wolf heads with colored gems for eyes and on the bottom of the four large wolf heads are large gold wolf heads with colored gems in their mouths for the pommels.

Nico: I actually watched that movie up close.

Qin: Whoa!

Xenia: Awesome.

We arrived at the planet Tatooine. We called all our allies from all over the universe to help us.

In Mos Espa we landed and we had everyone gathered. The Jedi and everyone were keeping everyone ready.

Me: We're ready Mr. President. This is going to be the biggest attack ever.

Qin: Yep.

President Whitmore: In less than an hour aircrafts from here and us will join others from around the universe and you will be launching the largest aerial battle in the history of the universe. Universe, that word should have new meaning for all of us today. We can't be consumed by our petty differences anymore. We will be united in our common interests. Perhaps it's fate that today is the 4th of July and you will once again be fighting for our freedom not from tyranny, oppression, or persecution but from annihilation. We're fighting for our all of out rights to live, to exist, and should we win today the 4th of July will no longer be known as an American or an Earth holiday but as the day when the Universe declared in one voice, "We will not go quietly into the night. We will not vanish without a fight. We're going to live on. We're going to survive. Today we celebrate our Independence Day!"

Me: AND THAT INDEPENDENCE DAY IS FREEDOM FROM THE HARVESTERS!

EVERYONE CHEERED WILDLY!

We were ready.

Nico: Whitmore, it really is good to have you back.

President Whitmore: It's good to be back Nico.

Xenia: We're so glad.

Camie: Yeah.

Nico: Not to point fingers but your death affected Lincoln badly

President Whitmore: Yeah I can tell it did. I saw what happened to him from Heaven. That was terrible.

Lincoln: But after seeing you back I'm better now.

President Whitmore: I'm glad you're better.

Nico: We all are.

Me: Lets get ready guys.

Xenia: Yeah.

Nico: Here we go.

Maria: No telling what the asshole has planned.

Me: Yep.

Nico: Here we go.

We then got ready and we got into our planes and ships and we were off.

The U.S.S. Valorous Phoenix was ready to launch an orbital attack from above.

We were flying and fighter jets and starships were flying with us.

We saw THE HARVESTERS SHIP! The last one! It was a SHIP THAT WAS AS BIG AS HALF OF THE ENTIRE PLANET!

Me: HOLY FUCKING SHIT!

Xenia: That is huge!

Lola: WHOA!

Me: This is it guys! Fire at will!

We fired missiles and energy blasts at the ship and they hit the ship and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

We caused a significant amount of damage to the ship and blew 25% of the ship apart.

Lincoln: Yeah!

President Tom: Wow! That did it!

Then a massive armada of alien fighter ships came.

May: Here they come!

Luan fired a massive blast of light and blew some of the ships apart.

Eddy: (shoots aliens with blaster) HAPPY INDEPENDENCE DAY, MOTHERFUCKERS!

The ships were exploding all over the place as fiery debris.

Maria: (shoots water at aliens) You just had to attack the Earth on the 4th of July!

The water made one of the aliens collide with another ship and they exploded.

Lola and Suzi fired massive blasts of fire and energy and many ships exploded.

G1 Soundwave: (shoots at aliens) Independence Day aliens: about to die.

Soundwave fired blasts from his Concussion blaster and he destroyed a lot of ships.

Me: Lets cut these aliens down to size! Rolling Cutter!

I activated Cut Man's Rolling Cutter and fired a scissor blade and they sliced and diced the ships.

Laney: YEAH!

Laney fired waves of fire and blasted the Harvester Ships all over!

Massive fiery explosions blasted off everywhere and blew them apart.

Lola: YEAH!

Nico: Where's Tavington?!

Me: He could be in any one of these ships!

I fired a blast of energy and blew many ships apart and blasted them all over.

Laney: YEAH! Take that!

Lincoln and Linka fired massive blasts of lightning and blew many ships apart!

Eli and Varie and Nico fired a massive energy blast and it hit the mothership and blew the entire Mothership into pieces!

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE FIERY EXPLOSION!

Nico: OH YEAH!

The ship went down and was blasted to rubble!

Nico: That's it for the mothership!

Laney: We still have the fighters.

I fired waves of energy and blew the fighters all over. Then in one of them I saw a human pilot and it was COLONEL WILLIAM TAVVINGTON!

Me: That one there!

I fired a light blast and marked it!

Me: That ship right there!

Nico: I see it! We need to destroy his ship and get him on the ground.

President Whitmore: I got him!

He fired machine guns and blasted him down and he fell to the ground and crashed.

Me: BOOYAH!

WE blasted the rest of the ships.

Me: Nico you face Tavington. I can tell you have some anger with him.

Nico: With pleasure!

Nico flew down to face him.

Tavington got out of the ship and he was pissed.

Nico: I've got 242 years of pain to dish out of you Tavington!

Nico looked at him with absolute hatred in his eyes!

Nico: You're gonna pay for what you did to Thomas. And to Anne.

Tavington: (oddly solemn) (British Accent) It's laughable that you're angry at me for the deaths of two minor civilians. They were the ones that got in the way. I exist only to protect England. That is the sole purpose for which I was born. And every action I take, no matter how violent or how cruel, is for the greater good of my people. (gets angry) And now, I have no people to accept me back. My soul… that… is what you… HAVE TAKEN… FROM ME!

Tavington went at him and Nico and Tavington clashed with their swords and Nico kicked him back.

He got up.

Tavington: I'm going to make sure that they suffer! These pitiful Americans I will kill them all one and take them from you one by one!

Nico: You're worse than Hitler, Tavington! And I'm going to stop you!

They went and clashed powerfully all over the place and sparks flew everywhere as they clashed!

Nico kicked him in the face and Tavington spit out some blood.

Tavington There's only one way this ends, Chan. Either you die. Or I do!

Nico: Then I'll go with you dying because I don't die that easily!

They resumed clashing and massive fiery explosions blasted off above them as we were finishing off the last of the ships.

Nico punched him down and stood ready!

Tavington: I was bred to be a soldier, Chan. Trained my entire life to kill. Where did you train? in a house?!

Nico: As a matter of fact, YES I DID! I was born on the planet Vegeta and I was raised on Earth! I trained hard and got stronger every day.

Nico teleported and punched him in his face and then they got back to clashing.

Nico kicked him down.

Then he pulled out an 18th Century Musket Gun and pointed it at him and then fired and Nico caught the ball bullet with lightning fast speed!

Nico: This is the 21st Century. The Revolutionary War ended back 242 years ago. It's over for you Tavington. You lost that war back then.

Nico punched him down and stood ready!

Tavington: I was bred to be a soldier, Chan. Trained my entire life to kill. Where did you train? in a house?!

Nico: As a matter of fact, YES I DID! I was born on the planet Vegeta and I was raised on Earth! I trained hard and got stronger every day.

Nico teleported and punched him in his face and then they got back to clashing.

Nico kicked him down.

Then he pulled out an 18th Century Musket Gun and pointed it at him and then fired and Nico caught the ball bullet with lightning fast speed!

Nico: This is the 21st Century. The Revolutionary War ended back 242 years ago. It's over for you Tavington. You lost that war back then.

Tavington: (sees a few civilians) If you love these people so much, you can mourn for them! (aims at them)

Nico teleported and kicked the gun out of his hands.

Nico: Nice try Tavington. But you will never be as fast as me. You're just an outdated joke.

Nico kicked him in the face.

Skywarp fired at several ships.

Skywarp: Boy the ships are still everywhere!

Numerous ships crashed onto the ground!

Nico kicked Tavington all over and then punched him into the sand!

Camie: What do these aliens look like?

Then a soldier of the Harvester came out of a ship and it was UG-

LY!

---

Physically, the Harvesters are no more or less durable than humans, having similar tolerances to environmental conditions as humans and capable of breathing oxygen. However, they are much more slender in appearance than humans, with a quasi-humanoid body without their bio-suit. Somewhat shorter than humans, Harvesters are small, bluish-gray creatures, standing between 3 to 4 feet. They have two long arms and feet each with two digits. The rear section of their head is enlarged, and their face sported two large pupil-less reflective eyes that feature white nictitating membranes in lieu of eyelids.

Lacking vocal cords, Harvesters communicate by using a sophisticated form of telepathy which could be use to exert mind control to "possess" other beings, or at least partially; by attaching tentacles from their bio-suit to the victim's necks and using their vocal cords to communicate their words with a non-telepathic species. Despite this, they can still be heard uttering bestial roars, as demonstrated by the Harvester pilot when encountering Hiller and later when using Okun as a puppet.

In some cases, the Harvesters are also shown to be capable of projecting their thoughts into another lifeform's mind in the form of visions, and killing or injuring other lifeforms with their telepathy. The aftermath of the War of 1996 revealed that this direct mind-to-mind contact with humans leave a residual effect; in which humans share consciousness with the aliens, as shown by some humans (such as Dr. Brackish Okun, Thomas Whitmore and Dikembe Umbutu) having first-hand visions of the Harvesters.

A neural connection with the Harvesters, presumably can be made through physical contact with an alien, or by suffering its own telepathic assaults. Some encounters result in lengthy comas, while others can pass briefly, leaving the host with a permanent connection to the alien hive mind. The hive mind seems to be activated when in close enough proximity to approaching alien entities, or if a telepathic pulse is being dispersed throughout the collective horde. Alien messages and specific dialogue can also be broadcast and intercepted through this connection. Despite this, humans with a connection to the hive mind cannot communicate back with telepathy because they do not have extra-sensory perception.

The Harvesters are an extremely advanced species in both terms of technology and sophistication. They have mastered the construction and operation of directed energy weapons, energy shields, and massive, gargantuan spacecraft. However, they are noted to have reached a plateau in which they have made no major advancements in at least decades, as their success rate has not necessitated them. As linear travel is inefficient, the aliens instead utilize wormholes to significantly decrease the duration of their journeys.

Their technology is both mechanical and biological in nature, hence their very organic appearance. In essence, their technology and material are 'grown' rather than manufactured.

Due to their naturally frail physiology, the Harvesters enhance themselves by wearing large, armored bio-suits that significantly enhance their strength and make them extremely dangerous in a physical confrontation. These suits are equipped with large arms and legs, as well as a series of tentacles that are not only effective in combat, but also allow the aliens to take over the minds of their victims and speak for them.

A Queen's suit is also larger and more insectoid. It appears that the Queens may have provided some inspiration for the design of these suits due to their broader physical appearance that more closely resembles the suit. Although extremely durable to the extent that it compensates for their fragile nature, the bio-suits nonetheless are only capable of withstanding a direct blow to the "face" enough to merely knock them unconscious, as evidenced by the Harvester pilot when Hiller forced it to crash land, where he proceeded to punch it in the face and caused it to be left unconscious for several hours until it awoke in Area 51.

The aliens travel across space in massive motherships that are around 5,000 km in diameter. These massive ships are controlled by a Harvester Queen, the main individual of the alien species that can order the release of numerous motherships, which are still considerably large and measure approximately 400 km in diameter. Each ship has 83 City Destroyers, with a diameter of 25 kilometer. Many motherships exist, each commanded by a respective Queen. When one Queen is killed in action, her ship and fleet are called back to the horde of other Harvesters for a new Queen to take over.

Inside these massive ships exist vast ecosystems and even indigenous plant life. Harvester motherships provide entire ecosystems and use planetary cores for fuel. Their purpose is to extract a planet's core for means of refueling and growing Harvester technology.

As demonstrated in the War of 1996, the Harvesters' military tactics consist of large-scale attacks, destroying a planet's major cities simultaneously using the Destroyers, wiping out the indigenous military forces, and following afterward gathering its natural resources and drilling into the planet's core and harvesting its thermal energies. This act would neutralize the planet's magnetic field and thereby allowing solar radiation to incinerate the planet's surface. This was apparently the same process they would use every time they invade a habitable world.

No other Harvester ship was known to be in the vicinity of Earth during the War of 1996. The events of the War of 1996 suggest that the motherships may frequently function as independent agents in the invasion of planets as a first line of offense, with the primary goal being to eradicate any and all armed resistance on the planet. Additionally, one or more City Destroyers may serve as priming agents in the extraction of resources, such as the one City Destroyer that landed in the National Republic of Umbutu and began drilling.

This process could possibly be due to the overwhelming technological advantage of the aliens, who may usually not need to deploy a larger and more powerful solution to subdue a civilization, and instead deploy units in such a fashion so as to make invasion and resource extraction across large numbers of planets as efficient as possible. After the aliens were repelled in 1996 and the distress call was sent, the arrival of the much more massive Harvester mothership could be seen as an unusual "escalation" of an event that typically does not merit such a response, requiring the Harvester mothership to perform both the roles of offense and extraction.

Camie: WHOA!

Qin: See they are UGLY!

I fired waves of energy and blasted the Harvesters all over.

Lola: Take that!

Lola fired waves of fire and blasted them into dust.

Camie: YEAH!

Lola: And this!

Lola fired waves of fire and blasted them all over.

Thundercracker: Take them down!

He blasted them into dust.

Nico punched Tavington all over and punched him down.

Nico: You make me sick Tavington! All those people did nothing to deserve death! They were just INNOCENT people that didn't deserve to die!

Horsea: Keep it coming, guys!

We continued blasting numerous ships all over!

Arcee, Nightbird, Zecora and Sir George used the Earth and Autobot Cyber Planet Keys and they enhanced Arcee and Nightbird's weapons and Zecora and Sir George's powers 100-fold.

Arcee and Zecora: VOODOO AUTOBOT BLAST!

Sir George and Nightbird: ENGLAND RETRIBUTION FURY BLAST!

They fired waves of energy and elements and blasted the ships all

over!

Manaphy: Awesome!

Lincoln: Light me!

I lit it.

Lincoln: GO TO HELL, TAVINGTON! AND TAKE YOUR FRIENDS WITH YOU!

The firework went at Tavington and it was infused with massive black energy blasts and the firework hit Tavington and the remnants of the Harvester Aliens, and the massive firework exploded and they were sent to The Black Gates forever!

EXTREMELY MASSIVE AND DAZZLING FIERY EXPLOSION!

Nico: Thanks, guys!

Me: That was AWESOME!

Nico: That's the end of our long feud with Tavington and the remnants of the Harvester Aliens, awesome job, gang.

Qin: YEAH!

WE ALL CHEERED WILDLY!

The Harvesters and Tavington are all now a forgotten memory!

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: The Hazeltucky Female Dodgeball Players.

Celeste Niji Draconia: I knew there was no mistaking those voices from anywhere, you better get out here right now, Dodgeball Bitches from Hazeltucky, or we'll blast you all out!

A massive bunch of figures came out, and they're none other than The Hazeltucky Female Dodgeball Players.

Dodgeball Player: DIE!

The Hazeltucky Female Dodgeball Players continued throwing dodgeballs at the diamond barrier, but the barrier continued holding strong, and it was making them even more pissed off.

Celeste Niji Draconia: You dumb animals still have small brains as always, and yet, you're still driven by wrath and bloodlust. That's it, now you bitches are done.

Suddenly, Celeste Niji Draconia's blue eyes turned neon blue and she was surrounded by a white and rainbow energy aura with stars, rubies, topaz gems, amber gems, emerald gems, sapphire gems, cobalt gems, amethyst gems, carbuncles, tigers, mammoths, eagles, tortoises, cats, dragons, light, earth, water, phoenixes, and angels, she unholstered her massive Crystal Beasts-themed greatsword from her back, and as she approached The Hazeltucky Female Dodgeball Players, she left white and rainbow energy, stars, rubies, topaz gems, amber gems, emerald gems, sapphire gems, cobalt gems, amethyst gems, carbuncles, tigers, mammoths, eagles, tortoises, cats, dragons, light, earth, water, phoenixes, and

Celeste Niji Draconia: I can already see you Alpha Bitches from Hazeltucky haven't changed at all, and you're still out for blood as always. Did you really think you can come back again to kill Lincoln and not expect to suffer the consequences?! You're just as dumb and stupid as the day we knocked you out and sent you to prison, but now, you leave me no choice but to resort to the one thing that'll ensure you all never return! Prepare to suffer the consequences!

Suddenly, Celeste Niji Draconia was surrounded by a massive vortex of white and rainbow energy with, stars, rubies, topaz gems, amber gems, emerald gems, sapphire gems, cobalt gems, amethyst gems, light, earth, and water surrounding the vortex, there are carbuncles, tigers, mammoths, eagles, tortoises, cats, dragons, phoenixes, angels, and The Crystal Beasts and Rainbow Dragon flying around the vortex, and in the vortex is a white phoenix with the seven crystal gems on its wings and with red eyes glaring at The Hazeltucky Female Dodgeball Players: the red eyes of death. Then, as the vortex faded, Celeste Niji Draconia emerged, but she was changed forever.

Celeste Niji Draconia grew from 7'0" to 7'9" in height, she has the body of a goddess, she has colored highlights in the bangs of her long flowing red hair, she has neon blue eyes and a white and rainbow energy aura with stars, rubies, topaz gems, amber gems, emerald gems, sapphire gems, cobalt gems, amethyst gems, carbuncles, tigers, mammoths, eagles, tortoises, cats, dragons, light, earth, water, phoenixes, and angels surrounding her, she has the Seven Crystal Beasts and Rainbow Dragon emblazoned on her forehead and Third Eye with rainbow iris and the seven crystal gems embedded in her right arm, she has on dragon earrings with rainbow gems for eyes and holding the Light, Aurora, and Eternity Kanjis in its claws, she also has the Seven Crystal Beasts and Rainbow Dragon with rainbow gems for eyes and holding the Light, Aurora, and Eternity Kanjis in their hands on the bottom of her rainbow dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems on the gold lightning bolts and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Celeste Niji Draconia felt a sharp pain on her back, and then, her massive rainbow angel wings with aurora tips on the large rainbow feathers grew much bigger for her new body and she now has eleven massive and long red wolf tails with rainbow tips and rainbow markings, she has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Celeste Niji Draconia's Crystal Beasts-themed greatsword and all of the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of white and rainbow energy, stars, rubies, topaz gems, amber gems, emerald gems, sapphire gems, cobalt gems, amethyst gems, carbuncles, tigers, mammoths, eagles, tortoises, cats, dragons, light, earth, water, phoenixes, and angels, and when it emerged, it was transformed into Celeste Niji Draconia's Holy Heavenly Aurora Light Crystal Beasts Greatsword of Holy Heavenly Aurora Light Crystal Beasts Justice, it's a brand-new massive greatsword with embedded rainbow gems and the Crystal Beasts and Rainbow Dragon etched on the 7'6" massive, wide, double-edged crimson red blade, large white dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with large rainbow gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white dragon head with red gems for eyes and rainbow gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with rainbow gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Crystal Beasts' heads with the appropriate gems for eyes and large rainbow gems in their mouths around the belt and a gold version of Rainbow Dragon's head with red gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a rainbow kanji below the Crystal Beasts and Rainbow Dragon that said, "Celeste Niji Draconia, Gene-Slammer of The Seven Crystal Beasts and Rainbow Dragon, Powerful Dodgeball Player, Loving Older Sister of Colleen Niji Draconia, Loving Guardian Angel and Future Wife of Lincoln Loud, Awesome Friend of Girl Jordan and Mollie, Smasher of Dark Lynn, Destroyer of The Hazeltucky Female Dodgeball Players of Destruction, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Crystal Gems, and The Crystal Beasts and Rainbow Dragon"

Suddenly, Celeste Niji Draconia's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Celeste Niji Draconia has transformed into SUPER ANGEL-CRYSTAL BEASTS-RAINBOW DRAGON-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA HOLY LIGHT AURORA SEVEN CRYSTAL GEMS CRYSTAL BEASTS MONSTERS GODDESS COSMIC HOLY LIGHT AURORA SEVEN CRYSTAL GEMS CRYSTAL BEASTS MONSTERS GODDESS JUSTICE AND DIVINE HOLY LIGHT AURORA SEVEN CRYSTAL GEMS CRYSTAL BEASTS MONSTERS GODDESS LOVE!

We were amazed by Celeste Niji Draconia's Super Angel-Crystal Beasts-Rainbow Dragon-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Hazeltucky Female Dodgeball Players of Destruction saw it, they went mad with rage and threw more dodgeballs with brutal strength at her to kill her, but Celeste formed seven crystal shields matching the Seven Crystal Beasts and blocked the dodgeballs, and she fired a massive barrage of white and rainbow energy, stars, rubies, topaz gems, amber gems, emerald gems, sapphire gems, cobalt gems, amethyst gems, carbuncles, tigers, mammoths, eagles, tortoises, cats, dragons, light, earth, water, phoenixes, and angels at The Hazeltucky Female Dodgeball Players of Destruction, and they exploded as they hit them, they got back up, but now, they were absolutely pissed and driven mad by wrath and bloodthirst.

Colleen Niji Draconia: (AMAZED) WHOA!

Nico: OH MAN!

Lincoln: Awesome, Celeste Niji Draconia's transformed into her Super Angel-Crystal Beasts-Rainbow Dragon-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we teach The Hazeltucky Female Dodgeball Players of Destruction a painful lesson they'll never forget.

Celeste Niji Draconia: (Divine Echoing Godly Voice of The Holy Light Aurora Draconic Seven Crystal Beasts Goddess Angel and Divine Cosmic Holy Light Aurora Draconic Seven Crystal Beasts Goddess Angel Love) And it's one they'll take with them to the grave. Let's tear those bitches to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Celeste Niji Draconia.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You rotten Hazeltucky Dodgeball Players have caused us enough trouble to last an eternity, this is where it ends with your lives destroyed for good!

Celeste Niji Draconia and Lincoln went after The Hazeltucky Female Dodgeball Players of Destruction who continued throwing dodgeballs at them, but they dodged and blocked them all with jewel shields, and they fired extremely powerful blasts of rainbow energy, white and rainbow energy, fireworks, rainbows, storm clouds, gold

halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Hazeltucky Female Dodgeball Players of Destruction and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he and Celeste Niji Draconia also attack him with some powerful punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving The Hazeltucky Female Dodgeball Players of Destruction even madder than ever!

Hazeltucky Female Dodgeball Players of Destruction: WE'LL FUCKING KILL YOU, STINKOLN!

The Hazeltucky Female Dodgeball Players of Destruction threw more dodgeballs at Lincoln, but he had dodged all of them thanks to his dodging skills and parkour skills. Then, he threw dodgeballs that he made of the seven crystal gems right at them, and they hurt like Hell when The Hazeltucky Female Dodgeball Players of Destruction got hit hard, this knocked out their teeth and made their mouths bleed like crazy. Then, Lincoln and Celeste Niji Draconia fired powerful blasts of white and rainbow energy at them, which destroyed The Hazeltucky Female Dodgeball Players of Destruction and sent their asses to The Black Gates. We cheered wildly for what Celeste Niji Draconia and Lincoln did as they holstered their massive greatswords and powered down, and Celeste Niji Draconia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive rainbow angel wings are permanent.

Celeste Niji Draconia: Burn in Hell forever, Hazeltucky Female Dodgeball Players of Destruction. Thank you for helping me get rid of The Hazeltucky Female Dodgeball Players of Destruction forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Celeste.

Suddenly, Celeste Niji Draconia wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Celeste Niji Draconia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Seven Crystal Beasts and Rainbow Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light shining down from Heaven on them and gems raining down on them and we cheered wildly. Then, Lincoln and Celeste Niji Draconia absorbed the elemental forces and light and collected the gems and they came back to us as the display vanished.

Colleen Niji Draconia: Oh man, that was truly incredible! Linky, Celeste, that was truly some amazing work, you both showed The Hazeltucky Female Dodgeball Players of Destruction no mercy, and you sent those Alpha Bitches straight to Hell for good!

Lincoln: And by Hell, we mean The Black Gates.

Celeste Niji Draconia: They've caused enough trouble to Royal Woods for too many years, now they can join Hawk and Hank in The Black Gates forever.

Suddenly, the eyes of Hilary Thestalos, Charlene Novamenova, Leina Mobius, Nika Zaborg, Gina Granmorg, Varie Raiza, Darcy Erebus, Dawn Ehther, Luna Angmarl, Alina Kuraz, and Raven Delg glowed, and it showed them of what's going to happen tomorrow and the days to come: it appears their evil older brothers, Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg, have broken out of prison and they want revenge on their sisters and Lincoln, and even worse, they also Gene-Slammed themselves into The Elemental Monarch Duel Monsters. When we all saw it, we knew it meant huge trouble.

Lincoln: Girls, what's wrong?

Hilary Thestalos: Linky, we've got huge trouble: they're back.

Lincoln: (GASPS) Them, you mean, your evil older brothers, Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg?! Them, them?!

Nico: Whoa, they sound like they're bad news. Who are they?

Lincoln: You're right about one thing, J.D., they're bad news, and you're not going to like it. Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg are the evil older brothers of Hilary Thestalos, Charlene Novamenova, Leina Mobius, Nika Zaborg, Gina Granmorg, Varie Raiza, Darcy Erebus, Dawn Ehther, Luna Angmarl, Alina Kuraz, and Raven Delg, and they're no heroes like their sisters, they are eleven of the most dangerous criminals and thugs Royal Woods has ever had the displeasure of knowing, and they also worked for Flip.

We gasped.

Lincoln: Yep, and six years ago, we stopped them and Flip who tried to destroy the world economy with a grand extortion scheme, but while Flip got away from the cops as usual, Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg got captured and they got sentenced to Life in Prison for the rest of their lives.

Hilary Thestalos: We thought it would be over, but we were wrong. Now, a year later, they've broken out of prison and they want revenge on us and Lincoln, and even worse, they've also Gene-Slammed themselves into The Elemental Monarch Duel Monsters.

We gasped in horror.

Nico: Oh shit, so tomorrow, we've got ourselves an epic showdown of Elemental Monarchs of Good VS. Elemental Monarchs of Evil.

Me: Yep. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Trina Traverse, Keyblade Knight of Traverse Town.

Tina Traverse: My little sister, that's awesome.

Michelle Emperyous: Whoa! I knew you'd pick her, Lincoln, and you're going to love meeting her, guys. Trina Traverse is Lincoln's Guardian Angel from Michigan and the younger sister of Tina Traverse, Sailor Soldier of Traverse Town, she's a Keyblader and she harbors a very very nasty hatred for Julius, the monster from Runaway Brain, and all the Heartless in General as well as what they did to her home before including separating all 99 puppies from Pongo and Perdita. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Yuffie, Leon, Aerith, and all their friends on the Destiny Islands including Sora's mother and she's a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Now, that's awesome.

Riku: We haven't seen Trina in a long time as well.

Pongo: Same here.

Perdita: It'll be great to see her again.

Sora: You said it.

Nico: Best way to spend 4th of July!

Me: Boy I'll say!

Qin: This was so awesome!

Camie: OH YEAH IT WAS!

Xenia: YEAH!

President Whitmore: It's good to help you guys after so long. Lincoln, I'm sorry you had to suffer because of my death.

Lincoln: It's okay Mr. President. I'm glad you're back sir.

Me: We all are.

Nico: Yep. Great job today everyone! And happy Independence Day!

Manaphy: Let's celebrate!

We went back home to Earth and then we saw the Fireworks go off and they were beautiful!

Me: WOW!

Nico: What magnificent fireworks!

Xenia: Yep.

(AMERICA THE BEAUTIFUL PLAYS)

Oh beautiful for heroes proved

In liberating strife

Who more than self, their country loved

And mercy more than life

America, America may God thy gold refine

'Til all success be nobleness

And every gain divined

And you know when I was in school

We used to sing it something like this, listen here

Oh beautiful, for spacious skies

For amber waves of grain

For purple mountain majesties

Above the fruited plain

But now wait a minute, I'm talking about

America, sweet America

You know, God done shed his grace on thee

He crowned thy good, yes he did, in brotherhood

From sea to shining sea

Me: (To the viewers) Happy Independence Day Everyone and an awesome 247 years of Freedom to all of you!

I winked at the camera and it closed in the form of a firework around my face and the flag of the United States waved in the background.

HAPPY INDEPENDENCE DAY!

Another awesome chapter done.

HAPPY INDEPENDENCE DAY TO YOU ALL!

Nico: Boy so this is Pahkitew Island.

Camie: Boy this island is amazing.

Me: Oh it's more than just an island. Look here.

I went over and opened a flap on a tree and it showed that the island was all a cybernetically robotic island.

Nico: WHOA! This whole island is a machine.

Me: Yep.

Eli: Boy this is amazing.

Xenia: That is awesome.

Me: Yep. Chris took me to this island and it's awesome.

Fu: Boy that is really cool.

Sari: I'll say. Boy it's amazing that everything is all cybernetic here.

Me: Yeah no kidding.

Nico: This will be so fun.

Qin: It sure will. I can't believe that Wawanakwa Island sunk in Lake Huron during the All Star season and they had to use this island.

Nico: I know.

Laney: Scarlet nearly blew this entire island to kingdom come and killed everyone.

Me: And all that just for $880,000.

Qin: Yeah.

Tyler Bowman: Boy this is really cool that this is here.

Qin: I know.

Camie: Yeah.

Nico: Tyler, I want to thank you, Touch and Go, and your teams for coming.

Tyler Bowman: No problem Nico. This is gonna be so fun and cool.

Rattrap: It sure will be fun for us. I think we're going to have a good rat fun on this.

Lola: We all are Rattrap.

Nico: Yep.

Sari: I'm looking forward to this. Lord Gaara is proud of me for helping you all out.

Me: He sure is Sari. Sari and Matsuri are Gaara's closest and strongest supporters. In 150,000 years they rooted him on in the Hidden Sand when they were starting out and also when he turned into the 5th Kazekage.

Nico: That is amazing support.

Me: It sure is.

Sari: Yeah we do our best to look out for Lord Gaara.

Qin: Wow! That is amazing loyalty there.

Nico: Sari, what do you like to do in your free time?

Sari: I mostly like to sell flowers at a flower shop in the Sand.

Nico: That's good.

Sari: And I like hanging out with Pakura, Maki, Temari and all my friends at the Hot Springs.

Me: That's cool. Just as long as Jiraiya doesn't do his usual antics.

Nicole: I hope he doesn't, or the beatdown we gave him during the Underwear Bandit Fiasco will be the least of his worries.

Xenia: Yeah no kidding.

Maria shuddered in fear.

Maria: That was HORRIBLE!

May: I know.

Nico: Selling flowers is pretty good.

Sari: Thanks. It sure is.

Qin: Yeah.

Nico: Boy yesterday was one of the most fun ever.

Me: Boy no kidding.

Laney: That was the best 4th of July ever.

Lincoln: You got that right.

Qin: We destroyed both Tavington and the Harvesters and rid the entire universe of a terrible threat and a monster that was a stain on America's history.

Nico: Thomas didn't deserve to die like that.

Me: No he sure didn't. But Nico you did great against Tavington.

Qin: You sure did.

Nico: Thanks. And he used Zod's lines like when Superman faced him.

Me: That was so cool.

Laney: Yeah.

Juran: Oh, please. He was no General Zod

Nico: No but those lines he used were a very similar form.

Me: Yeah but still that was awesome. And the best part of all that was President Whitmore making his speech.

Lincoln: That was awesome! And I feel so much better now that President Whitmore is back.

Me: Me too Lincoln. Boy that really hurt you psychologically didn't it.

Lincoln: Yeah it sure did. But it was mostly because of that Rebellion chip in me.

Nico: I definitely could've snapped Tavington's neck!

Me: Yeah you could've!

Nico: But that would've been too easy. I wanted to torture him a bit before the killing blow.

Lincoln: You're right on that.

Xenia: Yeah.

Nico: Qin, did Poromon give you a beer bottle?

Qin: He sure did. And all the Underground Girls got one too.

---

Sydney woke up to feel something under her pillow.

Sydney: What the!?

She found that it was a bottle of beer!

Sydney: Beer under my pillow!?

Sydney wasn't the only one!

Nanette, Sheila, Qin, Rice, Maxxine, Georgina, Kendra and Irene had one too!

Nanette: Poromon!

Sheila: Oh for crying out loud!

Rice: Poromon you are cute and silly!

Maxxine: Poromon!

Georgina: You cute little.

Kendra: Poromon you silly little!

Irene: You silly Mascot!

Qin: Poromon! You are the silliest ever!

FLASHBACK ENDS

We laughed at that one.

Me: (LAUGHS) Poromon you are so silly.

Nico: Yeah.

Juran: He's the beer fairy. What did you expect?

Nico: Yeah!

We walked around Pahkitew Island.

Me: Wow! There's the bonfire spot.

Nico: Wow.

Qin: Boy it's amazing that Chris and Billy did all this here.

Tsuyu: It sure is.

Laney: There's the Cannon of Shame.

We saw a huge Human Cannonball Cannon there.

Me: Whoa.

Nico: (WHISTLE) Wow what a cannon.

Me: And it has enough firepower to blast someone back to the Canadian Mainland.

May: For elimination.

Me: Billy had all sorts of torturous methods for eliminations.

Qin: He sure did. I saw him use a giant toilet, a catapult, this, and then he was going to use a drone.

Nico: A Drone?

Qin: That's what I heard.

Nico: Wow.

Kaito: He didn't get the chance.

Me: Thank goodness because we shut down Total Drama before he could get that opportunity.

Xenia: Yep.

Zarya Moonwolf: That's for sure.

Qin: Oh Billy was going to have a new cast on if the show continued. Take a look.

She pulled out a bunch of photos of new contestants that were going to appear.

We saw a bunch of them.

Nico: Not bad.

Me: Can you tell us who's who?

Qin: I sure can.

She pointed to one photo.

Qin: That's Bowie. He's a very strong LGBTQ kid and he is very competitive.

Me: Power to the Pride of LGBTQ.

Luna: Rockin dudes.

Nico: Yep.

Qin: (Points to Another Photo) That's Priya. She was trained from birth to be a champion of Total Drama. Her mom and dad are superfans of the show and they have trained her to master and dodge EVERYTHING that Billy McLean can throw at her.

Me: WHOA! She is one tough and spirited girl.

Qin: Yep. (Points to Another Photo) That's Millie. She's a journalist and writes awesome stories on people.

Me: Cool.

Xenia: Awesome.

Qin: Yeah. (Points to Another Photo) That's Julia. She is a girl that looks like a sweet girl. But she is a backstabber. Not as bad as Heather was but she does like a good competition.

Me: She'll be perfect for the M.O.E.

Qin: Same with Bowie.

Nico: Cool.

Qin: Yeah. (Points to Another Photo) That's Emma. She's a girl that was on another show and she is a very feisty one.

Nico: Neat.

Qin: Yep. (Points To Another Photo) That's Chase. He is Emma's Ex-Boyfriend and he is an amazing daredevil.

Me: Boy Kick Buttowski and me would have a lot of competition.

Qin: You sure would.

Rainbow Dash: That would be awesome.

Qin: It sure is. (Points to Another Photo) That's Zee. He's a laid back go with the flow kind of guy.

Me: Wow.

Qin: Yeah. (Points to Another Photo) That's Ripper. He is more like a fat version of Duncan and he is just as crazy. But he has a REALLY Crazy gift. He is a big time gas bag and farts much more than Owen and any of us. He's trying to break his record for the most farts ever released.

Me: WHOA! He sure looks like he can do it.

Nico: Boy no kidding.

Xenia: Yeah. He might even be in competition with Garby.

Nico: Yeah.

Qin: Yeah. (Points to Another Photo) That's Raj and Wayne. They are Hockey Superfans from Alberta.

Xenia: Cool!

Lincoln: Lynn would love meeting them.

Qin: She sure would. (Points to Another Photo) This girl here Mary-Kate is a pickpocket. She is a very skilled pickpocket and grabs valuables when people aren't looking.

Nico: Whoa! She would be perfect for the M.O.E.

Me: Yeah.

Qin: (Points to another Photo) That's Damien. He's a smart guy but he panics a lot.

Nico: Whoa.

Xenia: He does look like a smart guy.

Qin: Yep. (Points to Another Photo) This girl makes even Izzy look like a saint. That's Lauren and she likes to be called The Scary Girl. She is a Deranged Lunatic. She said she wants to make friends and then kill them and collect their skulls to talk to.

Laney: WHOA! She's a whackjob!

Lana: That girl belongs in a nuthouse!

Himiko: Yeah no kidding. But also she reminds me in every way of me back when I was a villain.

Qin: She looks like a mixture of you, Izzy and Harley Quinn.

Me: Boy what a nasty combination. No offense Himiko.

Himiko: None taken.

Nico: Lauren would definitely be in the M.O.E. Vypra will have to watch her very carefully.

Qin: (Points to Another Photo) That's Nichelle. She is a very famous movie star.

Lana: Cool!

Qin: Yep. (Points to Another Photo) That's Axel and you would like her. She is an awesome Zombie Apocalypse Survival Specialist. She said she has a 9.7 Zombie Apocalypse Survival Ranking.

Me: Whoa that's impressive.

Xenia: That sure is.

Nico: Yeah.

Qin: And lastly… (Points to the last photo) That's Caleb.

Me: Boy I know Caleb. He came to my high school on a Foreign Exchange program and we became great friends.

Nico: Awesome!

Xenia: Yep.

Maria: What can he do?

Qin: He is a heartthrob and a total stud and a dreamboat. He can swoon anyone over with his looks.

Xenia: Geez!

Qin: Yeah.

Me: Thank goodness they didn't have to go through what everyone did on Total Drama.

Nico: No shit. But some of these guys will make great recruits to the team and to the M.O.E.

Camie: I Agree there.

May: That's a good idea.

Nico: Yeah.

Qin: Also I heard rumors going around that Lauren might actually be possessed by a demonic force.

WE GASPED!

Lucy Loud: GASP!

Nico: That would not be good.

Xenia: Yeah. That could explain why she has a nasty obsession to kill.

Lola: Yeah.

Nico: We still don't know for sure.

Brittney: We'll have to see for ourselves.

Xenia: Yeah something is telling me that she wasn't always like this.

Camie: Me too.

Nico: Overall, these guys look interesting.

Me: They sure do.

But then a paper airplane landed in my head.

Me: Whoa. Huh?

I picked it out and then unfolded it.

Nico: What's that?

Me: A note. (Reading) "Team Loud Phoenix Storm, Next Rescue for Nico come to my house for Lauren the Scary Girl's parents, 1313 Rovington Dr. Winnipeg, Manitoba, Canada."

Qin: That note sounds like a call for help.

Nico: Yeah.

I put the note in my pocket.

Nico: That's nice and ominous.

Me: Well we'll worry about it next rescue tomorrow.

Lincoln: Yeah.

Qin: Yeah.

Lincoln: Okay, guys, we got a very huge emergency. I just got word that an evil version of Chris McLean is here.

We gasped.

Me: What?!

Lincoln used his cyborg eyes and found out Evil Chris McLean had set up traps all over the place to kill us.

Lincoln: And it gets worse: he'd set up traps all over the place to kill us!

Nico: That son of a bitch! I originally thought it was Billy McLean who broke out to get revenge on us, but Mr. Lynn told us Billy McLean was still chained up to his post in the restaurant.

Lisa Loud: And I confirmed Father's report, Billy McLean is still at the restaurant and chained to his post. Now, how shall we deal with the traps?

Lincoln: Eli, you and I better take care of the traps.

Eli: Right.

We went through the place, and Lincoln and Eli used the Force to disable the traps that Evil Chris had set up.

Qin: That was a great idea you had, Lincoln, you and Eli both took care of Evil Chris' traps, that'll get him so pissed off, he's bound to come after us.

Eli: You got that right. Lincoln, is he coming after us now?

Lincoln: Let me check. (Senses for Evil Chris McLean) AHA! Gotcha! Evil Chris is 20 yards from our location and he's already barreling towards us and he is already at Nth-Degree Fucked Up, he must have seen we'd disabled all of his traps, and now, he's finally come out of hiding to kill us himself. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. Anna, when we get back, give that fat mutant Hell!

Anna Anyanova: With pleasure.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Evil Chris McLean.

Me: Now for some fun. Time to torture him just like how Billy tortured our friends.

Nico: So much for your traps!

Me: Come and get some you malignant bald-headed torturer!

?: (ENRAGED NTH-DEGREE FUCKED-UP EXPLOSIVE SCREAM) YOU ALWAYS RUIN MY FUN! WHY CAN'T ALL OF YOU JUST DIE?!

Me: Yeah, fuck you too, asshole!

We then saw our target, Evil Chris McLean, and he was mad as Hell. He got out and threw a bomb at us, but Lincoln saved us by putting up a massive and powerful diamond barrier, and the bomb hit the barrier and exploded, but it stood strong, and that just made Evil Chris even angrier than ever and he was hitting the barrier with his fists, but that didn't work, but it did make his fists bloody, and then, he got out a bazooka and fired at it, it still didn't work: HE WAS ABSOLUTELY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

Nico: That fucker is absolutely out of his mind!

Lincoln: He's just as bad as Billy McLean, but unlike Billy, we're putting this animal out of his misery.

Lincoln fired a diamond ball at Evil Chris McLean which hit him in the face and sent him flying into a tree and Lincoln deactivated the barrier and we stood ready to fight Evil Chris McLean, who got back up, but now he was even more out of control and completely bat-shit rage crazy insane!

Evil Chris McLean: I'm not finished yet!

Evil Chris McLean hit a red button on his remote control and a massive bomb came out with enough power to destroy Pahkitew Island.

Evil Chris McLean: In two minutes, the bomb will detonate and destroy the entire island taking you all with it, YOU'RE ALL DEAD, LOSERS! (LAUGHING MANIACALLY)

Lisa Loud: You psychopathic madman!

Me and Nico: YOU'RE FUCKING INSANE!

Lisa Loud: My sentiments exactly, and someone needs to put you down for good.

Lisa used her powers and de-activated the bomb, and that angered Evil Chris to no end.

Nico: YEAH! Nice one, Lisa!

Lincoln: That's my little sister. (To Evil Chris McLean) Sorry, bastard, but your big finale's failed, and because of that stunt you pulled with the bomb, you've just sealed your fate!

Nico: What wire would you have cut?

Lisa: The red wire. It's that obvious.

Me: Now it's time for our own big finale! (SIGHS) May God forgive me.

I pulled out a bucket of chum!

EVERYONE GASPED IN HORROR!

Nico: Oh MAN! IS HE GOING TO DO WHAT I THINK HE IS!?

Eli: HE WOULDN'T!

I then ate the bucket of chum.

Laney: OH MAN! HE WOULD!

My stomach rumbled violently!

Nico: HE'S GOING TO BLOW!

EVERYONE DUCKED AND COVERED!

BUT THEN…

EXPLOSIVELY LOUD PROJECTILE VOMIT STORM!

I HURLED MY GUTS OUT ALL OVER EVIL CHRIS MCLEAN! SATURATING HIM IN A DELUGE OF VOMIT!

Nico: OH SICK!

Eli: THAT WAS GROSS!

Luna then fainted.

FWOMP!

Lana: That… Was… AWESOME!

Tsuyu: GEEZ! What a vomit storm!

Lola: Boy that was funny and gross!

Nico: How'd you like that?

Qin: Boy he is going to smell like that for a long time!

Zarya Moonwolf: Yeah no kidding!

Lana: Awesome!

Me: Nico, if I ever do that again, I want you to rip my heart out and eat it.

Nico: I'd never do that to you!

Me: I just fucking ate a bucket of chum and fucking hurled my fucking guts out all over Evil Chris!

Nico: But still I would never do that to you!

Me: You're right.

Qin: At least it's better than eating a 50 foot tapeworm.

Me: Yeah! (STOMACH GRUMBLES) UH OH!

(PROJECTILE VOMITS)

I then hurled my guts out all over Nico!

Nico: AW SICK!

Me: (Groans) (FAINTS)

I fainted.

Nico: He's gonna be out for a while.

Then my contingency plan kicked in.

POOF!

Clone me: Not if bosses contingency plan kicks in.

Nico: Awesome!

Me: But I am never going to do that again.

Nico: I wouldn't either.

Me: And don't worry. Boss ironed out all the bugs.

Nico: Awesome.

Maria washed Nico off.

Nico: Thanks Maria.

Maria: No problem.

Me: All right time to kick this evil jerkwad's butt.

May: Wait. Did anyone transform?

Me: No but they are about to now.

Suddenly, Ink Rose's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Ink Rose has transformed into SUPER ANGEL-DARK ROSE GOTHIC ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC DARK GOTH DARK ROSE LOVE GOTHIC ROSE ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC DARK GOTH DARK ROSE LOVE GOTHIC

We were amazed by Ink Rose's Super Angel-Dark Rose Gothic Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Evil Chris saw it, he became EVEN MORE ANGRIER, and he tried to stab Ink Rose with a knife again, but Ink Rose fired a massive barrage of black and pastel purple energy, stars, darkness, black roses, dark magic, spiders, bats, and Alicorns at Evil Chris McLean, and they exploded as they hit him, he got back up and this made him EVEN MORE ANGRIER!

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Ink Rose's transformed into her Super Angel-Dark Rose Gothic Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and what you tried to do to her, I'm going to enjoy smashing your face in!

Ink Rose: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Gothic Dark Rose Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Gothic Dark Rose Alicorn Princess Angel Love) And we're also going to enjoy sending your soul into the darkness where you belong, Evil Chris.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird

Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ink Rose and Lisa, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You made a huge mistake laying out those traps and trying to kill us, Evil Chris. Now, you will face the full extent of our wrath and you will pay for every last one of your transgressions.

Lincoln, Ink Rose, and Lisa went after Evil Chris McLean who's now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Chris McLean and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold armored claws and firing energy slashes from his gold armored claws and he, Ink Rose, and Lisa attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Evil Chris McLean mad and he was becoming EVEN MORE ANGRIER BY THE SECOND! THEN, HE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND HE WAS FOAMING AT THE MOUTH EVEN MORE!

Evil Chris McLean: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL!

Nico: Chum's the least of your worries now!

Me: You got that right!

I pulled out a leach blaster.

Me: Taste leaches!

POP POP POP POP!

I fired 4 leaches and they stuck to Evil Chris and they hurt.

Laney: Top this one!

Laney called a bunch of voracious snapping turtles and she hit them with a hockey stick and they chomped onto Evil Chris and then one BIT HIM RIGHT IN THE KIWIS! OUCH!

Me: Time for you to throw up Evil Chris!

I pulled out a bottle of Ipecac!

Nico: Ipecac!? Whoa.

I then shoved it down his throat and teleported back.

Laney: Is something supposed to happen?

Me: Wait for it.

But then…

Evil Chris: HULEEEEEEEEEEEEHHHHHHHHHHHHHHH!

HE WAS HURLING HIS GUTS OUT!

Evil Chris: LEEEEEEEHHHHHHHH! Oh… Oh, God, why didn't anybody tell me… HULLLLLLLEEEEEEEEEEEEEHHHHHHHHH! Oh, my God, my insides are on fir… LEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEHHHHHH! No, please… no more… no more, no… LEEEEEEEEEEEEEEEEEEEEHHHHHHHHHHHH! WHAT THE FUCK IS HAPPENING… GAAAAAAAAAAAAAAAALLLLLL! Get the phone! Call nine-one-on… HULEEEEEEEEEEEEEEEEEEEEEHHHHH! I don't wanna, I don't wanna… HULLLLEEEEEEEEEEEEEEEEEEEEEEEEHHH! LEEEEEEEEEEEEEEEEEEEEEEEEHHHHH! LEEEEHHHHHHHHHHHHHHHH! BLEEEEEEEEEHHHHHHHHHHHHHHHHH!

[The vomiting stops for a bit, and the whole area around him is covered in puke.]

Me: (Smirks) Who wants chowder?

Evil Chris: HUUULLLLLLLEEEEEEEEEEEEEEEEEEEEEEEEEEEHHH!

HE PROJECTILE VOMITED ALL OVER!

Nico launched a beehive and then it stuck onto Evil Chris and he screamed as he was being stung all over!

Xenia: OH YEAH!

Nico: Have fun being stung!

Qin: (LAUGHS) Yeah!

Nico: That was funny.

Lincoln: It sure was!

But then Evil Chris McLean ran at Lincoln, Lisa, and Ink Rose now super mega enraged and now completely out of his mind, but Lincoln kicked him hard in the stomach and sent him flying up into the air, and he'd held out his left hand, and the Seven Dragon Balls on his Dragon Ball Bracelet glowed, and they fired seven black and red energy blasts that formed into a massive black and red energy ball, then, he condensed it to the size of his body.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) BLACK GATES JUDGEMENT BALL!

Lincoln fired the black and red energy ball which hits Evil Chris McLean and sent him straight to The Black Gates forever, we all cheered as Lincoln, Lisa, and Ink Rose holstered their massive greatswords on their backs and powered down, and Ink Rose's new body, clothes, weapons, jewelry, Third Eye, longer purple tail, longer pastel purple horn, and massive pastel purple angel wings are permanent, and Lisa's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Lisa: That'll teach that psychopathic sociopath a lesson he'll never forget.

Suddenly, Ink Rose felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Ink Rose?

Ink Rose: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that asshole the violent beating of his life.

Nico: You got that right, and Lincoln, Lisa, Ink Rose, you guys really unleashed untold violence on that asshole, and that was a Black Gates version of The Negative Karma Ball you used on him, right,

Lincoln?

Lincoln: Yep, it's known as The Black Gates Judgement Ball, and it has the same function of The Black Gates.

Lisa: Given what Billy McLean has done in the past, it was indeed perfect for Lincoln to use it on Evil Chris.

Ink Rose: There is no forgiveness to be given to Evil Chris for any of his crimes, he deserves every bit of pain and suffering as his heart and soul were as black as the night itself.

Suddenly, Ink Rose wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Ink Rose's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Ink Rose sucked in and absorbed the darkness and elements and they came back to us as the display vanished.

Nico: That was a really intense fight, and I didn't expect Evil Chris to have a bomb planted as part of his grand finale.

Lincoln: But, in the end, his grand finale has come to an end, and now, he's in The Black Gates for good.

Lincoln beamed the bomb to our weapons vault for any future use we have for it.

Me: That was so funny though.

Nico: Now for other business.

Eli: Yep and we have Another Kidney, Pinto, Fava, Chili, Navy, Lima, Garbanzo, Cannelini, Rotten and Jelly Beans as well as Evil Search Man and Touch & Go.

Me: Whoa! All beans!?

Mr. Touch: Oh they are all called The Bean Platoon. And yes they are all living beans. But they all fart all the time. Smells horrible.

Mr. Go: Except for Jelly Beans. They are sweet.

Qin: Cool!

Maria: Who do we call in for that?

Me: Lenora Mountaineu.

Mr. Go: That's perfect and they all agreed to have one archenemy.

Xenia: Neat.

Lincoln: Elemental HERO Darkbright VS Beans of Farts and Evil.

Me: I like it.

Maria called her in and then in a flash of black lightning came LENORA MOUNTAINEU!

Lenora Mountaineu: I'm here guys!

Nico: Awesome.

Lenora Mountaineu: Whoa why is everything all inundated in throw up?

Me: Don't fucking ask.

Qin: Yeah.

Misty Brightdawn: We do NOT want to talk about it!

Lenora Mountaineu: Oh boy.

Laney: Yeah.

Nico: Glad you came.

Lenora Mountaineu: Glad I could make it.

Qin: Boy this was a funny battle though.

Lola: Yep.

Eli: I sense that the Anothers minus Touch & Go are one person. And she is a brutal and strong one.

Nico: Whoa!

Qin: This will be interesting!

Nico: Here they come!

We saw The Anothers! We saw Another Kidney, Pinto, Fava, Chili, Navy, Lima, Garbanzo, Cannelini, Rotten and Jelly Beans as well as Evil Search Man!

Me: WHOA!

They were farting big time!

FART FART FARTFARTFARTFARTFART FART FART FART FART FART FART! FARTFARTFART!

Nico: Boy they sure are gassy!

Qin: WHEW! No kidding!

Another Kidney Bean: (In a girls voice) Sorry about that. Can't help it.

Me: (GASP) That voice.

They merged and she reverted back and was a girl with red hair, red eyes, red fire angel wings and had red clothes and had a tiara with the symbol of the Violence Dopant on it and on her skirt was the same symbol.

Me: (GASP) Varya Violence!

Varya Violence: Yep. Awesome to see you again J.D.

Me: Same here. Varya is the Embodiment of The Violence Dopant and she is the most brutal and savage out of them all. She can bash anyone's faces in with incredible strength and ferociousness and one time she beat up a bad bully so bad that she literally smashed EVERY SINGLE bone in his body into dust! Turning him into a lifeless blob.

Nico: HOLY SHIT!

Qin: That is brutal!

Philip: No kidding but that is awesome!

Varya Violence: It sure was and I was defending people I care about. I use violence to help people hence why I'm the embodiment of Violence.

Xenia: Cool!

Nico: You'd get along with the Trinity of Violence.

Varya Violence: (LAUGHS) Yeah I would definitely fit right in.

Lola: We would be known as The Quartet of Violence.

Me: Good name.

Varya Violence: Just because I'm brutal and fierce and deadly doesn't mean that I'm completely heartless. I have a heart of gold.

Me: Good.

Xenia: Yeah.

Me: By the way is the Another Touch & Go friendly or hostile?

Varya Violence: Well she is Hostile and she has it out for Sakura Knudson.

Sakura Knudson: A Hostile one out for me!? I wonder what happened?

Me: I guess we'll find out soon.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers!

Nico: Awesome!

Lenora Mountaineu: Lets do it!

Sari: Oh yeah!

They fired waves of black lightning and energy and blasted the Anothers and I caught Evil Search Man's book. Nico then went and ate the beans and he loved them.

Nico: Ahh. (LOUD BELCH)

He belched out the Wonder Ride Books and I caught them.

Me: Nice.

Nico: Time for backup!

Maria: Already on it! (TURNS DIAL) DIABOLICAL FURY 6!

She summoned Diabolico, Evil Cloud Man, Gluttony, Mad

Steamhorn, Parasite and King of Flan!

Nico: Yeah!

Xenia: This is gonna be good.

Nico: This will be good.

Qin: Yep.

Me: We don't have to wait long!

We saw ANOTHER TOUCH & GO!

Xenia: WHOA!

Lola: This will be awesome.

Nico: Who the fuck are you?!

Another Touch: (In a girls voice) SAKURA SHOULD KNOW!

Sakura Knudson: (GASP) That voice!

She reverted back and it was a girl with purple hair and had blue eyes and had tattered black clothes.

Sakura Knudson: (GASP) Ashley Griffin!

Me: WHOA! Ashley what happened!? You look like you were living out on the streets!

Ashley Griffin: Thanks to Sakura I HAVE been living on the streets!

Nico: WHOA! You know her?

Sakura Knudson: And I wish I didn't. Ashley was from a very powerful and prominent rich family and she was one of the meanest queen bee girls we met.

Ashley Griffin: She is also the one that gave me this!

She turned and to our shock and horror we saw that she had a nasty blast hole scar on her back!

Qin: WHOA!

Nico: That looks like an energy blast scar!

Sakura Knudson: Yep. I blasted her back as a reminder that if she messed with me or my brother or anyone else that there will be hell to pay.

Nico: What happened?

Sakura Knudson: It was 10 years ago. It was after me and J.D. caught Ashley picking on the disabled.

FLASHBACK - Colorado: 10 Years ago.

Sakura Knudson: (Voiceover) Me and J.D. found Ashley picking on a girl that was in a wheelchair and We were recording it all with our phones. We showed it to the principal and got her expelled.

We stood outside looking triumphant as we saw her leave.

Ashley Griffin: I will get you for this Sakura! You will rue the day you crossed me!

Then she went down the path.

But then…

Sakura fired an energy blast and it hit her square in the back and it exploded! Blasting a nasty hole in her back that was really burned, cauterized and bleeding bad. Smoke came out of Sakura's hand from the blast.

Young Sakura Knudson: Consider that your first and only warning shot. If you mess with me or my brother or anyone else, there will be hell to pay! That's a promise!

Sakura Knudson: (Voiceover) That's how she got my mark on her. Ashley's mom and dad were absolutely furious with her after that and they sent her to a boarding school in another part of the world.

They also disinherited her from their fortune and even disowned her. She vowed to have terrible revenge on me.

FLASHBACK ENDS

Sakura Knudson: And that's how I ruined her life.

Ashley Griffin: And I even heard you were kidnapped.

Sakura Knudson: Yes by Swartz and he trained me.

Kaito: (gets out King Ohger Gear) Normally, we'd ask what Swartz promised you.

Zocks: (gets out King Ohger Gear) But I think we know what said promise was.

They got KingCalibur Swords.

Me: And that's to get revenge on my sister for ruining your life and blasting you which gave you that scar.

Ashley Griffin: That's right!

Me: You had it coming Ashley.

Sakura Knudson: Swartz taught me a lot of things but the one thing that he would never do was Pick on the Disabled! They did nothing to deserve that kind of treatment! Now it's time you go to jail!

Nico: That can be your new home from now on.

Sakura Knudson: You've had this coming for a long time.

Sakura teleported and punched and kicked and bashed Ashley all over and knocked her teeth out and kicked her down.

Ashley had blood dripping from her mouth.

Ashley Griffin: You are SO DEAD!

Ashley went at her but Sakura jumped and kicked her in the face and then she kicked her in the back and bashed her down.

Sakura flipped back and then Ashley turned into ANOTHER TOUCH & GO!

Sougo: (gets out King Ohger Ridewatch) It's your own fault for picking on that girl.

Geiz: (Gets out King Ohger gear) Especially given her disability!

Sougo and Geiz got KuwagataOhgerArmor.

Nico: That's right! You brought all that on yourself!

Xenia: Big time!

Nico: No one picks on the disabled! (ACTIVATES TOUCH & GO AND EVIL SEARCH MAN'S RIDEWATCHES)

He fired a wave of energy and smashed her down.

May: That is disgusting! (ACTIVATES BLACKBRIAR THORN AND STARMAN EXE'S RIDEWATCHES)

She fired waves of stars and energy and smashed her down.

Maria: And that shows you have no soul! (ACTIVATES WEREWOLF BY NIGHT AND HANAYAIDA'S RIDEWATCHES)

She fired waves of energy and smashed her all over.

Sari: And take this one! (ACTIVATES EVIL SEARCH MAN'S RIDEWATCH)

She fired missiles and blasted her all over.

Then SkullMeramon, Creepy Lighthouse Keeper, Earth Imperial Ninja Fumin, Universe 666 Scar, Gammaizer Climate and Tornado Tyrant came.

Nico: Nice team SkullMeramon.

SkullMeramon: Thanks Nico!

Qin: Boy that is cool!

Me: Yep. It sure is.

Then a Houndstone came.

Me: Cool a Houndstone.

Lola: Wow.

Brittney: What a cool one.

Houndstone: (In a girls voice) This is gonna be awesome.

Nico: Nyssa Carter! Wow!

She reverted back and was a girl with black hair, blue eyes and had sharp fangs and she had purple clothes.

Nyssa Carter: Awesome to see you again Nico.

Sakura Knudson: Wow you're a vampire?

Nyssa Carter: I sure am. Lets get her.

Sakura and Nyssa: You obviously do not know WHO YOU ARE FUCKING WITH!

They both fired energy blasts and smashed her down and I caught the ridewatch and purified it and then we tied her up and gagged her.

Nico: Awesome!

Nyssa Carter: Oh yeah!

Sari: What's your favorite memory of Nico?

Nyssa Carter: When me and Nico found and blew apart a massive cult of werewolves in Romania.

Me: Whoa that is amazing. I singlehandedly mutilated and mauled a cult of werewolves as J.D. the Nocturnal in Paris.

Nyssa Carter: I heard all about that. That was amazing.

Lola: Yep. It was bloody.

Zuria: And awesome seeing J.D. like that.

Xenia: Yep.

Nico: It sure was.

Nico and Nyssa hugged.

Nico: I've missed you.

Nyssa Carter: Same here.

We later went back home and then Nico put my real self in my bed in my bedroom.

Then, Lincoln fired dark magic blasts and tied Lord Raptor up in a dark magic straitjacket, and then, he grabbed and threw him into a portal that led right to The Masters of Evil's HQ. We cheered as we holstered our weapons and powered down.

Lincoln: You should consider yourself lucky that I didn't do worse to you. (To Trina Traverse) And it's so good to see you again, Trina Traverse.

Trina Traverse: You too, Linky, and it's so good to see you again, Sora, Riku, and Kairi.

Sora: You too, Trina Traverse.

Lincoln went up to Trina Traverse and they hugged her, and Trina Traverse is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Trina : Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Trina Traverse, Keyblade Knight of Traverse Town, she's my Guardian Angel from Michigan and the younger sister of Tina Traverse, Sailor Soldier of Traverse Town, she's a Keyblader and she harbors a very very nasty hatred for Julius, the monster from Runaway Brain, and all the Heartless in general as well as what they did to her home before including separating all 99 puppies from Pongo and Perdita. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Yuffie, Leon, Aerith, and all their friends on the islands including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Selene Emperyous: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Wow. Plus, we got Pongo, Perdita, and their 99 children are at The World Tree Estate: their new home, and we threw Cruella De Vil in prison for good.

Trina Traverse: Good riddance, she deserves to rot in prison for good.

Lincoln: She won't last a single day in prison, I can bet that in the next few weeks, Cruella De Vil will probably die from her mentally unstable state.

Girl Jordan: (Smirks) Care to wager on that, Linky? If you're right on that, all of us will go on a date to the Bahamas. But, if you're wrong, then, you'll be subjected to a full night of extreme lovemaking from all of us for four weeks, and we mean, ALL! NIGHT! (Slow Motion) LONG!

May: (Smirks) And the same will apply to you, honey.

Varie: (Smirks) And to you too, J.D.

Nico and I gasped!

Me: OH NO, YOU DIDN'T!

Nico: They did, dude! Our harems teamed up and made a really huge bet! (Gulps)

Lincoln: (Smirks) Alright, you're on!

Luna: And he took the bet!

Lola: Lincoln's right though, Cruella's deeds are that notorious in the space prisons and in London and it won't be long before one of them goes in for the kill.

Lincoln: And if that happens, you know what'll happen to her. And now that you're here, Trina.

Lincoln went up to and hugged Trina Traverse in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks

sealed up, and he also kissed where he bit her.

Trina Traverse: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Trina Traverse's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Trina Traverse: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Trina Traverse.

Trina Traverse had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, and massive muscled body, and he also returned it, and we cheered for them, then we went up to the twenty-three girls, and when Lincoln saw them, he immediately recognized them immediately. The twenty-three girls are Aoi Hinata, Iris Smith, Kitty Saifon, Lucy Fuuke, Mina Winston, and Sheryl Winzar from Men At Work 2 ~ Welcome to Hunter Academy ~, Justine Cleighton, Lisa Earhart, Loretta Stone, Marion Weinberg, Mira Eden, Miriam Sinclair, Mizuho Ayanokouji, Monica Albright, and Phyllis Siphon from Men At Work 3 ~Hunter-tachi no Seishun~, Justine Crichton, Kath, Leana Crichton, Lisetta Pages, Mireille Carre, Reina Crichton, and Shizuho Ainsworth from Men At Work 4, and Mithra from Asura's Wrath.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mithra: Yes, we're okay, thanks to you.

Then, when Mithra and the other twenty-two girls saw who it was that saved them from Lord Raptor, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful

Mithra: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twenty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Aoi Hinata: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aoi Hinata, Iris Smith, Kitty Saifon, Lucy Fuuke, Mina Winston, Sheryl Winzar, Justine Cleighton, Lisa Earhart, Loretta Stone, Marion Weinberg, Mira Eden, Miriam Sinclair, Mizuho Ayanokouji, Monica Albright, Phyllis Siphon, Justine Crichton, Kath, Leana Crichton, Lisetta Pages, Mireille Carre, Reina Crichton, Shizuho Ainsworth, and Mithra with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was the zombie rockstar, Lord Raptor, who came back and it was due to him cheating death a year ago.

But, when Lincoln showed what we did in taking him down and Lincoln tying him up in a dark magic straitjacket and sent to The Masters of Evil's HQ, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Trina Traverse have a lot of catching up to do, now that she's back in town.

Maria: I can't believe it, Lord Raptor came back again, and even worse, he cheated death a year ago on your rescue in Tennessee.

Lincoln: He was never one to stay dead, but now, he's in The Masters of Evil, so no harm done.

Eli: Actually, you did do much more harm to him, given that your future wife is Hsien-Ko, and that zombie's tried to get her affections for years through dark means.

Nicole: He's got you on that one, and being the white knight you are, you weren't going to stand by and let him do that.

Nico: She's right though, you always come to the defense of your future wives and Guardian Angels when some dumbass tries to flirt with them or try to kidnap them, and it never ends well for them.

Me: I can't forget any of those events either.

---

After taking down Lord Raptor and throwing him to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Trina Traverse saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Trina Traverse: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream

of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Trina, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Trina Traverse: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Trina Traverse: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Trina, what memories did you have with Lincoln?

Trina Traverse: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels went to Lynn's Table for a special lunch date. But then, we heard a loud belch in the air and caught the stench of B.O. in the air, and we knew only person who would have B.O.: Lynn, and she was still out for Lincoln's blood. We'd had enough of that moron, so Lincoln fired blasts of water at Lynn and gave her a bath, but that didn't save her for long as we then piled on and brutally beat her ass up, then, Lincoln punched her in the face and gave her a black eye. Then, he ordered her to leave, that animal roared and beat her chest like a gorilla and ran out on all fours like the farting animal that she is.

Hannah Hollow: But, as soon as she got back home, Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were really enraged that Lynn tried to kill Lincoln again, thanks to us giving them the message. Show them the video, Trina.

Trina Traverse showed the video of Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all glaring at Lynn, and that resulted in Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, and Lily pouncing on and brutally beating Lynn into the dirt. When they were done, Lynn looked like she got into a nasty fight with some big thugs at the biker bar.

Eli: HOLY FISHPASTE!

Nico: Jeez, Lynn pissed off her family big time along with her little brother once more!

Lincoln: She sure did, we thought she'd finally learn her lesson after all those other times.

Me: But, she didn't, like Lincoln said, Lynn had her head too far up her butt and she was incredibly too stubborn and too prideful.

Luna: That Dark Side made think only with her butt and not with her head and heart. She was such a stubborn jackass, and some of us had murder on our minds if Lynn ever did that again, forget about Lincoln's Guardian Angels coming after her because the next time she dared to do that, we'd be the ones to end up going after her and finishing what his Guardian Angels started.

Laney Emperyous: But, that wouldn't work for you, Luna, don't forget: Lynn also had Lori, Lola, Lisa, and Luan with her. Even if you succeeded in ending Lynn, you'd wind up getting targeted for death by Lori, Lola, Lisa, and Luan, and Lincoln wouldn't want you, Leni, Laney, Lucy, Lana, Lily, and Mr. and Mrs. Loud to pay the price for standing up for him.

We got a shower, and then, Lincoln, Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis are heading to Hydrocity Zone.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Professor Bellis: Wow, so this is Hydrocity Zone, it sure is awesome.

Lincoln: It sure is, Professor Bellis, and it's perfect for our date. Shall we?

Lincoln, Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis and they hugged them in their abnormally massive and powerful muscular arms, and Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Hydrocity Zone, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis are in your harem.

May: That's really awesome. Plus, when you marry Princess Sara in the future, Lincoln, you'll be related to The King and Queen of the Mirage Kingdom, and she fell in love with you on the day we went after Hansen.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Rita (Hoenn), Noelle, Princess Sara, Verona, Wilhomena, Rita (New Pokémon Snap), and Professor Bellis, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that. And you also know what today is, right, Lincoln?

Lincoln: Yeah, today's the start of the war against the evil older brothers of the Elemental Monarch Gene-Slammers.

Hilary Thestalos: We'll be ready for our dumbass older brothers, and we'll make them pay.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Bigmouth Galaxy.

Eli: Cool!

Me: That was that one that looks like a fish.

Nico: Yep.

Shope: I'll go next.

Julie Yamamoto: I'll go too.

Nico: Okay then.

Nicole: Go get it.

They went in and Nicole activated the simulator and they were at BIGMOUTH GALAXY.

Nico: Whoa!

Julie Yamamoto: Bigmouth Galaxy.

Shope: So awesome.

Nico: Any tips on this one Nicole?

Nicole: (On the radio) This one is a very simple one. Just get to and open the treasure chest at the end. But you have to dive into the water to get to it.

Nico: Okay.

Shope: Looks like we're getting wet.

Julie Yamamoto: That's for sure.

?: Let me help.

A Flamigo came.

Nico: A Flamigo! Wow!

Flamigo: (In a girls voice) (Jamaican Accent) I think this will be fun mon.

Nico: Maria Reid!? Wow!

Julie Yamamoto: Don't revert back yet.

Flamigo: Don't worry. I will save that for the end.

Nico: Here we go.

They dove in.

Nico: I see Gringills up ahead!

Julie Yamamoto: Me too.

Shope: Lets get them!

Flamigo fired waves of energy and blasted them.

Julie Yamamoto: Wall ahead. I got this.

She fired an energy blast and blew it apart and they went through.

Then they swam and got to the shore at the end. Then they saw the chest.

Nico: There's the chest and NUMEROUS Goombas are in front of it.

Shope: This will be fun.

Flamigo fired waves of energy and blasted the Goombas all over.

Nico: (gets out Touch and Go and KGBeast's Ridewatches) Let's clear a path!

Nico activated them and blasted the Goombas.

Then Shope fired a blast of lightning and blasted the Goombas.

Nico: YEAH!

Nico blasted the chest open! Out came the star!

Nico: There it is!

Shope and Julie went and got it!

YOU GOT A STAR!

Nico: YEAH!

Maria Reid reverted back and she was a girl with pink hair and pink clothes and had pink angel wings.

Maria Reid: That was so awesome mon!

Nico: Yeah!

They all high five.

Nico: YEAH!

Shope: What's your favorite memory of Nico?

Maria Reid: When me and Nico were on my family's banana farm mon. And we gave Kingston a huge load of bananas.

Nico: That was awesome. It always reminded me of the Banana Boat song.

Julie Yamamoto: (LAUGHS) That was funny.

Maria Reid: It sure was mon.

They hugged.

Nico: I've missed you.

Maria Reid: Same here mon.

They left.

Later we were watching TV and Courage was resting on Muriel's lap as she was rocking and Eustace was reading the paper.

We were watching War Movies with Eustace.

But then…

Eustace: OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH!

Eustace Scared Courage with his ugly mask. But in doing so it caused a chain reaction that led to…

Chef Hatchet: (PROJECTILE VOMITING)

But then..

Duncan: (PROJECTILE VOMITING)

Samey: (PROJECTILE VOMITING)

Stacey: (PROJECTIVE VOMITING)

Total Drama Contestants: (MASSIVE PROJECTILE VOMIT FEST!)

OH SICK!

They vomited streams of rainbow vomit all over the place and saturated much of the floor in it!

Me: OH SICK!

Nico: OH GOOD GOD! CLEANUP ON ISLE 36!

Eustace laughed.

But then…

KRABONK!

Eustace got bashed on the head with a mallet!

Eustace: OW! (Dazed and stupid) What did I do?

Poliwag: Hey, Poromon.

Pormon: What?

Poliwag: Are you hungry?

Poromon turned slowly toward him. After a short glance to check that there wasn't some nasty parasite feeding off the blue Pokemon's brain, he bounced to his side.

Poromon: (whispers in Poliwag's ear): Let me tell you a secret.

Poliwag: What?

Poromon: I'm a second-level baby digimon, so…

Poliwag: Yeah, and so?

Poromon: I'M ALWAYS HUNGRY!

Poliwag jumped so far away he toppled over the side of the couch and fell to the ground, his eyes replaced with two large black swirls. Poromon returned to his position and resumed pressing the remote's button with a speed a dactylographer would have envied him. After a few seconds, Poliwag jumped back on the couch and glared at him.

Poliwag: What was that for?

Poromon: Ask a stupid question, get a stupid answer.

Poliwag: Oh. That's funny.

Poromon: Want to raid the cookie jar?

Poliwag: Lets do it.

Horsea: Did someone say cookies?!

Manaphy: We're in.

Poromon; Awesome. Lets go.

Poliwag: There they are!

They saw the cookie jar.

They got to the cookie jar and then opened it and then…

ALARMS BUZZ AND AIR HORNS BLARE!

Manaphy: WHOA!

Eli: AHA!

Lana: Caught you red handed mascots!

Lola: Those are daddy's chocolate s'mores caramel cluster cookies. They are for after dinner!

Ranamon: You put those back!

Poromon: Never! (eats a few cookies)

Manaphy: You're in trouble Poromon!

Poromon: I'm a bad bird!

Lana: HEY!

They ran!

Mascots: YOU'LL NEVER TAKE US ALIVE!

They ran with the cookies!

Lola: GET BACK HERE WITH THOSE COOKIES!

They ran fast!

Twins: HEY! WHAT DID WE JUST SAY!? YOU GET BACK HERE NOW!

Diamond Tiara: Ok, what have they done now?!

Me: Ran off with Mr. Lynn's freshly baked cookies he made for after dinner.

Lincoln: Oh no! Not our chocolate s'mores caramel cluster cookies!

Me: Just be glad it's not May's food.

May: Yeah.

Diamond Tiara: Boy those must be really good cookies.

Lincoln: They are some of the best D.T.

Nico: They sure are.

They were hiding behind a bunch of boxes in the basement.

Poromon: They'll never find us here!

?: Oh I wouldn't be so sure.

They saw a Cetitan!

Manaphy: Whoa a Cetitan!

Poromon: Shh! Be quiet! We're hiding!

Then the door opened.

Ranamon: Aha! Found y'all!

Manaphy: Uh oh!

Poromon: Oh no.

Qin: Give those cookies back!

Poliwag: NEVER!

Horsea ate a few more cookies.

Diamond Tiara: All right give us those cookies!

Me: Boy those must be really good cookies to eat for the mascots.

Nico: No kidding.

Xenia: Yeah.

?: Can you hear me everyone?

Astrotrain: King Kai, now isn't the best time!

?: (sarcastically) Well, I guess I can call back later.

Spiderman: Madame Web?!

Me: Madame Web!? Wow!

Cetitan: (In a girls voice) Wow this will be good.

Nico: Kira Cetalia!? Wow.

She reverted back and was a girl with blue hair and purple clothes and had a blue whale in the middle of her forehead.

She grabbed the mascots and came upstairs.

Madame Web then appeared in person.

Spiderman: Madame Web? What are you doing here?

Madame Web: I need your help with something very urgent.

Me: It's an honor to meet you Madame Web and we'll do what we can to help you.

Nico: What's the problem?

Madame Web: The Tablet of Order and Chaos shattered and I need your help to find and collect all the pieces that were scattered across the multiverse and bring them back.

Spiderman: Before anyone asks, it wasn't me!

Madame Web: I know it's not this version of you. It was caused accidentally by another version of you. One who is very similar to you but without the existence of Team Loud Phoenix Storm.

Me: Hmm. Very unusual.

Qin: Yeah. So it's a Spiderman that we haven't met yet.

Nico: One that comes from a universe where we don't exist.

Camie: Wow.

Me: Very interesting.

Nico: Where are the fragments?

Madame Web: The pieces are now fragmented across other dimensions, dimensions that are strange reflections of our own… (shows the 1930s world of Spider-Man Noir) A past unlike ours… (shows the younger world of Ultimate Spider-Man) A present day out of synch… (shows the futuristic world of Spider-Man 2099) And a distant future which may or may not come to pass.

Me: WHOA! That is amazing!

Qin: A 1930's version of Spiderman, Ultimate Spiderman and Spiderman 2099.

Nico: All versions we read about.

Lola: Stan Lee showed us those versions.

Me: And you must have heard about our battle with the Marvel Zombies right?

Madame Web: Yes and thankfully they are not part of this. You freed them though. But this will be an interesting journey for all of you.

Me: We're really excited about this one.

Madame Web: Whenever you are ready, I will send each of you to help these Spider Man get the first fragment of their respective dimensions.

Me: Hold that thought. Got to ask Kira what her favorite memory of Nico is.

Madame Web: Oh right. That is a mandatory question with you.

Me: Yes it is.

Springer: What's your favorite memory of Nico?

Kira Cetalia: When me and Nico were out on my family's catamaran and we saw a huge awesome pod of White Blue Whales.

Qin: That is so cool.

Me: Boy that is something you don't see every day. A White Blue Whale.

Xenia: Yeah those are rare.

Kira Cetalia: They sure are.

Nico: Yep.

Nico and Kira hugged.

Nico: I've missed you.

Kira Cetalia: Same here.

Buzzerbeak squawked sternly at the mascots

Nico: Now now Buzzerbeak. If they wanted some cookies they could have just asked for some.

Poromon: Sorry.

Me: Wait! I just remembered.

I went over to TAS Spiderman.

Me: I remember that your worlds version of MJ was sent to another universe by accident.

TAS Spiderman: That's right. I don't know where to start. She could be anywhere.

Xenia: And with an infinite number of universes out there it'll be like finding a needle in a haystack.

Me: With our technology we got to know where to look. But maybe this will be a perfect opportunity to find her.

TAS Spiderman: It just might be the time.

Nico: Yeah!

Spiderman: You know we have to find the Fragments, right?

Me: I know that. Just saying. Come on guys look at him. The Animated Series Spiderman is worried about her.

Xenia: I agree. We got to find her.

Nico: J.D. is right. I am worried about his worlds version of Mary Jane too. We got to find her. So as a side mission we'll gladly find her.

TAS Spiderman: Thank you guys. Thank you.

Me: Now we can get started.

Xenia: Okay.

The previous group came.

General Schwarz: Can me, Electropede, Harpymon, Chillyfish, Thundermon, Black Manta, Goro, Puppetmon, White Lightning, and

Black Lance go with you guys?

Nico: Yes you all can.

Qin: Awesome.

Lola: Boy this will be fun.

Me: I hope we get to kill most of Spiderman's enemies in each universe.

Girl Jordan: Especially Carnage!

Xenia: YEAH!

Thundercracker: Nico, which Gene Slammers do you think you'll meet next?

Nico: Veluza and Dondozo next.

Qin: Yeah!

Lola: This is gonna be fun.

Nico: Yep. What's the first stop?

Madame Web: That is going to be in Noir New York in the Noir Universe.

Me: Whoa! Black and White Roaring 20s style.

Rarity: Oh this is going to be most fun and good.

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Evil Sasuke, and he was out for our heads once again. When we saw it, we knew it meant trouble.

Lincoln: Oh, not you again!

Lincoln sounded the alarm, and we came inside.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I had a vision and saw who it was that we're going to confront today: the figure I saw is none other than Evil Sasuke, and he's out for our heads once again.

Me: (FLARES UP RAINBOW PHOENIX FORCE AURA) WHAT?! THAT FUCKING ASSHOLE, HE JUST DOESN'T EVEN KNOW WHEN TO FUCKING QUIT?!

Nico: I know, right? That asshole and the others like him literally have a fucking death wish when it comes to trying to kill us!

Twilight Sparkle: He's not getting away with this. In fact, I'm going to use the Evil Sasuke Rant on him!

We gasped.

Lincoln: Oh, man, this should be good, and I'm also joining in on this as well, Twilight.

Eli: He's right, after all, you're his future wife, and he doesn't want you getting hurt especially not by that asshole!

Me: That's right.

Nico: We're not letting that asshole get away with this. Come on, gang, we're going to rip that good-for-nothing selfish asshole to fucking shreds and spit on his remains!

Me: He's going to get his throat ripped out of his neck!

Lincoln: Along with his black heart!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Henry Thestalos, the evil older brother of Hilary Thestalos and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Hilary and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Hilary, you're not going to like it: the figure we sensed is none other than your evil older brother, Henry Thestalos, one of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

We gasped.

Hilary Thestalos: So, the first of those thugs is none other than my older brother, Henry. I always knew that stupid moron would be the first to come after us, he's such a hotheaded asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: Think on the level of hatred Vypra had with Praxina, that's how bad it was.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say yesterday, he Gene-Slammed himself into Thestalos the Firestorm Monarch, right, Hilary.

Hilary Thestalos: Yes, I did, Anna. But, I refuse to let Henry live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading out to destroy Evil Sasuke and rip that asshole to fucking shreds.

Lincoln: There's absolutely no way we're letting Evil Sasuke live, we're ending him once and for all, and once we get done killing him, you're next, Henry Thestalos.

Hilary Thestalos: You've gone way too far this time, Henry. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Thestalos the Firestorm Monarch. This won't stand, I'll make sure that you are reduced to ashes after we get done with Evil Sasuke.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to destroy Evil Sasuke, and once we get done destroying that asshole, Lincoln and Hilary Thestalos are going to kill and destroy her evil older brother, Henry Thestalos, the first of the eleven most dangerous thugs from Royal Woods.

We were off to the Shattered Dimensions Universe

---

We arrived in the Shattered Dimensions Universe.

Electropede: You must be the main alternate Spidey for this adventure.

Shattered Dimensions Spiderman: And you guys must be Team Loud Phoenix Storm. Great to finally meet ya! Heard so much about you. Just FYI, save the killing for those who deserve it.

Nico: Gotcha. No killing unless it's absolutely necessary.

Me: Yeah. Except Girl Jordan here is going to kill all the versions of Carnage.

Shattered Dimensions Spiderman: That I can accept.

Me: Good. She has a very nasty vendetta against him.

Shattered Dimensions Spiderman: I heard about that.

We land simultaneously on a ledge as we get ready for one epic adventure.

Shattered Dimensions Spidey: Let's get started! These neighborhoods aren't gonna friendly themselves.

Me: To us all criminals are not friendly.

Madame Web: If you follow my instructions, I will assist you in finding a fragment now.

William: Who are we to refuse a lovely lady? Lead on, M.W.!

Madame Web. All right. You will need to reach that ledge to begin your quest!'

Nicole: I love a good video game.

Nico: (we jump over the ledge easily) Wait, this quest involves jumping?

Madame Web: And now, scale the wall. In your case, with your signature powers.. And in Spider-Man's case, his unique adhesive abilities.

Shattered Dimensions Spiderman: Uh, I believe the technical term is 'stick- 'em powers'.

Maria: Um, are we calling them that?

Me: Spiderman had to adjust to his powers for a while.

Spiderman: Yeah it's true.

Nico: Wow this is gonna be awesome.

We flew with Spiderman.

Madame Web: I am augmenting your Spider Sense. Now, instead of just detecting danger, you have the added abilities of seeing through objects, locating enemies and Tablet fragments, as well as discerning structural weaknesses in your environment. Now, instead of just detecting danger, yo have the added abilities of seeing through objects, locating enemies and Tablet fragments, as well as discerning structural weaknesses in your environment.

Shattered Dimensions Spidey: Coooooool!

Me: That is awesome.

Madame Web: Indeed.

Qin: It sure will be fun.

Camie: Yeah.

Madame Web: Use your webbing to pull that wall down.

Spiderman: All right

Me: Lets do it.

I used my webslinging powers too and so did Spiderman and we broke the wall apart!

Me: And that's called…

Spiderman: Breaking and Entering.

Nico: You have webslinging powers too?

Me: I never even knew about it until now.

With his new Spider-Sense, Shattered Dimensions Peter sees through the wall that hides a Tablet fragment.

Shattered Dimensions Spiderman: I see it! (attaches several weblines onto the wall and gets ready to pull it down)

Nico: Yeah.

With his amazing strength, he pulls down the wall to reveal the fragment trapped inside. We approached the floating rock for Spider-Man to grab, Shattered Dimensions Spiderman: Hey, look what we found.

Madame Web: Excellent work. A job well begun is half done! Now to another Spider-Man! And bestow a different gift upon him. King Kai will be mentoring him. But I will send Team Loud Phoenix Storm to his location.

Me: Looking forward to it.

Shattered Dimensions Spiderman: Gotcha. I'll see you guys tomorrow, right?

Lasher: You can count on it.

Me: You got it.

In an alternate dimension, very much like the Amazing Shattered Dimensions Universe but… younger, a 15-year-old Peter Parker is clinged to the wall inside a water dam-like facility. His costume is just like his older counterpart with the classic red and blue, but unlike his other counterparts, he is much weaker and less experienced. To compensate for that, Madame Web took a familiar black symbiote, and without his consent or knowledge, Peter bonds with it, much to his instant dismay.

Ultimate Spidey: The Black Suit? What am I doing in the BLACK SUIT!? I-I hate this thing!

King Kai: Stay calm, young Peter. This suit has extra abilities you will need in your quest.

Ultimate Spiderman: Like what, tryin' to take over my body!?

King Kai: I said STAY CALM! Madame Web's psychic powers will keep it from overwhelming you.

Ultimate Spiderman: Yeah? Well, I hope she kept the receipt. Wait who is that?

King Kai: Pleasure to meet you. Before you begin, let me introduce you to your new allies, who are also good friends of mine.

Ultimate Spidey: What're they like?

King Kai: See for yourself.

Then we came in.

Me: What's shaking?

Ultimate Spiderman: WHOA Team Loud Phoenix Storm it's an honor.

Me: You too. Whoa! The Black Suit looks great. Also we have a black suited version of you in the M.O.E.

Nico: Long story.

Ultimate Spiderman: Who was that that talked?

Me: That was King Kai. One of our biggest helpers who has alerted us to many of our biggest adventures and adversaries.

Nico: Yep.

Ultimate Spiderman: Wow! That is cool.

King Kai: I'm also going to be your instructor for your missions of finding the fragments.

Maria: (to Ultimate Spiderman) You're honestly looking good. Even though you're wearing an evil alien parasite

Ultimate Spiderman: Evil? Yes! Alien? Not exactly. Let's just say I'm wearing last year's failed science experiment.

Nico: (LAUGHS) That's funny.

Chillyfish: You must've been Spider Man for about a year. That might explain why you're wearing the Black Suit. You're not as experienced as our Spiderman, and if we learned anything from our adventures, you need all the power you can get to survive.

Me: Yeah. Believe it or not we battled a 2007 version of you called Bully Peter.

Ultimate Spiderman: Bully Peter?

Me: Don't fucking ask.

Xenia: Yeah he was a total jerk

Nico: But that's another story.

Ultimate Spiderman: I srre.

King Kai: Now, let's retrieve the next fragment! Spit spot!

Ultimate Spiderman: Did you just say spit-sp-?

King Kai: Let us test your control over the Black Suit. First: with your ability to Web Zip, you can travel quickly from perch point to perch point. Try it now.

Me: Here we go.

Ultimate Spiderman does what he's told and web zips on a line of perch points with us following.

Me: Like the Ninja Spire Jump that Sly Cooper knows.

King Kai: Occasionally, in order to reach distant perch points, you will have to jump towards them and web-zip in midair.

Ultimate Spiderman: Uh-huh. Talk about a leap of faith!

Me: No kidding.

King Kai: And you can run across narrow walkways like the one you're on without fear of falling, due to your natural agility and powers of adhesion.

Ultimate Spiderman: They're called 'Stick- 'Em Powers'. Did one of the other me's make that joke already?

Nico: Yeah they did.

King Kai: Yes. Madame Web didn't find it funny.

Stormy Weather: But we did!

Me: That's for sure.

Ultimate Spidey: Yeesh!

Qin: Yeah.

King Kai: The fragment is at the end of the corridor. Can you swing across to it?

Ultimate Spiderman: Can I? Buddy, it's my trademark.

Me: Lets go.

We flew with Ultimate Spiderman.

Nico: Spiderman! How's that Black Suit feeling so far, 'cause I don't want our team up to have you turn into a brain-eating monster with a dental problem.

Ultimate Spiderman: I gotta admit, the suit does seem fairly under control. And I feel stronger… faster! Maybe this'll work out after all… fingers crossed!

Me: That is cool.

Goro: You should not let the suit control you. You control it.

Ultimate Spiderman: Well, if I get out of control, you and your buddies need to take me down. Heck, you can use one of your fatalities on me if you want.

Me: That's going a little overboard.

Maria: We'll calm you down if possible. But we are NOT killing you.

Ultimate Spiderman: Lady, if I lose it, you might not have any other option.

Nico: We're NOT going to resort to that. Just leave it to us.

As soon as we dropped down to the ledge, Ultimate Spiderman grabbed the fragment.

Ultimate Spiderman: They're all gonna be this easy to find, right?

King Kai: No.

Ultimate Spiderman: Son of a…

King Kai: But right now, Professor Paradox is mentoring a Spiderman from the future. I will send J.D. and the others there now.

Headstrong: Later, Ultimate Peter.

Ultimate Spideman: Don't forget about what we talked about.

Nico: Peter, we'll try not to think about that.

Me: Yeah.

Qin: That is for sure.

In a time set about a century into the Amazing Universe is the third Spider-Man. The Spider-Man of tomorrow. Spider-Man 2099. Returning in his classic, hi-tech blue and red costume as he jumps off a perch point and skydives onto one of the extremely tall skyscrapers in this futuristic city.

Professor Paradox: Greetings, Miguel O'Hara, Spider-Man of the year 2099.

Spiderman 2099: That's me. Ready to save the universe and lookin' good while doing it.

Professor Paradox: You won't be saving the universe alone, you know. Look to your side and meet your new friends.

We landed by him.

Me: Miguel O'Hara A.K.A. Spiderman 2099.

Spiderman 2099: Wow Team Loud Phoenix Storm it's an honor.

Me: It sure is. WOW! Look at this place.

Nico: The end of the 21st Century! This is amazing seeing this!

Laney: This is incredible!

Spiderman 2099: It sure is.

Nico: Yeah.

Spiderman 2099: This isn't your first time in the future, is it?

White Lightning: Nope. Ask Ben 10,000 and Terry.

Me: Long story but really awesome.

Batman 2039: Yeah I'm the Batman of 2039.

Ben 10,000: And I'm from the year 2037.

Spiderman 2099: That is amazing.

Me: Many of us come from awesome timelines and worlds.

Paradox: The next fragment is close. Just ahead, in fact!

Cuckoo Clocker: We're on it.

Spiderman 2099: Gotta watch out, though. This area's property of the Alchemax corporation, and that means the Public Eye'll be everywhere.

Lisa Loud: And what, pray tell, is a Public Eye?

Spiderman 2099: Not a what, a who. The police force owned by Alchemax. And I'm not sure which is more corrupt!

Me: We'll have to find out more about them.

Nico: Yeah.

We spotted a police hovercraft about to land on the road near us

Spiderman 2099: Speak of the devil. Here comes the Public Eye now!

Me: Then lets blast them.

Paradox: Many enemies will try to stop you from collecting fragments. You must defeat them in combat!

Spiderman 2099: Tell me about it! I tried to defeat them in cards once. Didn't go so good.

A few Public Eye Officers landed.

Paradox: These ones look easy. Try light attacks.

Miguel shrugged, walked up to the Officers, and while holding back, beats them up and knocks them out.

I fired energy blasts and blew their heads clear off their shoulders.

Qin: YEAH!

Paradox: Here comes more! Perhaps something stronger?

Spiderman 2099: Keep the battle tips coming, buddy. It's like having Sun Tzu as a life coach.

Black Lance: Miguel, I think Paradox is far older then Sun Tzu.

Me: Well actually I'm not really sure how old he is.

Quick Man: Nice, Miguel. Your speed's most definitely superior to the other Spider-Men. And me.

Spiderman 2099: Having 50% spider dna would do that to someone. Somehow. Now watch this.

Nico: That is for sure!

Miguel grabs an officer to beat on, striking him relentlessly before swinging him around on a web and got too caught up in his excitement that he accidentally throws him off the building.

I kicked him in one into the air and smashed him down.

Spiderman 2099: Oh no! I didn't mean to- (man disappeares)-make him disappear?"

Paradox: You didn't! Madame Webb saved him from peril and transported him to safety thanks to a dimension rift caused by the Tablet. But please, try not to be so cavalier next time. Leave that to Team Loud Phoenix Storm as well as the last Spider Man they meet next.

Spiderman 2099: Good to know you got my back! Guess I'll just worry about my front.

Nico: Paradox is right. If it comes down to it, leave the killing to us.

Me: That's right. Your enemies are now OUR enemies!

Xenia: Yeah!

Paradox: Beware, heroes - here come the last wave! Take them out howsoever you choose… and make it good!

Spiderman 2099: You are one bloodthirsty old man. I like it!

Puppetmon: These ones are getting knocked out.

Me: Leave that to me! LIGHTNING SHOWER RAIN!

I fired a massive volley of energy needles and blasted them down. Knocking them out. Spiderman 2099 and me grabbed one with our webs and threw one into the ground.

With their enemies vanquished and defeated, we are free to collect the third fragment floating inside the next room

Spiderman 2099: Ahh… that was a good warm-up. So when do we get a real challenge?

Paradox: I fear it will be sooner than you think! And finally, Team Loud Phoenix Storm must turn their attention from the future to a world set in the past. Whose Spider Man Clockwork is mentoring.

Thetis: Miguel, before we go, have you seen a version of Mary Jane Watson around?

Spiderman 2099: A younger one? Not really. Have you checked in the worlds of the other Spiderman?

Me: Well we're trying to find her so she can be reunited with the TAS version of him. Long story.

Spiderman 2099: I hope you find her.

Me: Thanks Miguel.

In a universe set somewhere between the 1920s and 1930s, criminal gangs exist in every corner of this quiet city. Thankfully, the New York of this world is constantly protected by its shadowy hero of legend. The man with eyes without a face. The Spider-Man. This noir Spider-Man found himself hanging upside on his web inside a train station that has been taken over by criminal scum, which means it's his job to clean them out.

Noir Spidey: Say your prayers, punks - here comes the Spider-Man. (looks around the area) Whadda we got here?

Clockwork: Looks like criminal forces in this world have already found one of the fragments! They've taken over the station.

Noir Spiderman: And this used to be such a nice place. (jumps onto a shadowy ledge above an unexpecting goon)

Clockwork: Use the shadows to your advantage. See if you can subdue these opponents silently - with stealth attacks.

Noir Spideman: You read my mind, pal.

Clockwork: Yes. That's what me and my friends do. And due to how deeply influenced this world is by the villains you face, you are allowed to kill them. As long as you don't draw attention

Noir Spidey: Best news I've heard all day.

Without the punk knowing at all until it was too late, the Spider-Man silently webs up his mouth then body, yanking him upwards to repeatedly punch to death to shut up his mumbling before tying him onto the perch point

Noir Spideman: Those typewriters they're slinging are no joke. Won't last long if they open up on me. Even if I'm allowed to kill these dirtbags now.

Clockwork: Agreed. If an enemy spots you, it is imperative to defeat him quickly or retreat, either into the shadows or high above. I have gifted you with new web-swinging power - they will be useful in this respect.

Noir Spideman: Oh, I like this! Thanks for the enhanced powers, Clockwork. The webs normally just kinda splatter everywhere.

Clockwork: Use your Spider-Sense to locate the fragment!

Noir Spidey obliges and locates the fragment behind a metal gate.

Clockwork: There! Through that gate! I will send Team Loud Phoenix Storm to accompany you.

Noir Spiderman: Whaddya waitin' for?

We arrived.

Me: We arrived.

Noir Spiderman: Awesome to meet you guys.

Me: You too Peter.

Xenia: Sorry to drop in like this.

Me: So it's a stealth battle they want. I like it.

I used Starlight Glimmer's invisibility and went and snapped a guard's neck.

I then did the same to another.

Noir Spiderman: Don't let the deathbugs bite.

Black Manta: Deathbugs?

Noir Spiderman: Because we're killing them? Look, it's not often I make quips, alright?!

Me: Shh.

Nori Spiderman: Sorry.

Me: But yeah I understand.

RD Lola: By the way, have you seen a red haired woman anywhere?

Noir Spiderman: Can you be more specific?

Me: (Holds up photo of TAS Mary Jane) Mary Jane Watson. She's from TAS Spiderman's world. Long story.

Noir Spider: No haven't seen her. Sorry.

Me: Well we'll find her.

Nico: Yeah.

With the stationed cleared of goons, we reunite to collect the fourth fragment after Spidey web-pulls the gate right open so he could grab it.

Noir Spidey: And that's the end of that.

Thundermon: Not quite. We still have an Evil Sasuke to kill.

Noir Spiderman: Who?

Me: Long and ugly story. He really HATES my guts because I humiliated him big time.

Xenia: Yeah.

Me: You'll see soon.

We looked and then we saw by the train station, EVIL SASUKE!

Qin: Target sighted.

Beelzemon: Entrance time!

Noir Spiderman: Good thing all the goons here are dead.

We went at him.

Evil Sasuke was looking around. But then the spirits of Spiderman came and swirled around him and then they converged and then a massive spider appeared and it roared and then it bursted open and revealed NUMEROUS SMALLER SPIDERS! They popped into fireworks and then we came out.

Nico: Now that was an entrance worthy of Spiderman!

Eli: Too bad those weren't wolf spiders.

Camie: Yeah.

Evil Sasuke Saw me and we glared at each other.

Me: Nice to see you again you fucklipped asswipe!

Noir Spidey: Oh, that's an Evil Sasuke.

Evil Sasuke: Made a new friend, you motherfucking curs?!

Me: More than that you freak!

Noir Spidey: Look, buddy. I get they're a bit naive to how this world works and tad bit annoying. But we have no time to be messing around with you.

Evil Sasuke: You'll just have to make the time, you motherfucking cur!

He tried to punch Noir Spiderman but the webhead grabbed his arm and broke it before webbing him to the wall.

Harpymon: What did you just do?!

Noir Spiderman: What? I made sure he can't go anywhere until after the usual battles are finished. That way, you can kill him easily. You're welcome.

Lincoln: You seriously don't know how our fights against Evil Sasuke go, do you?!

Noir Spiderman: Well, you guys still don't know much about how this world works. That makes us even, doesn't it?

Me: We usually like to rough him up a bit before the usual battles start.

Nico: Yeah.

Noir Spiderman: So what, you want me to just free him so you can do your rants?

Me: Well yes.

Noir Spiderman: Okay.

He did so.

Qin: Now this will be fun.

Twilight Sparkle: (Divine Echoing Godly Voice of The Harmonious Elemental Friendship Magic Alicorn Princess Angel and Divine Harmonious Elemental Friendship Magic Alicorn Princess Angel Love) Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. J.D. remembered that your father said that very same thing to me in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha, all they did was seal their fate. Your father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause.

You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness.

Twilight Sparkle: (Divine Echoing Godly Voice of The Harmonious Elemental Friendship Magic Alicorn Princess Angel and Divine Harmonious Elemental Friendship Magic Alicorn Princess Angel Love) But it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch.

What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge, and above all, betraying the very village your clan founded.

Twilight Sparkle and Lincoln: You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why J.D. killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why J.D. killed them all. YOU ALL FUCKING DISGUST ME!

We literally cheered wildly at the joint Evil Sasuke Rant Twilight Sparkle and Lincoln did, and that really really really pissed off Evil Sasuke!

Me: YEAH! YOU TELL HIM, GUYS! AND FUCK YOU, FUCKWEED ASSHOLE!

Nico: YOU'RE HEADING FOR AN EARLY GRAVE, YOU FUCKER!

Noir Spiderman: (glares at Evil Sasuke) Consider yourself lucky.

Evil Sasuke: I don't believe in luck. All I want is…

POW!

Twilight Sparkle and Lincoln punched him down. He got up.

(RAGE - NARUTO SHIPPUDEN MOVIE 2 OST PLAYS AT 2:18 TO 2:55)

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Nicole: YEAH! GET HIM DAD!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Twilight Sparkle and Lincoln went at Evil Sasuke and blasted and smashed him all over!

Noir Spidey snuck up and jumped on him and bashed him on his back and then Twilight Sparkle grabbed Evil Sasuke and bashed him on his face and Lincoln kicked him in the mouth and knocked out some of his teeth!

Twilight Sparkle kicked him in the face and punched him into a wall!

He got up and was really pissed!

Evil Sasuke: I AM AN UCHIHA ELITE! THIS IS NOT HAPPENING!

Misty Brightdawn: You're an elite of nothing!

Misty teleported and kicked Evil Sasuke in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at Evil Sasuke with extreme force and punched him all over the place with extreme savagery!

Lincoln blasted Evil Sasuke all over with energy blasts and lightning and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

Misty Brightdawn, Twilight Sparkle, Lincoln and Maxxine kicked Evil Sasuke in his face and teleported and punched him in his back and teleported and punched him in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

HE WAS PISSED!

I teleported and punched Evil Sasuke hard in his face and knocked him down! Evil Sasuke tried to do the same ferocious moves that Trakeena did on me but I expected this and dodged them all and I kicked him in his face and leg swept him and kicked him in his back and I kneed him in his face and punched him all over. I fired a massive energy blast and it hit Evil Sasuke and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Misty Brightdawn blasted Evil Sasuke all over with incredible force and energy blasts.

It was getting intense!

Me: You are just as pathetic as ever Sasuke!

POW!

I smashed Evil Sasuke in his face and sent him crashing into a huge building wall and it crashed onto him!

Me: SUPER KAIO KEN!

I flared up a massive red aura and flew at him and punched him in the stomach with devastating force and then a massive amount of blood belched out of him!

Xenia: Nice one!

Maxxine punched him as he exploded out of the rubble! Lincoln kicked him into the air and I punched him right in his stomach with devastating force and he belched up a massive amount of blood!

Me: You make me fucking sick Sasuke. You only care about spreading hatred and evil and making people miserable and you don't care who lives and who dies. You just only want nothing more than to see people suffer and only care about nothing but yourself! You would rather see people die! And another thing, I SHOW ABSOLUTELY NO REMORSE for killing your entire clan!

KROW!

I punched Evil Sasuke in his stomach and kicked him in his face

I threw him and Misty Brightdawn teleported and kneed Evil Sasuke in the face and sent him flying into the sky and I teleported and punched and kicked him all over with ballistic fury! Lincoln then teleported and then punched him and sent him crashing into the ground!

KRASMASH!

Nico: YEAH!

Noir Spiderman: Had enough, chump?

Evil Sasuke got up!

Evil Sasuke: I WILL NOT STOP! NOT UNTIL EVERY LAST ONE OF YOU ARE ALL DEAD!

POW!

Twilight Sparkle punched him in his face!

POW! BLAM POW SMASH!

Noir Spiderman: Good thing I had Clockwork grab the Fragment already.

Me: Good thinking. But we're not done yet!

I fired waves of energy and blasted Evil Sasuke all over!

Then chains tied him up and then Tri Klops, Katnappe, Devack, Beautiful Gorgeous, Mojo Jojo, Copperhead, Hank Scorpio, SkullMeramon, Mortal Kombat Scorpion, and Stratos came.

Nico: Tri Klops, Katnappe, Devack, Beautiful Gorgeous, Mojo Jojo, Copperhead, Hank Scorpio, SkullMeramon, Mortal Kombat Scorpion, and Stratos.

Tri Klops: No sign of TAS MJ?

Nico: Not yet.

Me: Yeah nothing.

Katnappe: I'm sure you'll be able to find her.

Me: Yeah.

Devack: Before someone unfriendly does.

Qin: We will.

Beautiful Gorgeous: (to Nico) We heard you fought an evil version of Chris McLean.

Nico: We sure did.

Mojo Jojo: How was it?

Me: Epic and funny.

Qin: You would not believe what happened there.

Vulpes and Rofer then came.

Me: Vulpes and Rofer! Two of you this time?

Vulpes: Well Rofer wanted to volunteer for seeing how the Death Punch will affect us.

Me: That sounds fair enough.

Nico: Yeah.

Vulpes: So, Rofer here will be to demonstrate the Death Punch, right?

Me: Yep.

Lola: This will be cool.

Me: Yep.

We got the battles underway.

Tri-Klops was first.

Tri Klops: (to Zick) Nico's rescue was on Pahkitew Island. And Lisa and Ink Rose transformed to kick Evil Chris McLean's ass!

Zick: Boy they sure did! That was so awesome! But in the process J.D. ate a bucket of chum and hurled his guts out all over Evil Chris and then he fainted.

Roshi: OH GOOD GOD That was horrible! He drenched him all over the place with vomit!

Wataru: That was gross and funny. But also silly! J.D.'s contingency plan came into effect after that. And J.D. shoved a bottle of Ipecac down his throat.

They laughed!

Volcanic Rocket agreed there.

Rainbow Dash: Boy you should have seen what happened! He was hurling his guts out all over like how Peter, Brian, Chris and Stewie did.

Scootaloo: That was so funny!

Whirlwind: We all laughed our heads off.

Tri-Klops: That is funny! I hope J.D. is okay.

Katnappe: WHOA! That is intense! She must be that strong!

Larry Loud: Oh she is. And the Another Touch & Go was a girl that Sakura Knudson left her mark on 10 years ago.

Katnappe: How did she do that?

Larry Loud: She fired an energy blast and it burned her right in her back and it will serve as a reminder of how she got her expelled and got her sent to prison.

Katnappe: WOW! That is a nasty mark!

Tessa: Boy dragonfeathers! It really was.

Fluttershy: She came after Sakura to get revenge on her for that.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of fireballs that came out of nowhere and they hit the barrier, but the fireball volley was absorbed into us and we became even stronger than ever. Then, we saw Thestalos the Firestorm Monarch appear.

Hilary Thestalos: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Thestalos skinsuit, and show yourself, Henry!

Thestalos the Firestorm Monarch vanished in a vortex of infernal flames, and in its place stood a 6'11" tall male with crimson red hair and crimson red eyes similar as Hilary's, massive muscular build, and dressed in a red prison jumpsuit: it was Henry Thestalos, the evil older brother of Hilary Thestalos and one of the eleven most dangerous thugs in Royal Woods.

Nico: So, that's Henry Thestalos. He sure does look like a thug who belongs in prison.

Hilary Thestalos: He sure does. I never thought I'd have to see your ugly face again, Henry, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Henry Thestalos: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Hilary Thestalos: As always, you're all bark and no fucking bite, Henry. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Hilary Thestalos' crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with stars, crimson red flames, phoenixes, dragons, and angels, she unholstered her massive Thestalos the Firestorm Monarch's Greatsword of Firestorm Justice from her back, and as she approached Henry Thestalos, she left crimson red energy, stars, crimson red flames, phoenixes, dragons, and angels with every step.

Hilary Thestalos: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Henry, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Henry, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Hilary Thestalos was surrounded by a massive vortex of crimson red energy with stars, crimson red flames, and flames surrounding it, there are phoenixes and angels and Thestalos the Firestorm Monarch flying around the vortex, and in the vortex is a crimson red phoenix with red eyes glaring at Henry Thestalos: the red eyes of eternal death. Then, as the vortex faded, Hilary Thestalos emerged, but she was changed forever.

Suddenly, Hilary Thestalos felt a sharp pain on her back, and then, her massive crimson red angel wings with red tips on the large crimson red feathers grew much bigger for her new body, and she now has eleven massive and long crimson red wolf tails with red tips and red markings, she has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Hilary Thestalos' massive Thestalos the Firestorm Monarch's Greatsword of Firestorm Justice and all the greatswords and swords she had began merging together, and they were surrounded by a kaleidoscope of crimson red energy, stars, crimson red flames, phoenixes, dragons, and angels and when it emerged, it was transformed into Hilary Thestalos' Inferno Firestorm Monarch Thestalos the Firestorm Monarch Inferno Draconic Phoenix Firestorm Greatsword of Draconic Phoenix Firestorm Monarch Thestalos Justice, it's a brand-new massive greatsword with embedded red gems and Thestalos the Firestorm Monarch etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large crimson red gems embedded in the foreheads, longer midnight black handle, four crimson red dragon heads with crimson red gems in its mouths and large crimson red phoenix head with crimson red gems for eyes and a large crimson red gem in its mouth on the bottom of the crimson dragon heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Thestalos the Firestorm Monarch's head with crimson red gems for eyes and a large crimson red gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Hilary Thestalos.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Henry, but I can look on the bright side, when I get married to Hilary in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Hilary Thestalos and Lincoln went after Henry Thestalos who continued throwing fireballs at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Henry Thestalos and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his golden claws and firing energy slashes from his claws and he and Hilary Thestalos also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Henry Thestalos even madder than ever!

Henry Thestalos: I'LL FUCKING KILL YOU, STINKOLN!

Henry Thestalos threw more fireballs at Lincoln, but he absorbed them and it made him even more stronger as his rainbow fire aura became more ferocious. Then, Lincoln drove his massive greatsword into Henry Thestalos' stomach and he began absorbing the fire powers he'd gotten when he Gene-Slammed himself into Thestalos the Fire Monarch along with his massive muscle mass and strength, and that had caused Henry Thestalos to revert back to normal, but now, he was thin as a rake and he was really weak.

Then, Lincoln and Hilary Thestalos fired powerful blasts of fire at Henry Thestalos, which incinerated the fucker and sent his ass to The Black Gates. We cheered wildly for what Hilary Thestalos and Lincoln did as they holstered their massive greatswords and powered down, and Hilary Thestalos' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Hilary Thestalos: Burn in The Black Gates forever, Henry. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hilary.

Suddenly, Hilary Thestalos wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hilary Thestalos' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Thestalos the Firestorm Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Hilary Thestalos absorbed the elemental forces and flames and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Henry Thestalos, but we still got ten more of those thugs to deal with.

Charlene Novamenova: Which means tomorrow, it's my brother's turn to die.

Me: Yep. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Ersa Eotw, Keyblade Knight of The End of The World.

Michelle Emperyous: Whoa, awesome, and you'll love meeting her. Ersa Eotw is Lincoln's Guardian Angel from Michigan and she's a Keyblader and she harbors a very very nasty hatred for Chernabog, ALL THE DISNEY VILLAINS and all the Heartless in General as well for what they did to SO MANY WORLDS and wants to destroy EVERY Single one of them. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: WHOA!

Me: Damn, that's really awesome!

Lincoln: Yep. She's that powerful.

Copperhead: Sorry we draged you into the Evil Sasuke battle.

Noir Spiderman: Don't worry about it. Someone had to help teach him a lesson.

Me: And that's all of us.

Hank Scorpio: At least we got 4 fragments.

Nico: Yep.

SkullMeramon: That's a good start.

Qin: Yeah.

Mortal Kombat Scorpion: But the day isn't over yet.

Stratos: We have to give Madame Web a status report.

Me: Yeah better get over there.

We teleported there.

Madame Web: You've recovered the first quarter of the Tablet. Excellent.

Shattered Dimensions Spiderman: We've always been good at scavenger hunts. Me longer then these guys.

Nico: Anything you should warn us about before we head out collecting more fragments?

Madame Web: Like moths to a flame, those with evil hearts will be drawn to the unleashed power of the Tablet, gaining new and frightening powers. So far, you have been fortunate that none of them fallen into enemy hands.

William: Why'd you have to go and say THAT? Man, what a jinx!

Madame Web: For now, rest well. Your adventure is only starting.

Me: This is just part one.

Xenia: Yeah.

Nico: But we're going to have fun. Great job today everyone.

Lola: Yeah!

Spiderman: (To the viewers) This was awesome for part one of the

adventure.

Me: It sure was.

We went back home and enjoyed the rest of the day and went to sleep. I was going to wake up tomorrow morning.

## PART 2: JUNGLE OF KRAVEN THE HUNTER

Walking through the bustling streets of Winnipeg, Manitoba, Canada was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as SkullMeramon, Creepy Lighthouse Keeper, Earth Imperial Ninja Fumin, Universe 666 Scar, Gammaizer Climate and Tornado Tyrant as well as Mizore Shirayuki, Shazam, Andrea San Juan, Nico Robin, Boa Hancock and Monet and we were walking over to Lauren the Scary Girl's house for exorcising her Scary Girl Persona out of her. All the Total Drama Contestants were with us too.

Qin: Boy this must really be urgent.

Me: That's what it said on their note.

Mizore: But I'm ready to help out if need be.

Xenia: Same here.

Gwen: I knew that Lauren had nasty problems but I didn't think it was this bad. I've known Lauren since we were in preschool and she was never like this.

Xenia: Boy I wonder what happened that caused this to happen to her.

Brittney: We'll find out soon

Mizore: Yeah something is seriously up..

Nico: Mizore, I want to thank you, SkullMeramon, and your teams for coming.

Mizore: No problem Nico. This will be so awesome.

Billy Batson: I'm ready for this and it will be awesome.

Me: You got that right Billy.

Brynja: (Icelandic Accent) I'm ready for anything.

Xenia: We all are.

Camie: Yep.

Lola: Yeah.

Billy Batson: When you first met Lauren, Gwen, what was she like before?

Gwen: Lauren was a sweet girl and had not a mean bone in her body.

Me: Weird.

Camie: Yeah I wonder what could have caused her to go off the deep end like that?

Courtney: Lots of rumors have been flying around about her. I heard that it was that her father used her in a demonic ritual.

Duncan: That's nothing babe. I heard her father was Canada's most dangerous and most prolific serial killer that killed over 326 people. He got shot and killed by police and people are saying that she embraced her evil father's ways.

Owen: I heard rumors she ate some evil beans and it made her crazy.

We were skeptical.

Me: Really?

Owen: Eh it's possible.

Billy Batson: Guys, I'm sorry that one of my enemies tried to blow up the planet

Me: It's not your fault Billy. Mr. Mind is the one that thought it all up so if anyone is to blame for all that blame him.

Poromon: And besides we beat him and his team and I got to eat him for dinner.

Billy Batson: (LAUGHS) Yeah you sure did. That was awesome.

Nico: (LAUGHS) I couldn't stop laughing after that. That was so awesome seeing Poromon eat a villain like that.

Me: Poromon is a bird Digimon and Birds eat Worms. So it's fitting.

Brittney: But that was still one of the most awesome adventures we've ever had.

Lincoln: It sure was and a lot of fun things came out of that one. We found out that we have Scottish in our blood.

Me: And we brought back Lincoln's Ancestors and defeated that big-assed bitch Morag.

Lucille: (Scottish Accent) Aye. It's true lads. That was a fun adventure.

Nico: It sure was. And it was amazing seeing the portrait of the Louds of McLoud Castle. The resemblance was completely uncanny.

Applejack: Boy howdy it sure was.

Twilight Sparkle: That was amazing seeing that.

Billy Batson: That was a really awesome adventure back then. But I did not expect Mr. Mind to do all that.

Me: We didn't expect it either. But look on the bright side, Poromon ate him for dinner and we banished him to the Black Gates later on.

Lola: Yeah.

Me: Either way Mr. Mind got what was coming to him and then some.

Billy Batson: If I knew that any animal could eat Mr. Mind, I would've brought pets with me during the times I fought him.

Nico: That is true.

Qin: Yeah.

Me: But that adventure will forever go down in history as one of our most memorable ones ever.

Nico: Yes it sure will.

Laney: Yep.

Spiderman: And now we have another awesome big adventure going on. A journey across the Multiverse of Spiderman.

Xenia: Boy we sure do.

Billy Batson: That is so amazing.

Nico: Guys, which Spiderman is your favorite so far?

Me: Oh gosh that's a really tough one. I don't want to pick just one of them. I like all of them.

Xenia: Me too.

Laney: That is hard to say. I like all of them.

Camie: Me too.

Varie: Boy all those versions of Spiderman were awesome.

Spiderman: I'm honored you think so.

Me: I agree there. I hope we don't fight J. Jonah Jameson in those worlds of the Multiverse.

Nico: Nah. Jameson may hate Spiderman but he wouldn't last long in A fight.

Me: Eh you're right on that one.

Qin: Yeah.

Girl Jordan: I just know we're going to fight a version of Carnage in that one and I will make sure that one pays BIG TIME!

Xenia: Yeah!

Me: Felicia told me that she was bonded with the Queen Symbiote.

Nicole: That one is from the game Web of Shadows.

Nico: Yep.

Me: We're not going to face her like that or face Venom from there are we?

Nico: No we aren't. King Kai and Madame Web assured me that.

Xenia: Oh good.

Qin: Whew.

Nico: Yesterday, we were lucky no bad guys used any of the fragments. But we're not gonna have that kind of luck anymore

Me: Well I say bring it on.

Nico: This will be fun.

Lola: Yep.

Me: I'm just worried about the Black Suit version of Peter. You know the kind of trouble he went through because of the Venom Symbiote when he was bonded to it? It caused nothing but problems for him.

Qin: Yeah no kidding.

Spiderman: I agree there. And he wants us to kill him if he gets out of control like that?

Me: No way in hell are we going to do that. We need to make some sort of device.

Lisa Loud: I already thought ahead.

She pulled out a restraining bracelet.

Lisa Loud: The Anti-Symbiote Control Bracelet. This device will reign in the power of the symbiote and give the user full control over their extraterrestrial inhabitant that is inside them.

Me: Very genius Lisa.

Nico: Smart and awesome thinking there.

Lisa Loud: Thank you. It will work perfectly.

Me: Great. But seeing the world of 2099 was amazing.

Nico: Boy it sure was. That was so cool seeing that.

Laney: No kidding. Seeing all those advanced buildings like that was really awesome.

Lana: I'll say!

Nico: Lets worry about all that later. Right now we got to focus.

Me: Right.

Maria: Here we are.

I held up the map and the address.

Me: This is it. 1313 Rovington Dr.

It was a really nice mansion but it had a really scary and spooky black and ominous presence around it.

Qin: (GULP)

Nico: I've got a bad feeling about this.

Xenia: Me too.

We went up to the door and knocked on it.

Lauren's mom answered.

Lauren's mom: (Shaking in fright) Team Loud Phoenix Storm? Oh am I glad to see you! Come in.

We went in.

We saw that the house was really nice.

Me: Wow nice house.

Lauren's mom: Oh why thank you. But ever since Lauren became like this no one would even want to come near this place! I'm so scared!

Me: Ma'am it's okay. Just calm down.

Maria: It'll be all right.

Qin: Yeah.

Nico: You think we're fucking stupid? I know you basically lured us here into a trap. It's no secret that you probably learned we're collecting fragments. So you brought us here so we could be taken out!

Eli: NICO! Calm down! She is not making this up! She is telling you the truth and there is no trap here. I sensed for it.

Nico: Oh. Sorry. Just being cautious.

Lauren's mom: No worries.

Me: Now how about you start at the beginning and tell us what happened?

Lauren's mom: Well okay. This all started because Lauren's father was a Satanic Cult Leader and he was also a dangerous serial killer.

She showed a bunch of Canadian Newspapers.

Lauren's mom: These will tell you.

I looked at them.

Me: (Reading) "The Thunder of Satan claims 312th Victim in Selkirk. Canadian Police Teams Up with The FBI of The United States to Stop Satanic Cult." Whoa this was bad.

Nico: No kidding!

Gwen: WHOA!

Courtney: So both mine and Duncan's Rumors were all true!?

Qin: That is crazy!

Brittney: It must've been a contingency ritual. When her father was killed he must've invoked a demonic force to take possession of her to finish his work and kill more people in the name of the devil.

Me: It could be. Here we go.

We went into her room and it was a scary black room and there were SKULLS ALL OVER THE PLACE.

Me: Good god.

We saw Lauren playing with them.

Lauren: Oh hello there!

Nico: You comfy?

Lauren: I sure am. Want to be my friends and then have me kill you?

Himiko: She is so much like me that it's scary.

Brittney: I sense a demonic force in her.

I then splashed her with holy water!

Me: Okay demon reveal yourself.

Lauren: (DEMONIC VOICE) Nice move to flush me out!

Brittney: I know that voice! Astaroth!

Nico: Who is Astaroth?

Brittney: The Demon of Blood and one of Great Duke of Hell in the first hierarchy with Beelzebub and Lucifer.

Astaroth: (Through Lauren) Very good Brittney. I'm flattered you remember me.

Me: What have you done to Lauren!

Astaroth: Not to sound like Pazuzu but she is in here with us.

Qin: Let her go!

Astaroth: Oh I'm afraid I can't do that. You see, I was summoned here as a contingency plan by her father and I am here to stay.

Xenia: So it was a Contingency Plan!

Astaroth: I heard you were collecting fragments of some sort. Hand them over and I may let you live.

Me: Sorry but I'm afraid we can't give them to you. And why are you interested in them? Demons wouldn't want them.

Brittney: He's saying that to trick us dad.

Me: So you turned Lauren into a bloodthirsty murderous fiend!

Astaroth: I did and I like it! It fits her perfectly.

Me: These skulls have no blood and that is utterly and horribly vile!

Astaroth: I know. Isn't it great.

Me: But why are you interested in the fragments? Demons of Hell would never want stuff like that.

Nico: You probably want them because they can make you powerful.

Astaroth: That is true. But I only want to use the fragments to bring my master and lord Lucifer and my demon brethren to this world.

Me: Well sorry to disappoint you but we can't let that happen.

Brittney: So we'll make this simple.

Brittney then drew a pentagram on the floor and lit some candles and pulled out her spell book.

Brittney: This is going to make sure you never cause any harm.

She spread her black wings of darkness and then storm clouds rolled in and thunder rumbling was heard.

Brittney chanted a powerful incantation and Astaroth was screaming and Lauren held her head in pain as she was regaining control!

Brittney's eyes turned as black as night as she was chanting the incantation and then lightning struck all over. Then as she finished the Incantation Lauren SPLIT IN TWO! One was a girl with blond hair and had it down to her lower back and she had blue eyes and had a blue and purple shirt and had black pants and white shoes. And Scary Girl was now a separate persona!

Nico: WHOA!

Qin: That is amazing black magic!

Scary Girl: Hello! (As Astaroth) What have you done!?

Me: Brittney separated you and made you a separate person!

Nico: And the Fragments we collected are already with Madame Web!

Astaroth: Madame Web!? Impossible!

Laney: Oh I assure you it isn't.

Nico: Now for an Exorcism!

Brittney: I'm on it!

She changed to the Exorcism!

Brittney: (READING INCANTATION)

***Exorcizamus te, omnis immunde spiritus, omni satanica potestas, omnis incursio***

***infernalis adversarii, omnis legio, omnis congregatio et secta diabolica, in nomini et***

***virtute Domini nostri Jesu Christi, eradicare et effugare a Dei Ecclesia, ab animabus***

***ad imaginem Dei conditis ac pretioso divini Agni sanguini redemptis.***

***Amen!***

Then the demon left Scary Girl and went back to hell!

Nico: YEAH!

Qin: That was awesome!

Lauren woke up and she was groggy.

Nico: Have fun in Hell. Literally.

Lauren: What? What happened?

She saw us.

Brittney: Are you all right?

Lauren: I think so. But I have the worst headache.

Me: It's a crazy story. Mostly because of her and a demon.

She saw her Scary Girl side!

Lauren: (GASP!)

Scary Girl: Hello me! Want to die?

Lauren: You were the monster made from me!? Oh man!

Me: Yeah long ugly story.

I teleported Scary Girl to the M.O.E.

Nico: Yeah.

We went down and told Lauren's mom everything that happened.

Lauren: So I was possessed by a demon and it turned me into that scary monster version of me!?

Courtney: Yeah that was strange and scary.

Xenia: You turned into a murderous version of yourself that was a homicidal maniac.

Himiko: Yeah it reminded me so much of what I was like before. It was scary.

Brittney: Yeah. But I used my dark magic to free the murderous side of you. Then I exorcised the demon out of that and sent that back to hell.

Xenia: We then sent that side of you to the M.O.E.

Me: It's true.

Qin: Yeah.

Courtney: Not only that but your room is completely littered with skulls.

Nico: Yuck.

Lauren: Dear God! What have I become!?

Nico: It wasn't your fault.

Nico: That demon wanted some things we're collecting.

Me: He sure did.

Lauren: What was he after?

Me: The fragments of the Tablet of Chaos and Order. He was going to use those to bring Hell to Earth.

Lauren's mom: That's horrible!

Camie: Yeah it was.

Himiko: It would be like what happened on HIM's decimated version of Earth except billions of times worse.

Camie: Yeah.

Lauren: That's terrible!

Lauren: What would happen if you guys used them?

Nico: We're NOT using them.

Me: We're not even allowed to. Their power is far too strong.

Nico: He's right.

Eli: If we did who knows what kind of horrible things would happen.

Me: Some things are best left unmentioned or untouched.

Nico: And it would defeat the point of Great Responsibility.

Me: That's right. We're trying to find them and bring them back so that it can be fixed.

Lauren: Good idea.

Qin: Yeah.

Lauren: But thank you all so much for saving me.

Courtney: You're welcome Lauren. It's good to have you back.

Lauren: Same here Courtney.

Himiko: Thank goodness.

Juran: Let's bring the skulls home.

Nico: No Juran. The least we can do is give them a proper burial.

Brittney: I agree. These are all victims of a monster that dad killed. They need a good burial.

Nico: Yeah.

Juran: You're right.

Vroon: Let's at least give them to kids as birthday presents

Nico: Vroon that is a terrible idea. People would think of us as madmen.

Me: Yeah we are NOT like Jeffery Dahmer. He was pure evil and a monster that did all that.

Xenia: Yeah.

Nico: That's right.

Vroon: Okay okay. That's a terrible idea.

We then took the skulls and put them all in a coffin that Lucy made and we put them in it. Then we went to the local graveyard and buried them.

Nico: There.

Qin: Good.

Nico: No one's transformed yet?

Me: Not yet. We haven't gotten down to the main event.

Lincoln: Yeah.

Eli: I wonder what it is.

Lincoln: Okay, guys, we got a very huge emergency. Now we can get on with the main event. I just got word that an evil version of Chandler is here and he's out to kill me.

We gasped.

Qin: What?! Just when I thought we'd seen the last of Dark Chandler along with his Royal Defenders counterpart!

Me: Oh no!

Lincoln: Actually, this evil version of Chandler that we're going to be dealing with today is actually from another universe and this one is hellbent on killing his universe's Lincoln and making him suffer for getting him in trouble all the time.

Me: He's still similar to Dark Chandler and his Royal Defenders counterpart: a heartless asshole and a murderous bastard.

Lincoln: Yep, but the final straw came when his universe's Lincoln got him expelled for plotting something so terrible and so horrific, it led to him being disowned by his parents and sent to jail forever.

We gasped.

Nico: Oh man! And didn't you tell me that Chandler tried to blow up the school and frame you and Lincoln long ago and get you both sent to jail?

Me: Yep, and that's what led to him making that deal with The Devil and he escaped from the asylum and went on that murderous rampage of his and it's also what led to Laney getting her powers from Gaia along with Riley getting her powers from Ninsar.

Lily: I still haven't forgotten that day, and there is absolutely no way that I'm going to let that rotten, ugly, stupid, heartless bully asshole get away with trying to murder my big brother, I will end him!

We saw the fire in Lily's eyes.

Laney: Oh no. I've seen that fire before, that's the very same fire I had in my eyes that day when I took down Chandler and got him expelled and when he made that deal with The Devil: there's no mistaking it, Lily's going to kill that Alternate Chandler and make him pay for everything he's done.

Ms. Cheerilee: The same goes with me.

Lincoln: And me as well, I'm not letting Alternate Chandler get away with this. (Senses for Alternate Chandler) AHA! Gotcha! Alternate Chandler is 20 yards from our location and he's already barreling towards me and he is already at Nth-Degree Fucked Up. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Alternate Chandler.

Me: Lets get him guys.

Nico: Yeah!

?: (ENRAGED NTH-DEGREE FUCKED-UP EXPLOSIVE SCREAM) I'LL KILL YOU FOR FUCKING RUINING MY LIFE AND FOR EVEN EXISTING AT ALL, LOUD!

Nico: There you are!

We then saw our target, Alternate Chandler, and he was extremely crazy and insane with revenge and hatred. He got out and threw a knife at Lincoln, but Lincoln deflected it with his Elemental Shield of Harmony forming on his left gold Bracer, and he then saved us by putting up a massive and powerful diamond barrier. Alternate Chandler got out a machine gun and started firing on the barrier, but the barrier stood strong as the bullets were being blunted, and that just made Alternate Chandler even angrier than ever and he was still firing at the barrier, but that still didn't work. Then, he tried to beat the barrier with his fists, but that didn't work either, but it did make his fists bloody, and then, he got out a bazooka and fired at it and it exploded, it still didn't work: HE WAS ABSOLUTELY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL LINCOLN!

Nico: That fucker is absolutely out of his mind!

Alternate Chandler: YOU RUINED MY LIFE LARRY!

Me: His name is Lincoln!

Girl Jordan: YEAH! Get it right you dipstick!

Nico: YEAH!

Lincoln: He's just as bad as Dark Chandler and Chandler's Royal Defenders' counterpart! All the more reason for us to kill him!

Lincoln fired a diamond ball at Alternate Chandler which hit him in the face and sent him flying into a tree and Lincoln deactivated the barrier and we stood ready to fight Alternate Chandler, who got back up, but now he was even more out of control and completely bat-shit rage crazy insane!

Alternate Chandler: (GROWLS) LOUDS, LOUDS, LOUDS! EVERY SINGLE FUCKING TIME I'VE HEARD OF YOUR ACHIEVEMENTS AND YOUR NAME, IT DRIVES ME ABSOLUTELY INSANE TO NO FUCKING END! YOU RUINED MT PLANS AND MY LIFE AT EVERY SINGLE FUCKING TURN, IF YOU HADN'T STUCK YOUR STUPID NOSE INTO MY FUCKING BUSINESS, THE WORLD AND EVERY LAST FOOL ON IT WOULD BE BOWING AT MY FEET, AND I WOULD'VE FINALLY DESTROYED ALL LIFE ON THIS PATHETIC PLANET! I HATE YOU, LINCOLN LOUD, I HATE YOU, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE! HHHHHHHHHAAAAAAAAAAAAAAAAAATTTTTTTTTTTTEEEEEEEEE!

Alternate Chandler had an extreme villainous breakdown, and Lincoln's rainbow energy aura with elemental forces and mythological animals and immense rainbow aura flared up extremely as he gained a massive power and energy boost of astronomically infinite proportions from his extremely toxic and horrendous hatred.

Me and Nico: YOU'RE FUCKING INSANE!

Lily: He's even worse than Dark Chandler in every way! That's it, I'm putting that stupid animal down for good!

Nico: You're going down, asshole!

Billy Batson: After everything I heard from Lincoln's Guardian Angels, I'm going to make sure he pays for it all.

Qin: Same with me!

Anna Anyanova: Same here! This is gonna be good.

Billy Batson: Better bring out the big guns! SHAZAM!

LOUD THUNDERCLAP!

In a massive flash of lightning and a strike of thunder, Billy Batson turned into CAPTAIN THUNDER!

Shazam: Aw yeah!

He fired a blast of lightning and it hit Alternate Chandler and electrocuted him all over!

Xenia: Take this!

She fired arrows and blasted him all over!

Eli fired a blast of Force Lightning and electrocuted him!

Me: YEAH! Billy I love it how you do that!

Shazam: Thanks! Sure is awesome.

Nico: DRAGON THUNDERCLAP!

The 5 Star Ball on Nico's bracelet glowed and Nico fired a massive blast of lightning and electrocuted him all over!

Qin: YEAH!

Nico: Shocking, ain't it?!

Me: And there's many more volts where that came from!

Suddenly, Lily's blue eyes turned neon blue and she was surrounded by a rainbow energy aura with stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels, she unholstered her massive Coventina's Glowing Ocean Maelstrom Greatsword of Divine Celtic Oceanic Justice and Celtic Water Love from her back, and as she approached Alternate Chandler, she left rainbow energy, stars, water, ocean waves, mermaids, sea creatures, phoenixes, and angels with every step.

Lily: You sick, twisted, psychopathic, heartless, empty-headed, good-for-nothing asshole, you know, one of you was bad enough seven years ago, but to find out there are other alternate versions of you who are just like the one we hated, that's clearly one too many! Laney already had her turn long ago, now it's my turn, now I will end your pathetic life here and now!

Suddenly, Lily was surrounded by a massive vortex of rainbow energy with stars, water, and ocean waves surrounding it, there are mermaids and sea creatures swimming around the vortex and angels and phoenixes flying around the vortex, and in the vortex is a lavender phoenix with red eyes glaring at Alternate Chandler: the red eyes of death.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Lily's massive Coventina's Glowing Ocean Maelstrom Greatsword of Divine Celtic Oceanic Justice and Celtic Water Love, and then, it glowed, and then surrounding the massive vortex of rainbow energy with stars, water, and ocean waves surrounding it, there are mermaids and sea creatures swimming around the vortex and angels and phoenixes flying around the vortex, and in the vortex is a lavender phoenix with red eyes glaring at Alternate Chandler: the red eyes of death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF LILY AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOUR TIME'S FINALLY UP, YOU LITTLE SHITSTAIN!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LILY! THEN, AS SOON AS THE VORTEX FADED, LILY EMERGED FOREVER CHANGED!

Lincoln: He never heard of one, he always came to school smelling like raw sewage thanks to being at the sewage plant that his ex-dad works at.

Ms. Cheerilee: And he lacks both manners and discipline just like Dark Chandler.

Alternate Chandler: NEVER!

Alternate Chandler ran at Lincoln, Lily, and Ms. Cheerilee now super mega enraged and now totally completely out of his mind, but Lincoln kicked him hard in the stomach and sent him flying up into the air, and he held out his left hand, and the Seven Dragon Balls on his Dragon Ball Bracelet glowed, and they fired seven black and red energy blasts that formed into a massive black and red energy ball, then, he condensed it to the size of his body.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) BLACK GATES JUDGEMENT BALL!

Lincoln fired the black and red energy ball which hits Alternate Chandler and sent him straight to The Black Gates forever, we all cheered as Lincoln, Lily, and Ms. Cheerilee holstered their massive greatswords on their backs and powered down, and Ms. Cheerilee's new body, clothes, weapons, jewelry, Third Eye, longer pale light grayish rose with light ceriseish gray stripes tail, longer moderate cerise horn, and massive pale light grayish rose angel wings are permanent, and Lily's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Lily: That'll teach that psychopathic sociopath a lesson he'll never forget.

Suddenly, Ms. Cheerilee felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Ms. Cheerilee?

Ms. Cheerilee: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that asshole the violent beating of his life.

Nico: You got that right, and Lincoln, Lily, and Ms. Cheerilee, you guys unleashed untold violence on that asshole, and you used The Black Gates Judgement Ball on Alternate Chandler, right, Lincoln?

Lincoln: Yep.

Lily: Given what Chandler has done to Lincoln in the past, it was the perfect way to destroy him.

Ms. Cheerilee: There was no forgiveness to be given to him for any of his crimes, he deserves every bit of pain and suffering as his heart and soul were as black as the night itself.

Suddenly, Ms. Cheerilee wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Ms. Cheerilee's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flowers growing around them and we cheered wildly. Then, Lincoln and Ms. Cheerilee sucked in and absorbed the flowers and elements and they came back to us as the display vanished.

Nico: That was a really intense fight you guys fought.

Lincoln: But, in the end, we got rid of that little monster for good.

Me: You got that right.

Nico: We'll keep an eye on the universe that Alternate Chandler came from for any more threats.

Me: Yeah.

Qin: Whatever it is we'll be ready.

Nico: Yep.

Maria: Now for other business.

Eli: Yep. We have Another Darkball, Invisible, Defender, Stealth Soldier, Wyvern, Behemoth, Creepy Lighthouse Keeper and SkullMeramon.

We gasped!

Me: WHOA! The Heartless from Hollow Bastion.

Eli: Yep.

Maria: Who do we call for them?

Me: Haru, Aki & Fuyu Salisbury, The Firestorm, Hera Olympus and Talika.

Xenia: Cool!

Qin: What about Natsu Salisbury?

Me: She has the Wizard Heartless.

Nico: Oh and that's not included.

Eli: Nope. But the Anothers minus SkullMeramon are all one person.

Me: Neat.

Nico: Yeah! Too bad it's not food again.

Qin: That would have been funny though.

Maria called them in and then out of vortexes of flowers, leaves and ice and fire and energy came Haru, Aki & Fuyu Salisbury, The Firestorm, Hera Olympus and Talika.

Haru: Hey, guys!

Nico: Awesome! You made it.

Fuyu: We sure did.

Aki: Looking forward to this.

Me: Sorry Natsu isn't present girls. Her archenemy is not present amongst the anothers.

Aki: No worries there.

Talika: But it will be fun.

Nico: There they are!

We saw Another Darkball, Invisible, Defender, Stealth Soldier, Wyvern, Behemoth and Creepy Lighthouse Keeper!

Me: WHOA!

Qin: This will be fun.

Another Invisible: (In a girls voice) It will be awesome and cool.

Me: (GASP) That voice.

They merged and She reverted back and was a girl with purple hair and had purple eyes and purple angel wings and had purpled clothes and she had a tiara with the Weather Dopant symbol on it and the same symbol was on her skirt. She also had purple lightning surging on her hands and she had a sword with intensely powerful purple lightning on the blade.

Me: (GASP) Winona Weather!

Xenia: WHOA!

Winona Weather: Awesome to see you again J.D.

Me: Same here. Winona is the Embodiment of the Weather Dopant from Kamen Rider W. And she has amazing and intensely powerful weather control powers and she has awesome purple lightning powers.

Nico: WHOA! That is amazing!

Philip: Boy it sure is! The Weather Dopant gave us an amazing challenge last year.

Winona Weather: That's what I heard. I heard you killed that jerk and gave Katsumi his heart.

Nico: We sure did.

Me: Quite frankly I would have given Katsumi my own heart. Immortality and Invincibility has its perks.

Winona Weather: That's true it does.

Me: By the way is the Another SkullMeramon friendly or hostile?

Winona Weather: Friendly and she is also an embodiment like me and you will love seeing this.

Nico: COOL!

Me: I have a feeling this one will be awesome.

Winona Weather: Yeah.

May: Sorry we have to do this.

Winona Weather: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

We fired waves of energy and lightning and blasted the Another Heartless and Creepy Keeper and we got a massive Negative Energy Increase and it made us stronger!

Nico: YEAH!

I caught the Wonder Ride Books.

Me: Cool!

Maria: Time for backup! (TURNS DIAL) KGB BEAST FORCE!

She summoned KGBeast, Muggshot, Sonoza, Gamma Metroid, Astral Drop Will and Spike!

Nico: Oh yeah!

Qin: This will be fun.

Nico: Now we wait.

Me: We don't have to wait long!

We saw a figure come out and it was ANOTHER SKULLMERAMON!

Me: WHOA!

Xenia: This one is hot!

Me: Yeah!

Another SkullMeramon: (In a girls voice) This is gonna be awesome.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair, blue eyes, ocean blue angel wings and had blue clothes and she had a tiara with the Symbol of the Ocean Dopant on it and had the same symbol on her skirt and she had a fish tail going out of her butt and she had the Trident of Poseidon in her hands.

Me: (GASP) Oceanus Ocean!

Nico: WHOA!

Oceanus Ocean: Awesome to see you again J.D.

Me: You too. Oceanus Ocean is the Embodiment of the Ocean Dopant from Kamen Rider W.

Philip: Whoa! We never faced that one before.

Nico: That's because that one was an unused one on the show.

Me: We never saw that one or the Gaia Memory for it.

Oceanus Ocean: I know! That sucks that it was never shown there.

Lola: Yeah no kidding!

Me: Yep. Oceanus has all the powers of water and can talk to fish, mermaids and even can breathe and fight underwater without the water buoyancy restrictions.

Nico: That is cool!

Qin: Wow! Just like Isaribi can.

Oceanus Ocean: Yep.

Me: And she also has Blue Fire Powers. She was born with those.

Nico: Wow!

Oceanus Ocean: It's true and I like it.

Sougo: (gets out Samurai Ridewatch) I wonder why the Ocean Gaia Memory wasn't used.

Geiz: (gets out Megaforce Ridewatch) It must've slipped Philip and Shotaro's minds.

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArmor.

Me: Either that or it was faced offscreen.

Eli: Yeah.

Oceanus Ocean: Yeah. Either way it will be fun to face it in the M.O.E. or if it's running around.

Me: Yeah.

Oceanus turned into Another SkullMeramon!

Nico: Time to burn! (ACTIVATES SKULLMERAMON'S RIDEWATCH) (Echoing) METAL FIREBALL!

Nico fired a blast of blue fire and blasted her down!

Nico: WOO YEAH! Now for this! (ACTIVATES CREEPY LIGHTHOUSE KEEPER'S RIDEWATCH)

Nico fired waves of energy and blasted her down.

May: Top this! (ACTIVATES EARTH IMPERIAL NINJA FUMIN AND UNIVERSE 666 SCAR'S RIDEWATCHES)

She fired waves of energy and blasted her all over.

Maria: Time to feel the wind! (ACTIVATES GAMMAIZER CLIMATE AND TORNADO TYRANT'S RIDEWATCHES)

She fired waves of wind and lightning and blasted her all over.

Shazam: This will be awesome! (ACTIVATES CREEPY LIGHTHOUSE KEEPER'S RIDEWATCH)

He fired a wave of energy and blasted her down.

Then Zavok, Axel, Lance, Universe 666 Sharptooth, Mandilok and Captain K. Rool came.

Nico: Nice team Zavok!

Zavok: Thanks Nico!

Me: Sweet!

?: Boy I'll say!

We saw a Dondozo!

Me: Cool a Dondozo!

Nico: Neat!

Dondozo: (In a girls voice) And it's awesome to see you again Nico!

Nico: Mona Rico! Wow!

She reverted back and was a girl with blue hair and had blue overalls and blue boots and she had a badge on her pants that said Catcher of Big Mona!

Mona Rico: This will be awesome.

Lincoln: First this.

Lincoln fired a wave of light and separated Oceanus and the Mona fired a wave of energy and blasted Another SkullMeramon and I caught the Ridewatch and purified it!

Oceanus Ocean: That was awesome!

Lola: Yeah it was!

Me: Wait a second, Mona you're the great fishing angler!

Mona Rico: Yep and I caught the elusive Big Mona.

Camie: Who is Big Mona?

Me: The biggest and most elusive catfish in the entire Louisiana Bayou. No one has EVER Been able to catch her for a long time.

Mona Rico: Not until now thanks to me.

Me: Awesome.

Shazam: What's your favorite memory of Nico?

Mona Rico: Easy one. Where me and Nico caught Big Mona back 8 years ago. We did not eat her for dinner. Instead, we put her in my mansion's huge aquarium. She's my friend.

Me: Boy that is awesome.

Xenia: You must be really proud to have caught a huge and elusive fish like Big Mona.

Qin: I heard that some guy named Snakebite Scruggs has been trying to catch her for years and failed every time.

Mona Rico: That's right and I have a story on him you won't like when we meet my parents soon.

Me: We'll have to hear it.

Nico: Yep.

Nico and Mona hugged.

Nico: I've missed you.

Mona Rico: Same here Nico.

We went back home.

And once they get them, we're also going to destroy an old enemy of Dakota Maracle's, a fallen and pure evil Ottawa named Damian "Black Fang" Mahigan, Amber Mahigan's former brother who had angered the Iroquois gods and was cursed to be a Skinwalker.

Lincoln: Whoa, we're here in Manistee, Michigan, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word of an awesome treasure there: they're called The Sickle Swords of Hinon.

Nicole: I read about them, according to legend, The Iroquois God of

Thunder, Hinon, crafted these powerful blades and infused them with his divine thunder, but there's a catch: only the champions of Hinon can wield these powerful hooks.

Me: Namely Lincoln, Linka, and Dakota Maracle, wow.

Nico: Awesome, and we've got word of a Skinwalker here.

Lincoln: And I know this evil Skinwalker all too well, the same with Amber, it's her evil former older brother, Damian "Black Fang" Mahigan.

Eli: What did he do to earn the wrath of both tribes?

Amber Mahigan: Damian spilled the blood of his own friends and even his own girlfriend back in our home, then, he went to and killed Dakota's friends and spilled their blood, and he committed the ultimate blasphemy ever: he drank the blood of his victims and even ate their flesh.

We gasped.

Lincoln: They named him Black Fang because he had the carnivorous appetite of a wolf, but that very name would also seal his fate.

Dakota Maracle: That's right, because of committing the ultimate blasphemy of drinking human blood and eating human flesh, the Gods of both Iroquois and Ottawa cursed Damian and he was turned into a Skinwalker for eternity.

Kwame: Which means there's no way for him to lift the curse.

May: Committing that kind of blasphemy and angering the Iroquois and Ottawa Gods, he's nothing but a monster.

Lincoln: Which is why he must die! Plus, we also found out that The Sickle Swords of Hinon can also be used to slay those who got cursed by the Iroquois Gods and turned into a Skinwalker. Let's find them and get after Damian.

We headed out, and then, we came across three stone pedestals with Thunderbird Reliefs carved into them, and suspended in mid-air on top of the pedestals are The Sickle Swords of Hinon: the hook-like sickles have curved blades with pointed hook tips, ivory thunderbird heads for the hilt, black handles, and nut-shaped ivory weights for the pommels.

Nico: Whoa, so those are The Sickle Swords of Hinon.

Lincoln: Yep.

Suddenly, The Sickle Swords of Hinon went to the hands of their masters: Lincoln, Linka, and Dakota Maracle, and once they were in hand, lightning crashed down from the skies as a Thunderbird flew into the air and screeched.

Me: Alright, Lincoln, Linka, and Dakota Maracle now have The Sickle Swords of Hinon.

Lincoln: Now, we can go after Damian Mahigan and kill him.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, and she's dressed in a black sleeveless crop top, black skirt, black bellbottom pants, black sneakers, and long white sleeveless trenchcoat with light, darkness, Keyblades, and angels on the coattails and on the back is Traverse Town in her right hand is the Ultima Keyblade, and with her are the five girls.

Lincoln: (GASPS) Ersa Eotw, Keyblade Knight of The End of The World.

Ersa Eotw: Yep, and I got the girls away from Amber's ex-brother, the monstrous Skinwalker.

Suddenly, we heard a loud roar, and we saw our target, once a man with black hair and tanned skin, but now, turned into a black-furred werewolf as punishment: it was Amber Mahigan's evil brother, Damian "Black Fang" Mahigan.

Sylvester: Your days of eating the flesh of your victims are over!

Then, Lincoln and Dakota Maracle used The Sickle Swords of Hinon to rend and tear at his flesh, and then, lightning came out of the hook-like sickles and they proceeded to fry his brain and heart, and his soul was sent to The Black Gates forever. We cheered as we holster our weapons and powered down.

Lincoln: Burn in Hell forever, Damian Mahigan.

Amber Mahigan: Mom and Dad were right to disown you after what you did.

Dakota Maracle: Now, the spirits of the slain can finally rest in peace.

Lincoln: You said it, girls. (To Ersa Eotw) And it's so good to see you again, Ersa Eotw.

Ersa Eotw: You too, Linky, and it's so good to see you again, Sora, Riku, and Kairi.

Sora: You too, Ersa Eotw.

Lincoln went up to Ersa Eotw and they hugged her, and Ersa Eotw is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ersa Eotw: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and

he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Ersa Eotw, Keyblade Knight of The End of The World, she's my Guardian Angel from Michigan and she's a Keyblader and she harbors a very very nasty hatred for Chernabog, ALL THE DISNEY VILLAINS and all the Heartless in General as well for what they did to SO MANY WORLDS and wants to destroy EVERY Single one of them. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Selene Emperyous: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa, and The End of The World is where we defeated Xehanort's Heartless, Ansem, Seeker of Darkness years ago.

Me: That was a memorable battle.

Nico: It sure was, that Heartless paid the price for trying to cover the world in darkness.

Lincoln: Same with Maleficent, her group of Disney Villains, and Organization XIII.

Eli: Xehanort's Heartless was a danger to the worlds and the universe, he deserved his fate.

Lincoln: You said it, and now that you're here, Ersa.

Lincoln went up to and hugged Ersa Eotw in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ersa Eotw: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ersa Eotw's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ersa Eotw: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ersa Eotw.

Ersa Eotw had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them immediately. The five girls are Chihiro Midou, Hiina Kujou, Kuzuha, and Mutsuki Kamishiro from Inakoi ! ~ Oinarisama to Motemote no Tatari ~

Lincoln: Oh wow, it's Chihiro Midou, Hiina Kujou, Kuzuha, and Mutsuki Kamishiro from Inakoi ! ~ Oinarisama to Motemote no Tatari ~

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chihiro Midou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up

to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Chihiro Midou: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chihiro Midou, Hiina Kujou, Kuzuha, and Mutsuki Kamishiro with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and we'd told the rest of the team of Lincoln, Linka, and Dakota Maracle getting The Sickle Swords of Hinon, and the rest of the team were shocked to find out the villain we went after was an old enemy of Dakota Maracle's named Damian "Black Fang" Mahigan, Amber Mahigan's former brother who angered the Iroquois and Ottawa Gods by killing and drinking the blood and eating the flesh of his own murdered friends and the friends of Dakota Maracle, and as a result, was cursed to be a Skinwalker.

But, when Lincoln showed what we did in beating down that Skinwalker, and then, Lincoln and Dakota Maracle using The Sickle Swords of Hinon to slice Damian Mahigan's stomach open, and the magical lightning electrocuted and fried his heart and sent his soul to The Black Gates forever, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Ersa Eotw have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I had no idea about the fact that two of your Guardian Angels had a common enemy.

Lincoln: And that it was Amber's worthless evil ex-brother, Damian, and what he did long ago crossed a huge line.

Me: He committed a very serious blasphemy, and he got the punishment of the Iroquois and Ottawa Gods.

Nico: And he finally paid the price with his life.

---

After destroying Damian Mahigan, The Cursed Skinwalker and sending him to The Black Gates for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ersa Eotw saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ersa Eotw: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect

us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ersa, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ersa Eotw: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ersa Eotw: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Ersa, what memories did you have with Lincoln?

Ersa Eotw: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels went to Lynn's Table for a special lunch date. But then, we heard a loud and angry scream in the air and caught the overpowering scent of perfume in the air, and we knew only person who would have on excessive amounts of perfume: Lola, and she was still out for Lincoln's blood. We'd had enough of that rampaging pageant she-demon, so Lincoln fired blasts of water at Lola and gave her a bath, but that didn't save her for long as we then piled on and brutally beat her ass up, then, I punched her in the face and gave her a black eye. Then, Lincoln ordered her to leave, that demon roared and ran out of there.

Hannah Hollow: But, as soon as she got back home, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were really enraged that Lola tried to kill Lincoln again, thanks to us giving them the message. Show them the video, Ersa.

Ersa Eotw showed the video of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud all glaring at Lola, and that resulted in Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, and Lily pouncing on and brutally beating Lola into the dirt. When they were done, Lola looked like she got into a nasty fight with some big thugs at the biker bar.

Eli: HOLY FISHPASTE!

Nico: Jeez, Lola pissed off her family big time along with her older brother once more!

Lincoln: She sure did, we thought she'd finally learn her lesson after all those other times.

Me: But, she didn't, Lola's pride and her violent temper, not to mention her condescending attitude and her heartless behavior, made it impossible.

Luna: That Dark Side made her act like such a drama queen and think she's better than everyone all around her. She was such a rotten animal, and some of us had murder on our minds if Lola ever did that again, forget about Lincoln's Guardian Angels coming after her because the next time she dared to do that, we'd be the ones to end up going after her and finishing what his Guardian Angels started.

Laney Emperyous: But, that wouldn't work for you, Luna, don't forget: Lola also had Lori, Lynn, Lisa, and Luan with her. Even if you succeeded in ending Lola, you'd wind up getting targeted for death by Lori, Lynn, Lisa, and Luan, and Lincoln wouldn't want you, Leni, Laney, Lucy, Lana, Lily, and Mr. and Mrs. Loud to pay the price for standing up for him.

We got a shower, and then, Lincoln, Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko

(Chun-Li ni makase China), Mary, Ruby, and Demon Machami are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Mary: Wow, so this is Lake Lamode, it sure is awesome.

Lincoln: It sure is, Mary, and it's perfect for our date. Shall we?

Lincoln, Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami are in your harem.

May: That's really awesome.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Luz Noceda, Simulator Amity Blight, Simulator Willow Park, Emira Blight, Reiko (Chun-Li ni makase China), Mary, Ruby, and Demon Machami, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later we were walking passed Rolf's house and we saw him mowing the lawn.

Me: Good afternoon Rolf.

Rolf: Hello Fire Chief J.D. Boy.

Sam Sharp Loud: Rolf, have you seen the mascots?

Rolf: Cute Mascots are somewhere.

Me: I hope they aren't in your chicken coop.

We heard the pigs squealing.

Rolf: Wilfred.

We went to check the farm of Rolf and saw the Mascots hiding with some of the animals. Poromon was with the chickens, Poliwag with the pigs, Manaphy with Victor and Horsea with Rolf's cow.

Autumn Blaze: What are you guys doing now?

Jirachi: (Offscreen) Ready or not here I come!

Me: Ooh they're playing hide and seek.

Qin: Fun.

Poromon: Yep.

Eddy: Good times. I remember when we played. We had a great hiding spot.

Me: That metal hideout that you camouflaged to look like a shrub?

Eddy: Yep.

Edd: That was a great hiding spot.

Thunderblast: Wait. Where's Tentacool?

Poromon pointed to the orange tree and we saw her there.

Me: Oh.

Jirachi came and looked around.

Beast Boy: Payback time.

He turned into a parrot.

Beast Boy: Poromon's here! Poromon's here! (SQUAWKS)

Poromon: HEY!

Jirachi: Thanks!

Poromon: Payback for what?

Beast Boy: Replacing my milk with beer!

Beast Boy flew over to Poliwag.

Beast Boy: Poliwag's here! Poliwag's here! (SQUAWKS)

Poliwag: WHY YOU DIRTY!

Jirachi: Thank you!

Beast Boy flew over to Manaphy.

Beast Boy: She's over here! She's over here! (SQUAWKS)

Manaphy: BEAST BOY!

Jirachi: Thanks Beast Boy!

Beast Boy flew over to Horsea.

Beast Boy: She's over here! She's over here! (Squawks)

Horsea: BEAST BOY! YOU LITTLE!

Beast Boy reverted back.

Beast Boy: That's for giving me beer instead of milk!

Eddy: (LAUGHS) That is too rich!

Nico: (LAUGHS) Funny!

Me: Poromon swiped Beast's Boy's milk for his cereal and replaced it with beer and got Beast Boy drunk as a loon. He swore to get back at the mascots one day.

Nico: That is crazy!

Tentacool: (in her mind) He'll never find me

?: Actually I found you.

She saw a Veluza!

Tentacool: (SCREAMS)

They both fell out of the tree.

Me: Whoa a Veluza!

Nico: Neat!

Veluza: (In a girls voice) Looks like I saved Beast Boy the trouble of finding her.

Nico: Vera Simone!? Wow!

She reverted back and was a girl with purple hair and grey clothes and had purple eyes.

Vera Simone: That was fun.

Wheelie: What's your favorite memory of Nico?

Vera Simone: When me and Nico went to my family's fashion store and I made Nico dress up in girl dresses.

Nico: (GROANS) I WISH I COULD FORGET THAT!

Me: Oh boy. If any of you laugh at Nico I will kill you!

Vera Simone: Relax it was a long time ago.

Me: Oh.

Nico and Vera hugged.

Nico: I've missed you.

Vera Simone: Same here Nico.

Khybon: I think for each mission, a Loud Kid and several others should take the lead

Nico: That's not a bad idea!

Qin: Yeah!

Laney: I like it!

Xenia: Yeah I think it's cool.

Me: Yep.

Laney: Hmm. I have a hunch on who we'll face first. So, me, Casey, Ruby, Ang Leung, Laval, Ryotaro, and Lin Chung Will lead

Me: Okay then.

Nico: Awesome idea.

Qin: Okay.

The previous group came.

SkullMeramon: Can me, Tri Klops, Katnappe, Devack, Beautiful Gorgeous, Mojo Jojo, Copperhead, Hank Scorpio, Mortal Kombat Scorpion, and Stratos go with you guys?

Nico: Yes you all can come with.

Qin: This is gonna be fun.

Lola: Yep.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the first mission to retrieve the first piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The first piece of The Tablet is located in Earth-TRN579, and it's in the hand of that Earth's Kraven the Hunter.

Lincoln: But, where as our Earth's Kraven is good, this one is evil. But, he, like all incarnations of Kraven, has honor, he could be a potential member for The Masters of Evil, but we need to first defeat him in battle.

Kraven the Hunter: (Russian Accent) That's true, but he won't be easy.

Nico: No, he'll put up a fight, and that's just how we like it.

Me: So it's Kraven the Hunter next.

Larry Koopa: Nico, which Gene Slammers do you think you'll meet next?

Nico: Tatsugiri, Annihilape and Clodsire.

Qin: Cool!

Xenia: Yeah!

Lola: This will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Charles Novamenova, the evil older brother of Charlene Novamenova and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Charlene and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Charlene, you're not going to like it: the figure we sensed is none other than your evil older brother, Charles Novamenova, the second of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

We gasped.

Charlene Novamenova: So, now my older brother, Charles, has come after us. I always knew that stupid moron would be the first to come after us, he's such a asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say yesterday, he Gene-Slammed himself into Caius the Shadow Monarch, right, Charlene.

Charlene Novamenova: Yes, I did, Anna. But, I refuse to let Charles live a single second further, this time, I'm ending that asshole once

and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Earth-TRN579 to retrieve the first piece of The Tablet and defeat Earth-TRN579 Kraven the Hunter.

Lincoln: The hunt has finally begun, and once we get done defeating Earth-TRN579 Kraven the Hunter and retrieving the first piece of The Tablet, you're next, Charles Novamenova.

Charlene Novamenova: You've gone way too far this time, Charles. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Caius the Shadow Monarch. This won't stand, I'll make sure that you are reduced to ashes after we get done defeating Earth-TRN579 Kraven the Hunter.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Earth-TRN579 to retrieve the first piece of The Tablet of Order and Chaos and defeat Earth-TRN579 Kraven the Hunter, and once we get done defeating him and sending him to The Masters of Evil, Lincoln and Charlene Novamenova are going to kill and destroy her evil older brother, Charles Novamenova, the second of the eleven most dangerous thugs from Royal Woods.

The Amazing Shattered Dimensions Spider-Man swings through the skies of his city while testing out his new Spider-Sense in search of the next fragment with us following him. Spider-Man uses his new Spider-Sense and managed to locate a fragment inside a nearby building.

Shattered Dimensions Spidey: Whattya know! I swing around long enough, and my new upgraded Spider-Sense points me towards a fragment!. You guys wait out here in case something happens.

Me: Okay.

Katnappe: We don't like the idea of you going in alone.

Shattered Dimensions Spiderman: What's the worst that can happen?

Me: Please don't ask that.

He crawls up a wall towards an open window.

Shattered Dimensions Spiderman: Definitely sensing something from inside the, uhhh… jungle room?

He finds the fragment at the end of the corridor inside a room with animal trophies attached to the walls.

Shattered Dimensions Spiderman: Hey, look over there! If it isn't Mr. Tablet Fragment. Right there waiting for us to grab it. Which can only mean one thing…

Expectedly, Peter's Spider-Sense tells him to start jumping when a cage drops out of nowhere almost catching them

Shattered Dimensions Spiderman: IT'S. (dodges flying darts) A. TRAP! (grabs the fragment) Gotcha! That wasn't so bad, actually. (room gets filled with knockout gas) Oh COME ON!

Watching him as he sleep is a man. A hunter. The greatest hunter in the entire world, and a familiar enemy to Spider-Man.

It was none other than SERGEI KRAVENOV A.K.A. KRAVEN THE HUNTER!

Shattered Dimensions Kraven: (Russian Accent) Rest now, my prey. Save your strength. For when you awake, we begin… THE HUNT! (laughs)

Anakin: Guys, I sense Shattered Dimensions Spiderman's about to be moved somewhere.

Eli: I feel it too Master Anakin. He's being taken to South America.

Laney: Lets go!

We were off.

We arrived in South America.

---

Hours later, far away from New Vale City, Shattered Dimensions Spiderman is slowly waking up in unfamiliar territory after being put to sleep by Kraven.

We arrived at an amazing temple.

Me: Wow! What a temple! T'Chala doesn't this remind you of Wakanda?

Black Panther: As a matter of fact it does.

Qin: It's amazing.

Lola: Yeah!

Nicole: I wonder if there is any treasure worth finding here.

Me: There miight be.

Shattered Dimensions Spiderman: (groans as he wakes up) Unnnnhhh… Kraven! That maniac. Where has he taken me this time? What horrible death trap will I have to overco…

Shattered Dimensions Spidey wakes up to learn he was kidnapped to a giant jungle area in some ancient ruins.

Shattered Dimensions Spidey: Hey! This is a pretty nice view, actually.

?: Well, look who's awake.

He turned to see us there.

Shattered Dimensions Spiderman: Hey, guys.

Me: Are you alright?

Shattered Dimensions Spiderman: Yeah I'm okay.

Laney: This is the reason we didn't want you to go off by yourself.

Shattered Dimensions Spiderman: That's why I had you guys wait outside.

Me: You made the right call on that.

Shattered Dimensions Spiderman: Where are we?

Me: Looks like an ancient temple in the Andes Mountains of South America.

Nico: It's beautiful.

Me: If Kraven wants a hunt, we'll give him one. And I know just the attire for it. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into into WOLF MOON 🌙!

Me: (HOWLS)!

Nico: YEAH!

Shattered Dimensions Spiderman: WOW! That is so cool J.D.

Me: Thanks.

We jump across large gaps exploring the jungle for a little bit until they came across a large wooden gate. Waiting for them before the gate is our enemy, Kraven, looking to be holding a fragment of the Tablet of Order and Chaos.

Nico: There you are, Kraven!

Me: Sergei Kravenov A.K.A. Kraven the Hunter. Nice day for a hunt isn't it?

Shattered Dimensions Kraven: Welcome, Spider Man! And Team Loud Phoenix Storm. Welcome to the jungle! This rock - it holds great power, no?

Grounder: Doubt you'll use it for great responsibility.

Me: That tablet piece is actually part of something important.

Shattered Dimensions Kraven: I could use it to crush you… like a bug.

Me: We'll see about that.

Shattered Dimensions Spiderman: That wouldn't be very sporting of you, would it?

Shattered Dimensions Kraven: Ah, you speak a great truth! Let it be your prize, then - if you can survive my gauntlet! Your powers against my skills, your brains against mine. Come! Enter my game of death! (jumps high and over his wooden gate) Claim your trophy - if you dare!

With that, the gate opened.

Me: I always love a good challenge.

Nico: Me too.

But then my super enhanced hearing picked up something.

Me: (GASP) Guys I hear something.

I heard it and it was an all too familiar voice.

?: (Crying) Oh Peter help me!

Me: (GASP) It's TAS Mary Jane! She's here!

Kraven's voice can heard echoing throughout the jungle, speaking to us as we traverse his hunting grounds

Shattered Dimensions Kraven: Come, my friends, do not delay! The great hunt BEGINS! Hurry! Hurry!

Me: Always ready for a hunt!

Shattered Dimensions Spiderman So you want us to run through the jungle? Should we not look back?

Shattered Dimensions Kraven: Do not mock me, Spider-Man!

Shattered Dimensions Spiderman: (web swinging) Wow. You're awfully touchy for a guy who wears leopard print pants. Keep your tights on! We're coming!

Devack: (jumps over bottomless pits) Maybe if your jungle wasn't filled with bottomless pits, we'd be there already!

Nico: That would not be good!

Shattered Dimensions Kraven: Come, come! We have only scratched the surface!

Shattered Dimensions Spiderman: Seeing you so excited is creeping me out.

Me: But it is fun!

Shattered Dimensions Kraven: And there is a red haired woman somewhere in this jungle. Feel free to bring her to your world.

Poromon: Just like that, huh?

Me: That's who we're here for.

Shattered Dimensions Kraven: I am a hunter. But not a heartless one. She has no part in this challenge.

Nico: And J.D. knows she is here!

TAS Spiderman: SHE IS!? Where!?

Me: I sense her 720 yards from here! This way!

Nico: Meet us at the first stop!

Me: Right!

Me and TAS Spiderman went to find her!

I looked from above.

Me: That treehouse! Look!

We saw a treehouse that wasn't there.

We flew down and landed.

Me: Mary Jane!

TAS Spiderman: M.J!

She came out and it was TAS Mary Jane!

TAS Mary Jane: (GASPS) PETER!

TAS Spiderman took off his mask and they went and hugged for the first time in years!

They even kissed.

I was happy for them.

TAS Mary Jane: I thought I would never see you again! (CRYING)

TAS Spiderman: Me too! I am so sorry.

TAS Mary Jane: It's not your fault.

Me: Mary Jane we're so happy you're safe.

TAS Mary Jane: I know. Thank you. How did you find me? Who are you?

Me: J.D. Knudson, Second in Command of Team Loud Phoenix Storm. It's a long story.

TAS Spiderman: We'll tell you later. Right now we got to catch up to the team.

Me: Right.

We went back to the team and caught up to everyone.

Nico: M.J.!

Lori: Oh what a relief!

TAS Mary Jane: I'm so glad you all found me.

Nico: We are too! Thank goodness.

Laney: You wouldn't believe how devastated TAS Spiderman was when Green Goblin sent you here.

Lola: Yeah.

Soon, we caught up to Kraven, usto show up on his platform.

Shattered Dimensions Kraven: Yes, there is much for you to experience here. Traps. Long-range weapons. And of course, hand-to-hand combat.

Me: That we can deal with.

Shattered Dimensions Kraven signals to a group of mercenaries to join him on the arena confronting us

Shattered Dimensions Spiderman: How cute. You put together your own boy band!

Me: You have your own band of Mercenaries.

Shattered Dimensions Kraven: My disciples. They have come to study at the foot of the master. To learn the art of the hunt - from the GREATEST hunter of all!

Me: Very challenging. But then again it wouldn't be a good hunt if it was just YOU to face.

Shattered Dimensions Kraven: That is too true.

Shattered Dimensions Spiderman: And the most modest.

Shattered Dimensions Kraven: You dare mock me in front of my students!?

Shattered Dimensions Spiderman: No… in front of your boy band.

Nico: Whoa.

Shattered Dimensions Kraven: Men! Remember what I have taught you. Strike hard. Strike fast… and show no mercy.

With that, he left his students against us

Me: Bring it on!

Casey: Yeah! Let's see if you've got what it takes. Jungle Beast, Spirit Unleashed!

Ryotaro: Henshin!

They transformed!

Casey: WITH THE STRENGTH OF THE TIGER! JUNGLE FURY RED RANGER!

Nico: Lets get them!

I then slashed a man with my scythe and kicked him in the face and elbowed one in the face.

Nico anc Casey and Ryotaro bashed them down.

Laney formed a sword and slashed one.

Spiderman used a web rope and smashed one into the ground.

Casey: These guys aren't even a challenge!

Me: Well like I have learned in chess, in order to get to the king (Punches a man in the face) one must first go through the pawns.

I leg swept a man and bisected him in half.

Ryotaro: YEAH! And my roll call is this. FLAMES OF TIME! KAMEN RIDER DEN-O!

Spiderman used his defensive stance to dodge a hunter's attacks.

I slashed him in half.

Shattered Dimensions Spiderman: Thanks J.D.

Me: No problem.

I fired waves of blue fire and blasted them.

Nico leg swept one and knocked him down and then plunged his hand into his back and RIPPED OUT HIS SPINE!

RIP!

Camie: NICE!

Lola: (LAUGHS) Nico is a Predator!

Maria: We can only move on when all the hunters in this area are dealt with!

Me: That's fine with me.

I dodged numerous blows with incredible speed and dodged 30 attacks.

We defeated 10 hunters.

Nico: NICE!

Qin: YEAH!.

Maria: Now we can move on.

Shattered Dimensions Kraven: It seems my men have not proved much of a challenge for you.

Shattered Dimensions Spiderman: (swings above a large gap) Are you kidding? Those guys were brutal. We barely survived!

Me: Well they weren't that much of a challenge anyway.

Eye Five: Yeah. They almost killed us.

Shattered Dimensions Kraven: Really?

Shattered Dimensions Spidey: No. We creamed 'em.

We got to another part of the temple.

Laney threw a bunch of pots and they hit a bunch of hunters!

SMASH SMASH SMASH SMASH!

Qin: OH YEAH!

Camie: Take that!

I grabbed a hunter by his neck and punched him square in his stomach with devastating force and he belched up a massive amount of blood and I punched him in the face and knocked him down.

We bashed Hunters all over the place and went into a new room.

With them knocked out, we enter a new room where more hunters show up to get embarrassed.

Hunter 1: For Kraven!

Hunter 2: For the thrill of the hunt!

Shattered Dimensions Spiderman: Hey, you talk like him too! Lion's head vests for EVERYONE!

Mojo Jojo: Well, maybe not everyone.

Me: I sense these guys are faster. But so am I!

I used Rainbow Dash and Flash's speeds and slashed them and bisected one and then clashed with my scythe and one of his swords and kicked him down and slashed him down.

Shattered Dimensions Spiderman threw a sandstone jar at a hunter.

Shattered Dimensions Spiderman: I'm Spider Man. It's what I do. I break pots.

Maria: You know, Pots spelled backwards is stop.

Me: That is true.

We bashed and slashed the hunters.

We got to another long temple ravine.

We saw Kraven.

Shattered Dimenions Kraven: (continues evading us) Come! The jungle still holds MANY surprises.

Me: I'm always ready for anything.

Shattered Dimensions Spiderman: (pretends he's asleep with loud snoring noises) I'm sorry. Were you saying something?

Poliwag: Something about 'hunt' and 'prey' and 'lions'.

Nico: Funny.

We land at a water fountain that is booby-trapped with outrageously numerous tranquilizer darts fired from the wall.

Poromon: (dodges darts in short reaction time) WHOA! AH-AH-AH-AH! Whew!

I grabbed all the darts that were fired and had them all in between my fingers.

Ruby: (jokingly) That's the last time we're mocking him.

Horsea: Not in a million years.

Nico: Yeah.

We saw him with hunters ahead.

Lola: There.

Shattered Dimensions Kraven: (to his men): Wait for them to come within range. When you have the shot… take it! (runs off again)

Shattered Dimensions Spiderman I guess this begins the bullet-dodging portion of the festivities.

Shooters take position on top of several totem poles over a bottomless pit. Shattered Dimensions Spidey zip kicked one of them off his perch point.

Me: So it's a shootoff huh?

Apple Bloom: I got this!

She kicked a man and took his gun and then blasted his head clear off his shoulders.

Applejack: YEEHAW! Nice shot!

I fired a blast of energy and blasted the snipers!

Me: Take that!

We continued on and got to another room!

Shattered Dimensions Kraven: (runs away again) Do you not feel it, now? The blood pounding in your veins? The thrill that rouses the hair on your neck, that makes a drumbeat of your heart?

Weather Vane: I did feel that, but I thought it was something I ate.

Me: You know Sergei this is turning into a fun challenge.

We blasted numerous men.

We fired waves of more energy and elements.

Shattered Dimensions Spidey used a Web Strike on a hunter.

And bashed him down.

Qin: Yeah!

I slashed the hunters down!

We walk into a large chamber that has more ancient ruins inside. Then, something dangerous triggers Shattered Dimensions Peter's Spider-Sense that prompts himself and us into a defensive stance.

Shattered Dimensions Spiderman: Spider-Sense! (quickly dodges a fiery spear) Fiery spear! Point taken.

We noticed the spear came from more hunters ahead.

Shattered Dimensions Spiderman: Another boy band! Are you guys gonna sing for us?

Hunter: Get them!

Hank Scorpio: Let's see if we can finish these guys in 4 minutes!

Me: I only need 2.

I went and ran fast and slashed and blasted them. Then I threw the darts I caught and stabbed them all over in one fell swoop!

Shattered Dimensions Spiderman: WHOA! That was genius!

Me: Thanks.

Shattered Dimensions Spiderman: If I know Kraven, this place'll be loaded with traps. Gotta stay alert!

Ang Leung: Don't worry. We see them.

Eli: Allow me.

Eli used the Force and disabled the traps all over.

Qin: Awesome!

We soon arrive in an open area next to a beautiful and peaceful waterfall. Shattered Dimensions Spider-Man swings above us. Unaware to us, Kraven is spying on us with his sniper rifle, zooming closer to the webline and shoots it, breaking it, Shattered Dimensions Spiderman: (crashes to the ground): Yikes!

Disk Wars Mandarin: Are you okay?

Me: Someone's Shooting at us!

Shattered Dimensions Spiderman: I'm alright. Don't that that's gonna work. Hmm, gonna have to find another way. (spots Kraven about to shoot him again) Oh COME ON!

We dodge his bullet as it knocks down a tree instead.

Me: HEY! What do we look like!? A Herd of buffalo!?

Shattered Dimensions Spiderman: Sorry, I'm allergic to bullets. They ruin my complexion!

Shattered Dimensions Kraven: Bah! You cannot dodge forever!

Me: Neither can you! You can't shoot at us forever!

I fired waves of energy and blasted the hunters coming!

Mortal Kombat Scorpion: (to a hunter) Get over here!

He grabbed one with a tentacle and smashed him down!

Qin: Oh yeah!

Shattered Dimensions Kraven shot Shattered Dimensions Spiderman in the shoulder. But he was still alive.

Shattered Dimensions Spiderman: I'm not dead?

Shattered Dimensions Kraven: (laughs) You think I would end this so quickly? Those are only dummy rounds!

Laval: (Sarcastically) Well, that makes me feel a lot better!

Me: Now here is a real one!

I fired an energy blast and it hit Kraven and exploded!

KRABBBBBBBOOOOOOOOOOOMMMMM!

He was blasted back.

Me: Come on someone like you getting hit by a blast that weak? I don't think so Sergei.

Shattered Dimensions Kraven: You outrageous… You are LUCKY! That is all!

Shattered Dimensions Spiderman: To be fair, I'm also quite handsome.

Chaor: (growls) Someone knock these trees down so we can keep moving!

Me: Gladly!

I fired energy blasts and knocked down a tree and we crossed. Then we knocked down more trees and crossed and got to a temple.

Me: Made it!

As we get closer, Stratos hears something faint, but getting louder as we slowly approach.

Stratos: Are you guys hearing that? It sounds like cheering.

Maria: Wonder what's that all about?

William: Look over there. Looks like we're approaching some kind of arena.

Nico: Okay, I know it's a bit early but now we should do our entrance. Give the crowd something to enjoy.

Me: Good idea.

We went at the arena.

Then in the arena the spirits of the jungle appeared and swirled around the floor and they converged and then a tree formed and the spirits of the jungle formed around it and they formed into fruits and they popped open and out came us.

Xenia: Awesome!

Qin: Cool!

Me: Now that was an entrance of the jungle.

Shattered Dimensions Spiderman: Let me guess - two men enter, one man leaves. Am I right? Or in this case - one man and team.

Suddenly, a very large tribal man drops into the arena, wearing a skull mask and holding a large club as a weapon and snarling intensely at us.

Me: WHOA!

Shattered Dimensions Spiderman: Wow! Love your headdress. Is that from the Skull Collection? May I suggest an accoutrement? Perhaps something from the Webbed Collection?

Huge Hunter: KILL YOU!

Ryotaro: Not gonna happen!

Wing Form!

Ryotaro went into Wing Form.

Casey: Strike Rider Cruise!

Me: YEAH!

I then slashed the Huge Hunter in half and killed him in an instant!

Qin: Take that!

Ryotaro and Casey stayed in their super modes as two more tribal brutes suddenly dropping in unannounced to fight the heroes.

Before the second fight could begin however, Kraven suddenly arrives to interrupt it with menacing disappointment towards his men, Shattered Dimensions Kraven: Still they live. I thought I taught you better than that!

Kraven took out one of his swords and jumped down, quickly uppercutting the first brute and knocking him out. Then he dives down cutting down the second brute, who fell on his knees before falling unconscious while the crowd chanted Kraven's name.

Crowed: KRA-VEN! KRA-VEN! KRA-VEN!

Alucard: Tell me you didn't-

Shattered Dimensions Kraven: (chuckles) Relax. I only knocked them out. (to the crowd) I promised to show you a TRUE hunt. I promised you a VICTORY… and I am a man of my WORD! And now… (to us) the endgame!

Me: I guess it's true what they say huh Sergei. You want something done right, you got to do it yourself.

Shattered Dimensions Kraven: That is true.

Me: All right. Lets make this a hunt to remember. But I know you're holding back. So lets make this fun.

Shattered Dimensions Kraven: Lets do it.

Madame Web: He's blinded by the thrill of the hunt! Wait for him to lunge, then strike!

Shattered Dimensions Spiderman: Thanks for the advice, Webb! We'll use it when he's not killing us!

Kraven charges up a lunge striking at Casey and Ang Leung.

I formed my scythe and then went at Kraven and we clashed powerfully and sparks flew all over the place and I kicked him in the face and punched him down and fired waves of blue fire and blasted him down. Then I teleported and kicked him in the back.

TAS Mary Jane: WHOA! J.D. is so fast and powerful!

TAS Spiderman: He sure is.

Me and Kraven clashed and then we got in our faces.

Me: You know this has always been one of my favorite battles between two different animals. The Wolf VS The Lion.

Shattered Dimensions Kraven: That is a good battle.

Shattered Dimensions Spidey: Uh, in case you haven't heard, there's a law against hunting men, even ones with 'stick- 'em powers'!

SkullMeramon: (groans) We are NOT calling them that!

Me: I agree there!

I kicked Kraven down and he roared and went at me and I slashed him across his chest with my scythe and blew him down.

Me: YEAH!

He was down!

Kraven got up and used his swords to disarm Ruby of Crescent RoseI

Shattered Dimensions Kraven: You are no true warrior if you cannot fight me without your toy.

He lunges at her, which was the moment she needed to attack him instead with her Semblance while he was left wide open.

Ruby: Have I impressed you yet? (gets Crescent Rose back)

Ozpin: (in Oscar Pine's head) I knew she would remember what I taught her about hand to hand combat back in Haven Academy.

Oscar Pine: Yeah. No kidding.

Ruby kicked Kraven over to Ryotaro.

And he kicked him down!

Ruby Rose: OH YEAH!

Qin: Take that!

Shattered Dimensions Kraven ran up to Shattered Dimensions Spidey and grappled with him.

Madame Web: The best offense is a good defense.

Shattered Dimensions Spiderman: Gotcha!

Shattered Dimensions Kraven slashed at the webhead only for him to dodge it while keeping him close. Then he beat the crap out of him. The process repeated 2 more times.

Shattered Dimensions Spiderman: Lights out, Kraven!

POW!

He delivered a swift flying kick that sends the weakened hunter flying out of his dome screaming.

Shattered Dimensions Spiderman: This hunt is OVER! And as the victors, we command you to LEAVE!

The hunters actually complied.

Shattered Dimensions Spiderman: Wait. That actually worked?

Lin Chung: Perhaps we should find Kraven now.

Me: Right but Peter that was well done! Awesome!

Shattered Dimensions Spiderman: Thanks!

We went to find Kraven. And we found him in a big temple.

We went inside a temple. We saw Kraven standing on some type of lift. He held his side in pain and his head lowered in shame, holding the fragment in his hand as if that's all he has left now.

Shattered Dimensions Kraven: My men have abandoned me because of you. You made a mockery of my teachings.

Me: Maybe those were the wrong reasons to teach anyone.

Shattered Dimensions Spiderman: t wasn't so much a 'mockery' as a complete shambles.

Nico: Hey, don't take it too hard. What matters is that you put up a good and honorable fight.

Me: Yeah you are a very formidable adversary.

Shattered Dimensions Kraven: (not listening) It does not matter. I have failed… and now I have nothing left… No dignity. No HONOR!

Shattered Dimensions Spiderman: Sergei. Don't do something you're gonna regret.

Maria: He's right, Kraven. Let's just take a deep breath and calm down.

Disk Wars Deadpool: Don't bother. This is an unavoidable part of the level.

Shattered Dimensions Kraven: Nothing to stop me from using THIS!

He absorbs the fragment's power into himself as a powerful yellow aura explodes around his body. His eyes glow a menacing yellow as he puts on a smile that scares us!

WE GASPED!

Me: WHOA! His power is stronger than ever!

Shattered Dimensions Spiderman: Great, you did something we'll regret.

Nico: UNBELIEVABLE!

The amped-up Kraven zooms side to side with speeds that seem to rival Flash, Quicksilver, Dash, Rainbow Dash, Live Action Bumblebee, Sonic, and Ruby's speed while laughing creepily.

Me: WHOA! That fragment gave him superspeed!

Nici: INCREDIBLE!

He moves so fast that suddenly, he just disappeared.

Maria: That speed! Where'd he-?

Shattered Dimensions Kraven: Right behind you..

I sensed him and turned and We quickly spun around to see Kraven face-to-face, which is pretty creepy to say the least

Shattered Dimensions Kraven: Ah! Such power! (speeds backwars) I have the speed of the tiger! (instantly zooms to the other end of the chamber) The strength of the lion! And like the great cats… (jumps high to another floor) I shall play with my prey!

Me: More like speed and strength of a cheetah, tiger, jaguar and lion.

Xenia: YEAH!

Me: Looks like we're going up top.

We got to the top of the temple.

Kraven faced us!

Shattered Dimensions Spiderman: Hey, Kraven, how'd you snare that fragment anyway?

Shattered Dimensions Kraven: I am not completely ignorant in the ways of modern man, my friend! I secured it on the internet!

Copperhead: Say what?!

Me: (Skeptical) Really?

Shattered Dimensions Spidey: You're joking.

Shattered Dimensions Kraven: (jumps up higher) No. I had the winning bid.

Me: Very clever.

Shattered Dimensions Kraven: I have a question for you J.D.

Me: What is it?

Shattered Dimensions Kraven: Is it true that you faced your worlds version of the Sinister 6 under the command of a kid named Paul?

Me: As a matter of fact yes it is. He hired you, Vulture, Sandman, Electro, Mysterio and Hydro Man to try and kill us and Ash Ketchum mostly.

Shattered Dimensions Kraven: I see and did you really give Sandman's daughter your heart?

Me: I sure did. She was dying and needed a heart transplant so I volunteered. Immortality and Invincibility has its perks.

He jumped up.

Beautiful Gorgeous: Looks like he went up. How're we gonna get to him?

Me: Looks like we got to solve a puzzle.

Shattered Dimensions Spiderman: Yep.

Nicole: We got to put that gear in that hole there.

We saw it.

Me: Here we go.

We ran fast.

The lift stopped as it took us outside above the jungle in an arena where a tall broken tower is in front and above us.

Me: Wow!

We looked around until all eyes were set on Kraven appearing suddenly in front of them wielding his twin-blades,

Me: Nice view from up here.

Shattered Dimensions Kraven: Indeed. No witnesses. No distractions. Here. Now! It ends!

Me: How right you are!

Suddenly from top of the temple structure, an explosion erupted like a volcano causing the arena to shake and surround the edges with a ring of fire as pillars started to rise from the ground. We stare at Kraven with the determination and courage that we could still beat him even when he's supercharged with the fragment's power.

Shattered Dimensions Spiderman: For once, you and I are in total agreement.

Tri Klops: You tell him!

Casey: Time to bring out the big guns! Jungle Master Mode!

Liner Form!

Ryotaro went into Liner form

They turned into their most powerful forms!

Me: Time to go all out! RELEASE THE WOLF! (HOWLS!)

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

A MASSIVE VORTEX OF BLUE FIRE EXPLODED OUT AROUND ME AND I WAS READY!

I went at enhanced Kraven and punched him in his face and kicked him all over and blasted him and kicked him all over!

Qin: WHOA!

Xenia: WHOA! WHAT SPEED!

Nico: INCREDIBLE!

I punched him and kicked him down and then punched him in his face! We then clashed all over with intense sword clashes and I slashed him all over.

Laval and Lin Chung nodded at each other before charging at Shattered Dimensions Kraven.

Nico: Knock him through those pillars!

Laval: RIGHT!

They fired waves of energy and chi and blasted him threw the pillars!

I fired waves of blue fire blades and slashed him through more of them!

Ruby and Ryotaro charged at him next.

And they slashed and kicked him.

Nico: Take this!

Nico fired a powerful energy blast and blasted him all over!

Lola: And this!

Lola fired waves of fire and blasted him all over!

Laney: Speed masters take him on!

Rainbow Dash and the Speed Masters bashed and pulverized him all over with incredible speed!

Casey and Ang charged at him.

They jumped and kicked him down with devastating force into another pillar!

Xenia: YEAH!

Then Rowdyruff Boys, Killer Croc, Dayu, Unicorn, Hydros, Zavok, Fireor, Count Nocturne, Samon Shakekisutanchin, and Six Gum Gang appeared.

Nico: Rowdyruff Boys, Killer Croc, Dayu, Unicorn, Hydros, Zavok, Fireor, Count Nocturne, Samon Shakekisutanchin, and Six Gum

Gang.

Brick: So, this is what happens when someone uses a fragment!

Shattered Dimensions Kraven: You should use one of these sometime!

Killer Croc: No thanks! I'm tough enough as it is!

Shattered Dimensions Spiderman: I'll keep him busy while you guys have the usual battles!

Dayu: Good luck!

He went to face him.

Unicorn: (to Nico) We heard you helped cure Lauren.

Nico: We sure did.

Hydros: You didn't even bring one skull home?

Nico: No way! People will think we're as bad as Jeffery Dahmer!

Hydros: Okay okay you're right.

Hisser came out.

Me: Hisser. Up for another awesome round I see.

Hisser: Yep.

Me: Cool.

Hisser: If a fragment can do this to someone, imagine if someone uses the complete Tablet!

Me: Don't even talk like that.

Xenia: Yeah.

We got the usual battles underway.

Nico: Whoa, now that was quite a tough fight, but we did it, we defeated Earth-TRN579 Kraven the Hunter and got the first piece of The Tablet of Order and Chaos.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Charlene's older brother, Charles Novamenova.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of dark energy blasts that came out of nowhere and they hit the barrier, but the fireball volley was absorbed into us and we became even stronger than ever. Then, we saw Caius the Shadow Monarch appear.

Charlene Novamenova: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Caius skinsuit, and show yourself, Charles!

Caius the Shadow Monarch vanished in a vortex of infernal darkness, and in its place stood a 6'11" tall male with purple hair and purple eyes similar as Charlene's, massive muscular build, and dressed in a red prison jumpsuit: it was Charles Novamenova, the evil older brother of Charlene Novamenova and the second of the eleven most dangerous thugs in Royal Woods.

Nico: So, that's Charles Novamenova.

Charlene Novamenova: The second of the eleven most dangerous thugs in Royal Woods, I would've never thought I'd have to see your ugly face again, Charles, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Charles Novamenova: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Charlene Novamenova: As always, you're all bark and no fucking bite, Charles. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Charlene Novamenova's dark purple eyes turned neon dark purple and she was surrounded by a black and purple energy aura with stars, shadows, darkness, demons, phoenixes, and angels, she unholstered her massive Caius the Shadow Monarch's Demonic Dark Greatsword of Shadow Monarch Justice from her back, and as she approached Charles Novamenova, she left black and purple energy, stars, shadows, darkness, demons, phoenixes, and angels with every step.

Charlene Novamenova: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Charles, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Henry, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Charlene Novamenova was surrounded by a massive vortex of black and purple energy with stars, shadows, and darkness surrounding it, there are demons, phoenixes, and angels and Caius the Shadow Monarch flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Charles Novamenova: the red eyes of eternal death. Then, as the vortex faded, Charlene Novamenova emerged, but she was changed forever.

Charlene Novamenova grew from 6'11" to 7'9" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing purple hair with flower in her hair, she has neon purple eyes and a black and purple energy aura with stars, shadows, darkness, demons, phoenixes, and angels surrounding her, she has Caius the Shadow Monarch with the Dark Kanji in its hands emblazoned on her forehead and Third Eye with purple iris, she has on demon earrings with red gems for eyes and holding the Dark, Star, and Eternity Kanjis in its hands, she also has Caius the Shadow Monarch with red gems for eyes and holding the Darkness, Star, and Eternity Kanjis in its hands on the bottom of her purple demon-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Charlene Novamenova has on a purple sleeveless checkerboard open blouse, short-sleeved purple top, purple skirt, purple pants, purple shoes, and long sleeveless white trenchcoat with stars, shadows, darkness, demons, phoenixes, and angels on the coattails and on the back is Caius the Shadow Monarch surrounded by darkness. Suddenly, Charlene Novamenova felt a sharp pain on her back, and then, her massive purple angel wings with black tips on the large purple feathers grew much bigger for her new body, and she now has eleven massive and long purple wolf tails with black tips and black markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Charlene Novamenova's massive Caius the Shadow Monarch's Demonic Dark Greatsword of Shadow Monarch Justice and all the greatswords and swords she had began merging together, and they were surrounded by a kaleidoscope of black and purple energy, stars, shadows, darkness, demons, phoenixes, and angels and when it emerged, it was transformed into Charlene Novamenova's Demonic Darkness Monarch Caius the Shadow Monarch Inferno Dark Demon Phoenix Angel Greatsword of Darkness Phoenix Shadow Monarch Caius Justice, it's a brand-new massive greatsword with embedded purple gems and Caius the Shadow Monarch etched on the 7'6" massive, wide, double-edged crimson red blade, large black dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four black phoenix heads with purple gems for eyes and large purple phoenix head with black gems for eyes and a large purple gem in its mouth on the bottom of the purple dragon heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Caius the Shadow Monarch's head with crimson red gems for eyes and a large crimson red gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Caius the Shadow Monarch that said, "Charlene Novamenova, Gene-Slammer of Caius the Shadow Monarch, Famous Bounty Hunter of Dangerous Criminals, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Archenemy of Dharkon, Destroyer of Charles Novamenova, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful

We were amazed by Charlene Novamenova's Super Angel-Caius the Shadow Monarch-Demon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Charles Novamenova saw it, he went fucking mad with rage and transformed into Caius the Shadow Monarch and fired blasts of darkness at her, but she absorbed them and it made her stronger, and she fired a massive barrage of black and purple energy, stars, shadows, darkness, demons, phoenixes, and angels at Charles Novamenova, and they exploded as they hit him, hey got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Nico: OH DAMN!

Lincoln: Awesome, Charlene Novamenova has transformed into her Super Angel-Caius the Shadow Monarch-Demon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Charles big time, and now, it's high-time we got rid of you for good, Charles.

Charlene Novamenova: (Divine Echoing Godly Voice of The Infernal Holy Darkness Shadow Phoenix Caius The Shadow Monarch Demon Phoenix Angel and Divine Infernal Holy Darkness Shadow Phoenix Caius The Shadow Monarch Demon Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Charlene Novamenova.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Charles, but I take comfort knowing when I get married to Charlene in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Charlene Novamenova and Lincoln went after Charles Novamenova who continued throwing darkness blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Charles Novamenova and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Charlene Novamenova also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Charles Novamenova even madder than ever!

Charles Novamenova: I'LL FUCKING KILL YOU, STINKOLN!

Charles Novamenova threw more darkness blasts at Lincoln, but he absorbed them and it made him even more stronger as his darkness aura became more ferocious. Then, Lincoln drove his massive greatsword into Charles Novamenova's stomach and he began sucking out and absorbing the dark powers he'd gotten when he Gene-Slammed himself into Caius the Shadow Monarch along with his massive muscle mass and strength, and that had caused Charles Novamenova to revert back to normal, but now, he was thin as a rake and he was really weak.

Then, Lincoln and Charlene Novamenova fired powerful blasts of dark fire and darkness at Charles Novamenova, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Charlene Novamenova and Lincoln did as they holstered their massive greatswords and powered down, and Charlene Novamenova's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Charlene Novamenova: Burn in The Black Gates forever, Charles. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Charlene.

Suddenly, Charlene Novamenova wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Charlene Novamenova's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Caius the Shadow Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and shadows and darkness behind them and we cheered wildly. Then, Lincoln and Charlene Novamenova absorbed the elemental forces and darkness and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Charles Novamenova, but we still got nine more of those thugs to deal with.

Leina Mobius: Which means tomorrow, it's Logan's turn to die.

Lincoln: Logan's not getting out of this, and I hope you use your deadly ice touch on him, Leina.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Darla Darkworld, Keyblade Knight of Darkworld.

We gasped.

Nico: Oh, no way, there's a Keyblade Knight of The Realm of Darkness?!

Me: I didn't know about that!

Sora: We did, but you didn't bother to ask.

Aqua: And she's someone who's helped me when I was trapped there for ten years.

Michelle Emperyous: That's right, Aqua, and you guys are going to love meeting her. Darla Darkworld is Lincoln's Guardian Angel from Michigan and she's a Keyblader and she harbors a very very nasty hatred for Chernabog, ALL THE DISNEY VILLAINS and all the Heartless in general as well as the Nobodies, Unversed and all that for what they did to SO MANY WORLDS and wants to destroy EVERY single one of them. Also, she LOATHES and despises all of Organization XIII and wants to make sure they are all destroyed forever. She is known as The Dark Angel of Darkworld because for over ten years, she helped Aqua out while she was stuck in there and made sure she never turned into Anti-Aqua. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the

Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Wow, she really helped you for ten years while you were stuck in there, and she prevented you from turning into Anti-Aqua.

Aqua: She sure did.

Lincoln: She'll be happy to see you again, Aqua, and that you and Ventus have since been in a committed relationship.

Roxas: Her jaw's bound to drop to the floor when she finds out. Hmm.

King Mickey: Is something wrong, Roxas?

Roxas: I've been thinking about something, Henry and his friends may have relied on dumb luck to pull off a daring and bold escape, but to Gene-Slam themselves into the Elemental Monarch Duel Monsters, even that's an impossibility.

Hilary Thestalos: True, they are literally that dumb. (Realizes what Roxas means) Wait, what are you getting at, Roxas?

Roxas: Call me crazy, but I think an outside force is responsible for giving Henry Thestalos and his friends the means of Gene-Slamming themselves into the Elemental Monarch Duel Monsters, and this outside force is also seeking out the fragments of The Tablet of Order and Chaos.

We gasped.

Nico: Oh shit, Roxas, if you're right about that, I'll get you, Xion, Lea, Namine, and Isa five Sea Salt Ice Cream smoothie from Ben's favorite smoothie shop.

Lea: We'll hold you to it, Nico.

Zavok: Yes! We won!"

Fireor: The hunter has been HUNTED!

We looked to see the fragment float from Kraven's body and levitate before the winning team.

Madame Web: Excellent, heroes! You've done it!

Count Nocturne: And just in time. If we never hear the word 'hunt' again, it'll be too soon.

Madame Web: Now to the other fragments… The hunts resumes! (we groan)

Samon Shakekisutanchin: What about Kraven?

Goof: We can bring him into our ranks.

Nico: Awesome.

Shattered Dimensions Spiderman: After how we tried to turn us into kabobs?!

Dixie: Hey, he ain't like Green Goblin. Or Carnage!

Wilbur: He's an honorable man. Besides, the Prime Version is in the Redemption Squad.

Me: It's only fair he be put into the M.O.E.

Qin: Yep.

Nico: But part 2 done. Great job guys.

Spiderman: (To the viewers) The hunt is done.

Me: Yep.

We went back home. TAS Spiderman got TAS Mary Jane settled in to our estate and we enjoyed the rest of the day and went to sleep.

# INTO THE SPIDERVERSE PART 3

## THE GANGSTERISM OF NOIR HAMMERHEAD

---

Walking through the Endsville Sector of the city was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Ace Bunny, Pyra, Maggie Orbersson, Soup Faerie, Fyora the Faerie Queen, Siyana the Light Faerie, Kalolo the Jackalope, Zavok, Axel, Lance (Balan Wonderworld), Universe 666 Sharptooth, Mandilok, Captain K. Rool, and Eustace, and we were there to make sure Billy wasn't stirring up or causing any trouble.

Me: So the next rescue is in Endsville. I hope Billy isn't causing problems.

Maria: (Sternly) He better not be or I'm going to kick his ass big time!

Qin: No kidding!

Laney: I've had enough stupid shenanigans from him to last a lifetime!

Nico: Believe me guys all of us have had enough of Billy being stupid and causing problems but I think it's time we stop getting mad at him.

Xenia: Yeah it's getting old.

Lola: I agree there guys. We have been really hard on him and it's time we bury the hatchet.

Lana: Yeah this has gone on for far too long.

Camie: I agree there. Like it or not Billy is our teammate and he needs to be treated like one.

Kalolo: I agree there myself guys.

Varie: Same with me.

Me: I agree there. Sure he may be an idiot but he can't help it.

Leni: Yeah just like my Ed is and he is funny.

Eddy: Yeah Billy may be an idiot but like Ed he is our idiot.

Luan: That's right.

Nico: I agree there.

Ace Bunny: That's for sure.

Nico: Ace, I want to thank you, Zavok, and your teams for coming.

Ace Bunny: Anytime Nico. This will be so fun.

Pyra: I'm looking forward to this one.

Tsuyu: Me too.

Nico: Pyra, what do you like to do in your free time?

Pyra: Well when I'm not kicking butt I'm working at my own ice cream parlor.

Me: Cool!

Nico: You make your own flavors of ice cream?

Pyra: I sure do. I make over 50,230 flavors. And don't worry I don't make the disgusting ones.

Lola: You should try her ice cream Nico. She makes some of the best fruit ice cream sundaes ever. She even makes awesome sundaes from fruits that Sunny and friends bring to her.

Sunny Starscout: It's true. We give her some of our fruits to help with her sundaes.

Nico: Hey that's cool! We'll have to check it out.

Me: It'll be perfect for it. It's supposed to be a really hot day today.

Nico: Whew! No kidding.

Maria: (to Lola) You tried the sundaes, haven't you?

Lola: I sure have. They are so yummy!

Pyra: Lola is one of my frequent customers and she loves all of the flavors.

Nico: Boy that must be really good ice cream.

Pyra: Oh it is Nico.

Axel: Awesome!

Nico: Looking forward to it.

Me: Yeah me too.

Laney: Boy yesterday was a fun mission.

Me: Boy you said it Laney. You did really well leading your own team.

Laney: Thanks J.D. It was fun.

Nico: And J.D. did really amazingly well against Kraven. Wow! The Wolf VS The Lion.

Me: That was so cool.

Maria: I honestly was uncomfortable fighting him.

Me: No worries though.

Nico: But we have had three big victories come out of that one.

Maria: We have?

Me: Yep. We rescued TAS Mary Jane and reunited her with TAS Spiderman.

Nico: We beat Kraven in the most awesome hunt ever.

Eli: And we got the fragment of the tablet back.

Me: But we were really shocked seeing that the tablet fragment gave him superhuman speed.

Rainbow Dash: Boy that was awesome seeing him run that fast.

Lola: No kidding! He was all over the place!

Me: The Prime Universe version of Kraven was NEVER that fast. But that was still an amazing hunt that even the Imakandi can be proud of.

Nico: I agree there.

May: I'm just glad he used dummy rounds.

Me: Me too. And that was a hunt none of us will forget.

Camie: Boy that was cool.

Nico: Yeah.

Maria: Boy if a fragment of the Tablet can grant superspeed like that then WHO KNOWS what kind of powers Spiderman's other enemies can get?

Girl Jordan: Like maybe Carnage and Venom can become separate entities without the need for a bonded host.

Me: That would be crazy.

Nico: Girl Jordan, if ANY version of Carnage gets his hands on a fragment, it'll probably result in something far worse.

Me: Yeah.

Girl Jordan: I agree there. But regardless any version of Carnage has got to go and die!

Me: You're right on that!

Nico: But still that was fun and the best part is that I'm so happy that TAS Spiderman and TAS Mary Jane are back together.

Qin: That really devastated Peter back then.

Spiderman: It sure did. I felt really bad for him when that happened to him.

Me: And Green Goblin is the one that sent Mary Jane there in the first place. Nico, if we ever face TAS Green Goblin or Shattered Dimension Green Goblin, let me be the one that kills BOTH of them.

Nico: You got it. Lincoln: Okay, guys, we got a very huge emergency. I just got word that the Dark Side of Billy is here, and he's going to try and kill J.D. and he hates him with every fiber of his being!

We gasped.

Me: Oh fuck me on a stick!

Nico: Oh shit!

Me: WHY THAT BUBBLE-NOSED MALODOROUS IDIOT! HE WANTS NOTHING MORE THAN TO SNAP MY NECK FOR SIDING WITH MANDY AND DEFYING HIM! I'LL KILL HIM!

Laney: What an idiot!

Lincoln: I know how much you want to kill him, J.D., but we don't want you going on your own since that idiot is extremely dangerous and unstable. You're staying with us, and to make sure that stupid idiot doesn't try anything.

Me: Don't worry. I'm not going to duplicate what Spiderman did when we got there.

Lincoln: Good.

Lincoln made a massive and powerful diamond barrier protecting all of us.

Carol: Nice move.

Nico: Smart move. Now, let's get after that idiot, do you know where he is, Lincoln?

Lincoln: Let me check. (Senses for Dark Billy) AHA! Gotcha! That bubble-nosed malodorous brainless idiot is 20 yards from our location and he's already barreling towards J.D. and he is already at Nth-Degree Fucked Up. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Laney: That mutated cheapskate!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Dark Billy.

Qin: Now we can go after him.

Nico: Okay, Billy. The fuck did you do this time?!

?: (ENRAGED NTH-DEGREE FUCKED-UP EXPLOSIVE SCREAM) I'LL KILL YOU FOR SIDING WITH MANDY AND DEFYING ME! (CRAZED BABBLING)

Me: Yeah, FUCK YOU TOO, YOU BUBBLE-NOSED IDIOT!

We then saw our target, Dark Billy, barreling towards me, and he was extremely crazy and insane with revenge and hatred. He got out and threw a knife at me, but the massive and powerful diamond barrier stopped it. Dark Billy got out a machine gun and started firing on the barrier, but the barrier stood strong as the bullets were being blunted, and that just made Dark Billy even angrier than ever and he was still firing at the barrier, but that still didn't work. Then, he tried to beat the barrier with his fists, but that didn't work either, but it did make his fists bloody, and then, he got out a bazooka and fired at it and it exploded, it still didn't work: HE WAS ABSOLUTELY OUT OF

HIS MIND AS HE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL ME!

Nico: That stupid idiot is absolutely out of his brainless mind!

Laney: HE'S OUT OF CONTROL!

Lincoln: Just like with that crazier version of Billy, he's getting put down like the moron he is.

Lincoln fired a diamond ball at Dark Billy which hit him in the face and sent him flying into a tree and Lincoln deactivated the barrier and we stood ready to fight Dark Billy, who got back up, but now he was even more out of control and completely bat-shit rage crazy insane!

Dark Billy: (ENRAGED NTH-DEGREE FUCKED-UP EXPLOSIVE SCREAM) I'LL KILL YOU! I'll KILL YOU ALL! (CRAZED BABBLING)

Lana: Sorry but we don't speak IDIOT!

Lincoln: BUZZ OFF, YOU PSYCHOTIC BABOON!

Lincoln fired a powerful blast of rainbow super lightning and electrocuted Dark Billy with infinite volts of electricity, and it caused Dark Billy's skeleton to show.

Carol: We've just about had it up to hear with you, you bubble-nosed idiot!

Nico: But this version of Billy shares his fears. Like clowns!

Me: Like this! NIGHTMARE STYLE NINJA ART: NIGHTMARE OF THE HORRIBLE CLOWNS!

I fired a wave of darkness and it formed into TERRIBLE CLOWNS!

Dark Billy: (SCREAMS) CLOWNS! THEY WILL DESTROY US ALL!

They pelted Dark Billy with Pies and farted in his face and squirted him with flowers and more!

Maria: I've got a few things to say to this asshole!

Nico: After that is his other fear. Spiders!

Me: Like this. NIGHTMARE STYLE NINJA ART: NIGHT OF THE EIGHT LEGGED FREAKS!

I fired a massive wave of darkness and summoned a massive swarm of spiders and DARK BILLY SCREAMED IN FRIGHT AND CRAPPED HIS PANTS!

Maria walked up to Dark Billy with one of the ANGRIEST SCOWLS on her face ever!

Me: UH OH.

Maria: You want to know what I think about you?

Dark Billy: WHAT?

Maria: (Maria angrily opens her menacing eyes and screams furiously, as she unleashes a massively powerful blue beam of fury, it strikes Dark Billy, but due to it's sudden power, all of us were blown away)
**RRRRAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
YOU ARE THE LAZIEST AND MOST REPULSIVE LAZY NO-GOOD SLACKER EVER IN ALL OF THE CITY OF ENDSVILLE AND GOTHAM ROYAL YORK AND YOU DRIVE ME FUCKING NUTS! CAN'T YOU JUST LISTEN TO US ONCE AND OBEY OUR ORDERS FOR ONCE IN YOUR SINGLE MOST PATHETIC WORTHLESS LIFE?! 'CAUSE IF YOU DID, YOU'D SEE WE'RE TRYING TO TEACH YOU SOME SIMPLE RESPONSIBILITY, SOME PRIDE IN DOING A JOB WELL DONE IN THE FIELD OF BATTLE! BUT YOU WOULDN'T KNOW A JOB WELL DONE IF YOU PAID SOMEONE TO DO IT FOR YOU, (Tears are STREAMING and blowing off his face) AND EVEN THEN YOU'D SCREW IT ALL UP ON THE ACCOUNT THAT YOU CAN'T EVEN FOLLOW THE SIMPLEST OF INSTRUCTIONS, WORRYING MORE ABOUT LOOKING LIKE A TOTAL IDIOT AND SLACKING OFF THAN DOING YOUR JOB!**

WE WERE SHOCKED AND HORRIFIED!

Nico: WHOA!

Lola: HOLY CRAP!

Carol: MARIA THAT WAS AWESOME!

Maria: Thanks.

Nico: Let's not give him the chance.

Carol: I agree there!

Suddenly, Carol's purple eyes turned neon purple, and she was surrounded by a rainbow energy aura, stars, Gravity Lightning, elemental forces, Kaiju, phoenixes, and angels, she unholstered her massive Kaiju's Atomic Sword of Elemental Justice from her back, and as she approached Dark Billy, she left rainbow energy, stars, Gravity Lightning, elemental forces, Kaiju, phoenixes, and angels with every step.

Carol: You really are a brainless idiot! J.D. had every right siding with Mandy because she knows how to get out of any situation, and you, you're just a destructive brainless idiot who enjoys causing tons of trouble, and you claim J.D.'s defying you?! No, it's the opposite really: you're the one defying him and all reason and common sense and go about causing trouble and mayhem! It's high-time you find out the hard way of what we do to idiots like you, moron!

Suddenly, Carol was surrounded by a massive vortex of rainbow energy with stars, Gravity Lightning, and elemental forces of The Kaiju surrounding the vortex, there are Kaiju, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Dark Billy: the red eyes of eternal death.

Dark Billy ran at Lincoln, Carol, and Cayenne now super mega enraged and now totally completely out of his mind, but Lincoln kicked him hard in the stomach and sent him flying into a tree, and he held out his left hand, and rainbow energy formed around it.

Lincoln fired a wave of energy and blasted him.

Nico punched him!

Lincoln fired the rainbow energy beam and as it hit Dark Billy, Lincoln began sucking out all his body heat, and that literally turned Dark Billy into a frozen vegetable. Lincoln then fired a blast of ice, and it hit Dark Billy and shattered him into a thousand pieces and he was sent to The Black Gates for good. All that was left of him was his skull. GOOD RIDDANCE, YOU BUBBLE-NOSED SNOT-FILLED MALODOROUS IDIOT! We all cheered as Lincoln, Lola, and Pepperdance holstered their massive greatswords on their backs and powered down, and Cayenne's new body, clothes, weapons, jewelry, Third Eye, longer four-tone red tail, longer light pink horn, and massive light pink angel wings are permanent, and Carol's new body, clothes, weapons, jewelry, Third Eye, and massive dark purple angel wings are permanent.

Carol: Good riddance for good, you brainless idiot.

Suddenly, Cayenne felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Cayenne?

Cayenne: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that stupid idiot the violent beating of his life.

Nico: You got that right, and Lincoln, Carol, Cayenne, you guys really turned up the heat in this fight, and that technique you used was a combination of Winter Icyin's curse and Louise's ability to absorb heat, right?

Lincoln: Yep, that technique allowed me to suck out and absorb a target's entire body heat and body temperature, and once that happens, they immediately get turned into a frozen vegetable for good.

Carol: Ultimately dying from exposure to extreme elements. And you had a cold trap set for him with that one.

Eli: You guessed it.

Cayenne: That was really awesome, and that idiot had it coming.

Suddenly, Cayenne wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Cayenne's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Cayenne sucked in and absorbed the fires and elements and they came back to us as the display vanished.

Ace Bunny: Well, at least, Endsville won't have to worry about any of Billy's antics with Dark Billy gone.

Me: True, but we're still keeping an eye on Billy.

Nico: Good thinking, J.D.

Ace Bunny: Hey, girls, come here a sec.

Ace Bunny called the girls who are in my, Lincoln's, Nico's harems over.

Ace Bunny: Okay, I know that we're aware of the bet you girls made with the boys regarding Cruella's awaited demise, and I got word that in two days, Cruella will meet her end, but not by her unstable mental state. But, I got word she may try to break out and go after Pongo, Perdita, and their 99 children again.

Eman Reynolds: That crazy she-devil, if Trina finds out, she'll finish what was started long ago.

Ace Bunny: Yeah. But, you remember the words that were said right, if Lincoln was wrong about her dying from her unstable mental state.

Girl Jordan: (Smirks) It's full-on all-out Lovemaking City for four weeks all night long for Lincoln, Nico, and J.D., and all of us as well. Nice one, Ace.

Eli was stunned when he sensed it with The Force: ACE BUNNY WAS THE INSIDE RABBIT FOR THE HAREMS OF ME, NICO, AND LINCOLN, HE GAVE THEM INTEL OF WHAT'S ABOUT TO GO DOWN WITH CRUELLA DE VIL

UH OH!

I then picked up the skull of Dark Billy.

Me: Little gift for Scary Girl in the M.O.E.

Billy: Hey, guys! What's been going on here?

Me: Oh hey Billy. We were just kicking the living crap out of your dark side.

Qin: We sure were.

Billy: Cool!

Xenia: Yep we destroyed him.

Maria: You weren't causing any trouble were you?

Billy: Nope. I was just getting a soda. (Drinks a soda) (BELCH)

Me: Oh.

Maria: Well that's okay.

Nico: What have you been up to this morning?

Billy: Well I battled a slime monster with Mandy and Grim.

Me: That explains why there was goo all over the place when we came here.

Nico: Yuck.

Me: Good job though.

Billy: Thanks.

Nico: Have you seen any fragments? If not, you might want to inform Grim anyway

Billy: I did find this though.

He pulled out a black rock and gave it to us. Sure enough it was a fragment of the Tablet.

Me: Awesome! Thanks Billy.

Billy: Anytime.

Nico: You should still inform Grim

Billy: Actually he already knows. He heard about you guys collecting these fragments.

Me: Well that's good news.

Xenia: Yeah.

Me: But good job defeating that slime monster.

Billy: Thanks.

Nico: Well, you can resume what you were doing.

Billy: Okay. See ya guys.

Me: Bye Billy.

He left.

Me: I wonder what this piece of the Tablet would do?

Nico: No idea.

I sent it to Madame Web.

Nico: That's one more fragment down.

Me: Yep. And who knows how many to find.

Xenia: Yep.

Nico: Now for business.

Lola: Yep. The Anothers.

Eli: Lets see what we got.

Eli sensed for them and then gasped.

Eli: WHOA! We have hot ones. We have Another Vorash, Inferno, Magman, Heat Thing, Lava Monster (PPG), Lava Golem, Axel and Zavok

Me: WHOA! All fire and alien.

Lola: Yeah.

Eli: And I sense that the Anothers from Vorash to Lava Golem are one person. I also sense that they are 3 Embodiments of Dopants.

Me: Whoa! That is amazing.

Nico: That means Another Axel and Another Zavok are both individual people.

Eli: Yep.

Maria: Who do we call in for this?

Me: Yenfei, Esmeralda Volvenstein, Caitlyn Valiant, Azari Firedancer, Lava Carol and Leona Felonius.

Eli: Whoa! 5 fire and 1 water.

Me: Yep.

Maria: Here we go.

Maria called them in and in 3 Swirls of Fire, a Swirl of Water, The Alchemy Symbol for Fire and a Vortex of Lava came Yenfei, Esmeralda Volvenstein, Caitlyn Valiant, Azari Firedancer, Lava Carol and Leona Felonius.

Caitlyn Valiant: Hey guys!

Esmeralda Volvenstein: We're ready for some fiery action.

Azari Firedancer: This will be fun.

Nico: There they are!

Then out came Another Vorash, Inferno, Magman, Heat Thing, Lava Monster (PPG) and Lava Golem!

Me: WHEW! This is gonna be hot!

Lola: Yeah!

Qin: Awesome!

Another Vorash: (In a girls voice) It sure will be awesome and hot.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with orange hair, orange eyes, fire angel wings, orange clothes and had a tiara with the symbol of the Magma Dopant on it and the symbol of Magma was on her skirt and she had a sword of lava.

Me: (GASP) Molly Magma!

Molly Magma: Awesome to see you again J.D.

Me: Same here. Molly is the Embodiment of the Magma Dopant. She is a living volcano and she has fire and lava powers that are incredibly intensely hot.

Qin: WHOA!

Nico: WHEW! That is amazing!

Molly Magma: It sure is.

Philip: Wow! The Magma Dopant really was a hot one.

Shotaro: It sure was.

Molly Magma: That is for sure and I am as hot as a volcano.

Caitlyn Valiant: Boy you sure are! You look like you're too hot to handle!

Molly Magma: I get that all the time and it's too true.

Me: By the way are the other Anothers friendly or hostile?

Molly Magma: Friendly and you're going to be in for a surprise seeing them.

Me: Cool.

Nico: Sorry we have to do this.

Molly Magma: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Spring abundant holoél

She glowed and was separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

The Anothers Respected archenemies fired waves of fire, lava and water and blasted them down and I caught the Wonder Ride Books. But then…

SIZZLE!

Me: YEOWCH!

Maria: Whoa they are way too hot!

I dropped them and Maria cooled them off.

She then sprayed my hands with water.

Me: WHEW! Thanks Maria.

Nico: Now for Another Axel.

Pyra: That one is going to be fiery.

Qin: Yep.

Lola: Awesome. I'll help Pyra face him since I faced him in Halloween Town.

Me: Good idea Lola.

Axel: I like it.

Nico: There she is!

We saw a Dark Corridor come out and then out came ANOTHER AXEL!

Nico: WHOA!

Axel: Been a while since we used Dark Corridors.

Lola: No kidding.

Another Axel: (In a girls voice) Sorry about that. Still getting used to that.

Me: That voice.

She reverted back and she was a girl with neon pink hair and had pink eyes and crystal angel wings and had pink clothes and she had a tiara with the symbol of the Jewel Dopant on her head and the same symbol on her skirt and she had a crystal sword.

Me: (GASP) Julia Jewel!

Nico: Cool!

Julia Jewel: Been a while J.D.

Me: It sure has. Julia is the Embodiment of the Jewel Dopant and she has amazing Crystal Powers. She can make jewels from ANY kind of crystal in the world.

Nico: COOL!

Me: Yep and she is one of the most amazing fashion and jewelry designers I've seen.

Julia Jewel: It's true. Check it out.

She formed an amazing rainbow and blue diamond crystal and then broke it apart and then turned it into an amazing beautiful and awesome jeweled dance dress.

Lola: WOW!

Rarity: (GASP) Oh my darling that is such an amazing and beautifully crafted dance dress!

Julia Jewel: Thanks. I got most of my designs inspired by fashion magazines and I even make my own.

Carol: Boy that is so cool!

Julia Jewel: It sure is.

Nico: Wait until you meet the Kiramagers.

Me: Yeah they are rangers that govern jewels.

Julia Jewel: I heard about that. Here May try it on.

She had May try on the dress she made.

Me: WHOA!

May: Oh wow!

Leni: O.M. GOSH! That is totes an amazing and great dress.

May: Wow! This is so beautiful! I look like a princess in this.

Woz: Rejoice! Lord Nico has one dazzling and beautiful princess. May I present Lady May the Rainbow Fair.

Me: Ooh that was perfect Woz.

Nico: I like it!

Woz: Thank you, Lord Nico

Nico: You're welcome.

Me: Boy those jewels sparkling and shining in the sun make it a perfect prismatically beautiful dress.

May: Boy I look great.

Julia Jewel: I'm glad you like it.

May folded up the dress neatly.

Me: Julia you and Rarity and Leni and the Fashion Brigade would make an awesome partnership.

Julia Jewel: I know we will.

Me: Sorry we have to fight like this.

Lincoln: First this.

He fired a wave of light and separated her.

Julia Jewel: Wow!

Me: Now the fire burns!

Pyra: This will be good!

Lola: YEAH!

They ignited auras of fire.

Another Axel had vortexes of fire blast out and then got his Chakram's ready and then Lola and Pyra clashed with him and fire and sparks flew all over and we were absorbing fire all over.

Me: WHOA! Infernal!

Xenia: It's like watching Lola battle Axel all over again during the 20 Days of Darkness.

Axel: It sure feels like it.

Lola: Burn, baby!

Axel: Hey! That's my line!

Molly Magma: WOW! That is awesome!

Me: And intensely hot.

Lola and Pyra really blasted him all over and then they fired a massive blast of fire and blasted him into oblivion! I caught the Wonder Ride Book.

Me: Got it.

His Chakrams were on the ground and I picked them up.

Me: Awesome.

I gave them to Molly Magma.

Molly Magma: What are these for?

Me: For you Molly. You use fire so I thought it would be perfect.

Molly Magma: Thanks J.D.

Me: You're welcome.

Xenia: Boy that was intense.

Me: Now for Another Zavok.

Julia Jewel: Boy were all the members of Organization XIII really that strong?

Me: That is a total understatement. They were so powerful that they could make even the strongest of Heartless look like Ants in comparison.

Julia Jewel: Whoa!

Laney: Yeah they were that powerful but they gave us an awesome challenge.

Lana: They sure did.

Lily: Me and my siblings each faced one of each member of the organization and we governed their element and we had an amazing challenge with them.

Qin: That was so epic.

Lincoln: It sure was.

Lisa Loud: Indeed it was.

Lucy: We thought so.

Me: Yep.

Julia Jewel: Wow!

Nico: I know. We just have to wait.

Me: We don't have to wait long!

We saw ANOTHER ZAVOK!

Me: WHOA!

Ace: This will be good.

Me: Yep.

Another Zavok: (In a girls voice) It will be awesome.

Me: (GASP) That voice.

She reverted back and was a girl with purple hair and had purple eyes and purple angel wings and had pitch black clothes and had a tiara with the symbol of the Nightmare Dopant on it and the same symbol was on her skirt and she had a darkness sword in her hands.

Me: (GASP!) Nikita Nightmare!

Nikita Nightmare: Awesome to see you again J.D.

Me: Same here. Nikita is the Embodiment of the Nightmare Dopant.

We gasped!

Nico: WHOA!

Brittney: Wow! That must mean you are known as the Queen of Fear.

Nikita Nightmare: That's right. I'm known as the master of fear and terror. I have the power to bring ones own nightmares and fears to life and scare them really bad.

Me: She can scare them TOEPICK SCARED bad.

Nico: Holy shit!

Qin: Scary!

Philip: Boy no kidding! The Nightmare Dopant gave me and Shotaro a really hard time before.

Shotaro: Yeah that was horrible.

Nikita Nightmare: Boy I can tell it did.

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

Kaito got a Beast Morphers Blaster and Zocks got a Super Megaforce Blaster.

Nikita Nightmare: Actually he didn't promise me anything. You know why? I scared the living shit out of him with the one thing he fears more than anything. I scared him with this.

She showed us the MONSTER FROM METAMORPHOSIS THE ALIEN FACTOR FROM 1990 - THE FOSTER SPAWN!

Eli: WHOA!

Nico: WHAT THE FUCK IS THAT!?

Me: WHOA! The Foster Spawn from Metamorphosis The Alien Factor!

The Foster-Spawn, formerly known as Dr. Michael Foster, is the main antagonist of the 1990 American horror film Metamorphosis: The Alien Factor.

After being bitten on the hand by an extraterrestrial organism from which he was harvesting DNA, Dr. Michael Foster is infected, causing him to transform into a gigantic monstrous beast.

## Appearance

The Foster-Spawn resembles a gigantic mass of tumorous flesh with two long elephantine legs and a third, much shorter leg. The creature's body appears to have numerous open sores or wounds all over its body. Its head sits at the end of a long neck and is similar to a barracuda with exposed gums, small eyes, and numerous sharp teeth.

Sakura Knudson: Boy I remember this horrible monster! Me and Swartz had a horror movie night and I picked this movie and it scared the living shit out of him. He had nightmares that haunted him for over 4 months!

Qin: BOY! He must've been really scared of it.

Shanan: Boy no shit! Wait a second! That's a Xefromvextrian Behemoth! They are parasitic monsters from the planet Xefromvextra in the galaxy EGSY8p7. They are REALLY dangerous creatures and they are very horrifying.

Me: WHOA!

Qin: Scary.

Nikita Nightmare: Yep and wow! I didn't know that's what they were.

Shanan: Yeah.

Nico: Boy you really scared Swartz bad.

Lola: Yeah.

Me: Boy that is awesome.

Nikita Nightmare: I know.

Sougo: (gets out Beast Morphers Ridewatch) Anything more you can tell us about yourself?

Geiz: (gets out Super Megaforce Ridewatch) Besides the ability to make fear?

Nikita Nightmare: I have darkness powers and The power of horror in its entirety. I have powers that are strong enough to even make Scarecrow soil his pants.

Me: That would have been really amusing to see.

Nikita Nightmare: I know.

Me: Sorry we have to fight like this though.

Nikita Nightmare: No worries.

She turned into Another Zavok.

Nico: (gets out Zavok's Ridewatch) Time for Zeti power!

Nico activated it and fired a wave of energy and blasted her down.

Me: That was really clever scaring Swartz like that!

Sakura Knudson: Who knew he would be so terrified of that.

Nico: Yeah!

Another Zavok: I know.

Nico: (gets out Axel's Ridewatch) Burn, baby!

Axel: HEY!

Nico activated it and fired waves of fireballs and blasted her down.

Qin: YEAH!

Me: I actually saw that movie Metamorphosis The Alien Factor and it didn't scare me one bit. But that was amazing that you know that movie and scared Swartz like that with that monster.

Another Zavok: That is awesome huh?

Me: Yeah.

Another Zavok: You are one brave guy to face that movie.

Me: Thanks

May: (gets out Lance's Ridewatch) My turn!

May activated it and fired a wave of energy and blasted her down.

May: And this! (ACTIVATES UNIVERSE 666 SHARPTOOTH'S RIDEWATCH)

She fired a roar blast and smashed her down.

Maria: Top this one! (ACTIVATES MANDILOK AND CAPTAIN K. ROOL'S RIDEWATCHES)

She fired energy and spiked cannonballs and blasted her all over with them.

Nico: Nice!

Me: How about this too? (ACTIVATES EUSTACE'S RIDEWATCH) (Imitating Eustace) STUPID DOG! YOU MADE ME LOOK BAD! (Gets out ugly mask) OOOGA BOOGA BOOGA!

I scared Eustace with his own mask!

Eustace: AAAAAAAAAAAAAAAAAAAAAAHHHHHHHH!

I laughed!

Kalolo: (LAUGHS) That's funny!

Me: Funny.

BLAM!

I got bashed on the head by Nico with a rolling pin!

Me: OW! WHAT THE FUCK MAN!

Nico: Sorry.

Pyra: My turn!

Pyra activated Axel's ridewatch.

Pyra: BURN BABY!

Pyra fired waves of fire and blasted her down.

Then Pterodactyl Ghost, Droog, Jubjub Bird, Red Eye King, Angel Roidmude and Velociraptors came.

Nico: Awesome team Pterodactyl Ghost!

Pterodactyl Ghost: Thanks Nico!

Qin: Awesome.

?: Boy I'll say!

We saw an Annihilape!

Me: Whoa an Annihilape!

Qin: Don't look into it's eyes or it will kill you by beating you to death!

Annihilape: (In a girls voice) Just because I'm an Annihilape now doesn't mean that I can always do that.

Qin: Bianca Cena!? Whoa!

She reverted back and was a girl with black hair and blue eyes and had green athlete clothes on.

Bianca Cena: Awesome to see you again Little Komodo.

Qin: Boy I haven't been called that in a while.

Bianca Cena: I know. I got this.

She fired a wave of energy and blasted down Another Zavok and I caught the ridewatch and purified it and I brought Nikita over and she was wobbling and we got her sat down.

Pyra: Boy that was awesome!

Me: Are you by any chance related to…

Bianca Cena: (LAUGHS) Everyone thinks I am related to famous actor and WWE Wrestler John Cena but no I am not. But he is my hero and I love wrestling and fighting.

Nico: Yep.

Pyra: What's your favorite memory of Nico?

Bianca Cena: When me and Nico went to an awesome WWE Game and we participated in a tag-team wrestling match and brought down The Skullsmooshers. Their names were Cain and Judah Logan and they were the deadliest tagteam wrestlers ever.

Nico: We beat them with a move called The Titanium Iron Piledriver.

Nicole: WHOA!

Rainbow Dash: That is AWESOME!

Nico: Yep.

Bianca Cena: Yeah and we won the $50,000,000,000.00 prize.

Qin: WHOA! That is awesome.

Bianca Cena: Yep.

Nico and Bianca hugged.

Nico: I've missed you Bianca.

Bianca Cena: Me too Nico.

We went back home.

For today, we're going to take down and destroy Wyzen of the Seven Deities, and we're also going to find out from the former member of The Seven Deities, Yasha, that Deus, Olga, Augus, Kalrow, and Sergei of The Seven Deities are back as well, and they're also out to kidnap Mithra. But, Lincoln's not going to stand for that, nor let those six demi-gods do as they please to his future wife.

Lincoln: Whoa, we're here in Ann Arbor, Michigan, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also in for one fierce battle today and in the other upcoming fierce battles in the days to come.

Mithra: I'm afraid you're right, Lincoln. The person we're going after is Wyzen of The Seven Deities.

Nicole: (GASPS) Wyzen of The Seven Deities?! He's back! Oh man, and he's also among the Eight Guardian Generals who betrayed and banished your father, Asura, to Naraka and murdered your mother, Durga.

Lincoln: Mithra told me of what she went through because of what they did in kidnapping her and forcing her into helping them go through The Great Rebirth. She's an innocent person dragged into their extremist crusade that would've caused utter calamity, and for what: an eternal paradise. This is one of madness, and now, they're at it again. I will not stand for it at all!

Nico: Yeah, we'll make them pay.

Me: We all will. By the way, Nicole, how did you find out about The Seven Deities?

?: Because I had a meeting with her earlier on before Nico's rescue.

We then saw who it was that Nicole talked to: it was Yasha, former member of The Seven Deities and The Eight Guardian Generals and the uncle of Mithra.

Lincoln: Yasha, former member of The Seven Deities and The Eight Guardian Generals.

Yasha: Yes, that is correct, Lincoln. Now, the incarnations of Wyzen, Deus, Olga, Augus, Kalrow, and Sergei that you're going against, they're indeed The Deities from 12,500 years ago. But, I found out they're separate entities compared to the modern day incarnations of myself, Wyzen, Deus, Olga, Augus, Kalrow, Sergei, and Asura.

Ben 10,000: How did they come into being like that?

Lincoln: I can only guess one lowlife capable of doing that: Logan Vance.

Leina Vance: (GROWLS) That bastard, now he's going to pay for this later on today.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, and she's dressed in a black sleeveless blouse, black sleeveless top, long frilly black skirt with jewels around the waist, and long white sleeveless trenchcoat with light, darkness, Keyblades, and angels on the coattails and on the back is Darkworld in her right hand is Master Xehanort's Keyblade, and with her are the four girls.

Lincoln: (GASPS) Darla Darkworld, Keyblade Knight of Darkworld.

Darla Darkworld: Yep, and I got the girls away from Wyzen, and he was about to kill them and absorb their souls.

?: You will pay for getting in the way of The Seven Deities, foolish humans!

We then saw our target: Wyzen of the Seven Deities, and he had violence and blood on his mind.

Sylvester: Time to send you on a one-way trip to the darkness, Wyzen.

Then, Lincoln drove his massive greatsword into the Violence Deity's stomach and he sucked out and absorbed his superhuman strength, superhuman durability & endurance, immortality, vacuum adaptation, Mantra of Violence, Mantra Orbs manifestation, flight, soul extraction, and halo and he made them his own. Then, he fired a black fire blast that incinerated the Violence Deity into ashes and sent him to The Black Gates. We cheered as we holstered our weapons and powered down and Lincoln gained Wyzen's Golden Gauntlet as a trophy and added weapon to his massive arsenal of weapons.

Lincoln: That's one down, and five more deities to go. (To Darla Darkworld) And it's so good to see you again, Darla Darkworld.

Darla Darkworld: You too, Linky, and it's so good to see you again, Sora, Riku, and Kairi.

Sora: You too, Darla.

Lincoln went up to Darla Darkworld and they hugged her, and Darla Darkworld is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Darla Darkworld: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Darla Darkworld, Keyblade Knight of Darkworld, she's my Guardian Angel from Michigan and she's a Keyblader and she harbors a very very nasty hatred for Chernabog, ALL THE DISNEY VILLAINS and all the Heartless in general as well as the Nobodies, Unversed and all that for what they did to SO MANY WORLDS and wants to destroy EVERY Single one of them. Also SHE LOATHES and despises all of Organization XIII and wants to make sure they are all destroyed forever. She is also known as the Dark Angel of Darkworld, because for over 10 years, she helped Aqua out while she was stuck in there and made sure she never turned into Anti-Aqua. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa.

Me: So, you were the one who helped Aqua in The Realm of Darkness for ten years after she wound up there?

Darla Darkworld: That's right, and you were the ones who freed her from The Realm of Darkness, and Ben did a good job in keeping Anti-Aqua from coming out.

Lincoln: He did, but on the day Dad got his powers, Anti-Aqua came out and nabbed Ben to kill him for what he did in restraining her. Good riddance to that parasite.

Selene Emperyous: Anti-Aqua was nothing but trouble, she was even worse than The Heartless.

Lincoln: You said it, and we got rid of her two years ago. But, we can never forget what she'd done to Aqua in torturing her, and now that you're here, Darla.

Lincoln went up to and hugged Darla Darkworld in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Darla Darkworld: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Darla Darkworld's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Darla Darkworld: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darla Darkworld.

Darla Darkworld had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them immediately. The five girls are Eimi Fujigaya, Chizu Seimiya, Collet Carlini, and Taeko Izumi from 1/1 Kareshi Kanojo.

Lincoln: Oh wow, it's Eimi Fujigaya, Chizu Seimiya, Collet Carlini, and Taeko Izumi from 1/1 Kareshi Kanojo.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Eimi Fujigaya: Yes, we're okay, thanks to you.

Then, when Eimi Fujigaya and the other three girls saw who it was that saved them from Wyzen of The Seven Deities, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The

Eimi Fujigaya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Eimi Fujigaya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eimi Fujigaya, Chizu Seimiya, Collet Carlini, and Taeko Izumi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Wyzen of the Seven Deities, and we also found out from the former member of The Seven Deities, Yasha, that Deus, Olga, Augus, Kalrow, and Sergei of The Seven Deities are back as well, and they're also still out to kidnap Mithra, and even worse, these separate entities were created by Logan Vance.

But, when Lincoln showed what we did in beating Wyzen down and Lincoln driving his massive greatsword into the Violence Deity's stomach and he sucked out and absorbed his superhuman strength, superhuman durability & endurance, immortality, vacuum adaptation, Mantra of Violence, Mantra Orbs manifestation, flight, soul extraction, and halo and he made them his own, and firing a black fire blast that incinerated the Violence Deity into ashes and sent him to The Black Gates, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Darla Darkworld have a lot of catching up to do, now that she's back in town.

Maria: Oh, now those Elemental Monarchs of Evil have seriously crossed a fucking line bringing back old enemies of one of your future wives.

Lincoln: I know. Logan Vance better say his prayers later on today, he's going to get what's coming to him.

Leina Vance: He'll pay for everything he's done and more!

Nico: That asshole is looking at a one-way trip to Hell for this.

---

After destroying Wyzen of The Seven Deities and sending him to The Black Gates for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Darla Darkworld saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Darla Darkworld: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now

looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Darla, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Darla Darkworld: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Darla Darkworld: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Darla, what memories did you have with Lincoln?

Darla Darkworld: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels went to Lynn's Table for a special lunch date. But then, we heard a loud and angry scream in the air and caught the overpowering scent of perfume in the air, and we knew only one person who would have on excessive amounts of perfume as the doors were burst open:

Lola, and she was still out for Lincoln's blood. We'd had enough of that rampaging pageant she-demon, so Lincoln fired blasts of water at Lola and gave her a bath and washed off the excessive amounts of perfume, but that didn't save her for long as we then piled on and brutally beat her ass up, then, I punched her in the face and gave her a black eye. Then, Lincoln ordered her to leave, that demon roared and ran out of there.

Hannah Hollow: But, as soon as she got back home, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were really enraged that Lola tried to kill Lincoln again, thanks to us giving them the message. Show them the video, Darla.

Darla Darkworld showed the video of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud all glaring at Lola, and that resulted in Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, and Lily pouncing on and brutally beating Lola into the dirt. When they were done, Lola looked like she got into a nasty fight with some big thugs at the biker bar.

Eli: HOLY FISHPASTE!

Nico: Jeez, Lola pissed off her family big time along with her older brother once more!

Lincoln: She sure did, we thought she'd finally learn her lesson after all those other times.

Me: But, she didn't, Lola's pride and her violent temper, not to mention her condescending attitude and her heartless behavior, made it impossible.

Luna: That Dark Side made her act like such a drama queen and think she's better than everyone all around her. She was such a rotten animal, and some of us had murder on our minds if Lola ever did that again, forget about Lincoln's Guardian Angels coming after her because the next time she dared to do that, we'd be the ones to end up going after her and finishing what his Guardian Angels started.

Laney Emperyous: But, that wouldn't work for you, Luna, don't forget: Lola also had Lori, Lynn, Lisa, and Luan with her. Even if you succeeded in ending Lola, you'd wind up getting targeted for death by Lori, Lynn, Lisa, and Luan, and Lincoln wouldn't want you, Leni, Laney, Lucy, Lana, Lily, and Mr. and Mrs. Loud to pay the price for standing up for him.

We got a shower, and then, Lincoln, Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza are heading to Aris Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Manuela da Silva: Wow, so this is Aris Beach, it sure is awesome.

Lincoln: It sure is, Manuela, and it's perfect for our date. Shall we?

Lincoln, Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza and they hugged them in their abnormally massive and powerful muscular arms, and Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Aris Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for an awesome Super Mario Galaxy adventure.

Nico: Gold Leaf Galaxy is next.

Me: Cool! That's an Autumn Leaf covered Galaxy and themed after it.

Nico: Yep.

Lola: Awesome!

Aki Salisbury: I'll go with you for that one since Fall is my season.

Nico: Good reason for that.

Me: Yep.

Starfire: And me and Blackfire shall accompany you.

Nico: Okay then.

Ilana: I'll go too.

Nico: Okay then. Lets head in.

They did so and Nicole activated it and they were at GOLDEN LEAF GALAXY!

Nico: We're here.

Aki Salisbury: Oh wow! This is perfect for me.

Nico: Boy it sure is.

Starfire: Oh this is a most glorious galaxy.

Nico: Anything we need to know, Nicole?

Nicole: (On the radio) Well you just got to fly around and get to the star.

Nico: We're going after Undergrunt Gunner next.

Nicole: That will be an easy one. You just got to smash the top of him. I'll tell you how when you get there.

Nico: Okay then.

?: I'll help too.

They saw a Tatsugiri!

Blackfire: A Tatsugiri! Wow.

Tatsugiri: (In a girls voice) This will be fun.

Nico: Lillian Quincy!? Whoa! Don't revert back yet. We need to finish this.

Tatsugiri: I know. I was hoping to save that for the end.

Nico: All right. Lets go.

They were off.

They flew all over the galaxy.

Ilana: I don't see anything yet.

Nico: But it is a beautiful one.

They then saw UNDERGRUNT GUNNER!

Ilana: There it is!

Blackfire: And there are lots of Goombas!

Nicole: Okay you got to smash the top of the turret window dome three times from above.

Nico: Okay.

Nico: (gets out Zavok and SkullMeramon's Ridewatches) Let's burn some shit!

Nico activated them and fired a powerful blast of fire and blasted the turret dome.

Ilana: Oh yeah!

Ilana and Tatsugiri fired a blast of energy and Starfire and Blackfire fired waves of energy and they hit the turret dome!

Nico: YEAH!

Then he got REALLY STEAMING ANGRY!

Me: WHOA! Now he's mad!

Aki Salisbury: I got this!

She fired a blast of fire and the blast hit the dome and shattered it and then the turret exploded!

Then the star appeared!

Nico: That did it!

Starfire: We got this.

Starfire, Blackfire, Aki and Ilana got the star!

YOU GOT A STAR!

Lillian reverted back and she was a girl with yellow hair and blue eyes and had a yellow kimono on.

Lillian Quincy: Yeah!

They all high five!

Starfire: Please tell me. What is your favorite memory of Nico?

Lillian Quincy: When me and Nico made awesome sushi rolls for everyone in school and everyone loved them so much that they didn't leave any for us.

Blackfire: They must've been really hungry.

Nico: Oh they were.

Aki Salisbury: Yep.

Nico and Lillian hugged.

Nico: I've missed you.

Lillian Quincy: Same here Nico.

They got out of the simulator and we cheered for them.

We saw the mascots with many more friends.

Numbuh 2: Are those more mascots with you guys?

Poromon: Yep. Illumise, Sableye, Joltik, Larvitar, Guzzlord, Ho Oh, Bronzor, Ferroseed, Grookey, and Bulbasaur

Me: Whoa! Hey guys.

Illumise: Hello there.

Sableye: We're trading Pokemon Trading Cards.

Allie Wilde: Boy that takes me back.

Me: That was awesome. Allie had a huge collection of Pokemon Cards.

Qin: That is cool.

Poliwag: It sure is.

Rarity: Darlings, where do you meet the 10 of them?

Manaphy: We meet in the park usually. But we invited them over.

Nico: That's okay then.

Sakura Knudson: It sure is. Awesome you guys are doing this.

Ho-Oh: Indeed.

Guzzlord: And we think it's fun.

Bulbasaur: We do too.

G1 Bombshell: What cards did each of you get?

Manaphy: Many kinds. I got Gyarados, Team Rocket Dragonair, Ninetales and Articuno.

Poliwag: Zapdos, Articuno, Moltres and Misty's Gyarados.

Poromon: Rapidash, Moltres, Mew and Bellossom.

Nico: Cool.

Lola: Boy that is cool.

They shows a wide variety of cards.

Nico: So many of them.

?: Boy no kidding.

We saw a Clodsire.

Me: Cool a Clodsire.

Xenia: Neat.

Clodsire: (In a girls voice) Pokemon Cards are so cool.

Nico: Mina Lumpus!? Whoa!

She reverted back and was a girl with brown hair and blue eyes and had yellow clothes and had a moose in the middle of her forehead.

Mina Lumpus: Awesome to see you again Nico and thank you for sending my father to the pokey.

Me: Wait are you related to…

Mina Lumpus: Yep. Algonquin C. Lumpus was my father.

CLANG!

Nico's jaw dropped and I put it back.

Me: Nico you got to stop doing that or you're going to catch flies.

Nico: Sorry.

Qin: We didn't know Lumpus had a daughter.

Mina Lumpus: I know. My father was a pest and a fraud. I hate him.

Me: Who doesn't.

Preceptor: What is your favorite memory of Nico?

Mina Lumpus: When me and Nico smeared Lumpus' name all over social media by calling him all kinds of horrible names.

Laney: What did you call him?

Mina Lumpus: They are too graphic to say.

Laney: Oh.

Nico: Yeah.

Nico and Mina hugged.

Nico: I've missed you.

Mina Lumpus: Same here.

Wood Man: Who's next to lead?

Lana: Me, Jack Landors, Ace, Kairi Yano, and Keiichiro, Lupin, Sento, and Legion Superman

Qin: You'll do great Lana.

Lola: Go Lans!

Dixie: Seviper, Metagross, Absol, Registeel, Wugtrio, Perrserker, Steelix, Flapple, Gengar, and Eternatus.

Me: Cool!

Nico: That is awesome! And Yes you all sure can and this is gonna be fun.

Qin: Yep it sure will.

Nico: Awesome.

Venom: Nico, which Gene Slammers do you think you'll meet next?

Butch: Also, I doubt there's a version of you in the Noir world.

Nico: I don't think there is either and Also Farigiraf and Dudunsparce next.

Me: Awesome.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the second mission to retrieve the second piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The second piece of The Tablet is located in Noir Earth, and it's in the hands of Noir Hammerhead.

Me: Joseph Lorenzini A.K.A. Hammerhead.

Spiderman: Boy been a long time since we faced him in the Prime Universe.

Maria: Last time was back when we made that video about Nico.

Nico: I remember that! That was cool.

Lincoln: Then, this means, in addition to going after Noir Hammerhead, we'll also be dealing with that thug's gangsters. Which means we need to take to the shadows.

Nico: And assassinate those gangsters.

Me: This'll put our stealth skills to the test, especially on an Earth set in the 1920s, the Roaring 20s and the era of mobsters.

Nico: Those wiseguys better say their prayers.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Logan Mobius, the evil older brother of Leina Mobius and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Leina and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Leina, you're not going to like it: the figure we sensed is none other than your evil older brother, Logan Mobius, the third of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

We gasped.

Leina Mobius: So, now my older brother, Logan, has come after us. I always knew that stupid moron would be the first to come after us, he's such a asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say yesterday, he Gene-Slammed himself into Mobius the Frost Monarch, right, Leina.

Leina Mobius: Yes, I did, Anna. But, I refuse to let Logan live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Noir Earth to retrieve the second piece of The Tablet and defeat Noir Hammerhead.

Lincoln: It's curtains for that wiseguy, curtains, and once we get done defeating Noir Hammerhead and retrieving the second piece of The Tablet, you're next, Logan Mobius.

Leina Mobius: You've gone way too far this time, Leina. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Mobius the Frost Monarch. This won't stand, I'll make sure that you're turned into an ice statue after we get done defeating Noir Hammerhead.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Noir Earth to retrieve the second piece of The Tablet of Order and Chaos and defeat Noir Hammerhead, and once we get done with him, Lincoln and Leina Mobius are going to kill and destroy her evil older brother, Logan Mobius, the third of the eleven most dangerous thugs from Royal Woods.

With that we were off.

NOIR UNIVERSE - NEW YORK CITY, NEW YORK - 1936

We stood under the night in a completely different dimension unlike her own. A world where everything appears mostly black and white, and gang violence overruns the depressive streets of New York City. We kneeled on top of a rooftop looking down at the "noir-styled" civilians walking on the sidewalks.

Me: This is the city. New York City, New York. 1936. This City has a million stories, mysteries and dangers. Crime was running rampant.

Nico: We can do better without the Noir comic dialogue J.D. But that was really good.

Me: Thanks. Sorry just adding excitement.

Saya Takagi: This place makes the world me and my friends came from look downright cheerful.

Lunk: Where the heck is he? Shouldn't we be searching for the fragment together? Should've brought us along to whoever he's meeting.

Dexter: Patience, Lunk. We're in new territory. I don't think the people of this universe are accustomed talking to people like us. Spider-Man said he's meeting with someone who might have an idea of a fragment's location.

Wilbur: Doesn't his new Spider-Sense has the ability to locate other fragments?

Maria: It's best to be careful. We don't know who else might be after the fragments.

Batman: True. Still, it's a little weird teaming up with a Peter Parker but with a personality similar to me and not as trusting. I actually admire him already.

Me: You do share the same common interests Bruce.

Killer Croc: We're in a world set in the 1930s during the Great Depression, Bats. Combined with Spider-Man's presumed backstory, it would make sense he's more of a 'loner' and less cooperative than the one we know.

Vegeta: (smirks) At least he doesn't constantly fill the air with his lame jokes, don't you agree?

Spiderman: Hey! My jokes aren't lame!

Me: Guys lets focus.

Varie: But this makes me really fit in. I love Noir Detective Stories.

Laney: Me too.

Rarity: And me too Darlings.

Numbuh 2: This is perfect for me too as a detective.

Noir Spiderman: You guys been spending time making fun of me?

We turned our eyes when we notice Spidey Noir suddenly greet them on the rooftop

Lana: What took you so long?

Noir Spiderman: Was talking to Felicia Hardy.

Goof: The Black Cat?

Noir Spiderman: Who?

Black Cat: My counterpart here. She's the Black Cat, right? A cat thief like yours truly?

Noir Spiderman: She's not a thief! Her nightclub is called the Black Cat. Where did you get the idea she's a thief like you are?

Black Cat: Oh. Sorry. Different universe, different rules I guess.

Keiichiro: What did she tell you? Is it related to our mission?

Noir Spiderman: She tipped me off there's business happening at the waterfront tonight. The kind that's bringing out the worst of the worst from the criminal underworld.

Maria: The fragments. Who's after them?

Noir Spiderman: The Goblin.

Nico: Norman Osborn aka the Green Goblin exists in this universe too?

Noir Spiderman: He's just called the Goblin. The biggest and most dangerous crimelord in the city. Me and him have some history. The kind you don't want to hear.

Me: Well we'll definitely kill him later on and send him to the Black Gates.

William: We have a good hunch what it's like. Seems like you two are DESTINED to cross paths throughout the cosmos.

Nico: Knowing Osborn, if he gets his hands on the fragments, it won't end well for anyone.

Me: Nope it won't.

Noir Spiderman: I intend to finish him off this time. If you can keep up, then follow my lead if you don't want to die a horrible death. (swings towards the waterfront)

Me: Don't worry, we don't die that easily.

Lana: (sarcastically) He certainly knows how to rally a team.

We flew to help Noir Spiderman.

We travel through the night on the waterfront, leaping from rooftop to rooftop avoiding detection by civilian and foes alike. On the docks, rats scurry about their grim business as we arrived on a roof above our objective.

Noir Spiderman: Looks like Felicia was on to something. (sees two thugs carrying a crate)

Thug 1: Whoa, it's slippin'!

He dropped the crate and causes it to break into pieces, revealing a Tablet fragment that was kept inside.

Thug 2: Hey! Look at this!

Thug 1: It's just a hunka rock? What's all the extra protection for?

?: The Goblin payin' you to ask questions now?

The two men and us looked to see a large man with a flat head wearing a black mob suit over his red shirt. The man with the skull deformity is holding twin Tommy guns that pack each packs a wallop and appears to be the boss of these criminal punks.

We saw that it was JOSEPH LORENZINI A.K.A. HAMMERHEAD! And this guy was NO PUSHOVER!

Nico: Hammerhead.

Noir Spiderman: So you've met already?

Carmen: We have someone exactly like him in our dimension, but he seems more at home in this one.

Me: It's the Prime Universe version where we're from. Long story.

Thug 1: N-no, Hammerhead-.

Noir Hammerhead: Then shaddap. Goblin sez the Spider's comin' after the Tablet and he wants all measures taken to stop him gettin' it."

Noir Spiderman:I'm flattered.

Me: Soon he will die.

Noir Hammerhead Now load it in before I lose my cool.

His two men did what they were directly ordered as one of them grabbed the fragment and put it back inside the truck as they started driving away.

Noir Spiderman: Oh, you're gonna lose your cool, all right…

Lana: We can't let them get away with the fragment.

Noir Spiderman: Agreed. Hope you guys learned to keep up.

Me: Oh we will.

Noir quickly fires two weblines on the rail of the back of the pick-up truck with us following him

Thug 1: It's him!

Thug 2: The Spider-Man! And there's some other guys following him!

Noir Hammerhead: Then stop gawkin' and start throwin' lead!

On command, the man in the passenger seat took out his gun and started firing at us. The Spider-Man quickly grabbed onto his weblines with both hands to stay centered better. Eventually, we jumped up with Noir Spidey following. The truck stopped at a trainyard after the goons noticed we suddenly disappeared from their backs.

Thug 1: I-I think we lost 'em!

Noir Hammerhead: Keep you eyes peeled. You see somethin', shoot first and ask questions never. We're not takin' any chances, read me?

Thug 2: Loud and clear, boss.

They were unaware that we were silently observing them hiding in the darkness above their unsuspecting heads.

Me: (In my head) keep yapping Hammerhead. Soon you will be nothing more than a forgotten memory.

Thug: Welcome, boss! We got everything set up for ya…

Noir Hammerhead: Save it, Montana. No time for gab. I got a real important delivery for Mister Osborn."

Noir Spiderman: That's right, Hammerhead. And I'm gonna follow you right to him.

RD Sam Sharp: We're here too, remember?

Noir Spiderman: (dryly) Almost forgot. I rarely work in a team. Always better solo. Teammates would just slow me down.

Lori: You'll find we're literally more up your speed. But we're in your territory, so suck it up and learn how to cooperate in a team.

Sasuke: (Whispering) You know I once thought like you and thought teammates were a weakness. But they are now a strength.

Noir Spiderman: I see.

Lori: First off, how should we proceed?

Noir Spiderman: Too many Tommy guns for my taste. Better hug the shadows for now - 'less me and you two wanna get filled fulla holes.

Maria: No thank you.

Me: Lets go.

We went invisible.

Noir Hammerhead: Montana, you're with me. We got business to discuss."

Noir Hammerhead: Right, boss."

Noir Hammerhead: You and you, watch my back while we're on the move. Savvy?

Thug 1: Right, boss.

Thug 2: Right, boss.

Noir Hammerhead: And Ox.

Noir Ox: Yeah, boss?

Noir Hammerhead: Stand there and look stupid. From what I can see, you've had a lot of practice. All right, ya mutts, listen up! Osborn wants us to be ready for anything. And Mr. Osborn always knows what's best, doesn't he fellas? (hears confused murmurs) Yeah, that's right. So let's get to it.

We hid.

Unicorn: Before following Hammerhead, let's take down the guards posted here with stealth attacks. Preferably on the ground.

Noir Spiderman: Okay. Ox and Montana can be knocked out. Waste the others.

Me: Leave that to us.

We used the shadows as our weapon of camouflage.

We then used webbing to tie up the guards and then we ripped their skins off and tied them to a pole.

Noir Spiderman: Nice.

Nico: Is that all?

Noir Spiderman: For now anyways. (shoots webline to zip near Hammerhead's current location)

Maria: (to the Trinity of Violence) His attitude makes you 3 look cheerful.

Lola: Tell me about it.

I had my Infrared Vision on and had an audio analyzer bar on too.

Noir perches on a lamppost near and above Hammerhead. We soon join him as we all stare at Hammerhead and his group standing next to a gate.

We listened and I analyzed the audio.

Noir Hammerhead: Let's go, get this open.

His men did so as two men escorted a terrified man through the gate.

Maria: Is that…?

Me: An innocent bystander.

Noir Spiderman: That's one of the trainyard workers! What's this all about?

Man: Why? Why are you doing this?

Noir Hammerhead: Let's just say I don't want anyone stickin' their webbed nose in any of my business. The Spider-Man and his sidekicks try to pull a rescue, you grease this stooge. Savvy?

Thug: Yeah, boss.

Noir Hammerhead: Good. Let's go.

Lincoln: Did he just call us sidekicks?

Noir Spiderman: He shouldn't have brought innocent people into this. That just makes me mad.

Me: Makes me infuriated. I can't wait to snap Hammerhead's neck.

Jack Landors: This time, let's knock the guards out while we're within arm's reach of them.

Nico: You read my mind.

We waited for the right moment.

Noir Spiderman quietly moved towards the guard and grabbed him by the mouth.

He punched and knocked him out.

I grabbed a man and then ripped his skull and he was ripped to shreds.

Nico did the same thing and blood splattered everywhere.

Eli used the force and made one man fall asleep.

We went up to the man that was threatened.

Man: You're the Spider-Man! Who are your friends?

Noir Spiderman: They're not friends. Just people here to help me stop and kill Hammerhead, and we're gonna need your help with that gate without alerting attention.

Man: Sure thing, Spider-Man.

The worker ran up to the gate to use his keys to unlock it for the heroes.

Noir Spiderman: Thank you."

Man: Glad to do what I can. But I think Hammerhead has more of my friends taken hostage."

Maria: We'll save them. Don't worry. Go hide in a safe place and call the police.

Noir Spiderman: Forget about the police.

May: Why?

Noir Spidey: Experience has taught me never to trust a policeman from this world. Just when you think one's all right, they turn corrupt.

Nico: In a world like this, that's understandable.

Me: Sir here.

I gave the man a nice steak dinner.

Man: Oh thanks. I'm hungry.

Me: Be careful.

We went back to finding Hammerhead.

We hid in the shadows and found him.

Goon: So what is this thing Osborn's having you deliver?"

Noir Hammerhead: I'll tell you what it ain't: just a rock. Nah, it's got some kinda powers."

Goon: How'dya know?

Noir Hammerhead: How do I explain it? It's like… it's like it almost talks. Y'know? If you listen to it real close, it speaks to you, like… like a dame. But no dame I ever knew. Cooing, or I dunno… whispering."

Goon: Whispering?

Noir Hammerhead: Yeah. Soft and gentle… and low… WHADDAYA LOOKING AT!?

Goon: N-nothing!

Noir Hammerhead: Guy's looking at me like I'm nuts.

Noir Spiderman: He's not the only one.

Lana: The fragment talks?

Maria: Who knows? Anyone unaccustomed to incredible power like that fragment would think they hear something.

Me: Hmm.

Lola: Like the Marker and the Necromorphs.

Me: Very much.

Noir Hammerhead: Get that gate open, you lousy jerks! What do I pay you for!?

Thug: Yes, sir!

Noir Hammerhead: Come on! What are you waitin' for, Christmas?

Man: You can't do this. You got no right!

Noir Hammerhead: (gestures to one of his Tommy Guns) See this gat? That's all the right I need, pally. Anyone else tries to get through, you squirt 'em with lead, get me?

Thug: Eww. Yeah boss. You can count on me, I won't let you down.

Noir Hammerhead: Cut the balloon juice. I get it. Lest go over there and keep an eye out.

Noir Spiderman: Still got more of that food for when we free him too?

Me: Plenty.

Noir Spiderman: Good.

Using the shadows we dismembered the goons and ripped them apart.

Thug: So where'd you get that hunk o' rock?

Noir Hammerhead: Jersey. Fell outta the sky in an explosion of light, lands in Grover's Mill. Osborn hears about it from some of our boys there, sends me out to fetch it.

Thug: You don't sound so happy.

Noir Hammerhead: No? Listen to my voice. I'm thrilled. The boss tells me to do something, I do it. I ask him my opinion, he tells me. He wants me to be his little errand boy… I deliver.

Noir Spiderman: He's got Osborn pulling his strings, I've got a floating time spook. I'm starting to wonder which of us is more of a puppet…

Danny: (grabs a guard) Did you just call Clockwork a floating time spook?

Nico: He did.

Me: Shh.

We got the 2nd man freed and I gave him food and then told him to head home and lock his doors.

Goon: So, Osborn…

Noir Hammerhead: Osborn's workin' my last nerve. He's got me, Vulture, all of us bosses collectin' these fragments - runnin' errands for him like bag boys. I'll tell ya what though. If Osborn thinks he's the only one who can appreciate the power of this thing, he's not as sharp as he thinks he is."

Goon: You gonna keep it for yourself?

Noir Hammerhead: I'm gonna do what I'm gonna do. Don't worry about it.

William: I doubt a knucklehead like him can control that power if he used it.

Goon: And what about Spider-Man? And his sidekicks?

Luna: We are not sidekicks, dude!

Me: Shh.

Goon: (Noir Hammerhead chuckles darkly) Ehhh… what's so funny?

Noir Hammerhead: You leave the Spider-Man and his new friends to me. They're not as sharp as they think they is either.

Noir Spiderman and Lincoln: We resent that!

Me: Shh.

Nico: We don't want him to know we're here.

We continued to follow and dismembered and knocked out all the guards.

We got to a man.

Nelson Muntz: Are you hurt?

Man: Y-Yeah… Who are you…? This is no place for kids!

Noir Spiderman: Don't worry. He's with me.

Man: Spider-Man?!

Noir Spiderman: We need your help tracking Hammerhead. Can you open the gate for us?

Man: I'm all over it, Spider-Man!

Batman: It'll be risky going through the front door.

Noir Spiderman: Not to mention idiotic. We'll go through that vent up there.

Me: Okay.

We went to the vent and hid.

The serious webslinger crawls up into the vent as we follow him. We landed in a large vent system. We looked down to see We were over Hammerhead and couple of his men with the guns with flashlights turned kneeled down looking down. Soon, one of Hammerhead's men came running through the front door. Hammerhead turned to him with guns still in his hands as his men turned too.

Noir Hammerhead: Don't tell me you haven't killed them yet.

Goon 1: They - They've been tearing the place apart. Freeing the hostages, ripping the gates up, knocking out the guys, dismembering them and even some of them had their skins ripped

off.

Noir Hammerhead: That so?

The frightening mobster walked towards him and smacks his gun on his face so hard he fell to the ground near-death, bleeding intensely from the side of the face.

Goon 2: Holy…

Noir Hammerhead: Told him not to tell me. All right now. Time to step it up.

Hammerhead turned away and started moving forward to the next room as his two men followed, leaving a bleeding man on the floor.

Zavok: Geez, even in the old days, I would never treat my Fellow Deadly 6 members that badly.

Me: This guy is really pissing me off.

Nico: I can't wait to kill this guy.

We stood up and started to walk carefully and slowly on top following Hammerhead.

Noir Hammerhead: Spider! You out there? You hear me? Hear this: it's war now. After tonight, you're gonna need a pallbearer - and I'll be at your service! I'll be nice and even bury you with your sidekicks And your girls… (chuckles) They'll be right beside me.

Nicole: Like Hell we will!

Ace Bunny: We're not letting that happen!

Me: If he wants a fight we'll give him Armageddon.

Xenia: And it won't be pretty.

Hammerhead finally stopped in front of a door to the next room.

Noir Hammerhead: You two stay put. They'll be coming through here after me. Your job is to stop 'em. And if you don't - you'll wind up like that jerk. Believe it.

Goon 1: Wh-where are you going?"

Noir Hammerhead: Me? I gotta put something together for when they get past you guys. Not that I don't have total faith in you… but I don't.

He then walked through the door and slammed it shut as his men stood guard unhappily.

Goon 1: Thanks for the vote o' confidence.

Goon 2: Yeah! Thanks, Hammerhead. Go climb up your thumb.

Noir Spiderman: Sorry, fellas. I'm about to prove him right.

Nico: Not without us you don't.

The silent spider used his Spider-Sense to locate a vent panel to pull down with his webbing. We walked through the vent behind him as we entered another room, dropping down on a platform above more of Hammerhead's men.

Noir Hammerhead: (through the PA system) Enjoy creeps. I got my toughest men in here and they ain't leaving until you stop sucking air.

Noir Spiderman: Yeah? Let's see how tough they are. I'll take the top. You two take the bottom."

Lincoln: You really like being alone, do you?

Noir Spiderman: What gave you that idea? (zips to top floor)

Lincoln: How are we supposed to send Noir Hammerhead to the Black Gates if we can't get this version of Spiderman to be a team player?!

Lana: It's like we said before. Different universe, different rules. A different Spider-Man.

Rothar: Just give him time. Me and my fellow Underworlders more or less used to be like that.

Me: Like it or not we work in all of this together.

Danny Phantom destroyed all of the men and killed them.

Count Nocturne was perched above a guard.

Count Nocturne: Prepare for your demise.

He pounced and sucked his blood.

I fired a wave of energy and obliterated the guard.

Me: Take that.

I then ripped a guard's head off.

Noir Spiderman was crawling on a wall, a nearby guard not noticing him yet.

Then he knocked him out.

Xenia: Take that.

We then got the last of the guards.

Nico: That's that.

Noir Spidey: You guys sure took them out fast.

Lana: It's called teamwork. Maybe you can learn a thing or two from it.

Me: Yeah.

Noir Spiderman: When I have the time for it, sure.

Nico: Enough arguing. We need to focus on finding Hammerhead.

Noir Spiderman: (sighs) Fine. Follow me. Spider-Sense should tell us where to go.

Kairi Yano: But first, with all the guards knocked out, me, Keiichiro, and Sento should change into something more comfortable.

Noir Spidey: Um… okay?

Jack Landors: SPD EMERGENCY!

Kairi Yano: Kaitou Change!

Keiichiro: Keisatsu Change!

Sento: Henshin!

They transformed!

Jack Landors: 1! SPD RED!

Kairi Yano: (SNAPS FINGERS) LUPIN RED!

Keiichiro: PAT1!

Sento: FORMULA FOR JUSTICE! KAMEN RIDER BUILD!

They were ready.

Me: I like it.

We decided to walk forward carefully, each of us getting a feeling we're about to run into a trap. That was when Noir's Spider-Sense started buzzing like crazy, as it points to Hammerhead immediately firing his guns at us

Noir Spiderman: (flips out of the way)

Nico: (dodges the bullets) Whoa!

Noir Spiderman: Anyone hurt?

Loud House Taylor: (smiles) Aww. You do care!

Noir Hammerhead: You think you can take me? Come on and have a go if you think you're hard enough! (runs out the door)

Nico: Get back here, coward!

We quickly ran into what appeared to be a small coliseum surrounded by train cars and tracks that connect to different areas of the trainyard.

Nico: Show yourself, Hammerhead!

Noir Hammerhead: Hey, Spider and friends.

We face forward looking at a train car turner in the middle of the coliseum. On it, Hammerhead had installed a large rapid power machine gun mounted on ready to fire,

Noir Hammerhead: Wanna go a few rounds?

Noir Spiderman: Trust me - it'll only take one.

Me: Yeah!

As soon as he heard that taunt, bullets started flying at an alarming rate.

Clockwork: (in our heads) Find cover!

Noir Hammerhead: I'll slice ya to ribbons!

Me: I'll rip you to pieces Fuckface!

We found cover behind a pillar across from each other as the bullets were still flying. The bullets managed to destroy one pillar.

Nico: Fuck a duck!

I teleported and kicked him square in the face and punched him in the chest and kicked him in the crotch. I teleported and kicked him in the back of the head and knocked him down. I grabbed him and smashed him head first into the metal!

Me: Had enough Frankenstein!?

POW!

I punched him in his face and kicked him into a pillar and knocked him down.

Noir Spiderman: WHOA! That is awesome!

Nico: Yeah he sure is!

He went back to his guns and fired and I caught all his bullets with LIGHTNING FAST SPEED!

Runt: For a weapon from the 30s, it's sure packing a lot of bullets.

Noir Spiderman: I have a plan to take him, but I'm gonna need your help for it.

Lincoln: Aha! You admitted it!

Noir Spiderman: Shut up! I need a few of you to keep his eyes off me so I can strike him from the back.

Legion Superman: Me and Jack can do that. Maybe even disable his gun in the process

Noir Spiderman: That could work. Just keep him distracted.

Jack Landors: First, let me do this. Battlizer mode!

He donned his SPD Battlizer!

He ran out of ammo and I threw all his bullets back at him.

I teleported and kicked him in his face!

Me: Had enough Frankenstein!

Noir Hammerhead: WHAT THE FUCK DID YOU CALL ME!?

Me: You heard me! FRANKENSTEIN!

Noir Hammerhead: WHO THE FUCK DO YOU THINK YOU ARE!?

Me: SOMEONE YOU DON'T WANT TO PISS THE FUCK OFF!

I kicked him in his face!

Me: But if you must know Joseph Lorenzini A.K.A. Hammerhead, my name is J.D. Knudson, Second in command of Team Loud Phoenix Storm!

Noir Hammerhead then realized that he was messing with not just the Spiderman of his world but also THE MOST POWERFUL FORCE IN THE ENTIRE MULTIVERSE - TEAM LOUD PHOENIX STORM!

Noir Hammerhead: TEAM LOUD PHOENIX STORM!?

The guards then knew who we were and they ran away like cowards!

It was Noir Spiderman's turn as he jumped on Hammerhead and started beating him up.

Noir Hammerhead: No more… please… please… I give! I give.

Noir Spiderman: Had enough, huh? Now, hand over that ro-.

Hammerhead quickly reared his head back and headbutted him with his thick head, sending the spider flying a good distance back and landed on the ground on his back.

I caught him.

Noir Hammerhead: Sucker.

I put a tracer on his back!

Noir Spiderman: Cheap shot!

Me: He suckerpunched you.

Lana: Oh, you did not just do that!

Lana rushed at Noir Hammerhead and grappled with him. She beat the crap out of him a few times before the jerk tried to heatbutt her. But Lana put his foot on his head before punching him some more.

This process repeated two times before she pushed the jerk back. Noir Hammerhead fired his guns at Lana but Keiichiro, Jack Landors, and Kairi Yano fired back, cancelling the bullets out.

Noir Hammerhead: Heh. Easily matched. But that's gonna change real soon. (runs off)

Keiichiro: At least Lana and J.D. got a few hits in.

Lisa Loud: Hmm. It might be old fashioned. But perhaps we can take this gun and put it into one of our ships.

Me: That's not a bad idea Lisa. He also completely had no idea who he was facing.

Nico: Nope he totally underestimated our power.

Noir Spiderman: You okay?

Lana: I'm fine. Didn't leave a scratch on me.

Noir Spiderman: And the rest of you?

Nico: We're okay. But we need to keep moving, before that fragment falls in Osborn's hands. Or worse. Hammerhead starts using the fragment for himself.

Me: Yeah. And I sense he is up to something.

Noir Spiderman: You honestly did a nice job against Hammerhead.

Lana: Thanks!

Noir Spiderman: And so did you J.D. Your power is incredible.

Me: Like I said, power is one thing but friendship is another.

Noir Spiderman: But don't let it get to your own head. We're not done yet.

Samon Shakekisutanchin: What's your deal? Why do you have a hard time trusting people?

Noir Spiderman: Cause the last time I trusted someone, he was in league with the Goblin.

Lana: He?

Noir Spiderman: His name was Ben Urich. A reporter from the Daily Bugle. Had enough info to put against corrupted politicians and underworld criminals like Osborn. But he didn't use that info against Osborn. He instead used it to blackmail him in order to get enough money to feed his secret drug habit. He betrayed me. What's worse, he was the guy who inspired me to become Spider-Man. That's why I prefer being a solo act.

Lana: I'm sorry. I had no idea.

Noir Spiderman: But now you do. Why I don't trust most people. So, you'll have to pardon me if I have trouble adjusting to working with people from other worlds who don't get the world I've lived in all my life.

Me: That's understandable and I actually know Ben Urich. He actually knows all about the identity of Daredevil in our universe.

Daredevil: He's right. My real name is Matt Murdock and I go by Daredevil.

Me: Long story on that.

Noir Spiderman: I see.

Sasuke: Like you Spiderman, I too felt the same way. When my brother killed my clan because of the village's corruption I had a lot of difficulty trusting people.

Noir Spiderman: I see.

Lupin: How'd it go?

Batman: The area's all clear. We can move on.

Nico: Good.

Burner Man: But I hope you don't mind some of the corpses being burnt.

Lupin: Not at all. Let's keep moving!

Batman: (to Noir Spiderman) Peter, believe it or not, I used to feel the same way as you do. I used to think I could protect Gotham alone. But Clark, J.D., and the others changed that. And with their help, I was able to destroy one of the worst monsters who ever lived. We're not asking you to completely change who you are. But just give what we're trying to tell you some thought.

Noir Spiderman: I… I understand.

We exited the building into another wide trainyard. Spidey shot a webline and swung on a structure above.

Noir Hammerhead: (over the PA system) And along comes the Spider and his annoying friends. I had a feeling you'd make short work'a those other jerks. This might be a little more difficult for ya. Five of my best trigger-men. Five hostages. And you three are such a bleedin' heart, you'll wanna rescue 'em, won'tcha? Heh heh. Good luck. My boys spot ya - even for a second - and you'll wake up in hell.'

Noir Spiderman: You're a pip, Hammerhead.

Noir Hammerhead: (darkly chuckles) Sayonara, creeps.

Noir Spiderman: The floating time spook sure walked me into it this time!

Kerchak: We need to cooperate. Stick to the shadows and make our play.

Noir Spiderman: Right. Take these palookas down one by one.

Me: I got that.

I formed clones and we went to each of the guards and dismembered them and then Nico, Varie, May, Lola and Lana freed the hostages.

Man: (to Fireor) W-Who are you? WHAT are you?!

Fireor: I'm Fireor. And I'm helping Spider Man. Don't worry.

He got a man out.

Me: Nice job!

Qin: Yeah!

We got all the men out.

Man 2: Thanks!

Lana: No problem.

Lola: Yeah.

Then, on a walkway across from where we're standing, a clanking sound made across the walkway. We look forward to see Hammerhead himself, looking mad. And in his hand, it's the fragment we've been searching for.

Nico: Give up the fragment, Hammerhead!

Me: Yeah! You got nowhere to run.

Noir Hammerhead: You want this, tough guy? Come an' take it. Just you and me, Spider, mano a mano. (runs off)

Me: Gladly!

Noir Spiderman: (web zips after him) That suits me fine.

Lana: Wait! It might be a trap!

Sento: He's more of a musclehead then Banjo.

Banjo: Hey!

Spider-Man Noir flew over the walkway and landed on the ground, but everything was dark. Hard to see through. At that moment, his Spider-Sense tingled as the spotlights suddenly flash on him, revealing he's surrounded by still cargo train cars with some of Hammerhead's men in view with guns pointed at him.

Noir Hammerhead: (from a distance) Finish him, boys!

Noir Spiderman: You miserable, lying snake!

I fired a massive blast of energy and blew the men apart and killed them all.

Xenia: Bullseye!

Nico: Now lets go.

Lana: I TOLD you this would be a trap!

Noir Spiderman: (punches a goon) Berate me later!

Tayuya: We know you prefer working alone and have trouble trusting others, but it's time you start fucking trusting us! If you fucking don't, all of our realities will be fucking destroyed! Do you REALLY want that to fucking happen?! Didn't your uncle ever fucking teach you the motto, 'With great power comes great responsibility'?!

Noir Spiderman: No! What I've been taught is that, 'If there is too much power, then it is the responsibility of the people to take it away.

Tayuya: Then if someone like Goblin fucking gets these fragments, it's our job to work as a team to take them back or else whole worlds will be fucking in danger! Got me?!

Nico: That's enough guys! We got to focus!

I fired waves of energy and smashed the rest of the thugs.

Noir Hammerhead: You idiots, I want this done! Bring in the big guns!

Noir Spiderman: More guns?

He then heard stomping that got his Spider-Sense tingling. He turns around looking at a large man with equally large muscles carrying a large hammer approaching us.

Me: WHOA!

Noir Spiderman: Oh, he means this guy. Sharp outfit. What are you supposed to be? (avoids a violent slam from him)

Hydros: The strong, silent type. Gotcha.

Keiichiro: Let us help you with this! Good striker!

Good Striker: Right!

The Patrangers used Good Striker to fuse themselves into Patren Ugou.

Patren Ugou: Patren Ugou!

Nico: Oh yeah!

Hydros: I got this with you guys.

Hydros fired an ice blast and froze the big hammer wielding thug and then we fired energy blasts and shattered him into a million pieces.

Nico: Pathetic big guns.

Legion Superman: And you say that was your best guy? What else ya got?

Goon 1: Nuts to this! Let's beat it!

Goon 2: Right behind ya!

Me: Yeah you'd better run!

Nico: Yeah, run away.

Noir Hammerhead: (runs out the door) You idiots! You're all worthless!

Me: You're the one that's worthless!

Nico: After him!

Noir Spiderman: I'm coming for you, Hammerhead! Time for that 'mano a mano' we talked about earlier.

Me: Let do this!

We went after him.

We ran out the door as we find themselves on a dirt path that leads to a worn-out tall circular building.

Noir Spiderman: Hammerhead is over there. I just know it.

But then, his head buzzed like crazy and the ground suddenly shook us. We stumbled and quickly looked ahead to see strange yellow lights flashing out of the building. We also heard Hammerhead laughing insanely as if he's experiencing something very good at the moment, which got usextremely worried.

Lana: What did he do?

Anakin: Damn. He must've used the fragment. I can feel it's power from here.

Horsea: What should we do?

Noir Spiderman: Simple. We beat the crap outta him. This time, the hammer falls!

Dayu: We got just the song for this!

Soundwave began playing a song from the Dorsey Brothers.

Me: Good song choice.

Nico: Lets go. Entrance time.

We went at the tower.

Noir Hammerhead laughed and then the spirits of the 1920s and 30s came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out of the wall and a phoenix cry was heard and then we came out.

Me: Nowhere to run and nowhere to hide. You're finished Joseph!

Me and Noir Hammerhead looked at each other with ferociously deadly glares.

We saw what happened to Hammerhead. His forehead looks to have expanded with cracks of energy and his Tommy guns are fused into his hands. But that wasn't the shocking part. The Heartless Symbol was on his head.

WE GASPED!

Noir Spiderman: The hell…?

Me: WHAT THE FUCK!

Sora: He's turned into a Heartless!

Lola: Not good!

Mandy: Hmph. A slight improvement for you, Hammerhead.

Noir Hammerhead: (darkly smirks) I shoulda used this rock sooner! First I'll get rid of you punks. Then I'll get rid of Osborn! I'll OWN this town! Ready for a REAL fight, tough guys?

Me: Hmph! We're going to kill you before you get that chance!

Noir Spiderman: Mister, we were made for it.

Jack Landors: Swat Mode!

Kairi Yano: Super Lupin Red!

Keiichiro: Super Patren 1gou!

Sento got out a black can appeared.

Sento: The Patrangers aren't the only ones who can merge!

Banjo: Dammit, I hate this part!

ARE YOU READY?! RABBIT! DRAGON! BE THE ONE! CROSS-ZBUILD! YEA! YEAH!

Sento and Banjo merged into Cross Z Build.

Nico: YEAH!

Kairi Yano: Here's an advanced notice, We're taking your treasure.

Keiichiro: By order of the GSPO: We're Taking you down by force!

Nico: And we're going to kick your big ugly fucking ass!

Qin: YEAH!

Me: Also you aren't the only one that has incredible power!

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) Time for you to pay for your crimes!

(DOWN WITH THE SICKNESS BY DISTURBED PLAYS)

Me and Noir Hammerhead glared at each other and it was intense!

OHHAAHAHAHAH!

ZOOM!

KRABOOOOM!

I punched him in the face with devastating force and speed and blasted a hole through the wall of the tower!

I kicked him straight into the air and bashed him into the ground and fired energy blasts and blasted him all over!

I teleported and kicked him and Nico punched him and kicked him. He got up.

Noir Hammerhead fired a rocket from his guns at Brick.

Brick: (dodges it) Oh great! His new hands are also rocket launchers! It'll be hard fighting him up close with those!

Jack Landors: He's not the only one with guns!

Jack fired his blaster at Noir Hammerhead's rockets while Legion Superman charged at him and bashed him down and then I teleported and grabbed his hands and headbutt him and kicked him in his face and grabbed him in a scissor hold and smashed him into the ground.

Eli fired a wave of Force Lightning and blasted him all over!

Sento: The Laws of Victory are set!

Banjo: I feel unbeatable at this moment!

In their combined Cross Z Build form, Sento and Banjo charged at Noir Hammerhead alongside Ace Bunny.

They slashed and kicked Noir Hammerhead all over and I elbowed him on his head and he belched out a massive amount of blood!

Qin: YEAH!

I teleported and kneed him in the face and knocked him down.

Kairi Yano jumps down behind the engine for cover. He suddenly got a vision of Noir Hammerhead firing a rocket at him and the engine.

Kairi Yano: Everyone get clear!

Hammerhead growls as he shoots explosive rounds at the engine he's taking cover as he dodged it. Suddenly, the engine blew up and covers the whole arena in a thick smokescreen that's hard to see through.

Lupin: Now's our chance!

Lupin jumps to one of the broken beams above the arena. As Keiichiro used his VS. Changer to shoot at Hammerhead's bullets through the smoke, Lupin jumped on the mobster's back and stomped on it, dishing out painful damage.

I grabbed Noir Hammerhead and bashed him from side to side!

Qin: OH YEAH!

I threw him into a bunch of barrels and blasted him down and then Lana fired waves of icicles and blasted and slashed him all over.

Noir Hammerhead: Looks like we're not evenly matched anymore, cops!

Kairi Yano: Jack and Keiichiro are cops. I'm one of the Phantom Thieves everyone's talking about.

Noir Hammerhead: (fires a rocket at him) You're gonna be a dead thief in a few minutes!

I teleported and redirected the rocket and it hit Noir Hammerhead and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down!

Noir Hammerhead: HEY! Whose side are you on!?

Me: The side that kicks your big fat twisted fucking ass!

I fired waves of fireballs and blasted him all over!

Nico: For the record, we're all on the same side. Which is against you!

Nico punched him square in the face and bashed him down.

Nico: Comic Book Guy, Bane, Ice Demon, Marluxia, Black Knight Ghost, Xigbar, Pyros, Lythos, Hydrax, and Kerbero Gangan.

Comic Book Guy: It's hard to believe you all would ever have trouble trusting this version of Spider Man. Most versions are light hearted.

Bane: (Spanish Accent) I guess this one must be one of the exceptions.

Ice Demon: (to Noir Spiderman) Just remember what J.D. and the others have been telling you.

Noir Spiderman: I will. And I'll start by keeping Hammerhead off you guys while the usual battles are going on.

Nico: We sure did.

Black Knight Ghost: Did you forget he doesn't like the mailman?

Me: Gorgax. Up for another round?

Gorgax: I sure am.

Me: Cool cool.

Gorgax: Geez, Hammerhead likes using his guns as much as Eddy likes using his blasters.

Eddy: Ain't that the truth.

MASSIVE EXPLOSION!

Lana got headbutted and pinned to the wall at Hammerhead's mercy.

Noir Hammerhead: (points gun directly at Lana's face) Say goodnight, kid!

Noir Spiderman: DON'T TOUCH HER!

Noir Spiderman rushed at Noir Hammerhead, pushed him off Lana, and grappled with him. He beat the crap out of him a few times before the jerk tried to heatbutt him. But Noir Spiderman put his foot on his head before punching him some more. This process repeated two more times.

Lana did the same and grappled with him and bashed him all over the place!

POW BLAM SMASH WHAM BIFF BOOF!

Lana then pushed Noir Hammerhead back so Noir Spidey would do a web strike on him and he bashed him down and knocked him out and got the Fragment!

Lana then formed a huge icicle infused with Black Gates energy and then STABBED NOIR HAMMERHEAD IN HIS CHEST! HE WAS FOUND GUILTY OF HIS CRIMES BY ALL THOSE HE HURT AND KILLED AND HE WAS BANISHED TO THE BLACK GATES!

Me: Enjoy the Black Gates.

We powered down.

Nico: That wiseguy and his mugs are now sleeping with the fishes. Awesome job, gang, we destroyed Noir Hammerhead and his thugs and got the second piece of The Tablet.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Leina's older brother, Logan Mobius.

?: (ENRAGED SCREAM) LEINA, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of ice blasts that came out of nowhere and they hit the barrier, but the ice blast volley was absorbed into us and we became even stronger than ever. Then, we saw Mobius the Frost Monarch appear.

Leina Mobius: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Mobius skinsuit, and show yourself, Logan!

Mobius the Frost Monarch vanished in a vortex of infernal ice, and in its place stood a 6'11" tall male with blue hair and blue eyes similar as Leina's, massive muscular build, and dressed in a red prison jumpsuit: it was Logan Mobius, the evil older brother of Leina Mobius and the third of the eleven most dangerous thugs in Royal Woods.

Nico: So, that's Logan Mobius.

Leina Mobius: The third of the eleven most dangerous thugs in Royal Woods, I would've never thought I'd have to see your ugly face again, Logan, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Logan Mobius: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Leina Mobius: As always, you're all bark and no fucking bite, Logan. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Leina Mobius' blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels, she unholstered her massive Mobius the Frost Monarch's Sub-Zero Arctic Greatsword of Frost Monarch Justice from her back, and as she approached Logan Mobius, she left blue energy, stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels with every step.

Leina Mobius: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Logan, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Logan, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Leina Mobius was surrounded by a massive vortex of blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding it, there are phoenixes, angels, and Mobius the Frost Monarch flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Logan Mobius: the red eyes of eternal death. Then, as the vortex faded, Leina Mobius emerged, but she was changed forever.

Leina Mobius grew from 6'11" to 7'9" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing ice blue hair, she has neon blue eyes and a blue energy aura with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels surrounding her, she has Mobius the Frost Monarch with the Ice Kanji in its hands emblazoned on her forehead and Third Eye with purple iris, she has on phoenix earrings with blue gems for eyes and holding the Ice, Star, and Eternity Kanjis in its hands, she also has Mobius the Frist Monarch with blue gems for eyes and holding the Ice, Star, and Eternity Kanjis in its hands on the bottom of her blue phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Leina Mobius has on a blue sleeveless open blouse, sleeveless dark blue top, blue skirt, blue bellbottom pants, blue shoes, and long sleeveless white trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails and on the back is Mobius the Frost Monarch surrounded by darkness. Suddenly, Leina Mobius felt a sharp pain on her back, and then, her massive blue angel wings with dark blue tips on the large blue feathers grew much bigger for her new body, and she now has eleven massive and long light blue wolf tails with dark blue tips and dark blue markings, she has on a Ring of The Phoenix with blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Leina Mobius' massive Mobius the Frost Monarch's Sub-Zero Arctic Greatsword of Frost Monarch Justice and all the greatswords and swords she had began merging together, and they were surrounded by a kaleidoscope of blue energy, stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels, and when it emerged, it was transformed into Leina Mobius' Arctic Sub-Zero Monarch Mobius the Frost Monarch Arctic Snow Phoenix Angel Greatsword of Arctic Snow Phoenix Frost Monarch Mobius Justice, it's a brand-new massive greatsword with embedded light blue gems and Mobius the Frost Monarch etched on the 7'6" massive, wide, double-edged dark blue blade, large blue dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in the foreheads, longer midnight black handle, four blue phoenix heads with light blue gems for eyes and large blue phoenix head with blue gems for eyes and a large blue gem in its mouth on the bottom of the blue phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Mobius the Frost Monarch's head with blue gems for eyes and a large blue gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a light blue kanji below Mobius the Frost Monarch that said, "Leina Mobius, Gene-Slammer of Mobius the Frost Monarch, Master of The Sub-Zero Death Touch, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Archenemy of Frost, Destroyer of Logan Mobius, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Snow, Ice, Phoenixes, and Angels"

レイナ・メビウス、フロスト・モナーク・メビウスのジーン・スラマー、サブゼロ・デス・タッチの達人、愛する守護天使でリンカーン・ラウドの将来の妻、いじめっ子の軽蔑者、フロストの大敵、ローガン・メビウスの破壊者、チーム・ラウド・フェニックスの驚くべきメンバー嵐、宇宙の勇敢な戦士、宇宙、多元宇宙、そしてその先の守護者、擁護者、そして救世主、宇宙への希望の大使であり灯台、友情と要素の力のマスター、天のゼルナガの怒りのマスター、ブラックゲートのマスター、究極の善の究極の力、真実の真の女神、正義、愛、慈悲、希望、許し、勇気、美徳、決意、忠誠心、正直さ、寛大さ、優しさ、無私の心、勇気、信頼、破壊者、そして悪、狂った、殺人的、冷酷でサディスティックなろくでなしのスレイヤー、驚くべき強力な教師の驚くべき強力な生徒、そして雪、氷、フェニックス、天使の達人

Suddenly, Leina Mobius' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Leina Mobius has transformed into SUPER ANGEL-MOBIUS THE FROST MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DEATHLY SUB-ZERO ARCTIC MOBIUS THE FROST MONARCH PHOENIX MONARCH ANGEL OF DIVINE DEATHLY SUB-ZERO ARCTIC MOBIUS THE FROST MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE DEATHLY SUB-ZERO ARCTIC MOBIUS THE FROST MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Leina Mobius' Super Angel-Mobius the Frost Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Logan Mobius saw it, he went fucking mad with rage and transformed into Mobius the Frost Monarch and fired blasts of ice at her, but she absorbed them and it made her stronger, and she fired a massive barrage of blue energy, stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels at Logan Mobius, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, THAT'S COLD!

Lincoln: Awesome, Leina Mobius has transformed into her Super Angel-Mobius the Frost Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Logan big time, and now, it's high-time we got rid of you for good, Logan.

Leina Mobius: (Divine Echoing Godly Voice of The Deathly Arctic Sub-Zero Snow Phoenix Mobius The Frost Monarch Phoenix Angel and Divine Deathly Arctic Sub-Zero Snow Phoenix Mobius The Frost Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Leina Mobius.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Logan, but I take comfort knowing when I get married to Leina in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Leina Mobius and Lincoln went after Logan Mobius who continued throwing ice blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Logan Mobius and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Leina Mobius also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Logan Mobius even madder than ever!

Logan Mobius: I'LL FUCKING KILL YOU, STINKOLN!

Logan Mobius threw more ice blasts at Lincoln, but he absorbed them and it made him even more stronger as his ice aura became more ferocious. Then, Lincoln drove his massive greatsword into Logan Mobius' stomach and he began sucking out and absorbing the ice powers he'd gotten when he Gene-Slammed himself into Mobius the Frost Monarch along with his massive muscle mass and strength, and that had caused Logan Mobius to revert back to normal, but now, he was thin as a rake and he was really weak.

Then, Lincoln and Leina Mobius fired powerful blasts of ice at Logan Mobius, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Leina Mobius and Lincoln did as they holstered their massive greatswords and powered down, and Leina Mobius' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light blue wolf tails, and massive light blue angel wings are permanent.

Leina Mobius: Burn in The Black Gates forever, Logan. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Leina.

Suddenly, Leina Mobius wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Leina Mobius' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Mobius the Frost Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and snow and ice behind them and we cheered wildly. Then, Lincoln and Leina Mobius absorbed the elemental forces and snow and ice and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Logan Mobius, but we still got eight more of those thugs to deal with.

Nika Zaborg: Which means tomorrow, it's Nicholas Zaborg's turn to die.

Lincoln: Nicholas isn't getting out of this, and I hope you electrocute him to death, Nika.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Cierra Oblivion, Keyblade Knight of Castle Oblivion.

Roxas: We haven't seen Cierra in a long time.

Namine: Same here.

Michelle Emperyous: And I knew you'd mention her, Lincoln, and you guys are going to love meeting her. Cierra Oblivion is Lincoln's Guardian Angel from Michigan and she's a Keyblader and she harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they all pay for using Namine and messing with Sora's memories and make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Yeah, we hated finding out that they used Namine to mess with Sora's memories. Oh, I hope that Cierra doesn't try to viciously attack them like what's happened to Dark Riku.

Lincoln: Knowing Cierra, she won't show any mercy to them at all, and she'll be doing it early before we meet her on my rescue tomorrow.

Nico: Nuts.

We were panting heavily from their tough battle that they managed to win over Hammerhead. All that was left was the fragment, which floats waiting to be collected by us. We powered down.

Clockwork: Thank you, Spider Man and Team Loud Phoenix Storm. The "floating time spook" appreciates your assistance.

Noir Spiderman: (grabs the fragment sheepishly) Yeah, sorry about that.

Xigbar: Shouldn't have called him that.

Noir Spiderman: Alright. I'm going to trust you guys, but don't make me regret it.

Pyros: Don't worry. You won't.

Qin: Yeah.

Lythos: Almost forgot. How long did it take for you guys to clear that previous ambush?

Nico: Probably under 2 minutes.

Hydrax: That's a good estimate.

Kerbero Gangan: And this area is no longer under the control of Osborn's empire.

Me: But just as a going away present…

I went over and ripped off Hammerheads head and stabbed it on a spear and then wrote a threatening message in Hammerhead's blood and wrapped it around the spear and then threw it to the Oscorp Building in the Noir Universe.

Nico: Nice. Great job today everyone.

Spiderman: (To the viewers) Gangsters beware because they are dead meat.

Nico: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Goblin was watching but then the spear flew in and stuck to the wall and he saw it and saw the message and he read it. It said I AM GOING TO KILL YOU! PREPARE TO DIE!

And TLPS was on it.

Goblin roared in rage!

Me: Boy this is fun.

Qin: You said it.

Carly Atlas: Nothing like a little relaxing after fighting in the multiverse.

Spiderman: It sure is awesome.

Qin: Boy it sure is.

Nico: I'll say. I hope the next villain we face next won't be as ruthless as Hammerhead was.

Me: Yeah me too.

Lana: That was still awesome.

Maximum Ride: It sure was awesome.

Nico: Max, I want to thank you, Pterodactyl Ghost, and your teams for coming

Maximum Ride: No problem Nico. This will be so fun.

Misty Tredwell: Boy you said it.

Xenia: Yeah.

Suki: I'm really excited for this too.

Nico: Suki, do you and Sokka plan to get married anytime soon?

Suki: I sure do. Just don't know when that will be.

Me: Well you'll find a good time for it. Believe me after everything you guys went through during the great war with the Fire Nation you more than earned a fresh start.

Xenia: Yeah that was horrible that happened to you.

Lola: Yeah.

Suki: It sure was. But I'm glad you all came and helped us win that war.

Me: Boy that was so epic.

Xenia: It sure was.

Juran: And yet, you're not a bender?

Suki: Nope. I am a Kyoshi Warrior and that's fine with me.

Me: Not all fighters in the world of Bending are benders you know.

Lola: He's right on that.

Qin: That's for sure.

Juran: That makes sense.

Lana: It sure does.

Xenia: But it was so awesome battling Ozai and Azula there.

Camie: That must've been awesome.

Me: It was.

Nico: Yeah.

Me: Boy that was an awesome adventure yesterday.

Lola: Boy it sure was.

Nico: Noir Spiderman is very similar to Batman. But at least he's warming up to us

Qin: He sure is.

Lola: Noir Spiderman is really cool.

Varie: Yeah he sure is.

Lana: I agree.

Nico: And Noir Hammerhead isn't a scumbag that messes around.

Me: No he sure as hell wasn't the kind of guy to mess around like that.

Qin: But that was so scary seeing him turn into a Heartless like that.

Lola: Yeah that was completely unexpected.

Nico: It sure was.

Varie: Yeah. But now thanks to us he is a forgotten memory.

Me: And he had the fucking audacity to call us SIDEKICKS! (GROWLS) What a motherfucking potholder fucker!

Maria: But how come he turned into a Heartless and not Kraven?

Nico: I guess the fragments can do that to completely evil people. Kraven is definitely not completely evil.

Me: Yeah he had honor whereas Hammerhead did not. He was pure evil incarnate.

Qin: Yep.

Lola: He sure was.

Camie: But either way he is a forgotten memory.

Nico: By the way J.D. why did you spear his head like that?

Me: I wanted to send Goblin a memento and a threatening message to him. I skewered his head on a spear and attached a note to him written in Hammerhead's own blood. I wrote I am Going To Kill You.

Prepare to Die. TLPS.

Nico: Nice!

Qin: Yeah.

Nico: (hears something) Wait. Do you guys hear something?

Me: I sense something evil. EXTREMELY PURE evil. And the smell of blood is in the air.

Lincoln: Okay, guys, we got a very huge emergency. I just got word that (GULPS) The Harvester is back!

We gasped in shock.

Me: What?! But, that's impossible, you and Rarity got rid of him during the final part of her mission with the Kiramagers and in your dream because of Fear Fox.

King Kai: (Telepathically) Yes, it's true, but you're not going to like this. I found out that there are many more versions of him, and this one has captured a lot of innocent people and he's planning on cutting them open and harvesting their organs.

WE GASPED!

Nico: Oh shit, so that means there are many more versions of The Harvester out there.

Me: This is not good.

Lincoln: Yep, so this means, the nightmare of The Harvester isn't over yet, not by a long shot.

Eli: Damn.

Whitney: We need to get rid of him for good.

Saffron Masala: (Indian Accent) And that we will.

Lincoln: If he wants to die once again, we're more than happy to oblige. AHA! Gotcha! The Harvester is 20 yards from our location and he's already barreling towards us and he is seriously out for blood. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates.

We then began rescuing the many victims he's going to kill, and they escaped. Then, we set our sights on The Harvester.

Me: Lets go get that maniacal slasher.

Nico: Thanks, King Kai. But shouldn't you be in charge of mentoring Ultimate Spiderman?

King Kai: I know that Nico. I'm just giving you all the heads up like I normally do. No reason I can't do both.

Nico: Good idea.

?: YOU HAVE RUINED MY HARVEST!

Suddenly, we saw our target: The Harvester, and he was furious we ended his harvest once again. He threw a sickle at us, but Lincoln made a massive and powerful diamond barrier protecting all of us and the sickle bounced off the barrier. The Harvester continued throwing sickles at the barrier, but it didn't work, and he tried to hit it with a pitchfork, and that didn't work either thanks to the barrier: HE WAS ABSOLUTELY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

Lincoln: THIS HAS GONE ON LONG ENOUGH! YOU ARE DONE TORMENTING ME!

Lincoln fired a diamond ball at The Harvester which hit him in the face and sent him flying into a tree and Lincoln deactivated the barrier and we stood ready to fight The Harvester, who got back up, but now he was even more out of control and completely bat-shit rage crazy insane!

Me: YEAH! GET MAD, LINCOLN, THAT CRAZY FUCKED-UP SLASHER FARMER'S FUCKED WITH THE WRONG LOUD!

Nico: YOU CROSSED IT, YOU MADMAN! SAY YOUR PRAYERS!

Whitney: Now, it's time for you to die.

Suddenly, Whitney's eyes turned neon purple, and she was surrounded by a rainbow energy aura, stars, flowers, Celtic Symbols, phoenixes, and angels, and as she approached The Harvester, she left rainbow energy, stars, flowers, Celtic Symbols, phoenixes, and angels with every step.

Whitney: You really make me sick to no absolute end, Harvester. You captured and killed a lot of innocent people and harvested their organs for your crops, that is absolutely disgusting. You've spilled oceans of innocent blood and those oceans of spilled innocent blood stained your cornfields, and now, I will avenge them here and now, and end your miserable life!

Suddenly, Whitney was surrounded by a massive vortex of rainbow energy with stars, flowers, and Celtic Symbols surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at The Harvester: the red eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Kit: So, what exactly is Lincoln's deal with the Harvester?

Me: Well it's a Slasher Horror Film about a farmer that was well liked until a drought ravaged his land and then he turned into a homicidal monster and started slashing and killing people left and right for their organs. It scared Lincoln so badly that it gave him REALLY HORRIBLE nightmares for a long time and traumatized him.

Nico: Lincoln was told not to go see that movie but he did so and he paid the price.

Me: Yeah. I helped him as best as I could. We went into his dreams and helped him out but he was still scared.

Anna Anyanova: Yeah I remember all that.

Qin: Yikes.

Lincoln: For what he did traumatizing me, he deserves every bit of pain and suffering coming to him! I'll spill his blood and guts all over the streets! I'll tear his brain out and feed it to the vultures! Then I'm going to rip his stomach, Lungs, Intestines and liver out and Then, I'll tear his heart out of his chest and devour all of those!

WE GASPED!

LINCOLN WAS SPEWING ALL SORTS OF VIOLENT DEATH THREATS AT THE HARVESTER! AND THEY WERE SO VIOLENT AND GROSS, WE RAN TO NEARBY TRASHCANS AND BARFED!

Nico: OH YUCK!

Me: Damn, and I thought the death threats we've made to some of the lowest criminals was that bad and gross, but this one is on a whole new level of violence and grossness.

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Saffron Masala's transformed into her Super Angel-India Curry Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and what you tried to do to her, now you're really heading for Hell now!

Saffron Masala: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm India Curry Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm India Curry Alicorn Princess Angel Love) (Indian Accent) For sure. Let's get him, Linky!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Saffron Masala and Whitney, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've made me go through night after night of terrible nightmares, and now, this never-ending nightmare ends here, I shall put an end to it for good together with your life.

Lincoln, Saffron Masala, and Whitney went after The Harvester who's now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, fuchsia and light orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Harvester and they exploded with incredible power as they hit him.

Nico: There was a lesson to be learned about that whole mess.

Me: Never watch movies like that until you are old enough to do so.

Nico: Right that's half of it.

Me: And always listen you your parents.

Nico: Yep.

Me: Me, Laney and Varie waited outside the theater for Lincoln while he watched it.

Nico: Wow.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Saffron Masala, and Whitney attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving The Harvester mad and he was becoming EVEN MORE ANGRIER BY THE SECOND! THEN, HE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND HE WAS FOAMING AT THE MOUTH EVEN MORE!

The Harvester: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL AND I WILL HARVEST YOUR ORGANS!

The Harvester ran at Lincoln, Saffron Masala, and Whitney now super mega enraged and now totally completely out of his mind, but Lincoln kicked him hard in the stomach and he fell to his knees on the concrete road. Then, he proceeded to mutilate The Harvester in the most gruesome ways imaginable: LINCOLN FIRST STABBED HIS MASSIVE GREATSWORD INTO THE HARVESTER'S STOMACH, AND HE SLASHED IT OPEN SPILLING HIS STOMACH, INTESTINES, LUNGS AND BLOOD! THEN, HE PLUNGED HIS LEFT HAND INTO THE HARVESTER'S CHEST AND PULLED OUT HIS FRESH BLEEDING HEART, AND THEN, HE DEVOURED IT!

HE WAS EATING ALL OF HIS ORGANS AND INSIDES! OH YUCK!

OUR FACES IMMEDIATELY TURNED GREEN, AND WE RAN TO NEARBY TRASHCANS AND HURLED LIKE THERE'S NO TOMORROW!

Me: OH! MAN, THAT WAS SO GROSS!

Nico: THAT IS SO GROSS!

Me: Yeah! (STOMACH GRUMBLES) UH OH!

(PROJECTILE VOMITS)

I then hurled my guts out all over Nico!

Nico: AW SICK! NOT AGAIN!

Chunk: OH GEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight Sparkle and Fluttershy were hurling their guts out and Rarity hurled all over and so was Starlight Glimmer!

Sunset Shimmer, Rainbow Dash, Applejack and Pinkie Pie hurled all over the place!

Nico: Maria, please wash me off.

Maria hurled her guts out all over the place!

Same with Eli and Varie and Laney.

MASSIVE HURL FEST!

Luna: (FAINTS)

FWOMP!

Nico: THAT WAS SO SICK! LINCOLN, PLEASE END HIM BEFORE YOU DO ANYTHING ELSE THAT'LL LEAD TO ANOTHER PUKE FEST!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) BLACK GATES JUDGEMENT BALL!

Lincoln fired a black and blood red energy ball and as it hit The

Harvester, he was destroyed and he was sent to The Black Gates for good. We all cheered as Lincoln, Whitney, and Saffron Masala holstered their massive greatswords on their backs and powered down, and Saffron Masala's new body, clothes, weapons, jewelry, Third Eye, longer dark fuchsia tail, longer light orange horn, and massive light orange angel wings are permanent, and Whitney's new body, clothes, weapons, jewelry, Third Eye, and massive blonde angel wings are permanent.

Whitney: Good riddance for good, you murderous bastard.

Suddenly, Saffron Masala felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Saffron?

Lincoln's face was covered in blood.

Saffron Masala: (Indian Accent) I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that bloodthirsty monster the violent beating of his life.

Nico: You got that right.

Me: And you ate him for… (VOMITS!)

Suddenly, Nico ran to another trashcan and hurled into it.

May: Yeesh, and you really made Nico threw up after what you did in cutting open The Harvester's stomach and spilling his stomach and organs and intestines along with his blood and plunged your hand into his chest, ripped out his beating heart and organs, and then devoured them. I know you hated The Harvester, but that was some serious stomach-churning overkill.

Me: Made us all throw up.

Lincoln: (Embarrassed) Sorry, guys. Next time, I'll give you all a fair warning.

Me: Good.

Whitney: Especially with what King Kai told us about many more versions of The Harvester.

Eli: The streets are going to be so inundated with puke, and the trashcans are literally filled to the brim because of it.

Saffron Masala: (Indian Accent) We'll give the warning when that happens.

Suddenly, Saffron Masala wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Saffron Masala's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flowers growing around them and we cheered wildly. Then, Lincoln and Saffron Masala sucked in and absorbed the flowers and elements and they came back to us as the display vanished.

Maria: Here Nico.

Nico got washed off and he was cleaned.

Nico: Thanks.

Maria: No prob.

Me: But I think all of us lost our breakfasts after that.

Qin: No kidding there.

Xenia: Yeah.

Laney: Boy no kidding. I'm so hungry and so thirsty.

Nico: Lincoln, next time, just eat his heart.

Lincoln: I guess I went overboard on that.

Me: Uh that's an understatement.

Nico: I'll have Leslie Tiana come and cook us something.

Qin: Awesome.

Leslie Tiana came and made us all of her foods.

Leslie Tiana: Boy that was some crazy battle. But you guys must be hungry.

Me: That's an understatement.

Me: Ahh!

Nico burped!

Nico: Oh pardon me.

Me: Boy I'm stuffed!

Leslie Tiana: Boy you sure are. You guys were really hungry.

Lola: We sure were. (BELCH) Oh scuse me.

Lana: Boy that was so awesome.

Applejack: It sure was tasty.

Laney: It sure was.

May: (Eating Po'Boys) Mmm!

Qin: (Eating Banana Foster) Mmm! Delicious!

Xenia: Delicious and awesome.

We were stuffed and full.

Nico: Ahh.

Me: Boy that was great! Thanks Leslie.

Leslie Tiana: Anytime J.D.

Kit: Boy Leslie you make really awesome food.

Nico: Leslie is one of the best Creole Chefs in all of Louisiana.

Qin: It's true.

Leslie Tiana: Thanks.

Kit: You're welcome.

Qin: Yeah.

Xenia: Yeah we're so full.

Rarity: Boy we sure are.

We were so full and it was awesome.

Nico: Now for business.

Me: Yep. We have the Anothers to face. If they are foods we're going to be in for a really tasty buffet of awesome.

Lola: Yeah.

Eli: Well as a matter of fact the Anothers we're facing are sandwiches. We have Another Ham, Grilled Cheese, Black Forest Ham, turkey, Peanut Butter & Jelly, Salami, Chicken, Bologna, BLT, Tuna, Meatball, Chicken Parmesan, Chicken Bacon Ranch, Rib, Philly Cheesesteak, Droog and Pterodactyl Ghost.

We gasped!

Qin: So they are all sandwich villains?

Pterodactyl Ghost: Oh they sure are. They are called the Sandwich Platoon. They are living sandwiches that want to get revenge on people for eating them.

Qin: Boy that is crazy!

Nico: I think I got room in my stomach for them.

Maria: Who do we call?

Me: I got just the one for this one. Irina Ellandra.

Nico: Cool!

Pterodactyl Ghost: The Sandwich Platoon agreed to be the archenemies of only one person.

Qin: Wow! This will be cool.

Eli: Yep and this is crazy. All those anothers are 4 People.

We gasped!

Qin: WHOA!

Me: 4 People! Wow!

Nico: So half of the Sandwiches, The Other Half of the Sandwiches, Droog and Pterodactyl Ghost are all 4 people.

Eli: Yep.

Nico: Nice.

Maria called her in.

Out of a swirl of Water came IRINA ELLANDRA!

Irina Ellandra: I'm here guys.

Xenia: Awesome.

Nico: There they are!

Then out came Another Ham, Grilled Cheese, Black Forest Ham, Turkey, Peanut Butter & Jelly, Salami, Chicken, Bologna, BLT, Tuna, Meatball, Chicken Parmesan, Chicken Bacon Ranch, Rib, Philly Cheesesteak and Droog!

Me: WHOA!

Qin: Those are awesome villains.

Lola: Yep.

Another Ham: (In a girls voice) I think this is cool.

Another Chicken Bacon Ranch: (In a girls voice) I agree too.

Another Droog: (In a girls voice) This will be fun!

Me: Those voices!

They merged and reverted back and they were 3 girls. One was a girl with green hair and had green eyes and green athletic clothes and had green angel wings and had a tiara with the symbol of the T-Rex Dopant on her head and she had the same symbol on her shorts and she had a volcanic hot halberd in her hands. The second girl was a girl with red hair and red eyes and had red clothes and had fire angel wings and had a tiara with the symbol of the Key Dopant on it and she had the same symbol on her skirt and she had the Bond of Flames Keyblade in her hand. The third girl was a girl with purple hair and yellow eyes and had lightning angel wings and had purple and yellow clothes and she had a tiara with the symbol of the Lightning Dopant on and she had the symbol of the Lightning Dopant on her skirt and she had the Thunderbolt of Zeus in her hands!

Me: (GASP) Leia Lightning and Tanya Tyranno!

Lincoln and Kayla Key!

Nico: Whoa!

Tanya Tyranno: Awesome to see you again J.D.

Leia Lightning: Same here.

Kayla Key: And Lincoln you look awesome.

Lincoln: Same here. Guys Kayla Key is the Embodiment of Key from Kamen Rider W and the Keyblade Knight of Twilight Town.

She's one of my Guardian Angel from Michigan and she was born in Twilight Town but raised on the planet Earth, she's a Keyblader and she harbors a very very nasty hatred for Organization XIII, and all the Heartless in General as well as what they did to so many worlds and more. She is also very great friends with Sora, Riku, Kairi, Eli, Namine, Cid, Yuffie, Leon, Aerith, and all their friends on the Destiny Islands including Sora's mother and is a very awesome sister to Aqua, Ventus, Terra, and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She is also an amazing Struggle champion and she beat Seifer and his friends in many struggle games for 12 years in a row. She is a truly unstoppable force of nature. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We gasped.

Me: Wow!

Nico: That is awesome though.

May: Sorry we have to fight like this.

Tanya Tyranno: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and were separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

Nico: FEEDING FRENZY!

Irina and Suki fired waves of fire and smashed the Another Droog and Nico went and ATE THE ANOTHER SANDWICHES AND He ate them all down to the last crumb.

Nico burped for the second time that day

Then the Wonder Ride Books came out of his mouth.

Me: Ew.

I caught them and they were covered in spit.

Nico: Sorry.

Me: No worries.

Maximum Ride: Now for Another Pterodactyl Ghost.

Nico: Friendly or hostile?

Me: Oh right Mandatory Question on that one.

Tanya Tyranno: Friendly and she is REALLY Strong and powerful.

Kayla Key: And is an awesome flyer too like all of us.

Me: Neat.

Nico: Cool.

Maria: Time for backup! (TURNS DIAL) BLUE FIRE FORCE!

She summoned SkullMeramon, Creepy Lighthouse Keeper, Earth Imperial Ninja Fumin, Universe 666 Scar, Gammaizer Climate and Tornado Tyrant.

Nico: YEAH!

Qin: Awesome!

Nico: Now, we wait.

Me: We don't have to wait for long!

We saw a figure flying in the air and it was ANOTHER PTERODACTYL GHOST!

Me: Another Pterodactyl Ghost.

Qin: Whoa!

She landed.

Another Pterodactyl Ghost: (In a girls voice) Boy this is so fun.

Me: (GASP) That voice.

She reverted back and was a girl with light green hair and light green eyes and had green clothes and rainbow angel wings and she had a tiara with the symbol of Utopia on it and it was on her skirt too and she had a rainbow sword.

Me: Umika Utopia!

Qin: WHOA!

Nico: The Embodiment of the Utopia Dopant right?

Umika Utopia: That's right.

Qin: Cool!

Me: She wants to bring peace and love the right way instead of the evil way. Also she is an awesome flyer too.

Kaito: (gets out OOO gear) Did Swartz promise you anything?

Zocks: (gets out Fourze gear) Because we can grant it instead.

Kaito got a Core Medal Sword and Zocks got a Fourze Astroswitch Sword.

Umika Utopia: No he didn't. I put him under a utopia illusion that made him act like a baby.

We LAUGHED!

Sakura Knudson: (LAUGHS) That explains why he had been acting like that.

Me: (LAUGHS) That is so funny!

Qin: (LAUGHS) YEAH!

Umika Utopia: Yeah.

Sougo: (gets out OOO Ridewatch) I was sure Tanya Tyranno would be Another Pterodactyl Ghost!

Rider Time! (Drum beat mixed with Tatoba Combo's ending song) Taka, Tora, Batta! OOO!

Geiz: (gets out Meteor Ridewatch) They're both dinosaurs, after all.

(Right-hand Ridewatch's announcement)! Armor Time! (Meteor Driver standby disco music) Meteor, Ready? Meteor!

Sougo got OOOArmor while Geiz got MeteorArmor.

Tanya Tyranno: I know what you're thinking. But you're half right. We may be dinosaurs but Pterodactyls are technically flying reptiles.

Nico: She's right on that.

Sougo: That is interesting.

Nicole: Yeah it's very interesting.

Umika Utopia: Yeah. Sorry about this.

She turned into Another Pterodactyl Ghost.

Nico: Time to fly! (ACTIVATES PTERODACTYL GHOST AND DROOG'S RIDEWATCHES)

He fired waves of energy and blasted her down.

May: Beware the Jubjub Bird and shun the frumious Bandersnatch. (ACTIVATES JUBJUB BIRD AND RED EYE KING'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: Time for more flight! (ACTIVATES ANGEL ROIDMUDE AND VELOCIRAPTOR'S RIDEWATCHES)

She fired waves of energy and blasted her all over.

Suki: Top this! (ACTIVATES DROOG'S RIDEWATCH)

She fired energy waves and smashed her down.

Then Harpymon, Snow Ghost, Lightning Empress, Mzingo's Parliament, Wolfgang (Dino Fury) and Wizards (Spyro) came.

Nico: Awesome team Harpymon!

Harpymon: Hey thanks!

Then a Farigarif came!

Me: Cool a Farigarif!

Qin: Cool!

Farigarif: (In a girls voice) Awesome to see you again Nico.

Nico: Mikoto Kilimanjaro!? Whoa!

She reverted back and was a girl black hair and blue eyes and had red clothes.

Mikoto Kilimanjaro: I got this.

She fired a wave of darkness and smashed down Another Pterodactyl Ghost and I caught the ridewatch and purified it and brought Umika over.

Me: That was awesome.

Suki: It sure was. What's your favorite memory of Nico?

Mikoto Kilimanjaro: When me and Nico climbed the mountain of my namesake, Mount Kilimanjaro and we found an awesome blue crystal there that I have here around my neck.

Me: Cool!

Laney: That sure is beautiful.

Mikoto Kilimanjaro: It sure is.

Nico: Yep.

Nico and Mikoto hugged.

Nico: I've missed you.

Mikoto Kilimanjaro: Same here Nico.

We went back home

Lincoln: Whoa, we're here in Kalamazoo, Michigan, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're taking down and destroying the next of The Seven Deities, Kalrow of The Seven Deities.

Mithra: We need to be careful with him though, Lincoln. Kalrow is known as the tactician of The Eight Guardian Generals, and he always has a few plans up his sleeve.

Sebastian Mendez: Not for much longer.

Sebastian made pools of darkness in the selected areas which forced out more of Flip's musclebound thugs, and they weren't safe for long. Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates.

Hawkgirl: One of these days, Flip's going to go way too far.

Lincoln: He's already going way too far, Hawkgirl, and he's way too stupid to even learn his lesson.

Anna Anyanova: Like I said, Flip's brain and butt smell like a dumpster, and he's way too stupid and uneducated.

Suddenly, we saw a beautiful and super sexy girl with long green hair, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings, and she's dressed in a green-sleeveless vest, sleeveless green top, green skirt, green pants, green legwarmers, green sneakers, and long white sleeveless trenchcoat with light, darkness, Keyblades, and angels on the coattails and on the back is Castle Oblivion in her right hand is the Way to The Dawn Keyblade, and with her are the eight girls.

Lincoln: (GASPS) Cierra Oblivion, Keyblade Knight of Castle Oblivion.

Cierra Oblivion: Yep, and I got the girls away from Kalrow, and he was about to kill them and absorb their souls.

?: You will pay for getting in the way of The Seven Deities, foolish humans!

We then saw our target: Kalrow of the Seven Deities, and he had violence and blood on his mind.

Sylvester: Time to send you on a one-way trip to the darkness, Kalrow.

Then, Lincoln drove his massive greatsword into the Sloth Deity's stomach and he sucked out and absorbed his superhuman strength, superhuman durability & endurance, immortality, vacuum adaptation, Mantra of Sloth, Mantra Orbs manifestation, flight, soul extraction, and halo and he made them his own. Then, he fired a black fire blast that incinerated the Sloth Deity into ashes and sent him to The Black Gates. We cheered as we holstered our weapons and powered down and Lincoln gained Kalrow's Staff as a trophy and added weapon to his massive arsenal of weapons.

Lincoln: That's two down, and four more deities to go. (To Cierra Oblivion) And it's so good to see you again, Cierra Oblivion.

Cierra Oblivion: You too, Linky, and it's so good to see you and the others again, Sora, Riku, and Kairi.

Sora: You too, Cierra.

Lincoln went up to Cierra Oblivion and they hugged her, and Cierra Oblivion is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit

Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Cierra Oblivion: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Cierra Oblivion, Keyblade Knight of Castle Oblivion, she's my Guardian Angel from Michigan and she's a Keyblader and she harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they all pay for using Namine and messing with Sora's memories and make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Sheesh, that's one powerful grudge you hold against them.

Namine: And it's so powerful that if she ever saw them again, there was going to be blood, and she's scary when she gets super mad.

Roxas: (Shudders) Now, I know what happens whenever anyone dares to make Lola mad.

Luna: Yeah, but when Cierra gets this mad, her fury puts even the wrath of Lori, Lynn, and Lola to shame, and they were quick to lose their tempers easily.

Lincoln: Yeah, we hadn't forgotten about that, and now that you're here, Cierra.

Lincoln went up to and hugged Cierra Oblivion in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Cierra Oblivion: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Cierra Oblivion's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Cierra Oblivion: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Cierra Oblivion.

Cierra Oblivion had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them immediately. The eight girls are Ema Kanzaki, Himari Ichijou, Isami Momoki, Kana Konoe, Manaka Nimomiya, Misuzu Kirishima, Riho Ayabe, and Yuno Shinonome from 1/7 no Mahoutsukai.

Lincoln: Oh wow, it's Ema Kanzaki, Himari Ichijou, Isami Momoki, Kana Konoe, Manaka Nimomiya, Misuzu Kirishima, Riho Ayabe, and Yuno Shinonome from 1/7 no Mahoutsukai.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ema Kanzaki: Yes, we're okay, thanks to you.

Then, when Ema Kanzaki and the other seven girls saw who it was that saved them from Kalrow of The Seven Deities, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Ema Kanzaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ema Kanzaki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ema Kanzaki, Himari Ichijou, Isami Momoki, Kana Konoe, Manaka Nimomiya, Misuzu Kirishima, Riho Ayabe, and Yuno Shinonome with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal

Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Kalrow of the Seven Deities.

But, when Lincoln showed what we did in beating Kalrow down and Lincoln driving his massive greatsword into the Sloth Deity's stomach and he sucked out and absorbed his superhuman strength, superhuman durability & endurance, immortality, vacuum adaptation, Mantra of Sloth, Mantra Orbs manifestation, flight, soul extraction, and halo and he made them his own, and firing a black fire blast that incinerated the Sloth Deity into ashes and sent him to The Black Gates, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Cierra Oblivion have a lot of catching up to do, now that she's back in town.

Maria: Okay, that makes two down and four to go.

Lincoln: Yep. Logan Mobius made quite a mess with that stunt of his.

Leina Mobius: That bastard didn't care, he wanted us both to suffer and die because of what we did in stopping him, his buddies, and Flip six years ago, but, we'll clean up his mess once again.

Nico: Sometimes, I hate it when evil relatives try to fuck things up for their relatives.

Me: Yeah.

Lincoln: In any case, I already made it a policy that if any of my harem and Guardian Angels' evil relatives come out to kill us, they're already facing death for their crimes.

* * *

After destroying Kalrow of The Seven Deities and sending him to The Black Gates for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Cierra Oblivion saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Cierra Oblivion: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Cierra, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Cierra Oblivion: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Cierra Oblivion: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Cierra, what memories did you have with Lincoln?

Cierra Oblivion: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels went to Gus' Games and Grub for an awesome lunch date. But, then, we heard the doors being smashed open, and we saw who it was that did this: it was Joan's ex-little brother and eternal enemy of Joan and Lincoln, Jack Delenney, that insane vengeance-crazed bastard broke out of prison yet again to try and kill Lincoln and Joan once more. But, I had enough of him and his insane vengeance, we then piled on and brutally beat his ass up, then, Lincoln punched him so hard in the face, he gave him a black eye. Then, Lincoln called the cops and he was taken back to prison.

Nico: Why, that little shit!

Melanie Artorgius: Our words exactly, Nico. Ugh, we absolutely couldn't even stand Jack Delenney because of what he tried to do to Lincoln and Joan, he really was The Devil Incarnate.

Eli: I hate to ask this, but was he part of a group that wanted you and the Knights of The Michigan Table dead?

Lincoln: You mean, Michigan's Knights of Destruction? Yeah, that's them alright. They're a demonic group of evil knights formed by the evil brothers of The Knights of the Michigan Table. But, we don't have to worry about them, we defeated them five years ago and banished them from Michigan, and Dana Orichalcum had killed them and sent them except for Jack Delenney who was still locked up in Westfinster Prison to The Black Gates. When we killed Jack Delenney, we basically brought an end to Michigan's Knights of Destruction.

Me: Wow.

Nico: Yikes, an encounter with The Dark Angel of The Orichalcos, for those who have committed some truly atrocious sins, that's like ultimately getting a death sentence. (Shudders)

Lincoln: Yep. That's exactly it.

We got a shower, and then, Lincoln, Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime are heading to Laverra Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Dark Magician Girl: Wow, so this is Laverra Beach, it sure is awesome.

Lincoln: It sure is, Simulator Dark Magician Girl, and it's perfect for our date. Shall we?

Lincoln, Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Dark Magician Girl, Universe 666 Carmilla, Pirotess, and Universe 666 Nui Harime are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Manuela da Silva, Amy, Hoimei, Shaomei, and Eliza, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS

AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

At Phoenix Land we were having fun with the newest and funnest attraction. The Dazzlings, Rarity and May were Dunk Girls for Dunking Tanks.

Me: This is gonna be awesome.

Camie: Boy it sure is.

May: I look smoking hot like this.

Me: You sure do May!

May was in a smoking hot red bikini and the Dazzlings were in their swimsuits.

Xenia: Oh yeah!

Me: This will be so fun. (SPINS MAGISWORD BRACELET)

CUCKOO NUT MAGISWORD!

I fired a Coconut with Bird Wings and a beak and then..

BONK!

DING!

It hit the target and dropped Adagio into the tank!

KRASPLASH!

Adagio came out wet with her hair a mess.

Adagio Dazzle: (COUGHING) Why you little!

Me: Oh light up Adagio. At least it works.

Nico: Yeah.

Then the Mascots came with more mascots.

Lincoln: New mascots?

Poromon: Yep. Meet Alolan Vulpix, Oddish, Magnemite, Riolu, Bellsprout, Pichu, Swinub, Squirtle, Tyrogue, Growlithe, Murkrow, Mantyke, Abra, Spearow, Ponyta, Voltorb, Mew, Lapras, Skitty, and Cyndaquil.

Qin: Cool!

Me: Awesome to meet you all.

Alolan Vulpix: Same here.

Oddish: It's so awesome to be with you guys.

Voltorb: Yep.

Nico: Awesome having you all with us.

Lola: Yeah.

Rainbow Dash: Lemme give this a shot.

Me: Go for it R.D.

She got a baseball.

Rainbow Dash: Okay May you asked for this!

May: [faking fear] "Rainbow Dash's gonna dunk me? Oh no! Rainbow Dash's gonna bump us!" [She laughs.] "What's he gonna do, Ball me to death?" [She laughs again.] "Oh look, I'm scared all round! Round as a ball!" [She takes the shape of a ball for good measure.]

Ed: (LAUGHS) Ball Jokes are funny!

Then she threw the ball and then…

BAM!

DING!

It hit the target and then dropped May!

KRASPLASH!

SHE GOT DUNKED!

May came out all wet!

Me: Nice one R.D.!

May: (GROWLS)

Nico: Come on May it's just fun.

Qin: At least the tank isn't full of piranhas or electric eels.

May: You're right.

Me: That would not be a fun sight.

Dreadwind: Let me try!

Nico: Go for it Dreadwind.

Dreadwind got 4 baseballs and loaded them into his blaster and locked them on target and they hit the bullseyes.

DING DING DING DING!

Then the Dazzlings and May dropped into the tanks!

KRASPLASH!

We laughed!

They were all wet!

Aria Blaze: HEY!

Sonata Dusk: (LAUGHS) Do it again!

Maria: Alright!

Vambre: (British Accent) Lovely bunch of Cuckoo Nuts anyone?

She gave everyone Cuckoo Nut Magiswords and we fired them at the bullseyes.

BONK! DING!

They were really getting dunked over and over and over.

Nico: Thanks, Vambre!

Vambre: Anytime Nico.

Sonata Dusk was having fun and so was May!

Me: (LAUGHS) That was awesome!

Nico: (LAUGHS) Yeah!

Eli: You think that's cool look what Rarity is gonna do.

We saw something and then gasped!

WE SAW RARITY IN A GINORMOUS HIGH DROP DUNK TANK AND IT WAS OVER 100 FEET UP AND IT WAS FULL OF CHOCOLATE SYRUP!

Me: WHOA MAN!

Nico: UH OH!

May: WOW! Look how high that is!

Qin: (Slurps) And it's full of chocolate syrup!

Rainbow Dash: Rarity is going to try dunking herself in a tank full of chocolate syrup!? That is AWESOME!

Nico: Oh boy.

Poromon: I wanna lick the chocolate!

Lincoln: Lets see if I can hit the target.

Me: Go for it Lincoln.

Lincoln took a ball and threw it and then it hit the target!

BAM!

DING!

Rarity: UH OH! (SCREAMS)

She then dropped 100 feet and then…

KRASPLORF!

She splashed into the giant tank of chocolate syrup with a huge splash and it was huge!

She got out totally drenched in chocolate syrup!

Rarity: That was A MOST FUN ADVENTURE!

Me: WOW!

Rarity: Who wants to lick me!?

Lincoln: I do!

Spike the Dragon: I do too!

Lincoln licked her face!

So did Spike.

Pinkie Pie: Looks like Spikey Wikey loves Rarity covered in chocolate!

Me: Wow! Nice shot Lincoln!

Lynn: Yeah way to go bro!

Lincoln: Thanks guys.

Poromon: Move! My turn to lick!

Rarity: Now now darlings plenty of chocolate to lick.

Me: But that was really fun. Just imagine if Lori did that with a huge tank full of Nacho Cheese sauce. (GETS AN IDEA) Hey! I got an idea

Nico: What is it?

Me: Be right back.

I ran and brought GIANT TANKS FULL OF SAUCES! Ketchup, Mustard, Mayonnaise, Nacho Cheese Sauce, Barbecue Sauce, Vanilla Pudding, Chocolate Pudding and so much more.

Nico: Condiment Sauce and Pudding Dunkapalooza!

Qin: Yeah!

?: Boy that is a lot of fun stuff!

We saw a Dudunsparce!

Me: Cool a Dudunsparce.

Nico: Neat.

Dudunsparce: (In a girls voice) Boy this will be fun!

Nico: Nikki Everest!? Wow!

She reverted back and was a girl with yellow hair, blue eyes and blue and yellow clothes.

Nikki Everest: May I try a shot?

Me: Sure.

She threw a ball at a target.

BAM!

DING!

May then fell into the water.

KRASPLASH!

May got out all wet.

Me: Nice one!

Wreck Gar: What's your favorite memory of Nico?

Nikki Everest: When me and Nico found a bunch of evil sherpas in Nepal and we tore them apart.

Nico: Oh yeah.

Me: Cool.

Nico and Nikki hugged.

Nico: I've missed you.

Nikki Everest: Same here.

Now it was time for our next mission.

Gravity Man: Who's gonna lead this time?

Lori: How about me, Wes, Joe, Astro Boy, Marty, Sougo, and Taro?

Me: Awesome ideas.

Qin: Good idea Lori.

Lori: Thanks.

The Previous group came.

Pyros: Can me, Comic Book Guy, Bane, Ice Demon, Marluxia, Black Knight Ghost, Xigbar, Lythos, Hydrax, and Kerbero Gangan go with you guys?

Nico: Yes you all can come with us.

Qin: Awesome.

Lola: Yeah.

Cross Crow: (Russian Accent) Nico, which Gene Slammers do you think you'll meet next?

Nico: Kingambit, Great Tusk and Scream Tail next.

Qin: Cool!

Lola: Yep.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the third mission to retrieve the third piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The second piece of The Tablet is located in 2099 Earth, and it's in the hands of 2099 Hobgoblin.

Nico: Then, this means…

Lincoln: He's getting The Black Gates no question about it, he's committed a lot of horrible crimes in his Earth, and they are unworthy of any sort of forgiveness.

May: He deserves only death for his crimes.

Nico: My thoughts exactly.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Nicholas Zaborg, the evil older brother of Nika Zaborg and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Nika and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Nika, you're not going to like it: the figure we sensed is none other than your evil older brother, Nicholas Zaborg, one of of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

We gasped.

Nika Zaborg: So, now my older brother, Nicholas, has come after us. I always knew that stupid moron would be the first to come after us, he's such a asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say yesterday, he Gene-Slammed himself into Zaborg the Thunder Monarch, right, Nika.

Nika Zaborg: Yes, I did, Anna. But, I refuse to let Nicholas live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Noir Earth to retrieve the third piece of The Tablet and defeat 2099 Hobgoblin.

Lincoln: You're not getting out this one alive, 2099 Hobgoblin, your Angels of Death are coming for your worthless hide, and once we get done defeating 2099 Hobgoblin and retrieving the third piece of The Tablet, you're next, Nicholas Zaborg.

Nika Zaborg: You've gone way too far this time, Nicholas. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Zaborg the Thunder Monarch. This won't stand, I'll make sure that you're turned into an ice statue after we get done defeating 2099 Hobgoblin.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to 2099 Earth to retrieve the third piece of The Tablet of Order and Chaos and defeat 2099 Hobgoblin, and once we get done with him, Lincoln and Nika Zaborg are going to kill and destroy her evil older brother, Nicholas Zaborg, the third of the eleven most dangerous thugs from Royal Woods.

We were off.

NEW YORK CITY - 2099

---

We arrived in New York City in the year 2099.

Me: Wow! New York City, 2099.

Xenia: So awesome and advanced.

Spider-Man 2099 swings through the skies of his futuristic city in the year 2099 while testing out the new power he was given by Madame Web.

Spiderman 2099: This new 'spider-sense' is a trip… (to us) How are you guys liking 2099 so far?

Comic Book Guy: Actually, pretty good. I always wanted to visit this part of the Marvel Era.

Me: It's really awesome and cool.

Qin: Yeah.

Spiderman 2099: Boy it sure is awesome.

Miguel jumps off his webline before firing another one from his spinnerets. His head starts buzzing but isn't completely sure what it means yet,

Spiderman 2099: Hmmm?

Lori: What's wrong?

Spiderman 2099: I'm not sure. Either I'm not used to my spider-sense yet, or I'm sensing one of the fragments… closing in on me?

We looked around as best as they could of incoming fragment, when suddenly, a winged creature slammed his claws on Spider-Man. He crashed against a tall building before painfully sliding down onto a platform below.

Nico: (we come to his side) Hey, no one does that to a version of Spiderman!

Me: YEAH!

Spidey 2099: Ugh… I was right. Well, at least we found it!

Nico gazed at the mysterious attacker before us. A creature slammed down in front of us. A cybernetic winged creature donning purple and orange armor with red eyes and a mask resembling that of a smiling demon.

Nico: W-What in the world is THAT?

Miguel tried to secretly ease his way back to the edge, but the creature stopped him with a smile

?: Ah ah ah, Spider! Don't fade on me yet!

Before any of us could move, the creature grabbed Miguel by the neck as he struggles to break free and not choke.

Spiderman 2099: What are you supposed to be? A demonic kumquat?

?: You can call me… THE HOBGOBLIN! Every Spider-Man needs one.

We saw that it was RODERICK KINGSTON A.K.A. THE HOBGOBLIN!

Lori: The Hobgoblin?! There's a Hobgoblin in 2099?!

Me: Roderick Kingston A.K.A. The Hobgoblin.

2099 Hobgoblin: The famous Team Loud Phoenix Storm. I'm impressed you all know about me.

Me: You're just as fucked up as your Prime Universe counterparts are.

Lincoln (growls): I'm getting sick of all these Goblins to last an eternity! Not including a few exceptions, of course.

The future Hobgoblin briefly turns his attention to us with a creepy smile on his face still.

Hobgoblin 2099: Interesting. It's Team Loud Phoenix Storm, but something tells me you two don't belong here. Shouldn't you be long dead?

Lori: Shouldn't you?! There's NO WAY the original Hobgoblin survived all these decades into the future!

Spiderman 2099: And news flash, 'Hobbie' - you're not our first Goblin.

Hobgoblin 2099: Ah! But this Goblin has ONE thing the others never had…

Hobgoblin quickly reveals the Tablet fragment in his possession that immediately gets a surprised reaction from the trio.

Us: The fragment!?

Me: UH OH!

Hobgoblin 2099: Yeees! And with its power, I'm going to tear this world APART!

Me: We'll see about that!

Hobgoblin cackled wickedly as he drops Spider-Man to his doom.

Hobgoblin 2099: (to us) Catch me if you can!

He gave us the middle finger before flying near where he dropped Miguel.

Me: GLADLY!

Lori: We're literally flying after him and Miguel, right?

Nico: We don't have a choice!

Me: Lets go!

We flew after him.

Nico: Taste this too! (ACTIVATES HOBGOBLIN'S RIDEWATCH) EAT PUMPKIN BOMBS!

Nico threw them and they hit 2099 Hobgoblin and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

2099 Hobgoblin: HEY! THOSE ARE MINE!

Drag Strip: Lemme give you the boost you need!

Drag Strip grabbed Miguel and threw him at 2099 Hobgoblin. The webhead quickly shot a webline as it attaches to Hobgoblin, then pulls himself onto his back.

2099 Hobgoblin: Hey! Get your own ride!

But the spider is completely clinged onto his back as he starts relentlessly punching his head, causing the goblin to spin and crash into various structures that only serve giving him pain while Spiderman continues to pummel him.

BAM BAM BAM!

I teleported and punched 2099 Hobgoblin hard in his face and kicked him in his stomach!

BLAM BLAM BLAM BLAM!

Nico teleported and punched him.

Miguel dropkicks on a surprised Hobgoblin's back. Miguel makes completely sure the villainous cyborg takes the full blunt of the crash on a platform down below. We landed after that.

Ice Demon: That's gotta hurt!

Me: YEAH!

2099 Hobgoblin: Nice try! (stands up unharmed) But my nanofiber wings broke the fall.

Me: That's very impressive.

2099 Spiderman: Nanofiber? How'd you get your claws on that?

2099 Hobgoblin: Oh, wouldn't you love to know?"

2099 Spiderman: Yeah. That's… why I… asked.

2099 Hobgoblin threw pumpkin bombs that we avoided.

I fired waves of energy and blasted the bombs and they exploded!

KRABBBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMM!

Fiery explosions blasted off all over!

Paradox: (in our heads) Those bombs are powerful. Too powerful to survive!

Me: Yeah we see thay.

Lori: We know, Professor. Only Hobgoblin is cabable of surviving them. But let's see what happens if we make him drop them!

Nico: Yeah!

Lori fired a wind blast that made 2099 Hobgoblin drop a bomb.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

It hurt him big time in a powerful explosion!

2099 Spiderman: Nice job, Lori. But if we REALLY want to damage him, we should throw them back at him!

Lori: Good idea.

2099 Hobgoblin: Don't mind me! I'm just doing a little REDECORATING!

He threw more bombs at us but Miguel used a web to throw one back at him.

I fired energy blasts and Nico fired more Pumpkin Bombs and we blasted him all over with them.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!

Fiery Explosions were REALLY Blasting him all over!

2099 Hobgoblin got up.

2099 Hobgoblin: Scared to face me eh?!

Me: YOU'RE the one that should be scared of us! But does a ROBOT Like you experience fear!?

2099 Hobgoblin: So you know I'm a machine!

Me: A Really well built one!

Lori fired waves of wind and blew him all over.

2099 Hobgoblin: C'mere, blondie! I have a move that'll BLOW you away!

Hobgoblin flaps his wings forward and unleashes a big gust of wind at Lori. But she countered with her own wind.

Lori: (To us) NOW do you see why it's literally my turn to shine today?

Lincoln: GO LORI!

Lori fired a powerful tornado blast and blew him all over.

Nico and me threw more Pumpkin and Energy blasts and the blasts hit him all over and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!

KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!

He was blasted all over!

2099 Spiderman: Ready to hand over that fragment or do we still have to beat it outta ya?"

Me: Yeah! Or do you want some more?

Before we could do anything against him, Hobgoblin instantly flapped his wings wildly. We shielded our eyes from the wind and struggled to stay in place as Hobgoblin flew above taking out his pumpkin bombs,

Me: Nice wind blasts.

2099 Hobgoblin: I'd love to stay and play, but I've got places to destroy… people to kill!

He cackles while throwing the bombs at us, forcing us to jump away and give enough time for Hobgoblin to fly away through the city.

2099 Spiderman: Oh good. I was worried this was gonna be too easy.

Me: It never is too easy.

Lori: Ugh. See, this is why we could never be supervillains. We don't laugh at our own jokes.

2099 Spiderman: What about Luan?

Luan: I always laugh at my own jokes! They sure aren't SPIDEY! (LAUGHS) Get it?

Me: (LAUGHS) That was a good one!

2099 Spiderman: Oh that was funny!

Nico: Lets go!

Wes: Before we go after Hobgoblin, how about me, Sougo, and Taro get our game faces on?

2099 Spiderman: Fine by me.

Wes: Time for Time Force!

Sougo: Henshin!

Taro: Avatar Change!

They transformed!

Wes: TIME FORCE RED!

Taro: Born from a Peach! DON MOMOTARO! ドンモモタロウ

Sougo: 50 YEARS OF RIDERS! KAMEN RIDER ZI-O!

Nico: OH YEAH!

We Flew After him!

Hobgoblin is making quite a mess throughout the city throwing his pumpkin bombs without a care in the world. Destroying property damage on the streets and causing more air traffic than usual. The madman flies towards a Stark-Fujikawa building and spots a squadron of Public Eye patrolling the area and have immediately started firing at him the moment they heard about the ruckus he's been causing all night.

Public Eye Officer: Smashing the city? Why are you doing this?

2099 Hobgoblin: Because it's FUN!

Hobgoblin cackles madly, throwing a bomb that blows away the officer. While fighting the Public Eye on his own, Hobbie spots the heroes still pursuing him, which gives him a great idea to have a little more fun.

We fired energy blasts and blasted Hobgoblin all over!

2099 Hobgoblin: (out loud) Thanks, PARTNERS! I warmed them up for you! Now FINISH them off! (flies off)

Weirdwolf: Wait! We're not with him!

But it was already too late as the Public Eye fell for the ruse and have their guns aimed on them.

I fired waves of energy and blasted them.

Public Eye Officer 1: They're working together!

Public Eye Officer 2: But aren't they Team Loud Phoenix Storm?

Public Eye Officer 3: Whoever they are she's aiding dangerous criminals! And if they ARE Team Loud Phoenix Storm, we'll kill two birds with one stone! That'll bring Alchemax closer to the top!

Lori: Unbelievable! What is wrong with you people?! We're not criminals! We're not even from this era!

2099 Spiderman: No use trying to reason with them! I told you these guys are stupidly corrupt!

Miguel threw a bench at one of them.

2099 Spiderman: Sorry. But you've been benched!

Carol: Chew on these!

Carol fired finger blasts and they blasted Hobgoblin and the officers and blasted them into dust!

Qin: Sorry officers but you are too corrupt and your law enforcement licenses are revoked!

Me: There's new sheriffs in town now! Us!

Black Knight Ghost: Where did Hobgoblin go?

2099 Spiderman: I can still sense the fragment he has. He's still around, but with the Public Eye after us, we need some cover. Let's head inside this building!

Poromon: After I do this!

Poromon flew to one of the high antennas in the monorail and landed on it.

Nico: Poromon, what are you doing?

Poromon: Enjoying the view on this antennae. It's really high up!

Nico: Poromon get down from there we got to get moving!

Poromon: Okay okay.

He flew down.

We went into the building.

We run inside the building, fighting through another wave of PE officers as the entire building goes red from the "CODE RED PUBLIC ALERT" sign moving along the holo-screens. As 2099 Spider-Man kicks another officer down as we enter a sizable room with large glass windows surrounding us, the windows shatter from a blast coming from a Public Eye jet bike.

Public Eye Officer 1: Halt, Spider-Man, HALT!

Public Eye Officer 2: Don't move, bug! You and your buddies are all under arrest!

Me: You're the one that is under arrest!

Lori: I am NOT going to get arrested in the FUTURE!

I fired waves of energy and teleported the officers to our prisons.

Joe Shimamura: Let me handle the ones on the jet bikes.

Nico: Go for it!

Joe charged at the ones on the jet bikes and blasted them down with energy blasts.

Qin: YEAH!

Qin fired fireballs and blasted the bikes and we teleported the Public Eye officers to prison.

We landed on another building. And just at the moment we did, a PE officer runs out the door with a rocket launcher that's ready to fire.

2099 Spidey:… Oh, shock me.

Public Eye Officer: Take this, freaker.

Me: Shut up assfucker!

The Officer fires a homing missile at us. Thinking quickly, Pounce got it to follow him and stood in front of the officer. And then, he jumped out of the way.

I fired waves of energy and blasted the officers all over.

KRABBBBBBOOOOOOOOOOOOMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOMMMMM!

The officers were blasted off their Jet Bikes and beamed over to our prisons.

The Officer that fired the missile ended up hit by it.

Hydrax: I swear, SPD is never corrupt like these guys are.

Jack Landors: That is for sure!

I fired waves of energy and blasted the jet bikes.

KRABBBBBBOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMMMMM!

They were blasted all over.

We flew to another building.

Public Eye Officer 1: It's some of the fugitives!

Public Eye Officer 2: Drop 'em!

More Public Eye start showing up to attack us, but Miguel won't give them the chance. He uses his Accelerated Vision to make it seem like time is slowing down for him, when instead he's moving near lightspeed and demolishing the officers in seconds flat.

Astro Boy: What was that?!

2099 Spiderman: Accelerated vision makes everything seem slower. This'll come in handy!

Me: COOL!

I did the same and bashed and blasted the officers all over the place!

Nico: Take that!

2099 Hobgoblin showed up again.

2099 Hobgoblin: That's it, partner! GET 'EM!

Lori: (sarcastically) I'm literally glad you find this funny!

2099 Hobgoblin: Of course I do!

He tossed more pumpkin bombs that forced us to evade right away.

I fired energy blasts and they hit 2099 Hobgoblin and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOMMMMM!

He was blasted all over!

2099 Spiderman: We didn't start this, but we're gonna finish it! (webs bomb right back at 2099 Hobgblin.

Again, the Public Eye intervenes attacking all of us.

Public Eye Officer: Don't move!

Maria: Excuse us, officers! Can't you understand he's NOT WITH US?!

2099 Hobgoblin: Get 'em, buddies!

I fired waves of energy and blasted the officers and then blasted Hobgoblin all over.

2099 Spiderman: This guy makes Flipside look sane!

Sugarcoat: Flipside?

2099 Spiderman (sighs): Can I tell that story for when we're not fighting this guy?

Me: Sure.

I fired energy blasts and they hit Hobgoblin and exploded all over!

2099 Hobgoblin cackled evilly after throwing another Pumpkin Bomb.

I fired more energy blasts and blasted him all over.

KRABBBBBBBOOOOOOOOMM!
KRABBBBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOMMMMM!

2099 Hobgoblin was mad.

Taro: Oh, you want to have a laugh off? (laughs proudly)

2099 Hobgoblin: (scowls) You think you can out laugh me?!

Taro and 2099 Hobgoblin then got into a contest on how can out laugh the other.

Nico: So… when did this suddenly become a laugh off?

Me: Don't know don't care.

I fired waves of energy and blasted 2099 Hobgoblin all over and he was really feeling those blasts!

2099 Hobgoblin: (gets out another pumpkin bomb) INCOMING!

He throws it at Lori. She jumped away in time as the bomb destroys the glass of an elevator shaft instead. Hobgoblin cackles before flying inside and up the shaft.

Miguel fires a webline into the elevator shaft to start climbing on with us following.

2099 Spiderman: I'm the last one who should call anyone a freak. But that guy is a freak.

Kerbero Gangan: Took the words right out of our mouths!

Me: This guy is MORE than just a freak. He's a FREAK in Capital Letters. Hence why we're going to kill him.

We went to follow him.

Another explosion almost caused the elevator to drop on them, but Miguel was able to stop it with his webbing. Miguel starts climbing up the shaft with us following.

Public Eye Officer 1: All units! Fugitives last spotted on Platform 2! Could be headed this way!

2099 Hobgoblin: (somewhere in the building) Could it be?

Public Eye Officer 2: Look out! It's him!

Public Eye Officer 3: Is… is that him?!

Public Eye Officer 4: (sees us) Right over there!

The Public Eye start firing at us as they make our escape running inside the building.

I fired waves of energy and blasted the officers and blew them apart!

KRABBBBBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOMMM!

Sougo: Is this what you deal with every day?

2099 Spiderman: Pretty much! At least I'm getting a workout!

Me: You sure are!

We got to the top of a building on the top floor.

We pant a little regaining our breath from being constantly hounded by the Public Eye and pursuing the Hobgoblin.

2099 Hobgoblin: Getting tired?" Speaking of him, Hobby gets their attention by casually leaning next to a door with his arms crossed, almost as if he's been waiting for them.

Birdbrain: What is up with this guy?

Iron Boy: I don't know. His technology. I've never seen anything like it. It's too cutting edge, even for me.

2099 Spiderman: You're not like the other Goblin I fought. Who are you? Where did you come from?

2099 Hobgoblin: Not yet, Spider. Why spoil the MYSTERY?

Hobgoblin starts running away from us before jumping down from the building.

Me: Looks like it's time for another freefall session.

2099 Spiderman: (to Lori) Ladies first.

Lori: Such a gentleman.

She jumped and we followed.

We went after 2099 Hobgoblin.

2099 Hobgoblin: Away, away, and up! (flies away from us)

Lythos: It's up, up, and away! You don't get to butcher Superman's line!

Nico: Yeah!

We bashed and blasted him all over the place.

Nico: Take that!

We fired more Pumpkin Bombs and blasted him all over.

2099 Spiderman: Same deal as last time?

Marty: Same deal as last time. But first, let me give you a little boost!

He threw him and 2099 Spiderman bashed and pulverized him.

Qin: YEAH!

I fired waves of bombs and blasted him all over.

2099 Hobgoblin: What are you doing, vermin?

2099 Spiderman: (web strikes on his back) Forcing you to pull over!

2099 Spiderman then began to pummel him like before.

Then he was bashed down into the floor!

Me: Take that!

We landed!

Unfortunately, Hobgoblin recovered easily from the fall.

2099 Hobgoblin: You're not going to get rid of me that way! Wings, remember?

2099 Spiderman: Nanofiber mesh - you didn't do this to yourself. Someone MADE you!

Darkwing: What have we been saying this whole time?

2099 Hobgoblin: So perceptive!

Me: He's a robot! Someone did a really good job putting him together!

2099 Hobgobllin: That's right.

We then noticed several Public Eye dropships are coming to interrupt our little chat with Hobgoblin

Me: Spider-Man, look! More Public Eye!

2099 Spiderman: Great! Must've attracted some attention with our skydiving routine!

2099 Hobgoblin: Aw! And just when you were getting warm! We'll have to continue this discussion later…

Taro: Avatar Change!

Rider Time! Kamen Rider Zi-O! Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! Grand Zi-O~!

Sougo became Grand Zi O.

Taro turned into ZENKAISER!

Officer: Permission to use lethal force granted!

Me: All right then. Time to bring out the Big Guns!

I unsheathed my sword and I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) Time for some firepower! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive swirling vortex of fire and light and it obliterated ALL OF THE OFFICERS IN AN INSTANT!

Xenia: OH YEAH!

2099 Spiderman: WOW! That was really powerful!

Me: That was just for starters.

But more came.

Nico got an idea and grabbed a few bombs that 2099 Hobgoblin threw at us. Nico threw them at the Public Eye Officers.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOMMMMMMM!

The explosions blasted them into bloody messes.

2099 Spiderman: How about we finish this in under 4 minutes?

Me: I only need 15 seconds! (ECHOING) STAR STORM SCREAM! 嵐星斬

From the heavens I fired a massive and incredibly powerful shower of purple lightning and blasted the rest of the Officers into oblivion!

Nico: YEAH!

Xenia: WHOA!

Lori: That was literally epic!

Nico: Yep.

Lori turned around to see 2099 Hobgoblin charge at her. They ended up grappling with one another. Lori beat the crap out of 2099 Hobgoblin. When he tried to slash her, she avoided and beat the crap out of him some more. This repeated 2 more time before Lori pushed him back.

2099 Hobgoblin: (scowls) You ruin all my fun! (flies away)

Lori: (shrugs) Someone's gotta do it!

Me: Suck on this poison! (ECHOING) SNAKE FANG STRIKE! 蛇牙剣・六節大蛇

I formed my sword into a deadly whip and slashed him in the chest and it dissolved his chest plate and we saw that he was a robot!

Nico: I DON'T BELIEVE IT! HE'S A ROBOT!

2099 Hobgoblin: YOU'RE CORRECT SIR!

2099 Hobgoblin flew into the building

Xigbar: Okay, after we collect all the fragments, we have to replace the Public Eye with a better police force!

Me: You read my mind Xigbar.

Nico: Come on guys. We got to get after him.

We went after 2099 Hobgoblin.

We went into the building and saw lots of futuristic weapons.

Inque: Look at all these weapons. It's even better then the ones of my time!

Nico: Miguel, is it okay if we claim some of these?

2099 Spiderman: Help yourselves guys.

We went and got laser weapons, bombs and blasters and more.

Me: Awesome.

Lori: Boy these are literally amazing.

Xenia: They sure are.

Laney: Yeah.

We were really loaded with them and we resumed after 2099 Hobgoblin.

Once prepared for what might be our final battle against Hobgoblin, we rush out the room to meet with the cybernetic villain waiting for them in a large corridor.

2099 Hobgoblin: Why don't we meet up top? I heard the view is to DIE for. (flies up an elevator shaft)

2099 Spiderman: Don't wait on our account. If we're not there in five minutes, start killing yourself without us.

Marluxia: I doubt he's the suicidal type.

Me: No he isn't. He's showing us to an arena for the final showdown.

Nico: In that case, Entrance time!

Barricade: We might as well do the entrance as soon as the elevator stops

Nico: Uhh all of us aren't going to fit in there.

Me: He's right.

We went over and flew at the building. Then 2099 Hobgoblin laughed and then the spirits of the future came and they swirled around him and then converged and then a flying saucer appeared and then out came numerous aliens and then they popped open and we came out.

Me: Now that was a Science Fiction Style Entrance.

We saw that 2099 Hobgoblin used the fragment. Not only did it heal his damage. But it also turned him into a Heartless. Weirdly enough, despite the Heartless symbol on his chest, he remained the same.

WE GASPED!

Bane: (Spanish Accent) So, you have used the fragment. But how is it that you remain the same.

2099 Hobgoblin: (laughs evilly) There's a few things you need to learn about the powers of darkness. Those who master it and become a Heartless willingly retain their original forms!

2099 Spiderman: Either way. there's Nowhere to run, Hobbie.

Lori: Don't literally take this the wrong way, but the more we literally get to know you, the less we literally like you.

2099 Hobgoblin: Oh, but there's so much more to learn about me! Take my PSI-powers, for instance…

2099 Hobgoblin surrounds himself in an orange energy as the central device begins to activate. In an instant, the sky turns a dark red as everything around them looks disoriented as if they've been brought to hell itself.

Iron Boy: Psi-powers?! What's going on?!

2099 Hobgoblin: Not bad, eh? Let's see what happens when I add the fragment's power to the mix.

Hobgoblin lands behind the central device as he powers up his Psi-powers with the Tablet fragment's mystical energy. Suddenly, multiple realistic illusions of Hobgoblin appear besides him, greatly shocking the heroes.

WE GASPED AGAIN!

2099 Spiderman: Wh-wh-what's happening…?

Me: He can clone himself!

Then to add more shock to our faces, we witness a gigantic shadowy clone of Hobgoblin rising from outside the arena, much to Hobgoblin's increasing pleasure,

2099 Hobgoblin: OHHH… I like this!

Lori: This… this literally can't be real…

2099 Hobgoblin: WELCOME TO MY REALITY, HEROES… Hope you survive the experience!

Taro: Oh, we WILL survive this! GolDon Momotaro!

Ah, Seiya! Seiya! Seiya, Seiya, Seiya, Seiya, Seiya! Kanzen Muketsu no Oni Taiji! GolDon Momotaro! Yo! Tenka Musou!

Taro got his GolDon Momotaro armor!

King Time! Kamen Rider Zi-O! Oh~ma~!

Sougo got his Kamen Rider Zi-O OhmaForm

Wes: Red Battle Warrior!

He donned his Red Battle Warrior Armor!

Nico: This is gonna be good!

Me: I think I'll start us off! (ECHOING) QUAKE WITH FEAR! 紅雷閃

I fired a wave of red lightning and it split off and formed into numerous chains and bashed the clones all over and blasted down the Real 2099 Hobgoblin!

Paradox: (in our heads) Get rid of these flying creatures as soon as you can, and hurry! Hobgoblin is using the fragment to replenish his strength!

Sheila: I'll get rid of them with a spiral orb web!

Sheila did so and wrapped them up and bashed the clones down.

Me: Take this You jerk! (ECHOING) THUNDERBOLT CUT! 雷光斬

I formed a powerful blade of lightning and fired a massive shower of lightning and slashed off HIS WINGS!

2099 Hobgoblin screamed in pain!

Yost Spiderman: You sound like the Gobby from my world.

2099 Hobgoblin: (chuckles) I do, don't I? I guess it's only fair that I finish what that one started!

Me: Like hell you will!

I teleported and fired waves of energy blasts and blasted him all over and fiery explosions blasted him all over!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOOMMMMMM!

He was really having a bad day!

Wes and Joe Shimamura dodged the Pumpkin Bombs and I fired energy blasts and threw them back and they hit him and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOMMMMMM!

Nico: NUOVA STAR!

The 4 Star Ball on his bracelet glowed and he formed a powerful ball of intense fire and it hit 2099 Hobgoblin and exploded into a massive torrent of fire!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Laney: OH YEAH!

Then he came out of the flames like Terminator and then we saw that he was REALLY A ROBOT!

Nico: WHOA!

Then Dr. Light, El Oso, Bronze Kneecap, Tar Pit, Black Spider, Cavalier, Overdrive, DC Enchantress, Ebon, and Turtle came.

2099 Hobgoblin: This is the future, remember? You can build almost anything here!

El Oso: (Spanish Accent) He's got you there amigo.

2099 Spiderman: Leave him to me while the usual battles are going on.

Bronze Kneecap: Good luck!

Me: Go get him!

Tar Pit: (to Nico) We heard you fought the Harvester.

Nico: We sure did.

Black Spider: Lincoln definitely shouldn't have seen that movie!

Me: Well he WANTED to see it but ended up getting the shit scared out of him. You wouldn't believe what he went through with that.

Black Spider: I see what you mean.

Spiketron then came out.

Me: Spiketron. Back for another round I see.

Spiketron: I sure am.

Taro slashed at 2099 Hobgoblin, knocking him down while laughing.

2099 Hobgoblin: (gets up with a scowl) I'll teach you to outlaugh me!

Taro and 2099 Hobgoblin once again had a contest to see who could outlaugh the other. But this gave Sougo just enough time to jump on 2099 Hobgoblin.

Sougo: The laugh off was a good distraction!

He then bashed him down with a powerful kick!

KRASMASH!

Me: Lets finish this freak!

Lincoln: Time to end this fight!

2099 Hobgoblin pants with exhaustion as he slowly descends back onto the central device of the roof and glares intensely at us

2099 Hobgoblin: Why don't we go for a ride?

He flies over and would've grabbed Lori, if Miguel's Spider-Sense didn't have him push her away and get captured instead.

Lori: Spider-Man!

Hobgoblin flies him way high above the roof.

2099 Hobgoblin: I didn't want you!

2099 Spiderman: Not everyone gets what they want, Hobs!

They ended up grappling with one another. Miguel beat the crap out of 2099 Hobgoblin. When he tried to slash him, he avoided it and beat the crap out of him some more. This repeated 2 more times.

2099 Spiderman tackles 2099 Hobgoblin and they were seconds away from crashing onto the roof.

2099 Spiderman: You keep bragging about your fancy wings… let's see you land without 'em!

Miguel fiercely rips off his wings so he won't survive another major fall again as he.

Then Spiderman 2099 let go and Lori fired a WIND FORCE KAMEHAMEHA BLAST!

It hit him and he crashes the goblin onto the roof in complete pain. Hobgoblin moans greatly with his last breath before dying.

Paradox: You've done it, Team Loud Phoenix Storm! And not a moment too soon.

2099 Spiderman: You said it, Professor. Now let's take a better look at these…

Cavalier: Let us do that.

Miguel looks at one of the wings he ripped off while giving the other one to Double D for him to study as well, to the best of his ability since this is 2099 technology he's studying.

Overdrive: Well?

Double D: My knowledge of 2099 technology is still INCREDIBLY limited, but from what I could tell, it looks to be nanofiber fused with…"

2099 Spiderman: Bio-organic circuitry?!"

DC Enchantress: How is that possible?

2099 Spiderman: Only one corporation has technology advanced enough for this…

Ebon: And that would be?

The fragment emerges from his unconscious body into the Miguel's hand

2099 Spiderman: Alchemax!

Turtle: We'll have to do something about them as we're collecting the fragments.

Me: We could declare them as a terrorist organization and have someone tell everyone the truth about them like with Robocop and how we exposed Omnicorps.

Nico: Good idea.

Qin: Yeah.

Then his spirit came!

Lori: You are literally through Hobgoblin!

She put the kanji for Judgement on him and then he was found guilty by those he hurt and was banished to the black gates. He was gone forever!

Nico: Go to Hell, you bastard. Awesome job, gang, we destroyed 2099 Hobgoblin and got the third piece of The Tablet.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Nika's older brother, Nicholas Zaborg.

?: (ENRAGED SCREAM) NIKA, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of bolts of lightning that came out of nowhere and they hit the barrier, but the lightning bolt volley was absorbed into us and we became even stronger than ever. Then, we saw Zaborg the Thunder Monarch appear.

Nika Zaborg: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Zaborg skinsuit, and show yourself, Nicholas!

Zaborg the Thunder Monarch vanished in a vortex of infernal lightning, and in its place stood a 6'11" tall male with purple hair and yellow eyes similar as Nika's, massive muscular build, and dressed in a red prison jumpsuit: it was Nicholas Zaborg, the evil older brother of Nika Zaborg and the fourth of the eleven most dangerous thugs in Royal Woods.

Nico: So, that's Nicholas Zaborg.

Nika Zaborg: The fourth of the eleven most dangerous thugs in Royal Woods, I would've never thought I'd have to see your ugly face again, Logan, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Nicholas Zaborg: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Nika Zaborg: As always, you're all bark and no fucking bite, Nicholas. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Nika Zaborg's yellow eyes turned neon yellow and she was surrounded by a purple energy aura with stars, lightning bolts, phoenixes, and angels, she unholstered her massive Zaborg the Thunder Monarch's Supercell Electric Thunderstorm Greatsword of Thunder Monarch Justice from her back, and as she approached Nicholas Zaborg, she left purple energy, stars, lightning bolts, phoenixes, and angels with every step.

Nika Zaborg: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Nicholas, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Nicholas, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Nika Zaborg was surrounded by a massive vortex of purple energy with stars and bolts of lightning surrounding it, there are phoenixes, angels, and Zaborg the Thunder Monarch flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Nicholas Zaborg: the red eyes of eternal death. Then, as the vortex faded, Nika Zaborg emerged, but she was changed forever.

Nika Zaborg grew from 6'11" to 7'9" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing neon purple hair with lightning bolt streak, she has neon yellow eyes and a purple energy aura with stars, lightning bolts, phoenixes, and angels surrounding her, she has Zaborg the Thunder Monarch with the Thunder Kanji in its hands emblazoned on her forehead and Third Eye with yellow iris, she has on phoenix earrings with purple gems for eyes and holding the Thunder, Star, and Eternity Kanjis in its hands, she also has Zaborg the Thunder Monarch with purple gems for eyes and holding the Thunder, Star, and Eternity Kanjis in its hands on the bottom of her purple phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Nika Zaborg has on a purple sleeveless blouse with gold lightning bolts, sleeveless purple top, purple skirt with gold lightning bolts, purple stockings, purple legwarmers, purple shoes, and long sleeveless white trenchcoat with stars, lightning bolts, phoenixes, and angels on the coattails and on the back is Zaborg the Thunder Monarch surrounded by lightning bolts. Suddenly, Nika Zaborg felt a sharp pain on her back, and then, her massive blue angel wings with purple tips on the large blue feathers grew much bigger for her new body, and she now has eleven massive and long purple wolf tails with blue tips and yellow markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Nika Zaborg's massive Mobius the Frost Monarch's Supercell Electric Thunderstorm Greatsword of Thunder Monarch Justice and all the greatswords and swords she had began merging together, and they were surrounded by a kaleidoscope of blue energy, stars, lightning bolts, phoenixes, and angels, and when it emerged, it was transformed into Nika Zaborg's Supercell Electric Thunder Monarch Zaborg the Thunder Monarch Thunderstorm Phoenix Angel Greatsword of Supercell Phoenix Thunder Monarch Zaborg Justice, it's a brand-new massive greatsword with embedded yellow gems and Zaborg the Thunder Monarch etched on the 7'6" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four purple phoenix heads with yellow gems for eyes and large purple phoenix head with yellow gems for eyes and a large blue gem in its mouth on the bottom of the purple phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Zaborg the Thunder Monarch's head with yellow gems for eyes and a large purple gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Zaborg the Thunder Monarch that said, "Nika Zaborg, Gene-Slammer of Zaborg the Thunder Monarch, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Flip, Archenemy of Harrington Rosewood, Destroyer of Nicholas Zaborg, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Phoenixes, and Angels"

ニカ・ザボーグ、サンダー・モナーク・ザボーグのジーン・スラマー、ラウドの愛する守護天使でリンカーンの将来の妻、いじめっ子の軽蔑者、フリップのスマッシャー、ハリントン・ローズウッドの大敵、ニコラス・ザボーグの破壊者、チーム・ラウド・フェニックス・ストームの驚くべきメンバー、宇宙の勇敢な戦士、宇宙、多元宇宙、そしてその先の守護者、擁護者、そして救世主、宇宙への希望の大使兼灯台、友情と元素の力のマスター、天界のゼルナガの怒りのマスター、ブラックゲートのマスター、究極の善の究極の力、真実の真の女神、正義、愛、思いやり、希望、許し、勇気、美徳、決意、忠誠心、正直さ、寛大さ、優しさ、無私、勇気、そして信頼、破壊者、そして悪、狂った、殺人的、冷酷でサディスティックなろくでなしのスレイヤー、驚くべき強力な教師の驚くべき強力な生徒、そして稲妻、フェニックス、天使の達人

Suddenly, Nika Zaborg's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Nika Zaborg has transformed into SUPER ANGEL-ZABORG THE THUNDER MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DEATHLY SUPERCELL THUNDERSTORM ZABORG THE THUNDER MONARCH PHOENIX MONARCH ANGEL OF DIVINE DEATHLY SUPERCELL THUNDERSTORM ZABORG THE

THUNDER MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE DEATHLY SUPERCELL THUNDERSTORM ZABORG THE THUNDER MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Nika Zaborg's Super Angel-Zaborg the Thunder Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nicholas Zaborg saw it, he went fucking mad with rage and transformed into Zaborg the Thunder Monarch and fired blasts of lightning at her, but she absorbed them and it made her stronger, and she fired a massive barrage of purple energy, stars, lightning bolts, phoenixes, and angels at Nicholas Zaborg, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, THAT'S SHOCKING!

Lincoln: Awesome, Nika Zaborg has transformed into her Super Angel-Zaborg the Thunder Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Nicholas big time, and now, it's high-time we got rid of you for good, Nicholas.

Nika Zaborg: (Divine Echoing Godly Voice of The Deathly Supercell Thunderstorm Phoenix Zaborg the Thunder Monarch Phoenix Angel and Divine Deathly Supercell Thunderstorm Phoenix Zaborg the Thunder Monarch Phoenix Angel) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice

and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Nika Zaborg.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Nicholas, but I take comfort knowing when I get married to Nika in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Nika Zaborg and Lincoln went after Nicholas Zaborg who continued throwing lightning bolts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Nicholas Zaborg and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Nika Zaborg also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Nicholas Zaborg even madder than ever!

Nicholas Zaborg: I'LL FUCKING KILL YOU, STINKOLN!

Nicholas Zaborg threw more lightning blasts and bolts at Lincoln, but he absorbed them and it made him even more stronger as his lightning aura became more ferocious. Then, Lincoln drove his massive greatsword into Nicholas Zaborg's stomach and he began sucking out and absorbing the lightning powers he'd gotten when he Gene-Slammed himself into Zaborg the Thunder Monarch along with his massive muscle mass and strength, and that had caused Nicholas Zaborg to revert back to normal, but now, he was thin as a rake and he was really weak.

Then, Lincoln and Nika Zaborg fired powerful blasts of lightning at Nicholas Zaborg, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Nika Zaborg and Lincoln did as they holstered their massive greatswords and powered down, and Nika Zaborg's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive blue angel wings are permanent.

Nika Zaborg: Burn in The Black Gates forever, Nicholas. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nika.

Suddenly, Nika Zaborg wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nika Zaborg's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Zaborg the Thunder Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lightning crashing behind them and we cheered wildly. Then, Lincoln and Nika Zaborg absorbed the elemental forces and bolts of lightning and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Nicholas Zaborg, but we still got seven more of those thugs to deal with.

Gina Granmorg: Which means tomorrow, it's George Granmorg's turn to die.

Lincoln: George isn't getting out of this, and I hope we bury him under thousands of tons of lava, Gina.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Wilma Acres, Knight of the 100 Acre Wood.

Michelle Emperyous: Yes, I knew you'd choose her for tomorrow, Lincoln, and you guys are going to love meeting her. Wilma Acres is Lincoln's Guardian Angel from Michigan, she's a Keyblader and she harbors a very very nasty hatred for the 2023 movie Winnie The Pooh: Blood and Honey and wants to make sure that disgraceful movie gets taken down forever, and yes, her angel wings LITERALLY drip honey. She is also very great friends with Sora, Riku, Kairi and all their friends as well as Merlin and Pooh and all his friends of the 100 Acre Wood and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the

X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa. And it's too bad she didn't come to the trial we had when it came to that disgraceful movie to Pooh and his friends.

Lincoln: I know, but she must've heard about the trial, and her wish was fulfilled thanks to powerful testimony from Pooh, Sora, and Mickey.

Mickey: Her wish indeed came true alright.

Sora: It sure did.

Cheryl Vesparina: And she sounds like an awesome honey producer.

Lincoln: She is, we collect the honey that drips from her angel wings and we put it in jars to sell it to the public and to bakeries and restaurants.

Me: They raked in a lot of money from their honey selling.

Nico: Whoa. You certainly are quite the businessman, Lincoln, first, your comics sell like hotcakes in comic book stores, now we hear you and some of your Guardian Angels sell food and ingredients to the public and to bakeries and restaurants? I hate to find out how much you have in your account.

Lori: I literally saw it, and my jaw literally dropped. Lincoln put the money he makes from his comics and selling food and ingredients in his account, and he had kept it a secret from Lynn, Lola, Lisa, and Luan, and he made his account hack-proof which pissed Lisa off.

Luna: We warned Lisa about that many times, and Lynn, Lola, Lisa, and Luan tried to take our bro's hard-earned money and squander it, but Lori called the police and had those four taken to jail, and they were so pissed off at Lori, they kicked her out of their Anti-Lincoln Alliance and swore that if they get the chance, they'll kill her for betraying them!

Nico gasped.

Nico: Why, those shameless, heartless, stupid… !

Me: Whoa, easy dude, easy. I was mad myself at those four, and when Lincoln heard it, he told Mr. Lynn and Ms. Rita, and had them put in a Scared Straight Program that lasted for five weeks, and when they came back, they were literally scared straight.

Nico: Jeez. Well, they brought it on themselves because of it.

Laney: Yeah.

Me: But that's another fragment down.

Nico: Yep.

Qin: You got that right.

Nico: This was fun. Great job today everyone.

Spiderman: (To the viewers) Another fragment done. Now the fun is about to start.

Qin: Yep.

We went back home and went to sleep after we enjoyed the rest of the day.

Nico: Wow look at all these restaurants.

Xenia: Boy there are so many of them.

Me: Yep this is the restaurant street of the City and we call it Restaurant Lane. It's home to many of the restaurants from all over the country.

Nico: Boy so many of them. Vesuvius Pizza, Chili Dog-Topia, Creole Queen Suppertime, Fisherman's Wharf Seafood Buffet, wow look at them.

Qin: I know.

Varie: Boy it's so awesome.

Me: Yep. The best kinds of restaurants are at the end of the street. You're seeing the Fast Food Part of the street.

Nico: And this part of the street here must be for restaurants like Lynn's Table and the Krusty Krab.

Me: Right.

Qin: Cool!

Lola: Awesome. Everyone sure likes to eat here.

Nico: Yep.

Orion: Boy even Homer does.

(HUNGRY LIKE THE WOLF BY DURAN DURAN PLAYS)

We saw Homer eating everything from all the restaurants there.

Me: Boy he sure is hungry.

Orion: I'll say!

Nico: Orion, I want to thank you, Harpymon, and your teams for coming

Orion: Not a problem Nico. This will be so fun and cool.

Rosty: I'm really excited for this.

Me: I'm glad you are Rosty.

We saw many of our friends working on Restaurant Lane in their own amazing restaurants.

Nico: Wow look at all our friends working.

Camie: They sure are working really hard at making great food.

Laney: I'll say.

Lincoln: I have a feeling this is going to be a fun culinary adventure.

Qin: That would be so awesome.

Rosty: I agree there. I'm really excited about this too.

Laney: I am too.

We saw an awesome New Orleans Food restaurant that Leslie Tiana is running and Lisa Simpson is working there as a jazz musician for it and is helping a great band.

Me: Boy Lisa sure is doing a great job in a jazz band.

They were playing JAZZMAN BY BLEEDING GUMS MURPHY - (SEASON 6 EPISODE 22)

Lisa Simpson: (SINGING DIVINELY)

Lift me won't you lift me

Above the old routine

Make it nice

Play it clean

Jazzman!

When the Jazzman's testifyin',

A faithless man believes.

He can sing you into paradise,

Or bring you to your knees.

Jazzman, take my blues away,

Make my pain the same as yours with every change you play.

Jazzman, oh, Jazzman.

It was awesome seeing her play for everyone.

They were eating great food while listening to great Jazz talent from Lisa.

Nico: Boy everyone loves Lisa's singing.

Laney: They sure do. I play the saxophone myself and we both have talent even though people don't recognize it.

Me: That is true. We love your talents.

Camie: Yep.

Rosty: But that is still awesome.

We saw an Irish and Scottish Dance bar and Woody Woodpecker, Scotsman and Luna Loud's Ancestor, Lena Loud were playing the bagpipes in an awesome Scotland band for the customers.

Me: Boy that is so cool that Scotsman, Lena and Woody are part of an awesome Scottish Band.

Qin: Boy that is so awesome.

They stopped.

Scotsman: (Scottish Accent) Top of the morning wee laddies!

Lena Loud: (Scottish Accent) Perfect day for a rescue on this Bonnie Scottish morn.

Me: It sure is guys! Great job with the band everyone!

Woody Woodpecker: Thanks guys! Good luck on the rescue!

Me: Thanks Woody! Awesome perfomance!

They waved as we left.

Nico: Rosty, I like that your name is short for Jack Frost

Rosty: Thanks Nico. It's really awesome.

Laney: Jackie Frost would get along great with you as a Jack Frost.

Rosty: She sure would and Jack Frost and Elsa think so too.

Me: Yeah.

Nico: But I hope you make sure not to get melted.

Rosty: Don't worry about that. We don't melt.

Me: Good.

Qin: Yeah.

Xenia: Thank goodness.

Me: Yeah. Wow! Yesterday's mission was one of the most explosive ever.

Nico: Boy no shit there!

Laney: 2099 Hobgoblin put up one doozy of a fight!

Me: Boy that was the most explosions we've seen from ANY version of Hobgoblin.

Qin: NO kidding.

Laney: Yeah.

Me: But Lori you did an absolutely awesome job yesterday.

Lori: Thank you J.D. That was literally so fun.

Nico: It sure was.

Harpymon: He was just as crazy as the Prime version before we got him into our ranks

Me: Boy that is an understatement. I think he was crazier than the Prime Version.

Taro: But I outlaughed him greatly!

Me: No one can OUTLAUGH you Taro.

Qin: Yeah that was awesome!

Taro: It sure was!

Camie: You got that right.

Twilight Sparkle: That is for sure. I don't want to start a rivalry between you Pinkie Pie.

Me: All of us are great laugh masters in our own way.

Luan: That is too true.

Xenia: Yep.

Me: But that was still so awesome!

Nico: And the most interesting part is that Alchemax built him.

Me: That was amazing to see.

Qin: Yep.

Me: And already have someone planted on the inside of Alchemax and she is getting all the intel on them she can. Soon she will reveal the truth.

Nico: Really? Who?

Me: Makina.

Nico: Oh right! She got to work on exposing the warden of the Vault. Now she is in Alchemax. Clever thinking.

Me: Yep.

Qin: This will be awesome.

Lisa Loud: I am keeping the Nanofiber wings of Hobgoblin as trophies

Me: Good idea Lisa.

SQUISH

Me: What the?

I stepped in a huge PUDDLE OF VOMIT!

Me: AW SICK!

We saw the whole STREET FLOODED WITH VOMIT!

Xenia: OH YUCK!

Camie: The whole street is covered in throw up!

Nico: Clean up on aisle whatever!

But then we saw 15 AMBULANCES drive down the street!

Me: Whoa!

Varie: Better go see what's up!

We ran after the ambulance. But something caught Lincoln's eye.

Lincoln: You guys head there! I'll catch up!

He saw a newspaper and he bought one for a quarter and took it and read it.

Lincoln: Hmm. (GASP!) Oh no! I got to tell everyone!

ZOOM!

We got to the gourmet district of Restaurant Lane and to our shock and HORROR WE SAW THOUSANDS OF PEOPLE HURLING THEIR GUTS OUT AND FLOODING THE ENTIRE STREET WITH VOMIT AND STOMACH CONTENTS!

Me: OH GOOD GOD!

Qin: All these people have food poisoning!

Nico: You think a fragment's causing this?

Me: I don't think so.

Eli: I don't sense anything.

I went over to a man.

Me: Sir what happened?

Man: I had a delicious bowl of ratatouille and then I got sick instantly with food poisoning. (VOMITS!)

Nico: WHOA!

Me: Oh man!

Lana went and got some food she found on a table.

Lana: It looks and tastes okay to me. (Eating ratatouille.) Mmm! I like it.

Me: You're a good girl eating your vegetables Lana. Hmm.

I took a fork and tasted it.

Me: (Eating) Hmm. I don't see what the…

But then I tasted something HORRIBLE and then spit it out!

Me: (SPITS) OH YUCK! Wait I know that taste anywhere. All this food was spiked with chum!

EVERYONE GASPED!

Lana: Awesome!

Lana was eating it.

Eli: I knew you would like it Lana.

Nico: No way Plankton did this!

Lincoln: I know who it is! Everyone, we have got ourselves a huge emergency!

Lincoln showed me a paper he bought.

Me: (Reading) "Disgraced Chef and Hot Tempered Hater of Friendship Guy Grazer Escapes From Prison! Vowing to get revenge on all restaurants by wiping out all of America's Restaurants. Saying that if he can't have a restaurant then NO ONE IN AMERICA is allowed to have one!?"

WE GASPED IN SHOCK!

Me: WHAT?! THAT FUCKER'S ESCAPED?! I'LL RIP HIM LIMB FROM LIMB!

Nico: HE DID THIS SAYING IF HE CAN'T HAVE A RESTAURANT, THEN NO ONE CAN?! I WILL END HIM!

Lincoln grabbed me and Nico by the collars of our shirts and bashed our heads together!

BONK!

We had birds circling around our heads and chirping.

Eli: HEY! I was going to do that!

Lincoln: Sorry Eli but Guys, I know you want to end him, but no. We're still going to smash his face in, bash his brains out of his head, and break his arms and legs.

Anna Anyanova: Yeah, that bastard snake asshole's going to get it. But, first, we better cure everyone that he poisoned with his chum-laced food.

Lincoln: Luckily, I have this made.

Lincoln took out a massive cauldron filled with a glowing rainbow liquid.

Lincoln: This is my special recipe: I call it Rainbow Nectar Soup: it's made from the nectar of Rainbow Flowers along with a drop of Cheryl Vesparina's Ambrosia honey, and just one serving of this soup will get everyone back in shape and healthy once more.

Nico: Wow!

Rita: We've seen Lincoln cook many delicious foods, and it made his dad cry tears of joy.

We gathered all those who were poisoned by Guy Grazer's chum-spiked food, and Lincoln poured the Rainbow Nectar Soup into bowls, and when they drank it, they suddenly became 100% better.

Man: Wow, this soup is so awesome! Thanks, Lincoln! And if you see Guy Grazer, please kick his ass!

Lincoln: (Smirks) Will do.

Nico: Talk about a fast cure, Linc, that soup of yours literally got everyone feeling much better now!

Me: Now, we can kick Guy Grazer's ass!

Lincoln: You said it.

Me: With pleasure.

Nico: Let's have it outside here.

Me: Good idea.

Lincoln: (Senses for Guy Grazer) AHA! Gotcha! Guy Grazer is 20 yards away and barreling towards us! He must've found out my Rainbow Nectar Soup cured everyone who ate his chum-spiked food, and now, he's out for blood. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Anna Anyanova: That mutant is really pissing me off!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Guy Grazer.

?: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) KKKKKKNNNNNNNUUUUUDDDDDSSSSOOOONNN!

Me: Yeah, fuck you too, asswipe!

Suddenly, we saw our target: Guy Grazer, and he was absolutely insane and crazy. He threw a bomb at us, but Lincoln made a massive and powerful diamond barrier protecting all of us and the bomb hit the barrier and exploded, but not a single dent was made. Grazer continued attacking the barrier in a fit of rage, first he tried shooting it with machine guns, but it didn't work, and then, he tried to hit it with his fists, and that didn't work either, but his fists were really bloody: HE WAS ABSOLUTELY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

I jumped out and kicked him down and punched him in the face! I knocked him down.

Me: YOU GOOD-FOR-NOTHING FUCKING EXCUSE FOR A CHEF! YOU WOULDN'T KNOW ABOUT GOOD COOKING IF IT CAME AND BIT YOU ON THE ASS!

Nico: YEAH YOU GOOD FOR NOTHING CHEF CHARLATAN!

Those words made Guy Grazer super mega angry and he continued attacking at me in a fit of untold rage.

I punched him all over the place!

Eli: Nice going, bro, now you've gone and really made him mad!

Me: Good. Let him get mad.

Maria: And you are NOT ruining our restaurant!

Me: Yeah you has been chef!

Guy Grazer: KNUDSON, KNUDSON, KNUDSON, KNUDSON! You have been nothing but a fucking thorn in my side and you always RUIN EVERYTHING I DO! Why?! I hate you J.D. Knudson! I HATE YOU MORE THAN FUCKING LIFE ITSELF! I HATE YOU MORE THAN EVERYONE ON THIS FUCKING PLANET! I HATE YOU MORE THAN EVERYONE IN THIS ENTIRE UNIVERSE! I never hated anyone or anything more than I hate you! I HATE YOU INFINITELY MORE THAN ANYONE OR ANYTHING TIMES A THOUSAND TRILLION INFINITIES! Why is it always you that must hate my cooking, why must you stand in the way of my plans time after time, again and again?! WHY! YOU NO GOOD FUCKING SON OF A FUCKING MOTHERFUCKING BITCHI am getting so sick of the Knudson family sticking their nose where it doesn't belong! If it hadn't been for you then I would already be the greatest chef ever and be the best ever with my own restaurant! BUT NO! YOU JUST HAD TO RUIN EVERYTHING FOR ME! YOU MAKE ME SICK! I HATE YOU MORE THAN LIFE ITSELF! I HATE YOU! I HATE HATE HATE HATE HATE! I HATE HATE HATE HATE HATE HATE HATE YOU! HAAAAAAAAAAAAATEEE HAAAAAAAAAAAATEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAATTTTTTTTEEEEEEEEEEE

BUT THEN…

AN EXTREMELY MASSIVE AND INCREDIBLY INTENSELY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ME WITH INCREDIBLY DEVASTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 300 UNIVERSES FELT IT AND THEN IT FORMED A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL PHOENIX! IT CROWED INTENSELY WITH AMAZING POWER AND THEN THE FIRE PHOENIX WENT BACK TO EARTH AND I GOT AN INTENSELY POWERFUL SUPERCHARGE FROM HIS HATRED! I EMERGED WITH AN INTENSELY INCREDIBLY POWERFUL NEW RAINBOW OUTFIT!

Nico: WHOA! That villainous breakdown REALLY SUPERCHARGED J.D.!

Qin: HOLY CRAP!

Me: Thanks for the power boost you heartless food hater!

Nico: Maybe if you just made good food, you wouldn't be in this position!

Qin: Yeah! Your food has no love in it!

Laney: All food is made with love! You have no heart! Only hatred!

Camie: And that makes you nothing but a disgrace!

I teleported and shoved an entire bucket of chum down his throat and he swallowed it!

Nico: Uh oh.

I teleported back.

Laney: Is something supposed to happen?

Me: Wait for it.

(GUY'S STOMACH GRUMBLED!)

Guy Grazer: HULEEEEEEEEEEHHHHHHHHHHHHHHH!

HE WAS HURLING HIS GUTS OUT!

Guy Grazer: WHAT THE FUCK DID YOU MAKE ME EAT!?

Me: Chum!

Guy Grazer: LEEEEEEEHHHHHHHH! Oh… Oh, God, why didn't anybody tell me… HULLLLLLLEEEEEEEEEEEHHHHHHHHH! Oh, my God, my insides are on fir… LEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEHHHHHHH! No, please… no more… no more, no… LEEEEEEEEEEEEEEEEEEHHHHHHHHHHH! WHAT THE FUCK IS HAPPENING… GAAAAAAAAAAAAAAALLLLLL! Get the phone! Call nine-one-on… HULEEEEEEEEEEEEEEEEEHHHHH! Chef, Chef, Chef get in here… HULEEEEEEEEEEEEEEEEEEEEEEEEEEEHHHHHH! Okay. I think it's all gone. I think it's… HULEEEEEEEEEEEEEEEEEEEEEEEEHHHH! I don't wanna, I don't wanna… HULLLEEEEEEEEEEEEEEEEEEEHHH! LEEEEEEEEEEEEEEEEEEEEEHHHHH! LEEEEHHHHHHHHHHHHHHH! BLEEEEEEEEHHHHHHHHHHHHHHH!

[The vomiting stops for a bit, and the whole area around him is covered in puke.]

Me: (Smirks) Who wants chowder?

Guy Grazer: HUUULLLLLLEEEEEEEEEEEEEEEEEEEEEEEEHHH!

HE PROJECTILE VOMITED ALL OVER!

Lincoln: I think this has gone on long enough.

Lincoln fired a diamond ball at Guy Grazer which hit him in the face and sent him flying into a tree and Lincoln deactivated the barrier and we stood ready to fight Guy Grazer, who got back up, but now he was even more out of control and completely bat-shit rage crazy insane!

Guy Grazer: IF I CAN'T HAVE A RESTAURANT, NO ONE IN AMERICA CAN!

Lincoln punched him hard in the face and knocked out his teeth.

Lincoln: That's because you're a poor excuse for a chef who has no talent in cooking and you have no business even being in the restaurant business. You're a convicted criminal and that's all you will ever be.

Me: And you're going right back to the stony lonesome for the rest of your life!

Becky: But, not before we break every last bone in your body.

Nico: Not so fun eating your own poison, is it?!

Qin: Yeah!

Suddenly, Becky's eyes turned neon green and she was surrounded by a rainbow energy aura with stars, leaves, plants, animals, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Guy Grazer, she left rainbow energy, stars, leaves, plants, animals, dragons, phoenixes, and angels with every step.

Becky: Words can't even describe how much I hate you so much, Grazer. You never had any sort of talent in cooking whatsoever, and

Lincoln's also right: you're a pathetic excuse for a chef who has no sort of business even being in the restaurant business when clearly your food is disgusting, and now, to find out you're at it again with poisoning people with your disgusting chum-spiked food to get revenge on all restaurants in America, you just crossed a serious line this time. You're going right back to prison, and this time, you're staying there until the day you die.

Suddenly, Becky was surrounded by a massive vortex of rainbow energy with stars, leaves, plants, and animals surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Guy Grazer: the red eyes of death.

Suddenly, The Unity Crystals on my J.D. Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD AND VOMIT SOON, BRACE YOURSELVES! YOUR TIME'S FINALLY UP, YOU SORRY EXCUSE FOR A CHEF!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO BECKY! THEN, AS SOON AS THE VORTEX FADED, BECKY EMERGED FOREVER CHANGED!

Crystal Lullaby: But, not before we give you a proper beating for everything that you've done.

Me: You're heading right for Hell, asshole!

Nico: There's nowhere for you to run!

Lincoln, Crystal Lullaby, Becky, and Tracey Burrows went after Guy Grazer who's now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, light arctic bluish gray energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Guy Grazer and they exploded with incredible power as they hit him.

Nico: How about a knuckle sandwich?!

KRAPOW!

Nico punched him square in the face and bashed him down.

Lincoln: First this!

Lincoln fired a wave of gold energy.

I then punched Guy in the chest and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted out and he had HIS ENTIRE CHEST BLASTED OPEN AND HE HIT A FIRE HYDRANT! He was a bloody mess. But then a HUGE pile of gold bars as big as a massive number of restaurants exploded out of him and he was healed up.

Qin: WHOA! The Gessius Flores Vengeance Curse?

Lincoln: Yep.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Crystal Lullaby, Becky, and Tracey Burrows attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Guy Grazer mad and he was becoming EVEN MORE ANGRIER BY THE SECOND! THEN, HE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND HE WAS FOAMING AT THE MOUTH EVEN MORE!

Guy Grazer: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL!

Tracey then decided to attack him by herself, and she displayed the powers of all 47 years of Red Rangers in her. First, she used the powers of Jayden Shiba and she fired a slash of fire energy with a swing of her Fire Smasher and it hit Guy Grazer, then, she used the powers of Troy Burrows and Shane Clarke she fired a blast of red winds and the wind gusts turned into a tornado and it really shredded Guy Grazer.

Then, she used the powers of Carter Grayson and she fired red spectral energy blasts from her Fire Smasher. Then, she used the powers of Nick Russell and Leanbow and she fired a blast of red magic and fire and Guy Grazer got burned bad, then, she used the powers of Tommy Oliver, T.J. Johnson, Leo Corbett, Scott Truman, Mack Hartford, Jack Landors, Sky Tate, and Andros and she fired a blast of red energy and stars which hit Guy Grazer and he seriously got hit hard, then, she used the powers of Wes Collins and Eric Meyers and she fired red time blasts which hit Guy Grazer and he looked like an old man and she slashed at him with her Fire Smasher, and he returned to normal.

Then, she used the powers of Casey Rhodes and Devon Daniels, and she fired red energy that took the form of the tiger and cheetah and they tore Guy Grazer's jumpsuit with their claws, then, she used the powers of Connor McKnight, Tyler Navarro, and Zayto and fired red energy which took the form of T-Rexes and they bashed Guy

Grazer with their tails, and finally, she used the powers of Brody Romero and fired red energy shurikens which pinned Guy Grazer to a tree.

Me: HOLY CRAP!

Nico: INCREDIBLE!

Then, the Red Power Rangers all arrived.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Crystal Lullaby, Becky, and Tracey Burrows attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Guy Grazer mad and he was becoming EVEN MORE ANGRIER BY THE SECOND! We were absolutely amazed!

Me: HOLY CRAP!

Nico: INCREDIBLE!

Eli: UNBELIEVABLE!

Nico: I wonder if there are Embodiments of the Ranger teams?

Me: I'm sure there are. But that would be so cool!

Then, the Red Power Rangers all arrived.

Tommy Oliver: We just saw the explosions, what was…? (Sees Tracey Burrows) Oh man, it's Tracey.

Jayden: Tracey Burrows, I knew we'd run into her.

Then, Lincoln tied Guy Grazer up in a red energy straitjacket and threw him in a prison van that took him straight back to prison. We all cheered as Lincoln, Becky, and Crystal Lullaby holstered their massive greatswords on their backs and powered down, and Crystal Lullaby's new body, clothes, weapons, jewelry, Third Eye, longer light purple and light violet tail, longer light arctic bluish gray horn, and massive light arctic bluish gray angel wings are permanent, and Becky's new body, clothes, weapons, jewelry, Third Eye, and massive red angel wings are permanent.

Becky: Have fun rotting back in prison.

Suddenly, Crystal Lullaby felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Crystal?

Crystal Lullaby: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that crazy prick the violent beating of his life.

Nico: You got that right. Plus, we ran into one of your Guardian Angels here, and it turns out she's the Embodiment of all the Red Rangers from 47 years.

Becky: We certainly were surprised to see her here.

Crystal Lullaby: And she really laid quite the beatdown on Guy Grazer.

Suddenly, Crystal Lullaby wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Crystal Lullaby's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and crystal clusters growing around them and we cheered wildly. Then, Lincoln and Crystal Lullaby sucked in and absorbed the crystal clusters and elements and they came back to us as the display vanished.

Me: So, are you going to introduce us to your Guardian Angel?

Lincoln: Right. This is Tracey Burrows, Embodiment of The Red Power Rangers, she's my Guardian Angel from Harwood County, and she has 47 years of all the Red Power Rangers in her and she's extremely powerful and she even knows how to use the skills and powers of all of the Red Power Rangers from over 47 years in her arsenal along with their weapons. She came to Royal Woods long ago and met me when we were ten years old. One day, Tracey was walking home from school when she heard a loud scream coming from The Loud House, she ran there at once to see me running in fright and with severe bruises and knife wounds on me, and she soon found out who it was that did the dirty deed: Lori, Lynn, Lola, Lisa, and Luan who were on another bloody rampage again. They ran at her with the knives they used to hurt me and they were going to kill us both, but Tracey used her massive arsenal of skills and techniques and she overpowered and knocked those five harpies out, and she threw them to Mom and Dad who grounded them for eighteen weeks and the siblings threw them in a metal container to keep them away from me and the rest of them as well. She cleaned up my physical wounds and hugged me and I hugged her as I cried, it really wounded her to see me go through that kind of torment and pain. She then told me about her, and when I found out she's The Embodiment of all the Red Power Rangers, I fainted from stunning amazement. Plus, I alone found out she's the sister of Troy Burrows, the Red Megaforce Ranger and that she'd also met the previous Red Rangers and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because of their heartlessness towards me, and she swore if they were to do this sort of thing to me once again, she would have them sent to prison and a mental asylum for the rest of their lives.

My jaw and Nico's literally dropped to the floor.

CLANG! CLANG!

Eli closed our jaws.

Me: Oh man… , I… , I can't believe it! So, in addition to being the powerful Embodiment of all the Red Rangers from 47 years, she's also the sister of Troy Burrows?!

Nico: That really is so awesome!

Lincoln: Yep, and you now have a special look at who we're going to meet after the Keyblade Knights, and now that you're here, Tracey.

Sheila and Tom came.

They arrested Guy Grazer.

Sheila: We'll take it from here guys.

Tom: Back to the stony lonesome for you Grazer!

They loaded him in.

Lincoln went up to and hugged Tracey Burrows in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Tracey Burrows: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Tracey Burrows' neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Tracey Burrows: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tracey Burrows.

Tracey Burrows had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them.

Nico: Thanks, Tracey.

Tracey Burrows: No problem Nico. That was a Super Mega Win.

Troy Burrows: That's my awesome sister!

Me: Troy you never told us that your sister was one of Lincoln's Guardian Angels.

Troy Burrows: You never asked. But yeah she is a true force to be reckoned with.

Qin: She sure is.

Nico: Boy that is for sure.

Tracey Burrows: I heard so much about what my brother and his team have been doing with all of you guys and I'm so proud of them for doing all that with you.

Me: Your brother and his team have been one of the most amazing and most awesome helpful teams ever. We met them when we were in our last days of school and they showed us that they had over 35 years of teams back then before we expanded with more of the Super Sentai Teams coming up.

Nico: Yep.

Me: Yeah no kidding.

Tracey Burrows: And I heard all about Jason David Frank's death! That was awful!

Me: It sure was!

We took off our hats and put our hands on our hearts and had a moment of silence for him. He will never be forgotten.

Tracey Burrows: That was a massive shock for me!

Me: It was a massive shock for many of us and all Power Ranger

Fans everywhere!

Sunny Starscout: Yeah we got the news when we were about to head into battle with Opaline.

Xenia: No kidding!

Nico: But we vowed to honor the destruction of Lord Zedd and Rita in his memory.

Tracey Burrows: Good idea.

Nico: We're collecting fragments of a mystical artifact. Wanna help us out with that?

Tracey Burrows: The Tablet of Order and Chaos. Yeah I heard about that. I would be honored.

Nico: Cool.

Maria: You're bound to see lots of Morphs from your brothers team during the whole thing

Tracey Burrows: I'm really looking forward to it.

Me: You will love it. Also the Kamen Riders help out too.

Tracey Burrows: Awesome!

Hitoshi: You're going to love seeing us in action too.

Souto: We helped the Super Sentai Teams from time to time over the years.

Me: Yep and the Kamen Riders all helped us out during the 20 Days of Darkness.

Tracey Burrows: That's what I was hearing! Oh and I have someone here with me for this.

Out came Takeshi Hongo A.K.A. Kamen Rider! The First Kamen Rider from 1971!

Me: (GASP) Takeshi Hongo!

Takeshi Hongo: Been a long time since we saw each other J.D.

Me: It has been a while. We owe you big time for helping us out during day 1 of the 20 Days of Darkness.

Takeshi Hongo: I'm glad I could help you guys out.

Nico: Thanks for coming back.

Takeshi Hongo: Anytime Nico. I'm so sorry you guys had to go through all that.

Me: It's all right Takeshi.

Nico: But we're glad you helped us.

Takeshi Hongo: Yeah. But if you guys ever run into my teammate from Kamen Rider Black that story will really make you cry.

Me: Oh boy. Kamen Rider Black from 1987. I heard that was the darkest version out of them.

Nico: And we're also meeting the Embodiments of Dopants.

Takeshi Hongo: That's what I was hearing. That is so cool that you're meeting them. Oh speaking of which. I saw dark versions of Liar, Invisible, Spider, Taboo, Bat, Puppeteer, Jewel Dopant including Snow Ghost and Harpymon.

WE GASPED!

Qin: Whoa!

Me: I remember those Dopants. Some of those we battled during Nuju's Ambassador Missions.

Eli: Wow! And he is right! I sense them. Also they are 4 people.

Me: Whoa!

Nico: Who do we call for that?

Me: Lets see. Yi, Hannah Cheddar, Julia Vendettia, Engagement Ring Princess, Winter Varyona, Veronica Keiron and Nemesis Prime (Beast Wars).

Nico: COOL!

Qin: Awesome!

Takeshi Hongo: This will be interesting to see.

Laney: You're going to love it Takeshi.

Philip: For the first Kamen Rider from 1971 it will be fun.

Me: Yep. Oh guys! I just got word that Kamen Rider Geats finishes their adventures on August 27th next month.

Nico: COOL!

Qin: Can't wait to meet them.

Me: So if we ever resume our ambassador missions, lets have Himiko Toga be an ambassador for it.

Himiko: Me?! Whoa! I would be honored.

Nico: Awesome.

Maria called them in and in swirls of elements came Yi, Hannah Cheddar, Julia Vendettia, Engagement Ring Princess, Winter Varyona, and Veronica Keiron.

Yi: Hey, guys!

Me: Awesome you came.

Then a rumble was heard and then came a huge mammoth! And it was NEMESIS PRIME of Beast Wars.

Nemesis Prime: I'm here guys. Ready for action.

Qin: Cool.

Me: We'll take the Ambassador Missions into consideration. Just give us some time on that.

Qin: Yeah.

Himiko: Okay then.

Nico: There they are!

We then saw Another Liar, Invisible, Spider, Taboo, Bat, Puppeteer and Jewel Dopant as well as Snow Ghost.

Nico: WHOA!

Me: The strangest part is that the Invisible Dopant didn't look like a monster at all.

Nico: I know.

Another Liar Dopant: (In a girls voice) But this will be fun.

Another Spider Dopant: (In a girls voice) (British Accent) It sure will.

Another Bat Dopant: (In a girls voice) Yeah it will!

Me: Those voices!

They merged and reverted back. One was a girl with aqua green hair and had blue eyes and had purple clothes and green angel wings and she had a tiara with the symbol for the Rocket Dopant on it and the symbol was on her skirt and she had a Rad Rocket Magisword in her hands. The second girl had pink hair and pink eyes and had pink angel wings and had a beautiful blue dress on and she had a crown on her head and she also had a tiara with the symbol of the Queen Dopant on and the same symbol was on her dress and she had a scepter in her hands. Me: (GASP) Roxanne Rocket, Connie Victoria Queen and Bianca

Bombshell Bomb!

Nico: WHOA!

Roxanne Rocket: Awesome to see you again J.D.

Connie Victoria Queen: It sure is good to see you again.

Bianca Bombshell: You guys have been busy haven't you.

Me: That's an understatement. Roxanne Rocket is the Embodiment of the Rocket Dopant and she is amazingly fast and has the power to breathe in space. She also has star powers too and no she is not related to Roxy Rocket even though they both share the same name. Connie Victoria Queen is the Embodiment of the Queen Dopant and she has light powers and she is also the Great Great Granddaughter of Queen Victoria of London.

Nico: WHOA!

Laney: It's an honor to meet you Princess.

Connie Victoria Queen: No need for formalities. But thank you.

Me: And Bianca Bombshell is the Embodiment of Bomb and she is a Demolition Master.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and were separated from the Anothers!

Nico: Awesome!

Me: Lets get them! Time to Count Up Your Sins!

Philip: YEAH!

They fired waves of energy and elements and blasted the Anothers.

Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

They exploded!

I caught the Wonder Ride Books and the false Gaia Memories shattered into pieces.

Qin: That's it for them.

Me: Yep.

Nico: Now, we wait.

Me: We don't have to wait long.

We saw a figure fly in and it was ANOTHER HARPYMON!

Harpymon: WOW! It's like I'm looking at myself in the mirror.

Qin: It sure feels like it!

Another Harpymon: Boy no kidding!

Me: (Gasp) That voice!

Me: (GASP) Penny Prism!

Penny Prism: Awesome to see you again J.D.

Me: Same here. Penny is the Embodiment of Prism and she has rainbow powers and is awesome with the powers of light. And she also has Rainbow Wind powers. She can fire wind and light.

Harpymon: Wow! Just like me with my wind powers.

Penny Prism: That's right.

Kaito: (gets out Decade gear) Did Swartz promise you anything?

Zocks: (gets out W gear) Because we can grant it instead.

Kaito got a Decade Sword and Zocks got a Sword of Dopants.

Penny Prism: No he didn't promise me anything. I fired a wave of wind and spun him around in a tornado so fast that he got dizzy and then threw up big time.

Sakura Knudson: That explains why he was so dizzy that day that he hurled all over the place.

Penny Prism: Yep and I used that time to escape.

Me: Cool.

Sougo: (gets out Decade Ridewatch) You would definitely get along with Lori.

Armor Time! (Upbeat rock music) KamenRide! Wow! Decade! Decade! Deca~de! (Decade transformation noises)

Geiz: (gets out Accel Ridewatch) She had her time to shine yesterday.

Armor Time! (Accel transformation noise) Accel! Accel! (Motorcycle revving)

Sougo got DecadeArmor while Geiz got AccelArmor

Penny Prism: I'm sure I would. Looking forward to helping you guys out.

Me: Awesome.

Penny turned into ANOTHER HARPYMON!

Nico: Feel the Wind! (ACTIVATES HARPYMON'S RIDEWATCH) (ECHOING) WIND SEEKER!

He fired a blade of wind and blasted her down.

Nico: And some ice! (ACTIVATES SNOW GHOST'S RIDEWATCH)

He fired waves of ice and froze her.

May: All in agreement for taking her down?

We raised our hands.

Mzingo: Motion shall carry.

May: (ACTIVATES LIGHTNING EMPRESS AND MZINGO'S PARLIAMENT'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Laney: How come we did that?

Me: Sorry it's part of Mzingo's rules. They have to cast a vote before anything is done. Politics method.

Laney: Oh.

Maria: Now this. (ACTIVATES WOLFGANG AND WIZARD'S RIDEWATCHES)

She fired sonic blasts and magic and smashed her down.

Rosty: Now for some ice!

Rosty activates Snow Ghost's Ridewatch and blasted her with ice and froze her.

Then 10,000 Volt Ghost, Judge, Flamite, Terminator (Dark Fate), Sublimino and Water Kang came.

Nico: Nice team 10,000 Volt Ghost!

10,000 Volt Ghost: Thanks Nico.

Me: Electrifying!

Nico: Yep.

?: It sure is!

Then a Great Tusk came!

Me: Cool! A Great Tusk!

Nico: Wow! Looks like an evolved version of Donphan.

Xenia: Except it's the ancestor of one.

Great Tusk: (In a girls voice) That sure is awesome though.

Nico: Brianna Crow!? Whoa!

She reverted back and she was a girl with blond hair and magenta clothes and had brown angel wings.

Brianna Crow: Awesome to see you again Nico. I got this.

She fired a wave of energy and blasted down Another Harpymon and I caught the Ridewatch and purified it and brought Penny Prism over.

Me: Awesome!

Rosty: What's your favorite memory of Nico?

Brianna Crow: Easy. When me and Nico built an amazing Underwater Hotel in Australia.

Me: Wait you guys built the Bubble Hotel in Australia!? That's the coolest underwater hotel ever and the view of the crystal clear blue waters of the ocean and the coral reef is amazing.

Qin: That sure is awesome.

Nico: Yep.

Nico and Brianna hugged.

Nico: I've missed you.

Brianna Crow: Same here.

We later went back home.

mythological animals, and they exploded with incredible power as

they hit him.

Augus: (LAUGHS) Yes, that's what I like to see. Now, then, time to get serious!

Suddenly, Augus was stabbed in the spine with a knife by Granmorg the Earth Monarch who vanished in a vortex of infernal lava and earth, and in its place stood a 6'11" tall male with orange hair and dark red eyes similar as Gina Granmorg's, massive muscular build, and he's dressed in a red prison jumpsuit: it was George Granmorg, the evil older brother of Gina Granmorg and the fifth of the eleven most dangerous thugs in Royal Woods.

George Granmorg: You had one fucking job, Augus: kill them all, yet you didn't! You failed us! YOUR LIFE IS FOREFEIT!

George Granmorg removed the knife and left Augus to die from a severely fatal wound.

Gina Granmorg: YOU FUCKING ASSHOLE!

Lincoln fired a rainbow energy blade which slashed George's cheek and blood came out, and he fled. We holstered our weapons and powered down as we ran up to Augus who was really bleeding badly from George's attack.

Lincoln: Augus, are you alright?

Augus: (Groans) That… bastard. He stabbed me hard in the back and severed my spine, and he also punctured my lung.

Me: That fucking asshole! He's dead, worse than dead after our mission today!

Nico: That's for sure! He disrupted our fight and stabbed Augus inflicting a fatal wound.

Augus: (To Lincoln) I… I know I'm… not going to live for much longer. But, I won't let my final breath be wasted: I want you to absorb me, once you do that, you'll be even more stronger than ever, and please… , look after Mithra.

Lincoln saw into Augus' eyes and soul, and even in his last moments in life, he still maintains his honor and his wishes are indeed true.

Lincoln: Understood.

Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger which opened up into a large sucker and then, he latched it onto Augus' head. Then, Lincoln sucked him into his body and absorbed the Greed Deity and he acquired Augus' superhuman physical strength, superhuman speed, agility & reflexes, superhuman durability & endurance, superhuman stamina, immortality, vacuum adaptation, Mantra of Greed, flight, soul extraction, and halo, and he also claims Augus' sword, Wailing Dark, as a trophy and added weapon to his massive arsenal of weapons. Then, the stinger changed back.

Lincoln: Augus, I swear to you, your code of honor will live on, and George, you will pay for what you did today with your own blood.

Nico: An honorable man like that does not deserve to be back-stabbed like that, that lowlife will pay for this!

Lincoln: That he will, Nico. (To Wilma Acres) And it's so good to see you again, Wilma Acres.

Wilma Acres: You too, Linky, and it's so good to see you and the others again, Sora, Riku, and Kairi.

Sora: You too, Wilma.

Lincoln went up to Wilma Acres and he hugged her, and Wilma Acres is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Wilma Acres: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Wilma Acres, Keyblade Knight of the 100 Acre Woods, she's my Guardian Angel from Michigan, she's a Keyblader and she harbors a very very nasty hatred for the 2023 movie Winnie The Pooh: Blood and Honey and wants to make sure that disgraceful movie gets taken down forever, and yes, her angel wings LITERALLY drip honey. She is also very great friends with Sora, Riku, Kairi and all their friends as well as Merlin and Pooh and all his friends of the 100 Acre Wood and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Sora: We won the trial days ago, and we got that movie banned forever, and it was thanks to the testimony of Pooh, King Mickey, and I that we won the case.

Wilma Acres: Wait, what?! You guys won the trial?!

Lincoln: We did, and we got that movie banned forever.

Wilma Acres: I hope the Mascots won't freak out about that anymore.

Lincoln: They won't, and we have our ways of making sure they don't, and now that you're here, Wilma.

Lincoln went up to and hugged Wilma Acres in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora

and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lincoln: Whoa, and your blood still tastes like honey.

Wilma Acres: It always is, and you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Wilma Acres' neck with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Wilma Acres: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Wilma Acres.

Wilma Acres had a smile on her face and tears in her eyes and she jumped Lincoln and proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the twenty-three girls, and when Lincoln saw them, he immediately recognized them immediately. The twenty-three girls are Natsumi Satou, Asami Nagoshi, Risa Iwai, Mari Okuda, Nozomi Iwai, Makoto Fukunaga, Maki Kudou, Kei Nakajima, Rika Kihara, Ai Nitta, Kaori Kawai, and Hitomi Yoshino from 12nin no Onna Kyoushi and Akira Naruse, Nao Yabe, Natsumi Machida, Iori Kikuna, Sayuri Furubuchi, Mari Nakayama, Shizuka Aihara, Misako Yokohama, Ryouko Katakura, Miyuki Kamoi, and Miho Hashimoto from 12nin no Onna Kyoushi Re-Innovation -In-.

Natsumi Satou: Yes, we're okay, thanks to you.

Then, when Natsumi Satou and the other twenty-two girls saw who it was that saved them from Augus of The Seven Deities, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving

Natsumi Satou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twenty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Natsumi Satou: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natsumi Satou, Asami Nagoshi, Risa Iwai, Mari Okuda, Nozomi Iwai, Makoto Fukunaga, Maki Kudou, Kei Nakajima, Rika Kihara, Ai Nitta, Kaori Kawai, Hitomi Yoshino, Akira Naruse, Nao Yabe, Natsumi Machida, Iori Kikuna, Sayuri Furubuchi, Mari Nakayama, Shizuka Aihara, Misako Yokohama, Ryouko Katakura, Miyuki Kamoi, and Miho Hashimoto with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Augus, the honorable of the Seven Deities.

But, when Lincoln showed what we did in beating Augus down, but before Augus could get serious and really go all out, he was stabbed in his spine by George Granmorg and left to die from a fatal wound and driven off by us and it led to Augus asking Lincoln to absorb which he did and he assimilated and he'd acquired Augus' superhuman physical strength, superhuman speed, agility, and reflexes, superhuman durability and endurance, superhuman stamina, immortality, vacuum adaptation, Mantra of Greed, Mantra Orbs manifestation, flight, soul extraction, and halo and gaining Augus' sword, Wailing Dark, as a trophy and added weapon to his massive arsenal of weapons, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Wilma Acres have a lot of catching up to do, now that she's back in town.

Maria: I know that's another member of The Seven Deities defeated, but Augus was an honorable man whom you wanted to have put in prison.

Lincoln: That's right, but because of what that asshole, George Granmorg, did, he basically sentenced Augus to die, and he asked me to absorb him and I gained all his powers and abilities along with his sword. I'm not letting George Granmorg live, later on today, he dies and I will make him suffer a lot for his crimes and I'll eat his heart and tear him to pieces. Augus' honor will live on, that I promise, it's what he would want.

Maria: Same here.

Gina Granmorg: But, it also proves one thing: George Granmorg truly is nothing more than pure evil incarnate with a pitch-black heart of evil and darkness. That asshole's life is done.

Me: He will pay!

Nico: With his own blood!

---

After Augus' mortal wounding by George Granmorg and his absorption by Lincoln, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Wilma Acres saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face,

hearts in her eyes, and her nose was bleeding.

Wilma Acres: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Wilma, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Wilma Acres: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Wilma Acres: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Wilma, what memories did you have with Lincoln?

Wilma Acres: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were canning some honey to sell to the markets and restaurants and Lori was helping us with managing the orders. But, then, we heard a loud belch in the air along with the smell of B.O. in the air, and we knew who it was that announced her arrival: it was Lynn, and she burst into our honey-producing factory, and she was out for blood. Lynn charged right at us and was about to kill us, but I fired honey blasts from my angel wings and they hit Lynn and stuck her to the wall and she was unable to move. We then called Luna who pulled Lynn out of the wall and threw her in a cage and took her back home where she got grounded for twenty weeks and thrown in a metal container like the animal she is.

Lori: She almost ruined their operations just because she was still driven by her bloodlust, which is why I was glad she, Lola, Lisa, and Luan banished me from their Anti-Lincoln Alliance forever, though it didn't mean I was off the hook that easily, but I was getting there by helping out. If it were up to me, I'd call the cops on that jackass jock and have them send her smelly butt to prison for good like the animal she is.

Me: I saw what Wilma did to Lynn and it was crazy, she was covered head to toe in honey and we had to spray her with a gallon of water, but she didn't want to get clean.

Rita: There was no way we'd let her track honey all over the house, and she did have it coming, and I was proud that day of Lori helping her brother and Wilma with their honey production.

Nico: She was improving, but to Lynn, Lola, Lisa, and Luan, she committed treachery.

Lincoln: And to me, if they tried anything to kill me or Lori, I would end their careers long before they could begin.

We got a shower, and then, Lincoln, Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir are heading to Reef Resort.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Denise Marmalade: Wow, so this is Reef Resort, it sure is awesome.

Lincoln: It sure is, Denise, and it's perfect for our date. Shall we?

Lincoln, Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir and they hugged them in their abnormally massive and powerful muscular arms, and Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Reef Resort, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Meddy EXE, Universe 666 Atlas, Belle, Denise Marmalade, Droitclair, and Eratoeir, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy

Adventure.

Me: I wonder which galaxy will be next.

Lola: This will be good.

Nico: Next is Sea Slide Galaxy.

Me: Sweet!

Stacy Bolton: I'll go with you for that. Surfing is one of my things.

Nico: Awesome!

Sage: I'll come too.

Nico: Okay then. Lets go.

They went in and Nicole activated the Simulator and they were at SEA SLIDE GALAXY!

Nico: Wow! Sea Slide Galaxy.

Stacy Bolton: Perfect Surfing Spot for me.

Nico: Yep.

Sage: It sure is beautiful.

Nico: Any tips, Nicole?

Nicole: (On the radio) Just got to get to the star. But this one is going to have a Cosmic Mario there.

Nico: Uh oh.

Then they heard Laughter and out came COSMIC MARIO!

Sage: Whoa is that!?

Nico: Cosmic Mario!

He looked like Mario but he was made of stars.

Cosmic Mario: You will never get to that star!

Nico: Come and stop us!

They teleported and got to surfing on the waves of the galaxy.

(SURFIN' DERP INSTRUMENTAL BY THE CAMPANULAS PLAYS)

They got to surfin and it was fun!

Stacy Bolton: YEAH! COWABUNGA!

Sage: SURF'S UP DUDES!

Nico: WOOHOO!

Cosmic Mario was catching up to them!

Nico: (gets out Harpymon and Pterodactyl Ghost's Ridewatches) This'll slow him down!

He activated them and fired waves of lightning and wind and blasted him down.

Nico: YEAH!

Stacy: Take this!

She fired a wave of lightning and electrocuted Cosmic Mario!

Sage: (ECHOING) THUNDERBOLT CUT! 雷光斬

He fired a massive shower of lightning blades from his sword and electrocuted Cosmic Mario all over and slowed him down.

Nico: YEAH!

They surfed on.

Nico: We must be ahead of him now!

They saw the lighthouse and in front of it was the star!

Nico: There it is!

They got to it and a Kingambit appeared!

Nico: A Kingambit!

Kingambit: (In a girls voice) I got this!

Nico: Kimi Exxington! Wow.

Kingambit fired an energy blast and blasted Cosmic Mario.

Nico: YEAH!

Sage and Stacy got the star!

YOU GOT A STAR!

Kingambit reverted back and she was a girl with brown hair and blue eyes and had yellow clothes.

Kimi Exxington: That was awesome!

Stacy Bolton: Righteous!

They high five.

Sage: What's your favorite memory of Nico?

Kimi Exxington: When me and Nico raided a casino and stopped an intense illegal gambling operation.

Nico: Yep. That was over in Utah where Gambling is Illegal.

Stacy Bolton: Wow!

Nico: Yeah.

Nico and Kimi hugged.

Nico: I've missed you.

Kimi Exxington: Same here.

They later left the simulator and we cheered wildly.

Later we were eating lunch. We were having Porkchops.

Wednesday Addams: What are you guys eating?

Me: Porkchops. The mascots made them.

Nico: They did a really good job.

I put nuclear hot barbecue sauce on mine.

Me: (Eating) Mmm!

Wednesday Addams: May I try some too?

Me: Sure Wednesday.

She had some.

Lightning Dust: I'll have some too!

Poromon: Now now we made more than enough for everyone.

Xenia: Awesome.

We got to eating and had a great meal.

Lightning Dust: (Eating) Mmm! Delicious.

Timon: Exquisite and delicious.

Nico: It sure is.

Lana: Yep.

Crumplezone: Now THIS is food!

Nico: You got that right!

Homer: WOOHOO! Always love good pork chops.

Poliwag: And with extra gravy for you Homer.

He dumped gravy on them.

Ed: Yum! Gravy!

We laughed!

?: May I have some too?

We saw a Scream Tail.

Me: Cool a Scream Tail.

Misty Tredwell: Wow it looks like a Jigglypuff.

Me: It sure does look like one.

Xenia: But it's the ancestor of a Jigglypuff.

Scream Tail: (In a girls voice) Yep. Pretty cool.

Nico: Simone Oceanbird!? Wow!

She reverted back and was a girl with pink hair and had blue eyes and yellow and purple clothes.

Simone Oceanbird: Awesome to see you Nico.

Nico: Yep and yeah you can have some.

Simone Oceanbird: Awesome.

She got to eating with us.

Ultra Magnus: What's your favorite memory of Nico?

Simone Oceanbird: When me and Nico found a cave and we found that it was a beautiful crystal cave.

Nico: It was really awesome.

Simone Oceeanbird: Yep.

Me: Beautiful.

Nico and Simone hugged.

Nico: I've missed you.

Simone Oceanbird: Same here.

Batch: (to the mascots) Did you guys love those pork chops?

Poromon: (BURPS) Oh pardon me.

Poliwag: We sure did.

Xenia: Boy they were great. (BELCH) Oh pardon me.

Nico: Those were good.

The previous group came.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the third mission to retrieve the fourth piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The fourth piece of The Tablet is located in Ultimate Earth, and it's in the hands of Ultimate Electro.

Lincoln: Whoa. Okay, this is one electrifying battle that I'm so going to enjoy, and all those battles with Electro have prepared me for this. But, I fear it won't be easy: if Ultimate Electro has the fourth piece, it's bound to have done something to him.

Nico: My thoughts exactly.

Ren Krawler: Nico, which Gene Slammers do you think you'll meet next?

Linehalt: 2, right?

Nico: Yep. Brute Bonnet And Flutter Mane.

Xenia: Neat! Those two are the ancestors of Amoonguss and Misdreavus.

Qin: Awesome.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the third mission to retrieve the fourth piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The fourth piece of The Tablet is located in Ultimate Earth, and it's in the hands of Ultimate Electro.

Me: WHOA! This will be electrifying!

Lincoln: Whoa. Okay, this is one electrifying battle that I'm so going to enjoy, and all those battles with Electro have prepared me for this. But, I fear it won't be easy: if Ultimate Electro has the fourth piece, it's bound to have done something to him.

Nico: My thoughts exactly.

Eli: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than George Granmorg, the evil older brother of Gina Granmorg and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Gina and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Gina, you're not going to like it: the figure we sensed is none other than your evil older brother, Gina Granmorg, one of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison, and we can't forget what he did to Augus on my rescue.

Gina Granmorg: That's something we can't forget ever, Linky. So, now my older brother, George, has come after us. I always knew that stupid moron would be the first to come after us, he's such a asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say yesterday, he Gene-Slammed himself into Granmorg the Rock Monarch, right, Gina.

Gina Granmorg: Yes, I did, Anna. But, I refuse to let George live a single second further and after what he did to Augus, now he's really crossed it, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Ultimate Earth to retrieve the fourth piece of The Tablet and defeat Ultimate Electro.

Lincoln: You're not getting out this, Ultimate Electro, you're going to be taken down, and once we get done defeating Ultimate Electro and retrieving the fourth piece of The Tablet, you're next, George Granmorg, and you better be ready to die along with answering for what you did to Augus.

Gina Granmorg: You've gone way too far this time, George. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Granmorg the Rock Monarch. This won't stand, I'll make sure that you're left as molten slag after we defeat Ultimate Electro, and you will answer for what you did to

Augus, you asshole.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Ultimate Earth to retrieve the fourth piece of The Tablet of Order and Chaos and defeat Ultimate Electro, and once we get done with him, Lincoln and Gina Granmorg are going to kill and destroy her evil older brother, George Granmorg.

We were off.

NEW YORK CITY - ULTIMATE SPIDERMAN UNIVERSE!

---

The sun sets in this younger, alternate version of the Amazing Shattered Dimensions Universe. Ultimate Spider-Man is swinging comfortably in a forest outside the city bonded with the Black Suit that he hates so much. But thanks to Madame Web and her psychic powers keeping it under control, Peter is given a chance to enjoy it this time and the useful enhancements it gives to his spider-powers. Hopefully.

Ultimate Spiderman: What is that weird smell? Oh. Right. Fresh air! (swings deeper into the forest) Wish I could enjoy bein' outta the city, but this suit is throwing me. I feel dirty… And not in a fun, let's-go-clubbing way.

?: Hey! Wait for us!

Ultimate Spider-Man turned around to see us catching up to his position.

Ultimate Spiderman: Hey guys! You all made it.

Me: Glad we could.

Poromon: That black suit is makin' ya a speedy little spider.

Ultimate Spiderman: Don't call me little, Kirby Junior. How're you guys liking my dimension so far?

El Oso: (Spanish Accent) Honestly, it's not so much different from our dimension.

Me: It's cool though.

Lisa Loud: Also this will help you stay in permanent control of the symbiote in you.

She put the device she made on him and it reigned in the symbiote completely.

Ultimate Spiderman: Wow! Thanks Lisa.

Me: You'll see what it does soon.

Ultimate Spiderman: Alright. Gotta focus. That magic rock is around here somewhere.

Spider-Man faces the power plant in front of us. His upgraded Spider-Sense is sensing a fragment in that vicinity, as well as familiar trouble. The power plant is more active than usual. The blue electricity it's discharging seems to be getting drained by something else. Or someone. Someone that Spider-Man knows all too well.

Ultimate Spidey: Aaaaand I just figured out where. Follow me.

We race into the electrical complex to find a bald-headed man with a body made of blue pure energy sucking up some of the electricity in the joint. And once he's charged up, he spirals into the air cackling electricity around his naked body.

We saw that it was MAXWELL DILLON A.K.A. ELECTRO!

Horsea: Is that… Electro?

Ultimate Electro: Aww, if it isn't the spectacular spider-schmuck. And you brought new friends and pets!

Poliwag: We're not pets!

Me: Maxwell Dillon A.K.A. Electro. Awesome and electrifying to see you.

Ultimate Spiderman: (blocks view of Ultimate Electro's groin) Oh dude, pants! No one wants to see your junk. There are girls here!

Lincoln: Don't forget Nicole.

Me: Yeah haven't you heard of clothes!?

Ultimate Electro:: Keep laughin', punks. See what I found? (shows us fragment) What do you think happens if I use it?

Me: The FRAGMENT!

Ultimate Spiderman: Uhhh… Interest rates go down?

Lincoln: Free medical care?.

---

Suddenly, thunder booms in the sky as dangerous sparks of electricity frequently cackle from multiple generators around Electro, much to his pleasure and likening,

Ultimate Electro: YES! It's like my powers are totally unleashed - now I can absorb ALL this energy! ENERGY WITHOUT LIMIT!

Ultimate Spiderman: And yet, still no pants.

Me: WOW! This is gonna be ELECTRIFYING TIMES 100!

Lincoln: It sure will be! But I HAVE lightning without limit too!

Me: Me too!

Me and Lincoln FLARED UP INCREDIBLY POWERFUL LIGHTNING AURAS!

Me: SHOCKING!

To demonstrate his enhanced powers and scare away, Electro uses his electricity to turn on a nearby truck and its headlights.

Ultimate Electro: See what I can do now?!

Ultimate Spiderman: (sarcastically) We are SO impressed! We never SEEN anyone start a TRUCK before!

Ultimate Electro: Laugh it up, loser!

Me: He is made of pure lightning so that's no surprises there.

Cynder: Give it up, Electro. By now, we're familiar with your tricks.

Ultimate Electro: (confused) I don't remember ever fighting you punks!

Me: That's because we're Team Loud Phoenix Storm! The most powerful force in the entire universe!

Ultimate Electro: I've heard many things about you all! You have amazing power and were responsible for destroying many bad guys.

Me: And they were infinitely more powerful than you right now.

Lincoln: You're definitely going to remember the beatdown we're about to give you now!

Lincoln jumped over to punch the electric man, but he was too fast and flew away from him

Me: WOW! He is fast!

Ultimate Electro: You can't keep up! I'm moving at the speed of light! Now, how about THIS?!

He drops several electrical orbs in front of his enemies, not as attacks, but as a way to create beasts made from his pure energy.

WE GASPED!

Ultimate Spiderman: Wh-What the?!

Ultimate Electro: Impressive, huh?

Ultimate Spiderman: Little versions of you? I think the word is 'creepy'.

Me: He can create minions of pure lightning!? That is so cool!

Lincoln: YEAH!

Ultimate Electro: You know what I love? Some backup!

Maria: I thought you love lamps and eating batteries.

Me: EW!

Ultimate Electro: Very funny!

Me: El Oso was Electro back home ever capable of doing that?

El Oso: No amigos, he tried many times but could never get it right.

Nico: That is still cool though.

Unknown to us, the truck that Electro turned on earlier starts driving on its own and towards us.

Ultimate Electro: (laughs) What was that about not being impressed about that truck trick?

We jumped out of the way and I fired a wave of lightning and threw the truck at him and he dodged it and it exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Me: That was awesome! You turned that truck into a remote controlled toy with your lightning.

Ultimate Electro: Yeah I have many more amazing powers with this.

Me: That is awesome. And Electro-Beast Synthesis. That is awesome. Lets see if I can do that.

I formed a huge ball of lightning and threw it and it formed into A DRAGON OF INTENSE LIGHTNING!

Ultimate Electro: WHAT!?

Nico: WHOA!

El Oso: AY CARAMBA! That is amazing!

Nico: WOW!

Me: Not bad for my first time doing that huh?

Ultimate Electro: Very amazing!

I fired a wave of lightning and blasted the Lightning Beasts and blasted them down.

The Lightning Dragon blasted down Ultimate Electro with a massive blast of lightning and he was down!

Lincoln: WHOA!

Qin: That was intensely shocking!

Girl Jordan: YEAH IT WAS!

Xenia: That was cool!

Lincoln goes up and confronts Electro and fires upon the electrical menace, but he keeps moving so fast none of his shots connect,

Ultimate Electro: Ha ha! You can't touch me!

Tar Pit throws a large object that almost hits him while he was distracted with Lincoln, but he still managed to dodge it in time.

Ultimate Electro: (laughs) Hasta la bye bye, losers! (flies away through a tunnel)

Ultimate Spiderman: Zapping away, Electro? I thought you'd be electrified to fight us with your new powers!

Lincoln: How re-volting.

Luan: (LAUGHS) Good one Lincoln!

Tar Pit: Can't think of any more puns, huh?

Ultimate Spiderman: Sorry we don't have anything more current.

Me: It was till SHOCKING!

Nico: Yeah!

We blasted the lightning minions.

Me: Boy this is REALLY ELECTRIFYING!

Static Shock: It sure is! I'm really looking forward to this one.

Nico: Me too.

Stopping with the puns for now, we pursue the electric man through the tunnel while making sure they don't get zapped by his electrified traps. We followed him into a water maintenance room with several workers still working here. Electro spots the water pump behind a gate and gets the bright idea to damage it, slowly filling the room with electrified water that'll kill the trapped workers, distracting us long enough for him to laugh and escape.

Worker 1: He broke the water pump!

Worker 2: Somebody HELP! The water's electrified!

Tai Kamiya: More people to save. All in a heroic day's work.

Me: I'll take in all the electricity.

I unsheathed my sword and like a powerful lightning rod I sucked in all the electricity!

Kevin Levin: Let me help too!

Kevin absorbed all the electricity too.

Dusk: Now to rescue the trapped workers.

Naruto: I got that!

He formed Shadow Clones and they went and did that.

Naruto got the workers to the valve room and and they opened the door.

Man: Okay door's open guys!

Me: Thanks!

Cavalier: Thanks for the help, gentlemen! Get to someplace safe, because somebody's gonna get shocked!

Me: Yeah we're talking billions of volts of electricity.

Man: Okay!

They got to a safe spot and we went down a tunnel.

We rush through the door and into a tunnel hunting down Electro. When we entered the tunnel, Spidey can feel his head buzzing to danger, possibly Electro. At the same time, Nico's hearing some strange, weird noises coming from the end of the tunnel.

Nico: Do you guys hear something?

Me: I sure do.

We soon arrive in a generator room to see Electro absorbing massive amounts of energy from the generators, which is making him feel very disturbingly good judging from how he's feeling.

Ultimate Electro: Ah! That hit the spot! Yeah, baby! Like that! Right there!

Ultimate Spidey: Uh, ew! Do you and your generator, like, need some time alone?

Qin: Yeah!

Eret: He's absorbing all the energy from the generators

Electro finishes absorbing all the energy this generator room could produce and unleashes a large electrical shockwave throughout the chamber to show off his increase in power.

Ultimate Electro: Let's get this party started.

Ultimate Spiderman: Ah, you turned this place into a disco. Classy.

Me: Lets dance then.

I teleported and punched him in his face and knocked him down. Then we clasped hands and lightning struck all over!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Billy Batson: Time for some action here! SHAZAM!

LOUD THUNDERCLAP!

He turned into CAPTAIN THUNDER!

Nico: Lets give him an incredible surge! DRAGON THUNDERCLAP!

The 5 Star Dragonball on his bracelet glowed and he fired a powerful blast of lightning.

Thor, Storm, Captain Thunder, Lightning Lad, Lincoln, Linka and the lightning users fired lightning blasts and they hit me and I absorbed the lightning and overloaded Ultimate Electro and he screamed in pain as I punched him down with devastating force and punched and kicked him all over!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Qin: WHOA! THIS IS REALLY ELECTRIFYING!

Xenia: Wow!

While this was going on, Poromon took the time to drink some beer.

Ultimate Electro: What are you doing?

Poromon: Chasing you made me thirsty.

Ultimate Electro: Okay. You had enough to drink. (grabs beer)

Poromon: (pulls beer to him) No. This is my beer! Get your own!

Ultimate Electro and Poromon started fighting over the beer.

DC Enchantress: You're choosing now to drink!?

Nico: All right don't make me report you both to the principal!

I teleported and punched Ultimate Electro down.

Me: That's Poromon's beer! Not yours! If you want to hit someone as fast as Saturn's lightning, then hit me!

He went at me and I dodged his strikes and fired powerful blasts of lightning and smashed him down.

Ultimate Electro then teleported on top of one of the generators.

King Kai: (in our heads) Look for Electro on top of the generators!

Marcus Damon: I see him!

He was absorbing more electricity!

Me: Uh oh!

He teleported.

Ultimate Electro: SURPRISE!

He then FIRED A MASSIVE CONCENTRATED BLAST OF LIGHTNING!

I then fired a massive energy wave of lightning too and the blasts collided and lightning struck all over the place with intense voltage!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP THUNDERCLAP THUNDERCLAP! THUNDERCLAP! THUNDERCLAP! THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Nico: WHOA!

Qin: AWESOME!

Xenia: WOW! That is powerful!

Eli: WOW! That is amazing!

We stopped for a sec.

Ultimate Electro: WOW! That is amazing how you know so many lightning techniques!

Me: You would be amazed at what I can do along with all of us. Lets see how you handle Zzzax's power!

I turned myself into PURE LIGHTNING!

I then teleported and punched him all over with intense force!

Nico: HOLY TESLA COILS!

Eli: WHOA! I didn't know bro can do that!

Varie: WOW! J.D. turned into PURE LIGHTNING!

Mollie: That is so cool!

Lincoln then charged at Ultimate Electro and started grabbling with him. He beat the crap out of him. When Ultimate Electro tried to punch him, he dodged it and continued to beat the crap out of him. This process repreated 2 more times before Lincoln then pushed him back. Spidey lunges forward with another flying kick at the seemingly weakened Electro, only for him to miss as the villain teleports away from his attack and hovers before him and us.

Ultimate Electro: You kids think you're SO hot, don'tcha?!

Ultimate Spiderman: Actually, now that you mention it…

Ultimate Electro: Well guess what, twerps? That's just one o' the generators in this joint. And the more of 'em I drain, the stronger I'll get!

Nicole: Can you at least get some clothes first?

Ultimate Electro roars and flies off from her annoying joke.

Nicole: I was actually being serious.

Nico: After him guys!

Xenia: YEAHQ

Lincoln: I'm really mad now!

Ultimate Electro: I'm done with you!

He decided create red versions of his electrical beasts to slow us down.

Me: Red Lightning Beasts!? WHOA!

Ultimate Electro: Enjoy suckers! More friends for you to play with.

Grier: Let's clear them in less then a minute!

Me: All I need (Reverts back) Is 10 seconds!

I fired blasts of Saturn Lightning and blasted them all down.

Nico: YEAH!

Now outside, Electro summons more electric beasts that rampage towards us.

Spider-Man morphs his arm into a large tendril and sweeps the creatures off the bridge they're running on. Electro tries to run them over with another truck but that quickly failed, so he quickly goes back summoning more monsters to fight for him.

Ultimate Electro: Let's make this a party!

He now creates green electric monsters that can shoot beams of energy from their mouths.

Me: WHOA! Green Lightning Beasts that can fire laser blasts!? WHOA!

Turtle: Let's trick those green monsters into using their lasers on the other monsters!

Eli: Allow me!

Eli ignited his lightsaber and deflected the blasts and blew the beasts apart!

Qin: OH YEAH!

Nico: Nice job Eli!

Ultimate Electro: Feeling a little 'rundown'?"

Ultimate Spiderman: OOOH. We're all doing puns now? Then let's socket to 'em.

Lincoln: Haha. Getting a little charge outta this, aren't ya?

Me: Yeah we are!

Acid Storm: Seriously! Enough with the puns!

Ultimate Spiderman: Hey, hey. Don't need to get so short.

Ultimate Electro: Urgh! Even I'm getting sick of your lame jokes! Here's something to shut you up!

Electro uses his energy to create a more powerful energy creature: A large purple electrified beast that roars like a beast.

Me: WHOA! He summoned a Purple Lightning Beast!

Nico: And this one is bigger than the others!

Ultimate Spiderman: You're a big fellow.

Lincoln attacks first with some strong punches on the purple beast. Surprisingly, it's electric shield is too strong for him to break through and is then slashed away with its electrified claws.

Lincoln: Ouch. Alright. These ones might be a little annoying.

Maria attacks from a distance, throwing crates and other objects that disrupt it's shield.

Maria: Throwing stuff at it seems to be doing the trick.

Me: I got this one! CHIDORI!

I formed a Chidori and slashed the beast and destroyed it!

Qin: Nice one!

Sasuke: That was awesome!

We continue chasing our enhanced villain into the next room inside the power plant.

Maria: Stop running away, Electro!

Me: YEAH YOU COWARD!

Ultimate Electro: (summons more purple monsters among other variants) You can't tell me what to do! (leaves)

The purple creatures slowly walk towards confronting our with their beasty roars. Before we knew it, one of them lunged at us and starts attacking them, but we're able to hold their own. The same can't be said for the Ultimate Spider-Man though. The other purple beast lunged onto his body and violently pins him to the floor while making it very hard for him to free himself.

Ultimate Spiderman: Hey! Get off me!

But the beast claws him, which not only hurts, but is also making him angrier.

Ultimate Spidey: Get off! (the beast attacks him again) I said, get OFF ME, you little FREAK-!

He violently double kicks the beast off of him with so much force he sent it flying, causing it to collide into the wall, cracking it in the process.

Nico: Whoa! Kid Spidey was using a lot more power than usual.

Yang: That's… not a good sign.

Both her and Knuckles look at Spider-Man as they notice something odd going on with him. His body is emanating a dark aura as his black suit looking like it's ready to burst from all the rage and pain it experienced, something Spider-Man is desperately trying to prevent from happening.

Ultimate Spiderman: Oh man, I knew this would happen!

Mikey Kudo: Spiderman, calm down. Okay?

Ultimate Spidey: I can't! It's this SUIT! Gotta get it off me before I-.

Me: UH OH!

But alas, it was too late. His short-tempered rage was enough to strengthen his symbiote into the next, destructive level of carnage,

Ultimate Spidey: ARRRRGGGGHHHHHH!

Tendrils explode from multiple parts of his body and unleashes a powerful shockwave that blew back his friends and foes to a corner.

WE GASPED!

Maria: What power!

Me: HOLY FUCK!

He destroyed the beasts with ease!

Lola: WHOA!

The rage-powered Ultimate Spider-Man has had enough and cuts loose with the full, raw power of the black suit. Lightning-fast tendrils demolishes the electric monsters in his path. His spinning tentacles move so fast with so much power even the larger, purple creatures stand powerless against his raging might. Spider-Man's punches become so fired up that whenever he pounds the ground with them, several large tendril spikes surge from beneath and pierces through his enemies until they pop.

Manaphy: Look at him go! That rage! Such ferocious strength! It's almost scary!

Lisa Loud: J.D. here!

She gave me a remote control and I pressed the button and the device activated and calmed him down.

Ultimate Spiderman: WHOA! What happened?

Me: Remote control for Lisa's device.

Lisa Loud: What you experienced was the calming devices power to help keep you calm.

Ultimate Spideman: Thanks. I'm okay now!

Jungle Fury Jarrod: You sure?

Ultimate Spiderman: I'm fine, I'm fine! Honest. Surprisingly, I was still pretty much in control over myself. Guess Madame Web has a tighter leash on this suit than I thought.

Me: Boy thank goodness.

Nico: Don't scare us like that. We thought we lost you.

Ultimate Spiderman: Sorry. For once, I just wanted to have a little fun with this suit while it's not trying to turn me into a monster.

Lincoln: You sure that symbiote you're wearing ISN'T an alien?

Ultimate Spiderman: No, it's not. This suit was originally created by my father in an attempt to cure cancer. As you can clearly tell, it didn't work out very well. I am MORE than happy to take this thing off once we're done saving reality.

Me: Wow that is interesting.

Lincoln: You don't have to decide now. But now you have a new

'Rage Mode' to help you out in battle. If you want my advice… Only use that power as a last resort. And get a hold of that temper. Trust me. We speak from experience.

Me: Yeah only use it as a last resort.

Ultimate Spiderman: Good idea.

We continued after Ultimate Electro.

We rushed at full speed to find Electro somewhere in the power plant. We quickly dispatched the monsters trying to keep them busy and run to the next set of generators. As we horrifyingly expected, Electro is already there draining them of their energy making himself stronger than ever, becoming slightly bigger as well.

Ultimate Electro: I'm becoming MORE than powerful. I'm becoming UNSTOPPABLE!

Me: We'll see about that!

Ultimate Spiderman: And you're still not wearing any pants, sooo, two steps forward, one step back.

Me: Yeah! Put some clothes on Sparky!

King Kai: Electro is even more powerful now. Strike when his energy field is down!

Me: He may be more powerful now. But he will be electrocuted!

Ebon: (to Ultimate Electro) I used to fight Static on a daily basis. You're not any different.

Ultimate Electro: Tell me there were more electric Bang Babies then just Static.

Ebon: Honestly… no.

Me: Static is the only one out of all of them. I think the Quantum Vapor only used each kind of power once.

Ultimate Electro: Oh. Forget I asked then.

Nico: Noted.

Emu: I got something that might help.

Gachan! Level Up! Tenchi sozo no chikara! (Get make!) Mirai no gamer! Mighty Creator VRX!

Emu got his Creator Gamer form.

Me: Oh yeah!

Emu: Lets make this fun!

Qin: And continue this without Continues!

Lola: Yeah!

Emu: Lets dance!

I fired a wave of energy and blasted Ultimate Electro and blasted him all over.

Both Agumon and Data Squad Agumon charged at him

Agumon: (ECHOING) PEPPER BREATH!

They fired fireballs and blasted him.

Me: (ECHOING) LIGHTNING WHIP!

I fired a wave of lightning and it grabbed Ultimate Electro and I threw him and smashed him into the ground!

Me: Take that!

Michael: Go, Electrode!

Michael's Electrode came out before he and Shoutmon charged at Ultimate Electro.

Shoutmon slashed Ultimate Electro.

Michael: ELECTRODE THUNDER!

He fired a powerful blast of lightning and electrocuted Ultimate Electro!

Xenia: Take that!

Ultimate Spiderman: Wow. You guys are more powerful than I thought. Like smaller versions of the Hulk but don't turn green.

Me: We'll take that as a compliment.

Electro gets slammed onto the crater, feeling a lot weaker than he was a moment ago as we confront him.

Ultimate Electro: I need to recharge…

Ultimate Spiderman: You know what I find helps? Rest and relaxation, turn the tv off, just have a little 'me' time… But that's probably not what you're talking about.

Me: Yeah.

Ultimate Electro zaps Ultimate Spiderman before charging at him. The two of them grapple with each other. He beat the crap out of him. When Ultimate Electro tried to punch him, he dodged it and continued to beat the crap out of him. This process repeated 2 more times before Ultimate Spidey then pushed him back. Ultimate Electro then ran away.

Me: Get back here coward!

Lincoln: Should we be shocked he did that?

Spinister: Probably not.

Me: Nah. Lets get after him!

We went after him!

We quickly catch up to Electro through an incoming thunderstorm as his powers continue to grow from generators. But he is still in need of more energy to reach full power. He creates a large swarm of his electric monsters to keep us busy for a bit, even throwing in a truck that almost rams into Spider-Man for good measure.

Ultimate Spiderman: (dodges it) Trucks. We get it! You REALLY have a thing for trucks, huh? A-Are you sure you want to be called 'Electro'? How 'bout 'Electruck'? Truckacon? Truck Master? Truckleberry Finn? Trucker V? I know, Professor Pickup!

We couldn't hold it any longer. The truck joke was too funny it caused us to burst into insane laughter.

We laughed a lot!

Me: Okay that was funny!

Ultimate Electro: BE QUIET!

Ultimate Spiderman: Yeah. I really drove that one into the ground.

Me: What jealous you can't come up with a truck joke!?

Ultimate Electro: Maybe THESE will shut you up!

Electro creates two more large purple beasts in front of a building while he infiltrates it for energy.

Ultimate Spiderman: Maybe they'll make me talk more. You'll never know.

Overdrive: How about I take control of those trucks?

Nico: Go for it.

He did so and sent them back and smashed him with them!

Qin: YEAH!

Ultimate Electro: (summons more creatures) Maybe these will keep you out of my hair!

Ultimate Spiderman: You don't even have hair.

Black Spider: Not that they'll stop us anyway.

Me: Yeah!

I fired waves of lightning and blasted more Lightning creatures.

Me: Yeah!

Xenia and Laney fired waves of energy and arrows and blasted the Lightning Beasts.

Ultimate Electro: (summons more creatures) Maybe these will keep you out of my hair!

Ultimate Spiderman: You don't even have hair.

Black Spider: Not that they'll stop us anyway.

Me: Yeah!

I fired waves of lightning and blasted more Lightning creatures.

Me: Yeah!

Xenia and Laney fired waves of energy and arrows and blasted the Lightning Beasts.

Ultimate Electro: You sure you and Webhead aren't related?

Black Spider: Just because we have Spider in our names doesn't mean we're related. My real name is actually Eric Needham.

Ultimate Electro: I see.

Ultimate Spiderman: Time to get my rage on!

Me: Uh oh!

Ultimate Spiderman went into Rage Mode.

He bashed and pulverized the Lightning Beasts all over!

Qin: YEAH!

Ultimate Spiderman: That's all of his pets. Where did Electro go?

Lincoln: Probably somewhere inside absorbing more power

King Kai: Lincoln is right. Team Loud Phoenix Storm, you must keep Electro from gaining more access to power sources.'

Nico: We already knew that.

King Kai: Perhaps, but you don't know the grave consequences you're facing for failing to stop him.

Ultimate Spiderman: (sighs) Worse than a little light show, huh?

King Kai: MUCH worse.

Ultimate Spiderman: Of course.

Nico: Lets go!

We went into the Dam.

The large door that leads inside the generator room opens for us, most likely because Electro is in the middle of absorbing more and more energy as his strength keeps on increasing to almost immeasurable heights.

Ultimate Electro: Yes… yes… yes!

Me: WHOA! He's getting bigger!

Ultimate Spiderman: No, no, no?

Ultimate Electro: More power!

Lincoln: Less!

Ultimate Electro: More!

Ultimate Spiderman: LESS!

Ultimate Electro: MORE!

Me: Make up your mind!

Nico: Why don't you just give up, Elec-?

Electro interrupts Nico with a frightening roar of power as everything inside the generator room goes crazy with electricity as he flies away.

Nico: Okay never mind But, y'know, if you change your mind, giving up is still an option.

Lincoln runs over to a walkway, trying to pursue Electro, but the second he approaches, the out-of-control electricity shocks him to the ground.

Lincoln: The electricity is crazy here! We'll never reach Electro like this!

Nico: No shit!

Ultimate Spidey: We just need to stop the electricity! That's how we'll get to Electro!

?: Spider-Man! HELP!

We look over to see a worker on his own surrounded by electricity.

Me: Oh man!

Lincoln: I'll get him!

Lincoln flew over and rescued him.

Lincoln: You okay?

Worker: Yes, I am fine.

Lincoln: Can you help us get to Electro?

Worker: Sure thing. Follow me.

The worker leads us to a terminal that he immediately starts working on.

Wroker: Me and my co-workers use these terminals whenever we experience an electrical overload. I can use them to shut it down, but I won't be able to stop them all. You'll need to rescue my other co-workers in the building and bring them to the other terminals. Two of them will help you open the blast doors to Electro!

Me: Okay!

Xenia: Got it!

We saw the two co-workers.

Me and Xenia flew over and rescued them and brought them over.

Nico: Are those doors open yet?

One of them replies with a thumbs up, confirming they have succeeded opening the blast doors. As the giant doors open and they walk in, Peter's head is buzzing like crazy.

Tomahawk Man: Time for our entrance!

Nico: Lets do it!

We went at the door.

At the dam the spirits of thunder appeared and swirled around the area and then converged and then…

---

Lightning struck all over and then lightning formed into a thunderbird and it released a cry and then we came out. But what we SAW WAS SHOCKING FOR US! NO PUN INTENDED!

Below a massive and dangerous lightning storm that tears a frightening hole into the sky, we stand together in total united shock, staring at the electrified, gigantic Electro after he has absorbed too much energy.

Me: HO-LY! FUCKING! SHIT!

Nico: (pales) Mommy.

Eli: LOOK AT THE SIZE OF HIM! He's as big as a kaiju!

And the giant Electro is still draining energy. He's standing behind a dam blocking a massive amounts of water but cares more absorbing the energy from generators attached on it.

Ultimate Electro: I HAVE BECOME A BEING OF PURE ENERGY!

Lincoln and Ultimate Spidey: WITHOUT PANTS!

Ultimate Electro: NEXT - THE CITY! ALL THAT POWER!

Dr. Light: Not unless we stop you! You might have electricity. But I have light itself!

Spider-Man seems to have an idea. Taking a closer look, he notices the rain reacting to Electro's giant body, and as a science kid, he knows electricity hates getting in contact with water.

Ultimate Spiderman: Oh, don't like the rain, huh?

Ultimate Electro: IT'S HARMLESS… LIKE YOU ALL.

Ultimate Spiderman: Lemme see what we can do about that. On BOTH counts!

Andros: Red Battlized Ranger!

Maximum Gashat! Gachan! Level Max!

Emu became Maximum Mighty X.

Me: Time for some pain!

I Fired waves of energy and blasted Ultimate Electro all over!

Lincoln and Linka and Thor, Storm, Captain Thunder and all the lightning users blasted him all over!

Nico: Spiderman, what's the plan? Because your Ultimate self, Emu, and Andros can't keep him occupied forever!

Spiderman: (points to dam) See that dam?!

Lincoln: Say no more! We just gotta destroy it!

Me: Right!

Ultimate Spidey: And big boy's gonna help us do it! Just look at him!

Me: Yeah!

I fired a massive blast of energy at the dam and blasted huge holes in and blasted the energy pylons.

Lincoln: Taste my thunder blade!

Lincoln fired a massive blade of lightning and blasted the dam.

Qin: Take that!

Then Eccentro, Ragdoll, Riddler, Metal Sonic, Marionette Shadow, Dodgeball Wizard, Batroc, Xaldin, Abra Kadabra, and Motor Ed appeared.

Nico: Eccentro, Ragdoll, Riddler, Metal Sonic, Marionette Shadow, Dodgeball Wizard, Batroc, Xaldin, Abra Kadabra, and Motor Ed.

Eccentro: Our Electro would love meeting this one.

Ragdoll: After all the fragments are gathered.

Metal Sonic: Good idea.

Marionette Shadow: (to Nico) We heard you fought Grazar.

Nico: We sure did.

Riddler: Riddle me this: Are the poisoned people okay?

Nico: Yeah they are okay.

Me: All cured.

Meteor came.

Me: Meteor! Back for another round?

Meteor: I sure am.

Me: Cool cool.

Meteor: Damn, Ultimate Electro sure is big right now!

Me: You're not kidding there!

Qin: Yeah!

We got the battles underway!

---

Eccentro was first.

Eccentro: (to Linka) Nico's Rescue involved Guy Grazer returning for Revenge by POISONING ALL THE RESTAURANTS FOOD. Becky and Crystal Lullaby Transformed and kicked his hot tempered ass into pulp

Linka: Yeah that was an amazing sight. But it was awesome! Guy Grazer did a big time Kurata style Villainous breakdown and it massively supercharged J.D.

Eccentro: That explains what that massive explosion of energy was earlier!

Linka: Yep. Also we met the Embodiment of the Red Rangers, Tracey Burrows. She is Troy Burrows Little sister.

Eccentro: Wow! I didn't know Troy had a sister.

Linka: Yep and she is also Lincoln's guardian angel and has 47+ Years of rangers in her. Also we met Takeshi Hongo, the first Kamen Rider from 1971.

Eccentro: WOW! I heard he helped you guys out during the 20 Days of Darkness when you were in Twilight Town.

Linka: He sure did! That was so awesome and cool.

Cow: We were amazed that he showed up with Tracey.

Chicken: We sure were!

Beetlemon: Boy that was so awesome having him help us.

Rainbow Dash: It sure was awesome.

Scootaloo: You got that right.

Whirlwind: That was cool!

Eccentro: Boy I can't help but wonder what other riders came from the 1970s and 80s that helped you guys during that time. Lets do it!

Linka and Eccentro called out their Pyroar and Raikou! Linka and Lincoln merged and they formed into LINKACOLN! Electro and Eccentro merged and they formed into ELECCENTRO! Linka and group fired waves of lightning, rainbows and wind and smashed them down.

Tecna, Merida, Nadine Tyrannus, 2018 Dark Phoenix, Helena Helios, Sophia Kitka, Ingenica, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Chompy Mage and Cynder VS Riddler, Yzma, Homer Clones, Buccarat, Thraxx, and Magmar (Secret of Evermore) - Lincoln's rescue

---

Riddler was next

Riddler: (to Tecna) I heard Lincoln's rescue was in Grand Rapids. Riddle me this: How was it?

Tecna: (British Accent) It was a really crazy one. We were there to destroy the next of The Seven Deities, Augus of The Seven Deities. But we got a shock seeing George Granmorg double cross him and kill him! Lincoln absorbed him into him.

Merida: (Scottish Accent) Aye! That was a really bold move of Lincoln now.

Ingenica: It sure was.

Fluttershy: It was sad to see Augus die.

Tornado Bolt: Even though George was the one pulling the strings Augus still had honor in him.

Seabreeze: (Swedish Accent) Ja ja He did nothing to deserve that.

Stealth Elf: Yeah no kidding.

Riddler: That is awful! But I'm glad Lincoln saved him from dying like that. Lets do it!

Tecna and Riddler called out their Unown! Tecna and Helena Helios merged and they formed into TECELENA HELIOS! Riddler and Thraxx merged and they formed into RIDTHRAXX! Tecna and group fired waves of leaves, grass, flowers, fruit and energy and smashed them down.

Me: Yeah!

Ultimate Electro: (about to finish us) TIME TO TALK TO THE HAND!

Ultimate Spiderman: Why didn't you do that sooner instead of having your hand talk to someone else?

Ultimate Electro: HUH?!

Lincoln: Are you that clueless to not realize we've been fighting on a dam this entire time? I wouldn't be shocked if you were..

Nico: Surf's up!

The water slowly starts to pop from the open cracks and spray all over onto Electro, weakening him immensely as more keep pouring on him.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of lava and rock that came out of nowhere and they hit the barrier, but the lightning bolt volley was absorbed into us and we became even stronger than ever. Then, we saw Granmorg the Rock Monarch appear.

Gina Granmorg: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Granmorg skinsuit, and show yourself, George!

Granmorg the Rock Monarch vanished in a vortex of infernal lava, and in its place stood a 6'11" tall male with orange hair and red eyes similar as Gina's, massive muscular build, and dressed in a red prison jumpsuit: it was George Granmorg, the evil older brother of Gina Granmorg and the fourth of the eleven most dangerous thugs in Royal Woods.

Nico: We meet once again, George Granmorg.

Gina Granmorg: The fifth of the eleven most dangerous thugs in Royal Woods, I would have never thought I'd have to see your ugly face again, George, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

George Granmorg: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Gina Granmorg: Like what you did to Augus, as always, you're all bark and no fucking bite, Nicholas. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Gina Granmorg's orange eyes turned neon orange and she was surrounded by an orange energy aura with stars, earth, lava, rocks, crystals, phoenixes, and angels, she unholstered her massive Granmorg the Rock Monarch's Volcanic Earth Rock Crystal Greatsword of Rock Monarch Justice from her back, and as she approached George Granmorg, she left orange energy, stars, earth, lava, rocks, crystals, phoenixes, and angels with every step.

Gina Granmorg: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, George, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and

Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Nicholas, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong! And I will make absolutely sure you answer for what you did in mortally wounding Augus, you condemned an honorable man to death because he refused to follow your orders, you will pay even more with your life, you asshole!

Suddenly, Gina Granmorg was surrounded by a massive vortex of orange energy with stars, earth, lava, rocks, and crystals surrounding it, there are phoenixes, angels, and Granmorg the Rock Monarch flying around the vortex, and in the vortex is a orange phoenix with red eyes glaring at George Granmorg: the red eyes of eternal death. Then, as the vortex faded, Gina Granmorg emerged, but she was changed forever.

Gina Granmorg grew from 6'11" to 7'9" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing orange hair, she has neon orange eyes and an orange energy aura with stars, earth, lava, rocks, crystals, phoenixes, and angels surrounding her, she has Granmorg the Earth Monarch with the Earth Kanji in its hands emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with purple gems for eyes and holding the Earth, Lava, Rock, Crystal, Star, and Eternity Kanjis in its hands, she also has Granmorg the Rock Monarch with purple gems for eyes and holding the Earth, Lava, Rock, Crystal, Star, and Eternity Kanjis in its hands on the bottom of her orange phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Gina Granmorg has on an orange sleeveless blouse, short-sleeved orange shirt, orange skirt, orange stockings, orange legwarmers, orange shoes, and long sleeveless white trenchcoat with stars, earth, lava, rocks, crystals, phoenixes, and angels on the coattails and on the back is Granmorg the Rock Monarch surrounded by lava, earth, rock, and crystals. Suddenly, Gina Granmorg felt a sharp pain on her back, and then, her massive orange angel wings with lava tips on the large orange feathers grew much bigger for her new body, and she now has eleven massive and long orange wolf tails with orange tips and orange markings, she has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Gina Granmorg's massive Granmorg the Rock Monarch's Volcanic Rock Earth Crystal Greatsword of Rock Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of orange energy, stars, earth, lava, rocks, crystals, phoenixes, and angels, and when it emerged, it was transformed into Gina Granmorg's Earth Volcanic Rock Crystal Monarch Granmorg the Rock Monarch Volcanic Phoenix Angel Greatsword of Rock Phoenix Rock Monarch Granmorg Justice, it's a brand-new massive greatsword with embedded orange gems and Granmorg the Rock Monarch etched on the 7'6" massive, wide, double-edged orange blade, large orang dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four orange phoenix heads with yellow gems for eyes and large orange phoenix head with yellow gems for eyes and a large orange gem in its mouth on the bottom of the orange phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Granmorg the Rock Monarch's head with orange gems for eyes and a large orange gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Granmorg the Rock Monarch that said, "Gina Granmorg, Gene-Slammer of Granmorg the Rock Monarch, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Scoots, Archenemy of The Puppet King, Destroyer of George Granmorg, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Rocks, Earth, Lava, Crystals, Phoenixes, and Angels"

We were amazed by Gina Granmorg's Super Angel-Granmorg the Rock Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when George Granmorg saw it, he went fucking mad with rage and transformed into Granmorg the Rock Monarch and fired blasts of lava, rock, earth, and crystals at her, but she absorbed them and it made her stronger, and she fired a massive barrage of orange energy, stars, earth, lava, rocks, crystals, phoenixes, and angels at George Granmorg, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, George, but I take comfort knowing when I get married to Gina in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death! And what you did to Augus, now you will pay an even greater price.

Gina Granmorg and Lincoln went after George Granmorg who continued firing rocks, lava, earth, and crystals at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at George Granmorg and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Gina Granmorg also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving George Granmorg even madder than ever!

George Granmorg: I'LL FUCKING KILL YOU, STINKOLN!

George Granmorg fired more rocks, lava, earth, and crystals at Lincoln, but he absorbed them and it made him even more stronger as his lightning aura became more ferocious. Then, Lincoln drove his massive greatsword into George Granmorg's stomach and he began sucking out and absorbing the rocks, lava, earth, and crystals powers he'd gotten when he Gene-Slammed himself into Granmorg the Rock Monarch along with his massive muscle mass and strength, and that had caused George Granmorg to revert back to normal, but now, he was thin as a rake and he was really weak.

Lincoln kicked George Granmorg off his massive greatsword, and he'd holstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and then, he unholstered Augus' Wailing Dark sword, and he charged the sword with rainbow energy, and then, he fired 5 to 6 enormous vertical slashes and waves of mantra that slashed through George Granmorg and he was left with many bleeding scars, and he holstered Augus' Wailing Dark and it vanished.

Then, Lincoln and Gina Granmorg fired powerful blasts of lava, rock, earth, and crystals at George Granmorg, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Gina Granmorg and Lincoln did as they holstered their massive greatswords and powered down, and Gina Granmorg's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Gina Granmorg: Burn in The Black Gates forever, George. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gina.

Suddenly, Gina Granmorg wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina Granmorg's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Granmorg the Rock Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and rocks, crystals, lava, and earth behind them and we cheered wildly. Then, Lincoln and Gina Granmorg absorbed the elemental forces and rocks, crystals, lava, and earth and they came back to us as the display vanished.

Lincoln: We did it, we got rid of George Granmorg, but we still got six more of those thugs to deal with.

Gina Granmorg: And we also avenged Augus' death.

Varie Raiza: You sure did, which means tomorrow, it's Vance Raiza's turn to die.

Lincoln: Vance isn't getting out of this, and I hope we blow him away and slice him to ribbons, Varie.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one that Max and his friends would like: Sonia Spoonerton, Keyblade Knight of Spoonerville.

Max Goof: Oh man, we hadn't seen Sonia in such a long time.

Roxanne: Same here, it'll be awesome seeing her again.

Selene Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Sonia Spoonerton is Lincoln's Guardian Angel from Michigan, she's a Keyblader Knight and she harbors a very very nasty hatred for Bradley Uppercrust III. Plus, she's also a very awesome friend of Max, P.J., Roxanne, Bobby and all of Max Goof's friends including Goofy himself, and she's also a very funny girl and she does all kinds of crazy and wild funny shenanigans on Goofy and Max's enemies and all for a REALLY FUNNY Laugh to make their enemies miserable. She's also very great friends with Sora, Riku, Kairi and all their friends as well as King Mickey, Donald, Daisy and everyone in Disney Castle and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Michelle Emperyous: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Yipe, we certainly don't want to mess with that prankster!

Goofy: She only does it for a laugh.

Max Goof: But, it usually ends with Brad getting humiliated, the same with Pete.

P.J.: If my Dad sees her, he'll freak! But, she'll be glad to know that Brad's now humiliation fodder.

Tank: And he won't be getting out ever again. And after what happened with Augus, there's no doubt we'll be dealing with the last three members of The Seven Deities.

Lincoln: Deus, Olga, and Sergei. Yeah, we'll be dealing with them, and we'll end them before Vance Raiza does.

Varie Raiza: That's right, and what that asshole, George, did, now they've sought out the deaths of The Seven Deities.

Yasha: Their bloodlust indeed sickens me to no end.

Varie Raiza: Along with their heartlessness, Yasha.

Nico: That's another fragment found. Great job!

Spiderman: (To the viewers) This was really electrifying.

Nico: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Ax, Cia, Infernal Flame Emperor, Volcanic Doomfire, Volcanic Rocket And Fire Princess as well as 10,000 Volt Ghost, Judge, Flamite, Terminator (Dark Fate), Sublimino and Water Kang and we were there for a really fun and awesome rescue.

Me: Boy been a while since we were in Traverse Town.

Nico: It sure has been a while.

Xenia: Feels like forever.

Qin: Yeah.

Camie: Boy it sure is a nightly town.

Varie: Yeah it sure is.

Ax: I think this is awesome though.

Lola: Yeah.

Nico: Ax, I want to thank you, 10,000 Volt Ghost, and your teams for coming.

Ax: It's my pleasure Nico. This will be really fun and cool.

Me: It sure will.

Cia: I'm looking forward to this too.

Varie: Me too.

Nico: Cia, what do you like to do in your free time?

Cia: I'm a Tai Chi and Yoga Instructor.

Me: Good choice there.

Qin: It sure is. Tai Chi is so relaxing and fun.

Laney: And full of spiritual tranquility.

Lisa Loud: Indeed. And it really gets the energies flowing.

Cia: That's right and it's good for the mind and the soul.

Xenia: Yep.

Nico: A yoga instructor is a good job too.

Me: It sure is.

Lincoln: I agree there too.

Qin: Same with me.

10,000 Volt Ghost: Same here.

Me: Yeah. Boy that was one ELECTRIFYING mission ever for us yesterday.

10,000 Volt Ghost: (laughs) Is that why you have me and my team coming with you guys today?

Me: (LAUGHS) I wish. But no. We just picked you guys at random. But that was still one of the most shocking missions ever. No pun intended.

Nico: Yeah but that was awesome.

Me: I didn't know Electro was gonna do that. Make beasts of pure lightning light that? That was so cool!

Xenia: It sure was awesome seeing him do that!

Laney: No kidding!

Lincoln: Yeah! Not even Electro of the Prime Universe could do that.

Me: Yeah no kidding. El Oso said he tried many times before and failed.

Qin: He sure did. But J.D. that was so cool you did that like he did!

Me: Except mine was a dragon. First time ever doing that to tell you all the truth.

Nico: I actually had a lot of fun fighting him. Not gonna lie.

Me: Boy me too Nico. That was the most fun ever. And the most lightning any of us ever used.

Lincoln: And the best part is that it was fitting for me because Electro is my archenemy.

Xenia: That is true.

Qin: That was still so awesome.

Laney: Also J.D. you really surprised us when using a form similar to Zzzax.

Me: That too was my first time doing that. Had to keep the lightning powers coming for all that.

Lola: That was so awesome.

Nico: And King Kai? That actually was a nice pun you did.

King Kai: (Laughing) (Telepathically to Nico and us) Yeah that was funny.

Me: All those puns we did were funny. Luan and all of us got a kick out of them.

Xenia: We sure did.

Luan: They really Shocked us with laughter! (LAUGHS) Get it?

We laughed!

Qin: (LAUGHS) That was funny!

Me: (LAUGHS) That was a good one!

Eddy: (LAUGHS) That was funny!

Nico: Now, is there anything else you need to inform us of?

King Kai: I'll let Lincoln explain. It's his bet after all.

Nico: What do you mean by that?

But King Kai already disconnected.

Telephone Receiver: If you would like to make a call, please hang up and dial again.

Nico: He hung up on us. How rude.

Lincoln: I'll tell you all later. Right now we got problems.

Xenia: What is it?

Lincoln: Everyone, we've got ourselves a huge emergency: Cruella De Vil's escaped from prison and she's coming for revenge and to finish what she started!

We gasped.

Eli: Cruella's escaped?! WHAT THE HELL?!

Nico: That she-devil's escaped?! Oh no.

Suddenly, Trina Traverse appeared in a fit of rage.

Trina Traverse: That ugly she-devil, I'll rip her to shreds! Oh, I got Pongo, Perdita, and their 99 kids to the World Tree Estate as soon as Cruella's escape reached them.

Lincoln: Awesome work, Trina.

Anna Anyanova: And I know you're going to rip Cruella to shreds, Trina. (Mischievous Smirk) And you know what that means, right, Linky?

Lincoln, Nico, and I had atomic red blushes on our faces.

Lincoln: Cruella didn't die from her mentally unstable state, and she broke out to finish what she'd started, and I still remember the bet. If

Cruella didn't die from her mentally unstable state: it's four weeks of Lovemaking City all night long for me, Nico, and J.D.

Nico: Yep.

Me: We knew it was coming. Now, we have to honor our part in the bet.

Nicole: That's right, you, Lincoln, and Nico took the challenge and Cruella didn't die from her mentally unstable state, Dad. So, you three boys are in for four weeks of intense lovemaking all night long.

Me, Nico, and Lincoln: We know. Kaito: We're not getting any sleep tonight, are we?

Nicole: Don't worry about that. I strengthened my magic to put up stronger silencing barriers.

Qin: Good.

Nico: Yeah.

Lincoln: Well, boys, we've got four weeks of intense lovemaking all night long with our harems, so we have to honor that part of the bet. But, first, let's take care of Cruella and send her butt straight to The Black Gates. (Senses for Cruella De Vil) AHA! Gotcha! Cruella De Vil is 20 klicks away and she's barreling towards us in her car! She must've found out Trina got Pongo, Perdita, and their 99 children away from her, and now, she's out for blood.

Nicole: I'm surprised she hadn't gotten her driver's license taken away and banned for life from even setting one foot in a car.

Me: Yeah no kidding. She should have had her drivers license revoked forever.

Lincoln: Drat, we should've asked the police to do that two years ago after we took her down back in London.

Nico: Yeah.

Lincoln: (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Cruella De Vil.

Nico: Where is she?

(CAR HONKING)

Me: That answer your question.

CRASH CRASH CRASH!

SHE WAS PLOWING THROUGH BUILDINGS LIKE A MADWOMAN!

?: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU WILL ALL PAY FOR RUINING MY PLANS TO CREATE THE ULTIMATE DALMATIAN FUR COAT AND THROWING ME IN PRISON!

We then saw our target, Cruella De Vil, and boy was she absolutely out of her mind: her hair was wild and her eyes were red and they were murderous and crazy! She was about to run us over in her car, but Lincoln made a massive and powerful diamond barrier protecting all of us and Cruella's car hit the barrier and exploded, but not a single dent was made. Cruella De Vil continued attacking the barrier in a fit of rage, first she tried shooting it with machine guns, but it didn't work, and then, she tried to hit it with her fists, and that didn't work either, but her fists were really bloody: CRUELLA DE VIL WAS ABSOLUTELY OUT OF HER MIND AS SHE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

Lola: Whoa, looks like prison wasn't too kind to her, in fact, she looks even worse than ever!

Lana: (Snickers) If you ask me, the crazy murderous convict look is an improvement.

Lincoln: Then, she'll be taking that look to her grave.

Lincoln fired a diamond ball at Cruella De Vil which hit her in the face and sent him flying into a wall and Lincoln deactivated the barrier and we stood ready to fight Cruella De Vil, who got back up, but now she was even more out of control and completely bat-shit rage crazy insane!

Nico: Long time no see, Cruella. I thought we made sure you were forever locked up in prison and you got put in a cell in Solitary Confinement since you're considered the most dangerous person in London!

Cruella: You ruined everything, I could've finally had those Dalmatians, and I could've finally made my Dalmatian Fur Coat! But, you, YOU RUINED EVERYTHING!

Trina Traverse: You did this to yourself, Cruella.

Trina slashed at Cruella De Vil with her Ends of The Earth Keyblade and got a slash mark on her cheek.

Jackie: That slash mark Trina left you is just the beginning.

Rarity: And another thing.

She kicked Cruella and went flying and her fur coat came off and she crashed into a wall.

Rarity: You don't deserve to be a fashion mogul!

I went over and picked up her fur coat.

Me: Hmm.

I felt how soft it was.

Me: Ooh Cruella sure had really good taste in fur coats.

Lincoln took the coat.

Lincoln: And I know just who to give this to.

Lincoln used his powers to turn the fur coat blue and he gave it to Rarity.

Rarity: (GASP) Oh my this is an amazing and yet great stylish fur coat Linky. Thank you.

Lincoln: You're welcome.

Zocks: You think you have it bad? The rest of us aren't getting any sleep because you didn't die if your mental state!

Me: Say what?

Qin: I think you got that messed up Zocks.

Cruella: YOU'RE GOING TO DIE FOR RUINING ME!

Suddenly, Jackie's eyes turned neon purple and she was surrounded by a rainbow energy aura with stars, fires, explosions, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Cruella De Vil, she left rainbow energy, stars, fires, explosions, dragons, phoenixes, and angels with every step.

Jackie: Words can't even describe how much I hate you so much, Cruella. You've tried numerous times to kidnap Pongo, Perdita, and their 99 kids so you can kill them and make your Dalmatian fur coat, that just proves you have a huge problem with your vanity and you have disregard for the lives of animals, and for that, you better be ready to be reduced to ashes when I get through with you.

Suddenly, Jackie was surrounded by a massive vortex of rainbow energy with stars, fires, and explosions surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Cruella De Vil: the red eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Me: Y'ALL READY FOR THIS!?

We went at Cruella.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Cloudkicker and Jackie, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Cruella, now we'll fix the mistake we made of sending you back to prison two years ago, and this time, we're sending you off to Hell for good, you she-devil from the darkest depths of Hell!

Lincoln, Cloudkicker, and Jackie went after Cruella De Vil who's now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, pale Persian Blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Cruella De Vil and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Cloudkicker, and Jackie attacked her with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Cruella De Vil mad and she was becoming EVEN MORE ANGRIER BY THE SECOND! THEN, SHE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND SHE WAS FOAMING AT THE MOUTH EVEN MORE!

Cruella De Vil: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL!

I kicked her in her face and Lola fired a massive blast of fire and burned her.

Xenia fired arrows and blasted her.

Nico: Anyone got a Basketball?

Lynn teleported to us.

Lynn: Someone call for a Basketball?

She twirled a basketball on her finger.

Nico: Thanks Lynn!

Lynn: Anytime.

Me: One sec.

I spun around and I was in an awesome Red, Orange and Yellow Basketball outfit.

Me: Tadah!

Nico: Cool!

Me: I'll explain later.

I dribbled the ball and did a Michael Jordan style energy dunk and it hit Cruella and exploded!

KRABBBBBBOOOOOOOOOOOOOOMMMMM!

Me: Oh yeah!

Nico: WOO!

Nico dribbled the ball on Cruella's head.

BONK BONK BONK BONK BONK BONK BONK!

Lynn dribbled the ball and passed it to me and I dunked it and smashed her on the head with it.

Nico: YEAH!

Carly put on a football helmet

Carly Atlas: It's Gut-Check Time!

The ball went for Cruella and then Carly ran fast and BASHED HER RIGHT IN THE STOMACH with devastating force!

Xenia: OH YEAH!

Cloudkicker: YEAH!

Cruella De Vil ran at Lincoln, Cloudkicker, and Jackie now completely crazy and out of her mind, but Lincoln and Cloudkicker kicked her into the air and Lincoln imprisoned Cruella inside an energy ball. Jackie then summoned massive barrels of explosives and TNT, and Cloudkicker kicked the energy ball with Cruella imprisoned inside it, and she passed it to Lincoln who gave a super mega-hard kick and he kicked the ball hard and sent it hurtling towards the massive barrels of explosives and TNT, and then… !

KRABOOOOOOOOOOOOOOMMMMMMMMMMMM!

THE MASSIVE BARRELS OF EXPLOSIVES AND TNT EXPLODED AND SET OFF MEGA EXPLOSIONS!

That's when The Loonatics arrived.

Ace Bunny: What the heck was that?!

Me: What you just saw, Ace, was justice being served to Cruella De Vil.

Nico: Damn. I never expected Jackie to get out that much TNT and explosives, she must've really really hated Cruella De Vil.

Then, Cruella's spirit appeared and Lincoln, Jackie, and Cloudkicker drew the Judgement Kanji on her forehead and condemned her to The Black Gates forever, good riddance. We all cheered as Lincoln, Jackie, and Cloudkicker holstered their massive greatswords on their backs and powered down, and Cloudkicker's new body, clothes, weapons, jewelry, Third Eye, longer light brilliant amber and very light yellow tail, longer pale Persian blue horn, and massive pale Persian blue angel wings are permanent, and Jackie's new body, clothes, weapons, jewelry, Third Eye, and massive black angel wings are permanent.

Jackie: Good riddance forever, Cruella De Vil.

Suddenly, Cloudkicker felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Cloudkicker?

Cloudkicker: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that psycho she-demon the violent beating of her life.

Nico: You got that right, and Jackie, I didn't expect you to summon that much TNT and explosives, you must've really hated Cruella that much.

Jackie: Hate isn't the word I'd use, I despised her.

Cloudkicker: We all did, now we're so glad she's gone forever.

Suddenly, Cloudkicker wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Cloudkicker's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Cloudkicker sucked in and absorbed the elements and they came back to us as the display vanished.

Lincoln: Well, we lost the bet, and we know what that means.

Girl Jordan: (Mischievous Smirk) Yep, you're in for four weeks of Lovemaking City all night long, Linky.

Suddenly, the girls in my, Nico, and Lincoln's harems high-fived Ace Bunny.

Me: (Realizes something) Wait a second.

Nico: (Realizes it) So, the one person or rabbit who gave our harems all the intel on Cruella De Vil's planned escape from prison.

Lincoln: (Pieces together everything) Was Ace Bunny?!

CLANG! CLANG! CLANG!

My jaw, Nico's, and Lincoln's dropped to the floor and Eli put our jaws back in our mouths.

Nico: Oh, damn! I certainly didn't expect that.

Lincoln: Me neither.

Ace Bunny: Your harems were the masterminds behind it, I just provided extra help.

Suddenly, Ace Bunny was hugged from behind by Lexi as she wrapped her arms around his waist.

Ace Bunny: Uh… , Lexi, what's with the sudden hug from behind?

Lexi Bunny: (Mischievous Smirk) You didn't think the boys were going to be in for Lovemaking City now, right, lover boy?

Suddenly, a smirk appeared on the faces of Nico, Lincoln, and I, and Ace Bunny suddenly found out too little too late.

Lincoln: Did you think we wouldn't be suspicious about you and our harems, Ace. Eli told us about it, so we decided to get together with Lexi who soon found out from us that you're the inside rabbit of our harems.

Me: And she planned an inclusion to the bet, but for you two, it's a full five-week lovemaking fest all night long for you two.

Nico: You didn't think it would escape us for long, Ace?

Ace Bunny: Heh, well played. Now, I know why you're called The Man With A Plan, Lincoln. Plus, I've been thinking it's time I got real serious with Lexi since we've been together for a long time, and why wait a single second further.

Suddenly, Ace turned around and he grabbed Lexi's arms and really gave her a deep passionate kiss which caused her ears to rise high up into the air and alarm bells to ring in her head, and she really returned it with a super intense passion as she had an atomic red blush on her face. They separated, but Lexi still had a deep red blush on her face and was still stunned by his sudden advance.

The girls did catcalls and the boys did wolf whistles.

Lexi Bunny: Well, well, well, when did you start becoming that romantic and seductive?

Ace Bunny: Oh, I can be that romantic and seductive when I want to be. Same went with the boys, namely Lincoln, J.D., and Nico.

Lincoln, me, and Nico: Dude.

Nico's harem, Lincoln's harem, and my harem: Well, he's right about that.

Juran: I may have to sleep somewhere else.

Me: Lets worry about that after the next part of our mission.

Qin: Yeah.

Lynn: But that was an awesome game there.

Me: Yeah!

Nico: Awesome sports uniform J.D.

Me: Thanks. I was the star basketball player for my middle school basketball team. Won them a lot of games.

Lynn: WHOA! You and I have so much in common J.D.

Me: Yep. Played for the Firebirds.

Qin: Nice!

Nico: Good to know.

Me: Yeah. One of these days we should do an adventure with Bugs Bunny and Michael Jordan and friends and battle the Monstars.

Nico: Awesome idea!

Carly Atlas: That was so fun during Anna's Babysitting adventure.

Eli: Whoa yeah it was! Anna got to play on the team with her hero Michael Jordan.

Nico: Boy I remember seeing that! That was so awesome.

Lynn: Cool!

Nico: But we're talking full time

Me: Yep. That will be awesome.

Xenia: Yeah!

Me: We'll worry about that later. (SPINS AROUND)

I was back in my normal clothes.

Me: Now it's time for business.

Nico: Yep.

Eli: I sense that we have Another Jawbreaker, Hurricail, Achilles (Troy), Artemisia (300), Ephialtes (300), Charon (Dante's Inferno), Judge and 10,000 Volt Ghost.

We gasped!

Qin: WHOA!

Laney: Ephialtes and Artemisia!? Whoa they lived back over 2,500

years ago.

Xenia: Yeah! And Charon the Boatman from when we went to Hell!? That was scary.

Lana: And the legendary Achilles from Greek Myth!? Awesome!

Xenia: Yeah he was a strong one.

Laney: Until he got hit by an arrow in his ankle.

Lynn: I know.

Nico: Who do we call for this?

Me: Catherine Konstantin Eduardovich Tsiolkovsky, Selena Spartacus, Francesca Castellano, Sakura Quetzal, Sora Asura and Emerald Banner.

Laney: COOL! So the gene-slammers of the Legendary Planets, Gladiator Beasts, B.E.S. Core, Monarchs, Sky Scourge and the Alchemy Beasts. That will be awesome.

Me: And Selena told me that she wanted to face Artemisia from 300. Her ancestors kingdom battled her all those years ago.

Nico: I'll never forget seeing that in the movie 300. that was awesome.

Lola: Yeah.

Nico: And Achilles from Troy was one tough guy.

Lola: Yeah. Immortal, Strong and deadly.

Camie: Until he got hit in his heel.

Nico: Yep.

Brittney: Charon was the boatman that took the damned to Hell.

Lola: Yeah.

Me: "Through Me the Way to The City of Woe, Through Me the Way to Everlasting Pain. Abandon all Hope Ye Who Enter Here." That was scary.

Xenia: Yeah.

Maria called them in and then they came in vortexes of elements.

Emerald Banner: Hey, guys.

Me: Hey girls. Glad you could make it.

Qin: This is gonna be fun.

Selena Spartacus: I'm ready for Another Artemisia. My ancestor's kingdom battled her eons ago and now I have a chance to see what she was like back then.

Me: Well she was a deadly force back over 2,500 years ago and she hated the Greeks with a vengeance for what happened back then.

Lola: Yeah.

Xenia: And lets not forget that Ephialtes is with them too.

Selena Spartacus: So the traitor of my ancestral homeland is in the M.O.E.

Me: Yep.

Camie: What was Ephialtes known for back then?

Me: Well 2,500 years ago Ephialtes was known for betraying the Greeks by selling them out to the Persians.

Nico: Yep.

Lola: And we saw him as one of the Frozen Giants in Hell in the 9th Circle.

Qin: Yep.

Eli: Yeah. And the Anothers minus 10,000 Volt Ghost are one person.

Me: Wow!

Nico: There they are!

We saw Another Rotten Jawbreaker, Hurricail, Achilles (Troy), Artemisia (300), Ephialtes (300), Charon (Dante's Inferno) and Judge!

We were amazed!

Me: Cool!

Laney: So Hurricail is in the M.O.E. Too? Wow!

Lola: Yeah!

Another Rotten Jawbreaker: (In a girls voice) I saw the battle with Cruella and that was fun!

Me: (GASP) That voice!

They merged and she reverted back and we saw NO ONE THERE!? What the?

Me: What the!?

Nico: Where did she go?

But then…

HOING!

Nico got a nasty atomic wedgie!

SNAP!

Nico: HEY!

Laney: WHOA!

Nico got the underwear off him.

Nico: OKAY YOU WISEASS! WHERE ARE YOU!

We saw a figure come out and it was a girl with black hair and blue eyes and she had magenta and green clothes and had green and pink angel wings and had a tiara with the symbol of the Invisible Dopant on it and the same symbol was on her skirt and she had a black blade lightsaber in her hands.

Me: (GASP!) (LAUGHS) Irena Invisible! I had a feeling it was you.

Irena Invisible: Sorry about that. But that was funny.

Me: Yeah. Irena is the embodiment of the Invisible Dopant and she has the power to go invisible and she can do all kinds of pranks. She is a very deadly fighter and a powerful force to be reckoned with.

Eli: That is cool.

Lola: (laughs) Remember when the mascots turned invisible?

Me: (LAUGHS) How can I forget. That was funny!

Qin: Yeah!

Irena Invisible: Let me guess, they used Invisible Spray didn't they?

Me: They sure did. That stuff really worked amazingly well.

Irena Invisible: Yeah that is known as the Ultimate Prank.

Me: Yep.

Nico: GIVE ME A WEDGIE WILL YA!?

Me: Whoa easy Nico. She is just having a little fun.

Nico: Oh you're right.

Me: I can actually see people that are invisible with Infrared Vision.

Irena Invisible: Really?

She went invisible.

Irena Invisible: Can you see me now?

I turned on my infrared vision and saw her heat signal plain as day.

Me: I see you right there Irena. You may be invisible on the Visible Light part of the spectrum but your heat signal or Infrared Signature is not invisible.

Qin: Yep.

Irena Invisible: That is cool!.

Me: It sure is.

She turned visible.

Me: BTW is the Another 10,000 Volt Ghost friendly or hostile?

Irena Invisible: Friendly and you are going to be really surprised seeing her.

Me: Neat.

Nico: Sorry we have to do this

Irena Invisible: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél
Render green the dying bough
Raise the rock where Yurgen fell
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Spring abundant holoél

They glowed and were separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

Selena clashed with Another Artemisia and we blasted the rest of the Anothers and I got the Wonder Ride Books!

CLANG CLANG CLANG CLANG CLANG!

Selena was really going at her!

Qin: YEAH!

Xenia: Go Selena!

CLANG CLANG CLANG!

Nico: Usually, it would be done by now.

Me: I know. But Selene wanted to have a shot at this.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Qin: WHOA!

Me: Just like back all those years ago.

Misty Tredwell: Wow! No kidding!

Then she kicked Another Artemisia and stabbed her and and she fell and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

I caught the Wonder Ride Book.

Me: Wow!

Qin: That was amazing!

Laney: Yeah it was!

Me: Yep. Now for the Another 10,000 Volt Ghost.

Maria: Time for some backup. (TURNS DIAL) HARPY FORCE 6!

She summoned Harpymon, Snow Ghost, Lightning Empress, Mzingo's Parliament, Wolfgang (Dino Fury) and Wizards (Spyro).

Nico: Now we wait.

Me: We don't have to wait long!

We saw a figure made of pure black lightning come! It was ANOTHER 10,000 VOLT GHOST!

Qin: Whoa!

Me: Another 10,000 Volt Ghost. Electrifying isn't it?

Nico: Yep.

Another 10,000 Volt Ghost: (In a girls voice) But it's perfect for me.

Me: (GASP) That voice!

She reverted back and was a girl with yellow hair and had purple eyes and had black and purple clothes on and she had wings of lightning and she had a tiara with the symbol of the Zeus Dopant on and the same symbol was on her skirt and she had a sword of lightning in her hands and The Thunderbolt of Zeus was on in her other hand too.

Me: (GASP!) ZHALIA ZEUS!

Zhalia Zeus: Awesome to see you again J.D.

Me: Same here. Zhalia is the Embodiment of the Zeus Dopant and she has INTENSELY strong lightning powers and is also believed to be the Incarnate of Zeus himself.

10,000 Volt Ghost: WHOA! That is amazing!

Me: Yep.

Nicole: Boy we never faced the Zeus Dopant before. That one was from the Kamen Rider W Video Game Memories of Heroez.

Qin: Yeah! That was awesome.

Philip: Boy he was a strong one! And intensely powerful too like a god.

Shotaro: Yeah he gave me and the riders from Zi-O and OOO a hard time!

Sougo: I remember that! That was crazy!

Eiji: No kidding!

Me: Boy thank goodness he wasn't the main target during Nuju's missions or on his big day.

Qin: Yeah.

Kaito: (gets out Gorenger gear) Did Swartz promise you anything?

Zocks: (gets out JAKQ gear) Because we can grant it instead.

Kaito got a Gorenger Sword and Zocks got a JAKQ Sword.

Zhalia Zeus: No he didn't. He was in a hurry to send me out because my power was too strong for him.

Me: I'm not surprised. The Zeus Dopant was said to be right on par with Zeus himself. So he was scared of your power.

Zhalia Zeus: Yep.

Sougo: (gets out Gorenger Ridewatch) We actually know Zeus himself.

Geiz: (gets out JAKQ Ridewatch) We can have you meet him sometime.

Sougo got AkarangerArmor while Geiz got SpadeAceArmor.

Zhalia Zeus: It would be an amazing honor to meet my namesake.

Me: Yep.

Zhalia turned into ANOTHER 10,000 VOLT GHOST!

Nico: Time for some lightning fast judgement! (ACTIVATES 10,000 VOLT GHOST AND JUDGE'S RIDEWATCHES)

He fired a powerful blast of lightning and smashed her down.

May: Time for some termination! (ACTIVATES FLAMITE AND TERMINATOR'S RIDEWATCHES)

She fired energy waves and smashed her down.

Maria: And some water power! (ACTIVATES SUBLIMINO AND WATER KANG'S RIDEWATCHES)

She fired waves of water and shorted her out.

Me: Nice!

Cia: Now for me! (ACTIVATES JUDGE'S RIDEWATCH)

She fired a wave of energy and smashed her down.

Then Thundermon, Strikning, Carapax, Penny the Chicken, Tublat and Overload came.

Nico: Nice team Thundermon!

Thundermon: Thanks Nico. Boy the lightning sure keeps striking you guys all over especially after yesterday huh?

Me: Boy that's a SHOCKING Understatement!

We laughed at that one!

Qin: (LAUGHS) That was a good one!

?: (LAUGHS) That was funny!

Then a Flutter Mane appeared!

Me: Cool a Flutter Mane.

Nico: Awesome!

Xenia: The Ancestor of Misdreavus.

Qin: Yep.

Flutter Mane: (In a girls voice) (British Accent) I think it's too.

Nico: Kira Greengrass!? Wow!

She reverted back and was a girl with green hair and green eyes and had purple clothes.

Kira Greengrass: Good to see you again Nico. I got this.

She fired a wave of magic and smashed down Another 10,000 Volt Ghost and I caught the ridewatch and purified it and I caught Zhalia Zeus as she was wobbling. I brought her over.

Me: Awesome!

Laney: Yeah! Wait Kira are you related to…

Kira Greengrass: Daphne Greengrass? No everyone thinks that we are related because we share the same last name. We are not biologically related.

Cia: What's your favorite memory of Nico?

Kira Greengrass: When me and Nico went to London and stopped a massive terrorist plot to bomb Buckingham Palace and it was an awesome adventure.

Nico: Kira was knighted by the queen herself as Dame Kira Greengrass.

Me: That is cool!

Nico: It was.

Nico and Kira hugged.

Nico: I've missed you.

Kira Greengrass: Same here Nico.

We later went back home.

Nico: After what happened with Augus getting back-stabbed by George Granmorg yesterday, that's one outcome we can't let happen again.

Me: Those assholes, now they're going to kill anyone who is unable to kill us?! They really are just absolute pure evil and insane.

Optimus: Either way, they must be stopped for good.

Lincoln: Right, Optimus.

Eli: (Sensed for Vance Raiza) We'd better hurry and destroy Olga, Deus, and Sergei, Vance Raiza is heading for them and he's got blood on his mind!

Suddenly, we saw a beautiful and super sexy girl with long black hair, one green right eye and one purple left eye, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings with jewels on them, and she's dressed in a dark blue sleeveless vest, sleeveless dark blue crop top, dark blue skirt, black bellbottom pants, blue sneakers, and long white sleeveless trenchcoat with light, Keyblades, and angels on the coattails and on the back is Spoonerville in her right hand is a Goof Troop-themed Keyblade, and with her are the eight girls.

Lincoln: (GASPS) Sonia Spoonerton, Keyblade Knight of Spoonerville.

Max Goof: Aw yeah, our resident Keyblade Knight has returned.

Sonia Spoonerton: You got that right, and I got the eight girls away from Olga, Deus, and Sergei who are heading this way, and bad news: Vance Raiza is also heading this way!

Lincoln: Which means we need to kill Olga, Deus, and Sergei and fast before Vance Raiza can do so and slake his thirst for blood.

?: (THREE ENRAGED VOICES) YOU SHALL ALL PAY FOR WHAT YOU'VE DONE TO THE SEVEN DEITIES!

We then saw our targets: Olga, Deus, and Sergei of The Seven Deities, and we saw our uninvited guest, Vance Raiza, and he was out for blood, but Max Goof fired a blast of light from his massive Max Goof's Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade which trapped that bloodthirsty asshole inside a barrier.

Then, Lincoln turned the three tips of three of his eleven massive and long white wolf tails into Cell's stingers which opened up into large suckers, and then, he latched them onto Olga, Sergei, and Deus' heads. Then, Lincoln sucked them into his body and he absorbed the Deities of Pride, Lust, and Vanity and he acquired Olga, Sergei, and Deus' superhuman physical strength, superhuman speed, agility & reflexes, superhuman durability & endurance, superhuman stamina, immortality, vacuum adaptation, Mantra of Pride, Lust, and Vanity, lightning manipulation, ice manipulation, flight, soul extraction, and halos, and he also claims Deus' weapon, Sakra, as a trophy and added weapon to his massive arsenal of weapons. We cheered as we holstered our weapons and powered down, and when the barrier Max put on Vance Raiza to keep him from interfering went down, he roared in rage at us and he'd fled the area.

Lincoln: We did it, now we're finally rid of The Seven Deities for good.

BUT THEN…

AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LINCOLN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 300 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL THUNDERBIRD! IT CRIED INTENSELY WITH AMAZING POWER AND THE THUNDERBIRD SUDDENLY ABSORBED THE PRIMORDIAL GOD, CHAKRAVARTIN, THE GOD OF MANTRA AND RULER OF NARAKA, AND THEN, THE FIRE THUNDERBIRD WENT BACK TO EARTH AND LINCOLN GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST! LINCOLN EMERGED AND BEHIND HIS HEAD, HE NOW HAD A GOLD VERSION OF MITHRA'S HALO: A LARGE GOLD HALO IN THE CENTER WITH GOLD ANGEL WINGS ON THE BOTTOM SIDE AND FOUR ORBITING GOLD RINGS ON EACH CORNER!

Me: HOLY SHIT!

Nico: WHOA!

Eli: SO AWESOME! You just went through an astronomical supercharge just like J.D. did yesterday with Guy Grazer, Lincoln.

Lincoln: I did, and this was a result of what I did to Wyzen, Kalrow, Olga, Deus, and Sergei, and also, absorbing Augus.

Mithra: You also absorbed Chakravartin, The Primordial God and Father of Mantra, as well, and you've now gained a gold version of my halo, Lincoln.

Lincoln: I felt it for myself, Mithra, and now, I know how I'd gotten even more stronger as a result: I also absorbed Chakravartin. Everyone's going to ask questions about it, so we'll be ready. (To Sonia Spoonerton) And it's so good to see you again, Sonia Spoonerton.

Sonia Spoonerton: You too, Linky, it's been a long time, and it's also good to see you and your friends again, Max and Goofy, same with you, Riku, Kairi, and the others, Sora.

Sora: You too, Sonia.

Lincoln went up to Wilma Acres and he hugged her, and Wilma Acres is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, the gold version of Mithra's halo behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Wilma Acres: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Sonia Spoonerton, Keyblade Knight of Spoonerville, she's my Guardian Angel from Michigan and Spoonerville, she's a Keyblader and she harbors a very very nasty hatred for Bradley Uppercrust III. She's also a very awesome friend of Max, P.J., Roxanne, Bobby, and all of Max Goof's friends including his dad, Goofy. She's also a very funny girl and also does all kinds of crazy and wild funny shenanigans on Goofy and Max's enemies all for a REALLY FUNNY laugh and also to make their enemies miserable. She is also very great friends with Sora, Riku, Kairi and all their friends as well as King Mickey, Donald, Daisy, and everyone in Disney Castle and she's a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Sora: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Whoa, oh man, I'd like to find out what kinds of crazy and wild funny shenanigans she'd done unto Lori, Lynn, Lola, Lisa, Luan, and the rest of your enemies.

Me: Trust me, you'd blow milk out your nose if you saw Sonia's shenanigans, they're a wild and crazy laugh riot that gets everyone roaring with laughter.

Lincoln: Even Mickey, Donald, and Goofy laughed at Sonia's shenanigans, they were that wild and that crazy.

Donald Duck: You betcha.

Goofy: It was something to see alright.

Lincoln: You got that right, and now that you're here, Sonia.

Lincoln went up to and hugged Sonia Spoonerton in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sonia Spoonerton: Whoa, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sonia Spoonerton's neck with green gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sonia Spoonerton: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sonia Spoonerton.

Sonia Spoonerton had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them immediately. The eight girls are Shizuku Ariyama, Simulator Akiho Kousaka, Misaki Aikawa, Saori Igarashi, Rina Saijou, Kanata Shinozaki, Saya Shizumori, and Aoi Koshimizu from My Girlfriend is a Shobitch.

Lincoln: Oh wow, it's Shizuku Ariyama, Simulator Akiho Kousaka, Misaki Aikawa, Saori Igarashi, Rina Saijou, Kanata Shinozaki, Saya Shizumori, and Aoi Koshimizu from My Girlfriend is a Shobitch.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Shizuku Ariyama: Yes, we're okay, thanks to you.

Then, when Shizuku Ariyama and the other seven girls saw who it was that saved them from Deus, Olga, and Sergei of The Seven Deities, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with a gold version of Mithra's halo behind his head: a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe,

Shizuku Ariyama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Shizuku Ariyama: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shizuku Ariyama, Simulator Akiho Kousaka, Misaki Aikawa, Saori Igarashi, Rina Saijou, Kanata Shinozaki, Saya Shizumori, and Aoi Koshimizu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villains we went after were Deus, Olga, and Sergei, the last three members of The Seven Deities.

But, when Lincoln showed what we did in beating the three down and absorbing them using Cell's absorption and assimilated and acquired their superhuman physical strength, superhuman speed, agility, and reflexes, superhuman durability and endurance, superhuman stamina, immortality, vacuum adaptation, Mantra of Pride, Lust, and Vanity, lightning manipulation, ice manipulation, Mantra Orbs manifestation, flight, mind incursion, telekinesis, soul extraction, and halos and gaining Deus' nunchaku, Sakra, as a trophy and added weapon to his massive arsenal of weapons along with what they saw happen to Lincoln, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Sonia Spoonerton have a lot of catching up to do, now that she's back in town.

Maria: So, now we're rid of The Seven Deities, and that was so awesome that you went through the same thing J.D. went through yesterday, Lincoln, and you also absorbed Chakravartin into your body thanks to the Thunderbird, whoa.

Lincoln: Yep, and because of what I did in absorbing all the powers and abilities of The Seven Deities and absorbing Chakravartin, I also gained a gold version of Mithra's halo.

Me: It does look awesome and it's also supporting proof that you're also a god among men, Lincoln.

Nico: Same with all of us, but the halo showing proof of that, I'd hate to see Flip try anything of his dumbass stunts again!

Lincoln: Yeah, but he'll never ever learn.

After getting rid of Olga, Sergei, and Deus of The Seven Deities, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sonia Spoonerton saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sonia Spoonerton: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonia, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sonia Spoonerton: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sonia Spoonerton: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Sonia, what memories did you have with Lincoln?

Sonia Spoonerton: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were heading to Lynn's Table to help his dad with the lunch rush, and it was seriously packed with Gotham Royal York's school sports teams coming back from their games and they were hungry. Plus, after many of Lynn's fiascos because of her destructive rampages, she'd been prohibited from Lynn's Table. But, then, we heard a loud belch in the air along with the smell of B.O. in the air, and the alarm sounded, but we knew who it was that'd announced her arrival: it was Lynn, and she burst through the doors, and she was out for blood. Lynn charged right at Lincoln and was about to kill him, but I got out a hose and blasted Lynn with it and she got stuck to the wall in a Symbiote web Venom made and she was unable to move. We then called Luna who pulled Lynn out of the wall and threw her in a cage and took her back home where she got grounded for twenty weeks and thrown in a metal container like the animal she is.

Nico: Wait, what? Lynn was prohibited from entering Lynn's Table?

Lynn Sr.: As much as it hurt me, she was. Because of her murderous rampages and trying to kill her brother, I had to prohibit Junior from Lynn's Table, and the security system that was installed there kept her from setting one foot there. But, she trashed Becky Long's robots many times over and she always triggered the alarm.

Becky Long: Those were some of our best inventions, and that animal trashed them, she was lucky I wasn't going to kill her!

Laney Emperyous: Becky and her sisters worked hard in building those robots and Lynn trashed all of them too many times, and the Long Sisters were that close to trying to kill her, so we had to restrain them.

Nico: Before it starts to get ugly, and we all know the eternal conflict of Brain VS. Brawn.

Lincoln: Lynn almost wanted to fight them, but I warned Lynn if she laid one hand on my Guardian Angels, I would rip her ponytail off and kick her so hard in her butt, she wouldn't sit down for a week!

Lily: That threat alone sent that animal running on all fours back to The Loud House and grunting like a gorilla.

We got a shower, and then, Lincoln, Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff are heading to Emerald Coast, and they're not the only ones, Ace Bunny and Lexi Bunny are going with them.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Ace Bunny was dressed in black and yellow-trimmed swim trunks, sandals, and he had his weapons holstered in case of trouble.

And Lexi Bunny was dressed in a black and pink-trimmed two-piece bikini, black sandals, and she had her weapons holstered in case of trouble, and Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Punk Shock: Wow, so this is Emerald Coast, it sure is awesome.

Lincoln: It sure is, Punk Shock, and it's perfect for our date.

Ace and Lexi: Double Date, you mean?

Lincoln: Right. Shall we?

Lincoln, Ace Bunny, Lexi Bunny, Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and Lexi Bunny got a massive and deep atomic blush on her face when she saw Ace Bunny lift a 900,000,000,000,000-lb barbell with two hands.

but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff placed their hands on the massive pecs of Lincoln and his clones, and Ace went up to Lexi and he hugged her, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you and Ace really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Ace Bunny: (In Heaven) That… was… really… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff are in your harem.

Spyro: We had a feeling Punk Shock had feelings for Lincoln seven years ago, and now, those feelings were true.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Emma Gilbert, Simulator Cleo Sertori, Simulator Rikki Chadwick, Punk Shock, Blueberry Pie, and Raspberry Fluff, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Ace Bunny: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

At Paleozoic World we were there to see new dinosaurs that we have introduced.

Me: You guys are going to love this. I got the idea for it from a box of my old toys I found.

Xenia: Cool!

Nico: What is it?

Me: Follow me.

Apu: (India Accent) What would you like to show us?

Me: You'll see.

We arrived in front of a cage and everyone GASPED!

All of us: WHAT IS THAT!?

We saw a new kind of dinosaur! It was HALF AMARGASAURUS AND HALF SPINOSAURUS! It was called AMARGOSPINUS!

Me: That is Amargospinus - Half Amargasaurus and half Spinosaurus. This is one of the members for the new exhibit we made called THE CHAOS EFFECT!

Nico: WHOA! I remember seeing those toys. They were cool!

Eli: Wow!

Eli went over and the dinosaur peered through and Eli tamed it.

Eli: Thata girl.

Fluttershy: Eli is an amazing dinosaur tamer.

Me: He sure is.

Saffron Masala: (India Accent) I have no words.

Nico: Wow! How did you talk to John Hammond about this?

Me: I asked him if I could introduce these into Paleozoic World and then I used my powers to make the real things. Now they are part of an awesome new exhibit called The Chaos Effect.

Lola: That is so cool!

Me: Yep. Let me show you what we got.

We walked around and saw a bunch of hybrid dinosaurs:

Pachysaurolophus - Pachycephalosaurus, Parasaurolophus, and Ankylosaurus

Stegospinus - Stegosaurus and Spinosaurus

Deinonycanis - Deinonychus and Dire wolf

Dilophospinus - Dilophosaurus and Spinosaurus

Ankyloranodon - Pteranodon & Ankylosaurus

Tyrannops - Tyrannosaurus rex and Lycaenops

Compstegnathus - Compsognathus, Stegosaurus, and African Tree Frog

Tanaconda - Tanystropheus and Green anaconda (Eunectes murinus)

Ultimasaurus - Tyrannosaurus rex, Velociraptor, Triceratops, Ankylosaurus, and Stegosaurus

And so many more!

Nico: WHOA!

Qin: What a bunch of amazing combinations!

Skullcruncher: Do they have big teeth?

Me: Some of them do. But not all of them.

Qin: Good.

Camie: This is amazing.

Varie: It sure is.

Nico: We could use them on missions.

Me: Not a bad idea. We'll keep that in mind.

Xenia: Yeah.

Eli: Boy that is so cool.

?: It sure is!

Out came a Brute Bonnet.

Me: Cool a Brute Bonnet!

Nico: The Ancestor of Amoonguss.

Xenia: Yep.

Brute Bonnet: (In a girls voice) Awesome to see you again Nico.

Nico: Felicia Shiitake!? Wow!

She reverted back and was a girl with orange hair and brown eyes and had brown and green clothes.

Qin: The queen of mushrooms is back!

Brute Bonnet: Yep.

Warpath: What's your favorite memory of Nico?

Felicia Shiitake: When me and Nico went into the forest to collect Maitake mushrooms for my cooking and and we found not only a bunch of them but also an amazing treasure. This sword on my back.

We saw that she had a blue bladed sword.

Nicole: (GASP) The Sword of Amanitas! That is the sword of all mushrooms and it has the power to grow all kinds of mushrooms in any part of the world no matter what the conditions are. I've been trying to find a sword like that for years.

Felicia Shiitake: Wow! That is cool!

Nico: Yep.

Nico and Felicia hugged.

Nico: I've missed you.

Felicia Shiitake: Same here Nico.

Tarantulas: Who leads next?

Luna: How about me, Thomas the Tank Engine, Vert, Right, Juro, Arturo, and Zixx?

Me: Awesome ideas!

Right: Cool!

Lola: This will be fun!

Nico: It sure will be.

The previous group came.

Batroc: Can me, Eccentro, Ragdoll, Riddler, Metal Sonic, Marionette Shadow, Dodgeball Wizard, Xaldin, Abra Kadabra, and Motor Ed go with you guys?

Nico: Yes you all can come with us.

Xenia: This will be a really fun one.

Qin: Yep.

Nico: Slither Wing, Sandy Shocks and Iron Treads next.

Xenia: Cool! The first two are the ancestors of Volcarona and Magneton and the last one is a future relative of Donphan.

Nioc: Yep.

Qin: Cool!

Laney: Awesome.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the third mission to retrieve the fifth piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The fifth piece of The Tablet is located on Amazing Earth, and it's in the hands of Flint Marko A.K.A. Sandman.

Nico: Oh man.

Lincoln: I know I may be uncomfortable fighting him, but it's required: we need to get the fragment out of him, and we'll send him to The Masters of Evil like we did with Ultimate Electro.

Me: Good idea, Linc.

Nico: And since we're going against the Amazing version of Sandman, Flint, Gaara, you guys up for keeping him busy?

Sandman: Leave that to us.

Gaara: Of course.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Vance Raiza, the evil older brother of Varie Raiza and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Varie and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Varie, you're not going to like it: the figure we sensed is none other than your evil older brother, Vance Raiza, one of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

Varie Raiza: So, now my older brother, Vance, has come after us. I always knew that stupid moron would be the first to come after us, he's such a windbag asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say yesterday, he Gene-Slammed himself into Raiza the Storm Monarch, right, Varie.

Varie Raiza: Yes, I did, Anna. But, I refuse to let Vance live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Earth-TRN579 and take down William Baker and retrieve the fifth fragment of The Tablet of

Order and Chaos.

Lincoln: You're not getting out this, Shattered Dimensions Flint, we're stopping you and getting that fragment back, and once we get done taking down Fliny, you're next, Vance Raiza.

Varie Raiza: You've gone way too far this time, Vance. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Raiza the Storm Monarch. This won't stand, I'll make sure that your remains are scattered to the winds after we get done taking down William Baker.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Earth-TRN579 to retrieve the fifth piece of The Tablet of Order and Chaos and defeat Flint Marko, and once we get done with him, Lincoln and Varie Raiza are going to kill and destroy her evil older brother, Vance Raiza.

With that we were off to the Amazing Spiderman universe.

---

NEW YORK CITY - AMAZING SPIDERMAN UNIVERSE

---

We arrived.

Nico: Here we are! The Roxxon mining site!

Me: Wow! Looks like this mine is still in operation.

Eli: Looks like this mine hasn't been used in a long time.

We located another piece of the Tablet somewhere in a sandy mining site owned by the Roxxon corporation. Shattered Dimensions Spider-Man jumps off a broken railing down to the sandy ground.

Shattered Dimensions Spiderman: Hey guys you made it! Gotta hurry up and find the next fragment!

Luna: (sees the fragment) Found it!

Shattered Dimensions Spiderman: Um, great. So why is my spider-sense tingling?

Me: Uh oh!

Something unexpected appears before the heroes. The sand on the ground starts to change. Rising from beneath and morphing what appears to be a giant sand hand.

Nico: Of course this was another TRAP!

We were suddenly slammed deep into the sand. Some choked yells can be heard from the sand, implying we are still alive just buried. It wasn't long until Shattered Dimensions Spider-Man punched up through the sand and used his strength to help himself back up to the surface and then quickly dragged us back up with him.

Shattered Dimensions Spiderman: Jeez! Talk about a dirt nap! But where's the…

?: Lookin' for this, webhead?

We stand tall confronting the filthy criminal full of dirty tricks.

It was none other than FLINT MARKO A.K.A. THE SANDMAN! And he was holding the fragment in his sandy hands.

Luna: Figured it was this guy.

Me: Flint Marko, A.K.A. The Sandman.

Shattered Dimensions Spiderman: Well if it ain't my ol' pal, Flint Marko: The Sandman! Y'know, every time we play together, I end up digging sand out of my costume for weeks.

Shattered Dimensions Sandman: I got a game for you to play.

Sandman disappears, dissolving himself completely into the sand out of sight while keeping the heroes in suspense.

Nico: I don't like the sound of that.

Me: Me neither.

Shattered Dimensions Spiderman: Marko? (only receives a powerful gust of sand to the face) Marko?

Shattered Dimensions Sandman: POLO!

Shattered Dimensions Spiderman web-zips to safety and we run to his side on a broken mining rail high above the sand.

Nico: Damn, he could learn something from Luan in the joke department.

Me: Yeah! But how about this to slow him down!

I fired a wave of fire and turned some of his sand into glass!

I went over to him.

Me: Flint listen. I know you went through a lot of hard times because of being turned into this. But hear me out first.

Shattered Dimensions Sandman: I'm listening.

Me: You heard about what happened to the prime universe version of you right? You heard how I helped save your daughters life by giving her my own heart right?

Shattered Dimensions Sandman: Yeah I heard all about that. That was a really amazing deed you did back then.

Me: Immortality and Invincibility has its perks. But Flint deep down you are not a bad person like this. You are still a good man and you care about people.

Nico: He's right on that. You didn't deserve to have this happen to you.

Marvel Loki: So, why don't you give up the fragment nice and easy?

Me: So we'll make this easy. Hand over the fragment and we'll be on our way.

Shattered Dimensions Sandman: Hey, I admit I don't kill civilians. But without this rock, all I am is just another Spider Man punching bag!

Large amounts of sand are starting to morph into something deadly now that Sandman is here. The supervillain is using his enhanced powers to transform into a gigantic sand cyclone, sucking up nearly everything as it rampages through the mining site.

Me: WHOA!

Luna: Sandstorm powers? That ain't good.

Shattered Dimensions Spiderman: Yeah, there's definitely gonna be sand in my costume after this.

Me: Boy I'm going to need one helluva shower when this is over!

Shattered Dimensions Spidey web zipped on 3 moving objects.

Me: Luna drench him with water! Water makes sand mushy.

Gaara: Leave this to me too!

Gaara used his powers and slowed down the sand somewhat.

Aruto: Let's get our game faces on first. Henshin!

Right: ToQ Change!

Juru: Kiramai Change!

They transformed!

TOQ ICH!

Juru: Shining Sparkling! Kiramai Red!

Aruto: THE JOKES OF MACHINES AND GRASSHOPPERS! KAMEN RIDER ZERO ONE!

Nico: OH YEAH!

Xenia: Awesome!

Camie: YEAH!

Shattered Dimensions Sandman: J.D.

His face showed from the cyclone.

Shattered Dimensions Sandman: I really must thank you for saving the prime universe version of my daughter. You saved her from death and even though he is me I will always be grateful to you. But I'm sorry we have to do this.

Me: It's what we must do to save you. Just like in the 2007 movie!

Nico: At least he's trying to get his humanity back!

Qin: Yeah!

Camie: Thank goodness.

Debris is flying thanks to the sandstorm as most of them are flying into the heroes' direction, making it pretty hard to see as they keep getting hit by them.

I had goggles on to block out the sandstorm.

Eccentro: We gotta find some way to take the winds out of his sands!

Shattered Dimensions Spiderman: Over there! That water tower should do the job!

Nico: Okay! Let's go!

Me: RIGHT! Everyone take these!

I gave everyone goggles to block the sand and wind.

Nico: Thanks J.D.!

We jumped from object to object while Spider-Man web-zips from them. Though the winds were fierce, we were able to push through and make it to the water tower. Spider-Man quickly attaches his webbing onto water container to pull himself back.

Shattered Dimensions Spiderman: Cool off, Flint!

Me: More like blow off!

He jumped forward with a flying kick that knocks the water out onto the sandstorm, reducing it all the way back to regular 'ol, angry Sandman.

I fired a wave of water and drenched him.

Shattered Dimensions Sandman: You think that'll stop me? Think again

Sandman morphs his right hand into a hammer and rushes to smash his nemesis and us.

Nico: Yoink!

We jump away to trick Sandman into smashing the water tower instead, causing himself to make spitting noises as the water splashes onto his body turning him into a muddy mess with legs.

Shattered Dimensions Spiderman: Oh look - you're all wet! Want me to go grab a towel?

Me: (LAUGHS) Good one!

The dirty Sandman spits and spats and gets hit with a ladder that got a little giggle from Luna.

Shattered Dimensions Sandman: You're not goin' anywhere! I can search control ANY sand I see now… ANY sand at all!

Shattered Dimensions Spiderman: Yeah? You could make a killing in the landscaping business.

Shattered Dimensions Sandman: I'll make a killing, all right!

I fired waves of water and drenched him!

He absorbed more sand to clean himself of the mud. A sandy vortex replaces his feet as he moves around trying to smash us with his makeshift weapons.

Shattered Dimensions Sandman: Let's do this!

Me: GLADLY!

I formed a Water mace with Hydro Man's powers!

He forms a hand mace and would've slammed Spider-Man with it if he didn't dodge him in time.

I smashed his face in with it and drenched him and smashed him down! Then he got back up and went at Spiderman!

Shattered Dimensions Spiderman: I'm not ready yet. How 'bout a drink first?

Spiderman grabs a nearby water barrel with his webbing and throws it at Marko, drenching him with water and turning him back to mud.

Shattered Dimensions Sandman: Always with the smart-mouth!

Aruto: It's part of his charm! And just in case you clean yourself off again…

Progrise! Let's rise! Le-Le-Let's rise!

Aruto turned into MetalCluster Hopper!

Me: Nice!

I formed water swords and slashed Shattered Dimensions Sandman all over and drenched him!

Then I fired waves of fire and turned his mace arm into glass and shattered it!

Me: Glass is made from sand. What did you expect?

Aruto and Zixx charged at Flint.

Thomas the Tank Engine: And cue one of Aruto's jokes.

Shattered Dimensions Sandman: Wait. A talking train?!

Thomas the Tank Engine: I'm not just a train, I'm Thomas the Tank Engine!

Shattered Dimensions Sandman: Boy I remember reading those books all the time! Good times.

Me: Those were good times.

Aruto: This is one that will CHARGE you down! (LAUGHS)

Me: (LAUGHS) That was a good one!

Aruto and Zixx and Thomas smashed him down with powerful force!

Me: Top this one! (ECHOING) SUPER WAVE SMASHER! 超流破

I fired a massive blast of water and drenched the powerful huge cyclone!

Shattered Dimensions Sandman: (to Aruto) You make even more annoying jokes than Webhead!

Shattered Dimensions Spiderman: Now, that's not very nice.

Me: HEY! Aruto has just as awesome jokes as Spiderman and Luan do!

Shattered Dimensions Sandman: And you. You always know how to tick me off!

Sandman generates multiple hands from beneath the sand to rise and follow the acrobatic webhead with flying fists.

Shattered Dimensions Spiderman: How do I tick you off? Is it because I make fun of your name? Your hair? Your clothes? Or is it because I keep making you wet all the time?

Me: I think it's ALL of the Above!

Spiderman throws another web barrel at him, turning him back to mud once more, weakening his powers.

Shattered Dimensions Sandman: YES!

Shattered Dimensions Spiderman: So all of the above.

Me: I just said that. (UNSHEATHES SWORD) (ECHOING) FLARE UP NOW! 双炎斬

I had my sword ignite in a white hot blade and then I slashed Sandman and ignited him in an intensely hot vortex of white fire and turned him and a bunch of his hands and clones into glass!

Nico: WHOA!

Qin: POWERFUL!

Sandman charged at Luna and they grappled with each other. Luna beat the crap out of Sandman. When he tried to smash her with a sand mace, she dodged it and beat the crap out of him some more. This continued 2 more times before Luna pushed him back.

Me: Take this one! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive intensely hot vortex of fire and light and turned half of his body into glass and he shattered! But he regenerated.

Me: Flint listen! Your daughter would not want you to become like this!

Penny Marko: That's right daddy!

Penny came. She was a 17 year old girl now. And she had a growth spurt. She had longer brown hair and blue eyes and had green and red clothes and had fire angel wings and she had a huge scar on her chest that showed where her heart transplant took place.

Penny Marko: Look what J.D. did for me.

She showed her scar.

Shattered Dimensions Sandman: Oh Penny. It's good J.D. saved you. I'm sorry you have to see me like this.

Penny Marko: I know daddy. I know. J.D. has to do what he has to in order to save you.

Sandman growls angrily after having enough of our annoying assault. He uses the sands to blow us away while giving them us an intense glare.

Shattered Dimensions Sandman: I got a better idea for how to deal with you guys.

He swirled into the sand and forms a twister to flee deeper in the mining site.

Me: He went into the mine!

Shattered Dimensions Spiderman: That's nice and ominous.

Me: Lets go!

We went after him!

We began our quest pursuing the Sandman through the area, beginning by running into a sandy ol' building nearby the search battlefield.

Shattered Dimensions Spiderman: Hey Flint? Where'd ya go?

Before we could take another step towards the next door, it was suddenly blocked off thanks to a wall of sand formed by the Sandman

Shattered Dimensions Sandman: I DON'T NEED TO FIGHT YOU IN PERSON ANYMORE!

Sandman uses his new powers granted by the fragment to create humanoid monsters made from pure sand to fight his battles for him.

Luna: He can create sand monsters now?

Me: WHOA! Sand Clones! That is cool!

Qin: First Electro and now Sandman!

Rotwood: Everyone, find water barrels and water valves to get rid of these creatures! Fire works too!

Me: Boy what a Sandstorm of a Battle!

I fired a wave of fire and turned the clones into glass!

Shattered Dimensions Spiderman threw several water barrels while Poromon pecked a water valve open.

He drenched them.

Me: YEAH! Now for this too! (ECHOING) THUNDERBOLT CUT! 雷光斬

I fired a massive blast of lightning and froze the monsters into Fulgurites!

Me: WHOA!

Nico: Petrified Lightning!? Awesome!

Xenia: Clever!

Riddler: (smirks) Riddle me this, Sandman: Was that the best you could offer?

Sandman unleashed a frustrated yell after his sand minions were destroyed by us. His frustration led to him destroying the ceiling of the building with his sandstorm and unknowingly removed the sand wall blocking our path.

Shattered Dimensions Spiderman: Leaving already? You never stay and cuddle.

Me: Yeah!

Nico: What's wrong Flint? Can't stand the heat?

Shattered Dimensions Spiderman: Talk about having the floor pulled out from under you.

Me: No kidding.

Luna: Sandman was dangerous enough before without the fragment.

Vert: Yeah. We need to get that fragment away from him, but we won't be able to do it with this sandstorm in our way. Where's the nearest water tower?

Shattered Dimensions Spiderman: All the way over there. We can use that to flush him out.

Shattered Dimensions Spiderman took the lead while web zipping on objects to get to the water tower. He did this for about 30 seconds.

Me: I got an idea! Katara, Maria, you get the water out of the tower and drench him.

Maria: We're on it!

Katara: Leave that to us!

Maria and Katara used their powers and Waterbending to drench the sandstorm!

Shattered Dimensions Sandman: Did ya really think it was gonna be that easy?!

Sand appears underground and immediately form into a large and strong Sand Golem that roared at us.

Me: WHOA!

Nico: Just like in the 2007 movie!

Me: Wow! I got this one! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive intensely hot vortex of fire and light it hit the entire golem and turned it into a glass statue!

Nico: INCREDIBLE!

Qin: WHOA! Make an awesome living room decoration!

Spider-Man wastes no time web-pulling the water tower and kicking it, tipping the large amounts of water onto the sandstorm and weakening Sandman of his power. The supervillain unleashes a scream of rage and is starting to get really angry with our heroes' interference.

Shattered Dimensions Spiderman: What's wrong? Moisturizing is supposed to be good for the skin!

Me: (LAUGHS) Yeah!

Shattered Dimensions Spiderman's reward for the quip? Sandman charging at him and grappling with him. Shattered Dimensions Spiderman beat the crap out of him. When he tried to smash him with a sand mace, he dodged it and beat the crap out of him some more. I formed a fire mace ball and smashed the Sand Mace and it shattered into glass! This continued 2 more times before he pushed him back. Sandman growls through his angry scowl, glaring at us before turning into a sand vortex and escapes to the mines.

Me: He's going into the mines!

Shattered Dimensions Spiderman: Where ya goin' now? Can we come? Huh? Huh? Can we?

Skarr: Calm down, will you? You're acting like a little kid.

Luna: Aw, let him have his fun. That's just who he is.

Me: Yeah he always makes awesome quips like that.

Xenia: Yep.

Nico: Lets get after him.

We went after him again.

As soon as we entered the mines, rocks fell down blocking the entrance most likely because of Sandman, leaving us trapped until they could find another way out. Still, none of us are worried, most notably Spider-Man as he still has something to joke about their situation,

Shattered Dimensions Spiderman: Aww, we aren't going into the spooky ol' mine, are we? Will we have to solve a mystery and unmask someone dressed as a ghost too? If so, my money's on Old Man Jenkins.

Me: (LAUGHS) That would be awesome and funny.

Luna: We would make a killer mystery gang. I'm the girl with the glasses. You're the guy with the shaggy hair. And Poromon's our talking dog.

Marionette Shadow: May I ask why?

Me: (LAUGHS)

Poromon: (Gets out beer) Because my Scooby Snax are beer! (to Shattered Dimensions Spiderman) Want some?

WE LAUGHED AT THAT ONE!

Me: (LAUGHS) Stop it with the Scooby Doo references. You're killing me!

Nico: (LAUGHS) That is funny!

Shattered Dimensions Spiderman: (LAUGHS) Yeah. But no thanks Poromon I don't drink.

Poromon: Okay.

Nico: Aruto, remember that thing we talked about earlier?

Aruto: Yeah, I know. I just hope you made it easy for me to control.

Right: Nico, what are you talking about?

Nico: You'll see.

Me: I have a feeling this will be awesome.

Qin: Yeah.

Luna: So where's Sandman? You'd think we run into him by now.

Spider-Man spot another door just up ahead and swings towards it,

Me: In this area he could be anywhere.

Shattered Dimensions Spiderman: Okay. I've seen enough scary movies to know this is the moment when the monster jumps out.

Me: Me too.

Our suspicions were unfortunately confirmed when out of nowhere a giant hand made of sand rises to block our exit.

WE GASPED!

Shattered Dimensions Spiderman: I knew it!

ME: WHOA!

The giant hand grabs us and ruthlessly throws some of us onto a platform. The sand changes, rising high forming a giant monster that resembles the Sandman but with glowing yellow eyes and blocking our own path of escape.

RD Clyde: Unnhhhh… my head!

I was unscathed because I was flying.

Shattered Dimensions Sandman: I'LL KILL YOU!

Nico: No thanks, I think that would make it worse.

Aruto: I hope this works.

Singurize! Hakai, hametsu, zetsubō, metsubō seyo. Conclusion one.

Aruto turned into Kamen Rider Ark One

WE GASPED!

Me: Kamen Rider Ark One!? Oh shit on me and fuck me sideways!

Nico: But watch.

He was in full control of it.

Shattered Dimensions Sandman (smashes the platform): HOW CONVINENT! YOU'RE ALREADY SIX FEET UNDER!

Abra Kadabra: Don't count us out yet!

Sandman switches his tactics for a moment and starts spitting sand balls in a machine gun-like fashion.

Luna: Taste my aqua beam!

Luna fired a beam of water and blasted him all over.

Me: (ECHOING) SUPER WAVE SMASHER! 超流破

I fired a massive blast of water and blasted the giant Sandman all over with and turned him into a pile of mush!

While this was going on, Poromon drank the beer he got out.

Juru: And cue Poromon's drunk talk.

Poromon: (Slurred Speech) Oh look who it is! Mr. I'm-so-dirty-I-love-to-shit-myself! Come here you son of a bitch! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit Shattered Dimensions Sandman and turned him into a fulgurite!

Nico: Whoa!

Me: Okay Poromon you've had enough. (SNAPS FINGERS)

He was back to normal.

Aruto went at Sandman and punched and blasted him all over!

Aruto: It's okay guys! I'm now in full control of this form. No harm at all.

Me: WOW! That is cool!

Having enough of us muddying up his body, Sandman unleashes a mighty roar so loud it eventually destroys all the carts with the barrels, lessening our chances to weaken him again.

Luna: He destroyed all the carts! What do we do?!

Thorn: No problem. Look.

Thorn points to a mining mechanism to their left that has reactivated somehow and is automatically bringing them more water barrels to use in battle.

Thorn: His little temper tantrum must've reactivated the machines in these mines bringing us more water barrels!

Me: Not very smart thinking there!

Shattered Dimensions Sandman: OH COME ON! CAN'T I CATCH A BREAK?!

Aruto: Hey, you do what you do. We do what we do.

Me: And now we can do this! (ECHOING) IRON ROCK CRUSHER! 岩鉄砕

I slammed the ground with my sword and sent a shockwave of rock and hurled numerous barrels of water and drenched him with them hitting him!

Xenia: WHOA! Nice one!

Shattered Dimensions Spidey: I gotta say it: Here's mud in your eye!

He swung web hammers onto his face and smacked his head off the platform in pain. The giant Sandman screams in pain while turning into a sand vortex and fleeing from the mines.

Me: WHOA!

Shattered Dimensions Spiderman: Hey, don't leave us alone in here! This place is scary.

Motor Ed: (scoffs) I am not scared! Seriously.

Me: Me neither!

Qin: Lets go!

We ran after him!

Nonetheless, we fearlessly pursue the supervillain through the mines and would've escaped already if more sand monsters didn't block our path to keep us busy.

Aruto: More sand monsters? Give it a rest, Marko. You know they can't slow us down.

Sand Monster 1: I'll crush you!

Sand Monster 2: No, no. Bury them!

Luna: Wha?

Sand Monster 3: Drown them in sand!

Shattered Dimensions Spiderman: Uh, Flint? I dunno if spreading your consciousness across multiple creatures was such a good idea.

Me: WHOA! NO KIDDING!

Nico: He might be losing himself to the fragment. We need to get that thing back before he loses more of his mind.

Me: It's power is corrupting him! Making him more and more unstable!

Eli: He's right! I sense it.

Nico: Marko the Fragment! You got to get rid of it!

Shattered Dimensions Sandman: Oh you would like that wouldn't you?

Nico: I know how it feels Flint. It feels exhilarating. The power. But you will lose yourself Flint.

Shattered Dimensions Sandman: I like being bad. It makes me happy.

Me: HEY! That line was only reserved for the 2007 version of Venom.

We found ourselves back outside to an area similar to before with a giant sand tornado tearing up the site and sucking up every platform and debris one by one much to our dismay.

Me: HOLY SHIT!

Shattered Dimensions Spiderman: Again with the tornado? This sure didn't stop us last time. It won't stop us now.

Me: This one is even bigger!

Shattered Dimensions Sandman: I'M WARNING YOU, WALL-CRAWLER!

Shattered Dimensions Spiderman: Yeah, but you're all hot air.

Me: All bark and no bite!

Family Guy Penelope: Hmm. Found a water tower we could use. It'll take some time to get there on foot. And this tornado is a little stronger than the other one.

Me: Lets go then.

Nico: You heard him!

Shattered Dimensions Spidey: I'm gonna take back what I said about landscaping. You'd be better off going into demolition.

Me: Demolition is always fun!

More sand monsters are then summoned to stop us from tipping the water tower.

Xaldin: Your tornado is made of sand. But I make tornadoes made out of pure air.

Xaldin used his lances to tip down the water tower onto the tornado to weaken Sandman. The super-criminal is getting more and more irritated with our attempts to stop him. He shouts out a frustrated yell and dashes his tornado onto us. We screamed as we are painfully tossed onto another platform.

Nico: He's getting a little angry.

Luna: Over there! And it's not far!

Just before we race onto the platform that'll take us there, it annoyingly got sucked into the tornado before we reached it.

Luna: Dude! Just ONE platform! Is that too much to ask?!

Me: I got this! (ECHOING) ARROW SHOCKWAVE! 真空波

I fired an energy arrow blast and it hit the center of the tornado and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and incredibly powerful explosion of wind blew the tornado apart and we got to the platform!

Nico: WHOA! Nice one!

Luna: That bought us some time dudes!

But then the tornado reformed!

Nico: Okay. This is the last water tower!

Me: We just got to break it open.

Qin: Easier said than done.

Hopefully for the last time, Spider-Man uses his webbing and amazing strength to tip the giant tower and dump the water onto the tornado that should stop it for good. A now furious Sandman roars from our constant annoyance and once again flees to the mines to hide.

Shattered Dimensions Spiderman: Back to the old salt mines… literally. (we enter the mine) The deeper into the mine he gets, the more sand he'll have around him… the bigger he'll get!

Nico: And he'll keep growing stronger because of the fragment. This is not looking good.

Me: No it isn't. I sense his power rising fast.

Shattered Dimensions Sandman: I'm getting tired of you guys… WE'RE getting tired of you guys! (Sand minions appear)

Me: Oh boy.

Luna: Sandman, listen to us! The more you use that fragment, the more it separates your own mind! Don't you get it! You won't be you anymore!

Zixx: He's not listening, Luna! We just need to hurry and find him and get back the fragment!

Me: Yeah!

I fired waves of fire and blasted the Sand Minions and they turned into glass.

Shattered Dimensions Spiderman: Let's see where he went this time.

Luna: Where do we go from here?

Cut Man: Hmmm, sand. He's must'a gone through this wall.

Me: Yeah.

Shattered Dimensions Spidey: This wall looks a little too thick for our powers to have any real effect. We'll need something bigger. That drill could probably make Swiss cheese of it, but it's operator must'a run off as soon as-.

Operator: Help! Somebody help me! I'm bein' attacked by - S-SAND CREATURES!?

Me: Oh no!

Lola: I got this guys!

Lola flew after the Sand Creatures and blasted them with fire and turned them to glass and got the man to the drill.

Dodgeball Wizard: Are you okay, mister?

Operator: Phewww… thanks for saving my bacon! Anything I can do to getcha back…

Shattered Dimensions Spiderman: Funny you should say that. Can you work that drill?

Operator: Can I? Buddy, just swing me over to her!

He went and did so.

Nico: YEAH!

Operator: (Sand golems appear) Aw nuts! We got company, guys! Keep those sand things off my drill!

Me: Right!

We blasted the Sand Golems with water and fire and blasted them all over. We melted them and hardened them.

Xenia: Yeah!

The Operator drilled into the wall.

Operator: We're through!

Shattered Dimensions Spiderman: Nice! One thing I can say about you, pal - you know the drill.

Operator: First time I saved Team Loud Phoenix Storm!

Me: It sure was.

Nico: Yeah!

We went out the mine.

Nico: Now to find Flint.

Blackarachnia: J.D., we should do our entrance as soon as we exit out of this!

Me: Right!

We went through the mine.

Outside the spirits of the Earth came and they swirled around the area and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above the mine and a phoenix cry was heard and we came out and landed.

Maria: Better summon backup for this! (TURNS DIAL) PTERODACTYL FURY 6!

She summoned Pterodactyl Ghost, Droog, Jubjub Bird, Red Eye King, Angel Roidmude and Velociraptors!

Nico: YEAH!

Luna: There's no use hiding anymore, Sandman! Surrender the fragment and give up peacefully! There's no way you can win against us!

Me: We'll just hunt you down to the ends of the earth and find you wherever you go and take the fragment back by force!

That was the taunting needed to bring out Sandman in all his terrifying glory. Massive amounts of sand starts rising from the ground and instantly chases us ike a humongous sand wave, all with Sandman's creepy face seen pop up on it periodically,

Shattered Dimensions Sandman: YOU CAN'T STOP ME NOW, RUNTS! I SPREAD MY MIND TOO FAR! FARTHER THAN EVER! I AM NOWHERE! I AM EVERYWHERE!

Danny Phantom: HEY! UNDERGROWTH SAID THE SAME THING!

Shattered Dimensions Spiderman: Yeah? We're really happy for you, but, talking to everywhere AND nowhere at the same time is kinda distracting!

Metal Sonic: How about you show your face?

Vinyl Scratch: YEAH YOU COWARD!

Lola: YEAH!

Luna: We are NEVER going on that ride again anytime soon.

Shattered Dimensions Spiderman: Okay, maybe we should head for cover before Sandm-.

Unfortunately, his spider-sense is ringing like a storm as he quickly realizes there's no place for us to hide from his increasing power,

Shattered Dimensions Spiderman: Yikes! Nowhere to go!

Me: UH OH!

The sinister Sandman laughs as he forms another tornado outside, but this time trapping us in it so they won't use another water tower to stop him again.

Shattered Dimensions Sandman: IT'S THE END OF THE LINE FOR YOU, SPIDER-PUNK, AND YOUR SCARED LITTLE FRIENDS! I'LL FINISH YOU-!"

Inside the tornado, we could do nothing but watch in surprise to see not one, but two faces of the Sandman form within his own tornado, with each having their own split personality.

Sandman 2: KILL THEM NOW?

Sandman 1: NO! PLAY WITH THEM A WHILE-!"

A third face then immediately joins the conversation with the other personalities

Sandman 3: DON'T GIVE THEM THE CHANCE TO ESCAPE-!

Sandman 1: I WANNA MAKE THEM SUFFER-!"

Sandman 2: MAKE IT LAST!

Sandman 3: NO, DO IT NOW! KILL THEM!

Me: Boy it's like talking to yourself!

Shattered Dimensions Spidey: Flint, your consciousness can't handle being spread this thin! The fragment has made you TOO powerful!

Me: YEAH!

Sandman 1: YOU WOULD SAY THAT!

Sandman 2: WAIT, WHAT IF HE'S RIGHT?

Sandman 3: NO, IT'S A TRICK-!

Sandman 2: IT'S NOT A TRICK - I CAN FEEL IT!

Sandman 1: SHUT UP-!

Sandman 2: ADMIT IT, HE'S RIGHT!"

Sandman 1: HE'S LYING!"

Sandman 3: SHUT UP - ALL OF YOU! JUST SHUT UP-!

Sandman: QUIIIIET!

Me: SHEESH BREAK IT UP YOU THREE!

Ragdoll: At least they can agree on one thing. They all want us dead.

Right: Not on our watch!

Juru: Kiraful Change!

Right: Hyper Mode!

Progrise! Hell's energy has destroyed the world! Hellrising Hopper! Heaven or hell it doesn't matter.

Aruto turned into Hellrising Hopper!

Nico: OH YEAH!

Qin: This will be good!

Me: Time to intensify the deluge and the heat!

Thomas the Tank Engine sped ahead at one face while Right slashed at one face. I then spotted something.

Nico: Is that this world's Juggernaut's helmet?

Me: It sure is.

I went and gave it to Nico.

Nico: Thanks.

Nico flew and smashed a face!

I fired a massive blast of fire and turned a face into glass!

Vert drove at one face in the Saber car while Juru ran at another face.

Vert: Might want to teleport that back to him.

Nico: I'll do that.

Nico did so.

Qin: Take this!

Qin fired more blasts of fire and blasted the sand all over!

Qin: YEAH!

Ben: Time for some heat!

He turned into Heatblast!

Ben: HEATBLAST!

He fired a massive blast of fire and turned much of the sand into glass!

Ben then turned into Water Hazard.

Ben: WATER HAZARD!

He fired a massive blast of water and melted the sand all over!

Maria, Luna, Bai Tza, Katara, Lily, Mera, Oceanus Shenron, Ariel and the Water Users drenched him all over the place.

Nico: I got an idea! Storm! We need a huge RAINSTORM!

Storm: You got it!

Storm then commanded the weather and formed a massive and powerfully huge torrential downpour of rain.

It drenched him and melted part of him.

Shattered Dimensions Sandman: What exactly led to that heart transplant thing?

Nico: The Prime versions of you, Kraven, Vulture, Electro, Mysterio, and Hydro Man being led by Paul to kill J.D. and the others?

Shattered Dimensions Sandman: (laughs) That punk kid? He's no Doc Ock or Green Goblin!

Me: Maybe so but he was a jerk and he had it coming for everything he did.

Penny Marko: That is for sure.

Qin: Yeah.

Then Arbormon, BlackWarGreymon, David Cain, Dodgeball Wizard, Dumbbelltron, Oculous, Ben Ravencroft, Deadwood, Moonstone, and Mercurymon came.

Nico: Arbormon, BlackWarGreymon, David Cain, Dodgeball Wizard, Dumbbelltron, Oculous, Ben Ravencroft, Deadwood, Moonstone, and Mercurymon.

Arbormon: You're not really that excited to be fighting this version of Sandman.

Nico: Of course we're not! He's definitely one of the more villains who has honor.

Me: That's for sure! This fragment is making him totally out of control!

BlackWarGreymon: But right now, he has a fragment and you have to get it out of him.

?: (ENRAGED SCREAM) VARIE, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of wind that came out of nowhere and they hit the barrier, but the wind volley was absorbed into us and we became even stronger than ever. Then, we saw Raiza the Storm Monarch appear.

Varie Raiza: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Raiza skinsuit, and show yourself, Vance!

Raiza the Storm Monarch vanished in a vortex of infernal wind, and in its place stood a 6'11" tall male with green hair and green eyes similar as Varie's, massive muscular build, and dressed in a red prison jumpsuit: it was Vance Raiza, the evil older brother of Varie Raiza and the sixth of the eleven most dangerous thugs in Royal Woods.

Nico: We meet once again, Vance Raiza.

Varie Raiza: The sixth of the eleven most dangerous thugs in Royal Woods, I would have never thought I'd have to see your ugly face again, Vance, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Vance Raiza: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Varie Raiza: You're all bark and no fucking bite, Vance. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Varie Raiza's green eyes turned neon green and she was surrounded by a green energy aura with stars, winds, phoenixes, and angels, she unholstered her massive Raiza the Storm Monarch's Hurricane Windstorm Greatsword of Storm Monarch Justice from her back, and as she approached Vance Raiza, she left green energy, stars, winds, phoenixes, and angels with every step.

Varie Raiza: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Vance, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Vance, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Varie Raiza was surrounded by a massive vortex of green energy with stars and winds surrounding it, there are phoenixes, angels, and Raiza the Storm Monarch flying around the vortex, and in the vortex is a sky blue phoenix with red eyes glaring at Vance Raiza: the red eyes of eternal death. Then, as the vortex faded, Varie Raiza emerged, but she was changed forever.

Varie Raiza grew from 6'11" to 7'9" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her short neck-length green hair, she has neon green eyes and a green energy aura with stars, winds, phoenixes, and angels surrounding her, she has Raiza the Storm Monarch with the Wind Kanji in its hands emblazoned on her forehead and Third Eye with green iris, she has on phoenix earrings with green gems for eyes and holding the Wind, Star, and Eternity Kanjis in its hands, she also has Raiza the Storm Monarch with purple gems for eyes and holding the Wind, Star, and

Eternity Kanjis in its hands on the bottom of her green phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Varie Raiza has on a green sleeveless blouse, sleeveless green shirt, green skirt, green stockings, green legwarmers, green shoes, and long sleeveless white trenchcoat with stars, winds, phoenixes, and angels on the coattails and on the back is Raiza the Storm Monarch surrounded by stars and winds. Suddenly, Varie Raiza felt a sharp pain on her back, and then, her massive green angel wings with sky blue tips on the large green feathers grew much bigger for her new body, and she now has eleven massive and long green wolf tails with sky blue tips and sky blue markings, she has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Varie Raiza's massive Raiza the Storm Monarch's Hurricane Windstorm Greatsword of Storm Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of green energy, stars, winds, phoenixes, and angels, and when it emerged, it was transformed into Varie Raiza's Hurricane Wind Monarch Raiza the Storm Monarch Hurricane Phoenix Angel Greatsword of Wind Phoenix Storm Monarch Raiza Justice, it's a brand-new massive greatsword with embedded sky blue gems and Raiza the Storm Monarch etched on the 7'6" massive, wide, double-edged green blade, large green dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in the foreheads, longer midnight black handle, four green phoenix heads with sky blue gems for eyes and large green phoenix head with sky blue gems for eyes and a large green gem in its mouth on the bottom of the green phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with green gems on her wrists and Dragon Ball

Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Raiza the Storm Monarch's head with green gems for eyes and a large green gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Raiza the Storm Monarch that said, "Varie Raiza, Gene-Slammer of Raiza the Storm Monarch, Windmill Worker and Expert Cook Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Flip, Archenemy of Wind, Destroyer of Vance Raiza, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Phoenixes, and Angels"

Suddenly, Varie Raiza's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Varie Raiza has transformed into SUPER ANGEL-RAIZA THE STORM MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA HURRICANE WINDSTORM RAIZA THE STORM MONARCH PHOENIX MONARCH ANGEL OF DIVINE HURRICANE WINDSTORM RAIZA THE STORM MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE HURRICANE WINDSTORM RAIZA THE STORM MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Varie Raiza's Super Angel-Raiza the Storm Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Vance Raiza saw it, he went fucking mad with rage and transformed into Raiza the Storm Monarch and fired blasts of winds at her, but she absorbed them and it made her stronger, and she fired a massive barrage of green energy, winds, phoenixes, and angels at Vance Raiza, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, THINGS ARE REALLY GOING TO GET WINDY!

Lincoln: Awesome, Varie Raiza's transformed into her Super Angel-Raiza the Storm Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Vance big time, and now, it's high-time we got rid of you for good, Vance.

Varie Raiza: (Divine Echoing Godly Voice of The Divine Hurricane Windstorm Phoenix Raiza the Storm Monarch Phoenix Angel and Divine Hurricane Windstorm Phoenix Raiza the Storm Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Varie Raiza.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Vance, but I take comfort knowing when I get married to Varie in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Varie Raiza and Lincoln went after Vance Raiza who continued firing winds at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Vance Raiza and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Varie Raiza also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Vance Raiza even madder than ever!

Vance Raiza: I'LL FUCKING KILL YOU, STINKOLN!

Vance Raiza fired more winds at Lincoln, but he absorbed them and it made him even more stronger as his wind aura became more ferocious. Then, Lincoln drove his massive greatsword into Vance Raiza's stomach and he began sucking out and absorbing the wind powers he'd gotten when he Gene-Slammed himself into Raiza the Storm Monarch along with his massive muscle mass and strength and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow, and that caused Vance Raiza to revert back to normal, but now, he was thin as a rake and he was really weak.

Lincoln swung his massive greatsword and sent Vance Raiza flying into the air, then, Lincoln and Varie Raiza fired powerful blasts of winds at Vance Raiza, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Varie Raiza and Lincoln did as they holstered their massive greatswords and powered down, and Varie Raiza's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, and massive green angel wings are permanent.

Varie Raiza: Burn in The Black Gates forever, Vance. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Varie.

Suddenly, Varie Raiza wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Varie Raiza's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Raiza the Storm Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and winds blowing behind them and we cheered wildly. Then, Lincoln and Varie Raiza sucked in and absorbed the elemental forces and winds and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Vance Raiza, but we still got five more of those thugs to deal with.

Darcy Erebus: Which means tomorrow, it's Damian Erebus' turn to die.

Lincoln: Damian isn't getting out of this, and I hope we drag his soul down into the darkest depths of Hell for this, Darcy.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's also for one for the Embodiments of Organization XIII: Iona Xion, Keyblade Knight of The Kingdom of Corona and Embodiment of Xion, The 14 Elements of The Sun.

Roxas, Lea, and Xion gasped.

Xion: Oh man, no way, Iona Xion! We haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Iona Xion is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of The Sun and the 14 Elements, and she harbors a very very nasty hatred towards Mother Gothel for locking up Rapunzel and using her powers over the sun to sustain her youth, and she also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they did to Xion and make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: WHOA!

Nico: Having the powers of The Sun and the 14 Elements of Organization XIII?! Damn, she's a deadly force for light.

Lincoln: You said it, Nico, and if you mess with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother, sparks will fly.

Xion: (Shudders) We hadn't forgotten what happened last time. Man, it was ugly!

Soon, we were getting ready for bed.

Me: Well, we did lose the bet.

Nico: Yeah, that's true.

Lincoln: But, a bet's a bet. So, we've got to fulfill our end of the bet.

Ace Bunny: That's true. Oculous: Yuck! I got sand in my mouth!

Me: (SPITS) ME TOO! BLECH!

Shattered Dimensions Spiderman: Well, it wasn't exactly a day at the beach. But it was worth it.

Me: Yeah it sure was.

Ben Ravencroft: (to Shattered Dimensions Sandman) Thanks for the Fragment.

Shattered Dimensions Sandman: (weakly) No. Thank… you. (falls unconsious)

FWOMP!

Deadwood: He's just knocked out. Using the Fragment really took a lot out of him

Me: No kidding! Like how I was knocked out when I got hit by that planet destroying rocket.

Shattered Dimensions Spiderman: And now to clean the sand out of my shorts.

Moonstone: While we prepare for tonight.

Shattered Dimensions Spiderman: What do you mean?

Mercurymon: Because of a bet, Nico and J.D. and Lincoln will be making a lot of love with their harems. We're not gonna be getting any sleep!

Madame Web: (in our heads) Not to worry. I will soundproof the rooms.

Nico: Really?

Madame Web: You've done a good job with the fragments. It's the least I can do.

Nicole: Thanks Madame Web.

Nico: Great job today everyone! That's number 5 down.

Laney: Yep.

Spiderman: (To the viewers) Boy this was a SANDY adventure huh?

Me: It sure was.

We went back home and took a shower to got the sand out

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on a super extra-extra-extra large bed fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

HUBBA HUBBA!

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated: Lincoln was in for four weeks of all-night intense wild lovemaking.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated: I was in for four weeks of all-night intense wild lovemaking.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated: Nico was in for four weeks of all-night intense wild lovemaking.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated: Ace Bunny was in for four weeks of all-night intense wild lovemaking.

THIS IS GONNA BE A LONG 4 WEEKS!

It seems she'd gotten her hands on the files on Project: Mother in Law, and she injected a Funnel Web Spider with the Alien DNA that was used in the 2000 horror movie, Spiders, and it has grown into a dangerous and very super aggressive monster spider and wants to lay its eggs inside living hosts for them to grow and hatch. But, we're not going to let that happen once again, we're going to destroy that alien mutant monster spider and this time for good, and Dr. Carol Linnaeus will pay the ultimate price for her unethical and illegal experiments and all for her desire for glory, and that price will be her life, and we'll also make sure that Damian Erebus pays infinite-fold for that stunt later on after our mission to get the next fragment of the Tablet of Order and Chaos! Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Sage and Fujiko as well as Thundermon, Strikning, Carapax, Penny the Chicken, Tublat and Overload. And we were there for another awesome and fun rescue.

Me: Been a while since we were here in Gravity Falls.

Xenia: Boy no kidding! It has been a while.

May: We had all sorts of fun adventures here.

Lola: We sure did.

Camie: I heard all about those adventures. They were cool.

Carly Atlas: Boy they sure were.

Nico: Yeah those were really fun.

Lola: Yeah they were.

Nico: Sage, I want to thank you, Thundermon, and your teams for coming.

Sage: It's my pleasure Nico.

Fujiko: This is gonna be so fun.

Me: It sure will be.

Nico: Fujiko, how did you like Sheila's ambassador missions?

Fujiko: Oh they were so much fun and awesome.

Xenia: They were really awesome and we took down some of the most dangerous crime lords.

Fujiko: And we stole all their loot and it was fun.

Me: That sure was awesome. Kairi Yano and the LupinRangers all had a great time with those missions too.

Laney: They sure did.

Nico: Yeah.

Me: That was so epic.

Nico: And you reunited with Lupin.

Fujiko: I sure did.

Qin: That was so fun.

Me: Yep.

Nico: Yep.

Me: Boy yesterday's mission was the SANDIEST that we ever went on.

Lola: No kidding! I still have sand stuck in my ears.

Lola patted her head and then sand poured out of her eyes and made a sandcastle from all of the sand.

Nico: I didn't enjoy fighting him at all.

Qin: Me neither. But we had to in order to get that fragment away from him.

Laney: It sure was crazy. But it had to be done.

Lola: Yeah.

Lana: That was still fun though.

Camie: It sure was.

Nico: He wasn't able to fully control the fragment's power.

Me: No he wasn't. But that was crazy awesome.

Laney: It sure was.

Qin: It's hard to imagine the fragment can do that to him.

Laney: Yeah it stretched his mind really thin.

Xenia: Almost to the brink of total insanity.

Nico: Yeah.

Maria: At least he didn't turn into a Heartless.

Nico: Thank goodness for that.

Qin: Yeah no kidding.

Laney: I know.

Camie: Yeah.

We got to walking around Gravity Falls.

Me: Boy I can't remember the last time we were here in Gravity Falls.

Xenia: Feels like forever.

Nico: This place is full of crazy shit.

Camie: Like what?

Me: Supernatural, legendary, mythological, demonic and all kinds of mystical phenomena here.

Nico: Yep.

Qin: This is an awesome town too.

Laney: But even this town had its problems.

Xenia: Yep. The worst of them being Bill Cipher.

Camie: Who was Bill Cipher?

Me: He was an Illuminati demon.

Camie: Illuminati?

Me: You know that pyramid with an eye that you usually see on the back of the $1.00 bill? That sort of thing.

I went over his history.

When I was done it was shocking!

Camie: Whoa man!

Xenia: Yeah that was crazy! Discord warned us about him and we were shocked. But we faced him and banished him to the Warp.

Camie: How did you find out about him the first time?

Me: We found out about him when we found out that the Royal Defenders recruited him.

Nico: Yeah and looking back I can't believe they did that.

Qin: Yeah.

Maria: Who are we facing this time?

Me: Lets ask Lincoln.

Lincoln: Everyone, we've got a huge emergency, I got word from Dipper, Mabel, and their friends that Pacifica's so-called parents have broken out of prison and they're out for revenge on us.

We gasped.

Nico: Those fucking traitors to America and the world!

Me: I can't believe they've escaped!

Qin: Pacifica's evil so-called parents!? Oh man! How the hell did they escape from prison!?

Maria: YEAH! We made sure we locked them up and threw away the key!

Suddenly, the four golden rings orbiting around the large golden halo behind Lincoln's head glowed and fired four beams of light which then formed into a viewing window: we saw the footage of how Pacifica's so-called parents escaped from prison, it was Damian Erebus who infiltrated the prison and slaughtered the guards and then, he approached their cell, opened it, and opened a portal to Gravity Falls and they ran into it.

Me: So Darcy Erebus's brother did it!

Nico: YEAH! Wait look!

Another viewing window appeared and that also showed that earlier, he also went to the cell of the emotionless and cold-blooded former mad scientist of the defunct Incognito Labs turned convicted criminal, Dr. Carol Linnaeus, and busted her out, and he sent her to Sterling Heights, Michigan. The viewing window closed and the four golden halos stop glowing.

Anna Anyanova: So, that's how those two escaped and wound up in Gravity Falls: Damian Erebus did this! And earlier today, he also freed that emotionless and cold-blooded scientist, Dr. Linnaeus. Oh, when Darcy finds out about this, she's so going to be pissed off times infinity.

Lincoln: We'll worry about her later, right now, we should deal with Pacifica's so-called parents. If they refuse to stay in prison, then, the only thing waiting for them is death.

Lincoln fired a barrage of rainbow energy blasts which hits a massive army of hitmen hired Pacifica's so-called parents and killed all of them, and we also met up with Dipper, Mabel, and the others.

Nico: As if they couldn't stoop any lower, now they resort to hiring hitmen.

Lincoln: They should know we don't take kindly to hitmen coming after us. (Senses for Pacifica's so-called parents) AHA! Gotcha! Pacifica's so-called parents are 20 yards away and they are barreling towards us in, and they're out for blood.

Nicole: Soon, their own blood's going to be spilled.

Lincoln: That's for sure.

Me: Big time!

Xenia: Yeah!

Camie: Who are Pacifica's parents?

Me: Their names are Preston and Priscilla Northwest. That was an awesome adventure I'll never forget.

I went over what happened in chapter 803.

At the estate, things were very quiet. Sakura Avalon was making lunch and we were watching TV and playing card games.

Thundercracker: You sure the 5 of you will be ok at McDonald's, Nico?

Nico: We will Thundercracker. Qin and I have a lot of catching up to do after we haven't seen each other for 7 years.

May: So we have to get to know her.

Thundercracker: That's understandable. But have a good time boss.

Nico: Thanks Thundercracker. We will.

Me: Have a good time guys.

Nico: We will man.

They left.

At the McDonalds in the middle of town, Nico, Qin, May, Britney Crosby and Robby Schwartz were having awesome burgers.

Qin: Good burgers Nico.

Nico: Thanks Qin.

Qin: So what have you been doing over the course of the last 7 years?

Nico: You missed out on a lot Qin. As I'm sure you heard about my exploits in the Digital World.

Qin: I sure did and you told me what happened with Ken. That was horrible.

Nico: Yeah. But J.D. and everyone helped me get over my grief and my PTSD.

Qin: I'm so happy for you Nico.

May: And Nico is also the most amazing boyfriend ever!

Nico: Me and May have been dating for almost a year now. Ever since I moved here to Gotham Royal York.

May: Yep. We're now on our 3rd date.

Qin: That's wonderful Nico! I'm so happy for the both of you.

Nico: Thanks Qin. J.D. and everyone are true friends. They are like brothers and sisters to me and everyone.

Robby Schwartz: (to Qin) Ever since Nico and the others rescued me, Britney, and the other Very Special guests from Horrorland, he's been like a big brother to us.

Nico: That's great that you think of me with such high regard Robby.

Robby Schwartz: It's true man.

Britney Crosby: Yep.

Qin: So I heard you all are going after the Goosebumps Monsters.

Nico: Yep. I'm now the leader of my own branch of Team Loud Phoenix Storm. We're called the Goosebumps Monster Busters. Our goal is to destroy all the Goosebumps Monsters one by one.

Qin: That's amazing! I heard you were tormented by Slappy the Evil

Living Dummy.

Nico: He was a nightmare brought to life for many people.

Britney Crosby: And I'm one of his victims.

Qin: That's awful Britney. I'm so sorry that happened to you.

Britney Crosby: It's all right Qin. But thank you. At least we'll never have to see Slappy ever again.

Nico: Yep. And he'll never torment us ever again.

Qin: Good. And Nico why did Thundercracker call you boss?

Nico: Oh you don't know about this. But 3 months ago we destroyed the biggest and most powerful Transformer of them all. The Transformer Devil himself - Unicron.

May: That was one of our most explosive and unforgettable battles.

Qin: Wow! I heard about all that!

Nico: Yep. It was one of the biggest battles we've all ever had. It was before we formed Goosebumps Monster Busters. Team Loud Phoenix Storm and the Autobots and Decepticons of Cybertron, Earth, Velocitron, Animatron and Gigantion all formed an incredibly powerful alliance and put aside their differences to work together to destroy Unicron and rid the entire universe of his ultimate evil. We all worked together and destroyed him. After that I was officially made the new leader of the Decepticons and I'm leading them on the right path to redemption.

Qin: Nico that's so amazing!

Nico: Thanks Qin. I was made the leader of the Decepticons after we killed Megatron on one of our missions.

May: It was one of the longest and toughest battles ever.

Robby Schwartz: I heard about that. That's amazing!

Britney Crosby: It sure is.

Nico: Yep and I got this awesome medal that shows my leadership of the Decepticons. I got it for my 16th birthday.

Nico showed them said medal.

Qin: That's an amazing medal.

Robby Schwartz: That's an awesome medal. It's the symbol of the Decepticons.

Nico: That's right. It shows that I'm their leader.

Qin: Who was the leader of the Decepticons before you?

Nico: It was Megatron. And you would hate this guy Qin. He was the worst ever.

Nico revealed the full extent of Megatron's Crimes.

Nico: And there you have it.

Qin: Nico that's horrifying!

Robby Schwartz: I can't believe that Megatron is that malevolent.

Britney Crosby: I'm glad he's dead and in the River of Fire. I heard that Lori Jimenez, Lily Loud and Optimus Prime beat him together.

Nico: That's right.

Qin: Wow! I'm so glad.

May: I am too Qin.

Qin: Good. May how did you get your awesome powers if I may ask?

May: Most of us got our powers from the gods and deities of myths from all over the world. I got my powers from the Cold Fire Snowflake of Tsovinar, the Goddess of the Sea in Armenian Myth.

Nico: Most of us were chosen by the gods themselves to be their champions to protect the universe and our loved ones from the threats of all evil. That's how we were able to overcome many obstacles on our journey. Friendship and love are two of the most powerful forces ever and they can overpower hatred and evil.

Qin: That's amazing Nico! I've missed out on so much.

Nico: I know.

Qin: What was the most action packed adventure you were on?

Nico: That is an easy one. The most action packed adventure we did was the Battle with Nerissa.

Qin: I've heard about that all over the news! That was an epic battle.

May: It was Qin. It was one of our most explosive and most epic battles ever. It was so powerful that it threatened to tear the entire planet apart.

Qin: Wow! But who was Nerissa?

Nico: She was the most evil person you would hate with a vengeance. She was a rogue Guardian of Candrakar.

Nico revealed the full extent of her crimes.

Qin: That's horrible!

May: Yeah. But J.D. destroyed her with a massive Kamehameha Wave blast that obliterated her into nothing. It was a powerful battle that carried enough power to destroy 100 Solar Systems.

Qin: That's incredible! I'm glad she got what she deserved. And J.D. is right about everything he says. With great power comes great responsibility.

Nico: That's J.D.'s trademark saying. It's been with him for a long time.

Qin: That's amazing. I'm so glad I'm with you all on Team Loud

Phoenix Storm. I've missed out on so much.

Nico: I know.

Then they saw a bunch of people falling asleep unexpectedly.

Nico: That's weird. Everyone fell asleep.

May: I sense a Clow Card guys!

Nico: I feel it too.

Qin: I feel strange.

Nico: You're sensing a Clow Card.

May: And if my suspicions are right then we're facing the Sleep Card.

They looked at the ceiling and they saw a fairy. It was the Sleep Card. 眠 Sleep resembles a young, periwinkle, sprite with a six-point star on its forehead and one, overlarge, feathered ear on the left side of her head and short hair. Sleep sometimes carries a small wand, which usually produces the magical dust that induces sleep.

Qin: That little fairy is The Sleep Card?

Nico: Yep. If she sprinkles you with her dust, you fall asleep.

Qin: Thanks not a good thing. Induced sleep is not a good feeling. Let me handle this one.

Nico: Go for it Qin.

Qin went out of the booth and she flipped over and went at the Sleep Card. She then dodged it as the Sleep Card was flying at her and she grabbed it.

Qin: Gotcha! It's not my bedtime! RETURN TO YOUR POWER CONFINED!

Qin held out her hand and an energy card appeared and it sucked in the Sleep Card. It turned back into a Clow Card.

Qin: That was amazing!

Nico: Way to go Qin! You caught your first Clow Card.

Qin: I didn't know I could do that.

Nico: First for everything. J.D. told me what happened when Sakura caught this card. She was so sad that she ruined her dads work because of it.

Qin: Oh poor girl. What does her dad do?

Nico: He's an archaeology professor at Michigan University. He transferred here from Japan. But Sakura thought it was her fault.

May: Yeah. She felt so bad about it that she was crying hard.

Britney Crosby: Yeah.

Qin: Oh poor Sakura.

Nico: Yeah. That day still haunts her and she thought it was all her fault. She blamed herself for it.

Qin: Oh man.

Britney Crosby: We were really concerned for her.

Qin: I'm sorry that happened to her.

Nico: I know. But she's better now.

Qin: Good. I'm glad.

Back at the estate we were watching TV and playing card games. I was in deep thought.

Me: Hey Sheila I've been thinking about something.

Sheila: What is it J.D.?

Me: I was thinking about what the Shredder spliced you with and I think that the monster DNA he spliced you with is not monster DNA but Alien DNA.

Sheila: That is a strong possibility. Do you think you can find out what it is?

Me: Sure. But I'll need some blood. One drop should do it.

Donatello: I never did find out the species of your monster forms.

Me: Lets find out what they are.

I pulled up the computer and Sheila cut her finger.

Me: Put your sample here.

Sheila put a drop of her blood into an analyzer machine in the computer and it was analyzing it. It found out that Sheila was spliced with Uintahzian Rockspider DNA.

Me: Wow! Uintahzian Rockspider DNA.

Laney: Uintahzian Rockspiders?

Lana: Those creatures look really scary.

Me: It says here that they are an extremely savage and ruthless predatory species of spider from the planet Uintahzia, located 2.3 million Light-Years away from Earth in the Andromeda Galaxy. Their legs are so powerful that they can destroy solid bedrock like a thin piece of wood. And they eat anything by wrapping them up in webbing.

Nicole: I remember seeing those creatures. They are extremely voracious and extremely dangerous.

Shanan: Yeah they are terrifying as well.

Nanette: Lets find out what Thunderlegs is.

Me: Okay.

Nanette put a drop of her blood into the analyzer machine in the computer and it found out that Nanette was spliced with Xepthorgan

Stormbeetle DNA.

Me: A Xepthorgan Stormbeetle?

Nanette: So that's what Thunderlegs Species is called.

Lola: Wow! I've never heard of a creature like that.

Me: Me neither Lola. Lets see.

I found out that they come from the gas giant planet Xepthorga.

The planet Xepthorga is a Super Gas Giant planet located in the Unknown Zone of the Universe. It is 400 billion kilometers or 248,548,476,894 miles in diameter. Making it one of the largest known planets in the universe. It's also home to some of the most powerful and most violent storms of any planet. Winds blow at 10,500,000 miles per hour and lightning strikes at 100 quadrillion strikes every 1/16 of a second and it is one of the most electrically charged planets in the universe.

Me: Wow! Planet Xepthorga is a violent storm planet!

Lori: That is literally a terrifying and strange planet!

Varie: That planet looks fierce just from looking at it.

Me: No kidding. It says here that Xepthorgan Stormbeetles eat the lightning from the clouds of the planet and it gives them more power and strength.

Nanette: That explains why I have a diet for lightning when a thunderstorm rolls in.

Lola: I didn't know it was possible for that to happen.

Me: And it says here that they use the strong currents of the wind to fly and they can fly in the planets extreme gravity.

Lisa: Wow! That's an amazing feature for an extraterrestrial insectoid organism.

Me: It sure is.

Stewie: These test results are fascinating!

Me: They sure are Stewie.

Brian: I never even knew all these creatures even existed.

Sydney: Me neither. So we've been spliced with Alien DNA.

Chione: That is like what happened to me.

Sheila: Hard to imagine.

Sydney: I wonder what Quarry's species is.

Me: Lets find out.

Sydney put a drop of her blood into the analyzer and the machine revealed that Sydney was spliced with the DNA of a Manitouan Cave Hopper.

Me: A Manitouan Cave Hopper?

Sydney: So that's Quarry's species?

Lincoln: I didn't know that Quarry's species was called that.

Me: Lets see what it says about the planet.

I looked it up and it said that Quarry comes from the planet Manitou VII.

Planet Manitou VII is a strange planet located in the Unknown Zone. A Mysterious Event caused 20% of the planets structure to be blasted to space dust. It is named after Manitou Springs in Colorado and the planet is home to the largest cave system ever. Loaded with rock formations, crystal rooms, stalactites, stalagmites and columns. It is also loaded with bats of many types that live in the ceiling.

Me: Whoa! The planet is like Earth but 20% of its structure has been blown apart.

Lily: What caused that?

Me: It says it's unknown.

Naruto: What does it say about Quarry's Species?

Me: Lets see. It says that Manitouan Cave Hoppers are an insectoid humanoid species that live in the caves of the planet and they are extremely predatory. They are very phobic of light and they hide in the darkness of the caves for protection from the planets 3 suns.

Sydney: That's incredible. But I wonder how the planet got 20% of its structure blown apart.

Me: Maybe Quarry might know.

Sydney: Let me see.

Sydney talked to Quarry in her subconscious.

Sydney: How did your home planet get 20% of its planetary structure get blown apart?

Quarry: A massive meteor crashed into the planet over 500 million of your years ago Sydney. The meteor would be the size of your planets moon.

Sydney: That's unbelievable! Thank you for telling me this.

Quarry: You're welcome Sydney.

Sydney told us.

Me: So a massive meteor crashed into Manitou VII?

Aylene C.: And it was as big as the moon? That's incredible!

Luna: That's awful dude!

Naruto: It's amazing that his world survived that.

Me: No kidding bro. But I wonder what George, Ken, Roy and Max were spliced with.

Lucy Loud: We'll have to find out when we invite them over.

Me: I know Lucy. But now we know what happened. The Shredder spliced you guys with Alien DNA from planets all over the universe.

Chione: The Shredder was really playing with fire.

Helen Wheels: He sure was. It's absolutely despicable that he was doing all that.

Alan (Ben 10): I know. I can't believe he was that evil.

Nico and the others came back.

Me: Hey guys.

Autobot Jazz: So, how was McDonald's?

Nico: It was great Jazz. We had a great lunch. Also Qin caught the Sleep Card.

Qin: Yep.

Me: Way to go Qin!

She handed it to me.

Qin: Thanks J.D. It was so cool capturing the Sleep Card.

Nico: She did a great job.

I signed the card.

Me: We also found out some very interesting information.

We revealed what we found out about Sydney, Nanette and Sheila.

Nico: So the Shredder Spliced them with Alien DNA from different planets? That's madness!

Me: We had to find out what species they were. We couldn't just refer to them as monsters forever.

Nico: That's true. But I've never heard of creatures like these.

Lola: None of us have Nico.

Qin: It's amazing that you all know so much about so many alien creatures from all over the universe.

Me: Thanks Qin.

Stacy: We've been to many planets and it is so awesome!

Rita: Oh kids.

Lori: What is it mom?

Rita: I have great news for you all. We're gonna go and visit your cousins Dipper and Mabel Pines.

The Loud Kids cheered.

Lincoln: I haven't seen cousin Dipper in forever.

Lana: Me neither.

Luna: Dude its been so long.

Me: Where do they live?

Laney: They live in Gravity Falls, Oregon.

Me: That's a beautiful place. But I heard rumors flying around that it's home to lots of legendary creatures.

Luan: It is. And it's a Legend-ary Place! (Laughs to rimshot) Get it?

Most of us laugh while everyone else signed.

Qin: (Laughs) That was so funny!

Me: Luan is a major kick in the butt Qin. She cracks us up.

Nico: Gravity Falls is an amazing place.

Me: What can you tell us about your cousins guys?

Lori told us about them.

Me: Wow! Your cousins are amazing.

Lori: Thanks J.D.

Me: So Dipper is called that because he has a birthmark in the shape of the Big Dipper in the middle of his forehead?

Laney: Yep. It's his birthmark.

Me: He's not the only one that has a constellation birthmark.

I pulled back my trench coat flap and on the right side of my neck was a birthmark in the shape of the constellation of Phoenix the Firebird.

Lincoln: Wow! That's an interesting birthmark.

Me: It's the Constellation of Phoenix the Firebird. It's a constellation that only appears in the night skies of the Southern Hemisphere. I was born on October 14th in New Zealand while my parents were on Vacation there. It was at that moment that I also had this birthmark on me.

Nico: That's so cool!

Xion: I didn't know the stars did that to you.

Nicole: The power of the stars works in all kinds of mysterious ways.

Laney: That is very enigmatic.

Me: It sure is. Ms. Rita can we all go and meet Dipper and Mabel?

Rita: Sure J.D. They'll be so excited to meet you all.

Me: Awesome! And without a doubt they have heard about all of us.

Varie: This is gonna be awesome!

We got ready to go to Oregon.

GRAVITY FALLS, OREGON

We were flying and driving and riding our horses as we were in the forests of southwestern Oregon. We arrived in Gravity Falls. It was an amazing town.

Me: Wow! Gravity Falls, Oregon.

Lincoln: This place is amazing.

Nico: It sure is.

We arrived at a cool place called the Mystery Cabin. It was a cool place where famous creatures of legend and cryptozoology are put on display.

Me: Wow. So this is the Mystery Cabin.

Nico: This is so cool!

There we saw Dipper and Mabel Pines!

Dipper: Hey guys!

Lincoln: Cousins!

They hugged!

Lori: It's great to see you guys!

Mabel: We missed you guys!

Dipper: Whoa! No way! Team Loud Phoenix Storm!? It's so awesome to meet you all!

Me: It's a pleasure to meet you Dipper. And you too Mabel.

Mabel: You are so awesome guys!

Nico: Thanks Mabel.

Mabel: (hugs Cacnea in cuteness) Cacnea's so cute!

James: Funny. Most of the time, Cacnea's the one that hugs me.

Dipper and Mabel told us why we were called to Gravity Falls.

Dipper: We're glad you're all here J.D. There's a reason why.

Me: What's wrong?

Dipper: We were invited to a party at the Northwest Estate.

Me: The Northwest Estate? You mean the Northwest's? The most richest family in all of Oregon?

Dipper: That's right.

Nico: Who are the Northwest's?

Me: Only the most powerful and richest family in all of the state of Oregon.

I revealed the whole history of the Northwest Family.

---

150 years prior to the events of "Northwest Mansion Mystery," the mansion was built and completed by local lumberjacks with the promise that the Northwests would host an annual party to the public of Gravity Falls. However, this promise was broken, allowing only upper-class citizens of Oregon into the party.

In "The Golf War," the Pines family and Soos drove Pacifica home from Ye Royal Discount Putt Hutt as a nice gesture by Mabel, since her parents hadn't arrived to pick her up and it was starting to rain. After Pacifica opened the gates to her home, Dipper and Mabel saw how exquisite it was and agreed they should have charged her for the taco Mabel gave her.

In "Northwest Mansion Mystery," it was revealed that the mansion was haunted by one of its original creators, a lumberjack who had sworn vengeance on the Northwests. The Northwests hired Dipper to get rid of the spirit by trapping it into a silver mirror, but the spirit escaped by breaking the mirror. The spirit then returned to the mansion and started turning people into wood, refusing to stop until a Northwest opened the party gates up to the public like their ancestors promised. Once everyone at the party was turned to wood, including Dipper, Pacifica opened the party to the public, appeasing the spirit and lifting the curse.

In "The Stanchurian Candidate," the mansion briefly appears on a map of Gravity Falls.

In "Weirdmageddon 3: Take Back The Falls," the Northwest family loses their fortune, resulting in Preston having to sell the mansion in order to stay wealthy. Meanwhile, Old Man McGucket acquires wealth by marketing his inventions to the US government; and after spotting the mansion for sale, he purchases it. After Dipper and Mabel leave Gravity Falls, McGucket is seen standing in the fancy interior of the mansion.

---

Me: The Northwest Family may be rich, but they also have some incredibly shady activity.

Laney: What kind of Shady Activity?

Me: A lot of evil activity.

I revealed all of Preston Northwest's Activity.

---

Preston is introduced in "Irrational Treasure" celebrating Pioneer day with his family and using his relation to the Town's supposed founder as an excuse to lord his superiority over the people.

He later returns in "The Golf War" to drop his daughter off at a match between her and Mabel, however rather than stay to support his daughter, he and his wife leave to go to a party- offering her the words of advice: "Don't lose".

But its not until "Northwest Mansion Mystery" that Preston demonstrates just how evil a man he truly is, in fact serving as the true main antagonist of the episode. Preston's ancestor Nathaniel had manipulated local lumberjacks into building what became the family mansion 150 years earlier, by promising he would use the space for a great public service- an annual party held by the family for the workers in the community. However, on the day of their party, the Northwests refused to let in the Lumberjacks and hold up his end of the bargain- instead laughing them off and enjoying a soiree for the rich. Adding injury to insult, the mass removal of the mountainside trees caused mudslides that same evening which killed several of the lumberjacks. One lumberjack among those who died swore a curse on the Northwest line with his dying breath; unless they agreed to honor the promise and let the common folk into their annual party after 150 years he would return to seek revenge.

As the curse began to come true, rather than opening the gates and letting the common folk in to break the curse, Preston instead forced his daughter to manipulate Dipper into getting rid of the ghost. Its revealed in this episode as opposed to simply being neglectful, Preston is outright emotionally and psychologically abusive towards Pacifica- going so far as to train her to respond on command to a small bell he keeps on his person (like a dog).

After Dipper successfully trapped the ghost in a silver mirror, Preston thanked him and then began to welcome his guests. However upon learning the truth from the trapped ghost, Dipper angrily stormed back in and called Preston out for his callousness and deception. While Pacifica attempted to apologize to Dipper, Preston intimidated his daughter into silence before smugly dismissing Dipper and his anger- reminding him that this would be the last time anyone of "his kind" (the common-folk) would be allowed at his party.

However, the ghost managed to free itself from the mirror and began terrorizing the party, transforming the guests into wooden statues and causing general mayhem. Rather than agree to break the curse and save his guests, Preston instead hid with his wife and a butler in a panic room- leaving everyone else to their doom.

Once the ghost had turned everyone into wood, it planned to burn the mansion down killing everyone. However, Pacifica (having received renewed confidence from Dipper) decided to go against her family's legacy by breaking the curse. However Preston was watching the scene from a trap door, and emerged to order his daughter to leave the gates closed and join them in the panic room (he also reveals his plan to kill and eat the family butler if their food ran out before the ghost left). However finally standing up to her psychologically abusive father Pacifica opened the gates, letting the common people in and breaking the curse. This undid the ghost's damage and saved everyone. However, Preston's only response was narrow-minded shock and terror that the common folk were invading his party.

In "Weirdmageddon Part 1", Preston attempts to offer an allegiance to the dream demon Bill Cipher after he melts the Nathaniel Northwest Statue, despite Pacifica scorning him for it. Bill chooses to disfigure his face by rearranging his facial features instead. Preston collapses in front of a screaming Pacifica and Priscilla.

In the series' finale "Weirdmageddon 3: Take Back the Falls", it is shown that Preston and Priscilla were petrified and added into Bill's throne of human agony along with many other citizens while Pacifica evaded capture. Eventually, Dipper, Mabel, and their friends were able to free the citizens, and Preston's face was returned to normal. When Pacifica was called in to help to stop Bill, Preston (doing the right thing for once) encouraged her to do so. Following Bill's death and the end of Weirdmageddon, Preston was among the people delighted that everything was finally back to normal. However, he was ultimately forced to sell his mansion in order to maintain his family's wealth due to his attempted allegiance with Bill, much to his distress. He is last seen breaking down in tears as the mansion is put on for sale.

---

Me: I've been gathering evidence on Preston Northwest and his wife Priscilla for a while now. So far all my evidence was too little. I needed to make Preston talk and make him talk about his crimes. But because all the security around the mansion is too tight, I haven't been able to do so.

Dipper: That's awful.

Me: But I have a plan. I'm going to go undercover as a rich acquaintance of the Northwest's and expose them while wearing a wire.

Laney: That's perfect!

We then put our plan into action.

We set up camp at a hill and we saw a beautiful mansion that was not nearly as nice as ours. We saw that the mansion was amazing! But it was heavily guarded. We saw that guards were everywhere holding all the people back and it was a big party. But it wasn't just any ordinary party. It was the annual Northwest Grand Party. One of the biggest parties of the year. But I found out that a terrible event happened at the house 150 years ago. In the 19th Century, when Preston Northwest's Great Grandfather, Nathaniel Northwest had the mansion built, he promised to throw a great party for everyone. But when the house was done, Nathaniel went back on his word and double-crossed everyone by refusing to let them in and because of that, they were cursed. The Lumberjack vowed that 150 years after the mansion was built, he would return from the dead and get revenge on all the Northwest's. And he promised to kill all the Northwest's if the people don't get their wish.

Me: So the party is a result of another family turned evil because of their own greed and selfishness.

Laney: This is absolutely disgusting.

Lori: The Northwest's are literally the worst.

Me: They make it sound like they're dating the most hated person ever.

Lincoln: So what are we gonna do?

I got amazing rich people costumes and we went in under assumed identities. Horsea and Private were posing as stuffed animals. Skipper, A.J. and the penguins went into the security system room.

We went into the mansion and we saw a lot of party guests and more.

Me: Wow. Very exquisite place.

Lincoln: This place is beautiful.

Laney: It's just as nice as our mansion.

Lori: The Northwest's literally have incredible good taste.

Lola: They sure do.

We met Pacifica Northwest.

Pacifica: Welcome to the party.

Me: (Normal voice) Tha… (Clears throat) (In a falsetto) (British Accent) Thank you Ms. Pacifica.

Lincoln: (In a falsetto) Thank you for inviting us.

I saw Preston and Priscilla Northwest.

Me: (In my head) Targets sighted.

We then talked to Pacifica alone.

Pacifica: So what is the reason you wanted to talk to me alone?

Me: (Normal Voice) Pacifica, My name is not Cornelius Knickerbocker.

I reveal my face.

Pacifica: J.D. Knudson of Team Loud Phoenix Storm?

Me: That's right. We are really here to arrest your parents. We know you lied to us. But I have a feeling you were coerced into doing it.

Mabel: But I thought you invited us here because a ghost was troubling you.

Pacifica: (tears in her eyes) I lied about it, Mabel. All of it, all of it was a lie.

Mabel: Excuse me?

William: I thought you were rich.

Pacifica: That part is true. But everything else about my family is a lie! My lifestyle, the respect, everything! I made up everything about what I said about my family! All because I wanted to have friends. That's why I acted like a snob over the years! I just wanted some respect from everyone else! I thought that if I was more like my parents, I'd think people would like me! But I was wrong! Everything was my fault! It's all my fault that nobody in the Gravity Falls likes me, and I guess it serves me right! I was such an idiot for everything that I did! I guess… I'll never learn. I'll never have any friends now.

All of us felt really bad for Pacifica now.

Pacifica: (sobs) You guys might as well just kill me now. It's better then being a slave to my parents any longer!

Ultra Humanite: I have a better idea. (fires a net at Pacifica, trapping her) Apologies, but this is a safety precaution so you don't do anything bad to yourself.

Pacifica: I understand.

Me: Gerard, that's not necessary. Dipper will look after her.

Dipper: Okay.

Me: Okay but we have to keep up a front.

In the hall they saw the security room.

Shocker: I saw at least three armed guards on the perimeter.

Rhino: Right, Herman. (sees A.J. going into the security console) What the hell are you doing, AJ?

AJ: I recognize the security system. My parents had the exact one once. I'll have the access code cracked and security disabled before you could say "breaking and entering". (finishes supposedly disabling security) There. We're in.

Maria: I wouldn't be so sure about that.

A.J.: Why's that?

Francis: Because you just tapped into a dummy box, which means those guards are gonna be here quicker than you can say "rookie mistake."

The guards approached them.

Guard: Hands up.

Shocker, Rhino, Francis, and Maria punch them, knocking them unconscious.

They found the real security system and disabled it.

A.J.: (In a radio) J.D. we disabled the security system.

Me: (Telepathically) Good work A.J. Wait for my command.

A.J.: Roger that.

I walked up to Preston and Priscilla.

Preston: Ah Cornelius Knickerbocker how great of you to show up.

Me: (In a falsetto) (British Accent) (Turns on wire) Thank you old chap. I have a question for you? What lead to the success of your magnificent wealth?

Preston: Well it was not an easy task. But I had to lie my way to get to the top. Over the years my family stole from banks all over the country and we lied and made corrupt deals with all of the most powerful figures in the world. But it was mostly Russia to help certain people get into power. Like the senators of the world and the Prime Ministers.

Me: So you're saying that you meddled in certain world elections?

Preston: Indeed.

Outside was an ice cream truck. But what everyone doesn't know is that it's an undercover FBI truck with equipment inside. The man at the wiretap gave the thumbs up saying we got it.

Director Wray: SWAT Team lets move in.

They got ready.

Director Wray: (On the Radio) J.D. you were right. We're moving in.

Me: (Telepathically) Great Director Wray.

I used the sleep card to knock out the guards into a deep sleep.

Lana opened the gates and the SWAT Team moved in.

Lola and Lily then opened the doors and the SWAT Team came in.

Preston: What's going on here!?

Me: (Normal Voice) The end of a criminal empire!

I took off my disguise and we all did the same.

Me: Surprise!

Preston: J.D. Knudson and Team Loud Phoenix Storm!? What's going on here!?

They put him and Priscilla in handcuffs.

Director Wray: Preston Northwest, you're under arrest for fraud, child abuse, high treason and first class conspiracy. You have the right to remain silent. Anything you say can and will be used against you in a court of law.

My Dark Orb detector went off and there was a dark orb somewhere in the house.

Me: There's a dark orb here.

Pacifica: Yes. It's over there.

We saw it on a pedestal. The Dark Orb was as big as a huge pearl.

Me: There it is.

Nico: That was easy to find. But Preston and Priscilla Northwest, you both have failed this world as parents and as people.

Skipper: Private, Kowalski. Get all the papers detailing the Northwest's family history. Rico, you're with me. We're going to loot the mansion of its' undeserved possessions.

Private: Yes sir!

Pacifica: You never loved me "Mom and Dad"! All you ever cared about was money and wealth! And it was because of you that I never get to do the things I want or have any friends! You never gave me what I wanted!

Laney: You disgust me! You two give loving parents a really bad name!

Lana: That's right!

Lola: Yeah!

?: They do give loving parents a bad name don't they?

We turned and we saw Daolon Wong! He was reborn as a Heartless! He was now known as the Nightmare Leech Wizard!

Nico: Daolon Wong!

Me: We killed you!

Nightmare Leech Wizard: Yes you did kill me.

Jade Chan: You're even more uglier than before, Wong.

Nightmare Leech Wizard: That's your opinion. But I think of this as something else. After all, was it not inevitable that I would become a Heartless?

Maria: Where are you going with this?

Nightmare Leech Wizard: I have observed my capabilities since being reborn in this form. I have learned that a Heartless loses the body that it once had as a normal being. But what really intrigued me is that it becomes stronger than its' original body. In addition, the brain keeps going and the Heartless in question no longer ages, making it immortal.

William: What are you trying to say?

Nightmare Leech Wizard: That perhaps being a Heartless is a gift, a way to separate the weak from the strong. After all, most villains like me are superior to all average humans. I see this in nature, predators consuming the prey, the weak. So, by killing me, you basically helped me move on to the next stage in human evolution.

Me: Don't flatter yourself yet you freak! You act like you know the Heartless inside and out. But your knowledge is dangerously lacking. Heartless are not immortal. They can die just like everything else. They are born from the darkness in the heart. But like the darkness, the light will destroy them! Lets dance Wong! But not in here. Lets take the fight outside.

Nightmare Leech Wizard: Good idea. A mansion like this is too exquisite to be destroyed.

Me: Very sporting of you. Director Wray, don't take the Northwest Parents away yet. We need to have them taste the power of Team Loud Phoenix Storm when we're done with our old friend here.

Director Wray: Understood J.D.

We went outside to the forest and we went at the Nightmare Leech Lizard. I punched him in the face and slashed him with my sword and I punched him in the face again.

Nico: Daolon Wong, you have failed this world!

Nico punched him in the face and kicked him in the stomach with devastating force and kicked him in the face and slashed his eyes out.

Lori and Jade fired a massive blast of wind and blew him around in a powerful tornado of wind.

Leni crushed him with a tree and Luna slammed a powerful blast of water into him.

Vince fired a bunch of crystal shards and slashed him all over.

Aylene and Lola fired a massive blast of fire and burned him.

Qin: Time to show you some dragon power!

Qin turned into Scalebreath! Her eyes turned green and slit and her skin turned dark yellow and scaly and her head grew larger and turned into a lizards head and her tongue turned into that of a snake and she grew a tail from her butt and her fingers turned into claws and so did her toes.

Scalebreath: Time to burn!

Scalebreath breathed a massive blast of fire at Daolon Wong's heartless and burned him bad.

Me: That was so awesome!

Scalebreath: Thanks J.D.

Me: Lets see how you like some combos!

Jazz: Lets get him! CYBER KEY POWER!

The Earth Cyber Planet Key went into his arm and it enhanced his Spectrum Beacon and Speakers 100-fold.

Robby Schwartz: This is gonna be interesting! EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into his right arm and it enhanced his Technokinetic Powers 100-fold.

Jazz and Robby Schwartz: VERTIGO LIGHT LASER DEATHSTORM!

Robby Schwartz made a powerful laser gun and Jazz fired a light show from his spectrum beacon that made Daolon Wong disoriented and dizzy and Robby fired his laser gun and it hit him and exploded.

KRABBOOOOOOOOOOOOOOOOOOMMM!

James: Lets do it Cacnea! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his right arm device and it enhanced his Cacnea's abilities 100-fold.

G1 Thundercracker: Lets get him! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and it enhanced his weapons and abilities 100-fold.

James: Cacnea, use Energy Ball!

G1 Thundercracker and James: SUPERSONIC ENERGY BOMB SURPRISE!

Cacnea fired an energy ball and Thundercracker flew at Mach 8 or 5,600 miles per hour and it released a massive sonic boom blast and it merged with the Energy Ball and the blast slammed into Daolon Wong and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Carol: Lets get him Maria!

Maria: You got it Carol!

Carol fired a powerful blast of Burning Godzilla's Atomic Ray and Maria fired a massive blast of water.

Carol and Maria: NUCLEAR MEGATSUNAMI BURST!

The blasts combined and turned into radioactive water and it burned the Daolon Wong Heartless and exploded.

KRABBBOOOOOOOOOOOOOMMMMM!

Jade: You will never be welcome here again Daolon Wong! HYPERCANE SUPERSHRED STORM!

Jade Chan fired a massive blast of wind and it hit Daolon Wong and shredded him all over.

Pacifica Northwest: This is the power of friendship! MONEY RAY DEATHSTORM!

Pacifica fired a powerful green energy blast in the shape of dollar signs and they hit him and exploded. He died on the spot and his spirit went into the River of Fire.

Daolon Wong: This can't be happening! I'm immortal!

Me: Go back to Hell!

Daolon Wong was gone forever. In the flames of eternal forgetfulness.

Me: Now to make sure that Pacifica's parents know what they are dealing with!

Dipper: You got it J.D.! I've always wanted to try this. Pacifica, I've wanted to tell you this for a while. I love you. Ever since we defeated Bill Cipher, I've wanted to tell you about that. I love you and you are the most beautiful girl ever. I love you Pacifica.

Pacifica was shocked! She never felt this way before. But she knew it was true.

Pacifica: I love you too Dipper!

They kissed for the first time and we were so happy for them both.

Me: I'm so happy for you guys.

Pacifica: Lets do a final smash together.

Dipper: You got it!

Dipper and Pacifica: ZODIAC LOVEFIRE BURST!

Dipper and Pacifica fired a powerful blast of fire in the shapes of the symbols of the Celestial Zodiac and they slammed into Pacifica's parents and they exploded with the intensity of a bunch of landmines. It didn't kill them. But it did send a message to them.

Me: This is what you get for your crimes against Oregon and the country.

Nico caught a Ferrothorn and a Klinklang during the battle.

Pacifica: (To the Viewers) Having all the money in the world does not bring you happiness. It only brings misery.

Me: You got that right.

We moved the Northwest Mansion and all of the town of Gravity Falls to the Gotham Royal York area and it was in the forest sector. We moved the Northwest Mansion to the estate grounds and it was connected to the estate. Dipper and Mabel and the Pines family live in the mansion and so does Pacifica. Preston and Priscilla Northwest were found guilty of their crimes and sentenced to 20 Life terms plus 10,742 years without parole in Federal Prison and were ordered to pay the entire city of Gravity Falls $928,827,826,829,637,846,978.00 in restitution. Most of that money went to Pacifica and Dipper. Odd and Wendy Corduroy got hitched.

FLASHBACK ENDS

Camie: (GASP!) That is horrible! I can't believe that Pacifica would endure horrible abuse from them.

Nico: Yeah I know.

Qin: Boy I remember that day. I just joined the team back then and that was one of my most fun adventures.

Laney: That was so fun.

May: Yeah it sure was.

Juran: They aren't good parents!

Me: No they weren't.

Camie: No they sure weren't!

Me: But the log mansion that they built is amazing. It's now Pacifica and Dipper's awesome home too.

Xenia: Yep.

Camie: Wow!

Lincoln: Yep. And they are bound to have some help in this. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Pacifica's so-called parents.

Me: Now to find out where Pacifica's evil parents are.

Nico: Think we should tell Pacifica about this?

?: (NTH-DEGREE FUCKED UP ENRAGED SCREAMS) YOU WILL ALL PAY FOR RUINING OUR LIVES AND THROWING US IN PRISON, TEAM LOUD PHOENIX STORM!

Lincoln: And here come the criminal snobs now!

We then saw Pacifica's so-called parents, and boy were they absolutely out of their minds: their hair was wild and their eyes were red and they were murderous and crazy! They got out a bazooka and fired a missile at us, but Lincoln made a massive and powerful diamond barrier protecting all of us and the missile hit the barrier and exploded, but not a single dent was made. Pacifica's evil so-called parents continued attacking the barrier in their fit of rage, first, they tried shooting at it with machine guns, but it didn't work, and then, they tried to hit it with their fists, and that didn't work either, but their fists were really bloody: THE NORTHWESTS WERE ABSOLUTELY OUT OF THEIR MINDS AS THEY CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

Lola: Whoa, looks like prison wasn't too kind to them, in fact, they look even worse than ever!

Lana: (Snickers) If you ask me, the crazy murderous convict look is an improvement, coupled with the fall from grace.

Me: Fitting for devils like you.

Lincoln: They were never good people to begin with, they were born criminals and traitors, and like the criminals and traitors before them, Hell awaits for them.

Qin: Yeah.

Lincoln fired two diamond balls at The Northwests which hit them in the face and sent them flying into a wall and Lincoln deactivated the barrier and we stood ready to fight The Northwests, who got back up, but now they were even more out of control and completely bat-shit rage crazy insane!

Mr. Northwest: YOU STUPID GOODY-TWO-SHOES HEROES HAVE RUINED EVERYTHING! OUR RICHES, OUR EMPIRE, YOU'VE RUINED EVERYTHING!

Mrs. Northwest: WE WILL RIP YOUR HEADS OFF AND MOUNT THEM ON A WALL AND SPIT ON YOUR GRAVES!

Lincoln fired golden web blasts which gagged The Northwests' mouths.

Lincoln: Seriously, if you have nothing nice to say at all, don't even open your big fat mouths at all!

Mandee: Either way, your lives are about to end here and now.

Me: Yeah. And another thing you two? Bite my big fat fucking ass!

Nico: Seriously, should we tell Pacifica?

Me: We'll tell her and Dipper when we get back. But don't you have anything you want to say to them Nico?

Nico: Oh I got a few words to say to these two.

Nico went over to them.

Nico: I have a list of top 10 parents in the world. It doesn't include you two!

Priscilla Northwest: HEY! We are really good parents.

Me: Bullshit! You're terrible parents! Pacifica showed us her scars and we saw that you burned, slashed and bruised her all over!

Xenia: YEAH! You give all parents everywhere a bad name!

May: YEAH!

Camie: Does Pacifica have REALLY Terrible scars like that?
